(1)

Includes: (i) 156,000 shares of Versicor Inc. Common Stock (used in these footnotes as defined in Item 1 below) held by Biosearch, (ii) 1,442,869 shares of Common Stock held of record by HealthCare Ventures V, L.P. ("HCV"); and (iii) 17,500 shares of Common Stock held of record by George F. Horner III. Only the shares of Common Stock in (ii) are subject to that certain Voting Agreement ("HCV Voting Agreement") dated July 30, 2002 by and between Biosearch and HCV; only the shares of Common Stock in (iii) are subject to that certain Voting Agreement ("Horner Voting Agreement") dated July 30, 2002 by and between Biosearch and Mr. Horner. The HCV Voting Agreement and the Horner Voting Agreement shall be collectively referred to as the "Voting Agreements." As a result, each of Drs. Quarta and Parenti may be deemed to "control" Biosearch, as such term is defined under the Securities Act of 1933, as amended (the "Securities Act") and therefore may be deemed to share dispositive power over the shares of Common Stock that Biosearch holds, as well as the shares of Common Stock over which Biosearch may be deemed to share dispositive power (*i.e.* those shares of Common Stock in (ii) and (iii) of Footnote 1, for the reasons described below). With respect to the shares of Common Stock in (ii) and (iii) of Footnote 1, Biosearch may be deemed to share dispositive power over the shares in (ii) with HCV, as HCV may not dispose of such shares without Biosearch's consent (as described more fully in Item 6 below); Biosearch may be deemed to share dispositive power over the shares in (iii) with Mr. Horner, as he may not dispose of such shares without Biosearch's consent (also as described more fully in

Item 6 below). Drs. Quarta and Parenti each expressly disclaim beneficial ownership of the shares of Common Stock described in this Footnote 2.

Voting Agreements

On July 30, 2002, Biosearch entered into the respective Voting Agreements with HCV and Mr. Horner. The provisions of the Voting Agreements are substantially similar except for the parties and the number of shares subject to such agreements.(51) The Voting Agreements provide that HCV and Mr. Horner, as applicable, shall not (unless otherwise agreed to by Biosearch), among other things, transfer any of such party's shares of Common Stock that are subject to the Voting Agreements or deposit such shares or any interest therein into a voting trust or enter into a voting agreement or other arrangement with respect to such shares. The foregoing restrictions are effective through and including the date of the earlier of (i) the approval of the Merger by Versicor's stockholders or (ii) the termination of the Merger Agreement in accordance with Article VII thereof.

The Voting Agreements also provide, among other things, that HCV and Mr. Horner, as applicable, shall, at each Versicor stockholder meeting (or adjournment or postponement) called with respect to any of the matters set forth below and on every action or approval by written consent of Versicor stockholders with respect to any of the following, (and in any other circumstances upon which a vote, consent or other approval with respect to any of the following is sought, solely in its capacity as a Versicor stockholder), take each and every action and accomplish each and every formality as is necessary to participate in the meetings (if applicable) and vote (or cause to be voted) all of the party's shares subject to the Voting Agreements and each interest therein:

(a) in favor of the Merger, the Merger Agreement and the transactions contemplated thereby and, upon the request of Biosearch, any actions required in furtherance thereof and hereof, including, without limitation, any proposal to permit Versicor to adjourn such meeting;

liquidation of Versicor; and (iii) (A) any change in the present capitalization of Versicor or any amendment of the Certificate of Incorporation or similar governing document of Versicor, (B) any other change in the corporate structure or business of Versicor; or (C) any other action which, in the case of each of the matters referred to in clauses (A) and (B) above, is intended, or could reasonably be expected, to impede, interfere with, delay, postpone, discourage or adversely affect the consummation of the Merger and the other transactions contemplated by the Merger Agreement or this Agreement; and

-
- (51) The Voting Agreement with HCV relates to 1,442,869 shares of Common Stock held of record by HCV, whereas the Voting Agreement with Mr. Horner relates to 17,500 shares of Common Stock held of record by Mr. Horner.

(c) in favor of each other matter relating to the consummation of the transactions contemplated by the Merger Agreement.

The Voting Agreements further require that HCV and Mr. Horner, as applicable, at the time they enter into the applicable Voting Agreement, deliver to Biosearch an irrevocable proxy with respect to their shares subject to the Voting Agreement, allowing Biosearch's Chief Executive Officer and/or President, or their successors, to vote in favor of or against, as applicable, the matters set forth in (a) through (c) above. Each of HCV and Mr. Horner has delivered such a proxy to Biosearch.

Except as provided above, the Voting Agreements terminate on the earlier of (i) the termination of the Merger Agreement in accordance with Article VII thereof, and (ii) the consummation of the Merger.

The foregoing description of the Voting Agreements is qualified in its entirety by reference to the full text of such agreements, copies of which are attached hereto as Exhibits 1 and 2 and incorporated by reference herein.

Stockholders Agreement

On July 30, 2002, Mr. Horner and Drs. Cavanaugh, Quarta and Parenti entered into the Stockholders Agreement, which provides that the parties thereto shall take such action as may be required so that all of their shares of Common Stock held by them (the "Subject Shares") are voted at all Versicor stockholders meetings:

(i) for nominees to Versicor's board of directors who have been recommended by the board of directors according to the procedures set forth in Versicor's amended and restated bylaws, which will be in effect at the effective time of the Merger, and

(ii) on all other matters submitted to the holders of Common Shares with respect to any Significant Event (as defined below) in accordance with the recommendations of the board of directors.

As used in the Stockholders Agreement, the term "Significant Event" means any charter or bylaw amendment, acquisition or disposition of assets (by way of merger, consolidation or otherwise), change in capitalization, liquidation or other action out of the ordinary course of business of Versicor. The parties are also required to take such action as may be required so that all Subject Shares owned by the party shall be present in person or by proxy at all duly noticed and convened meetings of Versicor stockholders, so that the Subject Shares owned by such party may be counted for the purpose of determining the presence of a quorum at such meetings.

The Stockholders Agreement also prohibits the parties from depositing any of their Subject Shares in a voting trust or making any other arrangement or agreement with respect to the voting of the Subject Shares. Furthermore, the Stockholders Agreement provides, among other things, that the parties shall not directly or indirectly solicit proxies or become a "participant" in a "solicitation" in opposition to the recommendation of the board of directors with respect to any matter or in any "election contest" relating to the election of directors of Versicor (as such terms are defined in Regulation 14A under the Exchange Act).

The terms of the Stockholders Agreement are effective through and including the date of the earlier of (i) three years from the consummation of the Merger or (ii) the termination of the Merger Agreement in accordance with Article VII thereof.

The foregoing description of the Stockholders Agreement is qualified in its entirety by reference to the full text of such agreement, which is attached hereto as Exhibit 3 and incorporated by reference herein.

Merger Agreement

The Merger Agreement provides that Biosearch will merge with and into Versicor in a stock-for-stock exchange, with Versicor being the surviving corporation. The Merger Agreement, which has been approved by the boards of directors of both companies, provides that Biosearch shareholders will receive 1.77 shares of newly-issued Versicor common stock in exchange for each Biosearch ordinary share.
