ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR  
RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER.

The Reporting Person has acquired and will acquire beneficial ownership of shares of Common Stock pursuant to the Performance Compensation Plan, a copy of which is attached hereto as Exhibit A, the Capital Accumulation Plan, a copy of which is attached hereto as Exhibits B and C and the Stock Award Plan, a copy of which is attached hereto as Exhibit D.

Under the Performance Compensation Plan, the Reporting Person receives an annual base salary and a share of a performance-based bonus pool, whose value is established pursuant to a formula determined by the Compensation Committee of the Corporation's Board of Directors (the "Compensation Committee"). Amounts allocable under the Performance Compensation Plan may be distributed in cash, CAP Units pursuant to the Capital Accumulation Plan, or stock options pursuant to the Stock Award Plan.

Pursuant to the Capital Accumulation Plan, the Reporting Person receives a portion of his annual compensation in the form of stock units ("CAP Units"), as established by the Compensation Committee, which CAP Units will vest over three years. After a five-year period, the Reporting Person will be entitled to receive a number of freely transferable shares of Common Stock equal to the number of CAP Units then credited to his capital accumulation account plus cash in the amount, if any, of his cash balance account at the end of such period.

Under the Stock Award Plan, the Compensation Committee determines the terms and conditions of options granted to the Reporting Person within the parameters of the Stock Award Plan and the number of shares covered by each option. Options granted to the Reporting Person under the Stock Award Plan have a ten-year term, are granted with exercise prices equal to the fair market value of the Common Stock on the date of grant and become exercisable after three years provided that the Reporting Person has continued as an employee at all times since the date of grant of the option. Unexercised options will terminate pursuant to the circumstances set forth in the Stock Award Plan, including as a result of termination of employment (except as a result of death).

Except as otherwise required by law, CAP Units may not be assigned or transferred except to the Reporting Person's designated beneficiaries upon his death. Subject to limited exceptions set forth in the Stock Award Plan, options are not assignable or transferable except by will or by the laws of descent and distribution. CAP Units and options do not grant any privileges as a stockholder with respect to any shares of Common Stock until the CAP Units are

converted to shares of Common Stock or the options are exercised.

Shares acquired pursuant to privately negotiated or open market transactions are not subject to any voting or disposition restrictions.
