BACKGROUND

On December 22, 2005, FLR, Rivacq and High Desert Gaming, LLC ("HDG," and together with FLR and Rivacq, the "Buyers") entered into a Stock Purchase Agreement (the "Stock Purchase Agreement") with William Westerman ("Westerman"), the Chairman and CEO of the Corporation, and his family trust, pursuant to which the Buyers agreed to acquire 1,000,000 Shares from Westerman and his family trust at a price of \$15.00 per share (the "Initial Tranche"). Pursuant to the Stock Purchase Agreement and, subject, among other things, to the issuance of all necessary approvals and waivers from the Board under Article III, Section 7 of the Articles of Incorporation of the Corporation (the "Charter Provision") and the Nevada Revised Statutes, as well as to the issuance of any necessary approvals by the Nevada and Colorado gaming authorities, (i) the Buyers also agreed to acquire an additional 650,000 Shares from Westerman and his family trust at a price of \$15.00 per Share (the "Second Tranche") and (ii) Westerman and his family trust agreed to grant the Buyers an irrevocable option (the "Westerman Option") to purchase an additional 441,471 Shares at a price of \$15.00 per Share. Following the acquisition of the Initial Tranche of Shares under the Stock Purchase Agreement, the Buyers, together with their principals, collectively held approximately 9.7% of the issued and outstanding Shares.

FLR had agreed with RH1 that 50% of any Shares acquired by FLR pursuant to the Stock Purchase Agreement would be held on behalf of RH1 until such time as they could formally be transferred to RH1.

Shortly thereafter, the Buyers along with RH1 formed Riv Acquisition Holdings ("RAH") as a wholly-owned subsidiary of the Buyers and RH1 (the "Group").

On April 6, 2006, the Corporation entered into an agreement and plan of merger with RAH (the "Merger Agreement"), whereby RAH would acquire all outstanding Shares for \$17.00 per Share. On April 5, 2006, the Corporation provided the following waivers and approvals with respect to the Stock Purchase Agreement and the Merger Agreement (the "April 5, 2006 Approvals and Waivers"):

1. The Corporation waived the Charter Provision with respect to RAH and its affiliates; and

-2-

2. The Corporation approved RAH and its affiliates' acquisition of Shares in excess of 10% of the total number of outstanding Shares for the purpose of

Edgar Filing: RIVIERA HOLDINGS CORP - Form DEFC14A

the Nevada Business Combinations Law (the "BCL") (specifically, Nevada Revised Statutes ("NRS") Sections 78.411 to 78.444).

In the absence of approval by the Board, the Charter Provision would have the effect of diluting the voting rights associated with the Shares beneficially held by any stockholder who acquired more than 10% of the total number of outstanding Shares. The BCL prohibits any business combination for a three-year period between the Corporation and any stockholder who acquired 10% or more of the total number of outstanding Shares without prior approval by the Board.

On August 4, 2006, after obtaining approvals from the Nevada gaming authorities (which were confirmed in written correspondence from the Buyers' gaming counsel, Schreck Brignone, to the Chairman of the Nevada Gaming Control Board), the Buyers acquired the Second Tranche of Shares and exercised the Westerman Option pursuant to the Stock Purchase Agreement. By their terms, the April 5, 2006 Approvals and Waivers applied to the purchase by the Buyers of the Second Tranche of Shares as well as the acquisition by the Buyers of the Shares subject to the Westerman Option. As a result of the acquisition of the Second Tranche of Shares and the Shares subject to the Westerman Option, as of August 4, 2006, the Buyers and RH1, together with their associates, collectively held approximately 18.3% of the issued and outstanding Shares.

On August 29, 2006, the Merger Agreement was submitted to a vote of the Corporation's stockholders at the Corporation's 2006 Annual Meeting of Stockholders and did not receive the number of votes required for its approval. Later that day, the Corporation notified RAH that it was terminating the Merger Agreement.

On March 21, 2007, RAH entered into an agreement with two of the Corporation's Stockholders, Triple Five Investco LLC and Dominion Financial LLC (together, "T5"), pursuant to which T5 granted RAH an option to acquire 1,147,550 Shares held by T5 at a price of \$23.00 per share (the "Option Agreement"), the exercise of which was subject to certain conditions. Specifically, RAH's ability to exercise the option to purchase Shares under the Option Agreement is expressly conditioned upon the following approvals by the Corporation: (i) a waiver by the Board of the Charter Provision; (ii) approval by the Board pursuant to the BCL; and (iii) amendment of the Corporation's charter and by-laws to provide that NRS Sections 78.378 to 78.3793 do not apply to the option or any exercise thereof (such an amendment to the by-laws would not require Stockholder approval).

The Shares held by T5 and subject to the Option Agreement represent approximately 9.2% of the issued and outstanding Shares. The Option Agreement also includes a provision whereby T5 agreed to vote against any action or proposal that would result in an acquisition of the Corporation by any party other than RAH or its affiliates. This provision does not require T5 to affirmatively vote in favor of an acquisition of the Corporation by RAH or its affiliates, nor does it require T5 to vote in favor the Nominees. The term of the Option Agreement is 90 days, with an extension permitted up to an additional 90 days.

On March 26, 2007, by way of letter to the Board, RAH made an all-cash proposal to the Board to enter into a merger agreement with the Corporation pursuant to which RAH would acquire all of the Shares at a price of \$27.00 per Share (the "Proposal").

By letter dated March 28, 2007, the Corporation (through the Board) informed RAH that, because RAH entered into the Option Agreement without obtaining approvals from the Board under the BCL and the Charter Provision, the BCL and Charter Provision prevented RAH from making the Proposal, and that the BCL prevents RAH and its affiliates from engaging in any business combination (including the Proposal) with the Corporation for the three-year

Edgar Filing: RIVIERA HOLDINGS CORP - Form DEFC14A

disqualification period set forth in the BCL. In a letter to the Corporation dated March 29, 2007, RAH expressed its vehement disagreement with the positions taken by the Corporation in the Corporation's March 28, 2007 letter and expressed dismay that the letter did not give any consideration to whether RAH's merger proposal would deliver value to the Corporation's stockholders. RAH and its affiliates contend that (a) the exercise of the Option Agreement is contingent upon receiving the above listed Board approvals, and by the terms of the Option Agreement RAH is unable to acquire T5's Shares until such approvals are granted, (b) at this time RAH and its affiliates have not acquired beneficial ownership of T5's Shares, (c) the BCL expressly provides that the three-year disqualification period does not apply since the transaction by which RAH and its affiliates first became owners of at least 10% of the Shares ("10% Owners") was approved by the Board, (d) the Charter Provision expressly provides that it does not apply since the transaction by which RAH and its affiliates first became 10% Owners was

-3-

approved by the Board, and (e) the Board does not have the authority to limit the applicability of the April 5, 2006 Approvals and Waivers with regard to the BCL or the Charter Provision.

On April 5, 2007, the Corporation issued an open letter to its stockholders, in which the Corporation maintained its position that the BCL was an obstacle to the Corporation's consideration of the Proposal. The Corporation also stated that it had found the Proposal to be unsatisfactory based upon the \$27 price offered by RAH, the terms RAH was requesting in a merger agreement, and the determination that a tender offer structure was more attractive than a merger.

On April 16, 2007, HDG exited the Group and transferred its ownership interest in RAH to FLR, Rivacq and RH1 pursuant to a letter agreement among FLR, Rivacq, RH1 and HDG.

On April 17, 2007, RAH and the Group filed a complaint against the Corporation and each member of the Board with the District Court, Clark County, Nevada seeking, among other things, that the District Court (a) declare that the three-year disqualification period provided in the BCL does not apply to RAH or the Proposal; (b) declare that the Corporation and each member if its Board may not invoke the BCL as a basis to refuse to consider the Proposal; and (c) declare that the Charter Provision does not apply to RAH, any interests acquired under the Option Agreement or the Proposal.

On April 26, 2007, Flag, Rivacq and RH1 sent a letter to the Corporation nominating the Nominees for election to the Board at the Annual Meeting.

WHY VOTE FOR FLR'S, RIVACQ'S AND RH1'S NOMINEES?

In the Participants' view, the Board's reaction to RAH's March 26, 2007 merger proposal demonstrates that the current Board is not prepared to fully and objectively consider RAH's proposal based upon whether it maximizes value for all of the Corporation's stockholders. Accordingly, the Participants believe that the Corporation and its Stockholders need an independent Board that will be prepared to objectively evaluate any and all acquisition proposals to maximize Stockholder value, based solely on their economic merits and the best interests of the Stockholders. The Nominees are independent both from the Participants and from the Corporation's management and would bring highly accomplished credentials and reputations to the Corporation, with deep roots in the Las Vegas community, the gaming industry and the lodging sector. If the Nominees are elected to the Board, RAH and its affiliates will resubmit a proposal to acquire the Corporation and will attempt to obtain the approvals required prior to

Edgar Filing: RIVIERA HOLDINGS CORP - Form DEFC14A

exercising the Option Agreement. There can be no assurance that such proposal will be considered or accepted or such approvals will be granted.

PROPOSAL 1: ELECTION OF DIRECTORS

The Participants and Nominees propose that the Stockholders elect Messrs. Rumbolz, Reichartz, duBoef and Yih and Ms. Dondero as directors of the Corporation at the Annual Meeting. There can be no assurance as to whether any of the Corporation's nominees, if elected, would serve with any of the Nominees if one or more of the Nominees is elected. In the event that one or more of the Nominees is elected and that one or more of the Corporation's current directors or nominees declines to serve with such Nominee or Nominees, the Corporation's Bylaws (the "Bylaws") provides that director vacancies may be filled by a majority of the directors then in office.

Background information about the Nominees is set forth below. Other than the indemnification arrangements described below under the heading "Other Information," the Nominees are not receiving any compensation from any of the Participants or any of their affiliates in connection with this proxy solicitation. If elected by the Stockholders at the Annual Meeting, it is expected that a Nominee could receive compensation similar to the compensation received by the other independent directors of the Corporation.

VOTING PROCEDURES

According to the Corporation's Definitive Proxy Statement, the voting procedures for the Annual Meeting are as set forth below. The presence in person or by proxy of holders of a majority of the Shares outstanding and entitled to vote as of the Record Date is required for a quorum at the Annual Meeting. If a quorum is present, the five director nominees who receive the highest number of votes will be elected to the Board.

For any other matters submitted to Stockholders at the Annual Meeting, if a quorum is present, the affirmative vote of a majority of the Shares represented and entitled to vote at the Annual Meeting will be required for approval. Consequently, abstentions and "non-voted" Shares, as described below in this section, will have the same effect as a vote against any such other matters submitted at the Annual Meeting.

Shares represented by properly executed proxies that have not been revoked will be voted in accordance with the instructions in such proxies. If no contrary instructions are given, such shares will be voted: (1) FOR the election of all nominees for director named in this Proxy Statement; and (2) in the discretion of the persons named as proxy holders as to any other matters that may properly come before the Annual Meeting.

It is possible that the Shares held in the names of brokers or other Stockholder nominees could be voted on certain matters but not others. This would occur, for example, when the broker or nominee does not have discretionary authority to vote the shares and is instructed by the beneficial owner to vote on a particular matter but is not instructed on other matters. These are known as "non-voted" shares. Non-voted shares will be counted for determining whether a quorum is present, but will not be voted on matters as to which the beneficial owner has given no voting instructions.

Shares of Common Stock may be voted under certain circumstances if they are held in the name of a brokerage firm or nominee. Brokerage firms and nominees that are members of the American Stock Exchange ("AMEX") have authority under AMEX's rules to vote their customers' shares on certain "routine" matters if the customers have not furnished voting instructions within a specified period prior to the stockholders' meeting. Under these rules, the election of directors is considered to be a "routine" matter.

Edgar Filing: RIVIERA HOLDINGS CORP - Form DEFC14A

Stockholders as of the close of business on the Record Date ("Stockholders of Record") are entitled to receive notice of, and to vote at, the Annual Meeting or any adjournments thereof. If you do not hold your Shares through a brokerage firm, bank nominee or other institution, then you are a Stockholder of Record and you may vote using any of the following methods:

By Mail: Complete, sign and date the BLUE Proxy Card and return it in the postage-paid envelope provided. Each executed and returned BLUE Proxy Card or voting instruction card will be voted in accordance with the directions indicated thereon, or if no direction is indicated, such proxy will be voted in accordance with the recommendations of the Nominees contained in this Proxy Statement.

In person at the Annual Meeting: If you are a Stockholder of Record you may vote in person at the Annual Meeting. If you hold your shares in a stock brokerage account or by a bank or other holder of record, you must provide a "legal proxy" previously obtained from your bank, broker or other nominee in order to vote in person at the Annual Meeting.

If your Shares are held in the name of a brokerage firm, bank nominee or other institution, only it can vote such shares and only upon receipt of your specific instructions. Accordingly, you should contact the person responsible for your account and give instructions for a BLUE Proxy Card to be executed representing your shares.

-20-

Your vote is important. Whether or not you are able to attend the Annual Meeting, we urge you to sign, date and return the enclosed BLUE Proxy Card in the enclosed self-addressed pre-paid envelope. All valid proxies received prior to the meeting will be voted. If you specify a choice with respect to any item by marking the appropriate box on the proxy, the Shares will be voted in accordance with that specification. IF NO SPECIFICATION IS MADE, THE PERSONS NAMED ON THE ENCLOSED BLUE PROXY CARD WILL VOTE YOUR SHARES FOR MESSRS. RUMBOLZ, DUBOEF, REICHARTZ AND YIH AND MS. DONDERO WITH RESPECT TO PROPOSAL 1.

PROXY PROCEDURES

WE STRONGLY URGE YOU TO VOTE FOR THE ELECTION OF MESSRS. RUMBOLZ, DUBOEF, REICHARTZ AND YIH AND MS. DONDERO. PLEASE SIGN, DATE AND RETURN THE ENCLOSED BLUE PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED TODAY.

REVOCATION OF PROXIES

Any Stockholder who has submitted a vote using the Corporation's White Proxy Card may revoke it before it is voted by submitting a duly executed, later-dated BLUE proxy card to the Participants. Proxies may also be revoked at any time prior to voting by: (i) filing with the Secretary of the Corporation an instrument revoking the proxy or (ii) attending the Annual Meeting and voting in person.

In addition, the Participants have retained Innisfree M&A Incorporated ("Innisfree") to assist in this proxy solicitation, for which services Innisfree will be paid a fee not to exceed \$200,000. Innisfree will also be reimbursed for its reasonable out-of-pocket expenses. The participants have also agreed to indemnify Innisfree against certain liabilities and expenses, including certain liabilities and expenses under the federal securities laws. It is anticipated that 50 persons will be employed by Innisfree to solicit Stockholders.

Banks, brokers, custodians, nominees and fiduciaries will be requested to forward solicitation material to beneficial owners of Shares. The Participants will reimburse banks, brokers, custodians, nominees and fiduciaries for their reasonable expenses for sending solicitation material to beneficial owners.

The Participants' estimate of the total cost to be incurred in connection with this proxy solicitation is between \$385,000 and \$485,000. To date, approximately \$200,000 has been incurred in connection with this proxy

solicitation. The Participants will bear the costs of this proxy solicitation and, if successful, the Participants intend to seek reimbursement of the costs of this proxy solicitation from the Corporation. The Board would be informed of the Participants' interest in receiving reimbursement and would be required to evaluate the requested reimbursement consistent with their fiduciary duties to the Corporation and its Stockholders.
