-

Item 7.01 Regulation FD Disclosure.

On February 28, 2012, Tractor Supply Company (the "Company") issued the press release furnished herewith as Exhibit 99.1 announcing the Company increased its long-term operating margin target and estimated domestic store growth potential. The attached press release is qualified by the following:

Forward Looking Statements:

As with any business, all phases of the Company's operations are subject to influences outside its control. This information contains certain forward-looking statements, including statements regarding estimated results of operations in future periods. These forward-looking statements are subject to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 and may be affected by certain risks and uncertainties, any one, or a combination, of which could materially affect the results of the Company's operations. These factors include general economic conditions affecting consumer spending, the timing and acceptance of new products in the stores, the mix of goods sold, purchase price volatility (including inflationary and deflationary pressures), the ability to increase sales at existing stores, the ability to manage growth and identify suitable locations and negotiate favorable lease agreements on new and relocated stores, the ability to manage expenses, the availability of favorable credit sources, capital market conditions in general, failure to open new stores in the manner currently contemplated, the impact of new stores on our business, competition, weather conditions, the seasonal nature of our business, effective merchandising initiatives and marketing emphasis, the ability to retain vendors, reliance on foreign suppliers, the ability to attract, train and retain qualified employees, product liability and other claims, on-going and potential legal or regulatory proceedings, management of our information systems, effective tax rate changes and results of examination by taxing authorities and the ability to maintain an effective system of internal control over financial reporting. Forward-looking statements made by or on behalf of the Company are based on knowledge of its business and the environment in which it operates, but because of the factors listed above, actual results could differ materially from those reflected by any forward-looking statements. Consequently, all of the forward-looking statements made are qualified by these cautionary statements and those contained in the Company's Annual Report on Form 10-K and other filings with the Securities and Exchange Commission. There can be no assurance that the results or developments anticipated by the Company will be realized or, even if substantially realized, that they will have the expected consequences to or effects on the Company or its business and operations. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. The Company does not undertake any obligation to release publicly any revisions to these forward-looking statements to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events.
