PROSPECTUS SUPPLEMENT DATED SEPTEMBER ____, 2001
TO
PROSPECTUS DATED AUGUST 14, 2001

This Prospectus Supplement amends the table of Selling Securityholders appearing on pages 35-44 of the Prospectus dated August 14, 2001, (i) to list additional selling securityholders and (ii) to update the positions of previously disclosed selling securityholders, based on completed investor questionnaires and trade execution orders submitted to Lowe's on or before September 13, 2001.

SELLING SECURITYHOLDERS/1/

The LYONs were originally issued by us and sold by Merrill Lynch, Pierce, Fenner & Smith Incorporated in a transaction exempt from the registration requirements of the Securities Act to persons reasonably believed by Merrill Lynch to be "qualified institutional buyers" (as defined by Rule 144A under the Securities Act). The selling securityholders (which term includes their transferees, pledgees, donees or successors) may from time to time offer and sell pursuant to this Prospectus any and all of the LYONs and the shares of common stock issuable upon conversion and/or redemption of the LYONs.

Set forth below are the names of each selling securityholder, the principal amount of LYONs that may be offered by such selling securityholder pursuant to this Prospectus, and the number of shares of common stock into which such LYONs are convertible. Unless set forth below, none of the selling securityholders has had a material relationship with us or any of our predecessors or affiliates within the past three years.

The following table sets forth certain information received by us on or prior to September 13, 2001. However, any or all of the LYONs or common stock listed below may be offered for sale pursuant to this Prospectus by the selling securityholders from time to time. Accordingly, no estimate can be given as to the amounts of LYONs or common stock that will be held by the selling securityholders upon consummation of any such sales.

/1/ Total principal amount of selling securityholders listed may be more than \$1,005,000,000 because certain of the selling securityholders have transferred LYONs pursuant to Rule 144A or otherwise reduced their position prior to selling pursuant to this registration statement without notifying Lowe's of their reduced position. The maximum principal amount at maturity of LYONs that may be sold under this registration statement will not exceed \$1,005,000,000.
