## Section 1 – Registrant’s Business and Operations

### Item 1.01 Entry into a Material Definitive Agreement.

On May 25, 2018, Sonoco International (BVI), Inc., (the "Buyer"), a wholly owned subsidiary of Sonoco Products Company (the "Company"), entered into a definitive agreement to acquire the remaining 70 percent interest in Conitex Sonoco (BVI), Ltd. ("Conitex" or "Target"), subject to the terms and conditions of the Share Purchase Agreement (the "Agreement"), for approximately \$133 million in cash. The transaction is subject to normal international regulatory reviews and is expected to close in the third quarter of 2018.

The Conitex Sonoco joint venture was formed in 1998 between Texpack, Inc., a Spanish-based global provider of paperboard and paper-based packaging products, and Sonoco’s former North America textile cone business. In 2017, the joint venture had total sales of approximately \$245 million and produced more than 300,000 tons of uncoated recycled paperboard, which was used to produce approximately 1.4 billion tubes and cones for the global spun yarn industry. The company also produces adhesives, flexible intermediate bulk containers and corrugated pallets. Conitex has approximately 1,250 employees across 13 manufacturing locations in 10 countries, including four paper mills and seven cone and tube converting operations and two other production facilities.

The acquisition of Conitex Sonoco will be modestly accretive to Sonoco’s earnings in 2018, and the purchase price represents a post-synergies EBITDA multiple of approximately 6.1 times. When the transaction is completed, Conitex Sonoco’s financial results will be reported within Sonoco’s Paper/Industrial Converted Products segment.

The Agreement contains certain customary representations and warranties of the Buyer and Target. In addition, the Buyer and Target have agreed to certain customary covenants and agreements, including, among others: (1) covenants relating to the Target's conduct of business during the interim period between the execution of the Agreement and the closing; (2) covenants of the parties to each other with respect to further assurances, updating of information and cooperation; and (3) regulatory approvals.

The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by reference to the Agreement, which is included as Exhibit 2.1 to this report. The Agreement has been made an exhibit to this report in accordance with Securities and Exchange Commission rules in order to provide investors and security holders with information regarding its terms. It is not intended to provide any other financial information about the Company, the Target, the Buyer, or their respective subsidiaries and affiliates. The representations, warranties and covenants contained in the Agreement were made only for purposes of the Agreement and as of specific dates, are solely for the benefit of the parties to the Agreement, may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Agreement instead of establishing these matters as facts, may be waived or modified by the parties to the Agreement, and may be subject to standards of materiality applicable to the parties that differ from those applicable to investors. Investors should not rely on the representations, warranties or covenants or any description thereof as characterizations of the actual state of facts or condition of the Company, the Target, the Buyer, or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Agreement, which subsequent information may or may not be fully reflected in public disclosures by the Company.
