Our Company

Eagle Bulk Shipping Inc., or the Company, incorporated under the laws of the Republic of the Marshall Islands, or the Marshall Islands, and headquartered in New York City, is engaged primarily in the ocean transportation of a broad range of major and minor bulk cargoes, including iron ore, coal, grain, cement and fertilizer, along worldwide shipping routes. We operate in the Handymax sector of the dry bulk industry, with particular emphasis on the Supramax class of vessels. We own one of the largest fleets of Supramax dry bulk vessels in the world. Supramax dry bulk vessels range in size from 50,000 to 60,000 deadweight tons, or dwt. These vessels have the cargo loading and unloading flexibility of on-board cranes while offering cargo carrying capacities approaching that of Panamax dry bulk vessels, which range in size from 60,000 to 100,000 dwt and must rely on port facilities to load and offload their cargoes. We believe that the cargo handling flexibility and cargo carrying capacity of the Supramax class vessels make them attractive to charterers. As of the date of this prospectus, we own and operate a modern fleet of 45 oceangoing vessels, 43 Supramax and 2 Handymax, with a combined carrying capacity of 2,451,259 dwt and an average age of approximately five years. In 2011, we completed our Supramax vessel newbuilding program. We reported a net loss of \$14.8 million for the year ended December 31, 2011, a net loss of \$17.4 million for the three-month period ended March 31, 2012, and a net loss of \$23.1 million for the three-month period ended June 30, 2012.

We carry out the commercial and strategic management of our fleet through our wholly-owned subsidiary, Eagle Shipping International (USA) LLC, a Marshall Islands limited liability company which maintains its principal executive offices in New York City. Each of our vessels is owned by us through a separate wholly owned Marshall Islands limited liability company.

We maintain our principal executive offices at 477 Madison Avenue, New York, New York 10022. Our telephone number at that address is (212) 785-2500. Our website address is www.eagleships.com. Information contained on our website does not constitute part of this prospectus.

Recent Developments

Fourth Amended and Restated Credit Agreement

On June 20, 2012, we entered into a Fourth Amended and Restated Credit Agreement, or the Fourth Amended and Restated Credit Agreement, amending and restating our Third Amended and Restated Credit Agreement, dated as of October 19, 2007, as amended up to the date thereof, or the Third Amended and Restated Credit Agreement, with the Royal Bank of Scotland plc, as mandated lead arranger, bookrunner, swap bank, agent and security trustee, and as lender with certain other financial institutions listed therein, or, collectively, the Lenders, which, among other things, (i) permanently waived any purported defaults or events of defaults that were the subject of a temporary waiver under the Sixth Amendatory and Commercial Framework Implementation Agreement to the Third Amended and Restated Credit Agreement, including any alleged events of default arising from any purported breach of the minimum adjusted net worth covenant that occurred as a result of any failure to maintain the required adjusted net worth; (ii) converted the \$1,129,478,742 then outstanding under the revolving credit facility into a term loan; (iii) set the maturity date as December 31, 2015, and, subject to our satisfaction of certain conditions including a collateral coverage ratio at December 31, 2015 of less than 80%, provides an option to us to extend the maturity date by a further 18 months to June 30, 2017, or the Termination Date; (iv) requires no mandatory repayments of principal until the Termination Date, other than a quarterly sweep of cash on hand in excess of \$20,000,000 and upon the sale of vessels, additional financings or future equity raises by us. All amounts outstanding under the term loan will bear interest at LIBOR plus a margin that will include a payment-in-kind, or PIK, component. The initial cash margin of 3.50% and PIK margin of 2.50% can be reduced on the basis of reduced leverage and proceeds from future equity raises by us.

The Fourth Amended and Restated Credit Agreement replaced the previously existing financial covenants and substituted them with new covenants, including a minimum liquidity amount commencing in the quarterly period ending June 30, 2012, a minimum interest coverage ratio commencing in the quarterly period ending June 30, 2013, a maximum leverage ratio, commencing in the quarterly period ending September 30, 2013, and a maximum collateral coverage ratio commencing in the quarterly period ending September 30, 2014.

The Fourth Amended and Restated Credit Agreement also provided for a new liquidity facility in the aggregate amount of \$20,000,000, permitted the purchase or sale of vessels within certain parameters, permitted the management of third party vessels and provided that all capitalized interest will be evidenced by PIK loans, which will mature on the Termination Date. On the Termination Date, we may elect to either (i) repay the PIK loans in cash; or (ii) convert the PIK loans into shares of cumulative convertible preferred stock, or Cumulative Convertible Preferred Stock, par value \$10.00 per share. Any Cumulative Convertible Preferred Stock issuable upon conversion of the PIK loans will bear interest at a coupon rate equal to the lower of (i) the trailing twelve month dividend yield of the S&P US Preferred Stock Index as of the last business day of the month immediately preceding the date of issuance or (ii) the interest rate on the senior debt incurred in any refinancing of the term loan component plus 200bps; will include customary default in payment of dividend provisions; and will have a maturity of five years but may be converted into shares of our common stock at our option, subject to prior consent of holders of at least 33% of the outstanding shares of our common stock.

Our obligations under the Fourth Amended and Restated Credit Agreement are secured by a first priority mortgage on each of the vessels in our fleet, and by a first assignment of all freights, earnings, insurances and requisition compensation relating to our vessels. The Fourth Amended and Restated Credit Agreement also limits our ability to create liens on our assets in favor of other parties. The Fourth Amended and Restated Credit Agreement provided for the payment of an amendment fee, a work fee, an extension of the Termination Date fee, and commitment fees.

Warrant Agreement

In connection with the Fourth Amended and Restated Credit Agreement, we entered into a Warrant Agreement, dated June 20, 2012, pursuant to which we agreed to issue to the Lenders warrants convertible on a cashless basis into shares of our common stock, par value \$0.01, or the Warrant Shares, equal to an aggregate of 19.99% of our outstanding common stock on June 20, 2012, or 3,148,587 shares, at a strike price of \$0.01 per share of common stock. One-third of the warrants are exercisable immediately, the next third of the warrants are exercisable if the price of our common stock reaches \$10.00 per share (subject to certain customary adjustments in the event of stock splits, reverse stock splits and certain distributions to all holders of common stock) and the last third of the warrants are exercisable if the price of our common stock reaches \$12.00 per share (subject to the aforementioned adjustments). Unexercised warrants will expire on June 20, 2022.

Registration Rights Agreement

In connection with the Fourth Amended and Restated Credit Agreement discussed above, we entered into a Registration Rights Agreement, or the Registration Rights Agreement, dated June 20, 2012, with the Lenders pursuant to which we agreed to register the Warrant Shares for resale under the Securities Act. Under the terms of the Registration Rights Agreement, we are required to use our reasonable best efforts to file such registration statement with the Securities and Exchange Commission, or the Commission, as soon as practicable and in any event prior to June 30, 2012, and have it declared effective as soon as practicable after filing and in any event prior the 90th day after filing. Pursuant to the Registration Rights Agreement, we also agreed to keep the registration statement effective and file all information required to be filed under Rule 144 or the Securities Exchange Act of 1934, as amended, until the Warrant Shares are otherwise freely tradable without restriction under Rule 144 under the Securities Act. In addition, we agreed to other customary provisions in connection with the preparation and filing of the registration statement, such as matters relating to indemnification and payment of expenses. In accordance with the Registration Rights Agreement, we filed this registration statement on June 26, 2012.

Amended and Restated Rights Agreement

In connection with the Fourth Amended and Restated Credit Agreement discussed above, we entered into an amended and restated Rights Agreement, or the Rights Agreement, with Computershare Trust Company, N.A., a national banking corporation, as Rights Agent, or the Rights Agent. The Rights Agreement, which amends and restates a prior rights agreement with the Rights Agent dated November 7, 2007, was amended to make certain changes to the definition of "Acquiring Person" to provide that no person shall become an "Acquiring Person", as such term is defined in the Rights Agreement, solely as the result of the issuance of Warrants or Warrant Shares under the Warrant Agreement, as described above.

Our common shares are listed on the Nasdaq Global Select Market under the symbol "EGLE".

Risk Factors

You should consider carefully all of the information that is contained or incorporated by reference in this prospectus and, in particular, you should evaluate the risks described under "Risk Factors."

RISK FACTORS

We have identified a number of risk factors which you should consider before buying our common shares or our other securities. Prior to making a decision about investing in our common stock, you should carefully consider the following risk factors, as well as specific risk factors discussed under the heading "Risk Factors" in our most recent Annual Report on Form 10-K and in our most recent Quarterly Reports on Form 10-Q, which are or will be incorporated herein by reference and may be amended, supplemented or superseded from time to time by other reports we file with the Commission in the future. Please see "Incorporation of Certain Documents by Reference." The occurrence of one or more of those risk factors could adversely impact our results of operations or financial condition.

Future sales of our common stock issuable on exercise of the Warrants or any Cumulative Convertible Preferred Stock which we may issue in the future could cause the market price of our common stock to decline.

In connection with the Fourth Amended and Restated Credit Agreement, we issued warrants to purchase up to 3,148,587 shares of our common stock. In addition, on the maturity date of the Fourth Amended and Restated Credit Agreement, we may convert a certain portion of our outstanding indebtedness into Cumulative Convertible Preferred Stock at certain prescribed rates, which may be converted into shares of our common stock at our option, subject to prior consent of holders of at least 33% of the outstanding shares of our common stock. We may also issue shares of our common stock in connection with future transactions, including one or more public or private offerings of shares of our common stock. Sales of a substantial number of shares of our common stock in the public market or otherwise, or the perception that these sales could occur, may depress the market price for our common stock, and our shareholders may incur dilution from these sales. These sales could also impair our ability to raise additional capital through the sale of our equity securities in the future.

USE OF PROCEEDS

We will not receive any of the proceeds from the sale or other disposition of the shares of common stock offered pursuant to this prospectus. Pursuant to the warrant agreement we have entered into with the selling shareholders, which provides for the cashless exercise of the Warrants, we will receive no proceeds from the exercise of the Warrants.

This document and any other written or oral statements made by us or on our behalf may include forward-looking statements which reflect our current views with respect to future events and financial performance. The words "believe", "anticipate", "intend", "estimate", "forecast", "project", "plan", "potential", "will", "may", "should", "expect" and similar expressions identify forward-looking statements.

The forward-looking statements in this document are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, management's examination of historical operating trends, data contained in our records and other data available from third parties. Although we believe that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond our control, we cannot assure you that we will achieve or accomplish these expectations, beliefs or projections.

In addition to these important factors and matters discussed elsewhere in this prospectus, and in the documents incorporated by reference in this prospectus, important factors that, in our view, could cause actual results to differ materially from those discussed in the forward-looking statements include the strength of world economies and currencies, general market conditions, including fluctuations in charterhire rates and vessel values, changes in demand in the drybulk vessel market, changes in the company's operating expenses, including bunker prices, drydocking and insurance costs, changes in governmental rules and regulations or actions taken by regulatory authorities including those that may limit the commercial useful lives of drybulk vessels, potential liability from pending or future litigation, general domestic and international political conditions, potential disruption of shipping routes due to accidents or political events, and other important factors described from time to time in the reports we file with the Commission. We caution readers of this prospectus and any prospectus supplement not to place undue reliance on these forward-looking statements, which speak only as of their dates. We undertake no obligation to update or revise any forward-looking statements.

PLAN OF DISTRIBUTION

Our common shares covered by this prospectus may be offered and sold by the selling shareholders, or by transferees, assignees, donees, pledgees or other successors-in-interest of such shares received from the selling shareholders, directly or indirectly through brokers-dealers, agents or underwriters on the Nasdaq Global Select Market or any other stock exchange, market or trading facility on which such shares are traded, or through private transactions. Our common shares covered by this prospectus may be sold by any method permitted by law, including, without limitation, one or more of following transactions:

- ordinary brokerage transactions or transactions in which the broker solicits purchasers;
- purchases by a broker or dealer as principal and the subsequent resale by such broker or dealer for its account;
- block trades, in which a broker or dealer attempts to sell the shares as agent but may position and resell a portion of the shares as principal to facilitate the transaction;
- through the writing of options on the shares, whether such options are listed on an options exchange or otherwise;
 - an exchange distribution in accordance with the rules of the applicable stock exchange;
 - through privately negotiated transactions;
 - through the settlement of short sales entered into after the date of this prospectus;
- by agreement with a broker-dealers to sell a specified number of shares at a stipulated price per share; and
 - a combination of any such methods of sale.

The selling shareholders may also transfer their shares by means of gifts, donations and contributions. Subject to certain limitations under rules promulgated under the Securities Act, this prospectus may be used by the recipients of such gifts, donations and contributions to offer and sell the shares received by them, directly or through brokers-dealers or agents and in private or public transactions.

The selling shareholders may sell their shares at market prices prevailing at the time of sale, at negotiated prices, at fixed prices or without consideration by any legally available means. The aggregate net proceeds from the sale of the common shares will be the purchase price of such shares less any discounts, concessions or commissions received by broker-dealers or agents. We will not receive any proceeds from the sale of any shares by the selling shareholders.

The selling shareholders and any broker-dealers or agents who participate in the distribution of our common shares may be deemed to be "underwriters" within the meaning of the Securities Act. Any commission received by such broker-dealers or agent on the sales and any profit on the resale of share purchased by broker-dealers or agent may be deemed to be underwriting commissions or discounts under the Securities Act. As a result, we have informed the selling shareholders that Regulation M, promulgated under the Exchange Act, may apply to sales by the selling shareholders in the market. The selling shareholders may agree to indemnify any broker, dealer or agent that participates in transactions involving the sale of our common shares against certain liabilities, including liabilities arising under the Securities Act.

To the extent required with respect to a particular offer or sale of our common shares by the selling shareholders, we will file a prospectus supplement pursuant to Section 424(b) of the Securities Act, which will accompany this

prospectus, to disclose:

- the number of shares to be sold;

11

- the purchase price;
- the name of any broker-dealer or agent effecting the sale or transfer and the amount of any applicable discounts, commissions or similar selling expenses; and
- any other relevant information.

The selling shareholders are acting independently of us in making decisions with respect to the timing, price, manner and size of each sale. We have not engaged any broker-dealer or agent in connection with the sale of our common shares held by the selling shareholders, and there is no assurance that the selling shareholders will sell any or all of their shares. We have agreed to make available to the selling shareholders copies of this prospectus and any applicable prospectus supplement and have informed the selling shareholders of the need to deliver copies of this prospectus and any applicable prospectus supplement to purchasers prior to any sale to them.

The selling shareholders may also sell all or a portion of our common shares in open market transactions under Section 4(1) of the Securities Act including transactions in accordance with Rule 144 promulgated thereunder, rather than under the shelf registration statement, of which this prospectus forms a part.

Pursuant to a requirement by The Financial Industry Regulatory Authority, or FINRA, the maximum commission or discount to be received by any FINRA member or independent broker/dealer may not be greater than eight percent (8%) of the gross proceeds received by the selling shareholders for the sale of any securities being registered pursuant to SEC Rule 415 under the Securities Act of 1933, as amended.

We will pay all expenses of the registration of the shares of common stock pursuant to the Registration Rights Agreement, including, without limitation, Securities and Exchange Commission filing fees and expenses of compliance with state securities or "blue sky" laws; provided, however, a selling shareholder will pay all underwriting discounts and selling commissions, if any. We will indemnify the selling shareholders against liabilities, including some liabilities under the Securities Act in accordance with the registration rights agreements or the selling shareholders will be entitled to contribution. We may be indemnified by the selling shareholders against civil liabilities, including liabilities under the Securities Act that may arise from any written information furnished to us by the selling shareholder specifically for use in this prospectus, in accordance with the related registration rights agreements or we may be entitled to contribution.

DISCLOSURE OF COMMISSION POSITION ON INDEMNIFICATION FOR SECURITIES ACT LIABILITIES

The Business Corporation Act, or the BCA, of the Marshall Islands authorizes corporations to limit or eliminate the personal liability of directors and officers to corporations and their shareholders for monetary damages for breaches of directors' fiduciary duties. Our bylaws include a provision that eliminates the personal liability of directors for monetary damages for actions taken as a director to the fullest extent permitted by law.

Our bylaws provide that we must indemnify our directors and officers to the fullest extent authorized by law. We are also expressly authorized to advance certain expenses (including attorneys' fees and disbursements and court costs) to our directors and officers and carry directors' and officers' insurance providing indemnification for our directors, officers and certain employees for some liabilities. We believe that these indemnification provisions and insurance are useful to attract and retain qualified directors and executive offices.

The limitation of liability and indemnification provisions in our amended and restated articles of incorporation and bylaws may discourage shareholders from bringing a lawsuit against directors for breach of their fiduciary duty. These provisions may also have the effect of reducing the likelihood of derivative litigation against directors and officers, even though such an action, if successful, might otherwise benefit us and our shareholders. In addition, your investment may be adversely affected to the extent we pay the costs of settlement and damage awards against directors and officers pursuant to these indemnification provisions.

There is currently no pending material litigation or proceeding involving any of our directors, officers or employees for which indemnification is sought.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of each Registrant pursuant to the foregoing provisions, or otherwise, each Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by a Registrant of expenses incurred or paid by a director, officer or controlling person of a Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, that Registrant will, unless in the opinion of its counsel the claim has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

PART II
INFORMATION NOT REQUIRED IN THE PROSPECTUS

Item 14. Other Expenses of Issuance and Distribution

We estimate the expenses, other than any underwriting discounts and commissions, in connection with the issuance and distribution of securities in this offering to be as follows. The selling shareholders will not bear any of the expenses set forth below.

Registration Fee	\$ 1,024.75
Legal Fees and Expenses	(1)
Accountants' Fees and Expenses	(1)
Miscellaneous Costs	(1)
Total	\$ 1

- (1) The number of offerings is indeterminable and the expenses cannot be estimated at this time.

Item 15. Indemnification of Directors and Officers.

The bylaws of the Company provide that every director and officer of the Company shall be indemnified out of the funds of the Company against:

- (1) all civil liabilities, loss, damage or expense (including but not limited to liabilities under contract, tort and statute or any applicable foreign law or regulation and all reasonable legal and other costs and expenses properly payable) incurred or suffered by him as such director or officer acting in the reasonable belief that he has been so appointed or elected notwithstanding any defect in such appointment or election, provided always that such indemnity shall not extend to any matter which would render it void pursuant to any Marshall Islands statute from time to time in force concerning companies insofar as the same applies to the Company (the "Companies Acts"); and
- (2) all liabilities incurred by him as such director or officer in defending any proceedings, whether civil or criminal, in which judgment is given in his favor, or in which he is acquitted, or in connection with any application under the Companies Acts in which relief from liability is granted to him by the court.

Section 60 of the Associations Law of the Republic of the Marshall Islands provides as follows:

Indemnification of directors and officers.

- (1) Actions not by or in right of the corporation. A corporation shall have power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably

believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of no contest, or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceedings, had reasonable cause to believe that his conduct was unlawful.

II-1

(2) Actions by or in right of the corporation. A corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he is or was a director or officer of the corporation, or is or was serving at the request of the corporation, or is or was serving at the request of the corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him or in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claims, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his duty to the corporation unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

(3) When director or officer successful. To the extent that a director or officer of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections (1) or (2) of this section, or in the defense of a claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith.

(4) Payment of expenses in advance. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid in advance of the final disposition of such action, suit or proceeding as authorized by the board of directors in the specific case upon receipt of an undertaking by or on behalf of the director or officer to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the corporation as authorized in this section.

(5) Indemnification pursuant to other rights. The indemnification and advancement of expenses provided by, or granted pursuant to, the other subsections of this section shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office.

(6) Continuation of indemnification. The indemnification and advancement of expenses provided by, or granted pursuant to, this section shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

(7) Insurance. A corporation shall have the power to purchase and maintain insurance on behalf of any person who is or was a director or officer of the corporation or is or was serving at the request of the corporation as a director or officer against any liability asserted against him and incurred by him in such capacity whether or not the corporation would have the power to indemnify him against such liability under the provisions of this section.

(f) – (g) Not applicable

(h) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(i) The undersigned registrant hereby undertakes that:

- (1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b) (1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.
- (2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(j) – (l) Not applicable
