September 24, 2015

INTRODUCTION

The enclosed Proxy is solicited on behalf of the Board of Directors of the Fund (the "Board") for use at the Annual Meeting of Stockholders (the "Meeting") of Sprott Focus Trust, Inc. (the "Fund"), to be held at the offices of Seward & Kissel LLP, One Battery Park Plaza, Ground Floor, New York, New York 10004, on Thursday, September 24, 2015, at 12:00 p.m. (Eastern Time) and at any postponements or adjournments thereof. The approximate mailing date of this Proxy Statement is August 26, 2015.

All properly executed Proxies received prior to the Meeting will be voted at the Meeting in accordance with the instructions marked thereon or otherwise as provided therein. Unless instructions to the contrary are marked, Proxies will be voted "FOR" the election of the Director nominees of the Fund.

You may revoke your Proxy at any time before it is exercised by sending written instructions to the Secretary of the Fund at the Fund's address indicated above or by filing a new Proxy with a later date, and any stockholder attending the Meeting may vote in person, whether or not he or she has previously filed a Proxy.

The cost of soliciting proxies will be borne by the Fund, which will reimburse brokerage firms, custodians, nominees and fiduciaries for their expenses in forwarding proxy material to the beneficial owners of the Fund's shares of common stock ("Common Stock"). Some officers and employees of the Fund and/or Sprott Asset Management LP, the Fund's investment adviser, and Sprott Asset Management USA Inc., the Fund's sub-adviser (together with Sprott Asset Management LP, "Sprott"), may solicit proxies personally and by telephone, if deemed desirable. Stockholders vote at the Meeting by casting ballots (in person or by proxy) which are tabulated by one or two persons, appointed by the Board before the Meeting, who serve as Inspectors and Judges of Voting at the Meeting and who have executed an Inspectors' and Judges' Oath.

The Board has set the close of business on August 18, 2015 as the record date (the "Record Date") for determining those stockholders entitled to vote at the Meeting or any postponement or adjournment thereof, and only holders of record at the close of business on that day will be entitled to vote. Stockholders on the Record Date will be entitled to one vote for each outstanding share of Common Stock held (proportional voting rights for fractional shares held), with no shares having cumulative voting rights.

As of the Record Date, there were 23,095,175 shares of Common Stock outstanding. The following persons were known to the Fund to be beneficial owners or owners of record of 5% or more of its outstanding shares of Common Stock as of the Record Date:

Each of the two Director nominees has agreed to serve if elected, and the Fund's management has no reason to believe that either of them will be unavailable for service as a Director. \*\* Each of Ms. Keady and Messrs. Clark and Pierce is a member of the Audit Committee of the Board and the Governance Committee of the Board.

Additional information about each Director follows (supplementing the information provided in the table above) that describes some of the specific experiences, qualifications, attributes or skills that each Director possesses which the Board believes has prepared them to be effective Directors.

W. Whitney George – In addition to his tenure as a Director of the Fund, Mr. George currently serves as Senior Portfolio Manager of Sprott Asset Management USA Inc. Prior to his position at Sprott Asset Management USA Inc., Mr. George was employed by Royce & Associates, LLC from 1991 to 2015. Mr. George has over 30 years of investment business experience.

Michael W. Clark – Mr. Clark currently serves as the President, Chief Operating Officer, Chief Risk Officer, Head of Executive Committee, and member of Board of Directors of Chilton Investment Company, an investment firm. He has over 21 years of business experience, including extensive experience in the investing and financial services sectors.

Barbara Connolly Keady – Ms. Keady currently serves as the Director of New Business Development at Ceres

- Partners. She has over 20 years of business experience, including extensive experience in the investing and financial services sectors.

- James R. Pierce, Jr. – Mr. Pierce currently serves as the Chairman of JLT Specialty Insurance Services, Inc. He has over 30 years of business experience, including extensive experience in the insurance and financial services sectors. The Board believes that each Director's experience, qualifications, attributes and skills should be evaluated on an individual basis and in consideration of the perspective such Director brings to the entire Board, with no single Director, or particular factor, being indicative of Board effectiveness. However, the Board believes that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties; the Board believes that their members satisfy this standard. Experience relevant to having this ability may be achieved through a Director's educational background; business, professional training or practice, public service or academic positions; experience from service as a board member (including the Board) or as an executive of investment funds, public companies or significant private or non-profit entities or other organizations; and/or other life experiences. The charter for the Board's Governance Committee contains certain other specific factors considered by the Governance Committee in identifying and selecting Director candidates (as described below).

To assist them in evaluating matters under federal and state law, the Directors have the ability to engage other experts as appropriate. The Board evaluates its performance on an annual basis.

#### Board Composition and Leadership Structure

The 1940 Act requires that at least 40% of the Fund's Directors not be "interested persons" (as defined in the 1940 Act) of the Fund and as such are not affiliated with Sprott ("Independent Directors"). To rely on certain exemptive rules under the 1940 Act, a majority of the Fund's Directors must be Independent Directors, and for certain important matters, such as the approval of investment advisory agreements or transactions with affiliates, the 1940 Act or the rules thereunder require the approval of a majority of the Independent Directors. Currently, 75% of the Fund's Directors are Independent Directors. The Board does not have a chairman, but Mr. George, an interested person of the Fund, acts as chairman at the Board meetings. The Independent Directors have not designated a lead Independent Director due to the relatively small size of the Board. The Board has determined that its leadership structure is appropriate in light of the services that Sprott and its affiliates provide to the Fund and potential conflicts of interest that could arise from these relationships.

#### Audit Committee Report

The Board has a standing Audit Committee (the "Audit Committee"), which consists of the Independent Directors who also are "independent" as defined in the listing standards of the Nasdaq Select Market. The current members of the Audit Committee are Michael W. Clark, Barbara Connolly Keady and James R. Pierce, Jr. Mr. Clark serves as Chairman of the Audit Committee. Ms. Keady has been designated as an Audit Committee Financial Expert, as defined under Securities and Exchange Commission ("SEC") regulations.

The principal purposes of the Audit Committee are to (i) assist Board oversight of the (a) integrity of the Fund's financial statements; (b) independent accountants' qualifications and independence; and (c) performance of the Fund's independent accountants and (ii) prepare, or oversee the preparation of any audit committee report required by rules of the SEC to be included in the Fund's proxy statement for its annual meeting of stockholders. The Audit Committee has adopted an Audit Committee charter which is attached to this Proxy Statement as Exhibit A.

The Audit Committee also has (i) received written disclosures and the letter required by Independence Standards Board Standard No. 1 from Tait, Weller & Baker, the independent public accounting firm ("Auditor") for the Fund, and (ii) discussed certain matters required to be discussed under the requirements of The Public Company Accounting Oversight Board with the Auditor. The Audit Committee has considered whether the provision of non-audit services by the Fund's independent auditors is compatible with maintaining their independence.

At its meetings held on February 24-25, 2015, the then-existing Audit Committee of the Fund reviewed and discussed the audit of the Fund's financial statements as of December 31, 2014 and for the fiscal year then ended with Fund management and the Auditor. Had any material concerns arisen during the course of the audit and the preparation of the audited financial statements mailed to stockholders and included in the Fund's 2014 Annual Report to Stockholders, the Audit Committee would have been notified by Fund management or the Auditor. The Audit Committee received no such notifications. At the same meeting, the Audit Committee recommended to the Board that the Fund's audited financial statements be included in the Fund's 2014 Annual Report to Stockholders.

#### Governance Committee

The Board has a Governance Committee composed of the three Independent Directors, Michael W. Clark, Barbara Connolly Keady and James R. Pierce, Jr. Mr. Pierce serves as Chairman of the Governance Committee. The Governance Committee has adopted a Governance Committee Charter which is attached to this Proxy Statement as Exhibit B.

The Governance Committee is responsible for identifying and recommending to the Board individuals believed to be qualified to become Board members in the event that a position is vacated or created. The Governance Committee will consider Director candidates recommended by stockholders. In considering potential nominees, the Governance Committee will take into consideration (i) the contribution which the person can make to the Board, with consideration given to the person's business and professional experience, education and such other factors as the Committee may consider relevant, including but not limited to whether a potential nominee's personal and professional qualities and attributes would provide a beneficial diversity of skills, experience and/or perspective to the Board; (ii) the character and integrity of the person; (iii) whether or not the person is an "interested person" as defined in the 1940 Act and whether the person is otherwise qualified under applicable laws and regulations to serve as a Director or Independent Director of the Fund; (iv) whether or not the person has any relationships that might impair his or her independence, such as any business, financial or family relationships with Fund management, the investment adviser of the Fund, Fund service providers or their affiliates; (v) whether or not the person serves on boards of, or is otherwise affiliated with, competing financial service organizations or their related investment company complexes; (vi) whether or not the person is willing to serve as, and willing and able to commit the time necessary for the performance of the duties of, a Director of the Fund; and (vii) whether or not the selection and nomination of the person would be in the best interest of the Fund in light of the requirements of the Fund's retirement policies. While the Governance Committee does not have a formal policy regarding diversity, as noted above, it may consider the diversity of skills, experience and/or perspective a potential nominee will bring to the Board as part of its evaluation of the contribution such potential nominee will make to the Board. Such factors will be considered in light of the other factors described above and in the context of the Board's existing membership at the time such potential candidate is considered.

To have a candidate considered by the Governance Committee, a stockholder must submit the recommendation in writing and must include biographical information and set forth the qualifications of the proposed nominee. The stockholder recommendation and information described above must be sent to the Fund's Secretary, Thomas Ulrich, c/o Sprott Asset Management LP, 200 Bay Street, Suite 2700, Toronto, Ontario, Canada M5J2J1.

Although the Board does not have a standing compensation committee, the Independent Directors review their compensation annually.

## Board's Oversight Role in Management

The Board's role in management of the Fund is oversight. As is the case with virtually all investment companies (as distinguished from operating companies), service providers to the Fund, primarily Sprott and its affiliates, have responsibility for the day-to-day management of the Fund, which includes responsibility for risk management (including management of investment performance and investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of its oversight, the Board, acting at its scheduled meetings, or the Chairman of the Audit Committee, acting between Board meetings, regularly interacts with and receives reports from senior personnel of service providers, including the Fund's and Sprott's Chief Compliance Officer and portfolio management personnel. The Audit Committee (which consists of the three Independent Directors) meets during its scheduled meetings, and, as necessary, between meetings the Chairman of the Audit Committee maintains contact with the Fund's independent registered public accounting firm and the Fund's Treasurer. The Board also receives periodic presentations from senior personnel of Sprott or its affiliates regarding risk management generally, as well as periodic presentations regarding specific operational, compliance or investment areas such as business continuity, anti-money laundering, personal trading, valuation, investment research and securities lending. The Board also receives reports from counsel to Sprott regarding regulatory, compliance and governance matters. The Board's oversight role does not make the Board a guarantor of the Fund's investments or activities.

## Committee and Board of Directors Meetings

During the year ended December 31, 2014, the Board, which consisted of Mr. George and the former directors of the Fund ("Former Directors"), held seven meetings and the Audit Committee held four meetings, and the Nominating Committee (subsequently renamed the Governance Committee) did not hold any meetings. Each Former Director then in office attended 75% or more of the aggregate of the total number of meetings of the Board and the total number of meetings of the Audit Committee held during that year.

## Compensation of Directors

For the year ended December 31, 2014, each Former Independent Director received a base fee of \$7,200 per year, plus \$300 for each in-person meeting of the Board attended. No Former Director received remuneration for services as a Director for the year ended December 31, 2014 in addition to or in lieu of this standard arrangement.

See "Additional Information – Stockholder Proposal" herein.

## Director Attendance at Stockholder Meetings

The Fund has no formal policy regarding Director attendance at stockholder meetings. Mr. George and none of the Fund's Former Independent Directors attended the 2014 Annual Meeting of Stockholders.

## Compliance with Section 16(a) of the Exchange Act

Section 16(a) of the Exchange Act requires the officers and Directors of the Fund and persons who own more than ten percent of a registered class of the Fund's equity securities, to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC and the Nasdaq Select Market. Officers, Directors and greater than ten percent stockholders are required by SEC regulations to furnish the Fund with copies of all Forms 3, 4 and 5 they file. Based solely on the Fund's review of the copies of such forms, and amendments thereto, furnished to it during or with respect to its most recent fiscal year, and written representations from certain reporting persons that they were not required to file Form 5 with respect to the most recent fiscal year, the Fund believes that all of its officers, Directors, greater than ten percent beneficial owners and other persons subject to Section 16 of the Exchange Act due to the requirements of Section 30(h) of the 1940 Act (i.e., any investment adviser or affiliated person of the Fund's investment adviser), have complied with all filing requirements applicable to them with respect to transactions in the Fund's shares during the Fund's most recent fiscal year.

A quorum consists of stockholders representing a majority of the outstanding shares of Common Stock entitled to vote, who are present in person or by proxy, and a plurality of all of the votes cast at a meeting at which a quorum is present is sufficient to elect a Director.

The Board of Directors of the Fund recommends that all stockholders vote FOR both Director nominees.

##### All Other Fees

There were no other fees billed for non-audit services rendered by the Auditor to the Fund for the fiscal years ended December 31, 2013 and December 31, 2014. The aggregate non-audit fees billed by the Auditor for services rendered to the Royce & Associates, LLC (the "Former Adviser") and any entity controlling, controlled by, or under common control with the Former Adviser that provides ongoing services to the Fund for each of the fiscal years ended December 31, 2013 and December 31, 2014 were \$7,100 and \$7,200, respectively.

The Auditor did not provide any other professional services to the Fund or the Former Adviser for the year ended December 31, 2014.

#### Audit Committee's Pre-Approval Policies and Procedures

The Audit Committee has adopted policies and procedures with regard to the pre-approval of audit and non-audit services. On an annual basis, at the December meeting of the Audit Committee, the independent auditors of the Fund will submit a schedule of proposed audit, audit-related, tax and other non-audit services to be rendered to the Fund and/or Sprott and its affiliates for the following year that require pre-approval by the Audit Committee. Such schedule will include the maximum fees that can be paid for such services without further Audit Committee approval. Any subsequent revision to preapproved services or fees will be considered at the next regularly scheduled Audit Committee meeting. Services not presented for pre-approval at the December meeting of the Audit Committee will be submitted to the Treasurer of the Fund for a determination that the proposed services fit within the independence guidelines and then considered for pre-approval at the next regularly scheduled Audit Committee meeting. A proposal to commence an engagement involving audit, audit-related or tax services prior to the next regularly scheduled Audit Committee meeting shall be made in writing by the Treasurer to all Audit Committee members and include a summary of the engagement, estimated maximum cost, the category of services and the rationale for engaging the Fund's independent auditor. Such proposed engagement can be pre-approved by any Audit Committee member who is an Independent Director. Pre-approval by the Chairman of the Audit Committee is required for a proposed engagement involving non-audit services other than audit-related or tax.

#### ADDITIONAL INFORMATION

##### Postponement or Adjournment of Meeting; Other Matters

In the event that sufficient votes in favor of Proposal 1 in the Notice of Annual Meeting of Stockholders are not received by the time scheduled for the Meeting, the persons named as proxies may propose one or more postponements or adjournments of the Meeting to permit further solicitation of proxies for such Proposal. Any such postponement or adjournment will require the affirmative vote of a majority of the shares present in person or by proxy at the session of the Meeting to be postponed or adjourned, as applicable. The persons named as proxies will vote in favor of such postponement or adjournment those proxies which they are entitled to vote in favor of the Proposal. They will vote against any such postponement or adjournment those proxies required to be voted against the Proposal.

While the Meeting has been called to transact any business that may properly come before it, the Directors know of no business other than the matter stated in the Notice of Annual Meeting of Stockholders. However, if any additional matter properly comes before the Meeting and on all matters incidental to the conduct of the Meeting, it is the intention of the persons named in the enclosed Proxy to vote the Proxy in accordance with their judgment on such matters.

The Fund expects that broker-dealer firms holding shares of the Fund in "street name" for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares on the Proposal before the Meeting. The Fund understands that, under the rules of the Nasdaq Select Market, such broker-dealers may, without instructions from such customers and clients, grant authority to the proxies designated by the Fund to vote on the election of Directors if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. Certain broker-dealer firms may exercise discretion over shares held in their name for which no instructions are received by voting such shares in the same proportion as they have voted shares for which they have received instructions.

The shares as to which the Proxies so designated are granted authority by broker-dealer firms to vote on the matters to be considered at the Meeting, the shares as to which broker-dealer firms have declined to vote ("broker non-votes") and the shares as to which Proxies are returned by record stockholders but which are marked "abstain" on any matter will be included in the Fund's tabulation of the total number of votes present for purposes of determining whether the necessary quorum of stockholders exists. However, abstentions and broker non-votes will not be counted as votes cast.

Therefore, abstentions and broker non-votes will not have an effect on the election of Directors.

Any decision of such subcommittee of the Audit Committee to grant preapprovals shall be presented to the full Audit Committee at its next regularly scheduled meeting.

The function of the Audit Committee is oversight; it is the responsibility of Fund management to maintain appropriate systems for accounting and internal control over financial reporting, and the responsibility of the Fund's independent accountants to plan and carry out a proper audit. Specifically, Fund management is responsible for: (1) the preparation, presentation and integrity of the Fund's financial statements; (2) the maintenance of appropriate accounting and financial reporting principles and policies; and (3) the maintenance of internal control over financial reporting and other procedures designed to assure compliance with accounting standards and related laws and regulations. The Fund's independent accountants are responsible for planning and carrying out an audit consistent with applicable legal and professional standards and the terms of their engagement letter. Nothing in this Charter shall be construed to reduce the responsibilities or liabilities of the Fund's service providers, including the Fund's independent accountants.

Although the Audit Committee is expected to review appropriately the matters that come before it, such review of a Fund's financial statements by the Audit Committee is not an audit, nor does the Committee's review substitute for the responsibilities of the Fund's management for preparing, or the Fund's independent accountants for auditing, the financial statements. Members of the Audit Committee are not employees of the Fund and, in serving on the Audit Committee, are not, and do not hold themselves out to be, acting as accountants or auditors. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures.

In discharging their duties, the members of the Audit Committee are entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by: (1) one or more officers of the Fund whom the Board reasonably believes to be reliable and competent in the matters presented; (2) legal counsel, public accountants, or other persons as to matters the Board reasonably believes are within the person's professional or expert competence; or (3) a committee of the Board.

The Audit Committee shall meet on a regular basis but no less frequently than annually. The Audit Committee periodically shall meet separately with the Fund's independent accountants, Fund management, and representatives of Fund management responsible for the financial and accounting operations of the Fund. The Audit Committee may hold special meetings at such times as the Audit Committee believes necessary or appropriate. Members of the Audit Committee may participate in a meeting of the Audit Committee by means of conference call or similar communications equipment by means of which all persons participating in such meeting can hear each other.

The appropriate officers of the Fund shall provide or arrange to provide such information, data and services as the Audit Committee may request. The Audit Committee shall have the power and authority to take all action it believes necessary or appropriate to discharge its responsibilities, including the power and authority to retain independent counsel and other advisers. The Fund shall provide for appropriate funding, as determined by the Audit Committee as a committee of the Board, for payment of: (i) compensation to the Fund's independent accountants or any other accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review, or attest services for the Fund, (ii) compensation to any advisers employed by the Audit Committee under this Section V, and (iii) ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its responsibilities.

SPOTT FOCUS TRUST, INC.

Governance Committee Membership

The Governance Committee of Spott Focus Trust, Inc. (the "Company") shall be composed of all of the Independent Directors of the Company. Management, while not having representatives on the Committee, will nonetheless be expected to have a role in the nominating process by identifying and recommending potential candidates to the Committee for consideration. The Board of Directors ("Board") may remove or replace any member of the Committee at any time in its sole discretion.

Board Nominations and Functions

1. The Committee shall recommend nominees to the Board for election to the Board. The Committee shall evaluate each candidate's qualifications for Board membership and with respect to Independent Director nominees, the Committee shall evaluate each such nominee's independence from the investment adviser, affiliates of the adviser and other principal service providers. Additionally, with respect to evaluating candidates to serve as an independent member, the Board shall consider the candidate's ability to qualify as an Independent Director for purposes of the Investment Company Act of 1940 and any other standards of independence that may be relevant to the Company.
2. The Committee shall periodically review the composition of the Board to determine whether it may be appropriate to add individuals with different backgrounds or skills from those already serving on the Board.
3. It is currently the policy of the Committee not to consider nominees recommended by shareholders as candidates for Board membership. The Committee will periodically reevaluate the merits of this policy.
4. The Committee shall recommend the compensation of Independent Directors.
