SPECIAL MEETING OF SHAREHOLDERS

OF

SILICON STORAGE TECHNOLOGY, INC.

PROXY STATEMENT

OF

THE SST FULL VALUE COMMITTEE

---

PLEASE SIGN, DATE AND MAIL THE ENCLOSED GOLD PROXY CARD TODAY

The members of The SST Full Value Committee (the “Committee” or “we”) are significant shareholders of Silicon Storage Technology, Inc. (“SST” or the “Company”). The Committee is writing to you in connection with the proposed acquisition (the “Merger”) of SST by certain entities (the “Acquisition Entities”) controlled by Prophet Equity LP and certain members of the Company’s management team. The Board of Directors of SST (the “Board”) has scheduled a special meeting of shareholders for the purpose of approving the proposed Merger (the “Special Meeting”). The Special Meeting is scheduled to be held on [\_\_\_\_\_, \_\_\_\_\_], 2010 at [\_\_:\_\_] a.m., [\_\_\_\_] Time, at the Company’s offices located at 1020 Kifer Road, Sunnyvale California 94086. In connection with the proposed Merger, SST entered into an Agreement and Plan of Merger, dated as of November 13, 2009, with Technology Resources Holdings, Inc., a Delaware corporation (“Parent”), and Technology Resources Merger Sub, Inc., a California corporation and wholly-owned subsidiary of Parent (the “Merger Agreement”).

The Committee opposes the proposed Merger and Merger Agreement because we believe that:

- the \$2.10 per share Merger consideration to be paid to the Company’s shareholders in the proposed Merger is wholly inadequate and significantly undervalues the Company;
- the Merger is ill-conceived and the process that led to the signing of the Merger Agreement raises serious questions; and
- better alternatives exist for maximizing shareholder value.

You should refer to the information set forth under the heading “REASONS TO DEFEAT THE PROPOSED MERGER” for a more detailed explanation of the Committee’s reasons for opposing the proposed Merger and Merger Agreement.

The Committee is soliciting proxies from the shareholders of SST AGAINST the following Merger-related proposals (collectively, the “Merger Proposal”):

1. The Company's proposal to approve the Merger Agreement and approve the principal terms of the merger as contemplated by the Merger Agreement; and

2. The Company's proposal to vote to adjourn the Special Meeting, if necessary, for the purpose of soliciting additional proxies to vote in favor of the approval of the principal terms of the Merger and adoption of the Merger Agreement.

The Committee is composed of Riley Investment Management LLC, a Delaware limited liability company ("RIM"), Bryant R. Riley, Dialectic Capital Management, LLC, a Delaware limited liability company ("DCM"), Dialectic Capital Partners, LP, a Delaware limited partnership ("DCP"), Dialectic Offshore, Ltd., a Cayman Islands exempted company ("DOF"), Dialectic Antithesis Partners, LP, a Delaware limited partnership ("DAP"), Dialectic Antithesis Offshore, Ltd., a Cayman Islands exempted company ("DAO"), John Fichthorn, Luke Fichthorn and Lloyd I. Miller, III.

Mr. Riley is a former director of SST. Mr. Riley voted against the Merger Agreement prior to resigning as a member of the SST Board. RIM, DCM, DCP, DOF, DAP, DAO, Bryant Riley, John Fichthorn, Luke Fichthorn and Lloyd I. Miller, III are deemed participants in this proxy solicitation. For additional information concerning the members of the Committee and the participants in this proxy solicitation, please refer to the information set forth under the heading "Other Participant Information." This Proxy Statement and the GOLD proxy card are first being furnished to SST's shareholders on or about [\_\_\_\_\_].

SST has set the record date for determining shareholders entitled to notice of and to vote at the Special Meeting as [\_\_\_\_\_] (the "Record Date"). The principal executive offices of SST are located at 1020 Kifer Road, Sunnyvale, California 94086. Shareholders of record at the close of business on the Record Date will be entitled to vote at the Special Meeting. As of the Record Date, there were [\_\_\_\_\_] shares of common stock, \$0.01 par value per share (the "Shares") outstanding and entitled to vote at the Special Meeting. As of [\_\_\_\_\_] the approximate date on which the Committee expects to mail this Proxy Statement to the shareholders, the Committee, together with all of the participants in this solicitation, are the collective beneficial owners of an aggregate of 15,619,364 Shares, which represents approximately 16.3% of the Shares outstanding. Of the Shares beneficially owned by the members of the Committee, 13,354,140 of such Shares may be voted by the members of the Committee at the Special Meeting. The participants in this solicitation intend to vote such Shares AGAINST the Company's Merger proposals.

According to the Company's proxy statement filed with the Securities and Exchange Commission (the "SEC") on [\_\_\_\_\_] approval of the principal terms of the Merger and adoption of the Merger Agreement will require the affirmative vote of (1) the holders of a majority of the outstanding shares of SST common stock represented and voting at the Special Meeting, excluding shares held by Mr. Yeh and Dr. Hu and certain of their affiliates, and (2) the holders of a majority of the outstanding shares of SST common stock as of the record date.

THIS SOLICITATION IS BEING MADE BY THE COMMITTEE AND NOT ON BEHALF OF THE BOARD OF DIRECTORS OR MANAGEMENT OF SST. THE COMMITTEE IS NOT AWARE OF ANY OTHER MATTERS TO BE BROUGHT BEFORE THE SPECIAL MEETING. SHOULD OTHER MATTERS, WHICH THE COMMITTEE IS NOT AWARE OF A REASONABLE TIME BEFORE THIS SOLICITATION, BE BROUGHT BEFORE THE SPECIAL MEETING, THE PERSONS NAMED AS PROXIES IN THE ENCLOSED GOLD PROXY CARD WILL VOTE ON SUCH MATTERS IN THEIR DISCRETION.

THE COMMITTEE URGES YOU TO SIGN, DATE AND RETURN THE GOLD PROXY CARD TO VOTE AGAINST THE MERGER PROPOSAL.

IF YOU HAVE ALREADY SENT A [WHITE] PROXY CARD FURNISHED BY SST MANAGEMENT TO THE BOARD, YOU MAY REVOKE THAT PROXY AND VOTE AGAINST THE MERGER PROPOSAL BY SIGNING, DATING AND RETURNING THE ENCLOSED GOLD PROXY CARD. THE LATEST DATED PROXY IS THE ONLY ONE THAT COUNTS. ANY PROXY MAY BE REVOKED AT ANY TIME PRIOR TO THE SPECIAL MEETING BY DELIVERING A WRITTEN NOTICE OF REVOCATION OR A LATER DATED PROXY FOR THE SPECIAL MEETING TO THE COMMITTEE, C/O OKAPI PARTNERS, WHICH IS ASSISTING IN THIS SOLICITATION, OR TO THE SECRETARY OF SST, OR BY VOTING IN PERSON AT THE SPECIAL MEETING.

IMPORTANT NOTICE REGARDING AVAILABILITY OF PROXY MATERIALS FOR THE SPECIAL MEETING OF STOCKHOLDERS TO BE HELD ON \_\_\_\_\_

The proxy materials are available at <http://www.myproxyonline.com/okapimaterials>

IMPORTANT

Your vote is important, no matter how many or how few Shares you own. The Committee urges you to sign, date, and return the enclosed GOLD proxy card today to vote AGAINST the Merger Proposal.

The Committee does not believe that the Merger is in the best interest of the Company's shareholders. A vote AGAINST the Merger Proposal will enable you – as the owners of SST – to send a message to the Board that you are committed to maximizing the value of your Shares and that you will not approve a proposed transaction that does not fully and fairly value your Shares.

If your Shares are registered in your own name, please sign and date the enclosed GOLD proxy card and return it to the Committee, c/o Okapi Partners, in the enclosed envelope today.

If your Shares are held in a brokerage account or bank, you are considered the beneficial owner of the Shares, and these proxy materials, together with a GOLD voting form, are being forwarded to you by your broker or bank. As a beneficial owner, you must instruct your broker, trustee or other representative how to vote. Your broker cannot vote your Shares on your behalf without your instructions.

Depending upon your broker or custodian, you may be able to vote either by toll-free telephone or by the Internet. Please refer to the enclosed voting form for instructions on how to vote electronically. You may also vote by signing, dating and returning the enclosed voting form.

If you have any questions regarding your proxy,  
or need assistance in voting your Shares by telephone or Internet, please call:

PROPOSAL NO. 1

APPROVAL OF MERGER AGREEMENT

You are being asked by SST to approve the Merger Agreement. For the reasons discussed below, we oppose the proposed Merger and Merger Agreement. To that end, we are soliciting your proxy to vote AGAINST Proposal No. 1.

We urge you to demonstrate your opposition to the proposed Merger and to send a message to the Board that the proposed Merger is not in the best interest of shareholders by signing, dating and returning the enclosed GOLD proxy card as soon as possible.

REASONS TO DEFEAT THE PROPOSED MERGER

I. THE \$2.10 PER SHARE MERGER CONSIDERATION IS INADEQUATE AND DOES NOT FULLY REFLECT THE COMPANY'S INTRINSIC VALUE

The Committee believes that the intrinsic value of SST is much greater than the \$2.10 per Share Merger consideration.

The Merger consideration represents an insignificant premium to the average closing price of the Shares of \$2.07 for the 20 trading days preceding the announcement of the Merger Agreement on November 13, 2009. In fact, SST's Shares recently traded at prices substantially higher than \$2.10, closing as high as \$2.53 on October 9, 2009. It therefore stands to reason that the Board was contemplating a Merger at a lower price per Share than the price at which the Company's Shares were trading at certain times during the negotiations of the Merger Agreement. Furthermore, since the signing of the Merger Agreement, the Company's stock has been consistently trading at prices higher than the proposed \$2.10 per Share offer price, closing at \$2.78 on January 8, 2010.

We believe the proposed offer price of \$2.10 is grossly unfair to current shareholders because it does not take into consideration any growth potential from any future restructuring or value-enhancing activities and because it only represents a modest premium to the prevailing market price. The Committee also believes that there are several shortcomings in the analysis used by the strategic committee of the SST Board composed of independent directors (the "Strategic Committee") to justify the low takeover premium.

The Merger Assigns a Negative Enterprise Value to the Company:

At \$2.10 per Share, the Board is seeking to consummate a transaction that assigns a negative enterprise value to our Company. As of September 30, 2009, SST's had net cash and long-term investments of approximately \$211.6 million, or \$10.3 million more than the amount that shareholders will receive in the aggregate if the Merger is consummated. Given the intrinsic value that we believe exists in the Company's intellectual property, royalty stream and position in the NOR Flash marketplace, shareholders are being under-compensated in connection with Merger. The current proposal values the three operating businesses of memory, non-memory and the technology licensing business at zero assuming the acquirors liquidate the Company's cash, short-term investments, and long-term investments to finance the majority of the acquisition.

Shortcomings in the Houlihan Lokey Fairness Analysis:

The Committee believes that the fairness analysis performed by Houlihan Lokey was flawed in several respects. As one example, we believe Houlihan Lokey attributed an arbitrary number for the Company's cash and cash equivalents \$180MM instead of using \$211.6 million, as reported on the Company's balance sheet at Sept 2009. Additionally, we believe that Houlihan Lokey improperly relied upon and included a number of irrelevant companies and transactions in order to formulate a comparable group that would support the Merger.

The Committee Therefore Believes that the \$2.10 Consideration is Inadequate

The transaction comes at a time when the semiconductor industry as a whole has reported a significant improvement in business fundamentals. While the Company has yet to participate in the rebound to the same extent as other companies in the semiconductor industry, owing in part to poor strategic decisions and direction by the Board and management team, we believe it is poised to do so in the near-term. Yet, management is opportunistically undertaking this Merger at a multi-year low in the Company's own stock price.

In fact, on the earnings call and in the earnings release in connection with the Company's fiscal 2009 third quarter results, management spoke of recent positive results and progress. We agree with management's overall assessment that conditions at the Company are improving. Yet, if the proposed Merger is consummated, Mr. Yeh, Dr. Hu and Prophet Equity would stand to reap the benefits of the Company's recent positive results and progress, as opposed to the long-term shareholders who have waited patiently through years of poor operating and stock performance for the underlying value of their Shares to finally be unlocked. The Committee believes it is grossly unfair for the Company's shareholders to be denied the opportunity to participate in the Company's future growth outlook, especially when the Company can engage in similar value-enhancing activities as the private equity buyers are likely to undertake.

Based on the factors outlined above, we question how the Strategic Committee could conclude that the sale of the Company at a price of \$2.10 per Share is in the best interests of the Company's stockholders.

**II. THE MERGER IS ILL-CONCEIVED AND THE PROCESS THAT LED TO THE SIGNING OF THE MERGER AGREEMENT RAISES SERIOUS QUESTIONS**

The Committee's significant reservations about the proposed Merger extend beyond the inadequate price. We have serious concerns with how the management-led buyout process was conducted, including defects in the bidding process, shortcomings in the buyout agreement itself and the conflict of interest brought about by the participation in the transaction of SST's Chairman and CEO and COO. The Committee believes the principal reason that the Merger consideration is inadequate and fails to provide full and fair value for the Shares is because the Company undertook a sale process at the wrong time and because the sale process was tainted by conflicts of interest.

In our opinion, the Strategic Committee and the full board itself have not lived up to their responsibilities to SST's public shareholders by approving the Merger which, among other things, fails to reflect licensing growth opportunities which SST has in place for years to come. The Strategic Committee's role is to focus on the best interests of all the Company's shareholders and we believe that clearly required an assessment of the long-term value of the Company and the steps that the Company could take on its own to realize that value. A fairness opinion from an investment banking firm is not an adequate reason to justify a merger at \$2.10 per Share when there are clearly better alternatives.

### III. A BETTER ALTERNATIVE EXISTS FOR MAXIMIZING SHAREHOLDER VALUE

Instead of selling the Company today at a discount to Mr. Yeh, Dr. Hu and the private equity entities, the Committee believes that the Company should first engage in value-enhancing activities of its own, which we believe would clearly enhance shareholder value for all of us. More specifically, we believe that:

- (i) Operating expenses should be reduced;
- (ii) Non-core product lines should be shut down or divested; and
- (iii) The value of the licensing stream should be maximized.

The Committee does not believe a sale of the Company as it is still in a depressed financial condition is in the best interest of shareholders. The Committee believes that if the Company were to take certain steps, the Company's Shares could be worth significantly more in both the short and long term.

We believe that the existing Board and management team has made and continues to make the wrong choices by (i) not holding management accountable, (ii) overseeing a significant rise in the Company's cost structure of the Company (iii) failing to fix the Company's capital structure (iv) overseeing a stagnant stock price and (v) selling the Company at a discounted valuation for an inadequate premium to a group of acquirors which includes the Company's Chairman & CEO and COO.

We believe that the Company needs an experienced board dedicated to aggressively improving business operations and enhancing value. The decision to approve the ill-advised Merger clearly demonstrates that the current Board lacks this commitment.

We believe the Company's Board should be composed of individuals with industry expertise and turnaround experience who would be committed to focusing on restructuring activities and fixing the capital structure of the Company. We believe that SST can remain a public company and can undertake many of the same value-enhancing activities that would likely be taken by any private equity purchasers. By staying a public company, the public shareholders stand to reap the benefits of the Company's operational and financial restructuring instead of the management and private equity owners gaining those rewards.

The Committee urges you to vote against the Merger proposal by signing, dating and returning the enclosed GOLD proxy card as soon as possible.

PROPOSAL NO. 2

PROPOSAL TO APPROVE MOTION TO ADJOURN OR POSTPONE THE SPECIAL MEETING

You are being asked by SST to approve a proposal to grant the Company authority to vote your Shares to adjourn the meeting, if necessary, to provide additional time to solicit additional proxies in favor of approving the principal terms of the Merger and adoption of the Merger Agreement. For the reasons discussed above, we oppose the proposed Merger. To that end, we are soliciting your proxy to vote AGAINST Proposal No. 2.

The Committee urges you to vote AGAINST SST's proposal to approve any motion to adjourn the Special Meeting, if necessary, for the purpose of soliciting additional proxies to vote in favor of the approval of the principal terms of the Merger and adoption of the Merger Agreement.

## CONSEQUENCES OF DEFEATING THE PROPOSED MERGER

In the event that (i) the Merger Agreement is terminated by the Company or Parent because the shareholders' meeting to consider approval of the Merger Agreement under the California Corporations Code concludes without the approval by the Company's shareholders of the Merger Agreement, (ii) prior to such termination, any acquisition proposal has been made known to the Company or publicly disclosed and (iii) within twelve months after such termination, the SST Board recommends or the Company, or any of its affiliates, consummate, or become party to, an acquisition agreement with respect to any acquisition proposal (which need not be the same acquisition proposal known prior to termination), then the Company must pay a termination fee of \$7,045,281 to Parent.

In addition, in the event that the Merger Agreement is terminated by the Company or Parent because the shareholders' meeting to consider approval of the Merger Agreement under the California Corporations Code concludes without the approval by the Company's shareholders of the Merger Agreement and prior to such termination, any acquisition proposal has been made known to the Company or publicly disclosed, then the Company will reimburse Parent's reasonable out-of-pocket fees and expenses whenever incurred, up to a limit of \$2,000,000.

We do not believe that our actions to date have constituted an Acquisition Proposal and would strongly disagree with any view to the contrary. However, we cannot be certain that an Acquisition Proposal will not be announced, disclosed or otherwise communicated to the Board prior to the Special Meeting or that the Acquisition Entities will not claim that our actions have constituted an Acquisition Proposal such that they are entitled to, in the circumstances described above, payment of the termination fee. In addition, if the Acquisition Entities make such assertions, despite our view to the contrary, it is possible that the Board will conclude that we have made an Acquisition Proposal and authorize payment of such amount.

In the event the Merger is defeated, we would likely seek to nominate a slate composed of a majority of independent directors for election to the Board at the Company's next meeting of shareholders at which directors are to be elected, and who we believe will take all necessary steps to consider all options to maximize shareholder value. However, there can be no assurance that if the Merger is defeated that an alternative transaction will be presented to the shareholders in the future and, even if an alternative merger transaction is presented to the shareholders, that it will be for consideration equal to or in excess of the consideration to be paid in the Merger. If SST continues as an independent public company, there can be no assurance that its share price will remain at or exceed recent trading levels.

## VOTING AND PROXY PROCEDURES

Only shareholders of record on the Record Date will be entitled to notice of and to vote at the Special Meeting. Each Share is entitled to one vote. Shareholders who sell Shares before the Record Date (or acquire them without voting rights after the Record Date) may not vote such Shares. Shareholders of record on the Record Date will retain their voting rights in connection with the Special Meeting even if they sell such Shares after the Record Date. Based on publicly available information, the Committee believes that the only outstanding class of securities of SST entitled to vote at the Special Meeting is the Shares.

Shares represented by properly executed GOLD proxy cards will be voted at the Special Meeting as marked and, in the absence of specific instructions, will be voted AGAINST the proposed Merger and AGAINST the proposal to approve any motion to adjourn or postpone the Special Meeting to permit the further solicitation of proxies to establish a quorum or to obtain additional votes in favor of Proposal 1 at the Special Meeting, and, in the discretion of the persons named as proxies, on all other matters as may properly come before the Special Meeting.

### QUORUM

According to the Company's proxy statement, on the record date, [\_\_\_\_\_] shares of SST common stock were issued and outstanding and held by approximately [\_\_\_\_\_] holders of record. A quorum will be present at the Special Meeting if a majority of the outstanding shares of SST common stock entitled to vote on the record date are represented in person or by proxy. All Shares that are voted "FOR", "AGAINST" or "ABSTAIN" on any matter will count for purposes of establishing a quorum and will be treated as Shares entitled to vote at the Special Meeting.

### VOTES REQUIRED FOR APPROVAL

The approval of the principal terms of the Merger and adoption of the Merger Agreement require the affirmative vote of (1) the holders of a majority of the outstanding shares of SST common stock on the record date and (2) the holders of a majority of the outstanding shares of SST common stock represented and voting at the Special Meeting, excluding shares held by Mr. Yeh and Dr. Hu. If you abstain from voting or do not vote, either in person or by proxy, it will have the same effect as a vote against the approval of the principal terms of the Merger and adoption of the Merger Agreement. The approval of the adjournment of the Special Meeting requires the affirmative vote of the holders of a majority of the shares of SST common stock present, in person or by proxy, at the Special Meeting (excluding abstentions).

Shareholders may cast their votes by marking the ballot at the meeting or by specific voting instructions sent with a signed proxy to either the Committee in care of Okapi Partners at the address set forth on the back cover of this Proxy Statement or to the Company at 1020 Kifer Road, Sunnyvale, California 94086, or any other address provided by the Company.

## VOTING OF PROXIES; ABSTENTIONS; BROKER NON-VOTES

All shares represented by properly executed proxies received in time for the Special Meeting will be voted at the Special Meeting in the manner specified by the holders. Properly executed GOLD proxy cards that do not contain voting instructions will be voted “against” the approval of the principal terms of the Merger and adoption of the Merger Agreement and “against” approval of the proposal to adjourn the Special Meeting, if necessary.

To vote, please complete, sign, date and return the enclosed GOLD proxy card or, to appoint a proxy over the Internet or by telephone, follow the instructions provided herein. If you attend the Special Meeting and wish to vote in person, you may withdraw your proxy and vote in person. If your shares are held in the name of your broker, bank or other nominee, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the Special Meeting.

Shares of SST common stock represented at the Special Meeting but not voted, including shares of SST common stock for which proxies have been received but for which shareholders have abstained, will be treated as present at the Special Meeting for purposes of determining the presence or absence of a quorum for the transaction of all business.

Shares held in street name that are present by proxy will be considered as Votes Present for purposes of determining whether a quorum is present. With regard to certain proposals, the holder of record of Shares held in street name is permitted to vote as it determines, in its discretion, in the absence of direction from the beneficial holder of the Shares.

Only shares affirmatively voted for the approval of the principal terms of the Merger and adoption of the Merger Agreement, including properly executed proxies that do not contain specific voting instructions, will be counted for that proposal. If you abstain from voting, it will have the same effect as a vote against the approval of the principal terms of the Merger and adoption of the Merger Agreement, but no effect on the proposal to adjourn the Special Meeting. If you do not execute a proxy card, it will have the same effect as a vote against the approval of the principal terms of the Merger and adoption of the Merger Agreement and will have no effect on the proposal to grant authority to adjourn the Special Meeting.

Brokers who hold shares in street name for customers have the authority to vote on “routine” proposals when they have not received instructions from beneficial owners. However, brokers are precluded from exercising their voting discretion with respect to approval of non-routine matters, such as the approval of the principal terms of the Merger and adoption of the Merger Agreement and, as a result, absent specific instructions from the beneficial owner of such shares, brokers are not empowered to vote those shares, referred to generally as “broker non-votes.” Broker non-votes will be treated as shares that are present at the Special Meeting for purposes of determining whether a quorum exists and will have the same effect as votes “against” the approval of the principal terms of the Merger and adoption of the Merger Agreement and on the proposal to grant the persons named as proxies the authority to adjourn the Special Meeting.

No business may be transacted at the Special Meeting other than the proposal to approve the principal terms of the Merger and adopt the Merger Agreement and, if necessary, the proposal to adjourn the Special Meeting.

## REVOCATION OF PROXIES

Shareholders of SST may revoke their proxies at any time prior to exercise by attending the Special Meeting and voting in person (although attendance at the Special Meeting will not in and of itself constitute revocation of a proxy) or by delivering a written notice of revocation. The delivery of a subsequently dated proxy which is properly completed will constitute a revocation of any earlier proxy. The revocation may be delivered either to the Committee in care of Okapi Partners at the address set forth on the back cover of this Proxy Statement or to SST at 1020 Kifer Road, Sunnyvale, California 94086, or any other address provided by SST. Although a revocation is effective if delivered to SST, the Committee requests that either the original or photostatic copies of all revocations be mailed to the Committee in care of Okapi Partners at the address set forth on the back cover of this Proxy Statement so that the Committee will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date of a majority of the outstanding Shares. Additionally, Okapi Partners may use this information to contact shareholders who have revoked their proxies in order to solicit later dated proxies against the Company's proposals in connection with the Merger.

## DISSENTERS' RIGHTS

If the proposed Merger is completed, shareholders are entitled to dissenters' rights under Chapter 13 of the California Corporations Code, or Chapter 13, provided that they comply with the conditions established by Chapter 13. Under Chapter 13, if you do not wish to accept the Merger consideration as provided for in the Merger Agreement in exchange for the shares of SST common stock that you hold, you may exercise your dissenters' rights and elect to have the fair market value of your shares (exclusive of any appreciation or depreciation in consequence of the accomplishment of the Merger) judicially determined and paid to you in cash, together with a fair rate of interest, if any, provided that you comply with the provisions of Chapter 13, as more fully explained in the Company's Proxy Statement.

IF YOU WISH TO VOTE AGAINST THE MERGER PROPOSAL, PLEASE SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED GOLD PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED.

## SOLICITATION OF PROXIES

The solicitation of proxies pursuant to this Proxy Statement is being made by the Committee. Proxies may be solicited by mail, facsimile, telephone, telegraph, in person and by advertisements. The Committee will not solicit proxies via the Internet.

The Committee has entered into an agreement with Okapi Partners for solicitation and advisory services in connection with this solicitation, for which Okapi Partners will receive a fee not to exceed \$75,000, together with reimbursement for its reasonable out-of-pocket expenses. Okapi Partners will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. The Committee has requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the Shares they hold of record. The Committee will reimburse these record holders for their reasonable out-of-pocket expenses in so doing. It is anticipated that Okapi Partners will employ approximately 25-40 persons to solicit SST's shareholders for the Special Meeting.

The entire expense of soliciting proxies is being borne by the Committee pursuant to the terms of the Joint Filing and Solicitation Agreement (as defined below). Costs of this solicitation of proxies are currently estimated to be approximately \$[\_\_\_\_\_]. The Committee estimates that through the date hereof, its expenses in connection with this solicitation are approximately \$[\_\_\_\_\_].

If the Committee is successful in its solicitation of proxies to defeat the proposed Merger at the Special Meeting, then it intends to seek reimbursement from the Company for its expenses incurred in connection therewith.

## OTHER PARTICIPANT INFORMATION

Each member of the Committee is a participant in this solicitation. Mr. Riley manages and owns all of the outstanding membership interests of RIM.
