terms used but not defined herein have the meanings assigned to such terms in the Schedule 13D.

### Item 4. Purpose of Transaction.

Item 4 of Schedule 13D is hereby amended by adding the following before the final paragraph of such Item:

"On July 11, 2002, the Company entered into a Letter Agreement with Mr. Brant (the "Letter Agreement") permitting the Company and/or its designee(s) to exercise the remaining portion of the option under the Option Agreement during a 60 day period ending September 9, 2002 (the "Special Period") at a reduced exercise price of \$0.25 per share provided that the exercise is for at least one million of the 1,621,706 remaining option shares. Mr. Brant also agreed that an additional 50,000 shares he owns (which are among the shares subject to the Standstill) would be the subject to the option during the Special Period. Accordingly, during the Special Period the Company has an option to repurchase between 1,000,000 and 1,671,706 shares of Common Stock from Mr. Brant at a price of \$0.25 per share.

The foregoing descriptions of the Letter Agreement is qualified in its entirety by reference to the Letter Agreement, which is attached hereto as Exhibit 8 and is incorporated herein by reference."

### Item 5. Interest in Securities of the Issuer:

Items 5(a) and 5(c) are amended to read as follows:

"(a) Mr. Brant may be deemed to own beneficially 2,374,772 shares of Common Stock as of July 22, 2002, including 1,621,706 remaining shares subject to the option in favor of the Company under the Option Agreement and 753,066 shares subject to the Standstill under the Option Agreement (of which 50,000 shares are subject to an option in favor of the Company during the Special Period).

The shares beneficially owned by Mr. Brant represent 11.9% of the class based on the 19,873,359 shares of the Company's Common Stock outstanding as of July 22, 2002. The number of outstanding shares is calculated by subtracting from the 19,934,139 shares of Common Stock reported to be outstanding as of May 14, 2002 in the Company's Form 10-Q filed for the period ending March 31, 2002, 60,780 shares purchased by the Company's exercises pursuant to the Option Agreement since the filing of Amendment No. 1 hereto. The shares acquired by the Company from Mr. Brant are being held by the Company as treasury shares and, therefore, are deemed issued but not outstanding.

Mr. Brant is a party to the Stockholders' Agreement described in Item 4. Within the meaning of Rule 13(d)(5) under the Securities Exchange Act of 1934, as amended (the "Act"), the terms of the Stockholders' Agreement could be deemed to provide for an agreement among the parties thereto to act together for the purpose of voting and disposing of equity securities of the Company. Accordingly, the parties thereto could be deemed to be members of a "group" and could be deemed to be beneficial owners of all of the securities held by such group. Mr. Brant denies the existence of such a group and disclaims beneficial ownership of the securities held by any other person.

As of the date hereof, to the best knowledge of Mr. Brant, the table below identifies all of the parties to the Stockholders' Agreement, in addition to Mr. Brant and the Company, and states their ownership interests in the Company as of July 22, 2002, based solely upon public filings.
