ITEM 4. Description of Securities.

Not applicable.

ITEM 5. Interests of Named Experts and Counsel.

Not applicable.

ITEM 6. Indemnification of Directors and Officers.

Under Delaware law, directors, officers, employees and other individuals may be indemnified against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement in connection with specified actions, suits or proceedings, whether civil, criminal, administrative or investigative if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. A similar standard of conduct is applicable in the case of a derivative action, except that indemnification only extends to expenses (including attorneys' fees) incurred in connection with defense or settlement of such an action and Delaware law requires court approval before there can be any indemnification of expenses where the person seeking indemnification has been found liable to the corporation.

Article Ninth of the Amended and Restated Certificate of Incorporation of the Registrant requires the Registrant to indemnify directors and officers against liabilities which they may incur under the circumstances set forth in the preceding paragraph. The right of indemnification in Article Ninth also includes the right to be paid by the Registrant the expenses incurred in connection with a legal proceeding in advance of its final disposition to the fullest extent authorized by Delaware law. The right to indemnification conferred under Article Ninth is a contract right.

The Registrant maintains standard policies of insurance under which coverage is provided (a) to its directors and officers against loss arising from claims made by reason of breach of duty or other wrongful act, and (b) to the Registrant with respect to payments which may be made by the Registrant to such officers and directors pursuant to the above indemnification provision or otherwise as a matter of law.

The underwriting agreement filed as Exhibit 1 to the Registrant's Registration Statement on Form S-1 (No. 333-12267) provides for indemnification of directors and officers of the Registrant by the underwriters of the Registrant's initial public offering against certain liabilities. The underwriting agreement filed as Exhibit 1 to the Registrant's Registration Statement on Form S-1 (No. 333-27239) provides for indemnification of directors and officers of the Registrant by the underwriters of the Registrant's offering against certain liabilities.

- (c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
2. and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
