PROXY STATEMENT
for
ANNUAL MEETING OF STOCKHOLDERS
May 14, 2002

GENERAL INFORMATION

The Annual Meeting of Stockholders (the "Annual Meeting") of Ventas, Inc. (the "Company") will be held at 10:00 a.m., local time on Tuesday, May 14, 2002, at The Olmsted, 3701 Frankfort Avenue, Louisville, Kentucky. This Proxy Statement is being furnished in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board of Directors" or the "Board") to be used at the Annual Meeting and at any adjournments thereof.

Only stockholders of record at the close of business on March 20, 2002, are entitled to vote at the Annual Meeting or any adjournments thereof. On the record date, 69,062,484 shares of the Company's common stock, par value \$.25 per share ("Common Stock"), were outstanding. Each share of Common Stock entitles the owner to one vote. However, certain shares designated as "Excess Shares" pursuant to the Company's Certificate of Incorporation (which are generally any shares owned in excess of 9% of the Company's outstanding Common Stock) may not be voted by the record owner thereof, but will instead be voted in accordance with Article XII of the Certificate of Incorporation.

A majority of the outstanding shares of Common Stock present in person or by proxy is required to constitute a quorum to transact business at the Annual

Edgar Filing: VENTAS INC - Form DEF 14A

Meeting. The vote of a plurality of the outstanding shares of Common Stock present in person or by proxy will be necessary to elect the director-nominees listed in this Proxy Statement. The affirmative vote of a majority of the shares of Common Stock present in person or by proxy will be necessary to approve all other proposals and matters that may come before the Annual Meeting for stockholder consideration. Abstentions and proxies relating to "street name" shares for which brokers have not received voting instruction from the beneficial owner ("Broker Non-Votes") are counted in determining whether a quorum is present. In the election of directors, the nominees receiving the highest number of votes will be elected. Therefore, abstentions or Broker Non-Votes for a director-nominee will have no effect. With respect to any matters submitted to the stockholders for their consideration, other than the election of directors, abstentions will have the same effect as votes against any such proposal, whereas Broker Non-Votes will have no effect in determining whether any such proposal has been approved by the stockholders.

The Company intends to first distribute this Proxy Statement and the materials accompanying it on or about April 3, 2002. If the enclosed proxy card is properly signed, returned to the Company and not revoked, it will be voted in accordance with the instructions contained therein. Unless contrary instructions are given, the proxy will be voted (i) in favor of the nominees for director named in this Proxy Statement, (ii) in favor of the ratification of the selection of Ernst & Young LLP as the Company's independent auditors for the fiscal year 2002, and (iii) in the discretion of the proxy holders on such other business as may properly come before the Annual Meeting.

A person giving the enclosed proxy has the power to revoke it at any time before it is exercised. However, such revocation must be made in writing and received by the General Counsel of the Company at the Company's principal executive offices located at 4360 Brownsboro Road, Suite 115, Louisville, Kentucky 40207-1642 at or before the time and date of the Annual Meeting. A stockholder may also attend the Annual Meeting and vote in person, in which event any prior proxy given by the stockholder will be revoked automatically.

The cost of soliciting proxies by the Board of Directors will be borne by the Company. Such solicitation will be made by mail and in addition may be made personally or by telephone by directors, officers and employees of the Company, none of whom will receive additional compensation for these services. The Company's regularly retained investor relations firm, Corporate Communications, Inc., may also solicit proxies by telephone and mail and, if it is so engaged, it will be paid a customary fee. Forms of proxies and proxy materials will also be distributed through brokers, custodians and other like parties to the beneficial owners of Common Stock. The Company will reimburse such parties for their reasonable out-of-pocket expenses incurred in connection with the distribution.

(1) Options become exercisable in three equal annual installments (with slight modifications for rounding) beginning on the date of grant. All options become fully exercisable upon a change in control of the Company. Additionally, there is an acceleration of rights to exercise options upon certain instances of termination of employment.

9

- (2) All options were granted at fair market value (the closing price on the New York Stock Exchange on the date of grant). The exercise price and any tax withholding obligations related to exercise may be paid by delivery of shares of Common Stock.
- (3) Potential realizable values are reported net of the option exercise price, but before taxes associated with exercise. These amounts are predicated on 5% and 10% assumed annual rates of appreciation from the Common Stock price on the date of the grant for ten years (the option terms) in order to comply with the requirements of the Commission, and do not represent the Company's expectations as to the annual rate of appreciation. Actual gains, if any, on stock option exercises are dependent on the future performance of the Common Stock and overall stock market conditions, as well as the option holder's continued employment with the Company throughout the vesting period. The amounts reflected in this table will not necessarily be achieved.

Edgar Filing: VENTAS INC - Form DEF 14A

- (4) Options were granted in connection with service as member of the Board of Directors and not as an Executive Officer of the Company. Options become exercisable in two equal annual installments beginning on the date of grant.

EMPLOYMENT AND OTHER AGREEMENTS

Employment and Severance Agreements: Lunsford, Riney and Thompson

Edgar Filing: VENTAS INC - Form DEF 14A

The Company entered into employment agreements with W. Bruce Lunsford and T. Richard Riney on July 30, 1998. The Company entered into an employment agreement with John C. Thompson on January 13, 1999. These employment agreements are for an initial one year term. The term of each agreement is automatically extended by one additional day for each day following the effective date of the agreement that the Named Executive Officer remains employed by the Company until the Company elects to cease such extension by giving notice to the Named Executive Officer. Upon such notification, the employment agreements will terminate in one year. The employment agreements provide base salary and the ability of the Named Executive Officer to be eligible for bonuses and to participate in the Company's incentive and other employee benefit plans. The Named Executive Officers may receive increases in their base salaries from time to time as approved by the Compensation Committee or the Board of Directors. Under certain circumstances, the employment agreements also provide for severance payments if the executive is terminated. The employment agreements of Mr. Riney and Mr. Thompson were amended on September 30, 1999 to provide for the gross up of any payment or benefits to which they may be entitled under their employment agreements or any other agreement for any tax imposed upon them by Section 4999 of the Code or any similar state or local tax.

If employment is terminated by reason of death or disability, the Named Executive Officer is entitled to a prorated portion of his target bonus. If the Named Executive Officer is terminated for "cause" (as defined in the employment agreements), no additional payments are made under the employment agreements.

If the Named Executive Officer's employment is terminated by the executive for "good reason" (as defined in the employment agreements) or by the Company other than for "cause" (collectively, an "Involuntary Termination"), certain levels of severance payments are provided under the employment agreements. Upon such a termination, the employment agreement for Mr. Lunsford provides for a cash payment equal to the prorated portion of his maximum bonus for the year of termination, if any bonus targets had previously been set, and two times his base salary and maximum bonus for the year of termination, if any bonus targets had previously been set. In addition, Mr. Lunsford would be entitled to coverage under the Company's employee benefit plans for two years, two years of additional vesting of restricted stock awards and two additional years in which to exercise stock options. Upon the Involuntary Termination of either of Mr. Riney or Mr. Thompson, the terminated executive would be entitled to a cash payment equal to the prorated portion of their maximum bonus for the year of termination, if any bonus targets had previously been set, and one times their base salary and maximum bonus for the year of termination, if any bonus targets had previously been set. In addition, the terminated executive would be entitled to coverage under the Company's employee benefit plans for one year, one year of additional vesting of restricted stock awards and one additional year in which to exercise stock options.

The employment agreement for Mr. Lunsford also provides for a restructuring of his Tax Loan (as defined) if he is subject to an Involuntary Termination pursuant to which the Tax Loan would be amended to provide that any payment of the principal will be made in equal annual installments with a final maturity date ten years from the date of the Tax Loan. See "Certain Relationships and Related Transactions" for a description of the Tax Loan. In addition, if Mr. Lunsford resigns as Chairman at the request of the Board for any reason other than cause, all amounts owed under the Tax Loan will be forgiven.

The Company entered into Change in Control Severance Agreements with each of Mr. Lunsford, Mr. Riney and Mr. Thompson. These agreements provide for the payment of severance benefits under certain circumstances. The severance benefits become payable at any time within two years of a change in control of the Company (as defined in the agreements) if: (i) the Company terminates the employee without cause; (ii) the employee terminates employment with the

Edgar Filing: VENTAS INC - Form DEF 14A

Company for "good reason" (as defined in the agreement) or within either of two 30-day periods commencing 30 days after the change in control and one year after the change in control, respectively. The benefits to be afforded to Mr. Lunsford include: (i) a cash payment equal to three times base salary, maximum bonus and performance share award target as of termination of employment; (ii)

11

continuation of health, life and disability insurance coverage for three years; (iii) full vesting under the Company's retirement savings plan; and (iv) an additional payment for any excise taxes he may incur as a result of the change in control. The benefits to be afforded to Messrs. Riney and Thompson include: (i) a cash payment equal two times base salary, maximum bonus and performance share award target as of termination of employment; (ii) continuation of health, life and disability insurance coverage for two years; (iii) full vesting under the Company's retirement savings plan; and (iv) an additional payment for any excise taxes they may incur as a result of the change in control.

Employment Agreement: Cafaro

Effective March 5, 1999, the Company and Debra A. Cafaro entered into an employment agreement (the "Cafaro Employment Agreement") pursuant to which Ms. Cafaro became President, Chief Executive Officer and a director of the Company. The initial term of the Cafaro Employment Agreement will expire on December 31, 2002. The Cafaro Employment Agreement provides for (i) an initial annual base salary of \$335,000 (with a minimum annual increase of 5% thereafter), (ii) the eligibility to participate in the Company's bonus program, (iii) a grant of 100,000 restricted shares of Common Stock, and (iv) a grant of options to purchase 500,000 shares of Common Stock. Such options will be "incentive stock options" under the Code ("ISOs") to the maximum extent permissible. The per share exercise price for the ISOs (36,639 options) is \$8.1875, the closing price of the Common Stock on March 5, 1999 (the "Effective Date"). The per share exercise price for the remaining options (463,361 options) is the lesser of \$8.1875 and the closing price of the Common Stock 120 days after the Effective Date (\$5.00). In addition, Ms. Cafaro will receive a loan sufficient to cover income taxes payable on the shares of restricted stock, and she is eligible to participate in the Company's incentive and other benefit plans.

If Ms. Cafaro's employment is terminated (other than "for cause") she will be entitled to receive a cash payment equal to the sum of three times her base salary and the highest bonus in the preceding three years or the maximum bonus for the current year, whichever is higher (the "Maximum Bonus") as of the date of termination, plus the prorated portion of the Maximum Bonus for the year of termination. In addition, Ms. Cafaro will be entitled to full vesting of her shares of restricted stock and stock options and forgiveness of the Cafaro Tax Loans (as defined below).

In the event of a change of control, Ms. Cafaro will be entitled to a cash payment equal to 2.99 times the sum of her base salary and Maximum Bonus on the date of a change of control plus the fair market value of any targeted restricted shares to be issued in the year the change of control occurs. In addition, Ms. Cafaro will be entitled to full vesting of her shares of restricted stock and stock options and forgiveness of the Cafaro Tax Loans.

Pursuant to the Cafaro Employment Agreement, Ms. Cafaro and Mr. Crocker are entitled to jointly designate a person to be appointed to serve as a director, subject to the approval of Mr. Lunsford, which approval shall not be unreasonably withheld (the "Designee"). Ms. Cafaro and Mr. Crocker have not appointed a Designee to date. Once they have done so, the Board will act to

Edgar Filing: VENTAS INC - Form DEF 14A

appoint the Designee as a Director.

COMPENSATION OF DIRECTORS

During 2001, directors not employed by the Company and the Chairman of the Board received \$1,500 for each board meeting they attended, \$1,000 for each committee meeting they attended, \$1,500 for each telephonic meeting in which they participated unless the telephonic meeting was fifteen minutes or less, in which case they received \$750 for such telephonic meeting. In addition, non-employee directors and the Chairman of the Board received a \$7,500 retainer for each calendar quarter that they served as a director.

During 2001, directors not employed by the Company received options pursuant to the Company's 2000 Stock Option Plan for Non-Employee Directors (the "2000 Directors Stock Plan"). Under the 2000 Directors Stock Plan, each non-employee director and the Chairman of the Board was granted an option to purchase 5,000

12

shares of Common Stock on January 1 of each year, with an exercise price equal to the fair market value of the Common Stock on the date the option was granted. Accordingly, the Company issued options with respect to an aggregate of 20,000 shares to the three persons who were serving as non-employee directors and the Chairman of the Board on January 1, 2001.

The 2000 Stock Option Plan for Directors also provides for the grant of an option to purchase 10,000 shares of Common Stock upon the initial election or appointment of a director, with an exercise price equal to the fair market value of the Common Stock on the date of grant. Accordingly, the Company issued 10,000 options each to Mr. Rosenberg, Mr. Gellert and Mr. Loveman on January 26, 2001, September 10, 2001 and September 10, 2001, respectively. All options are exercisable in two equal installments, the first on the date of grant and the second on the first anniversary of the date of grant.

REPORT OF THE COMPENSATION COMMITTEE

The functions of the Compensation Committee include reviewing and approving of the Company's executive compensation structure and overall benefits program. The purpose of the executive compensation program is to establish and maintain a performance and achievement oriented environment, which aligns the interests of the Company's executives with the interests of its stockholders. The key components of the Company's compensation philosophy are base salary, an annual incentive award and long-term based incentives.

The Company's overall compensation structure is reviewed annually with the assistance of an expert independent consultant and the use of executive compensation surveys from the following sectors: (a) healthcare REITS; and (b) REITS with comparable total capitalization as the Company, regardless of asset class. The companies surveyed include some, but not all, of the companies covered in the indices included on the Performance Graph.

Types of Compensation:

1. Base Salary

The Compensation Committee sets base salaries for executive officers. Base salary increases are provided to executives based on an evaluation of each executive's performance, the executive's level of responsibility, as well as the performance of the Company as a whole. The Compensation Committee also considers the success of the executive officer in developing and executing the

Edgar Filing: VENTAS INC - Form DEF 14A

Company's strategic plans, exercising leadership and creating stockholder value. In addition, the Compensation Committee evaluates the latest survey information available to confirm appropriate compensation levels. The Compensation Committee reviews individual base salaries at least annually with the assistance of an expert independent consultant.

2. Bonus

The Compensation Committee, upon the advice and recommendations of an expert independent consultant, established a bonus program for 2001 under which the level of bonus to be paid to the executive officers was dependent upon the attainment of certain performance objectives by the Company and by the executive officers. The maximum level performance objectives of the Company and of each of the executive officers were attained for 2001 and annual cash bonuses were awarded to the executives for 2001 ranging from 150% to 200% of base salary.

3. Stock Options and Restricted Stock Awards

The Compensation Committee recognizes that while the bonus program provides rewards for positive short-term and mid-term performance, the interests of stockholders are best served by giving key employees the opportunity to participate in the appreciation of the Common Stock through the grants of stock options and restricted stock awards. The use of such awards provides a long-term link between the results achieved for the

13

Company's stockholders and the reward provided to executive officers. Stock options and shares of restricted stock are granted to executive officers primarily based on the officers' actual and potential contribution to the Company's growth, long-term performance and the practices of other REITs. Stock-based compensation also provides an effective incentive for management to create stockholder value over the long-term because the full benefit of the compensation package cannot be realized unless an appreciation in price of the Common Stock occurs over a number of years.

Chief Executive Officer's Compensation

Based upon the executive compensation surveys and the strategic accomplishments of the Company, the Compensation Committee believes that the salary, bonus, restricted share awards and option grants to Ms. Cafaro, the Company's Chief Executive Officer and President since March 5, 1999, are fair and competitive. The Company achieved a number of strategic objectives under Ms. Cafaro's leadership during 2001, including: (a) the emergence of Kindred, the Company's primary tenant, from bankruptcy proceedings following several months of complex and protracted negotiations with Kindred and its major creditors; (b) increased visibility of the Company in the financial community and among healthcare REIT investors; (c) lowering the Company's cost of debt and relieving the Company of certain restrictions under the Company's credit agreement through the refinancing and prepayment of a substantial portion of the indebtedness owed by the Company to its senior lenders; (d) expanding and strengthening the Board of Directors with members who have expertise in the areas of real estate, healthcare and corporate governance; and (e) the achievement of exceptional total stockholder return in 2001. The Compensation Committee determined that compensation for Ms. Cafaro for 2001 was appropriate and desirable in light of her actual and potential contributions to the Company and her leadership in the Kindred reorganization negotiations and the Company's debt restructuring. The assessment of actual and potential contribution was based on the Compensation Committee's subjective evaluation of Ms. Cafaro's

Edgar Filing: VENTAS INC - Form DEF 14A

abilities, skills, efforts and leadership.

Tax Policy

The Omnibus Budget Reconciliation Act of 1993 amended the Code to provide generally that the compensation paid by publicly held corporations to the chief executive officer and the four most highly paid senior executive officers in excess of \$1,000,000 per executive will be deductible by the Company only if paid pursuant to a qualifying performance-based compensation plan approved by stockholders of the Company. Compensation as defined by the Code includes, among other things, base salary, incentive compensation and gains on stock options and restricted stock. It is the Compensation Committee's policy to maximize the effectiveness of the Company's executive compensation plans. In that regard, the Compensation Committee intends to maintain flexibility to take actions that are deemed to be in the best interests of the Company and its stockholders. Such actions may not always result in executive compensation qualifying for the maximum possible tax deductibility under the Code. The Company also believes that substantially all of the compensation paid in 2001 is deductible for federal income tax purposes.

The foregoing report of the Compensation Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, and shall not otherwise be deemed filed under such acts except to the extent that the Company specifically incorporates this information by reference.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

As of December 31, 2001, the following persons served on the Compensation Committee: Sheli Z. Rosenberg, Douglas Crocker, II and Gary W. Loveman. Until his resignation from the Compensation Committee effective May 15, 2001, Ronald G. Geary served as a member of the Compensation Committee. None of the current members of the Compensation Committee are, or have been, employees of the Company. The Company currently leases various properties to Tangram Rehabilitation Network, Inc. ("Tangram"), a wholly owned subsidiary of Res-Care of which Mr. Geary is Chairman, President and Chief Executive Officer and of which Mr. Lunsford is a director. See "Certain Relationships and Related Transactions--Transactions with Res-Care."

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In May 1998, the Company adopted a policy which provides that any transaction between the Company and any of its officers, directors or their affiliates must be approved by the disinterested members of the Board of Directors and must be on terms no less favorable to the Company than those available from unaffiliated parties.

Tax Loan

In connection with the 1998 Spin Off, the Company agreed to loan Mr. Lunsford (former Chief Executive Officer and present Chairman of the Board of

Edgar Filing: VENTAS INC - Form DEF 14A

Directors) an amount sufficient to cover his estimated income taxes payable as a result of the distribution of Vencor common stock (the "Tax Loan"). The Tax Loan is evidenced by a promissory note which has a term of ten years and bears interest at 5.77%. Principal on the Tax Loan is scheduled to be repaid in ten equal annual installments beginning on June 15, 1999. Interest is payable quarterly; however, any interest payment on the Tax Loan is forgiven if Mr. Lunsford remains employed in his position with the Company on the date on which such interest payment is due. Moreover, in the event of a change in control of the Company, the entire balance of the Tax Loan will be forgiven. The Tax Loan was based on estimated tax payments required to be made by Mr. Lunsford as a result of the distribution of Kindred common stock. The principal amounts of the Tax Loan to Mr. Lunsford was \$3,750,000. In connection with the amendment of his employment agreement at the time of his resignation as President and Chief Executive Officer in December, 1998, the terms of the Tax Loan were amended. The Tax Loan will be restructured if he is subject to an Involuntary Termination, such that any payment of the principal will be made in equal annual installments with a final maturity date ten years from the date of the Tax Loan. In addition, if Mr. Lunsford resigns as Chairman at the request of the Board for any reason other than "cause," all amounts owed under the Tax Loan will be forgiven. As of December 31, 2001 the outstanding principal balance of the Tax Loan was \$2,625,000. See "Employment and Other Agreements."

Transactions with Res-Care

On October 15, 1998, the Company acquired eight personal care facilities and related facilities for approximately \$7.1 million from Tangram. Tangram is a wholly owned subsidiary of Res-Care of which Mr. Geary is Chairman, President and Chief Executive Officer and Mr. Lunsford is a director. See "Compensation Committee Interlocks and Insider Participation." Res-Care acquired Tangram in a cash merger on October 15, 1998. The purchase price for the Tangram facilities was determined by an appraisal conducted by Graham & Associates, Inc., San Marcos, Texas, a certified General Real Estate Appraiser for the State of Texas. The Company leases the Tangram facilities to Tangram pursuant to a Master Lease Agreement which is guaranteed by Res-Care. During 2001, Tangram paid the Company \$779,239 in rent. The Company believes that the terms of the Master Lease Agreement represent market rates.

Office Lease

Effective March 15, 1999, the Company relocated its principal executive offices and entered into a lease agreement with Summit II Partners, Limited (the "Landlord"). On November 29, 2001, the Landlord and the Company amended the lease agreement to add additional office space (as amended, the "Office Lease"). The

Office Lease requires the Company to pay annual rent of \$110,161 to the Landlord. Mr. Lunsford owns an indirect equity interest in the Landlord of approximately 22%. The Company believes that the terms of the Office Lease represent market rates.

Hospital Sublease

On March 6, 2001, the Company consented to the sublease by Kindred to XodiAx, LLC ("XodiAx") of approximately 8,352 square feet in a data center building located on the hospital campus known as Kindred Hospital Louisville. The Kindred Hospital Louisville campus is owned by the Company and is leased to Kindred pursuant to the terms of a Master Lease between the Company and Kindred. The sublease is subject and subordinate to the terms of the Master

Lease. Total annual rent under the sublease is \$330,279. Upon the occurrence of certain events, at the Company's option, XodiAx will pay rent under the sublease directly to the Company and/or attorn to the Company under the sublease. Mr. Lunsford is the Chairman of XodiAx and owns an equity interest in XodiAx of approximately 13.5%.

Cafaro Loans

Under the terms of the Cafaro Employment Agreement, the Company made loans in the aggregate principal amount of \$67,250 to Ms. Cafaro in 1999, and \$184,551 to Ms. Cafaro in 2000 and \$593,893 to Ms. Cafaro in 2001 to pay all federal, state, local and other taxes payable upon the vesting of restricted stock awards previously granted to her (the "Cafaro Tax Loans"). The principal amount of all of the Cafaro Tax Loans is payable on March 5, 2009. The Cafaro Tax Loans bear interest at the lowest applicable federal rate. Interest on the Cafaro Tax Loans is payable annually out of and only to the extent of dividends from the vested restricted stock. Ms. Cafaro has paid interest on such Cafaro Tax Loans through December 31, 2001. Each Cafaro Tax Loan is secured by a pledge of all of the restricted shares to which such Cafaro Tax Loan relates, and the Cafaro Tax Loans are otherwise nonrecourse to Ms. Cafaro. The Cafaro Tax Loans are to be forgiven if there is a change of control of the Company, Ms. Cafaro's employment with the Company is terminated by the Company for any reason other than "cause" or by Ms. Cafaro for "good reason" or due to the death or disability of Ms. Cafaro. In the event either a loan or its forgiveness results in taxable income to Ms. Cafaro, the Company is required to pay to Ms. Cafaro an amount sufficient for the payment of all taxes relative to the loan or its forgiveness.

AUDIT COMMITTEE REPORT TO STOCKHOLDERS

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Company's Annual Report to Stockholders for the year ended December 31, 2001 with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards, including SAS 61 (Statement of Auditing Standards, AU 380--Communication with Audit Committee). The Company's independent auditors also provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company including the matters in the written disclosures required by the Independence Standards Board. The Audit Committee has also considered the compatibility of non-audit services with the auditors' independence.

The Audit Committee discussed with the independent auditors the overall scope and plans for their audit. The Audit Committee meets with the independent

Edgar Filing: VENTAS INC - Form DEF 14A

auditors, with and without management present, to discuss the results of their examination, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

The directors who serve on the Audit Committee are all "independent" for purposes of the New York Stock Exchange listing standards. That is, the Board has determined that no member of the Audit Committee has a relationship to the Company that may interfere with such member's independence from the Company and its management. The Board has adopted a written charter setting out the audit related functions the Audit Committee is to perform.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board (and the Board has approved) that the audited financial statements be included in the Annual Report to the stockholders for the year ended December 31, 2001 for filing with the Commission. The Audit Committee and the Board have also recommended, subject to shareholder approval, the selection of the Company's independent auditors.

The foregoing report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, and shall not otherwise be deemed filed under such Acts except to the extent that the Company specifically incorporates this information by reference.

PERFORMANCE GRAPH

The following performance graph compares the cumulative total return (including dividends) to the holders of the Common Stock from May 1, 1998, the date on which the Company is deemed to have commenced operations, to December 31, 2001, with the cumulative total returns on the New York Stock Exchange Composite Index (the "NYSE Index"), the NAREIT All REIT Index (the "All REIT Index") and the Healthcare REIT Index. / (1) / The comparison assumes \$100 was invested on May 1, 1998 in the Company's Common Stock and in each of the foregoing indices and assumes reinvestment of dividends. The Company has included the NYSE Index in the performance graph because the Common Stock is listed on the New York Stock Exchange. The Company has included the other indices because it believes they are most representative of the industry in which the Company competes and are therefore particularly relevant to an assessment of the Company's performance. The figures in the table below are rounded to the nearest dollar.

	May 1, 1998	December 31, 1998	December 31, 1999	December 31, 2000	December 31, 2001

[LINE GRAPH COMPARING CUMULATIVE TOTAL RETURN
(INCLUDING DIVIDENDS) OF COMMON STOCK WITH THREE INDICES]

- (1) Last year the Company also compared its performance against the Long Term Care Index ("LTC Index") which was based on the total returns for investments (including dividends) in the common stock of the following companies: Beverly Enterprises, Inc., Genesis Health Ventures, Inc., Manor Care, Inc., Integrated Health Services, Inc., Mariner Post Acute Network, Inc., Sun Healthcare Group, and Vencor, Inc. (now Kindred Healthcare, Inc.). The Company has decided not to include the LTC Index this year because the Company believes that the LTC Index no longer provides an appropriate basis for comparison.
- (2) The Healthcare REIT Index is based on the total return for investments (including dividends) in the common stock of the following companies: ElderTrust, Health Care REIT, Inc., Health Care Property Investors, Inc., Healthcare Realty, LTC Properties, Inc., National Health Investors, Inc., Nationwide Health Properties, Inc., National Health Realty, Inc., Omega Healthcare Investors Inc., Senior Housing Properties Trust, and Universal Health Services, Inc. The index is developed by weighting the returns achieved by each company in the index in proportion to each company's share of the market value of the entire group's common equity capitalization.

PROPOSAL 2:

RATIFICATION OF INDEPENDENT ACCOUNTANTS

Ernst & Young LLP ("Ernst & Young") audited the Company's financial statements for the year ended December 31, 2001 and has been the Company's auditors since May 1998. Fees as charged by Ernst & Young for the year ended December 31, 2001 were as follows:

(i) Audit Fees. The aggregate fees billed for professional services rendered by Ernst & Young for the audit of the Company's annual financial statements for the year ended December 31, 2001 and the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q for such fiscal year were \$108,200.

(ii) Financial Information Systems Design and Implementation Fees. Ernst & Young did not render any professional services to the Company relating to (a) directly or indirectly operating, or supervising the operation of, the Company's information system or managing the Company's local area network and (b) designing and implementing hardware or software systems that aggregate data underlying the Company's financial statements or that generate information significant to the Company's financial statements as a whole.

(iii) All Other Fees. All other fees billed for professional services rendered by Ernst & Young for the year ended December 31, 2001 were as follows:

- Accounting Consultations. The aggregate fees billed for professional services rendered by Ernst & Young for the year ended December 31, 2001 for accounting consultations related to special issues and transactions were \$110,770.

Edgar Filing: VENTAS INC - Form DEF 14A

- Tax Consultations. The aggregate fees billed for professional services rendered by Ernst & Young for the year ended December 31, 2001 for tax consultations related to tax compliance matters and special issues and transactions were \$451,000.

The Audit Committee has determined that the provision of the services referenced in (ii) and (iii) above by Ernst & Young does not compromise Ernst & Young's independence and is consistent with its role as the Company's independent auditors.

The Board of Directors, upon recommendation of the Audit Committee, has appointed Ernst & Young as the independent accountants of the Company for fiscal year 2002. Ernst & Young will examine the financial statements of the Company for fiscal year 2002. If the stockholders do not ratify this appointment, the Board will consider other independent accountants. One or more members of Ernst & Young are expected to be present at the Annual Meeting, will have the opportunity to make a statement if they so desire and are expected to be available to respond to appropriate questions.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG AS INDEPENDENT ACCOUNTANTS. SHARES OF COMMON STOCK COVERED BY PROXIES EXECUTED AND RECEIVED IN THE ACCOMPANYING FORM WILL BE VOTED IN FAVOR OF RATIFICATION, UNLESS OTHERWISE SPECIFIED ON THE PROXY. Ratification of the appointment of Ernst & Young as independent accountants requires the affirmative vote of the holders of the majority of the shares represented at the Annual Meeting, in person or by proxy, and entitled to vote.
