This proxy statement provides you with detailed information about the proposals to be voted on at the meeting. PROXY STATEMENT

FOR

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD APRIL 30, 2003

INFORMATION ABOUT THE ANNUAL MEETING

Our annual meeting will be held at National Bank of Commerce of Birmingham (NBC), 1927 First Avenue North, Birmingham, Alabama on Wednesday, April 30, 2003 at 10:00 a.m. local time.

SOLICITATION OF PROXIES

Our Board of Directors has sent you this proxy statement to solicit your vote at the annual meeting (including any adjournment or postponement of the annual meeting). In this proxy statement we summarize information that we are required to provide you under the rules of the Securities and Exchange Commission. This proxy statement is designed to assist you in voting your shares. On or about March 27, 2003, we began mailing this proxy statement and the 2002 Annual Report to all stockholders of record at the close of business on March 7, 2003.

ANB will bear the cost of the solicitation of proxies. ANB will request brokers or nominees to forward this proxy statement to their customers and principals and will reimburse them for expenses so incurred. If deemed necessary, ANB may also use its officers and regular employees, without additional compensation, to solicit proxies personally or by telephone.

STOCKHOLDERS ENTITLED TO VOTE

The Board of Directors has set March 7, 2003 as the record date for the annual meeting. Only stockholders of record at the close of business on the record date will be entitled to notice of and to vote at the annual meeting. At the close of business on March 12, 2003, there were 12,369,274 shares of the common stock of ANB, par value \$1.00 per share, outstanding. Each stockholder is entitled to one vote in person or by proxy for each share of common stock held on all matters properly to come before the annual meeting.

PROPOSALS TO BE CONSIDERED BY YOU AT THE ANNUAL MEETING

At the annual meeting, we will ask you to:

- Proposal 1: Elect 14 directors to serve on the Board of Directors of the Company for a one-year term expiring at the 2004 Annual Meeting; and
- Proposal 2: Ratify the appointment of PricewaterhouseCoopers LLP as independent auditors for 2003.

INFORMATION ABOUT A QUORUM

At the annual meeting, the presence of a majority of the shares of common stock entitled to vote, represented in person or by proxy, shall constitute a quorum for the transaction of business. If a quorum is not present or if we decide that more time is necessary for the solicitation of proxies, we may adjourn the annual meeting. We may do this with or without a stockholder vote. If there is a stockholder vote to adjourn, the named proxies will vote all shares of common stock for which they have voting authority in favor of adjournment.

VOTES NECESSARY FOR EACH PROPOSAL TO BE APPROVED

Assuming the presence of a quorum, directors of the Company shall be elected at the annual meeting (Proposal 1) by a plurality of the votes cast, whether in person or by proxy. Proposal 2, ratification of auditors, requires for adoption the affirmative vote of the holders of a majority of shares of common stock present in person or represented by proxy and entitled to vote at the annual meeting.

A stockholder may abstain or withhold his or her vote (collectively, abstentions) with respect to each item submitted for stockholder approval. Abstentions will be counted as present for purposes of determining the existence of a quorum but will be counted as not voting on any proposal brought before the Annual Meeting. Since the election of directors (Proposal 1) is determined by the votes cast at the annual meeting, abstentions will not affect the outcome of this matter. An abstention as to the ratification of auditors (Proposal 2) will have the same effect as voting against the proposal.

Generally, a broker is entitled to vote shares held in street name on routine matters without instructions from the beneficial owner of such shares. On the other hand, a broker may not be entitled to vote shares held in street name on certain non-routine items absent instructions from the beneficial owner of such shares (a broker non-vote). Broker non-votes, if any, while counted for general quorum purposes, are not deemed to be present with respect to any matter for which a broker does not have authority to vote.

SUBMISSION OF PROXIES

Please complete, sign, date and return the proxy card in the enclosed envelope so the common stock you own will be voted in accordance with your wishes. If you desire to revoke your proxy, you may do so either by attending the annual meeting in person or by delivering written notice of revocation so that it is received by ANB or its transfer agent, SunTrust Bank, on or before April 29, 2003. The address for SunTrust Bank is Stock Transfer Department, P.O. Box 4625, Atlanta, Georgia 30302, Attention: Sue Hampton.

PROPOSAL ONE:

ELECTION OF DIRECTORS

General

Based on the nomination by the Nominating Committee, the Board of Directors recommends the 14 persons described below for election as directors to serve until the next annual meeting of stockholders or until their successors are elected and qualified.

The persons named in the enclosed proxy card, unless a contrary direction is indicated on the enclosed proxy card, intend to vote the shares appointing them as proxies in favor of the nominees named herein. If any of the nominees should be unable to serve, which the Board of Directors does not anticipate will occur, the proxies will be voted for a substitute selected by the Board of Directors, or the Board of Directors may decide not to elect an additional person as a director.

Although the Company's Restated Certificate of Incorporation provides for a maximum of 20 directors, only 14 persons have been nominated to serve on the Board of Directors. The Nominating Committee and the current Board of Directors believes that a Board of Directors of 14 persons is practical and efficient at this point in time. The Board of Directors has no current intention to fill the vacancies on the Board of Directors prior to the next annual meeting, although circumstances could necessitate the appointment of additional directors in the future. Unless otherwise specified in the enclosed proxy card, it is intended that votes will be cast for the election of all of the nominees as directors. Proxies cannot be voted for a greater number of persons than the number of actual nominees so named. Vacancies that occur on the Board of Directors may be filled by remaining directors until the next annual meeting of stockholders.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Directors and executive officers of ANB, and persons who beneficially own more than ten percent of ANB's common stock, to file reports of ownership and changes in ownership of ANB common stock held by them with the Securities and Exchange Commission. Copies of these reports must also be provided to the Company. Based solely on its review of these reports, the Company believes that, during the year ended December 31, 2002, all reports were filed on a timely basis by reporting persons, except for Mr. Sexton, who filed one Form 4 late.

Defined Benefit Plan

As a result of the merger of National Commerce Corporation, the former parent of NBC, and Commerce Bankshares, Inc. with and into ANB (the NBC Merger), NBC became a wholly-owned subsidiary of ANB. NBC has maintained the NBC Pension Plan for the benefit of its employees since January 1, 1982. The NBC Pension Plan pays its participants a monthly retirement income equal to 1.3% of each participant's Average Monthly Earnings multiplied by the number of years of continuous service to NBC through December 31, 1999 of such participant. Average Monthly Earnings equals the participant's annual compensation converted to a monthly amount and then averaged over the sixty (60) months immediately preceding the participant's Normal Retirement Date which, if such participant was employed before January 1, 1989, is the first day of the month coinciding with or immediately preceding a participant's sixty-fifth (65) birthday or, if such participant was first employed after January 1, 1989, is the later of the participant's sixty-fifth (65) birthday or the first day of the month either on or next following the completion of five years of continuous service or, if earlier, five service years. Annual compensation means the participant's total compensation during a plan year, as reflected on such participant's W-2 Form, excluding (even if includable in gross income) reimbursements or other expense allowances, fringe benefits (cash or non-cash), moving expenses, deferred compensation, and welfare benefits, but including salary reduction contributions (not includable in gross income) to certain plans or arrangements that may be maintained by NBC. However, regardless of a participant's actual annual compensation, each participant's annual compensation for purposes of such plan is capped at \$160,000, as required by law. Pension plan benefits are not subject to deduction for Social Security and other offset amounts.

The following table reflects estimated annual benefits payable upon retirement under the NBC Pension Plan based upon the participant's years of service and compensation level.

Pension Plan Table⁽¹⁾

(1) Annual compensation for purposes of the NBC Pension Plan is capped at \$160,000.

Effective December 31, 1999, the NBC Pension Plan was amended and restated. Pursuant to this restatement, the pension plan was frozen such that there will be no accrual of future benefits after December 31, 1999. The annual compensation and credited years of service attributable to each of Messrs. Holcomb, Nichol, Murray and Matthews as of December 31, 1999 are as follows:

	Annual Compensation	Credited Years of Service
John H. Holcomb, III	\$160,000(1)	19
Victor E. Nichol, Jr.	\$160,000(1)	6
Richard Murray, IV	\$160,000(1)	9
William E. Matthews, V	\$140,799	8

EMPLOYMENT CONTINUATION AGREEMENTS

ANB has entered into employment continuation agreements with each of the Named Executive Officers which provide for certain benefits in the event of a change in control of ANB. Upon a change of control, all stock options of each Named Executive Officer become immediately vested and exercisable in full, and all outstanding performance shares are paid in cash as if the applicable target performance level(s) had been met (or, in some cases, exceeded). Each agreement provides for a two-year employment period, during which time each Named Executive Officer would be entitled to maintain his pre-change of control position with ANB at the same base salary, bonus/incentive compensation and benefits. If during this time, the Named Executive Officer terminates his employment for good reason or if ANB terminates the Named Executive Officer's employment other than for cause, the Named Executive Officer would receive certain benefits. Such benefits include (i) a payment equal to three times the sum of (a) the annual base salary in effect at the time of the change in control, (b) the average annual incentive plan bonus for the three years preceding the change in control or the date of termination (whichever is greater) and (c) the cash value of any performance shares awarded in the year in which the change of control occurs; (ii) continuation for up to twenty-four months in the Company's hospital, medical, accident, disability, and life insurance plans as provided to the executive immediately prior to the date of his termination of employment; (iii) supplemental retirement benefits in the form of a deferred annuity contract payable upon the Named Executive Officer's 65th birthday; and (iv) an additional payment, if necessary, to reimburse the executive for any additional tax (other than normal, Federal, state and local income taxes) incurred as a result of any benefits received in connection with the change in control.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee, which establishes the compensation of the executive officers of ANB, is comprised of Messrs. Johns, McMahon, Page and Starnes. No current member of the Committee is, or was during 2002, an executive officer of another company whose board of directors has a comparable committee on which one of our executive officers serves.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

To Our Stockholders

The Compensation Committee of the Board of Directors oversees and administers the executive compensation program on behalf of the Board of Directors. This report provides details and background information regarding our executive compensation program.

The Committee

The Compensation Committee is composed of four members of the Board of Directors. It has oversight of and approves the compensation paid to the Chief Executive Officer and certain other senior officers of ANB and its subsidiaries, including the Named Executive Officers.

Compensation of the CEO and Other Executive Officers

Total compensation for the executive officers is reviewed and set annually and includes three primary types of compensation:

Base salary;

Bonuses paid under the ANB Annual Incentive Plan; and

Long-term incentive compensation under the Performance Share Plan and other long-term plans.

The following discussion is applicable to executive officers of ANB, including the Chief Executive Officer and the Named Executive Officers.

Base Salary. Executive officers' base salaries are determined by several factors, but principally by the level of responsibilities required by the position. In establishing base salaries, the Compensation Committee reviews recommendations by the Chief Executive Officer and considers information provided by an outside compensation consultant relating to compensation paid by other local banking companies and bank holding companies of comparable size. Individual competence, length of service in a position, and comparisons to salaries for similar positions in other comparable companies guide the determination of the appropriate level of an executive officer's salary. Company performance may also be a factor in determining the amount of any base salary increase. The Committee's compensation strategy for executive officers is to pay salaries at or near the median. Performance-based cash bonus and performance share awards, when totaled, are used to provide significant performance-based compensation. Based on these factors, Mr. Holcomb's base salary for calendar year 2002 was set at \$360,000. The base salaries and incentive bonuses for Messrs. Holcomb, Nichol, Murray and Matthews, each of whom is also an officer of NBC, are paid by NBC. The base salary and incentive bonus for Mr. David are paid by First American Bank. ANB reimburses NBC and First American Bank, as applicable, for a portion of the base salary and bonus of these individuals based on an allocation of time that such executives spent on ANB holding company matters.

Annual Incentive Plan Bonus. The Annual Incentive Plan was established for the purpose of rewarding, retaining, and providing incentives for performance through annual bonuses for those employees who contribute most to the operating progress of ANB. The Compensation Committee sets the total target amount of bonuses for each year and reviews the methodology used to determine individual bonuses. Individual bonuses of employees participating in the Annual Incentive Plan are determined by ANB's executive officers with the approval of the Chief Executive Officer. The Compensation Committee specifically reviews and approves each annual bonus paid to the executive officers participating in the Annual Incentive Plan, including the Chief Executive Officer.

Each of the executive participants is assigned a target bonus percentage expressed as a percentage of each participant's salary. The target bonus percentages were set at amounts ranging from 27.5% to 50% for 2002 by the Compensation Committee. The target bonus percentage is established by determining the desired total incentive compensation component for the particular employee and by reviewing the practices of certain peer banks as reflected in available surveys. Bonus payments under the AIP, when made, may range from 33% to 200% of the target amount. Other than the Chief Executive Officer, an individual's Annual Incentive Plan bonus is based upon a combination of ANB's performance, departmental performance and the individual's performance. The Annual Incentive Plan bonus of the Chief Executive Officer is based on ANB's performance according to a range fixed for the year by the Compensation Committee relating to certain operating earnings per share goals. The Annual Incentive Plan bonus relating to 2002 for Mr. Holcomb was determined based on ANB earnings per share during 2002. Under the terms set by the Compensation Committee, Mr. Holcomb would earn a target AIP bonus award of 50% of salary if the Company's 2002 operating earnings per share (diluted) were \$2.64. A maximum bonus, 200% of target or 100% of 2002 base salary, would be paid if the Company's operating earnings per share were \$2.75 or higher. A threshold bonus, 33% of target or 16.7% of Mr. Holcomb's base salary, would be paid if the Company's operating earnings per share were \$2.51, and no bonus would be paid if the Company's operating earnings per share were below \$2.51. The Company's 2002 earnings per share of \$2.81 exceeded the maximum target, resulting in Mr. Holcomb earning the maximum AIP bonus of 200% of target or 100% of 2002 base salary (\$360,000).

Performance Share Plan. The Performance Share Plan is administered by the Compensation Committee and was established to promote the long-term success of ANB and its subsidiaries. The Performance Share Plan is a key component of executive compensation, and is designed to attract individuals of outstanding ability and to encourage key employees to acquire a proprietary interest in ANB, to continue employment with ANB and to render superior performance during such employment. ANB develops its performance share award amounts

under the Performance Share Plan by reviewing the long-term incentive opportunities provided to executives in similar positions at peer banks and determining the desired total long-term compensation component of the particular employee's compensation package.

The Performance Share Plan enables the Compensation Committee to select, at its discretion, executive officers to receive incentive compensation awards under the plan. Each award granted generally represents one share of ANB common stock. Furthermore, each award under the plan is deemed to be made as of January 1 of the year of the award (Date of Grant), regardless of the actual date of grant.

At the time the Compensation Committee grants incentive compensation awards (also referred to as performance share awards) under the Performance Share Plan, the Compensation Committee is required to fix an award period not to exceed five calendar years. In its discretion, the Compensation Committee may subdivide the award period into one interim period, which is a period of calendar years chosen by the Compensation Committee and which commences upon any Date of Grant but which is less than the award period.

No award made under the Performance Share Plan will be paid unless the participant meets the conditions established by the Compensation Committee for the award period or the interim period. If, at the close of any award period or interim period applicable to a performance share award, the Compensation Committee determines that the participant has met the conditions for payment of the award, then, unless otherwise directed by the Compensation Committee, the award will be paid to the participant as promptly as possible.

The performance share awards made under Performance Share Plan relating to 2002 were determined by calculating the desired total long-term compensation component of the particular employee's compensation package and by comparison of this long-term component to long-term awards made at a peer group of comparable banks and bank holding companies. Award payments can range from zero to 200% of a grant. For example, if ANB ranks in the top 25% of the peer group in terms of return on average equity, then 125% of the award is earned. If ANB ranks in the top 10%, 170% of the award is earned. If ANB's performance is at the median or threshold, 50% of the award is earned. If ANB's results are below the median, no portion of the award is earned. In December 2001, the Compensation Committee established performance share awards relating to 2002 that will be paid after four years and will include results for fiscal years 2002, 2003, 2004 and 2005. Mr. Holcomb was granted a performance share award in 2002 at a target of 4,000 shares based on target long-term compensation for Mr. Holcomb set by the Compensation Committee in conformance with overall compensation criteria for Mr. Holcomb.

Special Bonuses Relating to AMT Loans. In December 2002, ANB awarded special one-time bonuses to four of the Named Executive Officers. See Note 2 to the Summary Compensation Table (the AMT Loan Bonuses). The AMT Loan Bonuses were awarded to these executives in order that the executives could repay the loans made to them to finance Alternative Minimum Taxes resulting from the exercise of certain ANB stock options. The original purpose of each of such loans was to finance the payment of certain federal income taxes resulting from the application of the Alternative Minimum Tax for these executive officers related to the exercise of incentive stock options to acquire shares of ANB common stock. The executives were subject to such tax, even though none of the underlying shares acquired were sold. See CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS *Loans to Executive Officers and Directors* below. The AMT Loan Bonuses were awarded based on several factors including the positive operating results of ANB in recent years, the current negative market perception of company loans to executives and certain other factors.

Limits to Tax Deductibility of Executive Compensation.

Under Section 162(m) of the Internal Revenue Code, the Company may not take tax deductions for amounts greater than \$1 million that are paid annually to executives whose pay must be disclosed separately in the Company's proxy statement, unless the payments are made under qualifying performance-based compensation

plans which meet certain specific requirements. The Company's executive compensation plans have been designed to comply with these specific requirements. The Company's Performance Share Plan and Annual Incentive Plan were approved by ANB's stockholders at our 2002 annual meeting.

Summary

The Committee believes that the caliber and motivation of our employees, and their leadership, are critical to our success in a competitive marketplace. Effective and motivational compensation programs are essential ingredients to success. The Committee believes that our compensation programs are effective in serving us and our shareholders in the short and long term.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Relationship between NBC and Woodward Properties

NBC's main office is occupied under a lease with an affiliated party, Woodward Properties, of which (i) Mr. Ruffner Page, as Custodian of the three minor children of Mr. Phillip McWane, (ii) Mr. Phillip McWane, (iii) Mr. John McMahon and (iv) a family partnership, of which Mr. McMahon has beneficial ownership, are partners. NBC has leased 84,617 square feet at an annual rental rate of \$15.60 per square foot through the year 2020, subject to adjustment based on the Consumer Price Index. ANB believes this lease represents an arms-length rate and terms for comparable space in the Birmingham market.

Relationships between ANB and its Directors and Executive Officers

ANB and its subsidiary banks (the Banks) have and expect to continue to have banking and other transactions in the ordinary course of business with directors and executive officers of ANB and their affiliates, including members of their families or corporations, partnerships or other organizations in which such directors or executive officers have a controlling interest, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with unrelated parties. Such transactions are not expected to involve more than the normal risk of collectibility nor present other unfavorable features to ANB and the Banks. Each of the Banks is subject to limits on the aggregate amount it can lend to the Banks and ANB's directors and officers as a group. This limit is currently equal to two times the applicable entity's unimpaired capital and surplus. Loans to individual directors and officers must also comply with the Bank's lending policies and statutory lending limits, and directors with a personal interest in any loan application are excluded from the consideration of such loan application.

During 2002, the law firm of Starnes & Atchison LLP, of which W. Stancil Starnes is a partner, rendered various legal services to ANB and its subsidiaries, and such firm was paid fees of \$202,026⁽¹⁾ for such legal services. During 2002, the law firm of Samford, Denson, Horsley, Pettey & Bridges, of which John V. Denson is a partner, rendered various legal services to a subsidiary of ANB, and such firm was paid fees of \$113,127 for such legal services. During 2002, the law firm of Alexander, Corder, Plunk & Shelly, P.C., of which John Plunk is a partner, rendered various legal services to a subsidiary of ANB, and such firm was paid \$1,350⁽¹⁾ for such services.

Loans to Executive Officers and Directors

During each of 1999 and 2000, each of Messrs. Holcomb, Nichol, Murray, Matthews and John R. Bragg, Executive Vice President, became indebted to ANB in connection with individual loans in favor of ANB. The purpose of each of such loans was to finance the payment of certain federal income taxes resulting from the application of the Alternative Minimum Tax for these executive officers related to the exercise of incentive stock options to acquire shares of ANB common stock. The executives were subject to such tax, even though none of the underlying shares acquired were sold. Pursuant to separate promissory notes and pledge agreements between each of these executive officers and ANB, such executive officers pledged shares of common stock as collateral for two separate promissory notes in the original aggregate principal amounts described below. During 2002, ANB awarded special one-time bonuses to these executives for the purpose of re-paying the remaining balance of the loans. *See* REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION *Special Bonuses Relating to AMT Loans*. Prior to repayment, all unpaid or unforgiven amounts on these notes were due on the earlier of the tenth anniversary of each note or upon an event of default as described in the individual notes. Prior to repayment, each such note bore interest at an annual rate equal to the London Interbank Offered Rate (LIBOR) plus 1%. Pursuant to the terms of the above-referenced notes, so long as such executive officer remained employed by ANB, 10% of the principal amount of the applicable note was forgiven by ANB on each of the first ten anniversaries of such note.

⁽¹⁾ Represents less than 5% of such firm's gross revenues in 2002.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors is composed of six directors who are independent directors as defined under the rules of The Nasdaq Stock Market, Inc. currently in effect. The Audit Committee operates under a written charter adopted by the Board of Directors on April 20, 2000. The Audit Committee hereby submits the following report:

We have reviewed and discussed with management ANB's audited financial statements as of, and for, the year ended December 31, 2002.

We have discussed with the independent auditors, PricewaterhouseCoopers LLP, the matters required to be discussed by Statement on Auditing Standard No. 61, *Communication with Audit Committees*, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

We have received and reviewed the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, as amended by the Independence Standards Board, and have discussed with the auditors the auditors' independence. We considered whether the provision of non-financial audit services was compatible with PricewaterhouseCoopers LLP's independence in performing financial audit services.

Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the financial statements referred to above be included in ANB's Annual Report on Form 10-K for the year ended December 31, 2002. It should be noted that management is responsible for the Company's financial reporting process including its system of internal control, and of the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent auditors are responsible for auditing those financial statements. Our responsibility is to monitor and review these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures.

PROPOSAL 2

APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

At the direction of the Audit Committee, the ratification of the appointment of PricewaterhouseCoopers LLP for the year ending December 31, 2003 is being presented to the stockholders for approval at the annual meeting. If the appointment of accountants is not ratified, the Audit Committee will reconsider its appointment of independent accountants.

General

The independent public accounting firm of PricewaterhouseCoopers LLP (and its predecessor, Coopers & Lybrand, LLP) has been engaged by the Company since 1996, and has audited the financial statements of the Company for the year ended December 31, 2002.
