ITEM 3.03 MATERIAL MODIFICATION TO RIGHTS OF SECURITY HOLDERS

On November 22, 2004, Streicher Mobile Fueling, Inc. (the "Company") agreed to extend the Warrant exercise period for its Redeemable Common Share

Edgar Filing: STREICHER MOBILE FUELING INC - Form 8-K

Purchase Warrants from December 11, 2004 to December 11, 2005. The 1,150,000 Shareholder Warrants were issued in the Company's initial public offering in December 1996. Also in connection with the offering, the Company granted to the underwriter for the offering an option to purchase 100,000 shares of common stock and 100,000 underwriter's warrants (the "Underwriter's Option"). The extension of the exercise period for the Shareholder Warrants also extends the exercise period for the Underwriter's Option.

Each Shareholder Warrant entitles the holder to purchase one share of Streicher common stock at an exercise price of \$6.90. Pursuant to the Underwriter's Option, the underwriter may purchase the shares of common stock at \$9.30 per share and purchase the warrants at \$0.19375 per warrant. The underwriter's warrants are exercisable to purchase shares of common stock at \$9.30 per share. The Company previously filed a registration statement on Form S-3 that was declared effective by the Securities and Exchange Commission on August 20, 1999. The Form S-3 registered the subsequent resale of the shares of common stock underlying the Shareholder Warrants and the Underwriter's Option.

Under certain circumstances, the Company may redeem the Shareholder Warrants for \$0.01 per Warrant at any time prior to the expiration date if the average closing bid price of the Company's common stock equals or exceeds \$10.50 per share for twenty consecutive trading days.
