ITEM 4. SUMMARY OF MATERIAL CHANGE

The Company announced that it entered into a bought deal agreement to issue US\$75 million aggregate principal amount of 5.25% convertible unsecured senior subordinated debentures due July 31, 2009 (the "DEBENTURES") to a syndicate led by BMO Nesbitt Burns Inc., and including CIBC World Markets Inc. and Canaccord Capital Corporation (the "UNDERWRITERS"). In addition, the Company granted the Underwriters an option exercisable for up to 30 days after closing to purchase up to an additional US\$11.25 million principal amount of the Debentures on the same terms and conditions. The Company is offering the Debentures under its shelf prospectus in Canada and its registration statement in the United States.

ITEM 5. FULL DESCRIPTION OF MATERIAL CHANGE

On July 21, 2003, the Company announced that it entered into a bought deal agreement to issue US\$75 million aggregate principal amount of 5.25% convertible unsecured senior subordinated debentures due July 31, 2009 to a syndicate led by BMO Nesbitt Burns Inc., and including CIBC World Markets Inc. and Canaccord Capital Corporation. In addition, the Company granted the Underwriters an option exercisable for up to 30 days after closing to purchase up to an additional US\$11.25 million principal amount of the Debentures on the same terms and conditions. The Company is offering the Debentures under its shelf prospectus in Canada and its registration statement in the United States.

The Debentures will bear interest at a rate of 5.25% per annum, payable in cash or common shares and will be convertible, at the option of the holder, at any time prior to maturity or redemption into common shares of the Company at a conversion price of US\$9.57 per common share, which is equal to a conversion rate of approximately 104.4932 common shares per US\$1,000 principal amount of Debentures. The Company may not redeem the Debentures prior to July 31, 2006. Subsequent to July 31, 2006 and prior to July 31, 2009, the Debentures will be redeemable provided that the Company's common shares are trading at not less than 125% of the conversion price. The Company has applied to have the Debentures listed for trading on the Toronto Stock Exchange. The transaction is expected to close on or about July 30, 2003.

The Company intends to use the proceeds to fund development of the Alamo Dorado project, future capital, development and exploration programs, working capital requirements and for other general corporate purposes.
