3. News Release

Intrawest Corporation (**Intrawest** or the **Company**) issued a news release through Canada NewsWire Ltd. with respect to a material change on August 11, 2006. A copy of such news release is attached hereto as Schedule A and forms a part hereof.

4. Summary of Material Change

On August 10, 2006, Intrawest entered into a definitive agreement with 3167113 Nova Scotia Company (the **Purchaser**) and Wintergames Acquisition LLC (**Parent**), corporations which are owned by 18 private equity funds managed by Fortress Investment Group LLC or managed by an affiliate of Fortress Investment Group LLC, under which all of the outstanding common shares of Intrawest will be acquired by the Purchaser for US\$35.00 per share payable in cash.

5. Full Description of Material Change

On August 10, 2006, Intrawest entered into a definitive agreement (the **Arrangement Agreement**) with the Purchaser and Parent pursuant to which all of the outstanding common shares of Intrawest will be acquired by the Purchaser for US\$35.00 per share in cash. Parent is owned by 18 private equity funds which are managed by Fortress Investment Group LLC or managed by an affiliate of Fortress Investment Group LLC and the Purchaser is a subsidiary of Parent.

Intrawest previously announced, on February 28, 2006, that it had initiated a review of strategic options available to the Company for enhancing shareholder value. Following a thorough review of all strategic options to maximize value for Intrawest's shareholders, which included the appointment of a Special Committee of directors to oversee the process, the Intrawest Board of Directors determined that the proposed transaction is in the best interests of the Company and unanimously resolved to recommend that shareholders of Intrawest approve the proposed transaction. In deciding to recommend the transaction to the Intrawest shareholders, Intrawest's Board of Directors considered a number of factors and

received an opinion from the Company's financial advisors, Goldman, Sachs & Co., to the effect, and subject to the assumptions and conditions set forth in such opinion, that the consideration to be received for the common shares of the Company is fair, from a financial point of view, to the Intrawest shareholders. Capital West Partners provided additional advice to the Company, its Board of Directors and the Special Committee.

The transaction is to be carried out by way of statutory plan of arrangement and will be subject to the approval of 66 2/3 per cent of the votes cast by holders of Intrawest common shares and options to acquire Intrawest common shares at a meeting of shareholders and optionholders currently anticipated to take place in October 2006. Closing is subject to certain other conditions, including court and regulatory approvals. The Arrangement Agreement is not subject to any financing condition. The proposed transaction is expected to close in October 2006.

The Arrangement Agreement contains terms and conditions typical for transactions of this nature and prohibits Intrawest from soliciting any competing offers. In certain circumstances, Intrawest may terminate the Arrangement Agreement and withdraw its recommendation to shareholders to vote in favour of the plan of arrangement. In such an event and in certain other circumstances, Intrawest would be required to pay a termination fee to Parent of US\$60 million. The Arrangement Agreement further provides that if it is terminated under certain circumstances, the Purchaser and Parent must pay Intrawest a termination fee of US\$60 million.

The Arrangement Agreement also contemplates that the Purchaser will make an offer to purchase and consent solicitation with respect to Intrawest's outstanding 6.875% Senior Notes due October 15, 2009 and 7.50% Senior Notes due October 15, 2013 to purchase such Notes and adopt a supplemental indenture that has the effect of eliminating covenants and other provisions in the applicable Indentures governing the Notes. The Purchaser may, at its option, require Intrawest to make such offer and consent solicitation, conditional upon the plan of arrangement becoming effective, in which case payment would be made by the Purchaser, on behalf of Intrawest. It is anticipated that such offer and solicitation will be made in September 2006.

A copy of the Arrangement Agreement is attached hereto as Schedule B and forms a part hereof.

FOR IMMEDIATE RELEASE**

**INTRAWEST CORPORATION ANNOUNCES AGREEMENT TO BE ACQUIRED BY
FORTRESS INVESTMENT GROUP LLC FOR US\$35.00 PER SHARE OR
US\$2.8 BILLION IN TOTAL TRANSACTION VALUE**

ALL DOLLAR AMOUNTS ARE IN U.S. CURRENCY

Vancouver, BC and New York, NY, August 11, 2006 Intrawest Corporation (Intrawest or the company) (IDR:NYSE; ITW:TSX) and Fortress Investment Group LLC (Fortress) announced today that they have entered into a definitive agreement under which funds managed by affiliates of Fortress will acquire all of Intrawest 's outstanding common shares at a price of \$35.00 per share payable in cash. The total value of the transaction, including the existing debt of Intrawest, is approximately \$2.8 billion.

Fortress is a global investment and asset management firm with approximately \$23 billion in equity capital under management.

This all-cash transaction for 100 per cent of the company 's shares represents a 20 per cent premium over Intrawest 's closing price on February 27, 2006, the last trading day before the company announced its intention to review its strategic options, and a 32 per cent premium over the closing price prior to the announcement of the offer.

Following a thorough review of all strategic options to maximize value for Intrawest 's shareholders, which included the appointment of a Special Committee of Directors to oversee the process, the Board of Directors of Intrawest has determined that the transaction with Fortress is the best alternative for the shareholders and is in the best interests of the company, said Gordon MacDougall, lead director of Intrawest Corporation. The Intrawest Board has unanimously recommended that the shareholders of Intrawest approve the transaction.

In deciding to recommend the transaction to the Intrawest shareholders, the Board of Directors considered a number of factors and received an opinion from the company 's financial advisors, Goldman, Sachs & Co. to the effect, and subject to the assumptions and conditions set forth in such opinion, that the consideration to be received for the common shares of the company is fair, from a financial point of view, to the Intrawest shareholders. Capital West Partners provided additional advice to the company, the Board of Directors and the Special Committee.

I am pleased with the result of our review of strategic alternatives that was announced on February 28, 2006, said Joe Houssian, chairman and chief executive officer of Intrawest Corporation. Over the past five months, we have thoroughly analyzed the financial and strategic options for the company and believe that the value inherent in this transaction is in the best interests of all of our shareholders. Fortress was attracted by our assets, people, business strategies and loyal customer base and is able to support Intrawest becoming a global leader across all of our businesses.

Fortress has a disciplined strategy of acquiring asset-based businesses with high quality platforms and Intrawest is truly unique in this regard, said Wesley R. Edens, principal and chairman of the management committee of Fortress Investment Group LLC. We have a great opportunity to continue Intrawest's evolution into a leading global leisure player and look forward to working with its management team, employees and partners.

The transaction will be carried out by way of a statutory plan of arrangement and must be approved by the applicable court and by 66 2/3 per cent of the votes cast by holders of Intrawest shares. Closing is also subject to customary conditions of closing, including regulatory approvals. The closing of the transaction is not subject to any financing condition. The proposed transaction is expected to close in October 2006, shortly after receipt of shareholder and court approvals.

Further information regarding the proposed transaction will be contained in an information circular which Intrawest will mail to the holders of common shares in connection with the special meeting of shareholders to be held to approve the transaction. It is expected that the materials will be mailed in September 2006 for a meeting anticipated to be held in October 2006.

This Agreement has been duly executed and delivered by each of Parent and Acquisitionco and constitutes a legal, valid and binding obligation of each of Parent and Acquisitionco enforceable against each of Parent and Acquisitionco in accordance with its terms. The consummation by Luxco of the transactions contemplated by this Agreement will, at the Effective Time, have been duly authorized by the directors of Luxco and no other corporate proceedings on the part of Luxco will, at the Effective Time, be necessary to authorize the execution and delivery by it of the assignment of this Agreement or the Arrangement or the consummation by it of the transactions contemplated hereby. The assignment contemplated in section 8.3 will, prior to such assignment being effected, have been duly authorized by all necessary corporate proceedings on the part of Parent and Luxco and, following such assignment, this Agreement will constitute a legal, valid and binding obligation of Luxco enforceable against Luxco in accordance with its terms.
- (d) No Violation. Subject to obtaining the Appropriate Regulatory Approvals the execution and delivery by each of Parent and Acquisitionco of this Agreement and the performance by each of Parent and Acquisitionco of its obligations hereunder, including, in the case of Parent, the assignment contemplated in section 8.3, and the completion of the transactions contemplated herein do not and will not (nor will they with the giving of notice or the lapse of time or both) (i) result in a material contravention, breach, violation or default under any Law applicable to it or any of its properties or assets, (ii) result in a material contravention, breach, violation or default under its constating documents or (iii) result in a material breach or default under, or give to any person any right of purchase or sale, termination, cancellation or acceleration under, or to require any payment from, or reduce any payment to, it under any material contract or other material instrument or obligation to which it is bound or to which any of its properties or assets are subject; except, in each case, where such contravention, breach, violation, right or requirement would not impair the ability of Parent or Acquisitionco to perform its obligations hereunder or effect the Arrangement. Subject to obtaining the Appropriate Regulatory Approvals the

acquisition by Luxco of rights under this Agreement pursuant to the assignment contemplated in section 8.3 and the performance by Luxco of its obligations hereunder and the completion of the transactions contemplated herein do not and will not (nor will they with the giving of notice or the lapse of time or both) (i) result in a material contravention, breach, violation or default under any Law applicable to it or any of its properties or assets, (ii) result in a material contravention, breach, violation or default under its constating documents or (iii) result in a material breach or default under, or give to any person any right of purchase or sale, termination, cancellation or acceleration under, or to require any payment from, or reduce any payment to, it under any material contract or other material instrument or obligation to which it is bound or to which any of its properties or assets are subject; except, in each case, where such contravention, breach, violation, right or requirement would not impair the ability of Luxco to perform its obligations hereunder or effect the Arrangement.

- (e) Availability of Debt and Equity Financing. Parent and Acquisitionco have made adequate arrangements to ensure that required funds are and will be available to provide to Acquisitionco the amount required for Acquisitionco and Parent (and, following the assignment contemplated in section 8.3, Luxco) to carry out their obligations under this Agreement and for Acquisitionco to carry out the terms of the Plan of Arrangement applicable to it and to pay all related fees and expenses. Prior to the execution and delivery of this Agreement, Parent has provided to Intrawest evidence of (i) the availability of committed credit facilities pursuant to an executed commitment letter (the **Commitment Letter**) dated August 10, 2006 made by Lehman Brothers Inc., Lehman Commercial Paper Inc., Deutsche Bank Securities Inc., Deutsche Bank AG, Cayman Islands Branch, Bear Stearns & Co. Inc. and Bear Stearns Corporate Lending Inc. (collectively the **Lenders**) in favour of Fortress and (ii) equity commitments pursuant to an executed equity commitment letter (the **Equity Commitment Letter**) dated August 10, 2006 made by Fortress in favour of Acquisitionco, pursuant to which the Lenders, in the case of the Commitment Letter, and Fortress, in the case of the Equity Commitment Letter, have committed to provide Acquisitionco with debt and equity financing in the amounts of \$1,775,000,000 and \$1,250,000,000, respectively. The commitments described in the Commitment Letter and the Equity Commitment Letter are not subject to any condition precedent other than the conditions set forth therein. As of the date hereof each of the Commitment Letter and the Equity Commitment Letter is in full force and effect and is a legal, valid and binding obligation of Fortress and Acquisitionco, respectively, and, to the knowledge of the senior officers of Parent and Acquisitionco, after due enquiry, the other parties thereto, and no event has occurred which, with or without notice, lapse of time or both, would constitute a default or breach on the part of Fortress or Acquisitionco under the Commitment Letter or the Equity Commitment Letter, respectively. The senior officers of Parent and Acquisitionco, after due enquiry, have no reason to believe that Acquisitionco and Parent will be unable to satisfy on a timely basis any term or condition of closing of the financing to be satisfied by them contained in the Commitment Letter or the Equity Commitment Letter and are not aware of any fact, occurrence or condition that may cause either of such financing commitments to terminate or be ineffective or any of the terms or conditions of closing of such financings not to be met or of any

impediment to the funding of the cash payment obligations of Acquisitionco under the Arrangement. Acquisitionco will have at the Effective Time cash funds sufficient to consummate the Arrangement upon the terms contemplated by this Agreement and the Plan of Arrangement.

3.4 Disclaimer of Additional Representations and Warranties

Intrawest acknowledges and agrees that, except as set forth in this Agreement and in the Confidentiality Agreement, Parent and Acquisitionco make no representation or warranty, express or implied, at law or in equity, with respect to Parent, Acquisitionco or their respective subsidiaries, their respective businesses, their past, current or future financial condition, their properties, assets, liabilities or operations, their past, current or future profitability or performance, or any other matter, individually or in the aggregate, and any such other representations or warranties are hereby expressly disclaimed. Without limiting the generality of the foregoing, Parent and Acquisitionco expressly disclaim any representation or warranty that is not set forth in this Agreement or in the Confidentiality Agreement.

3.5 Survival of Representations and Warranties

No investigation by or on behalf of any party hereto prior to the execution of this Agreement will mitigate, diminish or affect the representations and warranties made by the other parties. The representations and warranties of the parties contained in this Agreement will not survive the completion of the Arrangement and will expire and be terminated on the earlier of the Effective Time and the date on which this Agreement is terminated in accordance with its terms. This section 3.5 will not limit any covenant or agreement of any of the parties which, by its terms, contemplates performance after the Effective Time or date on which this Agreement is terminated, as the case may be.

4.2 Pre-Acquisition Reorganization

Intrawest agrees that, upon request by Parent, Intrawest shall, and shall cause its subsidiaries to, in each case, at the expense of Parent, use its commercially reasonable efforts to:

- (a) effect such reorganizations of its business, operations and assets and the integration of other affiliated businesses of Intrawest or its subsidiaries as Parent may request, acting reasonably (each a **Pre-Acquisition Reorganization**); and
- (b) cooperate with Parent and its advisors to determine the nature of the Pre-Acquisition Reorganizations that might be undertaken and the manner in which they most effectively be undertaken. Parent and Acquisitionco acknowledge and agree that the Pre-Acquisition Reorganizations shall (i) not impede, delay or prevent consummation of the Arrangement (including by giving rise to litigation by third parties), (ii) be such that, in the opinion of Intrawest, acting reasonably, would not prejudice the Intrawest Securityholders, (iii) not require Intrawest to obtain the approval of the Common Shareholders, and (iv) not be considered in determining whether a representation, warranty or covenant of Intrawest hereunder has been breached, it being acknowledged by Parent that these actions could require the consent of third parties under applicable Contracts. Parent shall provide written notice to Intrawest of any proposed Pre-Acquisition Reorganization at least ten days prior to the Effective

Date. Upon receipt of such notice, Parent and Intrawest shall, at the expense of Parent, work cooperatively and use commercially reasonable efforts to prepare prior to the Effective Time all documentation necessary and do such other acts and things as are necessary to give effect to such Pre-Acquisition Reorganizations. The parties shall seek to have any such Pre-Acquisition Reorganization made effective as of the last moment of the day ending immediately prior to the Effective Date, or such other time as Parent reasonably requests (but after Parent shall have waived (subject to applicable Laws) or confirmed that all conditions referred to in sections 7.1, 7.2 and 7.3 have been satisfied) and provided that no such Pre-Acquisition Reorganization will be made effective unless (i) it is reasonably certain that the Arrangement will become effective; or (ii) such Pre-Acquisition Reorganization can be reversed or unwound without adversely affecting Intrawest and its subsidiaries in the event the Arrangement does not become effective and this Agreement is terminated or (iii) Intrawest otherwise agrees. If the Arrangement is not completed, Parent will forthwith reimburse Intrawest for all reasonable fees and expenses (including any professional fees and expenses) incurred by Intrawest and its subsidiaries in considering and effecting a Pre-Acquisition Reorganization and shall be responsible for any costs of Intrawest and its subsidiaries in reversing or unwinding any Pre-Acquisition Reorganization that was effected prior to termination of the Agreement at Parent's request. The obligation of Parent to reimburse Intrawest for fees and expenses and be responsible for costs as set out in this section will be in addition to any other payment Parent may be obligated to make hereunder and will survive termination of this Agreement.

4.3 Access to Information

- (a) Subject to compliance with applicable Laws (including pre-merger notification and other competition law requirements and other laws relating to the exchange of information) and the terms of any Contract existing as at the date of this Agreement (including any confidentiality obligation or undertaking binding on Intrawest), and except where disclosure would undermine or void any applicable legal privilege, Intrawest will, and will cause its subsidiaries to, afford to Parent and its officers, employees and other representatives reasonable access, during normal business hours, until the earlier of the Effective Time or the termination of this Agreement, to their respective businesses, properties, books and records, as well as to their respective management personnel, including in order to facilitate the ability to grant the collateral package required by the Lenders in connection with the financing contemplated by the Commitment Letter and the definitive agreements contemplated therein, subject, however, to such access not interfering with the ordinary conduct of the businesses of Intrawest and its subsidiaries. Parent will not contact employees of Intrawest or its subsidiaries except after prior consultation with the Chief Financial Officer, the General Counsel or the Corporate Secretary of Intrawest.
- (b) Notwithstanding the foregoing, except as expressly provided for herein, Intrawest will not be obligated to make available to Parent any materials relating to the Strategic Review or the assessment or evaluation of the transactions contemplated hereby or any alternative transaction considered in connection with the Strategic

Review nor any information supplied by any of its officers, directors, employees, financial advisors, legal advisors, auditors, representatives or agents or other advisors in connection therewith or any confidentiality agreement made between Intrawest and any other person in connection with the Strategic Review or any such alternative transaction.

- (c) Without limiting the generality of the provisions of the Confidentiality Agreement, Parent acknowledges that all information provided to it under section 4.3(a) of this Agreement or otherwise pursuant to this Agreement or in connection with the transactions contemplated hereby (including the Disclosed Personal Information referred to in section 4.5(a)) is subject to the Confidentiality Agreement, which will remain in full force and effect notwithstanding any other provision of this Agreement or any termination of this Agreement. If any provision of this Agreement conflicts or is inconsistent with any provision of the Confidentiality Agreement, the provisions of this Agreement will supersede those of the Confidentiality Agreement but only to the extent of the conflict or inconsistency and all other provisions of the Confidentiality Agreement will remain in full force and effect.
- (d) Without limiting the generality of the foregoing, each of Parent and Acquisitionco acknowledges and agrees that the Intrawest Disclosure Letter and all information contained in it is confidential and may not be disclosed to any other person unless (i) such disclosure is required under applicable Law, unless such Law permits it to refrain from disclosing such information for confidentiality or other reasons or (ii) such disclosure is required in order to enforce its rights under this Agreement.
- (e) Nothing in this section 4.3 will require Intrawest or its subsidiaries to disclose information subject to a written confidentiality agreement, covenant or obligation or undertaking with a third party (provided that, at the request of Parent, Intrawest will use commercially reasonable efforts to obtain the consent of the other party thereto to the disclosure of any information reasonably requested by Parent which is material to Intrawest and its subsidiaries, taken as a whole) or customer specific or competitively sensitive information (**Confidential Data**). For greater certainty, until the Effective Date, access to and exchange of Confidential Data as between the parties will be limited to what is reasonably necessary for the purposes of securing all necessary regulatory approvals, the preparation and settlement of definitive documents and the advancement of the Arrangement and will be limited such that the dissemination of Confidential Data will be confined to the Representatives of the parties and their counsel who have a need to know such information for such purposes and who agree to respect such confidentiality in their dealings with Confidential Data. In particular, with reference to access to and the sharing of Confidential Data of one party with Representatives of the other party for purposes of preparing any filings or submissions in respect of the Appropriate Regulatory Approvals, the general principle which will be applied is that such information will be made available to, exchanged or shared with counsel to the parties rather than the parties or their Representatives.

4.4 Access for Financial Advisor

Until the earlier of the Effective Time and the time that this Agreement is terminated in accordance with its terms, Intrawest, Parent and Acquisitionco will each, and will cause their subsidiaries and their respective management personnel to, allow the Financial Advisor and its representatives to conduct all due diligence investigations and examinations which the Financial Advisor may reasonably require, and Intrawest, Parent and Acquisitionco will each promptly provide to the Financial Advisor all information relating to its respective financial condition, results of operation, business, properties, assets, operations or prospects reasonably requested by the Financial Advisor in order to permit the Financial Advisor to prepare the Fairness Opinion pursuant to its engagement.

 - C. upon the termination of this Agreement, or otherwise upon the request of Intrawest, Parent and Acquisitionco will forthwith cease all use of the Disclosed Personal Information acquired by Parent and Acquisitionco in connection with this Agreement and will return to Intrawest or, at Intrawest's request, destroy in a secure manner the Disclosed Personal Information (and any copies).
- (b) In addition to the foregoing obligations:

- (i) Parent and Acquisitionco agree to employ appropriate technology and procedures to prevent accidental loss or corruption of the Disclosed Personal Information, unauthorized input or access to the Disclosed Personal Information, or unauthorized or unlawful collection, storage, disclosure, recording, copying, alteration, removal, deletion, use or other processing of the Disclosed Personal Information;
- (ii) each of Intrawest, Parent and Acquisitionco agree to promptly notify the other of all inquiries, complaints, requests for access and claims of which the party is made aware in connection with the Disclosed Personal Information, and the parties will fully cooperate with one another, with the persons to whom the Disclosed Personal Information relates, and any Governmental Authority charged with enforcement of applicable privacy laws, in responding to such inquiries, complaints, requests for access, and claims; and
- (iii) if the Arrangement is completed Intrawest may disclose additional Personal Information regarding its employees, customers, directors and officers to Parent or Acquisitionco and their Representatives on condition that:
 - A. except as otherwise permitted by Intrawest, Parent and Acquisitionco and their Representatives must use or disclose such Personal Information only for the same purposes for which it was collected, used or disclosed by Intrawest, and
 - B. except as otherwise reasonably directed by Intrawest, the employees, customers, directors, officers and shareholders to whom the Personal Information which is disclosed relates are notified that:
 - (1) the Arrangement has been completed, and
 - (2) the Personal Information about them has been disclosed to Parent and Acquisitionco and their Representatives.

4.6 Covenants of Intrawest Regarding the Arrangement

Subject to the terms and conditions of this Agreement, Intrawest will, and, where applicable, will cause its subsidiaries to, perform all of the obligations required or desirable to be performed by Intrawest and its subsidiaries under this Agreement, co-operate with Acquisitionco and Parent in connection therewith, and do all such other acts and things as may be necessary or desirable in order to consummate and make effective, as soon as reasonably practicable, the Arrangement contemplated in this Agreement and use commercially reasonable efforts to consummate the transactions contemplated in this Agreement, and without limiting the generality of the foregoing, Intrawest will, and, where appropriate will cause its subsidiaries to:

4.7 Covenants of Acquisitionco and Parent Regarding the Performance of Obligations

Each of Acquisitionco and Parent will perform all its obligations under this Agreement, cooperate with Intrawest in connection therewith, and do all such other acts and things as may be necessary or desirable in order to consummate and make effective, as soon as reasonably practicable, the transactions contemplated in this Agreement and, without limiting the generality of the foregoing, each of Acquisitionco and Parent will:

- (a) apply for and use commercially reasonable efforts to obtain all Applicable Regulatory Approvals;
- (b) cooperate with Intrawest and its subsidiaries in connection with, and use commercially reasonable efforts to assist Intrawest and its subsidiaries in obtaining, all other consents, approvals and authorizations referred to in section 4.6(c) or which Intrawest may otherwise determine are necessary or desirable in connection with Intrawest and Parent and Acquisitionco performing and complying with their respective obligations hereunder and consummating the Arrangement and the other transactions contemplated herein;
- (c) use commercially reasonable efforts to oppose, lift or rescind any injunction or restraining or other order against it seeking to stop, or otherwise adversely affecting

its ability to perform and comply with its obligations under the Plan of Arrangement and to defend, or cause to be defended any Proceedings to which it is a party or brought against it or its directors or officers challenging this Agreement or the consummation of the transactions contemplated hereby;

- (d) designate one individual from whom Intrawest may seek approval to undertake any actions not permitted to be taken under section 4.1 and will ensure that such person will respond, on behalf of Parent, to Intrawest's requests in an expeditious manner; and
- (e) forthwith carry out the terms of the Interim Order and Final Order to the extent applicable to it and use commercially reasonable efforts to comply promptly with all requirements which applicable Laws may impose on Acquisitionco or Parent or its subsidiaries with respect to the transactions contemplated herein.

4.8 Acquisitionco and Parent Financing

- (a) Without limiting the generality of section 4.7, Acquisitionco and Parent will make arrangements to borrow or otherwise be in possession of all funds required to be provided by Acquisitionco to the Transfer Agent pursuant to section 2.1(h) prior to the Effective Date and otherwise carry out its obligations under this Agreement and the terms of the Plan of Arrangement applicable to it and to pay all related fees and expenses. To the extent that Parent does not presently have sufficient funded capital to provide, from internal resources, funds required to be provided by Acquisitionco to the Transfer Agent pursuant to section 2.1(h), Acquisitionco will obtain such funds pursuant to the Commitment Letter, which has been executed and delivered by or on behalf of the Lenders and by Fortress prior to the date of this Agreement and the Equity Commitment Letter which has been executed and delivered by Fortress prior to the date of this Agreement and Parent and Acquisitionco each represent and warrant that as at the date of this Agreement each of the Commitment Letter and Equity Commitment Letter is in full force and effect and are legal, valid and binding obligations of Fortress, in the case of the Commitment Letter and Acquisitionco, in the case of the Equity Commitment Letter and, to the knowledge of Parent and Acquisitionco, the other parties thereto on a basis that is not subject to any condition precedent other than the conditions set out therein.
- (b) Acquisitionco and Parent will satisfy, on a timely basis, all covenants, terms, representations and warranties applicable to Acquisitionco and Parent in the Commitment Letter and Equity Commitment Letter that are within their control and enforce their rights under the Commitment Letter and Equity Commitment Letter.
- (c) Each of Acquisitionco and Parent will use its best efforts to negotiate and enter into definitive credit or loan or other agreement and all other documentation with respect to the financings contemplated in this section 4.8 as may be necessary for Acquisitionco to obtain such funds, on the basis described in this section 4.8 and otherwise on terms and conditions no less favourable than the Commitment Letter and the Equity Commitment Letter, and otherwise (i) subject only to such other

conditions precedent as are acceptable to Intrawest or (ii) on terms and conditions which do not impair the ability of Parent or Acquisitionco to perform its obligations hereunder or effect the Arrangement, as soon as reasonably practicable but in any event prior to the Termination Deadline. Parent will deliver to Intrawest correct and complete copies of such executed definitive agreements and documentation promptly upon request by Intrawest.

- (d) Parent will keep Intrawest informed with respect to all material activity concerning the status of the financings referred to in this section 4.8 and will give Intrawest prompt notice of any material change with respect to any such financing. Without limiting the generality of the foregoing, Parent agrees to notify Intrawest promptly, and in any event within 24 hours, if at any time prior to the Effective Time (i) the Commitment Letter or the Equity Commitment Letter referred to in this section 4.8 will expire or be terminated for any reason, (ii) any event occurs that, with or without notice, lapse of time or both, would individually or in the aggregate, constitute a default or breach on the part of Acquisitionco or Parent under any material term or condition of the Commitment Letter or the Equity Commitment Letter or definitive agreement or documentation referred to in this section 4.8 or if Parent has any reason to believe Acquisitionco or Parent will be unable to satisfy, on a timely basis, any term or condition of any funding referred to in this section 4.8 to be satisfied by it contained in the Commitment Letter or the Equity Commitment Letter or (iii) any financing source that is a party to the Commitment Letter or the Equity Commitment Letter that such source either no longer intends to provide or underwrite any financing referred to in this section 4.8 on the terms set forth in the Commitment Letter or requests amendments or waivers that are or may be materially adverse to the timely completion by Acquisitionco of the transactions contemplated by this Agreement.
- (e) Other than in connection with and as contemplated in this Agreement, neither Parent nor Acquisitionco will, nor will Parent permit Acquisitionco or any of the other affiliates of Parent to, without the prior written consent of Intrawest, take any action or enter into any transaction, including any merger, acquisition, joint venture, disposition, lease, contract or debt or equity financing, that would reasonably be expected to materially and adversely impair, delay or prevent Acquisitionco or Parent obtaining any of the financings referred to in this section 4.8.
- (f) Neither Parent nor Acquisitionco will, nor will Parent permit Acquisitionco to, amend or alter, or agree to amend or alter, the Commitment Letter or the Equity Commitment Letter or any definitive agreement or documentation referred to in this section 4.8 in any manner that could materially and adversely impair, delay or prevent the consummation of the transactions contemplated by this Agreement without the prior written consent of Intrawest.
- (g) If the Commitment Letter or the Equity Commitment Letter referred to in this section 4.8 is terminated or modified in a manner materially adverse to Parent or Acquisitionco for any reason, or if any portion of the credit facilities or other source of funding referred to in section 4.8(a) ceases to be available, Parent and

Acquisitionco will, and Parent will cause Acquisitionco to, use its best efforts to (i) obtain, as promptly as practicable, and, once obtained, provide Intrawest with a copy of, a new financing commitment that provides for at least the same amount of financing as contemplated by the Commitment Letter, or the Equity Commitment Letter, as the case may be, on a basis that is not subject to any condition precedent other than the conditions precedent contained in the Commitment Letter, or the Equity Commitment Letter, as the case may be, and, if applicable, such other conditions as have been approved in writing by Intrawest prior to the date of this Agreement and otherwise on terms and conditions acceptable to Intrawest, (ii) negotiate and enter into definitive credit, loan or other agreements and all required documentation with such third parties as may be necessary for Acquisitionco to obtain such funds (to the extent reasonably practicable, on terms and conditions no less favourable than the Commitment Letter or the Equity Commitment Letter, as the case may be, being replaced) and on the basis described in this section 4.8 and otherwise on terms and conditions acceptable to Intrawest, as soon as reasonably practicable but in any event prior to the Termination Deadline, and deliver to Intrawest correct and complete copies of such executed definitive agreements and documentation promptly upon request by Intrawest, (iii) satisfy, on a timely basis, all covenants, terms, representations and warranties applicable to Acquisitionco and Parent in the Commitment Letter and the Equity Commitment Letter and all other required documentation referred to in this section 4.8(g) that are within their control and enforce their rights under the Commitment Letter and the Equity Commitment Letter and agreements and documentation, and (iv) obtain funds under such commitment to the extent necessary to consummate the transactions contemplated by this Agreement.

- (h) Parent will agree to guarantee Acquisitionco's obligations under the Commitment Letter and the Equity Commitment Letter and under the definitive agreements entered into pursuant to the Commitment Letter or the Equity Commitment Letter.
- (i) Intrawest will, and will cause its subsidiaries to provide, and use its commercially reasonable efforts to have its and their Representatives cooperate with Parent and Acquisitionco in connection with the arrangements by Parent and Acquisitionco to obtain the advance of the financing referred to in this section 4.8 as contemplated in the Commitment Letter as may be reasonably requested by Parent (provided that such requested cooperation does not unreasonably interfere with the ongoing operations of Intrawest and its subsidiaries or interfere with or hinder or delay the performance by Intrawest of its other obligations hereunder), including (i) participation in meetings, drafting sessions and due diligence sessions, (ii) furnishing Parent and Acquisitionco and their financing sources with financial and other pertinent information regarding Intrawest as may be reasonably requested by Parent, (iii) assisting Parent and Acquisitionco and their financing sources in the preparation of (A) an offering document for any debt raised to complete the Arrangement and (B) materials for rating agency representations, (iv) cooperating with Parent and Acquisitionco in connection with applications to obtain such consents, approvals or authorizations which may be necessary or desirable in connection with such financing, (v) using commercially reasonable efforts to seek to take advantage of

Intrawest's existing lending relationships, including attempting to persuade Intrawest's existing lenders to participate in the syndicate organized by the Lenders, (vi) reasonably cooperating with the marketing efforts of Parent and Acquisitionco and their financing sources for any debt raised by Parent to complete the Arrangement, (vii) forming new direct or indirect subsidiaries, (viii) having officers execute, without personal liability, any reasonably necessary officers' certificates or management representation letters to Intrawest's accountants to issue unqualified reports with respect to the financial statements to be included in any offering documents, and (ix) using best efforts to permit Parent and Acquisitionco to be able to provide the Lenders with the collateral package required by the Lenders in connection with the financing contemplated by the Commitment Letter and the definitive agreements contemplated therein, in a form reasonably satisfactory to the Lender (it being acknowledged by the parties that such collateral package will include the same collateral, but not necessarily be limited to the same collateral, as is in place in connection with Intrawest's current banking arrangements (it being understood that such banking arrangements will need to be repaid in connection therewith)); provided that none of Intrawest nor any subsidiary of Intrawest will be required to pay any commitment or other similar fee or incur any other liability in connection with any such financing prior to the Effective Time. Parent will, promptly upon request by Intrawest, reimburse Intrawest for all reasonable out-of-pocket costs (including legal fees) incurred by Intrawest or its subsidiaries and their respective advisers, agents and representatives in connection with such cooperation.

- (j) All non-public or otherwise confidential information regarding Intrawest obtained by Parent or its representatives pursuant to section 4.8(i) is information which is subject to the Confidentiality Agreement and will be kept confidential in accordance with the Confidentiality Agreement unless Intrawest otherwise agrees.
- (k) For the avoidance of doubt, if any financing referred to in this section 4.8 is not obtained, Acquisitionco will continue to be obligated to consummate the Arrangement, and Parent will continue to be obligated to cause Acquisitionco to consummate the Arrangement, subject to and on the terms contemplated by this Agreement. Any failure to consummate the Arrangement as a result of the failure by Acquisitionco and Parent to obtain the financing referred to in this section 4.8 will constitute a breach by Acquisitionco and Parent hereunder.

4.9 Mutual Covenants

Each of the parties covenants and agrees that, subject to the terms and conditions of this Agreement, except as contemplated in this Agreement, until the earlier of the Effective Time and the time that this Agreement is terminated in accordance with its terms:

- (a) it will use, and, where appropriate, cause its subsidiaries to use, commercially reasonable efforts to satisfy (or cause the satisfaction of) the conditions precedent to its obligations hereunder as set forth in Article 7 to the extent the same is within its control and to take, or cause to be taken, all other action and to do, or cause to be

done, all other things necessary, proper or advisable and commercially reasonable to permit the completion of the transactions contemplated in this Agreement in accordance with its obligations under this Agreement, the Plan of Arrangement and the Legislation and cooperate with the other parties in connection therewith, including using its commercially reasonable efforts to:

- (i) cooperate with the other party in connection with the performance by it of its obligations hereunder; and
 - (ii) if any takeover Law or statute that purports to limit or restrict business combinations or the ability to acquire or vote shares is or becomes applicable to this Agreement or the Arrangement, take necessary action to consummate the transactions contemplated herein as promptly as practicable upon the terms and subject to the conditions set forth in this Agreement and (subject to applicable Laws) otherwise act to attempt to minimize the effects of such takeover Law or statute;
- (b) it will use commercially reasonable efforts within its control to ensure that the representations and warranties in section 3.1, in the case of Intrawest, and section 3.3, in the case of Acquisitionco and Parent, remain true and correct as of the Effective Date (or in the case of such representations and warranties which refer to another date, remain true and correct as at such date) as if such representations and warranties were made at and as of such date; and
- (c) it will not knowingly take or cause to be taken any action which is inconsistent with this Agreement or which would reasonably be expected to prevent, significantly impede or materially delay the consummation of the Arrangement except as permitted by this Agreement.

4.10 Employment Arrangements

- (a) Parent and Acquisitionco covenant and agree that, from and after the Effective Time, Parent and Acquisitionco will cause Intrawest, and any successor to Intrawest (including any Surviving Corporation), to agree to honour, perform or cause to be performed all existing employment, retention and change of control agreements of Intrawest as are disclosed in the Intrawest Disclosure Letter and all arrangements for the benefit of the officers or employees of Intrawest party thereto, provided for therein or contemplated thereby and will make available to Intrawest or any successor to Intrawest (including any Surviving Corporation) any financing required in order to make payment of amounts payable under any employment and retention agreements and incentive and deferred compensation plans or arrangements as are disclosed in the Intrawest Disclosure Letter.
- (b) Parent and Acquisitionco acknowledge that, pursuant to the provisions of the Intrawest Stock Option Plan, Intrawest may facilitate as necessary the acceleration of vesting of any unvested Intrawest Options as may be necessary or desirable to allow

the persons holding Intrawest Options to exercise their Intrawest Options for the purpose of participating in the Arrangement as holders of Common Shares.

- (c) In the event the Arrangement becomes effective, the Intrawest Employee Share Purchase Plan, the Whistler/Blackcomb Employee Share Purchase Plan and the Funded Share Purchase Plan will each be terminated as of and from the Effective Time. Intrawest will take such actions as may be necessary to suspend the Intrawest Employee Share Purchase Plan, the Whistler/Blackcomb Employee Share Purchase Plan and Funded Share Purchase Plan so that employees participating in the plans will not make further contributions under the plans after the last day of the calendar month in which this Agreement is executed, provided that the plans may be reinstated if this Agreement shall have been terminated in accordance with its terms.
- (d) Prior to the Effective Date, and effective as of the Effective Date, Intrawest shall amend the Intrawest Supplemental Retirement Plan for Designated U.S. Executives so that the plan benefits shall not become payable in a single sum upon a Change of Control (as defined in the plan), but shall continue to become payable in accordance with the plan's provisions in equal monthly installments for the life of the respective plan participant.
- (e) Immediately prior to the Effective Time, Intrawest shall amend each of the Executive Employment Agreements, in form reasonably acceptable to the respective executives party thereto (or deliver a written undertaking to each of them to do so), to preserve certain termination rights the executives are currently entitled to pursuant to the Intrawest LTIP (which is being cancelled in connection with the completion of the Arrangement) by providing that:
 - (i) in the event of the termination of the employment of the relevant executive with Intrawest or any Surviving Corporation for any reason whatsoever within 180 days after the Effective Date, Intrawest or the Surviving Corporation, as the case may be, will pay to such executive, in addition to all other amounts to which such executive may be entitled pursuant to such executive's Executive Employment Agreement or otherwise, an amount equal to the product obtained by multiplying the Share Consideration by the number of notional Common Shares to which such executive would be entitled pursuant to the Intrawest LTIP in respect of a Reasonable Notice Period Allotment if the Intrawest LTIP were in full force and effect at such time and such executive were entitled to a Reasonable Notice Period Allotment thereunder in respect of an Event of Termination occurring after June 30, 2006 and before July 1, 2007; and
 - (ii) in the event of the termination of the employment of the relevant executive with Intrawest or any Surviving Corporation at any time after clause (i) above ceases to apply and such executive is entitled to the compensation provided for in section 5.4(b) of such executive's Executive Employment Agreement (whether pursuant to section 5.4, 5.6 or 5.7 thereof), Intrawest will pay to such executive, in addition to all other amounts to which such executive may

be entitled pursuant to such executive's Executive Employment Agreement or otherwise, an amount equal to the product obtained by multiplying the Share Consideration by the number of notional Common Shares to which such executive would be entitled pursuant to the Intrawest LTIP in respect of a Reasonable Notice Period Allotment if the Intrawest LTIP were in full force and effect at such time and such executive were entitled to a Reasonable Notice Period Allotment thereunder in respect of an Event of Termination occurring after June 30, 2006 and before July 1, 2007;

4.11 Indemnification

- (a) Parent and Acquisitionco will ensure that (i) the bylaws of Intrawest, and the constating documents of any successor to Intrawest (including any Surviving Corporation) and (ii) the constating documents of the subsidiaries of Intrawest (or any successor to any such subsidiary), will contain provisions with respect to indemnification now set forth in the articles or bylaws of Intrawest and the constating documents of the subsidiaries of Intrawest (or equivalent provisions), as the case may be, such that all rights to indemnification existing in favour of the present and former directors and officers of Intrawest or of any of the subsidiaries of Intrawest and present and former directors and officers of Intrawest or of any of the subsidiaries of Intrawest serving or who served at the request of Intrawest or any subsidiary of Intrawest as a director, officer, employee, agent or representative of another corporation, partnership, joint venture, trust, employee benefit plan or other entity or enterprise (each such present or former director or officer of Intrawest or of any subsidiary of Intrawest being herein referred to as an Indemnified Party and such persons collectively being referred to as the Indemnified Parties) as provided in the articles or bylaws of Intrawest or constating documents of any of the subsidiaries of Intrawest, or equivalent provisions, will survive and continue in full force and effect and without modification, with respect to actions or omissions of the Indemnified Parties occurring prior to the Effective Time in accordance with the terms of such bylaws and constating documents, or equivalent provisions, as at the Effective Time.
- (b) Intrawest, Parent and Acquisitionco agree that all rights to indemnification existing in favour of the Indemnified Parties as provided by any agreement to which Intrawest or any of its subsidiaries is a party and in effect as of the date hereof (including all provisions relating to advances for the funding of costs and expenses in connection with indemnification arrangements) will survive the completion of the Arrangement and will continue in full force and effect and without modification, and Parent and Acquisitionco will cause Intrawest, and any successor to Intrawest (including any Surviving Corporation), and its subsidiaries (including any successors thereto), to honour such rights of indemnification and indemnify the Indemnified Parties pursuant thereto, with respect to actions or omissions of the Indemnified Parties occurring prior to the Effective Time, for a period of not less than six years from the Effective Time.
- (c) Provided the Arrangement becomes effective, for a period of not less than six years after the Effective Date Intrawest will, and Parent and Acquisitionco will cause

Intrawest and any successor to Intrawest (including any Surviving Corporation) to, continue and maintain in effect policies of directors and officers liability insurance, without any gaps, lapses or reduction in scope or coverage, for the benefit of the Indemnified Parties in such amounts, and with such deductibles, retained amounts, coverages and exclusions and otherwise on terms and conditions no less advantageous or favourable to the Indemnified Parties, than such insurance maintained by Intrawest immediately prior to the Effective Time and providing protection in respect of claims arising from or related to facts or events which occurred on or prior to the Effective Date. Parent and Acquisitionco also agree that after the expiration of such six year period they will use all commercially reasonable efforts to cause such directors and officers to be covered under the Parent's existing directors and officers insurance policy, if any. Notwithstanding any other provision of this Agreement, prior to the Effective Time Intrawest may, in the alternative, at its option, purchase prepaid non-cancellable run-off directors and officers liability insurance providing coverage (on terms comparable to those contained in Intrawest's current insurance policies) for a period of up to six years from the Effective Date with respect to claims arising from or related to facts or events which occur on or prior to the Effective Date in the same manner as such claims would have been covered if they arose prior to the Effective Date and any such policy purchased by Intrawest will cover the interest of Intrawest in respect of its indemnification obligations under this section 4.11, provided, however, that the premiums payable for such insurance do not exceed 200% of the premiums currently payable by Intrawest for directors and officers liability insurance (which, for greater certainty shall be over and above any refunded premium for any unused portion of the current directors and officers liability insurance).

- (d) In the event that Parent or Acquisitionco or any of its successors or assigns (i) consolidates with or merges into any other person and is not the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers or conveys all or substantially all of its properties and assets to any person, then, and in each such case, proper provision will be made so that the successor or assignee of Parent or Acquisitionco (as the case may be) assumes the obligations set forth in this section 4.11.

4.12 Notes Offers

- (a) On a date reasonably in advance of the Effective Date, as agreed to by Parent and Intrawest, Acquisitionco shall, in accordance with applicable securities Laws and the applicable Indenture, effect an offer to purchase and consent solicitation with respect to each of the 6.875% Notes (the **6.875% Notes Offer**) and the 7.50% Notes (the **7.50% Notes Offer** and, together with the 6.875% Notes Offer, the **Notes Offers**). The purpose of each of the Notes Offers shall be to purchase the Notes and to adopt a supplemental indenture that has the effect of eliminating covenants and other provisions in the applicable Indenture as reasonably required by Acquisitionco. The initial settlement date of each of the Notes Offer shall be the Effective Date but prior to the Effective Time; provided, that Acquisitionco may, at its option, set an initial settlement date for any or all of the Notes Offers prior to the Effective Date

provided that the terms of any Notes Offer with an earlier initial settlement date than the Effective Date shall provide that Acquisitionco shall extend such Notes Offer as necessary so that the initial settlement date of such Notes Offer occurs on the Effective Date but prior to the Effective Time.

- (b) Notwithstanding anything to the contrary in section 4.12(a), if Acquisitionco notifies Intrawest within seven business days after the date hereof that it wants Intrawest to effect the Notes Offers instead of Acquisitionco, then Intrawest will effect the Notes Offers in the manner contemplated by section 4.12(a), provided that such Notes Offers effected by Intrawest will be conditional upon the Arrangement becoming effective, and otherwise at the reasonable direction of Acquisitionco; provided, however, that Acquisitionco shall prepare all documentation relating to the Notes Offer, subject to the approval of Intrawest, not to be unreasonably withheld or delayed. Intrawest shall cooperate with Acquisitionco as reasonably requested by Acquisitionco with respect to preparing for, and effecting, the Notes Offers including, without limitation, taking the actions required by Section 903 of each of the Indentures applicable to the 6.875% Notes and the 7.50% Notes in connection with adoption of the supplemental indenture contemplated by the Note Offers and section 4.12(a). If Acquisitionco elects to have Intrawest effect the Notes Offers, then on settlement for such Notes Offers Acquisitionco shall, on behalf of Intrawest, pay to the applicable tender agent the amounts necessary to purchase all tendered Notes.

ARTICLE 5 ADDITIONAL AGREEMENTS

5.1 Permitted Activities

Nothing contained in this Agreement shall (a) prohibit or prevent Intrawest or its Board of Directors or officers from (i) making any disclosure of or in relation to an Acquisition Proposal to the Common Shareholders or holders of Intrawest Options prior to the Effective Time if, in the good faith judgment of the Board of Directors, after consultation with outside legal counsel, such disclosure is necessary for the directors or officers of Intrawest to act in a manner consistent with their duties or is otherwise required under applicable Laws, including obligations under Rule 14e 2 under the *Exchange Act*; or (ii) taking any other action in relation to an Acquisition Proposal to the extent required under applicable securities Laws or ordered or otherwise mandated by any court of competent jurisdiction, or (b) prior to the date on which the Arrangement Resolutions are passed by the Intrawest Securityholders at the Intrawest Meeting in accordance with the Interim Order and the applicable Legislation, prevent Intrawest or its Board of Directors or officers or other representatives from engaging in discussions or negotiations with any person in respect of an unsolicited *bona fide* Acquisition Proposal (including any unsolicited Acquisition Proposal made after the date of this Agreement by any person that made an Acquisition Proposal prior to the date of the Agreement), or providing information (subject to compliance with section 5.3) in respect of or otherwise responding to such an unsolicited Acquisition Proposal or entering into an agreement (subject to compliance with sections 5.3 and 5.4), where (i) the Acquisition Proposal does not result from a breach of section 5.2, and (ii) the Board of Directors determines in good faith after, among other things, consultation, to the extent considered appropriate by the Board of Directors, with Intrawest s

financial advisors (including the Financial Advisor) and outside legal counsel that the Acquisition Proposal would be reasonably likely to result in a Superior Proposal.

5.2 Non-Solicitation

- (a) Intrawest agrees with Parent and Acquisitionco that, except as expressly contemplated by this Agreement, until this Agreement is terminated none of Intrawest nor its subsidiaries will, directly or indirectly, through any Representative of it take any action that might, directly or indirectly, interfere with the consummation of the Arrangement and, without limitation, will not (and Intrawest will not permit its subsidiaries to), except as contemplated by this Article 5, without the consent in writing of Parent (which consent may be unreasonably withheld), directly or indirectly, through any subsidiary or Representative of it or any of its subsidiaries:
- (i) solicit, initiate or knowingly facilitate or encourage (including by way of furnishing confidential information or facilitating or permitting any visit to any facilities or properties of Intrawest or any of its subsidiaries by any person with the intention or for the purpose of encouraging such person to make or propose an Acquisition Proposal, or entering into any form of agreement, arrangement or understanding) any inquiry, proposal or offer relating to or constituting an Acquisition Proposal from any person;
 - (ii) enter into or participate in any discussions or negotiations or other activities with any person (other than Acquisitionco, Parent or its affiliates) regarding an Acquisition Proposal;
 - (iii) withdraw, modify, qualify, or propose publicly to withdraw, modify or qualify, in any manner adverse to Parent or Acquisitionco the approval or recommendation of the Board of Directors or any committee thereof of the Arrangement;
 - (iv) approve, endorse, recommend or remain neutral with respect to, or propose to publicly approve, endorse, recommend or remain neutral with respect to, any Acquisition Proposal; or
 - (v) accept or enter into, or propose publicly to accept or enter into, any letter of intent, agreement in principle, understanding, undertaking, arrangement or Contract in respect of or relating to an Acquisition Proposal.
- (b) Intrawest will, and will cause the Representatives of Intrawest and its subsidiaries and their Representatives to, immediately cease and cause to be terminated any existing solicitations, discussions, negotiations or activities with any person (other than Parent and Acquisitionco) with respect to any Acquisition Proposal or any proposal that may reasonably be expected to constitute an Acquisition Proposal. Parent and Acquisitionco acknowledge that standstill covenants or provisions contained in various confidentiality agreements entered into by Intrawest with other parties relating to a potential Acquisition Proposal will terminate in accordance with

the terms thereof (without any further action on the part of any party thereto, including Intrawest or any of subsidiaries) upon Intrawest entering into this Agreement. Except to the extent such standstill covenants or provisions will so terminate pursuant to their terms, Intrawest agrees not to release, and to cause its subsidiaries not to release, any third party from any standstill or confidentiality agreement (or any term or condition of any such agreement) that Intrawest entered into prior to the date hereof with any person that was considering any Acquisition Proposal or to amend or waive any provision of any such agreement.

- (c) Intrawest will discontinue access by any third party (other than Parent or Acquisitionco or their representatives) to any data room (virtual or otherwise) and promptly request the return or deletion from retrieval systems and data bases or destruction of all information provided to any third party which, at any time since February 28, 2006, has entered into a confidentiality agreement with Intrawest relating to a potential Acquisition Proposal to the extent that such information has not previously been returned or destroyed, and will use commercially reasonable efforts to ensure that such requests are honoured in accordance with the terms of such agreement.
- (d) Intrawest will ensure that its officers and directors and its investment bankers and financial or other advisors are aware of the provisions of this Article 5, and Intrawest will be responsible for any breach of this Article 5 by any of its officers, directors, investment bankers or financial or other advisors.

5.3 Notification of Acquisition Proposal

- (a) Intrawest will promptly (and in any event within 24 hours after receipt of such inquiry, proposal, offer or request) notify Parent, at first orally and then in writing, of any inquiry, proposal or offer received by Intrawest after the date of this Agreement relating to or constituting an Acquisition Proposal or that could reasonably be expected to lead to an Acquisition Proposal (whether or not relating to any Acquisition Proposal or inquiry that may have been received prior to the date hereof), including the renewal of any Acquisition Proposal made prior to the date hereof, or any amendments to the foregoing, or any written request for material non-public information relating to Intrawest or any of its subsidiaries or for access to the properties, books or records of Intrawest or any of the subsidiaries by any person. Such written notice will include a copy of any written Acquisition Proposal (and any amendment thereof) which has been received by Intrawest or any of its subsidiaries or, if no written Acquisition Proposal has been received, a description of the material terms and conditions of any inquiry, proposal, offer or request and the identity of the person making such inquiry, proposal, offer or request. Intrawest will also provide such further details of the inquiry, proposal, offer or request (and any amendment thereof) as Parent may reasonably request. Intrawest will keep Parent informed of any change to the material terms of any such inquiry, proposal, offer or request and provide to Parent at the option of Intrawest, either copies of all correspondence and other written material sent or provided to Intrawest by any person in connection with such inquiry, proposal or request or sent or provided by Intrawest to any person in

connection with such inquiry, proposal or request or a description of the material terms of such correspondence or material promptly after receipt or delivery thereof.

- (b) If, prior to the approval of the Arrangement Resolutions by the Intrawest Securityholders at the Intrawest Meeting, Intrawest receives an inquiry, proposal or offer relating to or constituting an Acquisition Proposal or a request for material non-public information from a person who has made or is proposing to make an unsolicited *bona fide* Acquisition Proposal where Intrawest is not in breach of section 5.2 and the Board of Directors determines in good faith after, among other things, consultation, to the extent considered appropriate by the Board of Directors, with Intrawest's financial advisors (including the Financial Advisor) and outside legal counsel that such proposal would be reasonably likely to result in a Superior Proposal, then, and only in such case, Intrawest may, subject to the execution by such person of a confidentiality agreement having substantially the same terms as the Confidentiality Agreement and, taken as a whole, being no less favourable to Intrawest than the Confidentiality Agreement, provide such person with, or access to, non-public information regarding Intrawest, provided that:
- (i) notwithstanding the foregoing, the confidentiality agreement with such person will not restrict such person from making the Acquisition Proposal, or announcing the intention to make the Acquisition Proposal without the approval of Intrawest, and will not restrict Intrawest from disclosing such agreement and providing a copy thereof to Parent as set out below (and for this purpose Intrawest may agree with the other party to amend any confidentiality agreement that was entered into prior to the date of this Agreement to provide for the foregoing); and
 - (ii) Intrawest will send a copy of any such confidentiality agreement to Parent promptly following its execution and will promptly advise Parent regarding all non-public information provided to such other person or to which such other person has been provided access and will promptly provide Parent with, or access to, all such information provided to such other person and not previously provided to Parent and provide Parent with access to all further non-public information regarding Intrawest provided to such other person not previously provided to Parent.
 - (c) If Intrawest receives a written Acquisition Proposal that the Board of Directors in good faith determines constitutes a Superior Proposal, or any amendment or modification to any such Superior Proposal, in each case Intrawest will provide a copy of the Superior Proposal or such amendment or modification promptly to Parent and in any event within 24 hours after such receipt.

5.4 Right to Match

- (a) Subject to section 5.4(b), Intrawest covenants that it will not accept, approve or recommend or enter into any agreement, understanding, arrangement or Contract in respect of, or proceed with or recommend, a Superior Proposal (other than a

confidentiality agreement permitted by section 5.3(b), the execution of which will not be subject to the conditions of this section 5.4) unless:

- (i) Intrawest has complied with its obligations under sections 5.2 and 5.3 and this section 5.4;
 - (ii) Intrawest has provided Parent with a copy of the Superior Proposal; and
 - (iii) a period (the **Response Period**) of five business days will have elapsed from the later of (A) the date on which Parent received written notice from Intrawest advising that the Board of Directors has determined, subject only to compliance with this section 5.4, that Intrawest enter into an agreement, understanding, arrangement or Contract in respect of, or to proceed with, or recommend, such Superior Proposal and (B) the date Parent receives a copy of the Superior Proposal.
- (b) In the event that Intrawest provides Parent with a notice as contemplated in section 5.4(a), on a date that is less than seven business days prior to the date the Intrawest Meeting is scheduled to be held, Intrawest will be entitled to postpone or adjourn, and will, at the request of Parent, postpone or adjourn, the Intrawest Meeting to a date (specified by Parent in the case of a postponement or adjournment requested by Parent) that is not less than seven business days and not more than 15 business days after the date of such notice.
- (c) During the Response Period (or such longer period as Intrawest may agree), Parent and Acquisitionco will have the right, but not the obligation, to propose in writing to amend the terms of the Agreement and the Plan of Arrangement. Intrawest will cause the Board of Directors to review in good faith any such proposal received by Intrawest from Parent and Acquisitionco during the Response Period to determine (after receipt of advice, to the extent considered appropriate by the Board of Directors, from its financial advisors and outside legal counsel) whether the Acquisition Proposal in respect of which the Parent and Acquisitionco are proposing to amend this Agreement and Plan of Arrangement would be a Superior Proposal when assessed against this Agreement and Plan of Arrangement as it is proposed to be amended.
- (d) Intrawest may enter into any agreement, understanding, arrangement or Contract in respect of, or to proceed with, or recommend, a Superior Proposal if, and only if, and may not enter into any agreement, undertaking, arrangement or Contract in respect of, or to proceed with, or recommend, a Superior Proposal (with the exception of a confidentiality agreement referred to in section 5.3(b)) unless:
- (i) Parent and Acquisitionco do not, prior to the expiry of the Response Period, propose to amend the terms of this Agreement and the Plan of Arrangement; or
 - (ii) Parent and Acquisitionco deliver to Intrawest, prior to the expiry of the Response Period, a proposal to amend the terms of this Agreement and the

Plan of Arrangement as contemplated in section 5.4(c), and the Board of Directors determines in good faith, after, among other things, consultation, to the extent considered appropriate by the Board of Directors, with Intrawest's financial advisors (including the Financial Advisor) and outside legal counsel, taking into account the proposal by Parent and Acquisitionco to amend this Agreement and the Plan of Arrangement, that the Acquisition Proposal remains a Superior Proposal; and

- (iii) Intrawest concurrently terminates this Agreement pursuant to section 6.1(c) and Intrawest has previously or concurrently paid to Parent the fee payable under section 5.6, Intrawest acknowledging and agreeing that payment of the fee payable under section 5.6 is a condition to valid termination of this Agreement under section 6.1(c) and this section 5.4.
- (e) If, in the circumstances described in section 5.4(d)(ii), the Board of Directors does not determine that the Acquisition Proposal remains a Superior Proposal when compared to the proposed amendment to this Agreement and the Plan of Arrangement, Intrawest and Parent and Acquisitionco will promptly execute and deliver an amending agreement amending this Agreement and the Plan of Arrangement, or an amended Agreement, incorporating or reflecting the terms of the amendment to the terms of this Agreement and Plan of Arrangement as proposed by Parent and Acquisitionco and Intrawest will publicly announce that the Board of Directors has reaffirmed its recommendation of the Arrangement by news release, the form of which shall be provided to Parent for its review and comment prior to publication.
- (f) Each successive modification or amendment to any Acquisition Proposal that results in any change in, or modification of, the consideration to be received under, or any other material change in the terms and conditions of, such Acquisition Proposal will constitute a new Acquisition Proposal for the purposes of this section 5.4 and Parent will be afforded a new Response Period in respect of each such Acquisition Proposal.

5.5 Value

For purposes of this Agreement, the value of any non-cash consideration forming part of the consideration proposed to be paid, delivered or issued under any Acquisition Proposal or by Acquisitionco or Parent will be determined by the Board of Directors (having, among other things, consulted with Intrawest's financial advisors (including the Financial Advisor) or obtained other financial advice).

5.6 Payments to Parent

If at any time after the execution of this Agreement:

- (a) Intrawest terminates this Agreement pursuant to section 6.1(c);
- (b) Parent terminates this Agreement pursuant to section 6.1(b)(i) or (ii) if the Intrawest Meeting is not held and the Arrangement Resolutions are not submitted to the

Intrawest Securityholders at the Intrawest Meeting, at least seven days prior to the Termination Deadline; or

(c) in the event:

(i) a *bona fide* written Acquisition Proposal has been made by any person (the **Acquisition Proposal Offeror**) other than Parent or Acquisitionco after the date hereof and prior to the termination of this Agreement;

(ii) either Intrawest or Parent terminates this Agreement pursuant to section 6.1(b)(i) or 6.1(b)(ii); and

(iii) within 365 days after the date of such termination:

A. an Acquisition Proposal is consummated with the Acquisition Proposal Offeror, or any other person;
or

B. the Board of Directors approves or recommends such Acquisition Proposal or any other Acquisition Proposal, or Intrawest or any of its subsidiaries enters into a definitive agreement with respect to such Acquisition Proposal or any other Acquisition Proposal and thereafter (whether or not within 365 days after the termination of this Agreement) such Acquisition Proposal is consummated;

(d) Parent terminates this Agreement pursuant to section 6.1(e) or 6.1(f); or

(e) Parent terminates this Agreement pursuant to section 6.1(g) as a result of a breach of covenant or agreement on the part of Intrawest contained in this Agreement;

then in any such case Intrawest will pay to Parent (or as it may direct) \$60 million (less the amount of any withholding required by applicable Laws relating to Taxes which is concurrently remitted by Intrawest to the relevant Government Authority and received) by wire transfer in immediately available funds to an account designated by Parent. Such payment will be due (A) in the case of a termination specified in section 5.6(a), before or concurrently with such termination of this Agreement, (B) in the case of a termination specified in section 5.6(b) or 5.6(d), within two business days following receipt by Intrawest of written notice of termination by Parent, and (C) in the case of the occurrence of the events specified in section 5.6(c), on the day of the consummation of the transaction referred to therein. Intrawest will not be obligated to make more than one payment pursuant to this section 5.6.

5.7 Reimbursement of Expenses to Parent and Acquisitionco

If (a) this Agreement is terminated by Parent pursuant to section 6.1(b)(ii) and no amount is payable by Intrawest to Parent pursuant to section 5.6, or (b) this Agreement is terminated pursuant to section 6.1(b)(i) or 6.1(g) and no amount is payable by Intrawest to Parent pursuant to section 5.6 and (i) the Intrawest Meeting is not held for any reason prior to such termination, or (ii) such termination was caused as a result of the condition precedent in section 7.3(a), (b) or (c) not being satisfied as a result of any breach by Intrawest of this Agreement, including from any inaccuracy in

its representations and warranties and any non-performance by it of its covenants and agreements made herein, then, in any such case, within five business days following receipt by Intrawest of the certificate of a senior officer of Parent hereafter referred to, Intrawest will pay to Parent by wire transfer in immediately available funds to an account designated by Parent an amount equal to Parent and Acquisitionco's (without duplication) actual out of pocket costs and expenses, including reasonable fees and expenses of their counsel, accountants, financial advisors and other experts and advisors, incidental to the preparation, negotiation and execution of this Agreement and related documentation, up to a maximum of \$10,000,000 (less the amount of any withholding required by applicable Laws relating to Taxes which is concurrently remitted by Intrawest to the relevant Governmental Authority and receipted) as payment in respect of such costs and expenses (the amount of such costs and expenses to be certified by a senior officer of Parent in writing in reasonable detail). Intrawest will not be obligated to make payment pursuant to this section 5.7 if Intrawest has paid or is required to pay the fee referred to in section 5.6, and any fees paid by Intrawest under this section 5.7 will be credited against any fee payable in section 5.6 to the extent that it subsequently becomes payable by Intrawest.

5.8 Effect of Payments

Each of the parties acknowledges that the agreements contained in sections 5.6, 5.7 and 5.9 are an integral part of the transactions contemplated in this Agreement and that, without those agreements, the parties would not enter into this Agreement. Each party acknowledges that all of the payment amounts set out in sections 5.6, 5.7 and 5.9 are payments of liquidated damages which are a genuine pre-estimate of the damages which the party entitled to such damages will suffer or incur as a result of the event giving rise to such payment and the resultant termination of this Agreement and are not penalties. Each party irrevocably waives any right that it may have to raise as a defence that any such liquidated damages are excessive or punitive. For greater certainty, the parties agree that the payment of an amount pursuant to sections 5.6, 5.7 and 5.9, subject to section 4.2, is the sole monetary remedy of the party receiving such payment. Nothing contained herein will preclude a party from seeking injunctive relief to restrain any breach or threatened breach of the covenants or agreements set forth in this Agreement or the Confidentiality Agreement or otherwise to obtain specific performance of any such acts, covenants or agreements.

5.9 Payment to Intrawest

In the event that this Agreement is:

- (a) terminated by Intrawest pursuant to sections 6.1(d), 6.1(h) or:
- (b) terminated by either Intrawest or Parent pursuant to section 6.1(b)(i) following any failure by Acquisitionco and Parent to obtain the financing referred to in section 4.8 or a failure by Parent or Acquisitionco to perform or comply with their obligations in sections 2.1(h) or 4.7(e), then, in any such case, Parent and Acquisitionco will pay to Intrawest by wire transfer in immediately available funds to an account designated by Intrawest an amount equal to \$60 million. Such payment will be due within two business days of such termination.

ARTICLE 6
TERMINATION OF AGREEMENT

6.1 Termination

This Agreement may be terminated at any time before the Effective Time:

- (a) by agreement in writing executed by Parent and Intrawest;
- (b) by either Intrawest or Parent, upon written notice by either one to the other:
 - (i) if the Effective Date does not occur on or before the Termination Deadline, except that the right to terminate this Agreement under this section 6.1(b)(i) shall not be available to any party to this Agreement whose failure to fulfil any of its obligations has been a significant cause of, or resulted in, the failure of the Effective Time to occur by such date;
 - (ii) if the Intrawest Meeting is held and the Arrangement Resolutions are not passed by the Intrawest Securityholders in accordance with applicable Legislation and the Interim Order; or
 - (iii) if any Law makes the consummation of the Arrangement or the transactions contemplated by this Agreement illegal or otherwise prohibited and such Law has become final and non-appealable;
- (c) by Intrawest upon written notice to Parent, in order to enter into a definitive agreement providing for the implementation of a Superior Proposal, subject to compliance with sections 5.2, 5.3 and 5.4;
- (d) by Intrawest upon written notice to Parent if Acquisitionco does not provide the Transfer Agent with sufficient funds to complete the transactions contemplated by sections 3.1(b), (f), (h) and (i) of the Plan of Arrangement as required pursuant to section 2.1(h);
- (e) by Parent upon written notice to Intrawest if (i) the Board of Directors shall have failed to recommend this Agreement or the Arrangement, or (ii) if the Board of Directors or any committee thereof shall have (A) withdrawn, qualified or otherwise modified in a manner adverse to Parent and Acquisitionco, or proposed publicly to withdraw or so qualify or otherwise modify, the approval or recommendation of the Board of Directors or any committee thereof of this Agreement or the Arrangement or (B) approved or recommended, or proposed publicly to approve or recommend, any Acquisition Proposal;
- (f) by Parent upon written notice to Intrawest if, following any Acquisitionco Proposal that is made or publicly announced, the Board of Directors or the Special Committee fails to publicly affirm its approval or recommendation of the Arrangement within five business days of any written request to do so from Parent;

- (g) subject to compliance with section 6.3 neither Parent or Acquisitionco is in material breach of its obligations under this Agreement, by Parent upon written notice to Intrawest if Intrawest has breached any of its representations, warranties, covenants or agreements contained in this Agreement, which breach would give rise to the failure of a condition set forth in section 7.3(a) or 7.3(b); and
- (h) subject to compliance with section 6.3 Intrawest is not in material breach of its obligations under this Agreement, by Intrawest on written notice to Parent, if Acquisitionco or Parent has breached any of its representations, warranties, covenants or agreements contained in this Agreement, which breach would give rise to the failure of a condition set forth in section 7.2(a) or 7.2(b).

6.2 Void upon Termination

If this Agreement is terminated, it will, except as provided in sections 4.2, 5.6, 5.7, 5.8, 5.9 and this section 6.2 and except for obligations of confidentiality in sections 4.3, 4.5 and 5.4, (ecome void and of no force and effect and no party will have any liability or further obligation to the other party hereunder, provided that neither the termination of this Agreement nor anything contained in sections 5.6, 5.7 or 5.8 or this section 6.2 will relieve any party from any liability for any wilful breach by it of this Agreement, including its representations and warranties and its covenants and agreements made herein.

6.3 Notice of Unfulfilled Conditions

If either Intrawest, on the one hand, or Parent and Acquisitionco, on the other hand, determines at any time prior to the Effective Date that it intends to refuse to complete the transactions contemplated hereby because of any unfulfilled or unperformed condition contained in this Agreement, such party will so notify the other party forthwith upon making such determination in order that the other party will have the right and opportunity to take such steps, at its own expense, as may be necessary for the purpose of fulfilling or performing such condition within a reasonable period of time, but in no event later than the Termination Deadline. Neither Intrawest nor Parent and Acquisitionco may exercise any termination right arising therefrom and no payments will be payable as a result of such election pursuant to section 5.6, 5.7 or 5.9 unless forthwith and in any event prior to the filing on the Effective Date of Articles of Arrangement for the purpose of giving effect to the Arrangement, the party intending to rely thereon has given a written notice to the other party specifying in reasonable detail all breaches of covenants, representations and warranties or other matters which the party giving such notice is asserting as the basis for the nonfulfillment of the applicable condition precedent or the exercise of the termination right, as the case may be. If any such notice is given, provided that the other party is proceeding diligently to cure such matter, if such matter is susceptible to being cured, the party giving such notice may not terminate this Agreement as a result thereof until the later of the Termination Deadline and the expiration of a period of 30 days from such notice. If such notice has been given prior to the date of the Intrawest Meeting, such meeting, unless the parties otherwise agree, will be postponed or adjourned and will not be held until such time as is reasonably practicable after the earlier of (i) the matter to which the notice relates being cured and (ii) the expiry of such period. If such notice has been given prior to the making of application for the Final Order, such application will be postponed and will not be made until such time as is reasonably practicable after the earlier of (i) the matter to which the notice

relates being cured and (ii) the expiry of such period. For greater certainty, in the event that such matter is cured within the time period referred to herein, the Agreement may not be terminated as a result thereof.

ARTICLE 7

CONDITIONS PRECEDENT

7.1 Mutual Conditions Precedent

The respective obligations of the parties hereto to complete the Arrangement are subject to the satisfaction of, or mutual waiver by Parent and Intrawest on or before the Effective Date of, each of the following conditions, which are for the mutual benefit of Parent and Acquisitionco, on the one hand, and Intrawest, on the other hand, and which may be waived, in whole or in part, by Parent (on its own behalf, and on behalf of Acquisitionco) and Intrawest at any time:

- (a) the Interim Order will have been obtained in form and substance satisfactory to each of Parent and Intrawest, acting reasonably, and such Interim Order will not have been set aside or modified in any manner unacceptable to either Parent or Intrawest, acting reasonably, on appeal or otherwise;
- (b) the Arrangement Resolutions, in form and substance acceptable to Parent and Intrawest, acting reasonably, will have been passed by the Intrawest Securityholders and Common Shareholders at the Intrawest Meeting in accordance with the Interim Order and the applicable Legislation;

- (d) all Appropriate Regulatory Approvals will have been obtained or concluded or, in the case of waiting or suspensory periods, expired or been terminated;
- (e) no Governmental Authority will have enacted, issued, promulgated, enforced, made, entered, issued or applied any Law (whether temporary, preliminary or permanent) that makes the Arrangement illegal or otherwise directly or indirectly enjoins, restrains or otherwise prohibits consummation of the Arrangement or the other transactions contemplated herein;
- (f) no person will have filed any notice of appeal of the Final Order, and no person will have communicated in writing to Intrawest or Parent any intention to appeal the Final Order which, in the reasonable opinion of Parent or Intrawest (on the advice of legal counsel), would make it inadvisable to proceed with the implementation of the Arrangement; and
- (g) this Agreement will not have been terminated pursuant to Article 6.

7.2 Additional Conditions Precedent to the Obligations of Intrawest

The obligation of Intrawest to complete the Arrangement will be subject to the satisfaction of, or waiver by Intrawest, on or before the Effective Date of the following conditions, each of which is for the exclusive benefit of Intrawest and which may be waived by Intrawest at any time, in whole or in part, in its sole discretion and without prejudice to any other rights that Intrawest may have:

- (a) each of Parent and Acquisitionco will have complied in all material respects with its obligations, covenants and agreements in this Agreement to be performed and complied with on or before the Effective Date;
- (b) the representations and warranties of Parent and Acquisitionco in section 3.3 (which for the purposes of this section 7.2 will be read as though none of them contained any Material Adverse Effect qualification or other materiality qualification) will be true and correct in all material respects as of the Effective Date as if made on and as of such date (except for such representations and warranties which refer to or are made as of another specified date, in which case such representations and warranties will have been true and correct in all respects as of that date) except for breaches of representations and warranties which individually or in the aggregate do not prevent or materially delay the consummation of the transactions contemplated herein or significantly impair the ability of Parent or Acquisitionco to perform its obligations hereunder or under the Plan of Arrangement;
- (c) Intrawest will have received a certificate of Parent and Acquisitionco, signed by a senior officer of Parent and Acquisitionco and dated the Effective Date, certifying that the conditions set out in section 7.2(a) and (b) have been satisfied (provided that Parent and Acquisitionco will not have any actual knowledge to the contrary), which certificate will cease to have any force and effect after the Effective Time; and
- (d) Acquisitionco will have deposited with the Transfer Agent sufficient funds to complete the transactions contemplated by sections 3.1(b), (f), (h) and (i) of the Plan of Arrangement and the Transfer Agent will have confirmed to Intrawest the receipt of such funds, which will be held by the Transfer Agent in an escrow or restricted account agreement among Acquisitionco, Acquisitionco's lenders, if applicable, Intrawest and the Transfer Agent, reasonably satisfactory to all parties thereto, pursuant to which, among other things, the Transfer Agent will be irrevocably authorized and instructed to release the funds to the Transfer Agent, in its capacity as depository in respect of the Arrangement upon the Arrangement becoming effective.

7.3 Additional Conditions Precedent to the Obligations of Parent and Acquisitionco

The obligation of Parent and Acquisitionco to complete the Arrangement will be subject to the satisfaction of, or waiver by Parent, on or before the Effective Date of the following conditions, each of which is for the exclusive benefit of Parent and Acquisitionco and which may be waived by Parent (on its own behalf and on behalf of Acquisitionco) at any time, in whole or in part, in its sole discretion and without prejudice to any other rights that Parent and Acquisitionco may have:

- (a) Intrawest will have complied in all material respects with its obligations, covenants and agreements in this Agreement to be performed and complied with on or before the Effective Date;
- (b) the representations and warranties of Intrawest in section 3.1 (which for the purposes of this section 7.3 will be read as though none of them contained any Material Adverse Effect qualification or other materiality qualification) will be true and correct in all respects as of the Effective Date as if made on and as of such date (except for such representations and warranties which refer to or are made as of another specified date, in which case such representations and warranties will have been true and correct in all respects as of that date) except for breaches of representations and warranties which individually or in the aggregate reflect conditions or events which do not have, and would not reasonably be expected to have, a Material Adverse Effect on Intrawest;
- (c) Parent will have received a certificate of Intrawest signed by a Senior Officer of Intrawest and dated the Effective Date certifying that the conditions set out in sections 7.3(a) and (b) have been satisfied (provided that Intrawest will not have any actual knowledge to the contrary) which certificate will cease to have any force and effect after the Effective Time;
- (d) there will not exist or have occurred (or been threatened) any change (or any condition, event or development involving a prospective change) which, individually or in the aggregate, has had, or would reasonably be expected to have, a Material Adverse Effect on Intrawest; and

Parent on the one hand, and Intrawest, on the other hand, will each pay 50% of all requisite filing fees and applicable Taxes in relation to any filing or application made in respect of the *Competition Act* and in respect of the *HSR Act*.

8.3 No Assignment

Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned by any party hereto, in whole or in part (whether by operation of law or otherwise). Notwithstanding the foregoing, Intrawest acknowledges that Parent intends to transfer all of the outstanding common shares of Acquisitionco to a Luxembourg company (**Luxco**) to be established by Fortress and, upon such assignment, Parent will, and will be permitted to, assign the Agreement to Luxco and, upon such assignment, Luxco will assume all of Parent's rights and obligations under this

Agreement and all references in this Agreement to Parent shall be deemed to refer to Luxco unless the context otherwise requires.

8.4 Binding Effect

This Agreement will be binding upon the parties hereto and will enure to the benefit of and be binding upon their respective successors (including any successor by reason of amalgamation or statutory arrangement).

8.5 Parent and Acquisitionco

Parent, as the sole shareholder of Acquisitionco, covenants and agrees to cause Acquisitionco to take all steps, to do and perform all such acts and things, to execute and deliver all such agreements, documents and other instruments, and to pay such amounts, as are necessary or desirable to comply with all covenants and agreements of Acquisitionco contained herein and, upon the Arrangement becoming effective, under the Plan of Arrangement, in accordance with the terms and conditions hereof and thereof. The agreements, covenants, representations and warranties and other obligations herein (including the representations and warranties in section 3.3) which are expressed to be made by Acquisitionco and Parent are joint and several agreements, covenants, representations and warranties and obligations.

8.6 Time of Essence

Except as otherwise expressly provided in this Agreement, time will be of the essence of this Agreement, both in respect of the dates and periods mentioned and in respect of any dates or periods which may be substituted for them in accordance with the provisions of this Agreement or by agreement in writing between the parties.

8.7 Public Announcements

Parent and Intrawest will consult with each other as to the general nature of any news release, public announcement or public statement with respect to this Agreement or the Arrangement and, subject to applicable Laws, will not issue any news release, public announcement or public statement inconsistent with the results of such consultation. Subject to applicable Laws, neither Parent nor Intrawest will make any news release, public announcement or public statement about this Agreement, the Arrangement and the transactions contemplated herein which has not been previously approved by the other, except (a) a material change report in respect of this Agreement and the transactions contemplated herein to be filed by Intrawest as required pursuant to the Legislation (it being understood that Intrawest will provide a draft of such report to Parent and its legal counsel prior to filing and consider in good faith any comments and revisions requested by Parent) and filing of a copy of this Agreement as required pursuant to the Legislation and other applicable Laws and (b) as may be required under the Legislation or other applicable Laws, or the rules, regulations, policies or other requirements of, or listing agreement with, either of the Exchanges, including any requirement to issue any news release, as determined in the good faith judgment of the party and file such release with a regulatory authority (in which case such party will first make a reasonable effort to consult with the other party and obtain such approval and to enable the other party to review and comment on such news release it proposes to issue or file prior to the release thereof, other than with respect to any confidential information contained in such disclosure),

Intrawest and Parent will consult with one another regarding the initial news release with respect to this Agreement and the transactions contemplated herein, which will be in a form acceptable to both parties and will be issued and filed as soon as practicable following execution of this Agreement.

8.8 Governing Law

This Agreement will be governed by and construed in accordance with the laws of British Columbia and the federal laws of Canada applicable therein. Each party hereto irrevocably submits and attorns to the non-exclusive jurisdiction of the courts of British Columbia with respect to any matter arising under or in relation to this Agreement and the Arrangement.

8.9 Entire Agreement

This Agreement (qualified by and subject to, to the extent applicable as provided herein, the disclosures made in the Intrawest Disclosure Letter, together with the Confidentiality Agreement, constitutes the entire agreement between the parties hereto pertaining to the subject matter hereof and cancels and supersedes all other prior agreements, arrangements, understandings, undertakings, negotiations and discussions of any nature, whether oral or written, between the parties hereto with respect to the subject matter hereof. There are no representations, warranties, covenants, terms, conditions, undertakings or collateral agreements, expressed, implied or statutory, between the parties hereto with respect to the subject matter hereof except as expressly set forth in this Agreement and the Confidentiality Agreement. Without limiting the generality of the foregoing, Acquisitionco and Parent acknowledge and agree that no representation, warranty or other assurance has been given by Intrawest in respect of any projection, forecast or other forward-looking information.

8.10 No Third-Party Beneficiaries

Except for the rights of the Common Shareholders and holders of Intrawest Options to receive the consideration for their Common Shares or Intrawest Options following the Effective Time pursuant to the Plan of Arrangement, this Agreement is not intended to confer any rights or remedies upon any other person, provided however that section 4.10 is intended for the benefit of the officers and employees of Intrawest that are or will be party to or participants in the employment, retention or change of control agreements and arrangements referred to in section 4.10 and section 4.11 is intended for the benefit of the directors and officers of Intrawest or its subsidiaries and such sections will be enforceable by each of such persons and his or her heirs, executors, administrators and other legal representatives (collectively, the **Intrawest Beneficiaries**) and Intrawest and any successors to Intrawest (including any Surviving Corporation) will hold the rights and benefits of sections 4.10 and 4.11 and this section 8.10 in trust for and on behalf of the Intrawest Beneficiaries and Intrawest hereby accepts such trust and agrees to hold the benefit of and enforce performances of such covenants on behalf of the Intrawest Beneficiaries and such rights are in addition to, and not in substitution for, any other rights that any Intrawest Beneficiary may have by contract or otherwise, provided however that no approval of any beneficiary of such trust will be required in connection

with an amendment or variation of sections 4.10 and 4.11 or this section 8.10 prior to the Effective Date.

8.11 Amendment

Subject to any requirements imposed by applicable Laws or by the Court, this Agreement and the Plan of Arrangement may, at any time and from time to time before or after the holding of the Intrawest Meeting but not later than the Effective Time, be amended by written agreement of the parties hereto, and any such amendment may, without limitation:

- (a) change the time for performance of any of the obligations or acts of the parties;
- (b) waive any inaccuracies or modify any representation, term or provision contained herein or in any document delivered pursuant hereto; or
- (c) waive compliance with or modify any of the conditions precedent referred to in Article 7 or any of the covenants herein contained or waive or modify performance of any of the obligations of the parties hereto; provided, however, that no such amendment may reduce or materially affect the consideration to be received by the Intrawest Securityholders under the Arrangement without their approval at the Intrawest Meeting or, following the Intrawest Meeting, without their approval given in the same manner as required by applicable Legislation for the approval of the Arrangement as may be required by the Court and provided further that Intrawest shall agree to any amendments proposed by Parent to section 3.1 of the Plan of Arrangement (and shall take such steps as are necessary to effect such amendments of the Plan of Arrangement in accordance with the terms thereof), including the ordering of the steps set out therein, but only to the extent that such amendments have consequences to each of Intrawest, the Intrawest Securityholders, the DSU Holders and the RSU holders which are equivalent to or better than those contemplated in the Plan of Agreement.

8.12 Waiver and Modifications

Intrawest, on the one hand, and Parent and Acquisitionco, on the other hand, may (i) waive or consent to the modification of, in whole or in part, any inaccuracy of any representation or warranty made to them hereunder or in any document to be delivered pursuant hereto, (ii) extend the time for the performance of any of the obligations or acts of the other party, (iii) waive or consent to the modification of any of the covenants herein contained for their respective benefit or waive or consent to the modification of any of the obligations of the other hereto or (iv) waive the fulfillment of any condition to its own obligations contained herein. Any waiver or consent to the modifications of any of the provisions of this Agreement, to be effective, must be in writing executed by the party or parties granting such waiver or consent and, unless otherwise provided in such written waiver, will be limited to the specific breach or condition waived. No delay or omission by any party to this Agreement in exercising any right, power or remedy provided by Law or under this Agreement, or failure of any party to assent to any of the rights provided by Law or under this Agreement will affect that right, power or remedy or constitute or operate as a waiver thereof. The single or partial exercise of any right, power or remedy provided by Law or under this Agreement will not preclude any further exercise of such right, power or remedy or the exercise of any further exercise of such right, power or remedy or the exercise of any other right, power or remedy. No waiver or partial

waiver of any nature, in any one or more instances, will be deemed or construed a continued waiver of any condition or breach of any other term, representation or warranty in this Agreement.

8.13 Severability

If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any Law or public policy, all other terms and provisions of this Agreement will nevertheless remain in full force and effect and will in no way be affected, impaired or invalidated so long as the economic or legal substance of the transactions contemplated herein is not affected in any manner which has a Material Adverse Effect on either Intrawest or Parent. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto will negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the Arrangement is consummated as originally contemplated to the greatest extent possible.

8.14 Mutual Interest

Notwithstanding the fact that any part of this Agreement has been drafted or prepared by or on behalf of one of the parties hereto, all parties confirm that they and their respective counsel have reviewed and negotiated this Agreement and that the parties hereto have adopted this Agreement as the joint agreement and understanding of the parties, and the language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and the parties hereto waive the application of any Laws or rule or construction providing that ambiguities in any agreement or other document will be construed against the party drafting such agreement or other document and agree that no rule of construction providing that a provision is to be interpreted in favour of the person who contracted the obligation and against the person who stipulated it will be applied against any party hereto.

8.15 Further Assurances

Subject to the conditions of this Agreement, the parties hereto will, from time to time and at all times hereafter, at the request of the other party, do all such further acts and things, including executing and delivering all such further deeds, agreements, transfers, documents, assurances and instruments, as will be reasonably necessary in order to fully perform and carry out the terms and intent of this Agreement and, in the event the Arrangement becomes effective, to document or evidence any of the transactions or events set out in the Plan of Arrangement and, where appropriate, the parties hereto will cooperate with each other in doing those acts and things.

8.16 Injunctive Relief

The Parties agree that irreparable harm would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached for which money damages would not be an adequate remedy at law. It is accordingly agreed that the Parties will be entitled to an injunction or injunctions and other equitable relief to prevent breaches of this Agreement, any requirement for the securing or posting of any bond in connection with the obtaining of any such injunctive or other equitable relief hereby being waived.

8.17 No Personal Liability

- (a) No director, officer or employee of Parent or Acquisitionco will have any personal liability to Intrawest under this Agreement or any other document delivered in connection with this Agreement or the Arrangement on behalf of Parent or Acquisitionco.
- (b) No director, officer or employee of Intrawest will have any personal liability to Parent or Acquisitionco under this Agreement or any other document delivered in connection with this Agreement or the Arrangement on behalf of Intrawest.

8.18 Counterparts

This Agreement may be executed and delivered (including by facsimile transmission) by the different parties hereto in separate counterparts, each of which will when executed be deemed an original and all of which taken together will constitute one and the same agreement. The exchange of copies of this Agreement and of signature pages by facsimile or electronic transmission will constitute effective execution and delivery of this Agreement as to the parties and may be used in lieu of the original Agreement for all purposes. Signatures of the authorized signatories of the parties transmitted by facsimile or electronic transmission will be deemed to be their original signatures for all purposes.

- (a) At or before the filing of the Articles of Arrangement, Acquisitionco will deposit, and Parent will cause Acquisitionco to deposit, with the Depository in escrow for the benefit of the Common Shareholders, cash in the aggregate amount equal to the payments contemplated by section 3.1(f) (calculated without reference to whether any Common Shareholders have exercised or may exercise Dissent Rights). Any such certificate formerly representing Common Shares not duly surrendered on or before the sixth anniversary of the Effective Date will cease to represent a claim by or interest of any former Common Shareholder of any kind or nature against or in Intrawest, Parent or Acquisitionco. On such date, all cash to which such former holder was entitled will be deemed to have been surrendered to Acquisitionco.
- (c) Subject to section 5.3, Acquisitionco will cause the Depository, as soon as practicable following the later of the Effective Date and the date of deposit by any former holder of Common Shares with the Depository of the documentation required pursuant to section 5.1(a), to:

- (d) No former holder of Common Shares that were acquired by Acquisitionco pursuant to section 3.1(f) will be entitled to receive any consideration with respect to such Common Shares, other than the net cash payment, if any, which they are entitled to receive in accordance with section 3.1(f) and, for greater certainty, no such former holder will be entitled to receive any interest, dividends, premium or other payment in connection therewith.
- (e) Until such time as a former holder of Common Shares that were acquired by Acquisitionco pursuant to section 3.1(f) complies with the provisions of section 5.1(a), the cash payment, to which such former holder is entitled will, subject to section 5.3, be paid to and held by the Depositary to be held in trust for such former holder for delivery to such former holder, without interest, upon deposit with the Depositary of the documentation required pursuant to section 5.1(a).
- (f) Subject to section 5.3, until surrendered as contemplated by this section 5.1, each certificate which immediately prior to the Effective Date represented Common Shares that were acquired by Acquisitionco under the Arrangement will be deemed at all times after the time described in section 3.1(f) to represent only the right to receive upon such surrender the net cash payment from the Depositary which such former holder is entitled to receive pursuant to section 3.1(f) in accordance with the provisions of this Plan of Arrangement.
- (g) At or before the Effective Time, Acquisitionco will deposit, on behalf of Intrawest and Parent will cause Acquisitionco to deposit, on behalf of Intrawest with the Depositary in escrow the amount of cash required to satisfy the payment obligations of Intrawest pursuant to sections 3.1(b), 3.1(h) and 3.1(i) such amount to be held for purposes of such obligations. The cash shall be held in a separate interest-bearing account and any interest earned on such funds will be for the account of Intrawest.
