NEWS RELEASE

**TEEKAY LNG PARTNERS ANNOUNCES
PUBLIC OFFERING OF 5,000,000 COMMON UNITS**

Hamilton, Bermuda, April 16, 2008 - Teekay LNG Partners L.P. (*Teekay LNG* or *the Partnership*) (NYSE: TGP) announced today that it plans to offer 5,000,000 common units representing limited partner interests in a public offering. Teekay LNG expects to grant the underwriters a 30-day option to purchase an additional 750,000 common units to cover over-allotments, if any. The Partnership expects to use the net proceeds from the public offering to repay amounts outstanding on one of its revolving credit facilities, which has been used to fund vessel acquisitions. In addition and concurrently with the closing of the public offering, Teekay Corporation (*Teekay*), the parent of our general partner, has agreed that it will purchase directly from Teekay LNG an aggregate of \$50.0 million worth of common units at the public offering price.

Teekay LNG Partners L.P. is a publicly-traded master limited partnership formed by Teekay (NYSE: TK) as part of its strategy to expand its operations in the liquefied natural gas (LNG) and liquefied petroleum gas (LPG) shipping sectors. Teekay LNG provides LNG, LPG and crude oil marine transportation services under long-term, fixed-rate time charter contracts with major energy and utility companies through its fleet of fifteen LNG carriers, four LPG carriers and eight Suezmax class crude oil tankers. Six of the fifteen LNG carriers and three of the four LPG carriers are newbuildings scheduled for delivery between the second quarter of 2008 and mid-2009.

Teekay LNG's common units trade on the New York Stock Exchange under the symbol TGP.

After the offering, Teekay will own approximately a 58% interest in Teekay LNG, including common units, subordinated units and its general partner interest. This ownership interest will be reduced to approximately 57% if the underwriters exercise their over-allotment option in full.

The joint book running managers for this offering are Citi and Wachovia Securities.
