Item 4.01 Changes in Registrant's Certifying Accountant

On February 24, 2006, Shelley International, CPA (Shelley) withdrew as the registrant's independent registered public accounting firm. The reason for the withdrawal is the retirement of the firm's principal. Shelley had audited the registrant's financial statements for the fiscal years ended December 31, 2004 and 2003. On February 24, 2006, the registrant engaged Semple & Cooper, LLP to serve as the company's independent registered public accountants for the fiscal year ending December 31, 2005. The registrant's board of directors approved both actions.

The audit report of Shelley on the financial statements as of December 31, 2004 and for the two years then ended contained a separate paragraph stating: The accompanying financial statements have been prepared assuming that the company will continue as a going concern. The Company has experienced losses since inception. This raises substantial doubt about the Company's ability to continue as a going concern. The financial statements do not include any adjustments that might result from this uncertainty.

During the two most recent fiscal years and the subsequent interim period through February 24, 2006, there were no disagreements with Shelley on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to the satisfaction of Shelley, would have caused it to make reference to the subject matter of the disagreement in connection with its report. The registrant has requested Shelley to furnish it a letter addressed to the Commission stating whether it agrees with the above statements. A copy of that letter will be filed as an exhibit to this Form 8-K by amendment.

There were no other reportable events as that term is described in Item 304(a)(1)(iv) of Regulation S-B occurring within the registrant's two most recent fiscal years and the subsequent interim period ending February 24, 2006.

During the registrant's two most recent fiscal years and through February 24, 2006, the date prior to the engagement of Semple & Cooper, LLP, neither the registrant nor anyone on its behalf consulted Semple & Cooper, LLP regarding the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the registrant's consolidated financial statements.
