To the stockholders of Conexant Systems, Inc. and GlobespanVirata, Inc.

MERGER PROPOSED YOUR VOTE IS VERY IMPORTANT

The boards of directors of Conexant Systems, Inc. and GlobespanVirata, Inc. have each unanimously approved a strategic merger of the two companies. We want to merge our two companies because we believe that the combined company will be a worldwide leader in semiconductor solutions for broadband communications and the digital home. The combined company, which will be headquartered in Red Bank, New Jersey, will have approximately 2,400 employees worldwide. We believe that the merger will benefit the stockholders of both companies and we ask for your support in voting for the merger proposals at our respective stockholders' meetings.

In the merger, each share of GlobespanVirata common stock will be converted into the right to receive 1.198 shares of Conexant common stock and cash in lieu of fractional shares. After completion of the merger, the current stockholders of Conexant are expected to own approximately 62.75% and the current stockholders of GlobespanVirata are expected to own approximately 37.25% of Conexant. The merger will be tax-free to Conexant stockholders and GlobespanVirata stockholders, except, in the case of GlobespanVirata stockholders, for the receipt of cash instead of fractional shares of Conexant.

Conexant common stock is traded on the Nasdaq National Market System under the symbol CNXT.

In order to complete the merger, we must obtain the approvals of the stockholders of both of our companies. Each of us will hold a meeting of our stockholders to consider and vote on the merger proposals. GlobespanVirata will hold a special meeting of its stockholders for this purpose, and Conexant stockholders will vote on the merger proposals at the Conexant 2004 annual meeting of stockholders. Whether or not you plan to attend your company's stockholders' meeting, please take the time to vote by completing and mailing the enclosed proxy card to us or by submitting your proxy by telephone or via the Internet. If you sign, date and mail your proxy card without indicating how you want to vote, your proxy will be counted as a vote **FOR** the approvals sought in connection with the merger. For GlobespanVirata stockholders, if you do not return your proxy card, or if you do not instruct your broker how to vote any shares held for you in street name, the effect will be a vote against the merger.

Conexant stockholders will also vote on proposals to (i) approve amendments to the Conexant Directors Stock Plan, (ii) approve the assumption and adoption of certain GlobespanVirata stock plans, (iii) elect three members of the Conexant board of directors with terms expiring at the 2007 annual meeting of stockholders and (iv) ratify the appointment of Deloitte & Touche LLP as independent auditors for Conexant. Completion of the merger is a condition to the effectiveness of the first two additional Conexant proposals. Approval of the additional Conexant proposals is not a condition to completion of the merger.

QUESTIONS AND ANSWERS ABOUT THE MERGER

Q: Why are Conexant and GlobespanVirata proposing the merger?

A: We want to merge our two companies because we believe that the combined company will be a worldwide leader in semiconductor solutions for broadband communications and the digital home. While no assurances can be made, we believe that by combining we have the opportunity to capture significant operating efficiencies through scale and synergy. We believe that the combined company will deliver stronger financial performance and create more value for our stockholders, customers and employees than either company could operating independently.

Q: What will happen in the merger?

A: We are proposing to combine our companies in a strategic merger in which Concentric Sub, Inc., a newly-formed wholly-owned subsidiary of Conexant, will merge with and into GlobespanVirata, with GlobespanVirata surviving as a wholly-owned subsidiary of Conexant. We refer to this transaction as the merger.

Q: What will I receive in the merger?

A: *Conexant stockholders.* Each share of Conexant common stock and each option and warrant to purchase Conexant common stock will remain outstanding and unaffected by the merger.

GlobespanVirata stockholders. In the merger, GlobespanVirata stockholders will have their shares of GlobespanVirata common stock converted into shares of Conexant common stock at a rate of 1.198 Conexant shares for each GlobespanVirata share owned. Instead of fractional shares of Conexant common stock, GlobespanVirata stockholders will receive cash. Each option and warrant to purchase GlobespanVirata common stock outstanding immediately prior to the effective time of the merger will become an option or warrant to purchase shares of Conexant common stock for an adjusted number of shares and with an adjusted exercise price based on the 1.198 exchange ratio.

Outstanding GlobespanVirata stock options with exercise prices of \$20 or more per share issued under certain GlobespanVirata stock plans held by each person who immediately prior to the effective time of the merger is a GlobespanVirata employee or director and who immediately after the effective time of the merger will be a Conexant employee or director will not be converted into options to purchase Conexant common stock, but will become fully exercisable and vested and, if not exercised prior to the effective time of the merger, will automatically expire immediately prior to the effective time of the merger. Holders of these options will receive from GlobespanVirata a cash payment in respect of the expiration of these options.

We expect that, after completion of the merger, the current stockholders of Conexant will own approximately 62.75% and the current stockholders of GlobespanVirata will own approximately 37.25% of Conexant.

Q: What are stockholders being asked to vote on at the stockholders meetings?

A: *Conexant stockholders.* Conexant stockholders will vote on a proposal to approve the issuance of Conexant common stock in the merger pursuant to the merger agreement. Conexant stockholders will also vote on proposals to (i) approve amendments to the Conexant Directors Stock Plan, (ii) approve the assumption and adoption of certain GlobespanVirata stock plans, (iii) elect three members of the Conexant board of directors with terms expiring at the 2007 annual meeting of stockholders and (iv) ratify the appointment of Deloitte & Touche LLP as independent auditors for Conexant. Completion of the merger is a condition to the effectiveness of the first two additional Conexant proposals. Approval of the additional Conexant proposals is not a condition to completion of the merger.

Edgar Filing: CONEXANT SYSTEMS INC - Form S-4/A

GlobespanVirata stockholders. GlobespanVirata stockholders will vote on a proposal to approve and adopt the merger agreement and approve the merger.

Conexant and GlobespanVirata stockholders may also be asked to consider other matters as may properly come before their respective stockholders meetings; however, Conexant and GlobespanVirata know of no other matters that will be presented for consideration at the stockholders meetings.

Q: When are the stockholders meetings?

A: Conexant's annual meeting and GlobespanVirata's special meeting each will take place at 10:00 a.m., local time, on February 25, 2004 at the location specified on the cover page of this joint proxy statement/prospectus.

Q: What stockholder approvals are needed?

A: For Conexant, the affirmative vote of a majority of the votes entitled to be cast by holders of shares of Conexant common stock present or represented by proxy and entitled to vote, a quorum being present, is required to approve each of the three proposals related to the merger: the issuance of Conexant common stock in the merger, the amendments to the Conexant Directors Stock Plan and the assumption and adoption of the GlobespanVirata stock plans and to approve the proposal to ratify the appointment of Deloitte & Touche LLP as independent auditors for Conexant. The three nominees for election as directors of Conexant who receive the highest number of affirmative votes, a quorum being present, will be elected. The Conexant board of directors unanimously recommends that you vote **FOR** the proposal to approve the issuance of Conexant common stock in the merger pursuant to the merger agreement, **FOR** the proposal to approve amendments to the Conexant Directors Stock Plan, **FOR** the proposal to approve the assumption and adoption of certain GlobespanVirata stock plans, **FOR** the proposal to elect the three nominees for director and **FOR** the proposal to ratify the appointment of Deloitte & Touche LLP as independent auditors for Conexant.

For GlobespanVirata, the affirmative vote of the holders of a majority of the outstanding shares of GlobespanVirata common stock entitled to vote is required to approve and adopt the merger agreement and approve the merger. The GlobespanVirata board of directors unanimously recommends that you vote **FOR** the proposal to approve and adopt the merger agreement and approve the merger.

Q: What do I need to do now?

A: After carefully reading and considering the information in this joint proxy statement/prospectus, please respond by completing, signing and dating your proxy card or voting instruction card and returning it in the enclosed, postage-paid envelope, or by submitting your proxy or voting instructions by telephone or through the Internet, as soon as possible so that your shares may be represented at your stockholders meeting.

Q: What if I don't vote?

A: *Conexant stockholders.* If you fail to respond, it will not affect the number of votes for or against approval of any of the proposals to be presented at the Conexant annual meeting. If you respond and do not indicate how you want to vote, your proxy will be counted as a vote in favor of approval of each of the proposals to be presented at the Conexant annual meeting, unless your shares are held in street name, as described in the next question. If you respond and abstain from voting, your proxy will have the same effect as a vote against approval of each of the proposals to be presented at the Conexant annual meeting (other than the election of directors).

GlobespanVirata stockholders. If you fail to respond, it will have the same effect as a vote against the merger. If you respond and do not indicate how you want to vote, your proxy will be counted as a

vote in favor of approval of the merger, unless your shares are held in street name, as described in the next question. If you respond and abstain from voting, your proxy will have the same effect as a vote against approval of the merger.

Q: If my shares are held in street name by my broker, will my broker vote my shares for me?

A: If you do not provide your broker with instructions on how to vote your street name shares, your broker will not be permitted to vote your shares on the proposals related to the merger. You should therefore be sure to provide your broker with instructions on how to vote your shares. Please check the voting form used by your broker to see if it offers telephone or Internet voting.

Conexant stockholders. If you do not give voting instructions to your broker with respect to a proposal related to the merger to be presented at the Conexant annual meeting, it will not affect the number of votes for or against approval of that proposal, unless you appear in person at the annual meeting with a valid proxy from your broker and vote on the proposal.

GlobespanVirata stockholders. If you do not give voting instructions to your broker with respect to the merger proposal, it will have the same effect as a vote against approval of the merger, unless you appear in person at the special meeting with a valid proxy from your broker and vote in favor of the merger proposal.

Q: Can I change my vote after I have delivered my proxy?

A: Yes. You can change your vote at any time before your proxy is voted at your stockholders meeting. You can do this in one of three ways. First, you can revoke your proxy. Second, you can submit a new proxy. If you choose either of these two methods and you are a holder of record, you must submit your notice of revocation or your new proxy to the Secretary of Conexant or GlobespanVirata, as appropriate, before your respective stockholders meeting. However, if your shares are held in street name by your broker, you should contact your broker to change your vote. Third, if you are a holder of record, or if your shares are held in street name and you receive a valid proxy from your broker, you can attend the stockholders meeting and vote in person. If you submit your proxy or voting instructions by telephone or through the Internet, you can change your vote by submitting your proxy or voting instructions at a later date, using the same procedures, in which case your later submitted proxy or voting instructions will be recorded and your earlier proxy or voting instructions will be automatically revoked.

Q: Should I send in my stock certificates now?

A: No. Conexant stockholders will not need to do anything with their stock certificates. If you are a GlobespanVirata stockholder holding certificates for your GlobespanVirata shares, after the merger is completed, you will receive written instructions from the exchange agent on how to exchange your certificates representing shares of GlobespanVirata common stock for shares of Conexant common stock. **Please do not send in your stock certificates with your proxy.**

Q: Who is the exchange agent for the merger?

A: Mellon Investor Services LLC is the exchange agent.

Q: Where is Conexant common stock listed?

A: Conexant common stock is listed on the Nasdaq National Market System under the trading symbol CNXT.

Q: When will the merger be completed?

A: We are working to complete the merger as quickly as practicable. We expect to complete the merger promptly after the required stockholder approvals are obtained.

Q: What are the U.S. federal income tax consequences of the merger?

A: It is a condition to the merger that both Conexant and GlobespanVirata receive legal opinions from their respective tax counsel to the effect that the merger will qualify as a reorganization for U.S. federal income tax purposes. Assuming that the merger so qualifies, Conexant stockholders and GlobespanVirata stockholders generally will not recognize any taxable gain or loss for U.S. federal income tax purposes (except with respect to cash received by GlobespanVirata stockholders instead of fractional shares of Conexant common stock). In addition, neither Conexant nor GlobespanVirata will recognize any taxable gain or loss for U.S. federal income tax purposes as a result of the merger.

Q: Do I have appraisal rights?

A: No. Conexant and GlobespanVirata stockholders will not be entitled to exercise dissenters' or appraisal rights or to demand payment for their shares in connection with the merger.

The Merger

In the merger, Concentric Sub, Inc., a newly-formed wholly-owned Delaware subsidiary of Conexant, will merge with and into GlobespanVirata, with GlobespanVirata surviving as a wholly-owned subsidiary of Conexant. The combined company will be a Delaware corporation with its corporate headquarters in Red Bank, New Jersey and operating facilities around the world. The fiscal year of the combined company will end on the Friday closest to September 30 of each year. We expect to complete the merger promptly after the required stockholder approvals are obtained.

We have attached the merger agreement as Annex A to this document. We urge you to read the merger agreement. It is the legal document that governs the merger.

Reasons for the Merger

We want to merge our two companies because we believe that the combined company will be a worldwide leader in semiconductor solutions for broadband communications and the digital home. While no assurances can be made, we believe that by combining we have the opportunity to capture significant operating efficiencies through scale and synergy. We believe that the combined company will deliver stronger financial performance and create more value for our stockholders, customers and employees than either company could operating independently.

Our Recommendations to Stockholders

Conexant stockholders. The Conexant board of directors believes that the merger is fair to you and in your best interests, and unanimously recommends that you vote **FOR** the proposal to approve the issuance of Conexant common stock in the merger pursuant to the merger agreement, **FOR** the proposal to approve amendments to the Conexant Directors Stock Plan and **FOR** the proposal to approve the assumption and adoption of certain GlobespanVirata stock plans.

GlobespanVirata stockholders. The GlobespanVirata board of directors believes that the merger is fair to you and in your best interests, and unanimously recommends that you vote **FOR** the proposal to approve and adopt the merger agreement and approve the merger.

Exchange of Shares; Treatment of Fractional Shares

Conexant stockholders. After the merger, each outstanding share of Conexant common stock will remain outstanding and unaffected by the merger and each option and warrant to purchase Conexant common stock will also remain outstanding and unaffected by the merger. Conexant stockholders will not need to do anything with their stock certificates.

GlobespanVirata stockholders. In the merger, each outstanding share of GlobespanVirata common stock will become the right to receive 1.198 shares of Conexant common stock. We refer to this number as the exchange ratio .

No fractional shares of Conexant common stock will be issued in the merger. Instead of fractional shares of Conexant common stock, GlobespanVirata stockholders will receive checks representing the cash value of the fractional shares.

As soon as practicable after the effective time of the merger, a form of transmittal letter will be mailed by the exchange agent to GlobespanVirata stockholders who hold certificates for GlobespanVirata common stock. The transmittal letter will contain instructions with respect to the surrender of certificates representing GlobespanVirata common stock. **If you hold certificates for GlobespanVirata common stock, you should NOT return the certificates with the enclosed proxy and should NOT forward them to the exchange agent until you receive the letter of transmittal from the exchange agent.**

GlobespanVirata stockholders will receive shares of Conexant in book-entry form unless a physical certificate is requested. As soon as practicable after the effective time of the merger (or in the case of GlobespanVirata common stock held in certificated form, after receipt of a properly completed letter of transmittal, together with any other required documents), the exchange agent will (unless a physical certificate is requested) mail book-entry ownership account statements to GlobespanVirata stockholders indicating the number of shares of Conexant common stock owned by each such stockholder as a result of the merger.

Ownership of Conexant After the Merger

After completion of the merger, current Conexant stockholders are expected to own approximately 62.75% and current GlobespanVirata stockholders are expected to own approximately 37.25% of Conexant.

Material U.S. Federal Income Tax Consequences of the Merger

We will not be obligated to complete the merger unless, among other things, we receive legal opinions that the merger will be treated as a reorganization for U.S. federal income tax purposes. If these opinions are correct, the U.S. federal income tax treatment of the merger will be as we have described it in this joint proxy statement/prospectus. Assuming that the merger is treated as a reorganization, Conexant stockholders and GlobespanVirata stockholders generally will not recognize any taxable gain or loss for U.S. federal income tax purposes (except with respect to cash received by GlobespanVirata stockholders instead of fractional shares of Conexant common stock).

Neither Conexant nor GlobespanVirata will recognize any taxable gain or loss for U.S. federal income tax purposes as a result of the merger.

This tax treatment may not apply to all stockholders. Determining the actual tax consequences of the merger to you can be complicated. They will depend on your specific situation and on variables not within our control. You should consult your own tax advisor for a full understanding of the tax consequences of the merger to you.

Opinions of Financial Advisors

Conexant stockholders. Among other factors considered in deciding to approve the issuance of Conexant common stock in the merger pursuant to the merger agreement, the Conexant board of directors received an opinion from Conexant's financial advisor, Credit Suisse First Boston LLC, that as of the date of the opinion, the exchange ratio was fair, from a financial point of view, to Conexant. We have attached the full text of Credit Suisse First Boston's written opinion dated November 3, 2003 as Annex B to this joint proxy statement/prospectus. You should read this opinion completely to understand the assumptions made, matters considered and limitations on the review undertaken by Credit Suisse First Boston in providing its opinion. **Credit Suisse First Boston's opinion is directed to the Conexant board and does not constitute a recommendation as to how any stockholder should vote with respect to any matter relating to the merger.**

GlobespanVirata stockholders. Among other factors considered in deciding to approve and adopt the merger agreement and approve the merger, the GlobespanVirata board of directors received an opinion from GlobespanVirata's financial advisor, Morgan Stanley & Co. Incorporated, that as of the date of the opinion and based on and subject to the considerations in its opinion, the exchange ratio pursuant to the merger agreement was fair from a financial point of view to holders of shares of GlobespanVirata common

stock. We have attached the full text of Morgan Stanley's written opinion dated November 2, 2003 as Annex C to this joint proxy statement/prospectus. You should read this opinion completely to understand the assumptions made, matters considered and limitations on the review undertaken by Morgan Stanley in providing its opinion. **Morgan Stanley's opinion is directed to the GlobespanVirata board and does not constitute a recommendation as to how any stockholder should vote with respect to any matter relating to the merger.**

Additional Proposals Related to the Merger to be Presented at the Conexant Annual Meeting

Conexant stockholders will also vote on proposals to approve (i) amendments to the Conexant Directors Stock Plan and (ii) the assumption and adoption of certain GlobespanVirata stock plans. The amendments to the Conexant Directors Stock Plan include an increase in the number of shares available for grants to non-employee directors of Conexant to accommodate the increase in the size of Conexant's board as a result of the merger. The proposed assumption and adoption of GlobespanVirata's 1999 Equity Incentive Plan, 1999 Supplemental Stock Option Plan and Amended and Restated 1999 Stock Incentive Plan would provide additional flexibility in the implementation of combined company incentive compensation programs by allowing shares that will be available for post-merger grants to GlobespanVirata employees to be available also for grants to Conexant employees.

Completion of the merger is a condition to the effectiveness of each of the additional proposals related to the merger. Approval of the additional proposals is not a condition to completion of the merger.

Record Date; Vote Required

Conexant stockholders. You can vote at the Conexant annual meeting if you owned Conexant common stock at the close of business on January 2, 2004. On that date, there were 278,205,844 shares of Conexant common stock outstanding and entitled to vote. You can cast one vote for each share of Conexant common stock that you owned on that date. In order to approve each of (i) the issuance of Conexant common stock in the merger pursuant to the merger agreement, (ii) the amendments to the Conexant Directors Stock Plan and (iii) the assumption and adoption of certain GlobespanVirata stock plans, the holders of a majority of the shares of Conexant common stock present or represented by proxy and entitled to vote, a quorum being present, must vote in favor of doing so.

GlobespanVirata stockholders. You can vote at the GlobespanVirata special meeting if you owned GlobespanVirata common stock at the close of business on January 2, 2004. On that date, there were 149,361,546 shares of GlobespanVirata common stock outstanding and entitled to vote. You can cast one vote for each share of GlobespanVirata common stock that you owned on that date. In order to approve and adopt the merger agreement and approve the merger, the holders of a majority of the outstanding shares of GlobespanVirata common stock entitled to vote must vote in favor of doing so.

No Dissenters' or Appraisal Rights

Conexant and GlobespanVirata stockholders will not be entitled to exercise dissenters' or appraisal rights or to demand payment for their shares in connection with the merger.

Management and Operations After the Merger

The board of directors of Conexant following the merger will be comprised of twelve directors, seven directors, including Dwight W. Decker, designated by Conexant and five directors, including Armando Geday, designated by GlobespanVirata. Mr. Decker, currently Conexant's chairman of the board and chief executive officer, will serve as non-executive chairman of the board of Conexant following the merger, Mr. Geday, currently GlobespanVirata's president and chief executive officer, will serve as chief executive officer and F. Matthew Rhodes, currently Conexant's president, will serve as president.

Conditions to Completion of the Merger

Completion of the merger depends on a number of conditions being met, including approval of the issuance of Conexant common stock in the merger pursuant to the merger agreement by Conexant stockholders, approval and adoption of the merger agreement and the merger by GlobespanVirata stockholders and receipt of regulatory approvals.

Where the law permits, a party to the merger agreement could elect to waive a condition to its obligation to complete the merger although that condition has not been satisfied. We cannot be certain when (or if) the conditions to the merger will be satisfied or waived or that the merger will be completed.

Termination of the Merger Agreement; Termination Fees

We can mutually agree at any time to terminate the merger agreement without completing the merger, even if the stockholders of both our companies have approved the proposals described in this joint proxy statement/ prospectus. In addition, either of us can decide, without the consent of the other, to terminate the merger agreement in a number of situations, including the final denial of a required regulatory approval, failure to obtain the stockholder approvals sought in connection with the merger, specified circumstances relating to a withdrawal or modification by the other party's board of directors of its recommendation of the merger, or the failure to complete the merger by December 31, 2004.

Each of Conexant and GlobespanVirata has agreed to pay a termination fee of \$35 million to the other party in the event that the merger agreement is terminated under specified circumstances.

Conexant and GlobespanVirata Stock Options

Conexant. After the merger, each outstanding Conexant stock option will remain outstanding without any adjustment.

GlobespanVirata. Upon completion of the merger, each outstanding GlobespanVirata stock option will be converted into an option to purchase a number of shares of Conexant common stock that is equal to the product of 1.198 multiplied by the number of shares of GlobespanVirata common stock that would have been obtained before the merger upon the exercise of the option, rounded to the nearest whole share. The exercise price per share will be equal to the exercise price per share of GlobespanVirata common stock subject to the option before the conversion divided by 1.198, rounded to the nearest whole cent. The conversion of incentive stock options will be effected in a manner that is consistent with section 424(a) of the Internal Revenue Code. The other terms of each GlobespanVirata option referred to above will continue to apply.

Outstanding GlobespanVirata stock options with exercise prices of \$20 or more per share issued under certain GlobespanVirata stock plans held by each person who immediately prior to the effective time of the merger is a GlobespanVirata employee or director and who immediately after the effective time of the merger will be a Conexant employee or director will not be converted into options to purchase Conexant common stock. Pursuant to the terms of the merger agreement and the applicable plan, these options will become fully exercisable and vested and, if not exercised prior to the effective time of the merger, will automatically expire immediately prior to the effective time of the merger. Holders of these options will receive from GlobespanVirata immediately prior to the effective time of the merger a cash payment in respect of the expiration of these options.

Waiver and Amendment

We may jointly amend the merger agreement, and each of us may waive our right to require the other party to adhere to the terms and conditions of the merger agreement, to the extent legally permissible.

Regulatory Approvals

We cannot complete the merger until, under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, we submit required filings to the Department of Justice and the Federal Trade Commission and satisfy waiting period requirements. Conexant and GlobespanVirata submitted the required filings on November 19, 2003. We received notice of the early termination of the waiting period under this Act on December 11, 2003.

Interests of Certain Persons in the Merger That are Different from Your Interests

Certain officers of each company have interests in the merger that are different from, or in addition to, their interests as stockholders in our companies. These interests exist principally because of employment and/or severance agreements that the officers have entered or will enter into with Conexant and/or GlobespanVirata. These agreements will provide these officers with current benefits as employees, as well as severance benefits if their employment with Conexant is terminated under certain circumstances after the merger. In addition, certain officers will receive grants of options to purchase Conexant common stock when the merger is completed. These officers will not be entitled to receive these benefits if the merger does not occur.

Also, following the merger, Conexant will indemnify, and provide directors and officers insurance for, the directors and officers of GlobespanVirata for events occurring before the merger, including events that are related to the merger agreement. Additional interests of some of the directors and officers of Conexant and GlobespanVirata are described under *The Merger*, *Interests of Certain Persons in the Merger* and *Management and Operations After the Merger*.

The members of our respective boards of directors were aware of these additional interests, and considered them, among other matters, when they approved the merger agreement and the merger.

Accounting Treatment

The merger will be accounted for by Conexant, the acquiring enterprise, as a purchase under generally accepted accounting principles in the U.S.

Other Matters to be Considered at the Conexant Annual Meeting

Conexant stockholders will also vote on proposals to (i) elect three members of the Conexant board of directors with terms expiring at the 2007 annual meeting of stockholders and (ii) ratify the appointment of the accounting firm of Deloitte & Touche LLP as independent auditors for Conexant for the current fiscal year. The three nominees for election as directors of Conexant who receive the highest number of affirmative votes, a quorum being present, will be elected. The affirmative vote of a majority of the votes entitled to be cast by holders of shares of Conexant common stock present or represented by proxy, a quorum being present, is required to approve the appointment of Deloitte & Touche LLP. Approval of the additional proposals is not a condition to the merger.

The Conexant board of directors unanimously recommends that you vote **FOR** the proposal to elect the three nominees for director and **FOR** the proposal to ratify the appointment of Deloitte & Touche LLP as independent auditors for Conexant.

Selected Historical Financial Information

We are providing the following historical financial information to help you analyze certain financial aspects of the merger. We derived this information from audited financial statements of each company for each of their five most recent fiscal years and from unaudited financial statements of GlobespanVirata for the nine months ended September 28, 2003 and September 29, 2002. The selected financial information for all periods has been restated to reflect these businesses as discontinued operations.

Unaudited Summary Selected Pro Forma Condensed Combined Financial Information

The following unaudited summary selected pro forma condensed combined financial information should be read in conjunction with the Unaudited Pro Forma Condensed Combined Financial Information and related notes included elsewhere in this joint proxy statement/prospectus. For accounting purposes, the merger will be accounted for as a purchase business combination with Conexant being the acquiring enterprise. The historical financial information set forth below has been derived from, and is qualified by reference to, the consolidated financial statements of Conexant and GlobespanVirata, and the financial statements of the WLAN products group of Intersil Corporation, or the WLAN products group, acquired by GlobespanVirata on August 28, 2003, and should be read in conjunction with those financial statements and notes thereto incorporated herein by reference. The Unaudited Pro Forma Condensed Combined Statement of Operations for the twelve months ended September 30, 2003 gives effect to the merger and the acquisition of the WLAN products group as if they occurred on October 1, 2002, and the Unaudited Pro Forma Condensed Combined Balance Sheet as of September 30, 2003 gives effect to the merger as if it occurred on September 30, 2003. You should not rely on this pro forma information as being indicative of the results that would actually have been obtained if the merger and the WLAN products group acquisition had been in effect for the above-mentioned periods or the future results of the combined company. The following table sets forth (i) historical basic and diluted income from continuing operations per share and historical book value per share of Conexant, (ii) historical basic and diluted loss from continuing operations per share and historical book value per share of GlobespanVirata, (iii) unaudited pro forma combined loss per share and unaudited pro forma combined book value per share of Conexant after giving effect to the merger and (iv) unaudited equivalent pro forma combined loss per share and unaudited equivalent pro forma combined book value per share of GlobespanVirata based on the merger exchange ratio of 1.198 shares of Conexant common stock for each share of GlobespanVirata common stock. The information in the table should be read in conjunction with the audited and unaudited consolidated financial statements of Conexant and GlobespanVirata and the notes thereto incorporated by reference in this joint proxy statement/prospectus and the unaudited pro forma condensed combined financial information and notes thereto included elsewhere herein. The unaudited pro forma condensed combined financial information is not necessarily indicative of the income (loss) per share or book value per share that would have been achieved had the merger been consummated as of the beginning of the period presented and should not be construed as representative of such amounts for any future dates or periods.

(2) Historical book value per share is computed by dividing shareholders' equity by the number of shares of common stock outstanding at the end of the period.

Edgar Filing: CONEXANT SYSTEMS INC - Form S-4/A

- (3) See Unaudited Pro Forma Condensed Combined Financial Information included elsewhere in this joint proxy statement/prospectus.
- (4) Pro forma combined basic and diluted loss per share is computed using the weighted-average number of shares of common stock outstanding, after the issuance of the Conexant common stock in the merger, and it also gives effect to any dilutive options, warrants and convertible debt securities. Dilutive options, warrants and convertible debt securities are excluded from the computation during loss periods as their effect is antidilutive.
- (5) The pro forma combined book value per share is computed by dividing pro forma shareholders' equity, including the effect of pro forma adjustments, by the pro forma number of shares of Conexant common stock which would have been outstanding had the merger been consummated as of September 30, 2003.
- (6) The GlobespanVirata equivalent pro forma combined per share amounts are computed by multiplying the pro forma combined per share amounts by the exchange ratio of 1.198 shares of Conexant common stock for each share of GlobespanVirata common stock.

RISK FACTORS

In addition to the other information contained in or incorporated by reference into this joint proxy statement/prospectus, you should carefully consider the following risk factors in deciding whether to vote for, in the case of Conexant, approval of the issuance of Conexant common stock in the merger pursuant to the merger agreement, approval of amendments to the Conexant Directors Stock Plan and approval of the assumption and adoption of certain GlobespanVirata stock plans, and, in the case of GlobespanVirata, approval and adoption of the merger agreement and approval of the merger. Other risk factors with respect to Conexant can be found in Conexant's Annual Report on Form 10-K for the fiscal year ended September 30, 2003, which is incorporated herein by reference. Other risk factors with respect to GlobespanVirata can be found in GlobespanVirata's Annual Report on Form 10-K for the year ended December 31, 2002, as amended, which is incorporated herein by reference.

The market value of the Conexant common stock that GlobespanVirata stockholders will receive in the merger may be lower than expected.

In the merger, GlobespanVirata stockholders will receive 1.198 shares of Conexant common stock in exchange for each share of GlobespanVirata common stock held by them. This is a fixed exchange ratio. The merger agreement does not contain any provision to adjust this ratio for changes in the market price of Conexant common stock or GlobespanVirata common stock, and neither party is permitted to terminate the merger agreement solely because of such changes. The market value of Conexant common stock when the merger is completed may vary from the market value of Conexant common stock as of the date of this joint proxy statement/prospectus or as of the date of the special meeting of GlobespanVirata stockholders. This variation may result from ordinary trading fluctuations as well as changes in the business, operations or prospects of Conexant, general market and economic conditions and other factors that may affect Conexant common stock differently than GlobespanVirata common stock. If the market value of Conexant common stock declines prior to the effective time of the merger, the market value of the stock issued to GlobespanVirata stockholders in the merger could be lower than expected. You are urged to obtain recent market quotations for Conexant common stock and GlobespanVirata common stock. See Price Range of Conexant and GlobespanVirata Common Stock and Dividends.

We may be unable successfully to integrate our operations and realize the full cost savings we anticipate.

The merger involves the integration of two companies that have previously operated independently. The difficulties of combining the operations of the companies include:

the challenge of effecting integration while carrying on an ongoing business;

the necessity of coordinating geographically separate organizations;

retaining and integrating personnel with diverse business backgrounds;

retaining existing customers and strategic partners of each company; and

implementing and maintaining consistent standards, controls, procedures, policies and information systems.

The process of integrating operations could cause an interruption of, or loss of momentum in, the activities of one or more of the combined company's businesses and the loss of key personnel. The diversion of management's attention and any delays or difficulties encountered in connection with the merger and the integration of the two companies' operations could have an adverse effect on the business, results of operations or financial condition of the combined company. These risks could be exacerbated by the fact that GlobespanVirata has not yet completed the process of integrating the Wireless Local Area Networking, or WLAN, products group of Intersil Corporation acquired in August 2003.

Among the factors considered by the Conexant and GlobespanVirata boards of directors in connection with their respective approvals of the merger agreement and the merger were the benefits of the more diversified product line, the broader customer base and the enhanced technology capabilities, as well as the

economies of scale and operating efficiencies, that are expected to result from the merger. We cannot give you any assurance that these benefits will be realized within the time periods contemplated or at all.

Officers and directors of Conexant and GlobespanVirata may have interests in the merger that are different from, or in addition to, the interests of Conexant and GlobespanVirata stockholders.

The Conexant board of directors unanimously recommends that Conexant stockholders vote **FOR** approval of the issuance of Conexant common stock in the merger pursuant to the merger agreement. The GlobespanVirata board of directors unanimously recommends that GlobespanVirata stockholders vote **FOR** approval and adoption of the merger agreement and approval of the merger. However, officers and directors of Conexant and GlobespanVirata may have interests in the merger that are different from, or in addition to, the interests of Conexant and GlobespanVirata stockholders. These interests include:

Dwight W. Decker, Armando Geday, F. Matthew Rhodes, Robert McMullan, Dennis E. O Reilly and C. Michael Powell have entered into employment agreements with Conexant and, prior to the effective time of the merger, several other current employees of Conexant or GlobespanVirata who will continue as or become employees of Conexant following the merger are expected to enter into employment agreements with Conexant. Each of the new employment agreements will be effective at the effective time of the merger;

Officers of Conexant following the merger, including Messrs. Geday, Rhodes, McMullan, O Reilly and Powell, will participate in a grant of Conexant stock options to be made to employees generally, and these and other Conexant officers will receive an additional grant of stock options as special retention awards.

For a period of two years following the effective time of the merger, the affirmative vote of at least 75% of the entire Conexant board will be required to remove Messrs. Decker, Geday and Rhodes from their respective positions;

Donald R. Beall, Ralph J. Cicerone, Dwight W. Decker, F. Craig Farrill, Balakrishnan S. Iyer, D. Scott Mercer and Jerre L. Stead, each of whom is currently a director of Conexant, are expected to continue serving as directors of Conexant following the merger;

Armando Geday, Steven J. Bilodeau, Dipanjan Deb, John W. Marren and Giuseppe P. Zocco, each of whom is currently a director of GlobespanVirata, are expected to serve as directors of Conexant following the merger; at the time they become directors, each of these new directors, other than Mr. Geday, is expected to receive a grant of Conexant stock options;

Conexant will maintain for a period of six years after the effective time of the merger, for the benefit of GlobespanVirata's officers and directors, the current policies of directors' and officers' liability insurance and fiduciary liability insurance maintained by GlobespanVirata, or policies of at least the same coverage and amounts containing terms and conditions which are, in the aggregate, no less advantageous to the insured with respect to claims arising from facts or events that occurred on or before the effective time of the merger;

As of the record date for the annual meeting of Conexant stockholders, directors and executive officers of Conexant beneficially owned 1,868,510 shares of Conexant common stock (excluding shares that could be acquired upon exercise of outstanding options), entitling them to exercise approximately 0.67% of the voting power of the Conexant common stock entitled to vote at the Conexant annual meeting, and the directors and certain executive officers of Conexant have entered into agreements with GlobespanVirata pursuant to which they agreed to vote their shares for approval of the issuance of Conexant common stock in the merger pursuant to the merger agreement;

As of the record date for the special meeting of GlobespanVirata stockholders, directors and executive officers of GlobespanVirata beneficially owned 809,355 shares of GlobespanVirata common stock (excluding shares that could be acquired upon exercise of outstanding options), entitling them to exercise approximately 0.54% of the voting power of the GlobespanVirata

common stock entitled to vote at the GlobespanVirata special meeting, and the directors and certain executive officers of GlobespanVirata have entered into agreements with Conexant pursuant to which they agreed to vote their shares for approval and adoption of the merger agreement and approval of the merger; and

Some of GlobespanVirata's officers have employment agreements that provide for certain payments and/or the acceleration of unvested stock options in the event of a transaction, such as the merger, if followed by their termination of employment under certain circumstances. See *The Merger* *Interests of Certain Persons in the Merger* .

Conexant and GlobespanVirata will incur substantial expenses whether or not the merger is completed.

Conexant and GlobespanVirata will incur substantial expenses related to the merger whether or not the merger is completed. These costs include fees for financial advisors, attorneys and accountants, filing fees and financial printing costs. Conexant currently expects to incur approximately \$13 million in expenses, approximately \$7 million of which are not contingent on the completion of the merger. GlobespanVirata currently expects to incur approximately \$13 million in expenses, approximately \$2 million of which are not contingent on the completion of the merger. See *The Merger Agreement* *Fees Payable Because of a Termination of the Merger Agreement* .

Failure to complete the merger could negatively affect Conexant's and GlobespanVirata's stock prices and each company's future business and operations.

If the merger is not completed for any reason, the price of Conexant common stock and GlobespanVirata common stock may decline to the extent that the current market prices of Conexant common stock and GlobespanVirata common stock reflect a positive market assumption that the merger will be completed. In addition, if the merger is not completed, each company may be subject to a number of material risks, including:

payment of a \$35 million termination fee under certain circumstances; and

costs related to the merger, such as financial advisory, legal, accounting and printing fees, which must be paid even if the merger is not completed.

Moreover, if the merger agreement is terminated, either company may be unable to find a partner willing to engage in a similar transaction on terms as favorable as those set forth in the merger agreement, or at all. This could limit each company's ability to pursue its strategic goals.

The market price of Conexant common stock may decline as a result of the merger.

The market price of Conexant common stock may decline as a result of the merger for a number of reasons, including if:

the integration of Conexant and GlobespanVirata is not completed in a timely and efficient manner;

the combined company does not achieve the expected benefits of the merger as rapidly or to the extent anticipated by financial or industry analysts;

the effect of the merger on the combined company's financial results is not consistent with the expectations of financial or industry analysts; or

significant stockholders of Conexant and GlobespanVirata decide to dispose of their shares of Conexant common stock following completion of the merger.

Uncertainty regarding the merger and the effects of the merger could adversely affect each company's relationships with its customers, strategic partners or key employees.

In response to the announcement of the merger, customers and strategic partners of Conexant or GlobespanVirata may delay or defer decisions, or otherwise alter their relationships with each company,

which could have a material adverse effect on the business of each company, whether or not the merger is completed. Moreover, current and prospective employees of Conexant and GlobespanVirata may experience uncertainty about their future roles with the combined company, which may adversely affect the ability of each company to attract and retain key management, technical and other personnel.

The deal-protection provisions of the merger agreement may deter alternative business combinations and could negatively impact the stock prices of Conexant and GlobespanVirata if the merger agreement is terminated in certain circumstances.

As a result of the provisions of the merger agreement, it is possible that a third party who might be interested in pursuing a business combination proposal with Conexant or GlobespanVirata would be discouraged from doing so. In addition, restrictions in the merger agreement on solicitation generally prohibit Conexant and GlobespanVirata from soliciting any acquisition proposal or offer for a merger or business combination with any other party. Any such proposal might be advantageous to the stockholders of Conexant and GlobespanVirata when compared to the terms and conditions of the transaction described in this joint proxy statement/prospectus. In particular, the termination fee provision of the merger agreement may deter third parties from proposing alternative business combinations that might result in greater value to Conexant and GlobespanVirata stockholders than the merger. In addition, in the event the merger is terminated by Conexant or GlobespanVirata in circumstances that obligate either party to pay a termination fee to the other party, including where either party terminates the merger agreement because the other party's board of directors withdraws its support of the merger, Conexant's and GlobespanVirata's stock prices may decline as a result of the termination fee. See [The Merger Agreement Fees Payable Because of a Termination of the Merger Agreement](#).

Because the combined company will have larger revenues and operations, third parties with potential litigation claims against either company who decided not to pursue those claims against the individual companies may consider asserting those claims against the combined company.

The combined company will have significantly greater revenues than either company individually. As a result, some third parties who believe that they have claims against Conexant or GlobespanVirata, but who chose not to assert those claims because of the size of the individual companies, may now believe that those claims against the larger combined company may be advantageous. We are not currently aware of any such claims.

Conexant may be limited in the future in the amount of NOLs that it can use to offset taxable income.

As of September 30, 2003, Conexant had approximately \$1 billion of U.S. federal income tax net operating loss, or NOL, carryforwards that can be used to offset taxable income in subsequent years. The NOL carryforwards are scheduled to expire at various dates through 2024. Section 382 of the Internal Revenue Code could limit the future use of some or all of the NOL carryforwards if the ownership of Conexant stock changes by more than 50 percentage points in certain circumstances over a three-year testing period. Based on information known to Conexant, Conexant has not undergone such a change of ownership and does not expect that the merger with GlobespanVirata will constitute a change of ownership, although the Conexant shares issued in the merger will be taken into account in any change of ownership computations. Direct or indirect transfers of Conexant stock before or after completion of the merger, when taken together with the shift in ownership resulting from the merger, could result in a change of ownership that would trigger the section 382 limitation. If such an ownership change occurs, section 382 would limit Conexant's use of NOL carryforwards in each subsequent taxable year to an amount equal to a federal long-term tax-exempt rate published by the Internal Revenue Service at the time of the ownership change, multiplied by Conexant's fair market value at such time; any unused annual limitation amounts may also be carried forward. The merger will result in a change of ownership of GlobespanVirata and the future use of its NOL carryforwards will be subject to the section 382 limitation (or further limitation in the case of NOL carryforwards already subject to limitation as a result of previous transactions) based on the fair market value of GlobespanVirata at the time of the merger.

CAUTIONARY STATEMENT CONCERNING FORWARD-LOOKING STATEMENTS

This joint proxy statement/prospectus, including information included or incorporated herein by reference (see *Where You Can Find More Information*), contains statements relating to future results of Conexant and GlobespanVirata (including certain projections and business trends) that are forward-looking statements as defined in the Private Securities Litigation Reform Act of 1995. Actual results may differ materially from those projected as a result of certain risks and uncertainties. For each of Conexant and GlobespanVirata, in addition to the risks discussed under *Risk Factors* , these risks and uncertainties include, but are not limited to:

the cyclical nature of the semiconductor industry and the markets addressed by each company's and its customers' products;

demand for and market acceptance of new and existing products;

successful development of new products;

the timing of new product introductions;

the availability of third-party manufacturing, packaging, test and assembly capacity;

pricing pressures and other competitive factors;

changes in product mix;

product obsolescence;

the ability to develop and implement new technologies and to obtain protection for the related intellectual property;

the uncertainties of litigation;

in the case of GlobespanVirata, the integration of its recently acquired WLAN products group;

costs related to the proposed merger;

failure to obtain the required approvals of Conexant and GlobespanVirata stockholders;

risks that the closing of the transaction is substantially delayed or that the merger does not close; and

the risk that Conexant's and GlobespanVirata's businesses will not be integrated successfully.

These forward-looking statements are made only as of the date of this joint proxy statement/prospectus, and Conexant and GlobespanVirata undertake no obligation to update or revise the forward-looking statements, whether as a result of new information, future events or otherwise.

The inspectors of election and any employees associated with processing proxy cards or ballots and tabulating the vote are required to acknowledge their responsibility to comply with this policy of confidentiality.

Solicitation of Proxies

Conexant will bear the entire cost of soliciting proxies from Conexant stockholders, except that Conexant and GlobespanVirata each has agreed to pay one-half the costs of filing, printing and mailing this joint proxy statement/prospectus and related proxy materials. In addition to the solicitation of proxies by mail, Conexant will request that banks, brokers and other record holders send proxies and proxy material to the beneficial owners of the stock held by them and secure their voting instructions. Conexant will reimburse those record holders for their reasonable expenses in so doing. Conexant has also made arrangements with Georgeson Shareholder Communications Inc. to assist it in soliciting proxies, and has agreed to pay customary fees plus expenses for those services. Conexant may also use several of its regular employees, who will not be specially compensated, to solicit proxies from stockholders, either personally or by telephone, telegram, facsimile, Internet or special delivery letter.

Record Date and Voting Rights

The Conexant board of directors has fixed January 2, 2004 as the record date for determining those Conexant stockholders entitled to notice of and to vote at the Conexant annual meeting. Accordingly, only Conexant stockholders of record at the close of business on the Conexant record date will be entitled to notice of and to vote at the Conexant annual meeting. At the close of business on the Conexant record date, there were 278,205,844 shares of Conexant common stock outstanding held by approximately 48,000 holders of record. The presence, in person or by proxy, of a majority of Conexant shares outstanding on the Conexant record date is required for a quorum at the Conexant annual meeting. Each

share of Conexant common stock outstanding on the Conexant record date will be entitled to one vote on all matters.

The approval of each of the three proposals related to the merger the issuance of Conexant common stock in the merger pursuant to the merger agreement, the amendments to the Conexant Directors Stock Plan and the assumption and adoption of the GlobespanVirata stock plans and the approval of the proposal to ratify the appointment of Deloitte & Touche LLP as independent auditors for Conexant each will require the affirmative vote of the holders of a majority of the shares of Conexant common stock present or represented by proxy and entitled to vote. The three nominees for election as directors of Conexant who receive the highest number of affirmative votes will be elected. Because abstentions with respect to any matter are treated as shares present or represented by proxy and entitled to vote for the purposes of determining whether that matter has been approved by the stockholders, abstentions have the same effect as negative votes for each proposal (other than the election of directors). Brokers who hold shares of Conexant common stock in nominee or street name for customers who are the beneficial owners of those shares are prohibited from giving a proxy to vote shares held for those customers on each of the three proposals related to the merger to be considered and voted upon at the Conexant annual meeting without specific instructions from those customers. These broker non-votes are not counted for purposes of determining whether stockholder approval of each such matter has been obtained, but they are counted as present for purposes of determining the existence of a quorum at the annual meeting. Therefore, broker non-votes will have no effect with respect to each of the proposals related to the merger to be presented at the Conexant annual meeting.

As of the Conexant record date, directors and executive officers of Conexant beneficially owned 1,868,510 shares of Conexant common stock (excluding shares that could be acquired upon exercise of outstanding options) entitling them to exercise approximately 0.67% of the voting power of the Conexant common stock entitled to vote at the Conexant annual meeting. As of the Conexant record date, directors and executive officers of GlobespanVirata owned no shares of Conexant common stock, but a subsidiary of GlobespanVirata owned 1,250,000 shares of Conexant common stock that it received in connection with the sale of its iCompression video compression business to Conexant, entitling it to exercise approximately 0.45% of the voting power of the Conexant common stock entitled to vote at the Conexant annual meeting.

In addition, the directors and certain executive officers of Conexant have executed agreements requiring them to vote their shares of Conexant common stock for approval of the issuance of shares of Conexant common stock in the merger pursuant to the merger agreement and GlobespanVirata intends to cause its subsidiary s shares of Conexant common stock to be voted in the same manner.

For additional information with respect to beneficial ownership of Conexant common stock by directors and executive officers of Conexant, see Other Matters to be Considered at the Conexant Annual Meeting of Stockholders Security Ownership of Certain Beneficial Owners and Management .

If you are a participant in a Conexant, Rockwell or Rockwell Collins, Inc. savings plan, your voting instruction card will instruct the trustee of that plan how to vote shares held in your account. Shares of Conexant common stock held by the trustees of the savings plans of Conexant, Rockwell and Rockwell Collins on account of participants in such plans will be voted by the respective trustees in accordance with instructions from the participants (either in writing or by means of Conexant s telephone or Internet voting procedures). Where no instructions are received, shares held in a Rockwell plan will be voted as the trustee deems proper and shares held in a Conexant or Rockwell Collins plan will be voted by the trustee in the same proportion on each matter as it votes the shares for which it has received voting directions from other plan participants.

Dissenters or Appraisal Rights

Conexant stockholders will not be entitled to exercise dissenters or appraisal rights or to demand payment for their shares in connection with the merger.

Recommendation of the Conexant Board

The Merger Recommendations of the Boards of Directors of Conexant and GlobespanVirata; Reasons for the Merger . LOBESPANVIRATA SPECIAL MEETING

General

This joint proxy statement/prospectus is first being mailed by GlobespanVirata to the holders of GlobespanVirata common stock on or about January 20, 2004, and is accompanied by the notice of the GlobespanVirata special meeting and a form of proxy that is solicited by the board of directors of GlobespanVirata for use at the GlobespanVirata special meeting to be held on February 25, 2004, at 10:00 a.m., local time, at the Hilton Costa Mesa Hotel, located at 3050 Bristol Street, Costa Mesa, California 92626, and at any adjournments or postponements of the meeting.

Matters to be Considered

The purpose of the GlobespanVirata special meeting is:

(a) To consider and vote upon a proposal to approve and adopt the Agreement and Plan of Reorganization, dated as of November 3, 2003, as amended as of January 15, 2004 (the merger agreement), by and among Conexant Systems, Inc., a Delaware corporation, Concentric Sub, Inc., a Delaware corporation and a wholly-owned subsidiary of Conexant, and GlobespanVirata, and approve the merger contemplated thereby. Pursuant to the merger agreement, among other things, Concentric Sub will merge with and into GlobespanVirata, subject to the terms and conditions of the merger agreement. In the merger, Conexant will issue 1.198 shares of its common stock in exchange for each outstanding share of GlobespanVirata common stock and GlobespanVirata will become a wholly-owned subsidiary of Conexant; and

(b) To transact such other business as may properly come before the special meeting or any adjournments or postponements of the meeting.

GlobespanVirata stockholders may also be asked to vote upon a proposal to adjourn or postpone the GlobespanVirata special meeting. GlobespanVirata could use any adjournment or postponement of the GlobespanVirata special meeting for the purpose, among others, of allowing additional time for soliciting additional votes to approve and adopt the merger agreement and approve the merger.

Proxies

The GlobespanVirata board of directors is soliciting your proxy to give you the opportunity to vote at the GlobespanVirata special meeting. When you deliver a valid proxy, the shares represented by that proxy will be voted in accordance with your instructions.

Please complete, sign, date and return the accompanying proxy card promptly in the enclosed addressed envelope, even if you plan to attend the special meeting. Postage need not be affixed to the envelope if mailed in the United States. The immediate return of your proxy card will be of great assistance in preparing for the special meeting and is, therefore, urgently requested. If you attend the special meeting and have made arrangements to vote in person, your proxy card will not be used. Instead of submitting your proxy vote with the accompanying paper proxy card, you may vote via the Internet or by telephone by following the procedures set forth on the proxy card. Your telephone or Internet vote authorizes the named proxies to vote your shares in the same manner as if you marked, signed and returned your proxy card. If you vote your proxy by Internet or by telephone, you do NOT need to mail back your proxy card. To view the proxy materials online, go to www.globespanvirata.com. If you plan to attend the special meeting to be held on February 25, 2004, at 10:00 a.m., local time, at the Hilton Costa Mesa Hotel, located at 3050 Bristol Street, Costa Mesa, California 92626, please be sure to check the box on your proxy card indicating your desire to attend, or indicate your desire to attend through GlobespanVirata's telephone or Internet voting procedures.

If your shares are not registered in your own name and you plan to attend the special meeting and vote your shares in person, you should contact your broker or agent in whose name your shares are registered to obtain a broker's proxy and bring it to the special meeting in order to vote.

When proxies are properly signed, dated and returned, the shares they represent will be voted at the special meeting in accordance with the instructions of the stockholders. If no specific instructions are given, the shares will be voted **FOR** approval and adoption of the merger agreement and approval of the merger. In addition, if other matters come before the special meeting, the persons named in the proxy card will vote in accordance with their best judgment with respect to such matters. A stockholder giving a proxy has the power to revoke it at any time prior to its exercise by voting in person at the special meeting, by giving written notice of revocation to the Secretary of GlobespanVirata prior to the special meeting, or by submitting a valid, later dated proxy. The GlobespanVirata board is currently unaware of any other matters that may be presented for action at the GlobespanVirata special meeting.

It is GlobespanVirata's policy to maintain the confidentiality of proxy cards, ballots and voting tabulations that identify individual stockholders except as may be necessary to meet any applicable legal requirements and, in the case of any contested proxy solicitation, as may be necessary to permit proper parties to verify the propriety of proxies presented by any person and the results of the voting. The inspectors of election and any employees associated with processing proxy cards or ballots and tabulating the vote are required to acknowledge their responsibility to comply with this policy of confidentiality.

Solicitation of Proxies

GlobespanVirata will bear the entire cost of soliciting proxies from GlobespanVirata stockholders, except that GlobespanVirata and Conexant each has agreed to pay one-half the costs of filing, printing and mailing this joint proxy statement/prospectus and related proxy and proxy materials. In addition to the solicitation of proxies by mail, GlobespanVirata will request that banks, brokers and other record holders send proxies and proxy material to the beneficial owners of the stock held by them and secure their voting instructions. GlobespanVirata will reimburse those record holders for their reasonable expenses in so doing. GlobespanVirata has also made arrangements with Georgeson Shareholder Communications Inc. to assist it in soliciting proxies, and has agreed to pay customary fees plus expenses for those services. GlobespanVirata may also use several of its regular employees, who will not be specially compensated, to solicit proxies from stockholders, either personally or by telephone, telegram, facsimile, Internet or special delivery letter.

Record Date and Voting Rights

In accordance with the provisions of the Delaware General Corporation Law, the GlobespanVirata By-laws and the rules of the Nasdaq National Market, GlobespanVirata has fixed January 2, 2004 as the record date for determining those GlobespanVirata stockholders entitled to notice of and to vote at the GlobespanVirata special meeting. Accordingly, only GlobespanVirata stockholders of record at the close of business on the GlobespanVirata record date will be entitled to notice of and to vote at the GlobespanVirata special meeting. At the close of business on the GlobespanVirata record date, there were 149,361,546 shares of GlobespanVirata common stock outstanding held by approximately 730 holders of record. The presence, in person or by proxy, of shares of GlobespanVirata common stock representing a majority of GlobespanVirata shares outstanding and entitled to vote on the GlobespanVirata record date is necessary to constitute a quorum at the GlobespanVirata special meeting. Each share of GlobespanVirata common stock outstanding on the GlobespanVirata record date entitles its holder to one vote.

Shares of GlobespanVirata common stock held by persons attending the GlobespanVirata special meeting but not voting, and shares of GlobespanVirata common stock for which GlobespanVirata has received proxies but with respect to which holders of those shares have abstained from voting, will be counted as present at the GlobespanVirata special meeting for purposes of determining the presence or absence of a quorum for the transaction of business at the GlobespanVirata special meeting. Brokers who hold shares of GlobespanVirata common stock in nominee or street name for customers who are the beneficial owners of those shares are prohibited from giving a proxy to vote shares held for those customers on the matters to be considered and voted upon at the GlobespanVirata special meeting without specific instructions from those customers. These broker non-votes will also be counted as present for purposes of determining whether a quorum exists.

Under applicable Delaware law and the GlobespanVirata Certificate of Incorporation, approval and adoption of the merger agreement and approval of the merger requires the affirmative vote of the holders of a majority of the outstanding shares of GlobespanVirata common stock entitled to vote at the GlobespanVirata special meeting.

Because approval and adoption of the merger agreement and approval of the merger requires the affirmative vote of the holders of a majority of the outstanding shares of GlobespanVirata common stock entitled to vote at the GlobespanVirata special meeting, abstentions and broker non-votes will have the same effect as votes against approval and adoption of the merger agreement and approval of the merger. Accordingly, the GlobespanVirata board urges GlobespanVirata stockholders to complete, date and sign the accompanying proxy and return it promptly in the enclosed, postage-paid envelope or authorize the individual named on your proxy card to vote your shares by telephone or Internet.

As of the GlobespanVirata record date, directors and executive officers of GlobespanVirata beneficially owned 809,355 shares of GlobespanVirata common stock (excluding shares that could be acquired upon exercise of outstanding options), entitling them to exercise approximately 0.54% of the voting power of the GlobespanVirata common stock entitled to vote at the GlobespanVirata special meeting. As of the GlobespanVirata record date, directors and executive officers of Conexant owned no shares of GlobespanVirata common stock.

In addition, the directors and certain executive officers of GlobespanVirata have executed agreements requiring them to vote their shares of GlobespanVirata common stock in favor of approval and adoption of the merger agreement and approval of the merger.

Additional information with respect to beneficial ownership of GlobespanVirata common stock by directors and executive officers of GlobespanVirata is incorporated by reference to GlobespanVirata's Proxy Statement filed with the Securities and Exchange Commission, or the SEC, on September 19, 2003, as amended. See [Where You Can Find More Information](#).

Dissenters or Appraisal Rights

Dissenters or appraisal rights are not available with respect to a merger or consolidation by a corporation the shares of which are either listed on a national securities exchange or the Nasdaq National Market or held of record by more than 2,000 stockholders if such stockholders are required to receive only shares of the surviving corporation or shares of any other corporation which are either listed on a national securities exchange or the Nasdaq National Market or held of record by more than 2,000 holders, cash in lieu of fractional shares or a combination of the foregoing. Therefore, stockholders of GlobespanVirata will not be able to exercise any appraisal rights in connection with the merger.

Recommendation of the GlobespanVirata Board

The GlobespanVirata board has unanimously approved and adopted the merger agreement and approved the merger. The GlobespanVirata board believes that the merger agreement and the merger are fair to, and in the best interests of, GlobespanVirata stockholders, and unanimously recommends that GlobespanVirata stockholders vote **FOR** approval and adoption of the merger agreement and approval of the merger. See [The Merger Recommendations of the Boards of Directors of Conexant and GlobespanVirata; Reasons for the Merger](#).

THE MERGER

General

The Conexant board and the GlobespanVirata board each has unanimously approved and adopted the merger agreement and approved the merger. Pursuant to the merger agreement, Concentric Sub will merge with and into GlobespanVirata, with GlobespanVirata surviving as a wholly-owned subsidiary of Conexant. Each share of GlobespanVirata common stock issued and outstanding at the effective time of the merger will be converted into the right to receive 1.198 shares of Conexant common stock. Instead of fractional shares of Conexant common stock, GlobespanVirata stockholders will receive cash.

Background of the Merger

Conexant and GlobespanVirata each regularly reviews investment, alliance and acquisition prospects that would complement its existing product offerings, augment its market coverage or enhance its technological capabilities, with a view to enhancing stockholder value. Over the past several years, Conexant and GlobespanVirata each has evaluated a number of strategic alternatives, including potential business combinations. At various times during the past several years, senior executives of Conexant and GlobespanVirata have discussed the possibility of entering into a strategic combination, or other similar relationship, involving Conexant and GlobespanVirata.

In late November and December 2000, following Conexant's announcement of its intention to separate its Personal Networking and Internet Infrastructure businesses into two independent companies, Conexant and GlobespanVirata (then named GlobeSpan, Inc.) entered into a mutual confidentiality agreement and had discussions regarding a potential combination of Conexant's Internet Infrastructure business with GlobespanVirata. These discussions included financial, business and legal due diligence, as well as preliminary negotiation of the principal terms of such a strategic combination. Participants in these discussions included senior executives of Conexant and GlobespanVirata, as well as their respective legal and financial advisors. The discussions terminated in early January 2001.

In December 2001, GlobespanVirata completed the merger with Virata Corporation.

In April 2002, GlobespanVirata announced its intention to dispose of its iCompression video compression business. Conexant was one of several interested parties who conducted preliminary due diligence on the iCompression business. In May 2002, Conexant and GlobespanVirata exchanged a term sheet on the principal terms of an acquisition by Conexant of the iCompression business and began negotiating a definitive acquisition agreement. An agreement was executed and the acquisition was completed in June 2002.

Also in June 2002, Conexant completed the spin-off and merger of its wireless communications business with Alpha Industries, Inc. to form Skyworks Solutions, Inc. Following the Skyworks transaction, Conexant was comprised of the Broadband Communications business and the Internet Infrastructure business conducted by its Mindspeed Technologies, Inc. subsidiary.

Between September and October 2002, Conexant and GlobespanVirata had discussions regarding a potential combination of one or more of Conexant's businesses with GlobespanVirata. These discussions included preliminary financial due diligence, as well as general discussions concerning the potential structure and financial terms of a possible strategic transaction. Participating in these discussions were senior executives of Conexant, including Dwight W. Decker, chairman and chief executive officer, and F. Matthew Rhodes, president, and of GlobespanVirata, including Armando Geday, president and chief executive officer, and Robert McMullan, chief financial officer and vice president, as well as representatives of Credit Suisse First Boston, financial advisor to Conexant, and of Morgan Stanley, financial advisor to GlobespanVirata. After reviewing the preliminary financial analyses with their respective financial advisors, the parties terminated their discussions by mutual agreement.

In March 2003, Conexant announced its intention to separate its Mindspeed Technologies business by means of a spin-off transaction that was completed in June 2003. The continuing Conexant was then comprised of the remaining Broadband Communications business.

At a meeting of the Conexant board of directors held on August 8, 2003, as part of the annual review of Conexant's strategic plan, members of Conexant's senior management reported on several alternative potential strategic business combination transactions, including a potential transaction with GlobespanVirata, that were discussed in Conexant's five-year strategic plan. Following discussion, the Conexant board of directors approved the strategic plan presented at the meeting.

In August 2003, Messrs. Decker and Geday and their respective financial advisors had preliminary telephone conversations regarding a potential strategic combination involving Conexant and GlobespanVirata. No substantive discussions were held as GlobespanVirata was in the process of completing its acquisition of Intersil Corporation's WLAN products group, which closed on August 28, 2003.

In telephone conversations on September 8 and 12, 2003, Messrs. Decker and Geday had discussions regarding a potential combination, including, among other things, their preliminary views on the strategic rationale and structural parameters for a potential strategic combination. Also on September 12, 2003, representatives of Credit Suisse First Boston and Morgan Stanley had follow-up discussions to confirm the broad strategic and structural parameters discussed by Messrs. Decker and Geday. After further discussions with their respective financial advisors, the parties agreed to commence more extensive discussions regarding a potential strategic combination and to proceed with scheduling preliminary financial and business due diligence of their respective businesses.

On September 28, 2003, Messrs. Decker, Rhodes and Geday met in Newport Beach, California to discuss potential technology and product synergies, organizational integration and other key financial and structural parameters. After an extended discussion, both parties believed there was a strong strategic and business rationale to combine their two companies and a means to integrate successfully both businesses to realize operational scale and efficiencies.

From September 28, 2003 and continuing until the public announcement of the proposed merger, Messrs. Decker and Geday, as well as representatives of Credit Suisse First Boston and Morgan Stanley, had ongoing discussions regarding a potential strategic combination of the two companies, including with respect to defining in more detail the structure, terms, timing and process for such a transaction.

On October 6, 2003, at a telephonic meeting of the Conexant board of directors, members of Conexant's senior management and representatives of Credit Suisse First Boston reported on the preliminary discussions with GlobespanVirata and its financial advisor regarding a potential business combination of Conexant and GlobespanVirata. The Conexant board of directors authorized Conexant's management to proceed with business and legal due diligence and the negotiation of a definitive merger agreement with respect to a potential transaction involving GlobespanVirata, subject to further review and approval by the board.

Also on October 6, 2003, following the Conexant board meeting, Messrs. Decker and Geday had a telephone conversation in which Mr. Decker indicated that a term sheet outlining certain terms of a proposed strategic transaction would be provided to GlobespanVirata. Later that day, Credit Suisse First Boston, on behalf of Conexant, sent such a term sheet to Morgan Stanley, on behalf of GlobespanVirata.

On October 13, 2003, management teams from Conexant, including Messrs. Decker and Rhodes, J. Scott Blouin, senior vice president and chief financial officer, and Jean Hu, vice president, strategy and business development, and from GlobespanVirata, including Messrs. Geday and McMullan, Lawrence J. Ciaccia, vice president and general manager of the WLAN products group, and Mr. Amrish Patel, vice president of corporate development, met in Chicago, Illinois, to review and discuss the operations and business plan of GlobespanVirata's recently acquired WLAN products group.

On October 16, 2003, at a meeting of the GlobespanVirata board of directors following the GlobespanVirata annual meeting of stockholders, Mr. Geday and representatives of Morgan Stanley updated the GlobespanVirata directors on discussions with Conexant, including the current status and proposed structure of a potential transaction and the strategic opportunity presented by a combination of Conexant and GlobespanVirata. At the conclusion of the meeting, the GlobespanVirata board of directors authorized GlobespanVirata's management to continue exploring a potential transaction with Conexant.

On October 17, 2003, members of Conexant's senior management, including Messrs. Decker, Rhodes and Blouin, Ms. Hu, Dennis E. O'Reilly, senior vice president, general counsel and secretary of Conexant, and representatives of Credit Suisse First Boston, met in Newport Beach, California with members of GlobespanVirata's senior management, including Messrs. Geday, McMullan and Patel, together with representatives of Morgan Stanley. Conexant and GlobespanVirata presented overviews of their respective operations and business plans. At the commencement of the meeting, the parties executed a mutual confidentiality agreement with respect to the exchange of non-public information for purposes of further exploring a potential strategic transaction.

On October 20, 2003, Chadbourne & Parke LLP, counsel to Conexant, provided to Ropes & Gray LLP, counsel to GlobespanVirata, a draft merger agreement providing, among other things, for a merger of Concentric Sub with and into GlobespanVirata, with GlobespanVirata surviving as a wholly-owned subsidiary of Conexant.

On October 21, 24 and 26, 2003, senior executives of Conexant and GlobespanVirata and representatives of their respective financial advisors had a series of telephone conference calls to conduct further business and financial due diligence with respect to Conexant and GlobespanVirata and their respective businesses. By October 21, 2003, in-depth legal due diligence by inside and outside legal counsel for Conexant and GlobespanVirata was also underway. From October 21 through October 26, 2003, Messrs. Decker and Geday spoke by telephone on a number of occasions regarding progress of the discussions concerning the potential business combination.

On October 27, 2003, the Conexant board of directors held a special meeting at which Conexant's senior management and financial and legal advisors reviewed the status of discussions and negotiations with GlobespanVirata representatives and advisors regarding the potential business combination, as well as the results of their due diligence investigation of GlobespanVirata. At the conclusion of the meeting, the Conexant board authorized Conexant's senior management to proceed with the negotiation of a definitive merger agreement with respect to the proposed transaction on substantially the terms of the draft merger agreement previously presented to the board, subject to further review and approval by the board.

On October 28 and 29, 2003, representatives of Conexant, GlobespanVirata and their respective legal counsel and financial advisors met at the offices of Chadbourne & Parke LLP in New York City to continue mutual due diligence and to negotiate a merger agreement and related agreements. Negotiations and due diligence continued through November 2, 2003.

Also on October 28, 2003, GlobespanVirata's board of directors met by telephone conference call to review the transaction structure and terms. At that meeting, members of GlobespanVirata's management reported on the business due diligence investigation of Conexant's operations and business plan and updated the board on the status of the discussions with Conexant. At the conclusion of the meeting, the GlobespanVirata board of directors agreed to continue their discussions regarding the business terms of the proposed strategic combination with Conexant.

On October 30, 2003, the Conexant board of directors met by telephone conference call to receive an update on the status of the negotiations and to review further the proposed transaction structure and terms. Inside and outside legal counsel provided an update on legal matters, including a report on legal due diligence, a review of the principal negotiated changes in the current draft merger agreement previously circulated to the board and a discussion of the fiduciary duties of the directors in considering a strategic business combination.

After the financial markets closed on October 31, 2003, and continuing through November 2, 2003, the parties continued to negotiate the terms of a definitive merger agreement, including a final exchange ratio, subject to approval by their respective boards.

On November 1, 2003, the GlobespanVirata board of directors met by telephone conference call to discuss the status of the negotiations with Conexant. Representatives of Morgan Stanley and Ropes & Gray LLP participated in the conference call. Management reported on the additional due diligence investigation of Conexant's business and the board continued its discussion of the results of the investigation. A representative of Morgan Stanley gave a detailed review of the financial aspects of the proposed transaction. A representative of Ropes & Gray LLP reviewed the results of the legal due diligence and the material terms of the current draft merger agreement and the legal standards applicable to the directors in considering a strategic business combination.

On November 2, 2003, the GlobespanVirata board of directors met by telephone conference call with senior management and representatives of Morgan Stanley and Ropes & Gray LLP to discuss the final terms of the proposed transaction. A representative of Ropes & Gray LLP again reviewed with the GlobespanVirata board of directors the legal standards applicable to a decision to approve and adopt the merger agreement and recommend a transaction to the stockholders. Thereafter, Morgan Stanley rendered its oral opinion (which was subsequently confirmed in writing) that, as of November 2, 2003, and based upon and subject to the assumptions, factors and limitations set forth in its opinion, the merger exchange ratio pursuant to the merger agreement was fair from a financial point of view to holders of shares of GlobespanVirata common stock. The GlobespanVirata board of directors, by a unanimous vote of those present, approved and adopted the merger agreement and approved the merger and resolved to recommend that GlobespanVirata's stockholders vote in favor of the merger. One member of the board, Dipanjan Deb, did not attend the November 2, 2003 meeting, but subsequently advised the board that he concurred with the board's approval and adoption of the merger agreement and approval of the merger and its recommendation to GlobespanVirata stockholders.

Also on November 2, 2003, the Conexant board of directors met by telephone conference call with members of Conexant's senior management and representatives of Credit Suisse First Boston and Chadbourne & Parke LLP to discuss the proposed final terms of the business combination transaction. A representative of Chadbourne & Parke LLP again reviewed with the Conexant board the legal standards applicable to a decision to approve and adopt the merger agreement and to recommend the transaction to Conexant stockholders. Following receipt of Credit Suisse First Boston's oral opinion (which was subsequently confirmed in writing) that, as of such date, and based upon and subject to the assumptions, factors and limitations set forth in its opinion, the merger exchange ratio was fair, from a financial point of view, to Conexant, the Conexant board of directors unanimously approved the merger agreement and merger and unanimously resolved to recommend that the Conexant stockholders vote to approve the issuance of Conexant common stock in the merger pursuant to the merger agreement.

Thereafter, Conexant, Concentric Sub and GlobespanVirata entered into the merger agreement. Prior to the opening of financial markets in New York on November 3, 2003, Conexant and GlobespanVirata issued a joint press release announcing the transaction.

On January 15, 2004, the parties amended the merger agreement to provide for the treatment of certain GlobespanVirata options in the merger.

Recommendations of the Boards of Directors of Conexant and GlobespanVirata; Reasons for the Merger

The Conexant board believes that the merger is fair to, and in the best interests of, Conexant and Conexant stockholders. Accordingly, the Conexant board has unanimously approved and adopted the merger agreement and approved the merger and unanimously recommends that Conexant stockholders vote FOR approval of the issuance of Conexant common stock in the merger pursuant to the merger agreement, FOR approval of amendments to the Conexant Directors Stock Plan and FOR approval of the assumption and adoption of certain GlobespanVirata stock plans.

The GlobespanVirata board believes that the merger is fair to, and in the best interests of, GlobespanVirata stockholders. Accordingly, the GlobespanVirata board has unanimously approved and adopted the merger agreement and approved the merger and unanimously recommends that GlobespanVirata stockholders vote FOR approval and adoption of the merger agreement and approval of merger.

Each of our boards, in reaching its decision to approve and adopt the merger agreement and approve the merger, consulted with its management, as well as with its financial and legal advisors, reviewed a significant amount of information and considered a variety of factors, including the following:

information concerning the business, operations, financial condition, earnings and prospects of each of Conexant and GlobespanVirata as separate entities and on a combined basis, including their revenues, their complementary businesses and the potential for revenue enhancement and cost savings;

the enhanced strategic and market position of the combined company beyond that achievable by either Conexant or GlobespanVirata alone;

the increased scale, scope and diversity of operations, product lines, served markets and customers that could be achieved by combining Conexant and GlobespanVirata;

the opportunity for Conexant and GlobespanVirata to combine complementary technologies to produce better communications semiconductor solutions for their customers and end users;

the increase in the market capitalization of Conexant following the merger, which should allow Conexant to have increased access to debt and equity markets;

the combined company's anticipated future financial performance;

the opportunity for Conexant and GlobespanVirata stockholders to participate in a larger company with a more diversified product line, a broader customer base and enhanced technology capabilities, and, as stockholders of Conexant, to benefit from future growth of the combined company;

the proposed arrangements with members of management of Conexant and GlobespanVirata, including the fact that Mr. Decker will serve as non-executive chairman of the board, Mr. Geday will serve as the chief executive officer and Mr. Rhodes will serve as president of Conexant, and that they and certain other members of management would enter into employment agreements with Conexant;

the structure of the merger and the terms of the merger agreement, which are reciprocal in nature, including the fact that the fixed exchange ratio provides certainty as to the number of shares of Conexant common stock to be issued in the merger and that the merger is intended to qualify as a tax-free reorganization for U.S. federal income tax purposes;

current financial market conditions and historical market prices, volatility and trading information with respect to Conexant common stock and GlobespanVirata common stock;

the belief of our respective boards that, as a result of its scale, the combined company will have a stronger foundation for undertaking additional research and development or other strategic initiatives;

the potential impact of the merger on Conexant and GlobespanVirata's customers and employees;

the obligations of Conexant and GlobespanVirata with respect to non-solicitation of alternative proposals, termination of the merger agreement and payment of a termination fee under the circumstances described in the merger agreement, and the impact that those obligations may have on potential third-party acquirers and on the ability of Conexant and GlobespanVirata to respond to any potential third-party offer;

the corporate governance arrangements for Conexant following the merger, which initially will have a board of directors composed of seven members designated by Conexant and five members designated by GlobespanVirata, and the management structure of Conexant following the merger; and

the likelihood of the merger being approved by the appropriate regulatory authorities.

The Conexant board also considered other specific factors, including:

the opinion of Credit Suisse First Boston, its financial advisor, that, as of the date of the opinion and based on and subject to the assumptions, factors and limitations set forth in the opinion, the exchange ratio was fair, from a financial point of view, to Conexant. See Opinion of Conexant's Financial Advisor ; and

other potential strategic opportunities.

The GlobespanVirata board also considered other specific factors, including:

the written opinion of Morgan Stanley, its financial advisor, that, as of the date of the opinion and based on and subject to the assumptions, factors and limitations set forth in the opinion, the exchange ratio was fair from a financial point of view to holders of shares of GlobespanVirata common stock. See Opinion of GlobespanVirata's Financial Advisor ;

the exchange ratio negotiated with Conexant and the implied premium over recent and historical market prices of the GlobespanVirata common stock, as well as how this premium compared to price premiums in recent comparable transactions;

the combined company will have a significantly larger market capitalization and public float than GlobespanVirata alone and as a result, stockholders who exchange their GlobespanVirata common stock for Conexant common stock in the merger may obtain a more liquid investment;

the merger will be tax-free to GlobespanVirata stockholders for U.S. federal income tax purposes (except to the extent they receive cash for any fractional shares); and

other potential strategic opportunities.

Each company's board of directors also identified and considered certain countervailing factors in its deliberations concerning the merger, including:

the possibility that the expected benefits from the merger might not be fully realized;

the possible disruption of Conexant's or GlobespanVirata's business that might result from the announcement of the merger and the diversion of management's attention in connection with the merger;

the possibility that the merger may not be consummated and the potential adverse consequences if the merger is not completed;

the risk that the per share value of the consideration to be paid or received in the merger could increase or decrease significantly from the value prior to the announcement of the merger because the exchange ratio will not be adjusted for changes in the market price of Conexant common stock or GlobespanVirata common stock;

the challenges of integrating the management teams, strategies, cultures and organizations of the companies;

the risk that key management and other personnel might not remain employed by the combined company;

the dilution to Conexant's existing stockholders as a result of the issuance of Conexant common stock in the merger; and

the fact that GlobespanVirata stockholders will, after the merger, own interests in a company that is more highly leveraged than GlobespanVirata.

The foregoing discussion is not exhaustive of all factors considered by the Conexant board of directors and the GlobespanVirata board of directors. Moreover, in view of the variety of factors considered in connection with their evaluation of the merger agreement and the merger, the Conexant board of directors and the GlobespanVirata board of directors considered the factors as a whole and did not find it practicable to, and did not, quantify or otherwise assign relative weight to the specific factors considered in reaching their respective determinations to approve and adopt the merger agreement and approve the merger. In addition, each member of the Conexant board of directors and the GlobespanVirata board of directors may have given differing weights to different factors.

Opinion of Conexant's Financial Advisor

Conexant retained Credit Suisse First Boston to act as its exclusive financial advisor in connection with the merger. In connection with Credit Suisse First Boston's engagement, Conexant requested that Credit Suisse First Boston evaluate the fairness, from a financial point of view, of the exchange ratio to Conexant. On November 2, 2003, the board of directors of Conexant met to review the proposed merger and the terms of the merger agreement. During this meeting, Credit Suisse First Boston reviewed with the board of directors of Conexant certain financial analyses, as described below, and rendered its oral opinion to the board of directors of Conexant, which was subsequently confirmed in writing, to the effect that, based upon and subject to the various considerations set forth in Credit Suisse First Boston's opinion, the exchange ratio was fair, from a financial point of view, to Conexant.

The full text of Credit Suisse First Boston's opinion, which sets forth, among other things, assumptions made, procedures followed, matters considered and limitations on the scope of the review undertaken by Credit Suisse First Boston in rendering its opinion, is attached as Annex B to this joint proxy statement/prospectus and is incorporated by reference in its entirety. Conexant's stockholders are urged to read Credit Suisse First Boston's opinion carefully and in its entirety. Credit Suisse First Boston's opinion addresses only the fairness, from a financial point of view, of the exchange ratio to Conexant, as of the date of Credit Suisse First Boston's opinion, and does not constitute a recommendation to any stockholder as to how such stockholder should vote or act on any matter relating to the merger. The summary of Credit Suisse First Boston's opinion in this joint proxy statement/prospectus is qualified in its entirety by reference to the full text of Credit Suisse First Boston's opinion.

In connection with its opinion, Credit Suisse First Boston, among other things:

reviewed the merger agreement and certain other related agreements;

reviewed certain publicly available business and financial information relating to Conexant and GlobespanVirata;

reviewed certain other information relating to Conexant and GlobespanVirata, including financial forecasts (and adjustments to the forecasts), provided to or discussed with Credit Suisse First Boston by Conexant and GlobespanVirata and met with the managements of Conexant and GlobespanVirata to discuss the businesses and prospects of Conexant and GlobespanVirata;

considered certain financial and stock market data of Conexant and GlobespanVirata and compared that data with similar data for other publicly-held companies in businesses that Credit Suisse First Boston deemed similar to those of Conexant and GlobespanVirata;

considered, to the extent publicly available, the financial terms of certain other business combinations and other transactions which have recently been effected or announced; and

considered such other information, financial studies, analyses and investigations and financial, economic and market criteria that Credit Suisse First Boston deemed relevant.

In connection with its review, Credit Suisse First Boston did not assume any responsibility for independent verification of any of the foregoing information and relied on such information being complete and accurate in all material respects. With respect to the financial forecasts of Conexant and GlobespanVirata that Credit Suisse First Boston reviewed, the managements of Conexant and GlobespanVirata advised Credit Suisse First Boston, and Credit Suisse First Boston assumed, that such financial forecasts (and adjustments to the forecasts) were reasonably prepared on bases reflecting the best currently available estimates and judgments of the managements of Conexant and GlobespanVirata as to the future financial performance of Conexant and GlobespanVirata. In addition, Credit Suisse First Boston relied upon, with Conexant's consent, due diligence summaries concerning GlobespanVirata provided to or discussed with Credit Suisse First Boston by Conexant. In addition, Credit Suisse First Boston relied upon, without independent verification, the assessment of the managements of Conexant and GlobespanVirata as to:

their ability to retain key employees;

the strategic benefits and potential cost savings and other synergies (including the amount, timing and achievability thereof) anticipated to result from the merger;

the existing technology, products and services of Conexant and GlobespanVirata and the validity of, and risks associated with, the future technology, products and services of Conexant and GlobespanVirata; and

their ability to integrate the businesses of Conexant and GlobespanVirata.

Conexant also informed Credit Suisse First Boston, and Credit Suisse First Boston assumed, that the merger will be treated as a tax-free reorganization for U.S. federal income tax purposes. Credit Suisse First Boston assumed, with Conexant's consent, that in the course of obtaining necessary regulatory and third party approvals and consents for the merger, no modification, delay, limitation, restriction or condition will be imposed that will have a material adverse effect on Conexant or GlobespanVirata or the contemplated benefits of the merger, and that the merger will be consummated in accordance with the terms of the merger agreement, without waiver, modification or amendment of any material term, condition or agreement in the merger agreement. Credit Suisse First Boston was not requested to, and did not, make an independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of Conexant or GlobespanVirata, and Credit Suisse First Boston was not furnished with any such evaluations or appraisals.

Credit Suisse First Boston's opinion is necessarily based upon the information available to it as of the date of the opinion, and financial, economic, market and other conditions as they existed and could be evaluated as of the date of the opinion. Credit Suisse First Boston has not expressed, and is not expressing, any opinion as to what the value of Conexant common stock actually will be when issued pursuant to the merger or the prices at which Conexant common stock will trade at any time. Credit Suisse First Boston's opinion does not address the relative merits of the merger as compared to other business strategies that may be available to Conexant or address Conexant's underlying business decision to engage in the merger.

In preparing its opinion, Credit Suisse First Boston performed a variety of financial and comparative analyses. The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. Credit Suisse First Boston believes that its analyses must be considered as a whole and that selecting portions of its analyses and factors considered by it, without considering all analyses and factors, could create a misleading or incomplete view of the processes underlying Credit Suisse First Boston's opinion. No company or transaction used in the analyses performed by Credit Suisse First Boston as a comparison is identical to Conexant, GlobespanVirata or the contemplated merger. In addition, Credit Suisse First Boston may have given various analyses more or less weight than other analyses and may have deemed various assumptions more or less probable than other assumptions, so that the range of valuations resulting from any particular analysis described below should not be taken to be Credit Suisse First Boston's view of the actual value of Conexant or GlobespanVirata. The analyses performed by Credit Suisse First Boston are not necessarily indicative of actual values or

predictive of future results, which may be significantly more or less favorable than those suggested by such analyses. In addition, analyses relating to the value of businesses or assets do not purport to be appraisals or to necessarily reflect the prices at which businesses or assets may actually be sold. The analyses performed were prepared solely as part of Credit Suisse First Boston's analysis of the fairness of the exchange ratio, from a financial point of view, to Conexant and were provided to the board of directors of Conexant in connection with the delivery of Credit Suisse First Boston's opinion.

The following is a summary of the material financial analyses performed by Credit Suisse First Boston in connection with the preparation of its opinion and reviewed with the board of directors of Conexant at its meeting held on November 2, 2003. Certain of the following summaries of financial analyses that were performed by Credit Suisse First Boston include information presented in tabular format. In order to understand fully the material financial analyses that were performed by Credit Suisse First Boston, the tables should be read together with the text of each summary. The tables alone do not constitute a complete description of the material financial analyses.

Contribution Analysis

Credit Suisse First Boston analyzed the relative contributions of Conexant and GlobespanVirata to the estimated pro forma total revenues and gross profits of the combined company over the five quarterly periods from the December 2003 quarter through the December 2004 quarter. Credit Suisse First Boston then calculated certain financial metrics implied by the relative contributions to such pro forma values, including the implied exchange ratio and the implied pro forma fully-diluted ownership of GlobespanVirata stockholders in the combined company. This analysis yielded an implied exchange ratio range of 1.211x to 2.016x and an implied GlobespanVirata ownership range of 37.5% to 50.9%, as compared to the exchange ratio of 1.198x provided for in the merger and GlobespanVirata ownership of 37.25% implied by such exchange ratio.

Discounted Cash Flow Analysis

Using a discounted cash flow analysis, Credit Suisse First Boston calculated the range of implied exchange ratios and implied pro forma fully-diluted ownerships of GlobespanVirata's stockholders in the combined company based on various operating assumptions provided by Conexant's and GlobespanVirata's managements, including assumptions relating to, among other items, revenue growth, gross margin and operating margin. Credit Suisse First Boston's analysis used discount rates ranging from 16% to 20% and exit multiples ranging from 22.5x to 30.0x. This analysis yielded an implied exchange ratio range of 1.177x

to 1.916x and an implied GlobespanVirata ownership range of 36.8% to 49.5%, as compared to the exchange ratio of 1.198x provided for in the merger and GlobespanVirata ownership of 37.25% implied by such exchange ratio.

Precedent Transactions Analysis

Credit Suisse First Boston reviewed the exchange ratio premiums paid in:

29 selected merger-of-equals transactions in the technology industry since 1997;

111 selected merger-of-equals transactions in all industries since 1991;

317 selected stock-for-stock transactions in the technology industry since 1990; and

37 selected stock-for-stock transactions in the semiconductor industry since 1987.

For each group of transactions, Credit Suisse First Boston calculated the premium implied by the exchange ratio in such transactions relative to the average of the ratios of the closing share prices for the target companies to the closing share prices for the acquiror companies in such transactions over various periods prior to the public announcement of such transactions. Credit Suisse First Boston then applied the average of these premiums for each group of transactions to the average of the ratios of GlobespanVirata's closing share prices to Conexant's closing share prices over the same periods to calculate the range of implied merger exchange ratios and implied pro forma fully-diluted ownerships of GlobespanVirata stockholders in the combined company. The following table summarizes the results of this analysis:

	Precedent Merger-of-Equals Transactions				Precedent Stock-for-Stock Transactions			
	29 Technology Transactions Since 1997		111 All-Industry Transactions Since 1991		317 Technology Transactions Since 1990		37 Semi-conductor Transactions Since 1987

Credit Suisse First Boston's opinion and presentation to the board of directors of Conexant was one of many factors taken into consideration by the board of directors of Conexant in making its determination to engage in the merger. Consequently, the analyses described above should not be viewed as determinative of the opinion of the board of directors or the management of Conexant with respect to the value of Conexant or GlobespanVirata or whether the board of directors of Conexant would have been willing to agree to a different exchange ratio.

The board of directors of Conexant retained Credit Suisse First Boston to act as its exclusive financial advisor in connection with the merger. Credit Suisse First Boston was selected by the board of directors of Conexant based on Credit Suisse First Boston's qualifications, expertise and reputation. Credit Suisse First Boston is an internationally recognized investment banking and advisory firm. Opinion of GlobespanVirata's Financial Advisor

GlobespanVirata retained Morgan Stanley to provide it with certain financial advisory services in connection with the merger. Morgan Stanley was selected by GlobespanVirata based on Morgan Stanley's qualifications, expertise, reputation and its knowledge of the business and affairs of GlobespanVirata. At the meeting of GlobespanVirata's board of directors on November 2, 2003, Morgan Stanley rendered its oral opinion, subsequently confirmed in writing, that as of November 2, 2003, based upon and subject to the various considerations set forth in the opinion, the exchange ratio pursuant to the merger agreement was fair from a financial point of view to holders of shares of GlobespanVirata common stock.

The full text of the written opinion of Morgan Stanley, dated November 2, 2003, is attached as Annex C to this joint proxy statement/prospectus. The opinion sets forth, among other things, the assumptions made, procedures followed, matters considered and limitations on the scope of the review undertaken by Morgan Stanley in rendering its opinion. We urge you to read the entire opinion carefully. Morgan Stanley's opinion is directed to GlobespanVirata's board of directors and addresses only the fairness of the exchange ratio pursuant to the merger agreement from a financial point of view to holders of shares of GlobespanVirata common stock as of the date of the opinion. It does not address any other aspect of the merger and does not constitute a recommendation to any holder of GlobespanVirata common stock as to how to vote at GlobespanVirata's special meeting. The summary of the opinion of Morgan Stanley set forth in this joint proxy statement/prospectus is qualified in its entirety by reference to the full text of its opinion.

Morgan Stanley relied upon the assessment by the managements of GlobespanVirata and Conexant of their ability to retain key employees. Morgan Stanley also relied upon, without independent verification, the assessment by the managements of GlobespanVirata and Conexant of GlobespanVirata's and Conexant's technologies and products, the timing and risks associated with the integration of GlobespanVirata and Conexant and the validity of, and risks associated with, GlobespanVirata's and Conexant's existing and future products and technologies.

In addition, Morgan Stanley assumed that the merger would be consummated in accordance with the terms set forth in the merger agreement, including, among other things, that the merger would be treated as a tax-free reorganization and/or exchange, each pursuant to the Internal Revenue Code of 1986. In addition, Morgan Stanley assumed that in connection with the receipt of all necessary government, regulatory or other consents and approvals for the merger, no restrictions would be imposed that would have any adverse effect on GlobespanVirata or Conexant or on the benefits expected to be derived from the merger. Morgan Stanley did not make any independent valuation or appraisal of the assets or liabilities of GlobespanVirata or Conexant. Morgan Stanley's opinion was necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to it as of, the date of Morgan Stanley's opinion.

The following is a brief summary of the material analyses performed by Morgan Stanley in connection with its opinion dated November 2, 2003. In order to fully understand the financial analyses used by Morgan Stanley, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses.

Trading Analysis. While noting that no comparable public company is exactly identical to Conexant or GlobespanVirata, Morgan Stanley compared selected financial information for Conexant and GlobespanVirata with publicly available information for comparable communications and broadband access integrated circuit companies that shared certain product characteristics and similar customer bases with Conexant and GlobespanVirata. Based upon publicly available estimates of certain securities research analysts and using the closing prices as of October 31, 2003, Morgan Stanley calculated, for each of these companies, the stock trading price divided by the earnings per share estimates for calendar years 2003 and 2004 (the price/earnings multiple) and aggregate value divided by the revenue estimates for calendar years 2003 and 2004 (the aggregate value/revenue multiple). The aggregate value of a company was defined as the market value of equity less cash plus the value of any debt, capital lease and preferred stock obligations of the company. For companies whose earnings per share estimates from securities research analysts are negative, not meaningful (N/M) is shown for the price/earnings multiple. The following table shows the results of these calculations:

Company	Aggregate Value/ Revenue		Price/Earnings	
	CY2003E	CY2004E	CY2003E	CY2004E
Conexant Systems, Inc.	3.5x	3.0x	139.2x	25.3x

Based on the multiple ranges suggested by the table above, this analysis suggested an implied GlobespanVirata common stock price per share range between \$5.50 and \$8.00. Morgan Stanley noted that the closing price per share of GlobespanVirata common stock on October 31, 2003 was \$6.15 and based on the closing price of Conexant common stock on October 31, 2003 and the merger exchange ratio of 1.198x, the implied price per share of GlobespanVirata common stock was \$7.00.

Morgan Stanley further noted that by using the closing price of Conexant common stock on October 31, 2003 and based on the merger exchange ratio, the aggregate value/revenue multiples for GlobespanVirata were 1.9x and 1.7x for calendar years 2003 and 2004, respectively, and the price/earnings multiples were 34.8x and 22.3x for calendar years 2003 and 2004, respectively.

No company included in the trading analysis is identical to GlobespanVirata or Conexant. In evaluating the comparable companies, Morgan Stanley made judgments and assumptions with regard to industry performance, general business, economic, market and financial conditions and other matters. Many of these matters are beyond the control of GlobespanVirata or Conexant, such as the impact of competition on the business of GlobespanVirata or Conexant and the industry in general, industry growth and the absence of any material adverse change in the financial condition and prospects of GlobespanVirata or Conexant or the industry or in the financial markets in general. Mathematical analysis, such as determining the average or median, or the high or low, is not in itself a meaningful method of using comparable company data.

Precedent Transactions Analysis. Morgan Stanley compared certain publicly available statistics for 56 merger-of-equals transactions from May 1, 1995, to June 19, 2003. The following table presents the indicated premiums paid above the closing share prices one day before the announcement of the transaction, the premiums paid above the average closing share prices over the 30-day period before the announcement of the transaction and the exchange ratio premium paid over the average historical exchange ratio over the 30-day period before the announcement of the transaction:

	Premium to:		
	One Day before Announcement	30-Day Average Stock Price before Announcement	30-Day Average Historical Exchange Ratio before Announcement
Mean	10%	12%	8%
Median	6	9	5

Based on the foregoing information, Morgan Stanley calculated a value range for the GlobespanVirata common stock of \$6.00 to \$7.00 per share. Morgan Stanley noted that based on the closing price of Conexant common stock on October 31, 2003 and the merger exchange ratio, the implied price per share of GlobespanVirata common stock was \$7.00.

No transaction included in the precedent transaction analysis is identical to the merger. In evaluating the precedent transactions, Morgan Stanley made judgments and assumptions with regard to industry performance, general business, economic, market and financial conditions and other matters. Many of these matters are beyond the control of GlobespanVirata or Conexant, such as the impact of competition on the business of GlobespanVirata or Conexant and the industry in general, industry growth and the absence of any material adverse change in the financial condition and prospects of GlobespanVirata or Conexant or the industry or in the financial markets in general. Mathematical analysis, such as determining the average or median, or the high or the low, is not in itself a meaningful method of using precedent transaction data.

Relative Contribution Analysis. Morgan Stanley analyzed the relative contribution of GlobespanVirata and Conexant to estimated gross profit, operating income and net income of the combined company for the four quarters of fiscal year 2004 based on publicly available estimates for GlobespanVirata and Conexant. Morgan Stanley adjusted the net income of Conexant to reflect the value of certain derivatives of publicly traded securities owned by Conexant as well as the value of a privately-held affiliate of Conexant in which Conexant owns an equity stake. Morgan Stanley's relative contribution analysis assumed no synergies. The following table presents the results of that analysis:

Morgan Stanley adjusted the relative contribution percentages calculated above for gross profit and operating income for the relative capital structure of each company to determine the pro forma ownership of the combined company for Conexant and GlobespanVirata, respectively, taking into account the value of net operating loss carry-forwards for both Conexant and GlobespanVirata, the value of certain derivatives of publicly traded securities owned by Conexant as well as the value of a privately-held affiliate of Conexant in which Conexant owns an equity stake. The results are set forth below:

	% Implied Ownership	
	Conexant	GlobespanVirata

Morgan Stanley noted that the pro forma ownership of the combined company implied by the merger exchange ratio of 1.198x set forth in the merger agreement would be 37.25% for GlobespanVirata and 62.75% for Conexant.

Morgan Stanley further noted that the range of pro forma ownership implies a value range for the GlobespanVirata common stock of \$6.50 to \$9.00 per share. Morgan Stanley noted that based on the closing price of Conexant common stock on October 31, 2003 and the merger exchange ratio, the implied price per share of GlobespanVirata common stock was \$7.00.

Morgan Stanley also compared the estimated net income of GlobespanVirata on a stand-alone basis to the ownership by GlobespanVirata stockholders of the estimated net income of the combined company for the four quarters of fiscal year 2004, based on publicly available estimates for GlobespanVirata and Conexant, GlobespanVirata's ownership of the pro forma company based on the merger exchange ratio and assuming \$50 million in annual pretax synergies. The following table presents the results of that analysis:

	Net Income (\$MM)	
	Standalone GlobespanVirata	Pro Forma GlobespanVirata Stockholders Including Synergies

Discounted Cash Flow, or DCF, Analysis. Morgan Stanley performed an analysis of the present value per share of the GlobespanVirata common stock by analyzing GlobespanVirata's future cash flows, based on current publicly available research estimates for GlobespanVirata's revenue, operating margin and cash flow. Morgan Stanley applied a growth rate range of 10.0% to 12.5% to these revenue estimates and

Edgar Filing: CONEXANT SYSTEMS INC - Form S-4/A

assumed a range of operating margins, which is income from operations divided by revenues, of 10.0% to 14.0% to derive a range of cash flows between 2004 and 2008. Morgan Stanley then used an illustrative price/earnings multiple of 20.0x in 2008 to determine the terminal value of GlobespanVirata and an illustrative discount rate, i.e. the rate used to determine the present value of future cash flows, of 10% using the capital asset pricing model. Based on these assumptions, the present value of future cash flows ranged from approximately \$6.50 to \$9.50 per GlobespanVirata common share. Morgan Stanley noted that based on the closing price of Conexant common stock on October 31, 2003 and the merger exchange ratio, the implied price per share of GlobespanVirata common stock was \$7.00.

Exchange Ratio Premium Analysis. Morgan Stanley reviewed the ratios of the closing prices of GlobespanVirata common stock divided by the corresponding closing prices of Conexant common stock over various periods ending October 31, 2003. These ratios are referred to as period average exchange ratios. Morgan Stanley examined the premiums represented by the merger exchange ratio of 1.198x, as set forth in the merger agreement, over the averages of these daily ratios over various periods and found them to be as follows:

Period	Period Average Exchange Ratio	Implied GlobespanVirata Pro Forma Ownership	Implied GlobespanVirata Price Per Share	Premium/(Discount) to Period Average Exchange Ratio
October 31, 2003	1.053x	34.1%	\$6.15	13.8%

Pro Forma Analysis of the Merger. Morgan Stanley analyzed the pro forma impact of the merger on estimated earnings per share for Conexant for the fiscal year 2004. The pro forma results were calculated as if the merger had closed at the beginning of the 2004 first quarter and were based on estimated earnings derived from publicly available research estimates for Conexant and GlobespanVirata. The following table presents the pro forma fiscal year 2004 estimated Conexant earnings per share and accretion/(dilution) based on the merger exchange ratio of 1.198x set forth in the merger agreement and assuming no synergies as well as the realization of approximately \$50 million in annual pretax synergies during fiscal year 2004.

The preparation of a fairness opinion is a complex process and is not necessarily susceptible to a partial analysis or summary description. In arriving at its opinion, Morgan Stanley considered the results of all of its analyses as a whole and did not attribute any particular weight to any particular analysis or factor considered by it. Furthermore, Morgan Stanley believes that the summary provided and the analyses described above must be considered as a whole and that selecting any portion of Morgan Stanley's analyses, without considering all its analyses, would create an incomplete view of the process underlying Morgan Stanley's opinion. In addition, Morgan Stanley may have deemed various assumptions more or less probable than other assumptions, so that the range of valuations resulting from any particular analysis described above should not be taken to be Morgan Stanley's view of the actual value of GlobespanVirata or Conexant.

In performing its analyses, Morgan Stanley made numerous assumptions with respect to industry performance, general business and economic conditions and other matters, many of which are beyond the control of GlobespanVirata or Conexant. Any estimates contained in Morgan Stanley's analysis are not necessarily indicative of future results or actual values, which may be significantly more or less favorable than those suggested by such estimates. The analyses performed were prepared solely as part of Morgan Stanley's analysis of the fairness of the exchange ratio pursuant to the merger agreement from a financial point of view to the holders of GlobespanVirata common stock and were conducted in connection with the

delivery of the Morgan Stanley opinion to the board of directors of GlobespanVirata. The analyses do not purport to be appraisals or to reflect the prices at which GlobespanVirata common stock or Conexant common stock might actually trade. The exchange ratio pursuant to the merger agreement and other terms of the merger agreement were determined through arm's length negotiations between GlobespanVirata and Conexant and were approved by the GlobespanVirata board of directors. Morgan Stanley provided advice to GlobespanVirata during such negotiations; however, Morgan Stanley did not recommend any specific consideration to GlobespanVirata or that any specific consideration constituted the only appropriate consideration for the merger. In addition, as described above, Morgan Stanley's opinion and presentation to the GlobespanVirata board of directors was one of many factors taken into consideration by GlobespanVirata's board of directors in making its decision to approve the merger. Consequently, the Morgan Stanley analyses as described above should not be viewed as determinative of the opinion of the GlobespanVirata board of directors with respect to the value of GlobespanVirata or of whether the GlobespanVirata board of directors would have been willing to agree to a different consideration.

The GlobespanVirata board of directors retained Morgan Stanley based upon Morgan Stanley's qualifications, experience and expertise. Morgan Stanley is an internationally recognized investment banking and advisory firm. Morgan Stanley, as part of its investment banking and financial advisory business, is continuously engaged in the valuation of businesses and securities in connection with mergers and acquisitions, negotiated underwriting, competitive bidding, secondary distributions of listed and unlisted securities, private placements and valuations for corporate and other purposes. In the ordinary course of Morgan Stanley's trading and brokerage activities, Morgan Stanley or its affiliates may at any time hold long or short positions, trade or otherwise effect transactions, for its own account or for the account of customers, in the equity or debt securities or senior loans of GlobespanVirata and/or Conexant.

Pursuant to an engagement letter dated November 1, 2003, Morgan Stanley provided financial advisory services and a financial opinion in connection with the merger, and GlobespanVirata agreed to pay Morgan Stanley a customary fee in connection therewith. GlobespanVirata has also agreed to reimburse Morgan Stanley for its expenses incurred in performing its services. In addition, GlobespanVirata has agreed to indemnify Morgan Stanley and its affiliates, their respective directors, officers, agents and employees and each person, if any, controlling Morgan Stanley or any of its affiliates against certain liabilities and expenses, including certain liabilities under the federal securities laws, related to or arising out of Morgan Stanley's engagement and any related transactions. In the past, Morgan Stanley and its affiliates have provided investment banking, financial advisory and financing services to GlobespanVirata in connection with GlobespanVirata's public equity offering in August 2000, the private placement of its convertible subordinated notes in May 2001 and its merger with Virata Corporation in December 2001 and have provided financing services to Conexant. Morgan Stanley and its affiliates have received fees for the rendering of these services.

Regulatory Approvals Required for the Merger

U.S. Antitrust Approvals

Conexant and GlobespanVirata cannot complete the merger until they have filed notifications with the Antitrust Division of the Department of Justice and the Federal Trade Commission under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the applicable rules of the Federal Trade Commission, and specified waiting periods have expired or terminated. Conexant and GlobespanVirata filed the required notification and report forms under the Hart-Scott-Rodino Antitrust Improvements Act with the Federal Trade Commission and the Antitrust Division on November 19, 2003. We received notice of the early termination of the waiting period under this Act on December 11, 2003.

Conexant and GlobespanVirata believe that the proposed merger is compatible with U.S. antitrust laws. However, at any time before or after consummation of the merger, the Antitrust Division, the Federal Trade Commission, other governmental authorities or private persons could take action against the merger under the antitrust laws, including seeking to enjoin consummation of the merger, rescind the merger, cause Conexant or GlobespanVirata to divest, in whole or in part, any of their assets or businesses, and/or recover monetary damages.

Other Approvals

In addition, Conexant and GlobespanVirata are required to make filings in connection with the merger with regulatory authorities in South Korea within 30 days after the effective time of the merger. These filings will be made timely with the appropriate authorities.

The obligations of Conexant or GlobespanVirata to complete the merger are subject to the conditions that:

there not be any injunction, decree or order issued by any court or agency of competent jurisdiction or any other legal restraint or prohibition preventing them from completing the transactions contemplated by the merger agreement; and

there be obtained all consents, approvals, permits or authorizations required to be obtained from any governmental authority, the absence of which would reasonably be expected to have a material adverse effect on the combined company and its subsidiaries, taken together, after the merger.

Conexant and GlobespanVirata are not aware of any governmental approvals or actions that are required for consummation of the merger other than as described above. If any other governmental approval or action is required, we currently contemplate that we would seek that additional approval or action. There can be no assurance, however, that we will obtain these additional approvals or actions.

Material U.S. Federal Income Tax Consequences

The following is a summary of the material anticipated U.S. federal income tax consequences of the merger to Conexant stockholders and GlobespanVirata stockholders who hold Conexant common stock or GlobespanVirata common stock as a capital asset. This summary is based on the Internal Revenue Code, Treasury regulations issued under the Code, and administrative rulings and court decisions in effect as of the date of this joint proxy statement/prospectus, all of which are subject to change at any time, possibly with retroactive effect. This summary is not a complete description of all of the tax consequences of the merger and, in particular, may not address U.S. federal income tax considerations applicable to Conexant stockholders and GlobespanVirata stockholders subject to special treatment under U.S. federal income tax law. Stockholders subject to special treatment include, for example, foreign persons, financial institutions, dealers in securities, traders in securities who elect to apply a mark-to-market method of accounting, insurance companies, tax-exempt entities, holders who acquired their shares pursuant to the exercise of an employee stock option or right or otherwise as compensation, and holders who hold Conexant common stock or GlobespanVirata common stock as part of a hedge, straddle, conversion, or constructive sale transaction. In addition, no information is provided in this joint proxy statement/prospectus with respect to the tax consequences of the merger under applicable foreign, state or local laws.

Conexant stockholders and GlobespanVirata stockholders are urged to consult with their own tax advisors regarding the U.S. federal income and other tax consequences of the merger to them, including the effects of U.S. federal, state, local, foreign and other tax laws.

Conexant and GlobespanVirata have been advised by Chadbourne & Parke LLP, counsel to Conexant, and Ropes & Gray LLP, counsel to GlobespanVirata, respectively, that the material U.S. federal income tax consequences of the merger are as follows:

neither Conexant nor GlobespanVirata will recognize any taxable gain or loss as a result of the merger;

a Conexant stockholder will not recognize any taxable gain or loss in connection with the merger because no Conexant stockholder is exchanging any property in the merger;

no taxable gain or loss will be recognized by a GlobespanVirata stockholder solely as a result of the receipt of Conexant common stock in exchange for the stockholder's GlobespanVirata common stock in the merger (except with respect to cash received in lieu of a fractional share of Conexant common stock);

the aggregate tax basis of Conexant common stock in the hands of a GlobespanVirata stockholder immediately after the merger (including fractional shares deemed received and redeemed as

described below) will be the same as the aggregate tax basis of the shares of GlobespanVirata common stock surrendered in exchange for Conexant common stock;

the holding period of Conexant common stock received by a GlobespanVirata stockholder in the merger will include the holding period of their GlobespanVirata common stock, provided that their GlobespanVirata common stock is held as a capital asset on the date of the merger; and

cash received by a GlobespanVirata stockholder in lieu of a fractional share interest in Conexant common stock will be treated as received in redemption of that fractional share interest, and a GlobespanVirata stockholder receiving such a cash payment should generally recognize capital gain or loss for U.S. federal income tax purposes measured by the difference between the amount of cash received and the portion of the tax basis of the shares of GlobespanVirata common stock allocable to that fractional share of Conexant common stock. This gain or loss should be long-term capital gain or loss if the holding period for the GlobespanVirata common stock is greater than one year at the effective time of the merger.

The obligations of Conexant and GlobespanVirata to consummate the merger are conditioned upon the receipt by Conexant and GlobespanVirata of opinions of Chadbourne & Parke LLP and Ropes & Gray LLP, respectively, in form and substance reasonably satisfactory to Conexant and GlobespanVirata, respectively, in each case dated the closing date of the merger, substantially to the effect that, on the basis of facts, representations and assumptions set forth in each opinion that are consistent with the state of facts existing at the effective time of the merger, the merger will constitute a reorganization within the meaning of section 368(a) of the Code. In rendering those opinions, counsel may require and rely upon representations and covenants contained in certificates of officers of Conexant, GlobespanVirata and others. The tax opinions to be delivered to the parties in connection with the merger as described in this joint proxy statement/prospectus are not binding on the Internal Revenue Service or the courts, and the parties do not intend to request a ruling from the Internal Revenue Service with respect to the merger.

Accounting Treatment

The merger will be accounted for by Conexant as a purchase of GlobespanVirata under generally accepted accounting principles in the U.S. For accounting purposes, Conexant is the acquiring enterprise in the merger since at the effective time of the merger, current Conexant stockholders are expected to own approximately 62.75% of Conexant. The deemed purchase price will be allocated to GlobespanVirata's assets and liabilities based on their estimated fair market values at the date of the merger and any excess of the purchase price over the fair market values will be accounted for as goodwill.

All unaudited pro forma financial information contained in this joint proxy statement/ prospectus has been prepared using the purchase method to account for the merger. See Unaudited Pro Forma Condensed Combined Financial Information. The final allocation of the purchase price will be determined after the merger is consummated and after completion of a thorough analysis to determine the fair market values of GlobespanVirata's tangible and identifiable intangible assets and liabilities. In addition, estimates relating to any restructuring and merger-related charges are subject to final decisions relating to combining the companies. Accordingly, the final purchase accounting adjustments and any restructuring or merger-related charges may be materially different from the unaudited pro forma adjustments presented in this joint proxy statement/ prospectus. Any decrease in the net fair value of the assets or increase in the fair value of the liabilities of GlobespanVirata as compared to the information shown in this joint proxy statement/prospectus will have the effect of increasing the amount of the purchase price allocable to goodwill.

Interests of Certain Persons in the Merger

Certain members of Conexant's and GlobespanVirata's management, the Conexant board and the GlobespanVirata board may have interests in the merger that are in addition to their interests as Conexant stockholders or GlobespanVirata stockholders generally. For example, certain executive officers and directors of each of Conexant and GlobespanVirata will serve as executive officers and directors of the combined company following the merger. Certain executive officers of Conexant and GlobespanVirata have

entered into employment agreements with Conexant and it is expected that several other employees of Conexant and GlobespanVirata will enter into employment agreements with Conexant. Each of the new employment agreements will become effective at the effective time of the merger. These employees, as well as the new directors of Conexant designated by GlobespanVirata, are expected to receive grants of Conexant stock options at the effective time of the merger.

The Conexant board and the GlobespanVirata board were aware of these interests and considered them, among other matters, in approving and adopting the merger agreement and approving the merger.

New Employment Agreements

Conexant has entered into employment agreements with each of Dwight W. Decker, Armando Geday, F. Matthew Rhodes, Robert McMullan, Dennis E. O'Reilly and C. Michael Powell and expects to enter into employment agreements with several other current employees of Conexant and GlobespanVirata who will continue as or become employees of Conexant following the merger. Each of the new employment agreements will become effective at the effective time of the merger.

Except as noted below, each of the new employment agreements with the individuals named above contains the following provisions. Each agreement sets forth the individual's initial annual base salary and a formula for determining the individual's annual target bonus for the fiscal year ending October 1, 2004. Each agreement provides that Conexant's board of directors or the Compensation and Management Development Committee of the board, or the Compensation Committee, will (1) review the individual's annual base salary at least annually and may increase (but not decrease) the salary and (2) determine the amount of the individual's annual target bonus for fiscal years beginning after October 1, 2004. If Conexant terminates an individual's employment without cause or if the individual resigns for good reason (as defined in the employment agreements), Conexant will continue to provide certain benefits to the executive for 12 months after the date of termination, unless and until the executive receives similar benefits from another employer during the 12 month period. Each agreement also restricts the individual from competing with Conexant (to the extent permitted by law) or soliciting employees or customers of Conexant during the employment period and for 12 months after employment terminates. Each of the new agreements contains a provision pursuant to which the individual will generally be made whole in the event of payment of any excise taxes imposed by the Internal Revenue Code on certain change of control payments. Each of the options granted pursuant to the new employment agreements will have an exercise price equal to the fair market value of Conexant common stock on the date of grant.

The following is a summary of the material terms and provisions of the employment agreements with each of the individuals named above.

Dwight W. Decker. Mr. Decker will serve as non-executive chairman of the board and an employee of Conexant for as long as he continues as a director, but at least three years from the effective time of the merger. In exchange for his services, Mr. Decker will be paid an annual base salary of \$575,000 for the first year and \$100,000 for each of the second and third years of his employment. Thereafter, Conexant's board or the Compensation Committee will determine his annual base salary. For the fiscal year ending October 1, 2004, Mr. Decker will be eligible for an annual performance bonus in an amount to be determined by Conexant's board or the Compensation Committee, pro rated to cover the period from the beginning of the fiscal year through the effective date of the merger. Upon completion of the merger, Conexant will pay Mr. Decker a lump-sum cash bonus of \$718,750 and will grant Mr. Decker options to purchase 125,000 shares of Conexant common stock, which will become exercisable on the first anniversary of the effective time of the merger. For the second and third years of his employment, Mr. Decker will receive twice the equity awards granted to non-employee directors of Conexant. Thereafter, Conexant's board or the Compensation Committee will determine the amount of Mr. Decker's equity awards. All of his outstanding unvested equity awards will continue to vest during the employment term. Mr. Decker will be entitled to all benefits afforded employees of Conexant and during the first 18 months of the employment term will be entitled to all perquisites made available to senior executives.

If Conexant terminates Mr. Decker's employment without cause or if he resigns for good reason (as defined in his employment agreement) during the first 12 months of the employment term, then (1) Conexant will pay him a cash lump-sum equal to the sum of (A) any unpaid base salary (and any other unpaid amounts) accrued through his termination date, (B) any unpaid base salary for the remainder of the 12 month period, (C) any unpaid target bonus for the fiscal year immediately before the year in which his termination occurs, (D) any unpaid target bonus for the fiscal year in which his termination occurs, and (E) \$200,000; and (2) Conexant will continue to provide certain benefits and perquisites to him for the remainder of the 12 month period, unless and until he receives similar benefits and perquisites from another employer during the 12 month period. If Conexant terminates Mr. Decker's employment without cause or if he resigns for good reason after the first 12 months of the employment term, then Conexant will pay him a cash lump-sum equal to the sum of (i) any unpaid base salary (and any other unpaid amounts) accrued through his termination date, (ii) any unpaid target bonus for the fiscal year immediately before the year in which his termination occurs, and (iii) \$200,000. If Conexant terminates Mr. Decker's employment without cause or if he resigns for good reason, all of Mr. Decker's options and shares of restricted stock will become fully vested and Mr. Decker may exercise all such options until the later of (a) the sixth anniversary of the effective time of the merger and (b) the second anniversary of his termination date. If Mr. Decker resigns without good reason after the first anniversary of the effective date of the merger, then all of his outstanding unvested equity awards will become fully vested and Mr. Decker may exercise such awards for two years following his resignation. Mr. Decker's existing employment agreement with Conexant will remain in effect and in the event of any conflict between the agreements, the agreement with terms more favorable to Mr. Decker will control, without duplication.

Armando Geday. Mr. Geday will serve as chief executive officer and as a director of Conexant effective as of the effective time of the merger. His employment agreement will have an initial two-year term, which will be automatically extended daily to provide for a rolling two-year term, unless either party notifies the other that it no longer wishes the automatic extensions to continue. Mr. Geday will be paid an initial annual base salary of \$550,000 and will be eligible for an initial annual target bonus of 100% of his annual base salary, pro rated in fiscal 2004 to cover the period from January 1, 2004 through October 1, 2004. Upon completion of the merger, Conexant will grant Mr. Geday (1) options to purchase 600,000 shares of Conexant common stock, which will become exercisable in four equal installments on the first, second, third and fourth anniversaries of the date of grant and (2) retention options to purchase 450,000 shares of Conexant common stock, which will become exercisable two years after the effective time of the merger.

If Conexant terminates Mr. Geday's employment without cause or if he resigns for good reason (as defined in his employment agreement), then Conexant will pay him a cash lump-sum equal to the sum of (A) any unpaid base salary (and any other unpaid amounts) accrued through his termination date, (B) a pro rata share of his target bonus for the fiscal year in which his termination occurs, (C) two times his annual base salary, (D) two times his target bonus for the fiscal year in which his termination occurs, and (E) \$500,000. In addition, all of Mr. Geday's options and shares of restricted stock will become fully vested on the date of termination and Mr. Geday may exercise all such options for three years following his termination date. Mr. Geday's existing employment agreement with GlobespanVirata will be superseded by the new agreement.

F. Matthew Rhodes. Mr. Rhodes will be employed as president of Conexant effective as of the effective time of the merger. His employment agreement will have a rolling two-year term similar to Mr. Geday's employment agreement. In exchange for his services, Mr. Rhodes will be paid an initial annual base salary of \$450,000 and will be eligible for an initial annual target bonus of 85% of his annual base salary. Upon completion of the merger, Conexant will pay Mr. Rhodes a lump-sum cash bonus of \$300,000 and will grant Mr. Rhodes (1) options to purchase 450,000 shares of Conexant common stock, which will become exercisable in four equal installments on the first, second, third and fourth anniversaries of the date of grant and (2) retention options to purchase 350,000 shares of Conexant common stock, which will become exercisable two years after the effective date of the merger.

If Conexant terminates Mr. Rhodes' employment without cause or if he resigns for good reason (as defined in his employment agreement), then Conexant will pay him a cash lump-sum equal to the sum of (A) any unpaid base salary (and any other unpaid amounts) accrued through his termination date, (B) a pro rata share of his target bonus for the fiscal year in which his termination occurs, (C) two times his annual base salary, (D) two times his target bonus for the fiscal year in which his termination occurs, and (E) \$200,000. In addition, all of Mr. Rhodes' options and shares of restricted stock will become fully vested on the date of termination and Mr. Rhodes may exercise all such options for three years following his termination date. Mr. Rhodes' existing employment agreement with Conexant will remain in effect and in the event of any conflict between the agreements, the agreement with terms more favorable to Mr. Rhodes will control, without duplication.

Robert McMullan. Mr. McMullan will be employed as senior vice president and chief financial officer of Conexant effective as of the effective time of the merger. His employment agreement will have an initial two-year term and will be automatically extended for additional one-year terms beginning on the second anniversary of the effective date of the merger, unless either party gives at least sixty days' advance written notice to the other party that it no longer wishes the automatic extensions to continue. In exchange for his services, Mr. McMullan will be paid an initial annual base salary of \$360,000 and will be eligible for an initial annual target bonus of 70% of his annual base salary, pro rated in fiscal 2004 to cover the period from January 1, 2004 through October 1, 2004. Upon completion of the merger, Conexant will grant Mr. McMullan (1) options to purchase 250,000 shares of Conexant common stock, which will become exercisable in four equal installments on the first, second, third and fourth anniversaries of the date of grant and (2) retention options to purchase 175,000 shares of Conexant common stock, which will become exercisable two years after the effective date of the merger.

If Conexant terminates Mr. McMullan's employment without cause or if he resigns for good reason (as defined in his employment agreement), then Conexant will (A) continue to pay his base salary for 12 months following the date of termination in accordance with normal payroll practices, and (B) pay him promptly after the end of the fiscal year in which the termination occurs a cash lump-sum equal to the sum of (i) a pro rata share of his target bonus for the fiscal year in which the termination occurs and (ii) the full amount of his target bonus with respect to such fiscal year. Mr. McMullan's retention options shall (if the termination occurs within 12 months after the effective date of the merger) immediately vest and otherwise all of Mr. McMullan's options and shares of restricted stock will continue to vest during the 12 months following his termination date. Mr. McMullan may exercise all vested options during the 12-month period following his termination and for 90 days thereafter, after which time all of his options will expire. In addition, if Mr. McMullan is involuntarily terminated (as defined in the applicable GlobespanVirata option plan as in effect on the date of the agreement) within 24 months after the effective time of the merger, all options to purchase Conexant common stock issued to him in respect of his GlobespanVirata options will automatically become fully vested upon his termination and will remain exercisable for 12 months following the involuntary termination. Mr. McMullan's existing employment agreement with GlobespanVirata will be superceded by the new agreement.

Dennis E. O'Reilly. Mr. O'Reilly will be employed as senior vice president, chief legal officer and secretary of Conexant effective as of the effective time of the merger. His employment agreement will have an initial two-year term and will be automatically extended for additional one-year terms beginning on the second anniversary of the effective date of the merger, unless either party gives at least sixty days' advance written notice to the other party that it no longer wishes the automatic extensions to continue. In exchange for his services, Mr. O'Reilly will be paid an initial annual base salary of \$325,000 and will be eligible for an initial annual target bonus of 60% of his annual base salary. Upon completion of the merger, Conexant will grant Mr. O'Reilly (1) options to purchase 150,000 shares of Conexant common stock, which will become exercisable in four equal installments on the first, second, third and fourth anniversaries of the date of grant and (2) retention options to purchase 115,000 shares of Conexant common stock, which will become exercisable two years after the effective date of the merger.

If Conexant terminates Mr. O'Reilly's employment without cause (as defined in his employment agreement), then Conexant will (A) continue to pay his base salary for 12 months following the date of

termination in accordance with normal payroll practices, and (B) pay him promptly after the end of the fiscal year in which the termination occurs a cash lump-sum equal to the sum of (i) a pro rata share of his target bonus for the fiscal year in which the termination occurs and (ii) the full amount of his target bonus with respect to such fiscal year. In addition, all of Mr. O Reilly's options and shares of restricted stock will continue to vest during the 12 months following his termination date and Mr. O Reilly may exercise all vested options during the 12-month period following his termination and for 90 days thereafter, after which time all of his options will expire. Mr. O Reilly's existing employment agreements with Conexant (which contain an excise tax provision substantially the same as the provisions described above) will remain in effect and in the event of any conflict between the agreements, the agreement with terms more favorable to Mr. O Reilly will control, without duplication.

C. Michael Powell. Mr. Powell will be employed as senior vice president and chief operating officer of Conexant effective as of the effective time of the merger. The terms of Mr. Powell's employment agreement (including initial annual base salary, initial annual target bonus, and initial and retention option grants) are otherwise substantially identical to Mr. McMullan's employment agreement. Mr. Powell's existing employment agreement with GlobespanVirata will be superseded by the new agreement.

Stock-Based Grants in Connection with the Merger

Upon completion of the merger, certain officers of Conexant and GlobespanVirata will receive grants of options to purchase Conexant common stock. Officers of Conexant following the merger, including Messrs. Geday, Rhodes, McMullan, O Reilly and Powell, will participate in a grant of stock options to be made to employees generally, and these and other officers will receive an additional grant of stock options as special retention awards. Each of the four new Conexant non-employee directors designated by GlobespanVirata is expected to receive an initial grant of options for 40,000 shares of Conexant common stock at the effective time of the merger under the Conexant Directors Stock Plan if the proposed amendments to that plan are approved by Conexant stockholders.

GlobespanVirata Stock-Based Rights

Upon completion of the merger, each outstanding GlobespanVirata stock option, whether vested or unvested, will be converted into an option to purchase a number of shares of Conexant common stock equal to the number of shares of GlobespanVirata common stock that would have been obtained before the merger upon the exercise of the option, multiplied by the exchange ratio, and the exercise price of the converted option will be equal to the exercise price per share of the option before the conversion, divided by the exchange ratio. The conversion of incentive stock options will be effected in a manner that is consistent with section 424(a) of the Internal Revenue Code.

Outstanding GlobespanVirata stock options with exercise prices of \$20 or more per share issued under GlobespanVirata's 1999 Equity Incentive Plan, 1999 Supplemental Stock Option Plan and Amended and Restated 1999 Stock Incentive Plan held by each person who immediately prior to the effective time of the merger is a GlobespanVirata employee or director and who immediately after the effective time of the merger will be a Conexant employee or director will not be converted into options to purchase Conexant common stock. Pursuant to the terms of the merger agreement and the applicable plan, these options will become fully exercisable and vested and, if not exercised prior to the effective time of the merger, will automatically expire immediately prior to the effective time of the merger. Holders of these options will receive from GlobespanVirata immediately prior to the effective time of the merger a cash payment in respect of the expiration of these options based on a formula that takes into account the number of expired options and the exercise prices thereof. Assuming that none of these options is exercised prior to the effective time of the merger, it is expected that options to purchase an aggregate of approximately 5,114,000 shares of GlobespanVirata common stock will expire and an aggregate of approximately \$4.9 million will be paid to holders of these options, of which approximately \$62,500, \$22,500 and \$15,000 will be paid to Messrs. Geday, McMullan and Deb, respectively, and \$30,000 will be paid to Nicholas Aretakis, Vice President Worldwide Sales, of GlobespanVirata, in respect of the expiration of their options to purchase 250,000, 90,000, 15,000 and 120,000 shares of GlobespanVirata common stock, respectively.

Under certain of GlobespanVirata's stock-based plans, upon a change of control of GlobespanVirata in which the stock options or other awards under the plans are assumed by the parent of the surviving corporation (in this case, Conexant), unvested stock options or other stock-based awards will become fully vested and exercisable if the optionee or other participant under the plan is involuntarily terminated within twelve months after the effective time of the change of control. The transactions contemplated by the merger agreement will constitute a change of control under these GlobespanVirata stock-based plans and Conexant is assuming all vested and unvested options and other stock-based awards that are outstanding at the effective time of the merger. The aggregate number of unvested stock options to acquire shares of GlobespanVirata common stock and shares of restricted GlobespanVirata common stock held by Messrs. McMullan and Powell that may become vested or free of restrictions as a result of a termination of employment following the merger (excluding those that are expected to expire as described above) is approximately 1,034,375. In addition, each of Bami Bastani, Steven J. Bilodeau and Garry K. McGuire, non-employee directors of GlobespanVirata who joined GlobespanVirata's board in September 2003, holds options to acquire 15,000 shares of GlobespanVirata common stock that will vest and become exercisable as a result of the merger. Except as described above, no unvested stock options to acquire shares of GlobespanVirata common stock will become fully vested and exercisable solely as a result of the merger.

Indemnification; Directors and Officers Liability Insurance

The merger agreement provides that Conexant will indemnify and hold harmless, and provide advancement of expenses to, all past and present directors, officers or employees of GlobespanVirata and its subsidiaries, to the same extent such persons are indemnified or have the right to advancement of expenses as of the date of the merger agreement pursuant to GlobespanVirata's charter, by-laws and indemnification agreements, if any, in existence on the date of the merger agreement with any such directors, officers or employees of GlobespanVirata and its subsidiaries for acts or omissions occurring at or prior to the effective time of the merger (including for acts or omissions occurring in connection with the approval of the merger agreement and the consummation of the transactions contemplated thereby). The merger agreement further provides that Conexant will also cause current GlobespanVirata policies of directors' and officers' liability insurance and fiduciary liability insurance to be maintained for a period of six years after the effective time of the merger (provided that Conexant may substitute policies of at least the same coverage and amounts containing terms and conditions which are, in the aggregate, no less advantageous to the insured) with respect to claims arising from facts or events that occurred on or before the effective time. However, Conexant will not be required to expend more than 200% of the current amounts expended by GlobespanVirata for its policies. If the annual premiums exceed such amount, then the combined company is obligated to obtain a policy with the greatest coverage available for the above-mentioned amount.

Ownership of Common Stock

As of the record date for the Conexant annual meeting, directors and executive officers of Conexant beneficially owned 1,868,510 shares of Conexant common stock (excluding shares that could be acquired upon exercise of outstanding options) entitling them to exercise approximately 0.67% of the voting power of the Conexant common stock entitled to vote at the Conexant annual meeting. In addition, as of the Conexant record date, a subsidiary of GlobespanVirata owned 1,250,000 shares of Conexant common stock that were received in connection with the sale of its iCompression video compression business to Conexant, entitling it to exercise approximately 0.45% of the voting power of the Conexant common stock entitled to vote at the Conexant annual meeting.

As of the record date for the GlobespanVirata special meeting, directors and executive officers of GlobespanVirata beneficially owned 809,355 shares of GlobespanVirata common stock (excluding shares that could be acquired upon exercise of outstanding options) entitling them to exercise approximately 0.54% of the voting power of the GlobespanVirata stock entitled to vote at the GlobespanVirata special meeting.

THE MERGER AGREEMENT

The following is a summary of the material terms and provisions of the merger agreement dated as of November 3, 2003, as amended as of January 15, 2004. The merger agreement is attached as Annex A to this joint proxy statement/prospectus and incorporated herein by reference. We encourage you to read all of the merger agreement.

Merger Consideration

The merger agreement provides that each share of GlobespanVirata common stock outstanding immediately prior to the effective time of the merger will be converted into the right to receive 1.198 shares of Conexant common stock. Instead of fractional shares of Conexant common stock, GlobespanVirata stockholders will receive cash.

After the merger, each outstanding share of Conexant common stock will remain outstanding and unaffected by the merger and each option and warrant to purchase Conexant common stock will also remain outstanding and unaffected by the merger.

Treatment of Options

Upon completion of the merger, each outstanding GlobespanVirata stock option will be converted into an option to purchase a number of shares of Conexant common stock that is equal to the product of 1.198 multiplied by the number of shares of GlobespanVirata common stock that would have been obtained before the merger upon the exercise of the option, rounded to the nearest whole share. The exercise price per share will be equal to the exercise price per share of GlobespanVirata common stock subject to the option before the conversion divided by 1.198, rounded to the nearest whole cent. The conversion of incentive stock options will be effected in a manner that is consistent with section 424(a) of the Internal Revenue Code. The other terms of each GlobespanVirata option referred to above will continue to apply.

Outstanding GlobespanVirata stock options with exercise prices of \$20 or more per share issued under GlobespanVirata's 1999 Equity Incentive Plan, 1999 Supplemental Stock Option Plan and Amended and Restated 1999 Stock Incentive Plan held by each person who immediately prior to the effective time of the merger is a GlobespanVirata employee or director and who immediately after the effective time of the merger will be a Conexant employee or director will not be converted into options to purchase Conexant common stock. Pursuant to the terms of the merger agreement and the applicable plan, these options will become fully exercisable and vested and, if not exercised prior to the effective time of the merger, will automatically expire immediately prior to the effective time of the merger. Holders of these options will receive from GlobespanVirata immediately prior to the effective time of the merger a cash payment in respect of the expiration of these options based on a formula that takes into account the number of expired options and the exercise prices thereof.

Exchange of Certificates

From time to time, prior to, at or after the effective time of the merger, Conexant will deposit, or cause to be deposited, with Mellon Investor Services LLC, the exchange agent, certificates representing the shares of Conexant common stock to be issued pursuant to the merger agreement in exchange for outstanding shares of GlobespanVirata common stock.

GlobespanVirata stockholders will receive shares of Conexant common stock in book-entry form unless a physical certificate is requested. As soon as practicable after the effective time of the merger (or in the case of GlobespanVirata common stock held in certificated form, after receipt of a properly completed letter of transmittal, together with any other required documents), the exchange agent will (unless a physical certificate is requested) mail to each GlobespanVirata stockholder:

an account statement indicating the number of shares of Conexant common stock owned by each GlobespanVirata stockholder as a result of the merger; and

a check representing the amount of cash in lieu of fractional shares payable to each GlobespanVirata stockholder.

As soon as practicable after the effective time, a form of transmittal letter will be mailed by the exchange agent to GlobespanVirata stockholders who hold certificates for GlobespanVirata common stock. The transmittal letter will contain instructions with respect to the surrender of certificates representing GlobespanVirata common stock.

If you hold certificates for GlobespanVirata common stock, you should NOT return the certificates with the enclosed proxy and should NOT forward them to the exchange agent until you receive a letter of transmittal following the effective time of the merger.

Until holders of shares of GlobespanVirata common stock in certificated form have complied with the exchange agent's instructions given after the effective time with respect to the surrender of such shares for exchange and transmitted the required documents, including share certificates, such holders will accrue but will not be paid dividends or other distributions declared after the effective time with respect to Conexant common stock into which their shares have been converted. When such holders surrender their certificates, Conexant will pay any unpaid dividends or other distributions, without interest. After the effective time, there will be no transfers on the stock transfer books of GlobespanVirata of shares of GlobespanVirata common stock issued and outstanding immediately prior to the effective time. If certificates representing GlobespanVirata common stock are presented for transfer after the effective time, they will be canceled and exchanged for the applicable number of shares of Conexant common stock (which shares will be in book-entry form unless a physical certificate is requested).

No fractional shares of Conexant common stock will be issued to any holder of certificates representing shares of GlobespanVirata common stock upon consummation of the merger. For each fractional share that would otherwise be issued to each such holder, Conexant will pay in cash an amount equal to such holder's proportionate interest in the net proceeds from the sale or sales in the open market of the aggregate fractional Conexant shares that would have been issued in the merger. The exchange agent will sell such aggregate fractional shares at the then prevailing prices on the Nasdaq National Market System. These sales will be executed through one or more member firms of the National Association of Securities Dealers, Inc. and will be executed in round lots to the extent practicable. Conexant will pay all commissions, transfer taxes and other out-of-pocket transaction costs of the exchange agent, including the expenses and compensation of the exchange agent, incurred in connection with the sale of fractional shares.

If shares of Conexant common stock are to be issued in a name other than the name in which the surrendered shares of GlobespanVirata common stock are registered, the surrendered shares must be properly endorsed, or accompanied by an appropriate instrument of transfer, and in proper form for transfer. The person requesting the exchange must pay to the exchange agent in advance any applicable transfer or other tax or establish to the satisfaction of the exchange agent that the tax has been paid or is not payable.

None of Conexant, Concentric Sub, GlobespanVirata, the exchange agent or any other person will be liable to any former holder of GlobespanVirata common stock for any amount delivered in good faith to a public official pursuant to applicable abandoned property, escheat or similar laws.

If a certificate for GlobespanVirata common stock has been lost, stolen or destroyed, the exchange agent will issue the consideration payable under the merger agreement upon receipt of appropriate evidence as to that loss, theft or destruction and appropriate and customary indemnification.

For a description of the differences between the rights of holders of GlobespanVirata common stock before the merger, and holders of Conexant common stock after the merger, see "Comparison of Stockholders' Rights".

Effective Time

The effective time of the merger will be the time and date set forth in the certificate of merger that will be filed with the Secretary of State of the State of Delaware (the state of incorporation of Conexant, Concentric Sub and GlobespanVirata). The closing date of the merger will be a date to be specified by the parties. The closing date will be no later than three business days after the satisfaction or waiver (subject to applicable law) of the conditions precedent to the merger set forth in the merger agreement, unless otherwise

agreed by Conexant, Concentric Sub and GlobespanVirata. Conexant and GlobespanVirata each anticipate that the merger will be consummated promptly after the required stockholder approvals are obtained. However, consummation of the merger could be delayed if there is a delay in satisfying other conditions to the merger. There can be no assurance as to whether, and on what date, Conexant and GlobespanVirata will consummate the merger. If the merger is not completed on or before December 31, 2004, either Conexant or GlobespanVirata may terminate the merger agreement, unless the failure to complete the merger by that date is due to the failure of the party seeking to terminate the merger agreement to perform or observe its covenants and agreements set forth in the merger agreement. See Conditions .

Representations and Warranties

The merger agreement contains substantially reciprocal representations and warranties made by each of Conexant and GlobespanVirata to the other. The representations and warranties relate to:

Conexant and GlobespanVirata also represented to each other that their respective stockholder rights plans are not applicable to the merger and the merger agreement. The merger agreement also contains representations and warranties relating to Concentric Sub, including with respect to due organization, capital structure, corporate authorization, non-contravention of the certificate of incorporation or by-laws of Concentric Sub and the absence of prior business activities.

The representations and warranties contained in the merger agreement are subject to materiality qualifications in many respects, and they do not survive the effective time of the merger.

Covenants

Each of Conexant and GlobespanVirata has undertaken to perform certain covenants in the merger agreement. The principal covenants are as follows:

No Solicitation. The merger agreement contains detailed provisions prohibiting Conexant and GlobespanVirata from seeking an alternative transaction. Under these no solicitation provisions, each of Conexant and GlobespanVirata has agreed that neither it nor any of its subsidiaries, officers or directors will, and that it will use reasonable best efforts to ensure that its and its subsidiaries employees, agents and representatives do not, directly or indirectly:

initiate, solicit, encourage or knowingly facilitate any inquiries or the making of an Acquisition Proposal, as described below;

have any discussion with, or provide any confidential information or data to, any person relating to an Acquisition Proposal, or engage in any negotiations concerning an Acquisition Proposal, or knowingly facilitate any effort or attempt to make or implement an Acquisition Proposal;

approve or recommend, or propose publicly to approve or recommend, an Acquisition Proposal; or

approve or recommend, or propose to approve or recommend, or enter into, any letter of intent, agreement in principle, merger agreement, acquisition agreement, option agreement or other similar agreement or propose publicly or agree to do any of the foregoing related to an Acquisition Proposal.

Acquisition Proposal means, with respect to either Conexant or GlobespanVirata, any proposal or offer with respect to, or a transaction to effect:

any purchase or sale of a business or asset of such party and its subsidiaries that constitutes 30% or more of the net revenues, net income or assets of such party and its subsidiaries, taken as a whole;

a merger, reorganization, share exchange, consolidation, business combination, recapitalization, liquidation, dissolution or similar transaction involving such party or any of its significant subsidiaries; or

any purchase or sale of, or tender or exchange offer for, the equity securities of such party that, if completed, would result in any person (or such person's stockholders) beneficially owning securities representing 30% or more of the total voting power of such party (or of the surviving parent entity in the transaction) or any of its significant subsidiaries.

However, the merger agreement does not prevent each of Conexant or GlobespanVirata, or its respective board of directors, from:

engaging in any discussions or negotiations with, or providing any information to, any person in response to an unsolicited bona fide written Acquisition Proposal (for purposes of this provision of the merger agreement references to 30% in the definition of Acquisition Proposal are deemed to be references to 50%) by that person in order to be informed with respect to the Acquisition Proposal

in order to make any determination to effect a Change in Board Recommendation, as described below, if and only to the extent that its board of directors concludes in good faith that there is a reasonable likelihood that such Acquisition Proposal would constitute a Superior Proposal, as described below, and that such action is required by the board's fiduciary duties to stockholders as a result of the Acquisition Proposal; or

effecting a Change in Board Recommendation, as described below, if and only to the extent that it has received an unsolicited bona fide written Acquisition Proposal (for purposes of this provision of the merger agreement references to 30% in the definition of Acquisition Proposal are deemed to be references to 50%) from a third party and its board of directors concludes in good faith that such Acquisition Proposal constitutes a Superior Proposal, and that such action is required by the board's fiduciary duties to stockholders as a result of the Acquisition Proposal.

However, Conexant or GlobespanVirata may take such action only if and to the extent that:

the meeting of its stockholders to vote on, in the case of Conexant, the approval of the issuance of Conexant common stock in the merger pursuant to the merger agreement, and, in the case of GlobespanVirata, the approval and adoption of the merger agreement and the merger has not occurred;

before providing any information or data to any person in connection with an Acquisition Proposal by that person, its board of directors receives from that person an executed customary confidentiality agreement with provisions at least as restrictive to such person as the comparable provisions contained in the confidentiality agreement between Conexant and GlobespanVirata; and

before providing any information or data to any person or entering into discussions with any person, it promptly:

notifies the other party of inquiries, proposals or offers received by, any information requested from, or any discussions or negotiations sought to be initiated or continued with, it or any of its representatives;

notifies the other party of the name of the person and the material terms and conditions of any inquiries, proposals or offers; and

provides the other party with a copy of any written inquiry, proposal or offer.

In addition, the merger agreement does not prevent Conexant or GlobespanVirata from disclosing to its stockholders a position with respect to a tender offer as required by law.

Change in Board Recommendation means, with respect to either Conexant or GlobespanVirata:

withdrawing, modifying or qualifying, or proposing to withdraw, modify or qualify, in any manner adverse to the other party, the recommendation of that party's board of directors that, in the case of Conexant, its stockholders vote in favor of the approval of the issuance of Conexant common stock in the merger pursuant to the merger agreement, and, in the case of GlobespanVirata, its stockholders vote in favor of the approval and adoption of the merger agreement and the merger; or

taking any action or making any statement, in connection with the meeting of its stockholders to vote on, in the case of Conexant, the approval of the issuance of Conexant common stock in the merger pursuant to the merger agreement, and, in the case of GlobespanVirata, the approval and adoption of the merger agreement and the merger, inconsistent with the recommendation of that party's board of directors.

Superior Proposal means with respect to either Conexant or GlobespanVirata, a bona fide written proposal made by any person which is for a merger, reorganization, consolidation, share exchange, business combination, recapitalization or similar transaction involving such party as a result of which the other person thereto or its stockholders will own 50% or more of the combined voting power of the entity surviving or resulting from such transaction (or the ultimate parent entity thereof), and is not subject to

any financing contingency or due diligence condition and is otherwise on terms which the board of directors of such party in good faith concludes:

would, if completed, result in a transaction that is more favorable to its stockholders, from a financial point of view, than the transactions contemplated by the merger agreement; and

is reasonably capable of being completed.

The board of directors of Conexant or GlobespanVirata may effect a Change in Board Recommendation only as provided in the no solicitation provision of the merger agreement. Notwithstanding a Change in Board Recommendation by Conexant or GlobespanVirata, such party is still required to convene a meeting of its stockholders to vote upon, in the case of Conexant, the approval of the issuance of Conexant common stock in the merger pursuant to the merger agreement, and, in the case of GlobespanVirata, the approval and adoption of the merger agreement and the merger.

Each of Conexant and GlobespanVirata has agreed under the provisions of the merger agreement that:

it will promptly keep the other party informed of the status and terms of any inquiries, proposals, offers, discussions or negotiations covered by the no solicitation provisions of the merger agreement;

it will, and its officers, directors and representatives will, immediately cease and terminate any activities, discussions or negotiations existing as of November 3, 2003, the date of the merger agreement, with any persons conducted before that date with respect to any Acquisition Proposal;

it will use reasonable best efforts to promptly inform its directors, officers, key employees, agents and representatives of the obligations under the no solicitation provisions of the merger agreement; and

it will not submit to the vote of its stockholders any Acquisition Proposal other than the merger between Conexant and GlobespanVirata. Nothing contained in the no solicitation provisions of the merger agreement will:

permit Conexant or GlobespanVirata to terminate the merger agreement, except as specifically provided in the merger agreement; or

affect any other obligation of Conexant or GlobespanVirata under the merger agreement.

Stockholders Meetings. We have each agreed to convene meetings of our respective stockholders to consider and vote upon, in the case of Conexant, approval of the issuance of Conexant common stock in the merger pursuant to the merger agreement, and, in the case of GlobespanVirata, approval and adoption of the merger agreement and the merger, and to prepare appropriate proxy statements for such meetings. We have also agreed to use our reasonable best efforts to have the registration statement for the shares to be issued in the merger declared effective by the SEC.

Amendment to Conexant By-laws. We have agreed that the By-laws of Conexant will be amended as of the effective time of the merger to provide the following:

if a director designated by Conexant resigns, dies or is removed during a transition period beginning at the effective time of the merger and ending on the expiration of the current term of the class of which the director is a member, the director will be replaced by the remaining Conexant designees (or their successors);

if a director designated by GlobespanVirata resigns, dies or is removed during the transition period the director will be replaced by the remaining GlobespanVirata designees (or their successors);

if the Conexant designees or the GlobespanVirata designees are entitled to designate a successor for a director who resigns, dies or is removed, the Conexant designees or the GlobespanVirata designees, as the case may be, will also be entitled to designate a successor for the director to serve

Edgar Filing: CONEXANT SYSTEMS INC - Form S-4/A

on any of the Audit Committee, the Compensation and Management Development Committee and the Board Governance and Composition Committee of the board on which the director served; and

for a period of two years after the effective time of the merger, the affirmative vote of at least 75% of the whole board of directors of Conexant (without taking into account any vacancies) will be required to:

change the number of directors comprising the whole board of directors;

change the number of directors comprising each of the Audit Committee, the Compensation and Management Development Committee and the Board Governance and Composition Committee;

remove Messrs. Decker, Geday or Rhodes from their respective positions of non-executive chairman of the board, chief executive officer and president, respectively; or

amend the foregoing provisions of Conexant's By-laws.

Operation of the Two Companies Pending Closing. We have each agreed to restrictions on our activities until either the effective time of the merger or the termination of the merger agreement. In general, we are required to conduct our business in the usual, regular and ordinary course, in substantially the same manner as previously conducted, and to use all reasonable efforts to preserve intact our present business organizations, keep available the services of our current officers and other key employees and preserve our relationships with customers, suppliers and others having business dealings with us with the intention that our ongoing businesses shall not be impaired. Each of us, subject to agreed upon exceptions, has agreed to specific restrictions that (without the consent of the other party) prohibit us from:

entering into any new material lines of business or incurring or committing to any capital expenditures or obligations or liabilities in connection with any capital expenditures other than in the ordinary course of business consistent with past practice and in no event in excess of \$7 million in any calendar quarter or \$25 million in the aggregate, provided that any unused amount of the limitation in any calendar quarter may be carried forward and applied to any subsequent calendar quarter;

declaring or paying dividends;

splitting, combining or reclassifying our capital stock or issuing securities in respect of, in lieu of or in substitution for our capital stock;

repurchasing, redeeming or otherwise acquiring our capital stock for an amount in excess of \$10 million in the aggregate or securities convertible into our capital stock for an amount in excess of \$50 million in the aggregate;

issuing, delivering, selling or encumbering or entering into any agreement to issue, deliver, sell or encumber any shares of our capital stock or other voting securities, or any securities convertible into or exercisable for, or any right to acquire, capital stock or other voting securities, other than in connection with our benefit plans (subject to specified limits) or in connection with the exercise of options or other stock based awards, in connection with our stockholder rights agreements, upon exercise or conversion of our outstanding warrants or convertible notes or in connection with certain issuances by our subsidiaries;

amending our charter documents, by-laws or other governing documents (other than pursuant to the merger agreement);

making acquisitions of other entities beyond amounts specified in the merger agreement;

disposing of material assets, other than inventory in the ordinary course consistent with past practice;

making loans, advances or capital contributions to, or investments in, any other person other than certain intercompany loans, employee loans, or loans made pursuant to existing obligations or in the ordinary course of business consistent with past practices and not material, or loans, advances, capital contributions or investments not in excess of specified amounts;

incurring debt, other than under existing agreements or in the ordinary course of business consistent with past practices and which is not material (other than debt that refinances or replaces preexisting debt);

increasing the compensation or employee benefits of any director, officer or employee, paying any pension, retirement, savings or profit-sharing allowance to any employee that is not required by any existing plan or agreement, entering into any employment contract, issuing additional stock options beyond specified amounts, adopting or amending any employee benefit plan or making any contribution, other than regularly scheduled contributions, to a benefit plan, other than in the ordinary course of business consistent with past practices or as required by an existing agreement or applicable law;

changing our accounting methods, except as may be required by changes in generally accepted accounting principles;

changing our fiscal year or making any material tax election or settling or compromising any material income tax liability other than in the ordinary course of business consistent with past practice;

entering into any agreement or arrangement that limits or restricts either of us from engaging or competing in any line of business or geographic area if that resulting restriction would have a material adverse effect on Conexant and its subsidiaries, taken together, after the merger;

amending or waiving any provision of our respective stockholder rights plans or redeeming the rights issued under those plans other than in connection with the merger; and

settling or compromising any litigation beyond specified amounts, except for settlements that would not have a material adverse effect on us and our subsidiaries.

Reasonable Best Efforts Covenant. We have agreed to use our reasonable best efforts to take all actions and do all things necessary or advisable under the merger agreement or applicable laws to complete the merger and the other transactions contemplated by the merger agreement as soon as practicable. This cooperation may include:

defending through litigation on the merits, including appeals, any claim asserted in an action by antitrust authorities or any private party with respect to the merger agreement;

selling, divesting or otherwise disposing of assets in response to requirements imposed by antitrust authorities;

conducting business in a specified manner in response to requirements imposed by antitrust authorities; or

agreeing to take any other action as may be necessary or required by antitrust authorities or otherwise in order to:

obtain all necessary consents, approvals and authorizations as soon as reasonably possible;

avoid the entry of, or to effect the dissolution of, any injunction, temporary restraining order or other order in any suit or proceeding; or

effect the expiration or termination of any waiting period, which would otherwise have the effect of preventing or delaying the closing of the merger beyond the termination date.

However, neither of us will be required to take any of the above actions unless such actions are conditioned on the consummation of the merger.

Employee Matters. We have agreed that after the effective time of the merger, existing Conexant and GlobespanVirata benefit plans will remain in effect until such time as the combined company otherwise determines, subject to applicable laws and the terms of the plans.

We have agreed to cooperate in reviewing, evaluating and analyzing Conexant and GlobespanVirata benefit plans prior to completion of the merger with a view toward developing appropriate new benefit plans for employees of the combined company. It is our intention, to the extent permitted by applicable law, to develop new benefit plans that (1) treat similarly situated employees on a substantially equivalent basis, taking into account relevant factors and (2) do not discriminate between employees of the combined company who were covered by Conexant or GlobespanVirata benefit plans.

Notwithstanding the foregoing, the provisions of the merger agreement will not prevent us from amending, modifying or terminating any benefit plan or other arrangement in accordance with its terms and applicable laws.

With respect to any employee benefit plans in which any employees of the combined company first become eligible to participate after the effective time of the merger, and in which they did not participate prior to the merger, the combined company will:

waive all pre-existing conditions, exclusions and waiting periods with respect to participation and coverage requirements applicable to employees of the combined company who may be eligible to participate, except to the extent such pre-existing conditions, exclusions and waiting periods would apply under the analogous Conexant or GlobespanVirata plan;

provide each employee of the combined company with credit for any co-payments and deductibles paid prior to the merger to the same extent such credit was given under the analogous Conexant or GlobespanVirata employee benefit plan before the merger; and

recognize all service of employees of the combined company with Conexant and GlobespanVirata for all purposes (including eligibility, vesting, entitlement, and, except with respect to defined benefit pension plans, benefit accrual) in any new benefit plan of the combined company in which those employees may be eligible to participate after the merger, to the extent that service is taken into account under the applicable plan of the combined company, except to the extent that doing so would result in duplication of benefits.

With respect to the GlobespanVirata Employee Stock Purchase Plan, we have agreed to cooperate in developing a mutually agreeable plan for transitioning the GlobespanVirata employees from participation in the GlobespanVirata Employee Stock Purchase Plan to participation in the Conexant Employee Stock Purchase Plan with a view to preserving, to the extent practicable, certain mutually agreed benefits of GlobespanVirata employees under the GlobespanVirata Employee Stock Purchase Plan and including GlobespanVirata employees in the Conexant Employee Stock Purchase Plan as soon as practicable after termination of the GlobespanVirata Employee Stock Purchase Plan.

Nasdaq National Market System. Conexant has agreed to use its reasonable best efforts to cause the shares of Conexant common stock to be issued in the merger to be approved for listing on the Nasdaq National Market System.

Insurance and Indemnification. Conexant is obligated to:

indemnify and hold harmless, and provide advancement of expenses to, all past and present directors, officers and employees of GlobespanVirata and its subsidiaries, to the same extent those persons are indemnified or have the right to advancement of expenses on November 3, 2003, for acts or omissions occurring on or before the effective time of the merger (including for acts or omissions occurring in connection with the approval of the merger agreement and the consummation of the transactions contemplated thereby); and

cause to be maintained for a period of six years after the effective time of the merger the current policies of directors and officers liability insurance and fiduciary liability insurance maintained by

GlobespanVirata, or policies of at least the same coverage and amounts containing terms and conditions which are, in the aggregate, no less advantageous to the insured, with respect to claims arising from facts or events that occurred on or before the effective time of the merger, provided that Conexant will not be required to expend in any one year an amount in excess of 200% of the current annual premiums for this insurance.

Expenses. We have each agreed to pay our own costs and expenses incurred in connection with the merger and the merger agreement. We will, however, share equally the expenses incurred in connection with filing with the SEC this joint proxy statement/prospectus and the related registration statement and the costs associated with printing and mailing this joint proxy statement/prospectus.

Conditions

Each of our respective obligations to complete the merger is subject to the satisfaction or waiver of various conditions, including:

the approval of the issuance of Conexant common stock in the merger pursuant to the merger agreement by Conexant stockholders;

the approval and adoption of the merger agreement and the merger by GlobespanVirata stockholders;

the absence of any law, order or injunction having the effect of making the merger illegal or otherwise prohibiting completion of the merger; and the absence of any proceeding initiated by any governmental entity seeking, and which is reasonably likely to result in, any such injunction;

the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, which waiting period was terminated early on December 11, 2003;

the receipt of all other governmental and regulatory consents, approvals and authorizations required to consummate the merger and the other transactions contemplated by the merger agreement, unless not obtaining those consents or approvals would not reasonably be expected to have a material adverse effect on Conexant and its subsidiaries, taken together, after the merger;

the approval for listing on the Nasdaq National Market System of Conexant common stock to be issued in the merger, subject to official notice of issuance;

the SEC having declared effective the Conexant registration statement for Conexant common stock to be issued in the merger;

the representations and warranties of the other party contained in the merger agreement being true and correct on the date of the merger agreement and the date of the merger as if they were made on that date, except to the extent that the representations and warranties speak as of another date and except where the failure of such representations and warranties to be true and correct would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the party;

the other party having performed or complied with its obligations and covenants contained in the merger agreement;

the receipt of an opinion of each party's counsel that the merger will qualify as a reorganization for U.S. federal income tax purposes; and

no event having occurred which would trigger certain consequences under the other party's stockholder rights plan.

Termination of the Merger Agreement

Termination by Conexant or GlobespanVirata. Either one of us, by action of our respective board of directors, may terminate the merger agreement and abandon the merger at any time prior to the merger if:

we agree to terminate by mutual written consent;

the merger has not been completed by December 31, 2004, provided that the terminating party's failure to fulfill any obligation under the merger agreement is not the cause of the merger not being completed;

a court order or ruling of another governmental entity permanently prohibiting the completion of the merger becomes final and non-appealable, provided that the terminating party shall have used its reasonable best efforts to avoid or remove such prohibition;

a court or another governmental entity fails to issue an order or ruling that is necessary to effect the merger and the denial of a request to issue such an order or ruling becomes final and non-appealable, provided that the terminating party shall have used its reasonable best efforts to obtain such order or ruling; or

either company's stockholders do not approve the proposals to be voted upon in connection with the merger.

Termination by Conexant. Conexant, by action of its board of directors, may terminate the merger agreement and abandon the merger at any time prior to the merger if:

GlobespanVirata's board of directors:

fails to recommend approval and adoption of the merger agreement and the merger to GlobespanVirata stockholders;

withdraws (or proposes to withdraw) its recommendation to GlobespanVirata stockholders to approve and adopt the merger agreement and the merger; or

modifies or qualifies (or proposes to modify or qualify), in any manner adverse to Conexant, its recommendation to GlobespanVirata stockholders to approve and adopt the merger agreement and the merger without also simultaneously reaffirming its recommendation to approve and adopt the merger agreement and the merger;

GlobespanVirata breaches its obligation to call the GlobespanVirata stockholders' meeting or to prepare and mail the joint proxy statement/prospectus;

GlobespanVirata breaches its representations, warranties or covenants contained in the merger agreement such that any of the conditions described above with respect to absence of breaches by GlobespanVirata is not capable of being satisfied prior to December 31, 2004; or

a 15% ownership date has occurred under the GlobespanVirata stockholder rights plan, which will generally occur if a third party acquires 15% or more of GlobespanVirata's outstanding voting stock.

Termination by GlobespanVirata. GlobespanVirata, by action of its board of directors, may terminate the merger agreement and abandon the merger at any time prior to the merger if:

Conexant's board of directors:

fails to recommend approval of the issuance of Conexant common stock in the merger pursuant to the merger agreement to Conexant stockholders;

withdraws (or proposes to withdraw) its recommendation to Conexant stockholders to approve the issuance of Conexant common stock in the merger pursuant to the merger agreement; or

modifies or qualifies (or proposes to modify or qualify), in any manner adverse to GlobespanVirata, its recommendation to Conexant stockholders to approve the issuance of

Conexant common stock in the merger pursuant to the merger agreement without simultaneously reaffirming its recommendation to approve the issuance of Conexant common stock in the merger pursuant to the merger agreement;

Conexant breaches its obligation to call the Conexant stockholders' meeting or to prepare and mail the joint proxy statement/prospectus;

Conexant or Concentric Sub breaches its representations, warranties or covenants contained in the merger agreement such that any of the conditions described above with respect to absence of breaches by Conexant is not capable of being satisfied prior to December 31, 2004; or

a shares acquisition date has occurred under the Conexant stockholder rights plan, which will generally occur if a third party acquires 20% or more of Conexant's outstanding voting stock.

Fees Payable Because of a Termination of the Merger Agreement

Fees Payable by Conexant Relating to Termination

Conexant has agreed to pay GlobespanVirata a termination fee of \$35 million if:

either party terminates the merger agreement because the stockholders of Conexant have failed to approve the issuance of Conexant common stock in the merger pursuant to the merger agreement at the Conexant stockholders' meeting or because the merger has not been completed by December 31, 2004 and the Conexant stockholders' meeting has not occurred, and (a) at any time after the date of the merger agreement and before such termination an Acquisition Proposal with respect to Conexant has been publicly announced or otherwise communicated to the senior management, board of directors or stockholders of Conexant, and (b) within 12 months of the termination of the merger agreement, Conexant or any of its subsidiaries enters into a definitive agreement with respect to or consummates an Acquisition Proposal (for purposes of this provision of the merger agreement references to 30% in the definition of Acquisition Proposal are deemed to be references to 50%);

GlobespanVirata terminates the merger agreement as the result of an intentional breach by Conexant or Concentric Sub of any of their representations, warranties or covenants under the merger agreement and (a) at any time after the date of the merger agreement and before such termination an Acquisition Proposal with respect to Conexant has been publicly announced or otherwise communicated to the senior management, board of directors or stockholders of Conexant, and (b) within 12 months of the termination of the Merger Agreement, Conexant or any of its subsidiaries enters into a definitive agreement with respect to or consummates an Acquisition Proposal (for purposes of this provision of the merger agreement references to 30% in the definition of Acquisition Proposal are deemed to be references to 50%);

GlobespanVirata terminates the merger agreement as the result of Conexant's board of directors (a) failing to recommend approval of the issuance of Conexant common stock in the merger pursuant to the merger agreement to Conexant stockholders, (b) withdrawing its recommendation to Conexant stockholders to approve the issuance of Conexant common stock in the merger pursuant to the merger agreement or (c) modifying or qualifying, in any manner adverse to GlobespanVirata, its recommendation to Conexant stockholders to approve the issuance of Conexant common stock in the merger pursuant to the merger agreement without simultaneously reaffirming its recommendation to approve the issuance of Conexant common stock in the merger pursuant to the merger agreement;

GlobespanVirata terminates the merger agreement because Conexant has breached its obligation to call the Conexant stockholders' meeting or to prepare and mail the joint proxy statement/prospectus; or

GlobespanVirata terminates the merger agreement because a shares acquisition date has occurred under the Conexant stockholder rights plan.

Fees Payable by GlobespanVirata Relating to Termination

GlobespanVirata has agreed to pay Conexant a termination fee of \$35 million if:

either party terminates the merger agreement because the stockholders of GlobespanVirata have failed to approve and adopt the merger agreement and the merger at the GlobespanVirata stockholders meeting or because the merger has not been completed by December 31, 2004 and the GlobespanVirata stockholders meeting has not occurred, and (a) at any time after the date of the merger agreement and before such termination an Acquisition Proposal with respect to GlobespanVirata has been publicly announced or otherwise communicated to the senior management, board of directors or stockholders of GlobespanVirata, and (b) within 12 months of the termination of the merger agreement, GlobespanVirata or any of its subsidiaries enters into a definitive agreement with respect to or consummates an Acquisition Proposal (for purposes of this provision of the merger agreement references to 30% in the definition of Acquisition Proposal are deemed to be references to 50%);

Conexant terminates the merger agreement as the result of an intentional breach by GlobespanVirata of any of its representations, warranties or covenants under the merger agreement and (a) at any time after the date of the merger agreement and before such termination an Acquisition Proposal with respect to GlobespanVirata has been publicly announced or otherwise communicated to the senior management, board of directors or stockholders of GlobespanVirata, and (b) within 12 months of the termination of the Merger Agreement, GlobespanVirata or any of its subsidiaries enters into a definitive agreement with respect to or consummates an Acquisition Proposal (for purposes of this provision of the merger agreement references to 30% in the definition of Acquisition Proposal are deemed to be references to 50%);

Conexant terminates the merger agreement as the result of GlobespanVirata's board of directors (a) failing to recommend approval and adoption of the merger agreement and the merger to GlobespanVirata stockholders, (b) withdrawing its recommendation to GlobespanVirata stockholders to approve and adopt the merger agreement and the merger or (c) modifying or qualifying, in any manner adverse to Conexant, its recommendation to GlobespanVirata stockholders to approve and adopt the merger agreement and the merger without simultaneously reaffirming its recommendation to approve and adopt the merger agreement and the merger;

Conexant terminates the merger agreement because GlobespanVirata has breached its obligation to call the GlobespanVirata stockholders meeting or to prepare and mail the joint proxy statement/prospectus; or

Conexant terminates the merger agreement because a 15% ownership date has occurred under the GlobespanVirata stockholder rights plan.

Amendments, Extensions and Waivers

The merger agreement may be amended by action of the boards of directors of the parties at any time before or after the stockholders meetings to the extent legally permissible. All amendments to the merger agreement must be in writing signed by each party.

At any time prior to the effective time of the merger, any party to the merger agreement may, to the extent legally allowed:

extend the time for the performance of any of the obligations or other acts of the other parties to the merger agreement;

waive any inaccuracies in the representations and warranties of the other parties contained in the merger agreement; and

waive compliance by the other parties with any of the agreements or conditions contained in the merger agreement.

All extensions and waivers must be in writing and signed by the party against whom the waiver is to be effective.

Restrictions on Resales by Affiliates

Shares of Conexant common stock to be issued to GlobespanVirata stockholders in the merger have been registered under the Securities Act of 1933, as amended, or the Securities Act. Shares of Conexant common stock issued in the merger may be traded freely and without restriction by those GlobespanVirata stockholders not deemed to be affiliates (as that term is defined under the Securities Act) of Conexant or GlobespanVirata. Any subsequent transfer of shares, however, by any GlobespanVirata stockholder who is an affiliate of GlobespanVirata at the time the merger is submitted for a vote of the holders of GlobespanVirata common stock will, under existing law, require:

the further registration under the Securities Act of the shares of Conexant common stock to be transferred;

compliance with Rule 145 promulgated under the Securities Act (permitting limited sales under certain circumstances); or

the availability of another exemption from registration.

An affiliate of GlobespanVirata is a person who directly, or indirectly through one or more intermediaries, controls, is controlled by, or is under common control with, GlobespanVirata. These restrictions are expected to apply to the directors and executive officers of GlobespanVirata and holders of 10% or more of the GlobespanVirata common stock (and to certain relatives or the spouse of those persons and any trusts, estates, corporations or other entities in which those persons have a 10% or greater beneficial or equity interest). Stop transfer instructions will be given by the combined company to the transfer agent with respect to the shares of its common stock to be received by persons subject to these restrictions, and any certificates for their shares will be appropriately legended.

GlobespanVirata has agreed in the merger agreement to use its reasonable best efforts to cause each person who is a GlobespanVirata affiliate (for purposes of Rule 145 under the Securities Act) to deliver to Conexant a written agreement intended to ensure such compliance with the Securities Act.

APPROVAL OF AMENDMENTS TO THE CONEXANT DIRECTORS STOCK PLAN

Proposal

Conexant stockholders are being asked to act upon a proposal to approve amendments to the Conexant Directors Stock Plan to:

increase the maximum number of shares of Conexant common stock issuable under the Directors Stock Plan by 250,000 shares, from 1,343,055 shares to 1,593,055 shares, effective at the effective time of the merger;

increase the amount of the automatic annual increase in the maximum number of shares issuable under the plan from the greater of 150,000 shares or 0.067% of the shares of Conexant common stock outstanding on the first day of each fiscal year (subject to the Conexant board selecting the smaller amount) to the greater of 250,000 shares or 0.075% of the shares of Conexant common stock outstanding on the first day of each fiscal year (subject to the Conexant board selecting a smaller amount); and

reduce from one year to six months the minimum period of director service for eligibility to receive semi-annual grants of options under the Directors Stock Plan.

Conexant stockholders are urged to review the Directors Stock Plan, as proposed to be amended, together with following information, which is qualified in its entirety by reference to Annex D to this joint proxy statement/prospectus.

At the effective time of the merger, the Conexant board of directors will be increased from seven to twelve directors. The seven directors designated by Conexant consist of the current directors of Conexant, including six non-employee directors (Messrs. Beall, Cicerone, Farrill, Iyer, Mercer and Stead). The five directors designated by GlobespanVirata consist of Mr. Geday and four others (Messrs. Bilodeau, Deb, Marren and Zocco) who will be non-employee directors of Conexant. As a result, at the effective time of the merger, the number of non-employee directors eligible to participate in the Directors Stock Plan will increase from six to ten. The formula for the automatic annual increase in the maximum number of shares issuable under the Directors Stock Plan was designed for a board consisting of no more than six non-employee directors. The Conexant board believes that it is in the best interests of Conexant and its stockholders to increase the number of shares available under the Directors Stock Plan in order to accommodate the expansion in the size of the board of directors and the number of non-employee directors, and the resulting increase in the number of shares to be granted under the Directors Stock Plan pursuant to Conexant's current board compensation program.

As of January 12, 2004, an aggregate of 142,833 shares of Conexant common stock were available for grant under the Directors Stock Plan. Each of the four new Conexant non-employee directors designated by GlobespanVirata will be eligible to receive an initial grant of options to purchase 40,000 shares of Conexant common stock at the effective time of the merger in connection with their election to the Conexant board of directors if the proposed amendments to the Directors Stock Plan are approved by Conexant stockholders. In the absence of an increase in the maximum number of shares issuable under the Directors Stock Plan, there would be an insufficient amount available to make the initial grants of Conexant stock options to the four new non-employee directors.

The proposed amendment to reduce the minimum period of director service required for eligibility for semi-annual grants of options is intended to provide more equitable treatment for directors who join the Conexant board mid-year.

For these reasons, the Conexant board on December 15, 2003 approved the proposed amendments to the Directors Stock Plan. Upon approval by Conexant stockholders, the proposed amendments to the Directors Stock Plan will become effective at the effective time of the merger.

Summary of the Conexant Directors Stock Plan

The following is a summary of the principal terms of the Directors Stock Plan as currently in effect. Although we believe that the following description provides a fair summary of the material terms of the Directors Stock Plan, the description is qualified in its entirety by reference to the Directors Stock Plan, a copy of which is attached as Annex D to this joint proxy statement/prospectus.

Purpose. The purpose of the Directors Stock Plan is to link the compensation of non-employee directors of Conexant directly with the interests of Conexant stockholders.

Participation. Participation in the Directors Stock Plan is limited to directors who are not employees of Conexant or any of its subsidiaries.

Shares Reserved Under the Plan. The maximum number of shares available for issuance under the Directors Stock Plan is currently 1,343,055 shares. On the first day of each fiscal year, the maximum number of shares available for issuance is increased by an amount equal to the greater of 150,000 shares or 0.067% of the shares of Conexant common stock outstanding on that date subject to the board, in its sole discretion, selecting the smaller amount. Shares to be delivered under the Directors Stock Plan may be authorized and unissued shares, shares held in treasury or any combination thereof.

Restricted Shares. Directors may elect to receive their cash retainer for board service in the form of restricted shares of Conexant common stock. Restricted shares, if elected, are held by Conexant until ten days after the recipient retires from the Conexant board of directors after reaching age 55 and completing at least five years service as a director, or resigns or ceases to be a director by reason of the antitrust laws, compliance with Conexant's conflict of interest policies, death, disability or other circumstances the Conexant board of directors determines not to be adverse to the best interests of Conexant. Restricted shares otherwise have all the attributes of outstanding shares including the right to vote and to receive dividends thereon.

Stock Options. Under the Directors Stock Plan, grants of options to purchase 40,000 shares of Conexant common stock are made to each non-employee director effective upon election as a director of Conexant.

Beginning in 2004 at the Conexant annual meeting of stockholders, each non-employee director who has served as a non-employee director for at least one year and who is elected a director at or who was previously elected and continues as a director after that annual meeting, shall be granted (i) an option to purchase 10,000 shares of Conexant common stock immediately following such annual meeting (the First Annual Option Grant), *provided, however*, that the Conexant board may, by action taken on or before the date of any such annual meeting, defer the First Annual Option Grant for up to 45 days following the annual meeting; and (ii) an option to purchase 10,000 shares six months after the date of the First Annual Option Grant (the Second Annual Option Grant), *provided, however*, that the Conexant board may determine to make the Second Annual Option Grant up to 45 days before or after the six month anniversary of the First Annual Option Grant. The purchase price of the shares subject to an option is 100% of the fair market value of Conexant common stock on the date the option is granted. Upon exercise of an option, the option price must be paid in full in cash, shares of Conexant common stock valued at their fair market value on the date of exercise, or a combination of both.

Options granted under the Directors Stock Plan generally may not be exercised prior to one year nor after ten years from the date of grant and become exercisable in four equal installments on the first, second, third and fourth anniversaries of the date of grant. If an optionee who holds an outstanding stock option dies, the Directors Stock Plan permits the exercise of such option within three years of the date of death (or until the expiration date specified in the option, if earlier), even if it were not exercisable at such date. If an optionee who holds an outstanding stock option retires from the Conexant board of directors after reaching age 55 and having completed at least five years service as a director, all options then held will be exercisable even if they were not exercisable at the retirement date, provided that the options shall expire at the earlier of five years from the date of retirement or the expiration date specified in the options. The Directors Stock Plan permits the Conexant Compensation and Management

Development Committee, or the Compensation Committee, to make determinations as to exercisability upon other termination of an optionee's membership on the Conexant board of directors.

Additional Awards. The Conexant board of directors or Compensation Committee has the discretion to provide, from time to time, any one or more non-employee directors with additional stock-based compensation under the Directors Stock Plan, in addition to the semi-annual grants of options described above. The additional compensation may be in the form of a grant of restricted shares of Conexant common stock, options to purchase shares of Conexant common stock or a combination of restricted shares and options, subject to the terms, conditions and restrictions established by the Conexant board or Compensation Committee.

Administration and Amendment. The Directors Stock Plan is administered by the Conexant Compensation Committee. The Conexant board may amend the Directors Stock Plan in any respect, provided that, without shareowner approval, no amendment may be made that would materially (i) increase the maximum number of shares of Conexant common stock available for delivery under the Directors Stock Plan (other than adjustments to reflect changes in or affecting shares of Conexant common stock), (ii) increase the benefits accruing to participants under the Directors Stock Plan, or (iii) modify the requirements as to eligibility for participation in the Directors Stock Plan. The Conexant board of directors also has authority to terminate the Directors Stock Plan at any time.

Change of Control Benefits. In order to maintain the rights of participants in the Directors Stock Plan in the event of a change of control of Conexant (as defined by Conexant's By-Laws), the Directors Stock Plan provides that upon the occurrence of such a change, all outstanding stock options shall become fully exercisable (whether or not then exercisable), and the restrictions on all restricted shares shall lapse, provided that each option shall expire at the earlier of five years from the change of control or the expiration date specified in the option.

Tax Matters. The principal federal income tax consequences of the grant of options under the Directors Stock Plan under present law and regulations are that the optionee will realize ordinary income, and Conexant will be entitled to a deduction, equal to the difference between the option exercise price and the fair market value of the shares acquired at the time of exercise. The principal federal income tax consequences of the issuance or transfer of restricted shares is that the value thereof is not taxable to the recipient until the restriction lapses (at the value of the shares on the date the restriction lapses), unless the recipient elects under section 83(b) of the Internal Revenue Code to include the value of the restricted shares in taxable income for the year in which the restricted shares are granted. Conexant will be entitled to a deduction equal to the amount included in the recipient's taxable income.

Description of New Plan Benefits

During fiscal year 2003, options to purchase an aggregate of 452,401 shares with a weighted average exercise price of \$1.70 were issued to the Conexant non-employee directors (after giving effect to certain adjustments made in the spin-off of Mindspeed Technologies, Inc. by Conexant, or the Mindspeed Spin-Off). Plan benefits for fiscal year 2003 were as follows: (i) Mr. Mercer, as a newly-elected non-employee director, was granted an option to purchase 39,340 shares of Conexant common stock at an exercise price per share equal to the fair market value of Conexant common stock on the date of grant; (ii) the remaining Conexant non-employee directors, continuing in such capacity after the 2003 annual meeting of stockholders (other than Mr. Iyer, who was then a Conexant employee), each received an option to purchase 19,669 shares of Conexant common stock immediately following the 2003 annual meeting; and (iii) in November 2002, Messrs. Beall, Farrill and Stead and Richard M. Bressler (who retired as a director effective February 26, 2003), at the discretion of the board, were each granted an additional option to purchase 78,679 shares of Conexant common stock in recognition of their performance and the duration of their service.

Pursuant to the terms of the Directors Stock Plan, it is expected that in fiscal year 2004, each of the six non-employee directors designated by Conexant and who are continuing in such capacity will receive options to purchase an aggregate of 20,000 shares of Conexant common stock in two semi-annual

installments and, if the proposed amendments to the Directors Stock Plan are approved by Conexant stockholders, each of the four non-employee directors designated by GlobespanVirata will be granted an option to purchase 40,000 shares of Conexant common stock at the effective time of the merger. In October 2003, each Conexant non-employee director was granted an option to purchase 10,000 shares of Conexant common stock with an exercise price of \$6.199 per share pursuant to the discretionary award provisions. There has been no determination by the Conexant Compensation Committee with respect to future awards of additional compensation that are discretionary in nature.

Equity Compensation Plans Not Approved by Stockholders

1999 Non-Qualified Employee Stock Purchase Plan. The Conexant 1999 Non-Qualified Employee Stock Purchase Plan (the *Non-Qualified ESPP*) was adopted by the Conexant board of directors on May 14, 1999 and was subsequently amended on August 13, 1999 and July 18, 2002. The Non-Qualified ESPP has not been approved by Conexant stockholders. Employees of Conexant's subsidiaries located in certain countries outside the U.S. who are not officers or directors of Conexant may be eligible to participate in the Non-Qualified ESPP. The Board of Directors has reserved 2,400,000 shares of Conexant common stock for issuance under the Non-Qualified ESPP, subject to adjustment under certain circumstances.

The Non-Qualified ESPP permits eligible employees to purchase shares of Conexant common stock at the end of each offering period at 85% of the lower of the fair market value of Conexant common stock on the first trading day of the offering period or on the last trading day of the offering period. Under the plan, employees may authorize Conexant to withhold up to 10% of their compensation for each pay period to purchase shares under the plan, subject to certain limitations. Offering periods generally commence on the first trading day of February and August of each year and are generally six months in duration, but may be terminated earlier under certain circumstances. As of September 30, 2003, an aggregate of 1,771,332 shares of Conexant common stock were available for future purchases under the Non-Qualified ESPP.

2000 Non-Qualified Stock Plan. The Conexant 2000 Non-Qualified Stock Plan (the *2000 Plan*) was adopted by the Conexant board of directors on November 5, 1999 and was subsequently amended most recently on February 26, 2003. The 2000 Plan has not been approved by Conexant stockholders. The 2000 Plan authorizes grants of non-qualified stock options and restricted stock. An aggregate of 47,500,000 shares of Conexant common stock are authorized for issuance or delivery under the 2000 Plan, provided that no more than 3,000,000 shares will be available for grants of restricted stock, in each case, subject to adjustment under certain circumstances, including in connection with the spin-off and merger of Conexant's wireless communications business with Alpha Industries, Inc. to form Skyworks Solutions, Inc. on June 25, 2002 and the spin-off of Conexant's Mindspeed Technologies Internet infrastructure business on June 27, 2003.

Restricted stock may be granted only to employees, including officers and directors who are employees, of Conexant. Stock options granted under the 2000 Plan will have an exercise price per share equal to the fair market value per share of Conexant common stock at the date of grant. Generally, each option will vest in installments over a four year period, with 25% of the shares becoming exercisable each

year on the anniversary of the date of grant. Stock options granted under the 2000 Plan may not be exercised after eight years from the date of grant. As of September 30, 2003, an aggregate of 12,247,212 shares were available for future grants under the 2000 Plan.

2001 Performance Share Plan. The Conexant 2001 Performance Share Plan (the Performance Share Plan) was adopted by the Conexant board of directors on November 2, 2001. The Performance Share Plan has not been approved by Conexant stockholders. An aggregate of 4,000,000 shares of Conexant common stock are authorized for grants of performance share awards under the Performance Share Plan, subject to adjustment under certain circumstances.

The Performance Share Plan permits eligible employees to receive grants of performance share awards which vest based on performance criteria and continued employment with Conexant from the grant date through the time of vesting. The value of the performance share award will equal the fair market value of Conexant common stock. Employees whose performance share awards vest are entitled to receive a payment in the form of shares of Conexant common stock, cash or both. As of September 30, 2003, an aggregate of 3,417,308 shares of Conexant common stock were available for future grants under the Performance Share Plan.

Recommendation of the Conexant Board

The Conexant board of directors has unanimously approved the proposed amendments to the Directors Stock Plan. Completion of the merger is a condition to the effectiveness of the amendments to the Directors Stock Plan. Approval of the amendments is not a condition to completion of the merger.

The Conexant board of directors unanimously recommends a vote **FOR** approval of the proposed amendments to the Directors Stock Plan. Unless a contrary choice is specified, proxies solicited by the Conexant board of directors will be voted for approval of the proposed amendments.

**APPROVAL OF ASSUMPTION AND ADOPTION
OF GLOBESPANVIRATA STOCK PLANS**

Proposal

Conexant stockholders are being asked to act upon a proposal to approve the assumption and adoption by Conexant of GlobespanVirata's 1999 Equity Incentive Plan, 1999 Supplemental Stock Option Plan and Amended and Restated 1999 Stock Incentive Plan, referred to collectively as the GlobespanVirata stock plans.

Pursuant to terms of the merger agreement, the GlobespanVirata stock plans will be assumed and adopted by Conexant at the effective time of the merger. Conexant also will assume all options to purchase GlobespanVirata common stock under the GlobespanVirata stock plans outstanding at the effective time of the merger, which will be converted into options to purchase Conexant common stock. Any outstanding shares of GlobespanVirata restricted stock will, as a result of the merger, become shares of Conexant restricted stock. Under applicable rules of the Nasdaq Stock Market, Inc., the number of shares remaining available for grant under the GlobespanVirata stock plans at the time of the merger, as well as any additional shares that may become available for grant under the GlobespanVirata stock plans as a result of cancellations, forfeitures, lapses or other terminations of outstanding awards (in each case after adjustment to reflect the merger exchange ratio), will be available for grant of awards by Conexant after the merger under the GlobespanVirata stock plans or under Conexant's stock plans, including Conexant's 1999 Long-Term Incentives Plan and the 2000 Plan. This will be the case whether or not Conexant stockholders vote to approve the assumption and adoption of the GlobespanVirata stock plans. However, under Nasdaq rules, absent approval of the GlobespanVirata stock plans by Conexant stockholders, grants available under the GlobespanVirata stock plans may not be made to individuals who were employed by Conexant or Conexant subsidiaries at the effective time of the merger.

To facilitate the post-merger integration of our two companies and the effective implementation of combined company incentive compensation programs after the merger, the Conexant board believes that it is in the best interests of Conexant and its stockholders to obtain approval by Conexant stockholders of Conexant's assumption and adoption of the GlobespanVirata stock plans so that the shares under the GlobespanVirata stock plans may be available for grant to all eligible employees of the combined company, without regard to which company may have employed them prior to the merger.

As of December 31, 2003, an aggregate of 40,350,281 shares of GlobespanVirata common stock were subject to outstanding awards under the GlobespanVirata stock plans and 10,395,246 shares were available for future grants under the GlobespanVirata stock plans. After giving effect to the merger and the merger exchange ratio, an aggregate of 48,339,636 shares of Conexant common stock will be subject to outstanding awards under the GlobespanVirata stock plans and 12,453,504 shares of Conexant common stock will be available under the GlobespanVirata stock plans for future grants. If all outstanding GlobespanVirata stock options with exercise prices of \$20 or more per share that will expire if not exercised prior to the effective time of the merger in fact expire, then an aggregate of 42,212,997 shares of Conexant common stock will be subject to outstanding awards under the GlobespanVirata stock plans and 18,580,143 shares of Conexant common stock will be available under the GlobespanVirata stock plans for future grants. See The Merger Agreement Treatment of Options .

Summary of the GlobespanVirata Stock Plans

The following is a summary of the principal terms of the GlobespanVirata stock plans as currently in effect. Although we believe that the following description provides a fair summary of the material terms of the GlobespanVirata stock plans, the descriptions are qualified in their entirety by reference to the GlobespanVirata stock plans, copies of which are attached as Annex E to this joint proxy statement/prospectus.

1999 Equity Incentive Plan. The GlobespanVirata board of directors adopted the 1999 Equity Incentive Plan in March 1999, and its stockholders approved the adoption of the plan in May 1999. As of December 31, 2003, 11,372,727 shares of GlobespanVirata common stock were subject to outstanding

awards under the 1999 Equity Incentive Plan and 957,133 shares were available for future grants under the plan. Under the 1999 Equity Incentive Plan, the eligible individuals are employees, non-employee members of the board of directors and consultants. The types of awards that may be made under the 1999 Equity Incentive Plan are options to purchase shares of common stock, stock appreciation rights, restricted shares and stock units. Options may be incentive stock options that qualify for favorable tax treatment for the optionee under section 422 of the Internal Revenue Code or nonqualified stock options not designed to qualify for such favorable tax treatment. With limited restrictions, if grants awarded under the 1999 Equity Incentive Plan are forfeited or terminated, then those shares will again become available for new awards under the 1999 Equity Incentive Plan.

The compensation committee of the GlobespanVirata board of directors administers the 1999 Equity Incentive Plan. The GlobespanVirata compensation committee has complete discretion to make all decisions relating to the interpretation and operation of the 1999 Equity Incentive Plan, including the discretion to determine which eligible individuals are to receive any award, and to determine the type, number, vesting requirements and other features and conditions of each award.

The exercise price for incentive stock options granted under the 1999 Equity Incentive Plan may not be less than 100% of the fair market value of GlobespanVirata common stock on the option grant date. The exercise price for nonqualified options granted under the 1999 Equity Incentive Plan may not be less than 85% of the fair market value of GlobespanVirata common stock on the option grant date. The exercise price may be paid in cash or in outstanding shares of GlobespanVirata common stock. The exercise price may also be paid by using a cashless exercise method, a pledge of shares to a broker or promissory note. The purchase price for newly issued restricted shares awarded under the 1999 Equity Incentive Plan may be paid in cash, by promissory note or by the rendering of past or future services.

The GlobespanVirata compensation committee may reprice options and may modify, extend or assume outstanding options and stock appreciation rights. The GlobespanVirata compensation committee may accept the cancellation of outstanding options or stock appreciation rights in return for the grant of new options or stock appreciation rights. The new option or right may have the same or a different number of shares and the same or a different exercise price.

It is GlobespanVirata's current practice that 25% of options vest on the first anniversary of the grant date with the remainder vesting 6.25% per quarter thereafter.

Upon certain defined events causing a change in control of GlobespanVirata, an option or other award under the 1999 Equity Incentive Plan will become fully exercisable and fully vested if the option or award is not assumed by the surviving corporation or its parent or if the surviving corporation or its parent does not substitute another option or award on substantially the same terms. If an optionee or other participant under the plan is involuntarily terminated within 12 months after a change in control in which the option or award was assumed or substituted, then the option or award becomes fully exercisable and vested. A change in control includes:

A merger or consolidation of GlobespanVirata after which its then-current stockholders own less than 50% of the surviving corporation;

Sale of all or substantially all of the assets of GlobespanVirata;

A proxy contest that results in replacement of more than one-third of the GlobespanVirata directors over a 24-month period; or

An acquisition of 50% or more of GlobespanVirata's outstanding stock by a person other than by a person related to GlobespanVirata, such as a corporation owned by the stockholders of GlobespanVirata.

The merger will constitute a change of control under the 1999 Equity Incentive Plan.

If a merger or other reorganization occurs, the agreement of merger or reorganization may provide that outstanding options and other awards under the 1999 Equity Incentive Plan shall be assumed by the

surviving corporation or its parent, shall be continued by GlobespanVirata if it is a surviving corporation, shall have accelerated vesting and then expire early, or shall be cancelled for a cash payment.

The GlobespanVirata board of directors may amend or terminate the 1999 Equity Incentive Plan at any time. If the board amends the plan, stockholder approval of the amendment will be sought only if required by applicable law or the rules of any exchange on which GlobespanVirata shares are traded or listed. The 1999 Equity Incentive Plan will continue in effect indefinitely unless the GlobespanVirata board decides to terminate the plan.

1999 Supplemental Stock Option Plan. The GlobespanVirata board of directors adopted the 1999 Supplemental Stock Option Plan in December 1999. As of December 31, 2003, 23,266,585 shares of GlobespanVirata common stock were subject to outstanding awards under the 1999 Supplemental Stock Option Plan and 2,492,715 shares were available for future grants under the plan. Under the 1999 Supplemental Stock Option Plan, the eligible individuals are employees and consultants; officers are not eligible for grants. Only nonqualified stock options can be granted under the plan. If grants awarded under the 1999 Supplemental Stock Option Plan are forfeited or terminated, then those shares will again become available for new awards under the plan.

The compensation committee of the GlobespanVirata board of directors administers the 1999 Supplemental Stock Option Plan. The GlobespanVirata compensation committee has complete discretion to make all decisions relating to the interpretation and operation of the 1999 Supplemental Stock Option Plan, including the discretion to determine which eligible individuals are to receive any award, and to determine the type, number, vesting requirements and other features and conditions of each award.

The exercise price for options granted under the 1999 Supplemental Stock Option Plan may not be less than 25% of the fair market value of the common stock on the option grant date. The exercise price may be paid in cash or in outstanding shares of common stock. The exercise price may also be paid by using a cashless exercise method, a pledge of shares to a broker or promissory note.

The GlobespanVirata compensation committee may reprice options and may modify, extend or assume outstanding options. The GlobespanVirata compensation committee may accept the cancellation of outstanding options in return for the grant of new options. The new option may have the same or a different number of shares and the same or a different exercise price.

It is GlobespanVirata's current practice that 25% of options vest on the first anniversary of the grant date with the remainder vesting 6.25% per quarter thereafter.

The 1999 Supplemental Stock Option Plan contains a change of control provision that is substantially identical to that of the 1999 Equity Incentive Plan. The merger will constitute a change of control under the 1999 Supplemental Stock Option Plan.

If a merger or other reorganization occurs, the agreement of merger or reorganization may provide that outstanding options and other awards under the 1999 Supplemental Stock Option Plan shall be assumed by the surviving corporation or its parent, shall be continued by GlobespanVirata if it is a surviving corporation, shall have accelerated vesting and then expire early, or shall be cancelled for a cash payment.

The GlobespanVirata board of directors may amend or terminate the 1999 Supplemental Stock Option Plan at any time. If the GlobespanVirata board amends the plan, stockholder approval of the amendment will be sought only if required by applicable law or the rules of any exchange on which GlobespanVirata shares are listed. The 1999 Supplemental Stock Option Plan will continue in effect indefinitely unless GlobespanVirata board decides to terminate the plan.

Amended and Restated 1999 Stock Incentive Plan. The plan, formerly known as the Amended and Restated Virata Corporation 1999 Stock Incentive Plan, was originally approved by the stockholders of Virata Corporation in 1999 and was assumed by GlobespanVirata in 2001 in connection with the merger between the two companies and renamed the Amended and Restated 1999 Stock Incentive Plan. As of December 31, 2003, 5,710,969 shares of GlobespanVirata common stock were subject to outstanding

awards under the Amended and Restated 1999 Stock Incentive Plan and 6,945,398 shares were available for future grants under the plan. Under the plan, eligible individuals include employees, consultants, independent contractors and non-employee directors.

The compensation committee of the GlobespanVirata board of directors administers the Amended and Restated 1999 Stock Incentive Plan and is authorized under the plan to enter into any type of award arrangement with a participant that is not inconsistent with the provisions of the Amended and Restated 1999 Stock Incentive Plan. The plan does not limit any award to any specified form or structure. The types and amount of awards are determined at the discretion of the GlobespanVirata compensation committee and may include, without limitation, sales or bonuses of stock, restricted stock, stock options, reload stock options, stock purchase warrants, other rights to acquire stock, securities convertible into or redeemable for stock, stock appreciation rights, phantom stock, dividend equivalents, performance units or performance shares, and an award may consist of one such security or benefit or two or more of them in tandem or in the alternative.

Awards may be issued, and shares of GlobespanVirata common stock may be issued pursuant to an award, for any lawful consideration as determined by the GlobespanVirata compensation committee, including, without limitation, services rendered by the recipient of such award. If incentive stock options are issued, these options must comply with section 422 of the Internal Revenue Code.

The exercise price for any option granted under the plan may not be less than 85% of the fair market value of GlobespanVirata common stock on the option grant date or 100% in case of an incentive stock option, except that the exercise price must be 110% of the fair market value in the case of any person who owns stock having more than 10% of the total combined voting power of all classes of stock of GlobespanVirata or any subsidiary.

The GlobespanVirata compensation committee has complete discretion to determine all of the terms and conditions of each award granted under the plan including a provision conditioning or accelerating the receipt of benefits pursuant to any award under the plan, either automatically or in the discretion of the GlobespanVirata compensation committee, upon the occurrence of specified events, including a change of control of GlobespanVirata (as defined by the GlobespanVirata compensation committee), an acquisition of a specified percentage of the voting power of GlobespanVirata, the dissolution or liquidation of GlobespanVirata, or a sale of substantially all of the property and assets of GlobespanVirata.

The outstanding options under the plan generally vest over a four-year period from the date of grant. Options are effected by way of individual option agreements with each recipient. All options are non-transferable, but form part of the option holder's estate in the event of death. Options generally lapse on the tenth anniversary from the date of grant. Unless otherwise provided in an award agreement, if an option holder ceases to be a GlobespanVirata employee for any reason, other than for death or permanent disability, any vested options unexercised on such date must be exercised within 30 days of such date. Upon the expiration of this 30-day period, any options that remain unexercised will lapse. It is GlobespanVirata's current practice to allow three months for exercises of such options. Unless otherwise provided in an award agreement, if an option holder is terminated for death or disability, any vested options unexercised on such date must be exercised within six months of such date. After six months, options remaining unexercised will lapse. It is GlobespanVirata's current practice to allow twelve months for exercises of such options. If grants awarded under the Amended and Restated 1999 Stock Incentive Plan expire or become unexercisable, then those shares will again become available for new awards under the plan.

The GlobespanVirata board of directors may amend or terminate the plan at any time and in any manner, subject to the rights of recipients of awards under the plan, required stockholder approvals and the requirements of sections 422 and 162(m) of the Internal Revenue Code.

Tax Matters

The following is a brief summary of the principal United States federal income tax consequences of awards under the GlobespanVirata stock plans following assumption and adoption thereof by Conexant under present law and regulations:

Incentive Stock Options. The grant of an incentive stock option will not result in any immediate tax consequences to Conexant or the optionee. An optionee will not recognize taxable income, and Conexant will not be entitled to any deduction, upon the timely exercise of an incentive stock option, but the excess of the fair market value of the shares acquired over the option price will be an item of tax preference for purposes of the alternative minimum tax. If the optionee does not dispose of the shares acquired within one year after their receipt (and within two years after the option was granted), gain or loss recognized on the subsequent disposition of the shares will be treated as long-term capital gain or loss. Capital losses of individuals are deductible only against capital gains and a limited amount of ordinary income. In the event of an earlier disposition, the optionee will recognize taxable ordinary income in an amount equal to the lesser of (i) the excess of the fair market value of the shares on the date of exercise over the option price; or (ii) if the disposition is a taxable sale or exchange, the amount of any gain realized. Upon such a disqualifying disposition, Conexant will be entitled to a deduction in the same amount and at the same time as the optionee recognizes such taxable ordinary income, subject to the limitations of section 162(m) of the Internal Revenue Code.

Nonqualified Stock Options. The grant of a nonqualified stock option will not result in any immediate tax consequences to Conexant or the optionee. Upon the exercise of a nonqualified stock option, the optionee will recognize taxable ordinary income, and, subject to the limitations of section 162(m) of the Internal Revenue Code, Conexant will be entitled to a deduction, equal to the difference between the option price and the fair market value of the shares acquired at the time of exercise.

Stock Appreciation Rights. The grant of a stock appreciation right, or SAR, will not result in any immediate tax consequences to Conexant or the grantee. Upon the exercise of a SAR, any cash received and the fair market value on the exercise date of any shares received will constitute ordinary income to the grantee. Conexant will be entitled to a deduction in the same amount and at the same time, subject to the limitations of section 162(m) of the Internal Revenue Code.

Restricted Stock. An employee normally will not recognize taxable income upon an award of restricted stock, and Conexant will not be entitled to a deduction, until the termination of the restrictions. Upon such termination, the employee will recognize taxable ordinary income in an amount equal to the fair market value of the shares at that time, plus the amount of any dividends and interest thereon to which the employee then becomes entitled. However, an employee may elect to recognize taxable ordinary income in the year the restricted stock is awarded in an amount equal to its fair market value at that time, determined without regard to the restrictions. Conexant will be entitled to a deduction in the same amount and at the same time as the employee realizes income, subject to the limitations of section 162(m) of the Internal Revenue Code.

Equity Compensation Plan Information

For information regarding Conexant's equity compensation plans, see [Approval of Amendments to the Conexant Directors Stock Plan Equity Compensation Plan Information](#).

Recommendation of the Conexant Board

The Conexant board of directors has unanimously approved the assumption and adoption of the GlobespanVirata stock plans by Conexant and unanimously recommends a vote **FOR** approval of the assumption and adoption of the GlobespanVirata stock plans. Approval of the assumption and adoption of the GlobespanVirata stock plans is not a condition to completion of the merger. Unless a contrary choice is specified, proxies solicited by the Conexant board of directors will be voted for approval of the assumption and adoption of the GlobespanVirata stock plans.

**OTHER MATTERS TO BE CONSIDERED AT THE
CONEXANT ANNUAL MEETING OF STOCKHOLDERS**

Election of Directors

Conexant's certificate of incorporation provides that the board of directors shall consist of three classes of directors with overlapping three-year terms. One class of directors is to be elected each year with a term extending to the third succeeding annual meeting after election. The certificate of incorporation provides that the board shall maintain the three classes so as to be as nearly equal in number as the then total number of directors permits. On February 26, 2003, Richard M. Bressler retired from the Conexant board. His position was subsequently filled by D. Scott Mercer. In addition, effective at the close of business on June 27, 2003 upon the completion of the Mindspeed Spin-Off, Hossein Eslambolchi resigned from the board of directors in order to serve on the board of Mindspeed Technologies, Inc. On December 15, 2003, the board of directors voted to decrease its size from eight to seven directors, with the result that Classes I and III consist of two directors each and Class II consists of three directors. The three directors in Class II will be elected at the Conexant annual meeting to serve for a term expiring at the Conexant annual meeting in 2007. The two directors in Class I and the two directors in Class III are serving terms expiring at the Conexant annual meeting of stockholders in 2006 and 2005, respectively.

Unless marked otherwise, proxies received will be voted **FOR** the election of each of the three nominees specified in Information as to Nominees for Directors and Continuing Directors Class II Nominees for Directors with Terms Expiring in 2007 below, who now serve as directors with terms expiring at the Conexant 2004 annual meeting and until their successors are elected and qualified. If any such nominee for the office of director is unwilling or unable to serve as a nominee for the office of director at the time of the annual meeting, the proxies may be voted either (1) for a substitute nominee, who shall be designated by the proxy holders or by the present board of directors to fill such vacancy, or (2) for the other nominees only, leaving a vacancy. Alternatively, the size of the board may be reduced so that there is no vacancy. The board of directors has no reason to believe that any of the nominees will be unwilling or unable to serve if elected as a director. Such persons have been nominated to serve until the Conexant annual meeting in 2007 and until their successors are elected and qualified.

The Conexant board of directors unanimously recommends a vote **FOR** the election of each of the three nominees listed below.

Information as to Nominees for Directors and Continuing Directors

Board Committees and Meetings

At its February 26, 2003 meeting, the Conexant board of directors reorganized its committee structure. Following that meeting, the standing committees of the board of directors of Conexant during fiscal 2003 were an Audit Committee, a Board Governance and Composition Committee, and a Compensation and Management Development Committee, each of which is comprised of non-employee directors who are independent directors within the meaning of the rules of the National Association of Securities Dealers, Inc., or independent directors. The functions of each of these three committees are

described below; committee charters are posted on Conexant's website at www.conexant.com/ir/corp_governance.html. The members of the standing committees are identified in the following table, each committee chairman being denoted with an asterisk. In addition, commencing on February 26, 2003, Conexant's independent directors began holding regular meetings without members of management present.

For a description of the composition of the committees of the Conexant board following the merger, see Management and Operations After the Merger Committees of the Board of Directors.

The **Audit Committee**, among other things, reviews the scope and effectiveness of audits of Conexant by its independent public accountants and internal auditors; selects and recommends the employment of independent public accountants for Conexant, subject to approval of the stockholders; reviews the audit plans of Conexant's independent public accountants and internal auditors; reviews and approves, in advance, the fees charged and the scope and extent of any non-audit services performed by the independent public accountants; establishes procedures for the receipt, retention and treatment of anonymous and other complaints regarding Conexant's accounting or auditing matters; reviews Conexant's quarterly and annual financial statements before their release; reviews and approves the appointment or change of Conexant's director of internal audit; reviews the adequacy of Conexant's system of internal controls and recommendations of the independent public accountants and of the internal auditors with respect thereto; reviews and acts on comments and suggestions by the independent public accountants and by the internal auditors with respect to their audit activities; monitors compliance by Conexant's employees with its standard of business conduct policies; meets with Conexant's management to review any issues related to matters within the scope of the Audit Committee's duties; and investigates any matter brought to its attention within the scope of its duties. The Audit Committee acts pursuant to a written charter, which was most recently amended on December 15, 2003, a copy of which is attached as Annex F to this joint proxy statement/prospectus. In the opinion of the Conexant board of directors, all current members of the Audit Committee are independent directors. The Audit Committee met eight times during the 2003 fiscal year.

The principal functions of the **Board Governance and Composition Committee** are to develop and review at least annually Conexant's governance guidelines; to develop an annual self-evaluation process for the board and its committees and oversee the annual self-evaluations; to review the board's committee structure and recommend to the board for its approval the directors to serve as members of each committee; to consider and recommend to the board of directors qualified candidates for election as directors of Conexant; to lead the search for qualified candidates who may be submitted by directors, officer, employees, stockholders and others; and periodically to prepare and submit to the board of directors for adoption the committee's selection criteria for director nominees.

Under the Board Governance and Composition Committee's current board selection criteria (which are posted on Conexant's website at www.conexant.com/ir/corp_governance.html), director candidates are selected with a view to bringing to the board a variety of experience and backgrounds. Directors should have high level managerial experience in a relatively complex organization or be accustomed to dealing with complex problems. The committee seeks candidates of the highest character and integrity, and who have experience at or demonstrated understanding of strategy/policy setting and a reputation for working constructively with others. In addition, candidates should have sufficient time available to devote to Conexant in order to carry out their duties as directors. In fulfilling its responsibility to lead the search for

qualified director candidates, the committee consults with other directors, as well as the chief executive officer and other senior executives of Conexant. The committee may also from time to time retain third party search firms to assist in identifying candidates. The committee will consider director candidates recommended by Conexant stockholders pursuant to Conexant's procedures described in Stockholder Proposals or Nominations. In the opinion of the Conexant board of directors, all current members of the Board Governance and Composition Committee are independent directors. The Board Governance and Composition Committee met once during the 2003 fiscal year.

The principal functions of the **Compensation and Management Development Committee**, or the Compensation Committee, are to recommend compensation and benefits for non-employee directors; to review and approve on an annual basis the corporate goals and objectives with respect to compensation for the chief executive officer, determine the salaries of all executive officers and review annually the salary plan for other executives in general management positions; to review Conexant's base pay, incentive compensation, deferred compensation and all stock-based plans; to review the performance of Conexant's chief executive officer and senior executives and oversee the development of executive succession plans; and to prepare and publish an annual executive compensation report. The members of the Compensation Committee are ineligible to participate in any of the plans or programs administered by the Compensation Committee, except the Conexant Directors Stock Plan. In the opinion of the Conexant board of directors, all current members of the Compensation Committee are independent directors. The Compensation Committee met eight times during the 2003 fiscal year and acted by unanimous written consent five times.

The Conexant board of directors held nine meetings and acted by unanimous written consent three times during the 2003 fiscal year. Each director is expected to attend each meeting of the board and those committees on which he serves. No director attended less than 75% of all the meetings of the board and those committees on which he served in the 2003 fiscal year. In addition, Conexant's independent directors held three meetings during the 2003 fiscal year. Directors are expected to attend Conexant's annual meetings of stockholders. All currently serving directors (other than Mr. Mercer, who was not then a director) attended the Conexant 2003 annual meeting of stockholders on February 26, 2003. The board of directors has implemented a process for stockholders of Conexant to send communications to the board. Any stockholder desiring to communicate with the board, or with specific individual directors, may do so by writing to the Secretary of Conexant, who has been instructed by the board to forward promptly all such communications to the addressees indicated thereon.

Directors Compensation

During fiscal 2003, non-employee directors of Conexant received a base retainer at the rate of \$30,000 per year for board service. They received an additional retainer for service on committees of the board as follows: (a) an annual fee of \$2,500 for service as a committee chairman and (b) an annual fee of \$1,250 for service as a member of a committee. In addition, each non-employee director received (a) \$1,000 per day for each board meeting attended in person and (b) \$500 per day for each board meeting attended by telephone. The Conexant Directors Stock Plan provides that upon initial election to the board, each non-employee director will be granted an option to purchase 40,000 shares of Conexant common stock at an exercise price per share equal to the fair market value of Conexant common stock on the date of grant. Such stock options become exercisable in four equal installments on each of the first, second, third and fourth anniversaries of the date the options are granted. In addition, following completion of one year of service on the board, each non-employee director is eligible to be granted annually an option to purchase 20,000 shares of Conexant common stock following each annual meeting of stockholders. Each non-employee director (other than Messrs. Iyer and Mercer, who were not eligible to receive the annual grant of options with respect to the 2003 annual meeting) was granted an option to purchase 20,000 shares of Conexant common stock following the Conexant 2003 annual meeting. To better align the timing of the director grants with those of Conexant's officers and overall employee base, the Conexant Directors Stock Plan was amended to provide that starting in February 2004 the annual stock option grants to the non-employee directors will be made on a semi-annual basis. Each eligible director will receive an option to purchase 10,000 shares following the Conexant annual meeting of stockholders and an option to purchase

an additional 10,000 shares approximately six months from that date. For a description of proposed amendments to the Conexant Directors Stock Plan, see [Approval of Amendments to the Conexant Directors Stock Plan](#) .

In view of Mr. Beall's extraordinary contributions to Conexant and its stockholders, on October 31, 2002 the board of directors (with Mr. Beall abstaining) voted to extend the expiration date of certain non-qualified options to purchase Conexant common stock, or the Conexant Options, granted to Mr. Beall under the Conexant 1998 Plan in connection with certain adjustments to options to purchase Rockwell common stock, or the Rockwell Options, held by Mr. Beall at the time of the spin-off of Conexant from Rockwell on December 31, 1998. Under the terms of the Conexant 1998 Plan and Mr. Beall's stock option agreements, the Conexant Options, if not sooner exercised, were to expire on June 30, 2003, the fifth anniversary of Mr. Beall's retirement from Rockwell. As a result of the extension, the Conexant Options may be exercised until ten years after the original date of grant of the corresponding Rockwell Options from which the Conexant Options were derived. The board of directors noted that there would not be an earnings charge in connection with the extension of the expiration date of the Conexant Options because the exercise prices of the Conexant Options exceeded the fair market value of Conexant common stock subject to the Conexant Options on the date the extension became effective.

In addition, in recognition of their performance and the duration of their service to Conexant, Messrs. Beall, Bressler, Farrill and Stead, the four non-employee directors who had been members of the board since the time Conexant was spun-off from Rockwell, were each granted options to purchase 80,000 shares of Conexant common stock on November 29, 2002, approximately the fourth anniversary of their joining the board. The exercise price of these stock options is \$1.8566 and the options will vest in four equal installments on each of the first, second, third and fourth anniversaries of the date the options were granted. Furthermore, each non-employee director was granted an option to purchase 10,000 shares of Conexant common stock on October 6, 2003. The exercise price of these options is \$6.199 and the options will vest in four equal installments on each of the first, second, third and fourth anniversaries of the date of the grant. This October 6, 2003 grant is in recognition for extraordinary performance, dedication and service in completing the focused business creation strategy, culminating with the Mindspeed Spin-Off.

Under the terms of Conexant's directors' deferred compensation plan, a director may elect to defer all or part of the cash payment of retainer fees until such time as shall be specified with interest on deferred amounts accruing quarterly at 120% of the Federal long-term rate set each month by the Secretary of the Treasury. Each director also has the alternative each year to determine whether to defer all or any portion of the cash retainer by electing to receive shares or restricted shares valued at the closing price of Conexant common stock on the Nasdaq National Market System on the date each retainer payment would otherwise be made in cash.

Report of the Audit Committee

The Audit Committee, which consists entirely of independent directors, has furnished the following report on Audit Committee matters:

The Audit Committee acts pursuant to a written charter, which originally was adopted by the board of directors of Conexant on November 30, 1998 and amended and restated most recently on December 15, 2003, a copy of which is attached as Annex F to this joint proxy statement/prospectus. The Audit Committee has reviewed the audited financial statements of Conexant for the fiscal year ended September 30, 2003 with management and it has discussed with Deloitte & Touche LLP, Conexant's independent auditors, the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees) relating to the conduct of the audit. The Audit Committee has also received written disclosures and a letter from Deloitte & Touche LLP regarding its independence from Conexant as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), has discussed with Deloitte & Touche LLP the independence of that firm and has considered whether the provision of non-audit services by Deloitte & Touche LLP is compatible with maintaining the independence of that firm. Based upon the above materials and discussions, the Audit

Committee met with Deloitte & Touche LLP, reviewed Conexant's audited financial statements and approved the inclusion of these financial statements in Conexant's Annual Report on Form 10-K for the fiscal year ended September 30, 2003.

Report of the Compensation and Management Development Committee on Executive Compensation

The Compensation and Management Development Committee, or the Compensation Committee, which consists entirely of independent directors, has furnished the following report on executive compensation:

Compensation Philosophy and Objectives

The Compensation Committee has adopted for Conexant a general compensation philosophy of "pay for performance" in which total cash compensation should vary with Conexant's performance. The Compensation Committee believes this philosophy is appropriate for Conexant as a high technology, semiconductor company. The Compensation Committee's goal is to provide base salary and opportunity for annual incentives sufficient to provide total cash compensation at market competitive levels for major U.S. high technology companies and to provide long-term incentives in the form of stock option grants to its executives at slightly above market competitive levels for major U.S. high technology companies.

Total annual compensation for the majority of Conexant's employees, including its executive officers, consists of the following:

base salary; and

an annual incentive compensation program that is related to achievement of certain financial performance measures of Conexant and/or its stock price appreciation, and based on an individual bonus target for the performance period. The annual incentive from year to year may be delivered in cash, restricted stock or stock options.

Long-term incentive compensation is realized through the grant of stock options and, in some cases, shares of restricted stock, to executive officers and most employees under the 1999 LTIP and the 2000 Non-Qualified Stock Plan.

In addition to encouraging stock ownership by granting stock options and restricted stock, Conexant further encourages all of its employees to own Conexant common stock through Conexant's Employee Stock Purchase Plans, or the ESPPs. The ESPPs allow participants to buy Conexant common stock at a discount to the market price with up to 10% of their salary and bonuses (subject to certain limits), thereby allowing employees to profit when the value of Conexant common stock increases over time.

Setting Executive Compensation

In setting the base salary and individual bonus target amount for executive officers, the Compensation Committee reviews information relating to executive compensation of U.S.-based semiconductor and other high technology companies that are considered generally comparable to Conexant. While there is no specific formula that is used to establish executive compensation in relation to this market data, executive officer base salary is generally set to be around the average salaries for comparable jobs in the marketplace. However, if Conexant meets or exceeds certain predetermined financial and non-financial goals, amounts paid under Conexant's performance-based incentive compensation programs may lead to total cash compensation levels that are higher than the average salaries for comparable positions. The Compensation Committee considers the total compensation (earned or potentially available) of the senior

executives in establishing each component of compensation. In its review, the Compensation Committee considers the following: (1) industry, peer group and national surveys of other U.S. semiconductor and high technology companies; (2) reports of the independent compensation consultants who advise the Compensation Committee on Conexant's compensation programs in comparison with those of other companies which the consultants believe compete with Conexant for executive talent; and (3) performance judgments as to the past and expected future contributions of individual senior executives.

As a result of this process and in accordance with Conexant's compensation philosophy that total cash compensation should vary with Conexant's performance, in fiscal 2001 Conexant implemented a 10% salary reduction for executives at the level of vice president and above. This reduction remained in place both throughout fiscal 2002 and until Conexant's Broadband Communications business segment achieved profitability as measured on a pro forma basis in the third quarter of fiscal 2003. However, for executives at the level of vice president and above in Conexant's Mindspeed Technologies business segment, the reduction remained in place through the completion of the Mindspeed Spin-Off as Mindspeed did not achieve profitability as measured on a pro forma basis. For executives who served both the Broadband Communications and the Mindspeed Technologies segments (e.g., Messrs. Decker, Iyer and O'Reilly) this reduction also remained in place through the completion of the Mindspeed Spin-Off. In addition, as discussed below, a significant part of each executive officer's potential total cash compensation is dependent on the performance of Conexant as measured through its performance-based incentive compensation program.

Performance-Based Compensation

Conexant's executive annual incentive compensation plan is based on the overall financial performance of Conexant. In any given year, that performance is measured against the specific performance criteria adopted by the Compensation Committee for use in that particular fiscal year. Performance criteria typically include revenue growth, operational profitability, and attainment of strategic business development goals. In addition, executive incentive compensation awards may be adjusted by an individual performance multiplier. The chief executive officer's annual incentive plan has the same components as the executive plan. This award may also be adjusted by the board of directors based on individual performance. For all executives, the annual incentive award value is targeted at competitive market levels for semiconductor and other high technology companies.

Performance-Based Compensation for Fiscal 2003

For fiscal 2003, the Compensation Committee adopted an annual incentive compensation plan for employees of Conexant's Broadband Communications business segment (the continuing Conexant following the Mindspeed Spin-Off). This plan is based on financial performance as measured by pro-forma operating income. Under the plan, there is no bonus unless Conexant achieves full-year pro forma operating profitability.

For fiscal 2002, as described in Conexant's proxy statement for the 2003 annual meeting, the Compensation Committee adopted the 2001 Performance Share Plan as Conexant's annual incentive compensation plan. Pursuant to the plan, Conexant made performance share awards to eligible employees, including executive officers. The performance share awards entitle the employee to whom a grant is made to receive cash or shares of Conexant common stock, based on the value of Conexant common stock on the date the performance share award vests.

For grants of performance share awards during fiscal 2002, the Compensation Committee established separate vesting criteria for performance share awards to employees of Conexant's Broadband Communications business segment and employees of the Mindspeed Technologies business segment. In each case, the performance share awards would vest upon the achievement by Conexant's Broadband Communications business segment or the Mindspeed Technologies business segment, as the case may be, of their separate and respective financial performance criteria by certain specified dates.

To the extent that the applicable financial performance criteria are not met by the specified dates, the relevant performance share awards will not vest and will terminate. In February 2003, the performance shares granted to the employees of Conexant's Broadband Communications business segment vested based on achievement of the fiscal 2002 performance criteria. On average, the performance share awards for the Broadband Communications business segment was approximately 10% of an employee's target variable pay. The Mindspeed Technologies business segment did not achieve its financial performance criteria for fiscal 2002 and the performance shares related to that business segment did not vest and were terminated.

Stock Options and Restricted Stock

Conexant grants stock options to aid in the attraction and retention of employees and to align the interests of employees with those of the stockholders. Stock options have value for an employee only if the price of Conexant common stock increases above the fair market value on the grant date and the employee remains employed by Conexant for the period required for the stock option to be exercisable, thus providing an incentive to remain in Conexant's employ. In addition, stock options provide a direct link to the interests of stockholders by providing an incentive to maximize stockholder value.

The 1999 LTIP is generally used for making grants of incentive stock options, non-qualified stock options and restricted stock to officers and other employees as a part of Conexant's executive performance review process. In addition, the 2000 Non-Qualified Stock Plan authorizes the grant of non-qualified stock option and restricted stock awards to officers and other employees. Annual stock option grants for executives are a key element of market-competitive total compensation. In fiscal year 2003, stock options for the executive officers were granted upon recommendation of management and approval of the Compensation Committee. Individual grant amounts were based on internal factors such as relative job scope and contributions made during the past year, as well as a review of publicly available data on senior management compensation at other companies. In general, options are exercisable in 25% increments over a four-year period, first exercisable one year after the date of grant (e.g., 25% of options granted in 2003 become exercisable on the anniversary of the date of grant in 2004). However, with respect to stock options granted on March 30, 2001, 50% became exercisable on the first anniversary of the date of grant, 25% became exercisable on the second anniversary and 25% will become exercisable on the third anniversary.

On November 4, 2002, Conexant issued options to purchase 5,502,208 shares of Conexant common stock to eligible participants in its Broadband Communications business segment; on November 5, 2002 Conexant issued options to purchase 4,625,597 shares of Conexant common stock to eligible Mindspeed participants. On July 11, 2003, following completion of the Mindspeed Spin-Off, Conexant issued options to purchase 4,266,260 shares of Conexant common stock to eligible participants in the continuing Conexant. This grant represents approximately half the annual grant of options which would normally have been granted to eligible participants in fiscal 2004, plus certain promotion related grants made upon the completion of the Mindspeed Spin-Off. Beginning with this grant, Conexant has modified its option granting schedule to a semi-annual grant cycle. This change in grant award timing is also being made for the board of directors. See Election of Directors Directors Compensation . The Compensation Committee felt that the change to a semi-annual grant cycle added performance management and retention tools. Additionally, the Committee felt that with the completion of the focused-business creation strategy, this was an opportune time to provide an additional incentive to the continuing Conexant staff.

Compliance with Section 162(m)

Section 162(m) of the Internal Revenue Code of 1986, as amended, places a limit of \$1,000,000 on the amount of compensation that may be deducted by Conexant in any year with respect to each of Conexant's five most highly paid executive officers. Certain performance-based compensation that has been approved by stockholders is not subject to the deduction limit. The 1999 LTIP is qualified so that awards under the plan constitute performance-based compensation not subject to the deduction limit under section 162(m). It is the Committee's objective that, so long as it is consistent with its overall business,

compensation and retention objectives, Conexant will, to the extent reasonable, endeavor to keep executive compensation deductible by Conexant for federal income tax purposes.

Conexant's Performance and CEO Compensation

Conexant's compensation program is designed to support the achievement of corporate and business objectives.

Mr. Decker's base salary and incentive target are determined in the same manner as described above for all executive officers. In setting compensation levels for the chief executive officer, the Compensation Committee considers data reflecting comparative compensation information from other companies for the prior year. Effective January 1, 2003, the Compensation Committee, upon Mr. Decker's recommendation and the Compensation Committee's approval, elected to leave Mr. Decker's salary unchanged at the \$657,000 amount to which it had been reduced in 2001. Upon completion of the Mindspeed Spin-Off, Mr. Decker's base salary was, at Mr. Decker's recommendation and the Compensation Committee's approval, further reduced from \$657,000 to \$575,000. Despite Mr. Decker's significant individual contributions to complete the focused-business creation strategy and in guiding the on-going Conexant business back to profitability, this adjustment was made to recognize and align Mr. Decker's compensation with the size of the continuing Conexant. In February 2003, Mr. Decker, together with the other employees of Conexant, earned the portion of the 2001 performance share award that was based on the fiscal 2002 Broadband Communications segment pro forma operating performance. Mr. Decker elected to receive his performance share award in shares of stock. In November 2002 and July 2003, as part of Conexant's broad-based stock options grants, Mr. Decker was awarded stock options covering 491,742 shares and 250,000 shares, respectively, of which 185,227 and 30,601, respectively, were incentive stock options.

- (1) The option awards shown reflect option grants made in fiscal 2003, 2002 and 2001 on an adjusted basis. In connection with the Skyworks Transaction in June 2002, outstanding Conexant options were adjusted so that following the transaction each option holder held Conexant options and options to purchase Skyworks stock. In connection with the Mindspeed Spin-Off in June 2003, outstanding Conexant options were adjusted so that following the transaction each option holder held Conexant options and options to purchase Mindspeed stock. In each case, the number of shares subject to, and the exercise prices of, such options were adjusted to preserve the intrinsic value of the options and to maintain the ratio of the exercise price to the fair market value of the underlying stock, immediately before and after the relevant transaction. In connection with the Skyworks Transaction, certain options held by Messrs. Halim, Rhodes and Blouin did not entitle them to receive Skyworks options and instead remained solely Conexant options, with adjustments to preserve the intrinsic value and ratio of exercise price to the fair market value of Conexant common stock.

Certain Relationships and Related Transactions

Conexant has entered into change of control employment agreements with certain key executives, including Messrs. Decker, Rhodes, Brewster and O'Reilly. Each employment agreement provides for the continuing employment of the executive after a change of control on terms and conditions no less favorable than those in effect before the change of control. If the executive's employment is terminated by Conexant without cause or if the executive terminates his own employment for good reason (each as defined in the employment agreement), the executive is entitled to severance benefits equal to a multiple of his annual compensation (including bonus) and continuation of certain benefits for a number of years equal to the multiple. The multiple is three for Mr. Decker and two for the other executives. The executives are entitled to an additional payment, if necessary, to make them whole as a result of any excise tax imposed by the Internal Revenue Code on certain change of control payments (unless the safe harbor amount above which the excise tax is imposed is not exceeded by more than 10%, in which event the payments will be reduced to avoid the excise tax).

For the purposes of the employment agreements, a change of control is defined generally as:

the acquisition by any individual, entity or group of beneficial ownership of 20% or more of either the then outstanding shares of Conexant common stock or the combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors;

a change in the composition of a majority of the Conexant board of directors which is not supported by the current board of directors;

a major corporate transaction, such as a reorganization, merger or consolidation or sale or other disposition of all or substantially all of Conexant's assets, which results in a change in the majority of the board of directors or of more than 60% of Conexant's stockholders; or

approval by Conexant's stockholders of the complete liquidation or dissolution of Conexant.

Additionally, Conexant has entered into an employment and change of control agreement with Mr. Blouin which, in addition to providing for the continuing employment of the executive after a change of control (defined in substantially similar terms as under the employment agreements) on terms and conditions of employment no less favorable than those in effect before the change of control, further defines certain terms of employment in connection with the completion of the focused-business creation strategy. Conexant has also entered into an agreement with Mr. O'Reilly defining certain conditional benefits to Mr. O'Reilly upon his retirement, including payment of any earned unused vacation, formal salary and benefit continuation status for six months and continued eligibility for applicable benefits. Conexant entered into an agreement with Mr. Iyer pursuant to which Conexant paid Mr. Iyer a retention bonus of \$150,000 in January 2003 in connection with the Mindspeed Spin-Off and reimburses Mindspeed for compensation paid to Mr. Iyer.

For a description of employment agreements that have been and are expected to be entered into with certain executive officers of Conexant effective as of the effective time of the merger, see "The Merger - Interests of Certain Persons in the Merger - New Employment Agreements .

In fiscal year 2003, Conexant donated \$1,117,065.50 to the University of California, Irvine Foundation. Of these donations, \$1,048,015.50 was made directly by Conexant; the remainder was made by the Conexant Systems Charitable Fund, a donor-directed fund administered by the California Community Foundation. Dr. Cicerone is Chancellor of the University of California, Irvine.

In connection with the Mindspeed Spin-Off, Mindspeed entered into a Credit Agreement with Conexant, under which Mindspeed may borrow up to \$50 million for working capital and other general corporate purposes. The credit facility is available for a term ending on June 29, 2007. Loans under the credit facility will accrue interest at the rate of 10 percent per annum, payable at maturity. In the event that Mindspeed makes borrowings under the credit facility, Conexant will be entitled to exercise certain warrants to purchase shares of Mindspeed common stock. As of September 30, 2003, Mindspeed had made no borrowings under the credit facility. In connection with the credit facility, Mindspeed issued to Conexant warrants to purchase up to 8.3 million shares of Mindspeed common stock. The number of shares that may be acquired under the warrants will depend on the highest level of borrowings under the credit facility, increasing on a pro rata basis up to a maximum of 8.3 million shares of Mindspeed common stock if the level of borrowings under the credit facility reaches \$50 million. The warrants will be exercisable for a period of ten years after the Mindspeed Spin-Off at a price per share equal to the lesser of \$3.408 or the fair market value of Mindspeed common stock at the time of the borrowings under the credit facility that entitle Conexant to acquire the shares.

In connection with the Mindspeed Spin-Off, Mindspeed issued to Conexant a warrant to purchase 30 million shares of Mindspeed common stock at a price of \$3.408 per share, exercisable for a period beginning one year and ending ten years after the Mindspeed Spin-Off.

Deloitte & Touche LLP have been Conexant's independent auditors since 1998 and have been selected by the Audit Committee of the board of directors as Conexant's independent auditors for the fiscal year ending September 30, 2004.

Before the Audit Committee appointed Deloitte & Touche LLP, it carefully considered the qualifications of that firm, including its performance for Conexant and Rockwell in prior years and its reputation for integrity and for competence in the fields of accounting and auditing.

A representative of Deloitte & Touche LLP is expected to be present at the annual meeting and will have an opportunity to make a statement if he or she so desires. The representative will also be available to respond to appropriate questions from stockholders.

The Conexant board of directors unanimously recommends a vote **FOR** ratification of the appointment of Deloitte & Touche LLP as independent auditors for Conexant for the current fiscal year. Section 16(a) Beneficial Ownership Reporting Compliance

Such directors, executive officers and 10% stockholders are also required to furnish Conexant with copies of all Section 16(a) forms they file.

Exclusion from Section 203 of the Delaware General Corporation Law

Section 203 of the Delaware General Corporation Law is a business combination statute that generally prohibits an interested stockholder, defined generally as a person beneficially owning 15% or more of a corporation's voting stock or an affiliate or associate of such person, from engaging in a business combination, defined to include a variety of transactions, including mergers and sales of 10% or more of a corporation's assets, with a Delaware corporation for three years following the time at which this person became an interested stockholder. This prohibition does not apply if:
the transaction resulting in a person becoming an interested stockholder, or the business combination, is approved by the board of directors of the corporation before the person becomes an interested stockholder;

Section 203 of the Delaware General Corporation Law applies to Conexant.

the interested stockholder acquired 85% or more of the outstanding voting stock of the corporation in the same transaction that makes it an interested stockholder, excluding shares owned by persons who are both officers and directors of the corporation, and shares held by employee stock ownership plans; or

at or subsequent to the time the person becomes an interested stockholder, the business combination is approved by the corporation's board of directors and by the holders of at least 66 2/3% of the corporation's outstanding voting stock at an annual or special meeting, excluding shares owned by the interested stockholder.

Section 203 permits the board of directors of a corporation to defend against takeover attempts and could act as a deterrent to potential takeover attempts as well. GlobespanVirata's Certificate of Incorporation contains a provision electing that Section 203 not apply to GlobespanVirata. By opting out of Section 203, it is easier for GlobespanVirata to enter into transactions with large stockholders without giving at least 66 2/3% of GlobespanVirata's stockholders the opportunity to approve the transaction.

COMBINED FINANCIAL INFORMATION

The Unaudited Pro Forma Condensed Combined Financial Information and explanatory notes of Conexant set forth below give effect to the merger with GlobespanVirata and the acquisition on August 28, 2003 of the WLAN products group of Intersil Corporation (the WLAN products group) by GlobespanVirata. The historical financial information set forth below has been derived from, and is qualified by reference to, the consolidated financial statements and notes thereto of each of Conexant and GlobespanVirata and the financial statements and notes thereto of the WLAN products group and should be read in conjunction with those financial statements and notes, which are included in the applicable Form 10-K, Form 10-Q or Form 8-K, and are incorporated herein by reference. The merger will be accounted for as a purchase business combination as defined in Statement of Financial Accounting Standards No. 141. For accounting purposes, Conexant is the acquiring enterprise in the merger since at the effective time of the merger, current Conexant stockholders are expected to own approximately 62.75% of Conexant.

The Unaudited Pro Forma Condensed Combined Statement of Operations for the twelve months ended September 30, 2003 gives effect to the merger and the acquisition of the WLAN products group as if they had occurred on October 1, 2002, and the Unaudited Pro Forma Condensed Combined Balance Sheet as of September 30, 2003 gives effect to the merger as if it had occurred on September 30, 2003.

In the merger, each share of GlobespanVirata common stock will be exchanged for 1.198 shares of Conexant common stock. The fair value of the Conexant common stock issued will be allocated to the GlobespanVirata assets acquired and liabilities assumed based on their estimated fair values. The excess of the fair value of the consideration paid over the net tangible assets acquired has been preliminarily allocated by Conexant management to identifiable intangible assets, in-process research and development, and goodwill. The values and allocations are preliminary and subject to change and may be adjusted upon completion of Conexant management's final valuation analysis after the closing of the merger. The Unaudited Pro Forma Condensed Combined Financial Information does not give effect to any synergies that may be realized as a result of the merger and does not include any adjustments related to any one-time charges that may result from the merger.

The WLAN products group pro forma adjustments and purchase price allocation as of August 28, 2003 are based upon GlobespanVirata management's estimates of the values of the tangible and intangible assets and liabilities acquired. The values and allocations are preliminary and subject to change, and may be adjusted upon completion of GlobespanVirata management's final valuation analysis. In connection with the merger, these amounts and allocations will be revalued.

NOTES TO UNAUDITED PRO FORMA CONDENSED

COMBINED FINANCIAL INFORMATION

(in thousands, except per share data)

(a) Conexant reports its financial information on the basis of a September 30 fiscal year. GlobespanVirata currently reports its financial information on the basis of a December 31 fiscal year. The Unaudited Pro Forma Condensed Combined Statement of Operations for the twelve months ended September 30, 2003 includes Conexant's historical results of operations for the fiscal year ended September 30, 2003, GlobespanVirata's historical results of operations for the twelve month period ended September 30, 2003 (including the WLAN products group from August 29, 2003), and the WLAN products group's results of operations for the period from October 1, 2002 to August 28, 2003, the date of acquisition by GlobespanVirata. The Unaudited Pro Forma Condensed Combined Balance Sheet includes the historical balance sheets of Conexant and GlobespanVirata (including the WLAN products group) at September 30, 2003. Conexant's 2003 fiscal year ended on October 3, 2003 and GlobespanVirata's third fiscal quarter ended on September 28, 2003. For convenience, both period end dates are being presented as September 30, 2003.

WLAN Products Group Adjustments

GlobespanVirata completed the acquisition of the WLAN products group on August 28, 2003. The information in Notes (b) through (e) below is presented for informational purposes in understanding the impact of that acquisition. The amounts recorded by GlobespanVirata in its purchase accounting effective August 28, 2003 will be revalued in connection with the merger.

(b) Reflects the elimination of amortization of intangible assets which were recorded by the WLAN products group in conjunction with their acquisitions, and includes the amortization of intangible assets recorded as a result of the preliminary purchase price allocation. The purchase consideration in the WLAN products group acquisition consisted of \$250,000 of cash, 15,462 shares of GlobespanVirata common stock valued at \$107,338 (using an average price of \$6.94 per share), and estimated transaction costs of \$9,000. The purchase price has been preliminarily allocated to tangible net assets, identifiable intangible assets, in-process research and development and goodwill, all of which are included in the historical balance sheet of GlobespanVirata at September 30, 2003. In connection with the merger, these net assets and intangibles will be revalued.

(c) Reflects the elimination of the charge for in-process research and development, which was generated as a result of the WLAN products group acquisition and reflected in the twelve month period ended September 30, 2003 of GlobespanVirata.

(d) Reflects the decrease in interest income resulting from the use of cash to consummate the WLAN products group acquisition. A 2.0% interest rate was used to determine the reduction in interest income. This rate approximates the average rate of return on cash and investments of GlobespanVirata. A change in the interest rate of 0.125% would result in a change in interest income of approximately \$300 for the twelve months ended September 30, 2003 for pro forma purposes.

(e) Reflects an adjustment of income taxes to eliminate the income tax benefit recorded by the WLAN products group for the twelve months ended September 30, 2003 and to reflect a \$200 tax provision for international operations of the WLAN products group for the twelve months ended September 30, 2003. No tax benefit associated with the WLAN products group's net operating losses has been recorded for the twelve months ended September 30, 2003.

Merger Adjustments

(f) The purchase consideration in the merger is assumed to be approximately \$1,115,377. The total value of the merger consideration is based upon the fair value of approximately 178,527 shares Conexant common stock to be issued in the merger at \$5.69 per share (determined using the average of the closing market price of Conexant common stock on the day of the announcement of the merger, November 3,

2003, and on the three business days before and after the announcement date), the fair value of Conexant stock options that will be granted to replace the outstanding GlobespanVirata stock options (using a Black-Scholes option pricing model with the following assumptions: market price of \$5.69 per share, risk-free rate of return of 3.2%, expected lives of 4.5 years, volatility of 97%, and no dividend yield), and estimated transaction costs of approximately \$13,000. Approximately \$37,743 in intrinsic value associated with the unvested portion of stock options has been allocated to unearned compensation. In computing the fair value of the GlobespanVirata stock options as of September 30, 2003, it is assumed that approximately 5,114 stock options with exercise prices of \$20.00 or more per share will, immediately prior to the effective time of the merger, automatically expire and will not be outstanding or converted into options for Conexant common stock in the merger and that prior to the effective time of the merger, GlobespanVirata will pay the holders of these options an aggregate of approximately \$4,899 in cash in respect of the expiration of these options. These estimates are preliminary and will depend upon the actual number of shares of GlobespanVirata common stock and stock options outstanding as of the effective time of the merger. GlobespanVirata stockholders will receive 1.198 shares of Conexant common stock for each share of GlobespanVirata common stock held. This is a fixed exchange ratio and will not be adjusted in the event of any increase or decrease in the stock prices of Conexant or GlobespanVirata. The purchase consideration is summarized as follows:

Fair market value of Conexant common stock issued	\$ 1,015,564
Fair value of Conexant common stock options issued	86,813
Estimated transaction costs	13,000

The fair value of Conexant common stock and stock options issued (\$1,102,377) has been allocated to common stock (\$1,785) and additional paid in capital (\$1,100,592).

The preliminary purchase price allocation set forth below represents Conexant's expectations of the fair values of the significant liabilities and tangible and intangible assets that will be recognized in connection with the merger, assuming the merger occurred on September 30, 2003. The values and allocation presented below are preliminary and subject to change, and may be adjusted upon completion of the final valuation analysis after the closing of the merger and for the outcome of certain items prior to the closing of the merger.

reduction of shareholders' equity and is excluded from the Unaudited Pro Forma Condensed Combined Statement of Operations.

The identifiable intangible assets consist of a trademark and product licenses (valued at \$7,249) and developed technologies (valued at \$142,509) and were valued using the income approach and a discount rate of 18%. The developed technologies consist of eight products in the DSL and wireless LAN categories. Under the income approach, the fair value reflects the present value of the projected cash flows that are expected to be generated by the products incorporating the current technology. The type of income approach utilized for the trademark was the relief from royalty methodology, under which an estimate is made as to the appropriate royalty income that would be negotiated in an arm's length transaction if the subject intangible asset were licensed from an independent third party owner. These assets will be amortized over their estimated useful lives ranging from 2 to 5 years. See Note (g) for a description of the in-process research and development.

(g) The in-process research and development projects consist of five projects in the DSL and wireless LAN categories. The fair values assigned to these projects were based on the income approach and used projected cash flows which were discounted at a rate of 19%. The discount rate reflects the stage of completion and other risks inherent in the projects. The material risks associated with the incomplete projects are the ability to complete the items within the outlined timeframes and within the allocated cost guidelines, and ultimately to sell the products to end-users. The release dates for these products vary.

(h) Reflects the elimination of all amortization of intangibles recorded by GlobespanVirata (\$23,181) and the pro forma adjustment for amortization of intangibles as part of the WLAN products group acquisition (\$35,391). All the related intangibles are being revalued in connection with the merger.

The \$30,879 addition to amortization of intangibles reflects the amortization of identifiable intangible assets in the merger over a 2 to 5 year period.

(i) Reflects the elimination of \$12,625 in historical amortization of unearned compensation associated with unvested stock options recorded by GlobespanVirata and recording \$15,097 of amortization of unearned compensation related to unvested stock options held by GlobespanVirata employees at the time of the closing of the merger as if they had been outstanding since October 1, 2002 (assuming a remaining service period of 2.5 years). The allocation of the amortization of unearned compensation to research and development expense (a net increase of \$1,615) and selling, general and administrative expense (a net increase of \$857) is representative of the historical GlobespanVirata employee distribution.

(j) Conexant will record deferred tax liabilities related to the amortization of identifiable intangibles and certain other items that arise in connection with the merger, and will also make a corresponding reduction to its valuation allowance to the extent that the deferred tax liabilities are recorded. Accordingly, there is no pro forma income tax adjustment in the merger.

In addition, Conexant will record deferred tax assets or liabilities for the differences in book and tax bases of acquired assets and liabilities including, most significantly, net operating loss carryforwards. As it is not more likely than not that Conexant will realize a benefit related to the net deferred tax assets, Conexant has not allocated any consideration to the deferred tax assets to be acquired. To the extent that Conexant records a net deferred tax asset or liability with respect to the book/tax basis differentials that exist at the time of the acquisition or for the identifiable intangibles or other items that arise in connection with the acquisition, the amounts will be recorded as an adjustment to goodwill.

(k) Pro forma diluted loss per share from continuing operations does not include the effect of potentially dilutive options, warrants or convertible debt securities as such securities are antidilutive.

COMBINED FINANCIAL INFORMATION (Continued)**
(in thousands, except per share data)

(l) Represents the weighted-average number of shares outstanding after the issuance of approximately 178,527 shares of Conexant common stock in the merger in exchange for outstanding shares of GlobespanVirata common stock.

(m) Reflects the elimination of GlobespanVirata's deficit, treasury stock, other shareholders' equity accounts, and net intangible assets and goodwill.

(n) Reflects reclassification adjustments necessary to conform the pro forma combined balance sheet to Conexant's presentation.

(o) Represents the elimination of the estimated fair value of Conexant common stock held by GlobespanVirata at September 30, 2003. GlobespanVirata obtained this stock as part of the consideration in Conexant's acquisition of GlobespanVirata's iCompression business in June 2002. GlobespanVirata liquidated these equity securities at their carrying value in the open market prior to November 3, 2003. These shares are deemed to be canceled for accounting purposes at September 30, 2003.

AGREEMENT AND PLAN OF REORGANIZATION

AGREEMENT AND PLAN OF REORGANIZATION, dated as of November 3, 2003, as amended as of January 15, 2004 (this *Agreement*), by and among CONEXANT SYSTEMS, INC., a Delaware corporation (*Conexant*), CONCENTRIC SUB, INC., a Delaware corporation and a wholly-owned subsidiary of Conexant (*Concentric Sub*), and GLOBESPANVIRATA, INC., a Delaware corporation (*GlobespanVirata*).

WITNESSETH:

WHEREAS, the Boards of Directors of Conexant and GlobespanVirata deem it advisable and in the best interests of each corporation and its respective stockholders that Conexant and GlobespanVirata enter into a strategic merger in order to advance the long-term strategic business interests of Conexant and GlobespanVirata;

WHEREAS, the Boards of Directors of Conexant, GlobespanVirata and Concentric Sub have determined to consummate such strategic merger by means of the business combination transaction provided for herein in which Concentric Sub will, subject to the terms and conditions set forth herein, merge with and into GlobespanVirata (the *Merger*), with GlobespanVirata being the surviving corporation (hereinafter sometimes referred to in such capacity as the *Surviving Corporation*) in the Merger as a wholly-owned subsidiary of Conexant;

WHEREAS, the parties desire to make certain representations, warranties and agreements in connection with the Merger and also to prescribe certain conditions to the Merger; and

WHEREAS, capitalized terms used in this Agreement will have the respective meanings set forth (i) in Section 8.11 or (ii) in the Sections of this Agreement set forth opposite such terms in Section 8.11.

NOW, THEREFORE, in consideration of the foregoing and the respective representations, warranties, covenants and agreements set forth in this Agreement, and intending to be legally bound hereby, the parties hereto agree as follows:

ARTICLE I

THE MERGER

SECTION 1.1 *The Merger.* Upon the terms and conditions of this Agreement, and in accordance with the General Corporation Law of the State of Delaware (the *DGCL*), at the Effective Time, Concentric Sub shall merge with and into GlobespanVirata. GlobespanVirata shall be the surviving corporation in the Merger and shall continue its corporate existence under the laws of the State of Delaware under the name GlobespanVirata, Inc. . Upon consummation of the Merger, the separate corporate existence of Concentric Sub shall terminate and GlobespanVirata shall become a wholly-owned subsidiary of Conexant.

SECTION 1.2 *Closing.* The closing of the Merger (the *Closing*) will take place as soon as practicable, but in any event within three Business Days, after the satisfaction or waiver (subject to Applicable Laws) of the conditions (excluding conditions that, by their nature, cannot be satisfied until the Closing Date) set forth in Article VI, unless this Agreement has been theretofore terminated pursuant to its terms or unless another time or date is agreed to in writing by the parties hereto (the actual time and date of the Closing being referred to herein as the *Closing Date*). The Closing shall be held at the offices of Chadbourne & Parke LLP, 30 Rockefeller Plaza, New York, New York 10112, unless another place is agreed to in writing by the parties hereto.

SECTION 1.3 *Effective Time.* The Merger shall become effective as set forth in the certificate of merger (the *Certificate of Merger*) that shall be filed with the Secretary of State of the State of Delaware (the *Delaware Secretary*) on the Closing Date. The term *Effective Time* shall mean the date and time when the Merger becomes effective, as set forth in the Certificate of Merger.

Edgar Filing: CONEXANT SYSTEMS INC - Form S-4/A

SECTION 1.4 *Effect of the Merger.* At and after the Effective Time, the Merger shall have the effect set forth in the DGCL.

SECTION 1.5 *Conversion of GlobespanVirata Common Stock.* At the Effective Time, by virtue of the Merger and without any action on the part of Conexant, GlobespanVirata, Concentric Sub or the holders of any capital stock of Conexant, GlobespanVirata or Concentric Sub:

(a) Subject to Section 2.2(e), each share of common stock, par value \$.001 per share, of GlobespanVirata (including the associated GlobespanVirata Rights) (*GlobespanVirata Common Stock*) issued and outstanding immediately prior to the Effective Time, other than shares of GlobespanVirata Common Stock held in GlobespanVirata's treasury or owned by Conexant or any Subsidiary of GlobespanVirata or Conexant, shall be converted into the right to receive 1.198 (the *Exchange Ratio*) shares of common stock, par value \$.01 per share, of Conexant (including the associated Conexant Rights) (*Conexant Common Stock*).

(b) All shares of GlobespanVirata Common Stock converted into the right to receive Conexant Common Stock pursuant to this Article I shall no longer be outstanding and shall automatically be canceled and shall cease to exist as of the Effective Time, and each certificate previously representing any such shares of GlobespanVirata Common Stock (a *Certificate*) shall thereafter represent only the right to receive (i) a certificate (or book-entry credit) representing the number of whole shares of Conexant Common Stock and (ii) cash in lieu of fractional shares of Conexant Common Stock into which the shares of GlobespanVirata Common Stock formerly represented by such Certificate have been converted pursuant to this Section 1.5 and Section 2.2(e). Certificates shall be exchanged for certificates representing whole shares of Conexant Common Stock and cash in lieu of fractional shares issued in consideration therefor upon the surrender of such Certificates in accordance with Section 2.2, without any interest thereon. If, between the date hereof and the Effective Time, the outstanding shares of GlobespanVirata Common Stock or Conexant Common Stock shall have been increased, decreased, or changed into or exchanged for a different number or kind of shares or securities as a result of a reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock split or other similar change in capitalization, an appropriate and proportionate adjustment shall be made to the Exchange Ratio.

(c) All shares of GlobespanVirata Common Stock held in GlobespanVirata's treasury or owned by Conexant or any Subsidiary of GlobespanVirata or Conexant shall be canceled and shall cease to exist, and no shares of Conexant Common Stock or other consideration shall be delivered in exchange therefor.

SECTION 1.6 *Conversion of Concentric Sub Common Stock.* At the Effective Time, each share of common stock, par value \$.01 per share, of Concentric Sub (*Concentric Sub Common Stock*) issued and outstanding immediately prior to the Effective Time shall be converted into and become an issued and outstanding share of common stock of the Surviving Corporation.

SECTION 1.7 *Options and Warrants.*

(a) At or prior to the Effective Time, Conexant and GlobespanVirata will take all action necessary such that each GlobespanVirata Stock Option (other than any Specified GlobespanVirata Stock Option (as defined below)) and GlobespanVirata Warrant that is outstanding and unexercised immediately prior thereto shall cease to represent a right to acquire shares of GlobespanVirata Common Stock and shall be converted into an option or warrant, as applicable, to purchase shares of Conexant Common Stock in an amount and at an exercise price (in the case of a GlobespanVirata Stock Option) and at a purchase price (in the case of the GlobespanVirata Warrant) determined as provided below (and otherwise subject to the terms of the appropriate GlobespanVirata Stock Plan pursuant to which such option has been issued and the agreements evidencing grants thereunder or otherwise subject to the terms of the GlobespanVirata Warrant, as applicable):

(i) The number of shares of Conexant Common Stock to be subject to the new option or the new warrant, as applicable, shall be equal to the product of the number of shares of GlobespanVirata

Common Stock subject to the original option or the original warrant, as applicable, multiplied by the Exchange Ratio, provided that any fractional shares of Conexant Common Stock resulting from such multiplication shall be rounded to the nearest whole share; and

(ii) The exercise price or purchase price, as applicable, per share of Conexant Common Stock under the new option or the new warrant, as applicable, shall be equal to the exercise price per share of GlobespanVirata Common Stock under the original option (or, in the case of a warrant, the purchase price per share of GlobespanVirata Common Stock under the original warrant) divided by the Exchange Ratio, provided that such exercise price (or purchase price) shall be rounded to the nearest whole cent.

(b) The adjustment provided herein with respect to any options that are incentive stock options (as defined in Section 422 of the Internal Revenue Code of 1986, as amended (the *Code*)) shall be and is intended to be effected in a manner that is consistent with Section 424(a) of the Code. The duration and other terms of the new option shall be the same as the original option, except that all references to GlobespanVirata shall be deemed to be references to Conexant (but taking into account any changes thereto, including acceleration thereof, provided for in the GlobespanVirata Stock Plans by reason of this Agreement or the transactions contemplated hereby).

(c) Prior to the Effective Time, Conexant and GlobespanVirata will take all action necessary or appropriate so that each GlobespanVirata Stock Option with an exercise price of \$20 or more per share issued under any of the GlobespanVirata Stock Plans set forth in Schedule 1 to this Agreement held by each person who immediately prior to the Effective Time is an employee of GlobespanVirata or one of its direct or indirect subsidiaries or a director of GlobespanVirata and who immediately after the Effective Time will be an employee of Conexant or one of its direct or indirect subsidiaries or a director of Conexant (a *Specified GlobespanVirata Stock Option*) will, pursuant to this Section 1.7(c) and the applicable GlobespanVirata Stock Plan under which it was granted, become fully exercisable and vested and, if not exercised prior to the Effective Time, will automatically expire immediately prior to the Effective Time. Holders of Specified GlobespanVirata Stock Options will receive from GlobespanVirata immediately prior to the Effective Time a cash payment in respect of their expired Specified GlobespanVirata Stock Options in an amount determined as set forth in Schedule 1 to this Agreement.

SECTION 1.8 *Certificate of Incorporation.* At the Effective Time, the certificate of incorporation of Concentric Sub (the *Concentric Sub Certificate*) shall be the certificate of incorporation of the Surviving Corporation, until thereafter amended in accordance with the terms thereof and Applicable Laws.

SECTION 1.9 *By-Laws.* At the Effective Time, the by-laws of Concentric Sub (the *Concentric Sub By-Laws*) shall be the by-laws of the Surviving Corporation until thereafter amended in accordance with the terms thereof, the Concentric Sub Certificate and Applicable Laws.

SECTION 1.10 *Officers and Directors.* At the Effective Time, the officers and directors of Concentric Sub shall be the officers and directors of the Surviving Corporation, in each case, until their respective successors are duly elected and qualified.

SECTION 1.11 *Tax Consequences.* It is intended that the Merger shall constitute a reorganization within the meaning of Section 368(a) of the Code and that this Agreement shall constitute a plan of reorganization for the purposes of Sections 354 and 361 of the Code.

ARTICLE II

EXCHANGE OF SHARES

SECTION 2.1 *Conexant to Make Shares Available.* From time to time, prior to, at or after the Effective Time, Conexant shall deposit, or shall cause to be deposited, with a bank or trust company reasonably acceptable to Conexant and GlobespanVirata (the *Exchange Agent*), for the benefit of the holders of the Certificates, for exchange in accordance with this Article II, certificates representing the shares of Conexant Common Stock to be issued pursuant to Section 1.5 and delivered pursuant to

Section 2.2(a) in exchange for Certificates (such certificates for shares of Conexant Common Stock, together with any dividends or distributions with respect thereto, the *Exchange Fund*).

SECTION 2.2 *Exchange of Shares.*

(a) As soon as reasonably practicable after the Effective Time, the Exchange Agent shall mail to each holder of record of one or more Certificates a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Exchange Agent, and which shall be in customary form and have such other provisions as Conexant or GlobespanVirata may reasonably request) and instructions for use in effecting the surrender of Certificates in exchange for certificates representing the shares of Conexant Common Stock (and any cash in lieu of fractional shares) into which the shares of GlobespanVirata Common Stock formerly represented by such Certificate or Certificates shall have been converted pursuant to this Agreement. Upon proper surrender of a Certificate for exchange and cancellation to the Exchange Agent, together with such properly completed letter of transmittal, duly executed, and such other documents as may reasonably be required by the Exchange Agent, the holder of such Certificate shall be entitled to receive in exchange therefor, (i) the number of shares of Conexant Common Stock (which shall be in uncertificated book-entry form unless a physical certificate is requested) representing that number of whole shares of Conexant Common Stock to which such holder shall have become entitled pursuant to the provisions of Article I and (ii) a check representing the amount of any cash in lieu of fractional shares of Conexant Common Stock that such holder has the right to receive in respect of the Certificate surrendered pursuant to the provisions of this Article II, and the Certificate so surrendered shall forthwith be canceled. No interest will be paid or accrued on any cash in lieu of fractional shares or on any unpaid dividends and distributions payable to holders of Certificates.

(b) No dividends or other distributions declared or made with respect to Conexant Common Stock shall be paid to the holder of any unsurrendered Certificate (and no cash payment in lieu of fractional shares of Conexant Common Stock shall be paid to any such holder pursuant to Section 2.2(e)) until the holder thereof shall surrender such Certificate in accordance with this Article II. Subject to the effect of Applicable Laws, following surrender of any Certificate, there shall be paid to the holder of shares of Conexant Common Stock issuable in exchange therefor, without interest, (a) promptly after the time of such surrender, the amount of any cash payable in lieu of fractional shares of Conexant Common Stock to which such holder is entitled pursuant to Section 2.2(e) and the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to such whole shares of Conexant Common Stock and (b) at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to such surrender and a payment date subsequent to such surrender payable with respect to such whole shares of Conexant Common Stock.

(c) If any certificate representing shares of Conexant Common Stock is to be issued in a name other than that in which the Certificate surrendered in exchange therefor is registered, it shall be a condition of the issuance thereof that the Certificate so surrendered shall be properly endorsed (or accompanied by an appropriate instrument of transfer) and otherwise in proper form for transfer, and that the person requesting such exchange shall pay to the Exchange Agent in advance any transfer or other taxes required by reason of the issuance of a certificate representing shares of Conexant Common Stock in any name other than that of the registered holder of the Certificate surrendered or shall establish to the satisfaction of the Exchange Agent that such tax has been paid or is not payable.

(d) After the Effective Time, there shall be no transfers on the stock transfer books of GlobespanVirata of the shares of GlobespanVirata Common Stock that were issued and outstanding immediately prior to the Effective Time. If, after the Effective Time, Certificates are presented for transfer to the Exchange Agent, they shall be canceled and exchanged for certificates representing shares of Conexant Common Stock (and any cash in lieu of fractional shares) as provided in this Article II.

(e) (i) Notwithstanding anything to the contrary contained herein, no certificates or scrip representing fractional shares of Conexant Common Stock or book-entry credit of the same shall be issued upon the surrender for exchange of Certificates, no dividend or distribution with respect to Conexant

Common Stock shall be payable on or with respect to any such fractional share, and such fractional share interests shall not entitle the owner thereof to vote or to any other rights of a stockholder of Conexant. In lieu of the issuance of any such fractional share, Conexant shall pay to each holder of Certificates who otherwise would be entitled to receive such fractional share an amount in cash determined in the manner provided in clauses (ii) and (iii) of this Section 2.2(e).

(ii) As promptly as practicable following the Effective Time, the Exchange Agent shall determine the excess of (x) the aggregate number of whole shares of Conexant Common Stock into which shares of GlobespanVirata Common Stock have been converted pursuant to Section 1.5 over (y) the aggregate number of whole shares of Conexant Common Stock to be distributed to holders of Certificates pursuant to this Section 2.2 (such excess being herein referred to as the *Excess Shares*). As soon after the Effective Time as practicable, the Exchange Agent, as agent for such holders of Certificates, shall sell the Excess Shares at then prevailing prices on the Nasdaq National Market System, all in the manner provided in clause (iii) of this Section 2.2(e).

(iii) The sale of the Excess Shares by the Exchange Agent shall be executed on the Nasdaq National Market System through one or more member firms of the National Association of Securities Dealers, Inc. and shall be executed in round lots to the extent practicable. Until the net proceeds of any such sale or sales have been distributed to the holders of Certificates, the Exchange Agent will hold such proceeds in trust for such holders as part of the Exchange Fund. Conexant shall pay all commissions, transfer taxes and other out-of-pocket transaction costs of the Exchange Agent incurred in connection with such sale or sales of Excess Shares. In addition, Conexant shall pay the Exchange Agent's compensation and expenses in connection with such sale or sales. The Exchange Agent shall determine the portion of such net proceeds to which each holder of Certificates shall be entitled, if any, by multiplying the amount of the aggregate net proceeds by a fraction, the numerator of which is the amount of the fractional share interest in Conexant Common Stock to which such holder of Certificates is entitled (after taking into account all Certificates then held by such holder) and the denominator of which is the aggregate amount of fractional share interests in Conexant Common Stock to which all holders of Certificates are entitled. As soon as practicable after the determination of the amount of cash, if any, to be paid to holders of Certificates with respect to any fractional share interests in Conexant Common Stock, the Exchange Agent shall promptly pay such amounts to such holders of Certificates subject to and in accordance with this Section 2.2.

(f) Any portion of the Exchange Fund that remains unclaimed by holders of Certificates for twelve months after the Effective Time shall be delivered to Conexant, and any holders of Certificates who have not theretofore complied with this Article II shall thereafter look only to Conexant for payment of the shares of Conexant Common Stock, cash in lieu of any fractional shares of Conexant Common Stock and any unpaid dividends and distributions on the Conexant Common Stock deliverable in respect of each share of GlobespanVirata Common Stock formerly represented by such Certificate as determined pursuant to this Agreement, without any interest thereon. Any such portion of the Exchange Fund remaining unclaimed by holders of Certificates five years after the Effective Time (or such earlier date immediately prior to such time as such amounts would otherwise escheat to or become property of any Governmental Entity) shall, to the extent permitted by Applicable Laws, become the property of Conexant free and clear of any claims or interest of any Person previously entitled thereto.

(g) None of Conexant, Concentric Sub, GlobespanVirata, the Exchange Agent or any other Person shall be liable to any holder of Certificates for any amount delivered in good faith to a public official pursuant to applicable abandoned property, escheat or similar Applicable Laws.

(h) The Exchange Agent shall invest any cash included in the Exchange Fund on a daily basis as directed by Conexant. Any interest and other income resulting from such investments shall be paid to Conexant promptly upon request by Conexant.

(i) In the event any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed, and the posting by such Person of a bond in such amount as Conexant may determine is reasonably necessary as

indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Certificate the shares of Conexant Common Stock (and any cash in lieu of fractional shares) deliverable in respect thereof pursuant to this Agreement.

(j) All references in this Agreement to Certificates shall include any book-entry credits representing shares of GlobespanVirata Common Stock.

SECTION 2.3 *Affiliates.* Notwithstanding anything to the contrary herein, to the fullest extent permitted by law, no certificates representing shares of Conexant Common Stock or cash shall be delivered to a Person who may be deemed an affiliate of GlobespanVirata in accordance with Section 5.15, for purposes of Rule 145 under the Securities Act of 1933, as amended (the *Securities Act*), until such Person has executed and delivered an Affiliate Agreement pursuant to Section 5.15.

ARTICLE III

REPRESENTATIONS AND WARRANTIES

SECTION 3.1 *Representations and Warranties of GlobespanVirata.* Except as set forth in the GlobespanVirata Disclosure Schedule delivered by GlobespanVirata to Conexant prior to the execution of this Agreement (the *GlobespanVirata Disclosure Schedule*) (each section of which qualifies the correspondingly numbered representation and warranty or covenant of GlobespanVirata to the extent specified therein), GlobespanVirata represents and warrants to Conexant as follows:

(a) *Organization, Standing and Power; Subsidiaries.*

(i) Each of GlobespanVirata and its Subsidiaries is a corporation or other organization duly organized, validly existing and in good standing (where applicable) under the laws of its jurisdiction of incorporation or organization, has the requisite power and authority to own, lease and operate its properties and to carry on its business as now being conducted and as it will be conducted through the Effective Time, except where the failure to be so organized, existing and in good standing or to have such power and authority, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on GlobespanVirata and its Subsidiaries, and is duly qualified and in good standing to do business in each jurisdiction in which the nature of its business or the ownership or leasing of its properties makes such qualification necessary, other than in such jurisdictions where the failure so to qualify or to be in good standing, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on GlobespanVirata and its Subsidiaries. The copies of the certificate of incorporation and by-laws of GlobespanVirata which were previously furnished or made available to Conexant are true, complete and correct copies of such documents as in effect on the date of this Agreement.

(ii) Section 3.1(a)(ii) of the GlobespanVirata Disclosure Schedule sets forth a list of all the Subsidiaries of GlobespanVirata which as of the date of this Agreement are Significant Subsidiaries (as defined in Rule 1-02 of Regulation S-X of the Securities and Exchange Commission (the *SEC*)). As of the date of this Agreement, there are no outstanding obligations of GlobespanVirata or any of its Subsidiaries to repurchase, redeem or otherwise acquire any shares of capital stock of GlobespanVirata or any of its Subsidiaries.

(c) *Authority; No Conflicts.*

(i) GlobespanVirata has all requisite corporate power and authority to enter into this Agreement and to consummate the transactions contemplated hereby, subject, in the case of the consummation of the Merger, to the approval and adoption of this Agreement and the Merger by the Required GlobespanVirata Vote. The execution and delivery of this Agreement by GlobespanVirata and the consummation by GlobespanVirata of the transactions contemplated hereby have been duly authorized by all necessary corporate action on the part of GlobespanVirata, subject, in the case of the consummation of the Merger, to the approval and adoption of this Agreement and the Merger by the Required GlobespanVirata Vote. This

Agreement has been duly executed and delivered by GlobespanVirata and, assuming the due authorization and valid execution and delivery of this Agreement by each of Conexant and Concentric Sub, constitutes a valid and binding agreement of GlobespanVirata, enforceable against GlobespanVirata in accordance with its terms, except as may be limited by bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium and similar Applicable Laws relating to or affecting creditors generally or by general equity principles (regardless of whether such enforceability is considered in a proceeding in equity or at law).

(ii) The execution and delivery of this Agreement by GlobespanVirata does not, and the consummation by GlobespanVirata of the Merger and the other transactions contemplated hereby will not, conflict with, or result in any breach or violation of, or constitute a default (with or without notice or lapse of time, or both) under, or give rise to a right of or result by its terms in the termination, amendment, cancellation or acceleration of any obligation or the loss of a material benefit under, or the creation of a Lien, charge, put or call right or other encumbrance on, or the loss of, any assets (any such conflict, breach, violation, default, right of termination, amendment, cancellation or acceleration, loss or creation, a *Violation*) pursuant to: (A) any provision of the certificate of incorporation or by-laws or similar organizational document of GlobespanVirata or any Significant Subsidiary of GlobespanVirata or (B) except as, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on GlobespanVirata and its Subsidiaries or, to the Knowledge of GlobespanVirata, on Conexant and its Subsidiaries following the Merger, subject to obtaining or making the GlobespanVirata Necessary Consents, any loan or credit agreement, note, instrument, mortgage, bond, indenture, lease, benefit plan or other contract, agreement or obligation (a *Contract*) to which GlobespanVirata or any of its Subsidiaries is a party or by which any of them or any of their respective properties or assets is bound, or any permit, concession, franchise, license, judgment, order, decree, statute, law, ordinance, rule or regulation applicable to GlobespanVirata or any Subsidiary of GlobespanVirata or their respective properties or assets.

(iii) No consent, approval, order or authorization of, or registration, declaration or filing with, any supranational, national, state, municipal, local or foreign government, any instrumentality, subdivision, court, administrative agency, department or commission or other authority thereof, or any quasi-governmental or private body exercising any regulatory, taxing, importing or other governmental or quasi-governmental authority (a *Governmental Entity*) or any other Person is required by or with respect to GlobespanVirata or any Subsidiary of GlobespanVirata in connection with the execution and delivery of this Agreement by GlobespanVirata or the consummation by GlobespanVirata of the Merger and the other transactions contemplated hereby, except for those required under or in relation to (A) the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the *HSR Act*), (B) state securities or blue sky laws, (C) the Securities Act, (D) the Securities Exchange Act of 1934, as amended (the *Exchange Act*), (E) the DGCL with respect to the filing of the Certificate of Merger with the Delaware Secretary, (F) the rules and regulations of Nasdaq, (G) antitrust or other competition laws of other jurisdictions, and (H) such consents, approvals, orders, authorizations, registrations, declarations and filings the failure of which to make or obtain, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on GlobespanVirata and its Subsidiaries. Consents, approvals, orders, authorizations, registrations, declarations and filings required under or in relation to any of the foregoing clauses (A) through (G) are hereinafter referred to as the *GlobespanVirata Necessary Consents* .

(d) *Reports and Financial Statements.*

(i) Each of GlobespanVirata and its Subsidiaries has filed all registration statements, prospectuses, reports, schedules, forms, statements and other documents required to be filed by it with the SEC since January 1, 2002 (collectively, including all exhibits thereto, the *GlobespanVirata SEC Reports*). No Subsidiary of GlobespanVirata is required to file any form,

report, registration statement, prospectus or other document with the SEC. None of the GlobespanVirata SEC Reports, as of their respective dates (or, if amended or superseded by a filing prior to the date of this Agreement, then on the date of such filing), contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Each of the financial statements (including the related notes) included in the GlobespanVirata SEC Reports fairly presents, in all material respects, the consolidated financial position and consolidated results of operations and cash flows of GlobespanVirata and its consolidated Subsidiaries as of the respective dates or for the respective periods set forth therein, all in conformity with generally accepted accounting principles (*GAAP*) consistently applied during the periods involved except as otherwise noted therein, and subject, in the case of unaudited interim financial statements, to normal and recurring year-end adjustments that have not been and are not expected to be material in amount. All GlobespanVirata SEC Reports, as of their respective dates (and as of the date of any amendment to the respective GlobespanVirata SEC Report), complied as to form in all material respects with the applicable requirements of the Securities Act and the Exchange Act and the rules and regulations promulgated thereunder.

(ii) Except as disclosed in the GlobespanVirata SEC Reports filed and publicly available prior to the date hereof (the *GlobespanVirata Filed SEC Reports*), since June 30, 2003, GlobespanVirata and its Subsidiaries have not (and since April 4, 2003, the WLAN Business has not) incurred any liabilities that are of a nature that would be required to be disclosed on a balance sheet of GlobespanVirata and its Subsidiaries or the footnotes thereto prepared in conformity with GAAP, other than (A) liabilities incurred in the ordinary course of business consistent with past practice or (B) liabilities that, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on GlobespanVirata and its Subsidiaries.

(iii) Set forth in Section 3.1(d)(iii) of the GlobespanVirata Disclosure Schedule are (A) the audited balance sheets of the WLAN Business as at January 3, 2003, December 28, 2001 and December 29, 2000, together with the related audited statements of operations, product group equity and cash flows for the fiscal years then ended, accompanied by the notes thereto and the report of Ernst & Young LLP, and (B) the unaudited balance sheet of the WLAN Business as at April 4, 2003 and the related unaudited statement of revenues, costs and related expenses, depreciation and capital expenditures for the three months then ended (collectively, the *WLAN Financial Information*). The WLAN Financial Information was derived from the internal books and records of Intersil Corporation (*Intersil*) and was prepared in a manner consistent with Intersil's then current accounting practices with respect to the WLAN Business. The WLAN Financial Information is complete and accurate, is presented in accordance with GAAP, applied on a consistent basis throughout the periods indicated, and presents fairly, in all material respects, the financial position and the results of operations of the WLAN Business for the periods indicated in the manner set forth in Section 3.1(d)(iii) of the GlobespanVirata Disclosure Schedule, except for the omission of certain information required to be included in footnotes to the interim financial statements, which footnotes were not prepared by GlobespanVirata or Intersil. GlobespanVirata makes no other representations with regard to the WLAN Financial Information. Without limiting any of the foregoing, Conexant acknowledges that the WLAN Financial Information was prepared solely for the purpose of the WLAN Acquisition Agreement and that the WLAN Business was not conducted on a stand-alone basis as a separate entity during the periods indicated in the WLAN Financial Information and that the WLAN Financial Information includes allocations and estimates not necessarily indicative of the costs that would have resulted if the WLAN Business had been operated and conducted on a stand-alone basis as a separate entity during such periods.

(e) *Information Supplied.*

(i) None of the information supplied or to be supplied by GlobespanVirata for inclusion or incorporation by reference in (A) the Form S-4 will, at the time the Form S-4 is filed with the

SEC, at any time it is amended or supplemented or at the time it becomes effective under the Securities Act, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and (B) the Joint Proxy Statement/Prospectus will, on the date it is first mailed to Conexant stockholders or GlobespanVirata stockholders or at the time of the Conexant Stockholders Meeting or the GlobespanVirata Stockholders Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The Form S-4 and the Joint Proxy Statement/Prospectus will comply as to form in all material respects with the requirements of the Exchange Act and the Securities Act and the rules and regulations of the SEC thereunder.

(ii) Notwithstanding the foregoing provisions of this Section 3.1(e), no representation or warranty is made by GlobespanVirata with respect to statements made or incorporated by reference in the Form S-4 or the Joint Proxy Statement/Prospectus based on information supplied by Conexant or Concentric Sub for inclusion or incorporation by reference therein.

(f) *Board Approval.* The Board of Directors of GlobespanVirata, by resolutions duly adopted by unanimous vote of all directors present at a meeting duly called and held and, other than as set forth in Section 5.8, not subsequently rescinded or modified in any way, has duly (i) determined that this Agreement and the Merger are advisable and in the best interests of GlobespanVirata and its stockholders, (ii) approved this Agreement and the Merger, (iii) resolved to recommend that the stockholders of GlobespanVirata approve and adopt this Agreement and the Merger and directed that the Merger and this Agreement be submitted for consideration by GlobespanVirata's stockholders at the GlobespanVirata Stockholders Meeting and (iv) taken all other action necessary to render any limitations on business combinations similar to those contained in Section 203 of the DGCL inapplicable to the transactions contemplated hereby. Pursuant to Article XII of the Restated Certificate of Incorporation of GlobespanVirata, the limitations on business combinations contained in Section 203 of the DGCL do not apply to GlobespanVirata. To the Knowledge of GlobespanVirata, no state takeover statute is applicable or purports to be applicable to the Merger or the other transactions contemplated hereby.

(g) *Vote Required.* The affirmative vote of the holders of a majority of the outstanding shares of GlobespanVirata Common Stock (the *Required GlobespanVirata Vote*) to approve and adopt this Agreement and the Merger is the only vote of the holders of any class or series of GlobespanVirata capital stock necessary to approve or adopt this Agreement and the Merger and the other transactions contemplated hereby.

(h) *Litigation; Compliance with Laws.*

(i) Except as set forth in the GlobespanVirata Filed SEC Reports, there is no suit, action, proceeding or regulatory investigation pending or, to the Knowledge of GlobespanVirata, threatened, against or affecting GlobespanVirata or any of its Subsidiaries or any property or asset of GlobespanVirata or any of its Subsidiaries which, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect on GlobespanVirata and its Subsidiaries, nor is there any judgment, decree, injunction, rule or order of any Governmental Entity or arbitrator outstanding against GlobespanVirata or any of its Subsidiaries which, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect on GlobespanVirata and its Subsidiaries.

(ii) Except as, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on GlobespanVirata and its Subsidiaries, GlobespanVirata and its Subsidiaries hold all permits, licenses, franchises, variances, exemptions, orders and approvals of all Governmental Entities which are necessary for the operation of the businesses of GlobespanVirata and its Subsidiaries (the *GlobespanVirata Permits*), and no suspension or

cancellation of any of the GlobespanVirata Permits is pending or, to the Knowledge of GlobespanVirata, threatened, except for suspensions or cancellations which, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on GlobespanVirata and its Subsidiaries. GlobespanVirata and its Subsidiaries are in compliance with the terms of the GlobespanVirata Permits, except where the failure so to comply, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on GlobespanVirata and its Subsidiaries. None of GlobespanVirata or any of its Subsidiaries is in violation of, and GlobespanVirata and its Subsidiaries have not received any notices of violations with respect to, any Applicable Laws, except for violations which, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on GlobespanVirata and its Subsidiaries.

(i) *Absence of Certain Changes or Events.* Except as set forth in the GlobespanVirata Filed SEC Reports, since June 30, 2003, GlobespanVirata and its Subsidiaries have conducted their businesses only in the ordinary course, consistent with past practice, and there has not been any change, circumstance, event or development which, individually or in the aggregate, has had, or would reasonably be expected to have, a Material Adverse Effect on GlobespanVirata and its Subsidiaries. Since April 4, 2003, the WLAN Business has been conducted in the ordinary course, consistent with past practice, and there has not been any change, circumstance, event or development in the WLAN Business which, individually or in the aggregate, has had, or would reasonably be expected to have, a Material Adverse Effect on GlobespanVirata and its Subsidiaries.

(j) *Environmental Matters.* Except as set forth in the GlobespanVirata Filed SEC Reports and except as, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on GlobespanVirata and its Subsidiaries, (i) the operations of GlobespanVirata and its Subsidiaries have been and are in compliance with all Environmental Laws and with all GlobespanVirata Permits required by Environmental Laws, (ii) there are no pending or, to the Knowledge of GlobespanVirata, threatened, actions, suits, claims, investigations or other proceedings (collectively, *Actions*) under or pursuant to Environmental Laws against GlobespanVirata or its Subsidiaries or involving any real property currently or, to the Knowledge of GlobespanVirata, formerly owned, operated or leased by GlobespanVirata or its Subsidiaries and (iii) GlobespanVirata and its Subsidiaries have not incurred any Environmental Liabilities, and, to the Knowledge of GlobespanVirata, no facts, circumstances or conditions relating to, arising from, associated with or attributable to any real property currently or, to the Knowledge of GlobespanVirata, formerly owned, operated or leased by GlobespanVirata or its Subsidiaries or operations thereon would reasonably be expected to result in Environmental Liabilities.

As used in this Agreement, *Environmental Laws* means any and all foreign, federal, state, local or municipal laws, rules, orders, regulations, statutes, ordinances, codes, decisions, injunctions, orders, decrees, requirements of any Governmental Entity, any and all common law requirements, rules and bases of liability regulating, relating to or imposing liability or standards of conduct concerning pollution, Hazardous Materials or protection of human health, safety or the environment, as in effect on or prior to the Closing Date and includes the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. As used in this Agreement, *Environmental Liabilities* with respect to any Person means any and all liabilities of or relating to such Person or any of its Subsidiaries (including any entity which is, in whole or in part, a predecessor of such Person or any of such Subsidiaries), whether vested or unvested, contingent or fixed, actual or potential, known or unknown, which (i) arise under or relate to matters covered or

regulated by, or for which liability is imposed under, Environmental Laws and (ii) relate to actions occurring or conditions existing on or prior to the Closing Date. As used in this Agreement, *Hazardous Materials* means any hazardous or toxic substances, materials or wastes, defined, listed, classified or regulated in or for which liability or responsibility is imposed under any Environmental Laws and which includes petroleum, petroleum products, friable asbestos, urea formaldehyde and polychlorinated biphenyls.

(k) *Intellectual Property*. Except as set forth in the GlobespanVirata Filed SEC Reports: (i) GlobespanVirata and each of its Subsidiaries owns, or is licensed to use (in each case, free and clear of any Liens), all material Intellectual Property used in or necessary for the conduct of its business as currently conducted; (ii) to the Knowledge of GlobespanVirata, the use of any Intellectual Property by GlobespanVirata and its Subsidiaries does not infringe on or otherwise violate, and is not alleged to infringe or otherwise violate, the rights of any Person; (iii) the use of third party Intellectual Property by GlobespanVirata and its Subsidiaries is in accordance with the applicable license pursuant to which GlobespanVirata or any of its Subsidiaries acquired the right to use such Intellectual Property, which license is valid and in effect; (iv) to the Knowledge of GlobespanVirata, no Person is challenging, infringing on or otherwise violating any material right of GlobespanVirata or any of its Subsidiaries with respect to any Intellectual Property owned by and/or licensed to GlobespanVirata or its Subsidiaries; (v) there are no pending claims, orders or proceedings with respect to either any Intellectual Property owned by GlobespanVirata and any of its Subsidiaries, or to the Knowledge of GlobespanVirata, any other Intellectual Property used by GlobespanVirata and its Subsidiaries; and (vi) to the Knowledge of GlobespanVirata, no Intellectual Property owned and/or licensed by GlobespanVirata or its Subsidiaries is being used or enforced in a manner that would reasonably be expected to result in the abandonment, cancellation or unenforceability either of such Intellectual Property or of GlobespanVirata's and its Subsidiaries' rights to use such Intellectual Property. For purposes of this Agreement, *Intellectual Property* shall mean trademarks, service marks, brand names, certification marks, trade dress and other indications of origin, the goodwill associated with the foregoing and registrations in any jurisdiction of, and applications in any jurisdiction to register, the foregoing, including any extension, modification or renewal of any such registration or application; inventions, discoveries and ideas, whether patentable or not, in any jurisdiction; patents, applications for patents (including, without limitation, divisions, continuations, continuations in part and renewal applications), and any renewals, extensions or reissues thereof, in any jurisdiction; nonpublic information, trade secrets and confidential information and rights in any jurisdiction to limit the use or disclosure thereof by any Person; writings and other works, whether copyrightable or not, in any jurisdiction; and registrations or applications for registration of copyrights in any jurisdiction, and any renewals or extensions thereof; publicity and privacy rights; and any similar intellectual property or proprietary rights.

(l) *GlobespanVirata Rights Agreement*. GlobespanVirata has taken all action necessary or appropriate so that the execution of this Agreement and consummation of the transactions contemplated hereby does not and will not result in the ability of any Person to exercise any GlobespanVirata Rights under the Rights Agreement dated as of July 5, 2002 between GlobespanVirata and American Stock Transfer & Trust Company, as Rights Agent (the *GlobespanVirata Rights Agreement*), or enable or require such GlobespanVirata Rights to separate from the shares of GlobespanVirata Common Stock to which they are attached or to be triggered or become exercisable. No Distribution Date or 15% Ownership Date (each as defined in the GlobespanVirata Rights Agreement) has occurred. Copies of the GlobespanVirata Rights Agreement, and all amendments thereto, have previously been provided to Conexant.

(m) *Brokers or Finders*. No agent, broker, investment banker, financial advisor or other firm or Person is or will be entitled to any broker's or finder's fee or any other similar commission or fee in connection with any of the transactions contemplated by this Agreement based upon arrangements made by or on behalf of GlobespanVirata or any of its Subsidiaries, except Morgan Stanley & Co., Incorporated (the *GlobespanVirata Financial Advisor*), whose fees and expenses will be paid by

(o) *Taxes.*

(i) Each of GlobespanVirata and its Subsidiaries has timely filed or has caused to be timely filed all Tax Returns required to be filed by it and all such Tax Returns are complete and correct in all respects, or requests for extensions to file such Tax Returns have been timely filed, granted and have not expired, except to the extent that such failure to file, to be complete or correct or to have any extension granted that remains in effect, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on GlobespanVirata and its Subsidiaries. GlobespanVirata and each of its Subsidiaries have paid or caused to be paid all Taxes required to be paid by it, and has paid all Taxes that it was required to withhold from amounts owing to any employee, creditor or third party, except to the extent that any failure to pay such Taxes would not reasonably be expected to have a Material Adverse Effect on GlobespanVirata and its Subsidiaries. There are no Liens for Taxes upon the assets of GlobespanVirata or any of its Subsidiaries, other than Liens for current Taxes not yet due or Liens for Taxes that are being contested in good faith by appropriate proceedings and Liens for Taxes that would not reasonably be expected to have a Material Adverse Effect on GlobespanVirata and its Subsidiaries.

(ii) There are no pending, or to the Knowledge of GlobespanVirata, threatened, Tax audits, examinations or investigations, and no deficiencies for any Taxes have been proposed, asserted or assessed in writing against GlobespanVirata or any of its Subsidiaries, except for deficiencies that, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on GlobespanVirata and its Subsidiaries.

(iii) None of GlobespanVirata or any of its Subsidiaries has taken any action, and GlobespanVirata has no Knowledge of any fact, agreement, plan or other circumstance, that is reasonably likely to prevent the Merger from qualifying as a reorganization within the meaning of Section 368(a) of the Code.

(iv) Within the past five years, none of GlobespanVirata or any of its Subsidiaries has been a distributing corporation or a controlled corporation within the meaning of Section 355(a)(i)(A) of the Code in a distribution intended to qualify under Section 355(a) of the Code.

(v) None of GlobespanVirata or any of its Subsidiaries has agreed to make, nor is required to make, any material adjustment under Section 481(a) of the Code or any similar provision of state, local or foreign law by reason of a change in accounting methods or otherwise.

(vi) None of GlobespanVirata or any of its Subsidiaries has any liability for Taxes of any Person as a result of being a member of an affiliated, consolidated, combined or unitary group (other than GlobespanVirata and its Subsidiaries) under Treasury Reg. §1.1502-6 (or any comparable provision of state, local or foreign law), or is bound by or has any obligation under any Tax sharing arrangement, Tax indemnification arrangement or similar contract or arrangement, except as would not reasonably be expected to have a Material Adverse Effect on GlobespanVirata and its Subsidiaries.

(p) *Certain Contracts.* As of the date hereof, none of GlobespanVirata or any of its Subsidiaries is a party to or bound by (i) any material contract (as such term is defined in Item 601(b)(10) of Regulation S-K of the SEC), (ii) any non-competition agreement or any other agreement or arrangement that limits or otherwise restricts GlobespanVirata or any of its Subsidiaries or any of their respective affiliates or any successor thereto, or that would, after the Effective Time, to

the Knowledge of GlobespanVirata, limit or restrict Conexant or any of its Subsidiaries or any of their respective affiliates or any successor thereto, from engaging or competing in any line of business or in any geographic area, which agreement or arrangement would reasonably be expected to have a Material Adverse Effect on Conexant and its Subsidiaries, after giving effect to the Merger, (iii) any employee benefit plan, employee contract with a senior executive or any other material contract, any of the benefits of which will be increased, or the vesting of the benefits of which will be accelerated, by the occurrence of any of the transactions contemplated by this Agreement or the value of any of the benefits of which will be calculated on the basis of any of the transactions contemplated by this Agreement or (iv) any Contract which would prohibit or materially delay the consummation of the Merger or any of the transactions contemplated by this Agreement. All material contracts (as defined in clause (i) above) set forth in Section 3.1(p) of the GlobespanVirata Disclosure Schedule are valid and binding on GlobespanVirata and its Subsidiaries, as applicable, and in full force and effect except to the extent they have previously expired in accordance with their terms or if the failure to be in full force and effect, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on GlobespanVirata and its Subsidiaries. None of GlobespanVirata or any of its Subsidiaries or, to the Knowledge of GlobespanVirata, any other party thereto has violated any provision of, or committed or failed to perform any act which with or without notice, lapse of time or both would constitute a default under the provisions of, any material contract (as defined in clause (i) above) set forth in Section 3.1(p) of the GlobespanVirata Disclosure Schedule, except in each case for those violations and defaults which, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on GlobespanVirata and its Subsidiaries.

(q) Employee Benefits.

(i) With respect to each GlobespanVirata Plan, except for GlobespanVirata Plans the liabilities under which, individually or in the aggregate, would not have a Material Adverse Effect on GlobespanVirata and its Subsidiaries, GlobespanVirata has made available to Conexant a true, correct and complete copy of: (A) all plan documents, trust agreements, and insurance contracts and other funding vehicles; (B) the three most recent Annual Reports (Form 5500 Series) and accompanying schedules and exhibits, if any; (C) the current summary plan description and any material modifications thereto, if any (in each case, whether or not required to be furnished under ERISA); (D) the three most recent annual financial reports, if any; (E) the three most recent actuarial reports, if any; (F) the most recent determination letter from the IRS, if any; and (G) the annual compliance testing under Sections 401(a) through 416 of the Code for the three most recently completed plan years.

(ii) With respect to each GlobespanVirata Plan, GlobespanVirata and its Subsidiaries have complied with, and are now in compliance with, all provisions of ERISA, the Code and all other Applicable Laws and regulations applicable to such GlobespanVirata Plans and each GlobespanVirata Plan has been administered in accordance with its terms, in each case except as would not have a Material Adverse Effect on GlobespanVirata and its Subsidiaries. Each GlobespanVirata Plan that is required by ERISA to be funded is fully funded in accordance with reasonable actuarial assumptions, except as would not have a Material Adverse Effect on GlobespanVirata and its Subsidiaries.

(iii) All GlobespanVirata Plans subject to the Applicable Laws of any jurisdiction outside of the United States (A) have been maintained in accordance with all applicable requirements, (B) if they are intended to qualify for special tax treatment meet all requirements for such treatment, and (C) if they are intended to be funded and/or book-reserved are fully funded and/or book-reserved, as appropriate, based upon reasonable actuarial assumptions, in each case except as would not have a Material Adverse Effect on GlobespanVirata and its Subsidiaries.

(iv) None of GlobespanVirata or any of its Subsidiaries has any liability or obligation in respect of any Multiemployer Plan.

(v) Neither the execution and delivery of this Agreement nor the consummation of the transactions contemplated hereby will (either alone or in conjunction with any other act) result in, cause the accelerated vesting or delivery of, or increase the amount or value of, any payment, option, award or benefit (including any excess parachute payment within the meaning of Section 280G of the Code) to any director or employee of GlobespanVirata or any of its Subsidiaries, or require the funding of any rabbi trust or similar trust.

(r) *Labor Relations.* As of the date of this Agreement, (i) none of GlobespanVirata or any of its Subsidiaries is a party to any collective bargaining agreement, (ii) except as would not have a Material Adverse Effect on GlobespanVirata and its Subsidiaries, no labor organization or group of employees of GlobespanVirata or any of its Subsidiaries has made a pending demand for recognition or certification, and there are no representation or certification proceedings or petitions seeking a representation proceeding presently pending or, to the Knowledge of GlobespanVirata, threatened to be brought or filed, with the National Labor Relations Board or any other domestic or foreign labor relations tribunal or authority and (iii) except as would not have a Material Adverse Effect on GlobespanVirata and its Subsidiaries, there are no organizing activities, strikes, work stoppages, slowdowns, lockouts, arbitrations or grievances, or other labor disputes pending or, to the Knowledge of GlobespanVirata, threatened against or involving GlobespanVirata or any of its Subsidiaries.

SECTION 3.2 *Representations and Warranties of Conexant.* Except as set forth in the Conexant Disclosure Schedule delivered by Conexant to GlobespanVirata prior to the execution of this Agreement (the *Conexant Disclosure Schedule*) (each section of which qualifies the correspondingly numbered representation and warranty or covenant of Conexant to the extent specified therein), Conexant represents and warrants to GlobespanVirata as follows:

(a) *Organization, Standing and Power; Subsidiaries.*

(i) Each of Conexant and its Subsidiaries is a corporation or other organization duly organized, validly existing and in good standing (where applicable) under the laws of its jurisdiction of incorporation or organization, has the requisite power and authority to own, lease and operate its properties and to carry on its business as now being conducted and as it will be conducted through the Effective Time, except where the failure to be so organized, existing and in good standing or to have such power and authority, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on Conexant and its Subsidiaries, and is duly qualified and in good standing to do business in each jurisdiction in which the nature of its business or the ownership or leasing of its properties makes such qualification necessary, other than in such jurisdictions where the failure so to qualify or to be in good standing, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on Conexant and its Subsidiaries. The copies of the certificate of incorporation and by-laws of Conexant which were previously furnished or made available to GlobespanVirata are true, complete and correct copies of such documents as in effect on the date of this Agreement.

(ii) Section 3.2(a)(ii) of the Conexant Disclosure Schedule sets forth a list of all Subsidiaries of Conexant which as of the date of this Agreement are Significant Subsidiaries (as defined in Rule 1-02 of Regulation S-X of the SEC). All the outstanding shares of capital stock of, or other equity interests in, each such Significant Subsidiary have been validly issued and are fully paid and nonassessable and are owned directly or indirectly by Conexant, free and clear of all material Liens and free of any other material restriction (including any restriction on the right to vote, sell or otherwise dispose of such capital stock or other equity interests). None of Conexant or any of its Subsidiaries directly or indirectly owns any equity or similar interest in, or any interest convertible into or exchangeable or exercisable for any equity or similar interest in, any corporation, partnership, joint venture or other business association or entity (other than Subsidiaries) that is or would reasonably be expected to be material to Conexant and its Subsidiaries taken as a whole.

(b) *Capital Structure.*

(i) The authorized capital stock of Conexant consists of 1,000,000,000 shares of Conexant Common Stock and 25,000,000 shares of preferred stock, without par value (*Conexant Preferred Stock*), 1,500,000 shares of which are designated as Series A Junior Participating Preferred Stock and one share of which is designated as Series B Voting Preferred Stock. As of October 28, 2003, (i) 276,615,467 shares of Conexant Common Stock and (ii) no shares of Conexant Preferred Stock were issued and outstanding. (the *Jazz Warrant*) and (E) rights to acquire shares of Conexant Common Stock pursuant to the Conexant ESPP. Section 3.2(b)(i) of the Conexant Disclosure Schedule sets forth a complete and correct list as of October 24, 2003 of all outstanding Conexant Stock Options and the exercise prices thereof.

(ii) No bonds, debentures, notes or other indebtedness of Conexant having the right to vote on any matters on which stockholders of Conexant may vote (*Conexant Voting Debt*) are issued or outstanding.

(iii) Except as otherwise set forth in this Section 3.2(b), as of the date of this Agreement, there are no securities, options, warrants, calls, rights, commitments, agreements, arrangements or undertakings of any kind to which Conexant or any of its Subsidiaries is a party or by which any of them is bound obligating Conexant or any of its Subsidiaries to issue, deliver or sell, or cause to be issued, delivered or sold, additional shares of capital stock or other voting securities of Conexant or any of its Subsidiaries or obligating Conexant or any of its Subsidiaries to issue, grant, extend or enter into any such security, option, warrant, call, right, commitment, agreement, arrangement or undertaking. As of the date of this Agreement, there are no outstanding

obligations of Conexant or any of its Subsidiaries to repurchase, redeem or otherwise acquire any shares of capital stock of Conexant or any of its Subsidiaries.

(iv) All shares of Conexant Common Stock to be issued in connection with the Merger will be duly authorized, validly issued, fully paid and nonassessable and free of preemptive rights.

(c) *Authority; No Conflicts.*

(i) Conexant has all requisite corporate power and authority to enter into this Agreement and to consummate the transactions contemplated hereby, subject, in the case of the consummation of the Merger, to the approval of the issuance of Conexant Common Stock in the Merger pursuant to this Agreement by the Required Conexant Vote. The execution and delivery of this Agreement by Conexant and the consummation by Conexant of the transactions contemplated hereby have been duly authorized by all necessary corporate action on the part of Conexant, subject, in the case of the consummation of the Merger, to the approval of the issuance of Conexant Common Stock in the Merger pursuant to this Agreement by the Required Conexant Vote. This Agreement has been duly executed and delivered by Conexant and, assuming the due authorization and valid execution and delivery of this Agreement by GlobespanVirata, constitutes a valid and binding agreement of Conexant, enforceable against Conexant in accordance with its terms, except as may be limited by bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium and similar Applicable Laws relating to or affecting creditors generally or by general equity principles (regardless of whether such enforceability is considered in a proceeding in equity or at law).

(ii) The execution and delivery by Conexant of this Agreement does not, and the consummation by Conexant of the Merger and the other transactions contemplated hereby will not result in a Violation pursuant to: (A) any provision of the certificate of incorporation or by-laws or similar organizational document of Conexant or any Significant Subsidiary of Conexant or (B) except as, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on Conexant and its Subsidiaries or, to the Knowledge of Conexant, on Conexant and its Subsidiaries following the Merger, subject to obtaining or making the Conexant Necessary Consents, any Contract to which Conexant or any of its Subsidiaries is a party or by which any of them or any of their respective properties or assets is bound, or any permit, concession, franchise, license, judgment, order, decree, statute, law, ordinance, rule or regulation applicable to Conexant or any Subsidiary of Conexant or their respective properties or assets.

(iii) No consent, approval, order or authorization of, or registration, declaration or filing with, any Governmental Entity or any other Person is required by or with respect to Conexant or any Subsidiary of Conexant in connection with the execution and delivery of this Agreement by Conexant or the consummation by Conexant of the Merger and the other transactions contemplated hereby, except for those required under or in relation to (A) the HSR Act, (B) state securities or blue sky laws, (C) the Securities Act, (D) the Exchange Act, (E) the DGCL with respect to the filing of the Certificate of Merger with the Delaware Secretary, (F) the rules and regulations of Nasdaq, including with respect to authorization for inclusion of the shares of Conexant Common Stock to be issued in the Merger and the transaction contemplated hereby on the Nasdaq National Market System, subject to official notice of issuance, (G) antitrust or other competition laws of other jurisdictions, and (H) such consents, approvals, orders, authorizations, registrations, declarations and filings the failure of which to make or obtain, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on Conexant and its Subsidiaries. Consents, approvals, orders, authorizations, registrations, declarations and filings required under or in relation to any of the foregoing clauses (A) through (G) are hereinafter referred to as the *Conexant Necessary Consents* .

(d) *Reports and Financial Statements.*

(i) Each of Conexant and its Subsidiaries has filed all registration statements, prospectuses, reports, schedules, forms, statements and other documents required to be filed by it with the SEC since January 1, 2002 (collectively, including all exhibits thereto, the *Conexant SEC Reports*). No Subsidiary of Conexant is required to file any form, report, registration statement, prospectus or other document with the SEC. None of the Conexant SEC Reports, as of their respective dates (or, if amended or superseded by a filing prior to the date of this Agreement, then on the date of such filing) contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Each of the financial statements (including the related notes) included in the Conexant SEC Reports fairly presents, in all material respects, the consolidated financial position and consolidated results of operations and cash flows of Conexant and its consolidated Subsidiaries as of the respective dates or for the respective periods set forth therein, all in conformity with GAAP consistently applied during the periods involved except as otherwise noted therein, and subject, in the case of unaudited interim financial statements, to normal and recurring year-end adjustments that have not been and are not expected to be material in amount. All Conexant SEC Reports, as of their respective dates (and as of the date of any amendment to the respective Conexant SEC Report), complied as to form in all material respects with the applicable requirements of the Securities Act and the Exchange Act and the rules and regulations promulgated thereunder.

(ii) Except as disclosed in the Conexant SEC Reports filed and publicly available prior to the date hereof (the *Conexant Filed SEC Reports*), since June 30, 2003, Conexant and its Subsidiaries have not incurred any liabilities that are of a nature that would be required to be disclosed on a balance sheet of Conexant and its Subsidiaries or the footnotes thereto prepared in conformity with GAAP, other than (A) liabilities incurred in the ordinary course of business consistent with past practice or (B) liabilities that, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on Conexant and its Subsidiaries.

(e) *Information Supplied.*

(i) None of the information supplied or to be supplied by Conexant or Concentric Sub for inclusion or incorporation by reference in (A) the Form S-4 will, at the time the Form S-4 is filed with the SEC, at any time it is amended or supplemented or at the time it becomes effective under the Securities Act, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and (B) the Joint Proxy Statement/Prospectus will, on the date it is first mailed to Conexant stockholders or GlobespanVirata stockholders or at the time of the Conexant Stockholders Meeting or the GlobespanVirata Stockholders Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The Form S-4 and the Joint Proxy Statement/Prospectus will comply as to form in all material respects with the requirements of the Exchange Act and the Securities Act and the rules and regulations of the SEC thereunder.

(ii) Notwithstanding the foregoing provisions of this Section 3.2(e), no representation or warranty is made by Conexant with respect to statements made or incorporated by reference in the Form S-4 or the Joint Proxy Statement/Prospectus based on information supplied by GlobespanVirata for inclusion or incorporation by reference therein.

(f) *Board Approval.* The Board of Directors of Conexant, by resolutions duly adopted by unanimous vote of all directors at a meeting duly called and held and, other than as set forth in Section 5.8, not subsequently rescinded or modified in any way, has duly (i) determined that this Agreement and the Merger are advisable and in the best interests of Conexant and its stockholders,

(ii) approved this Agreement and the Merger, (iii) resolved to recommend that the stockholders of Conexant approve the issuance of Conexant Common Stock in the Merger pursuant to this Agreement and directed that the issuance of Conexant Common Stock in the Merger pursuant to this Agreement be submitted for consideration by Conexant's stockholders at the Conexant Stockholders Meeting and (iv) taken all other action necessary to render any limitations on business combinations contained in Section 203 of the DGCL or any other similar limitations inapplicable to the transactions contemplated hereby. To the Knowledge of Conexant, no state takeover statute is applicable or purports to be applicable to the Merger or the other transactions contemplated hereby.

(g) *Vote Required.* The affirmative vote of a majority of the votes entitled to be cast by holders of shares of Conexant Common Stock present or represented by proxy and entitled to vote at the Conexant Stockholders Meeting, a quorum being present (the *Required Conexant Vote*), is the only vote of the holders of any class or series of Conexant capital stock necessary to approve the issuance of Conexant Common Stock in the Merger pursuant to this Agreement and the other transactions contemplated hereby.

(h) *Litigation; Compliance with Laws.*

Conexant and its Subsidiaries are in compliance with the terms of the Conexant Permits, except where the failure so to comply, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on Conexant and its Subsidiaries. None of Conexant or any of its Subsidiaries is in violation of, and Conexant and its Subsidiaries have not received any notices of violations with respect to, any Applicable Laws, except for violations which, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on Conexant and its Subsidiaries.

(i) *Absence of Certain Changes or Events.* Except as set forth in the Conexant Filed SEC Reports, since June 30, 2003, Conexant and its Subsidiaries have conducted their businesses only in the ordinary course, consistent with past practice, and there has not been any change, circumstance, event or development which, individually or in the aggregate, has had, or would reasonably be expected to have, a Material Adverse Effect on Conexant and its Subsidiaries.

Liabilities and, to the Knowledge of Conexant, no facts, circumstances or conditions relating to, arising from, associated with or attributable to any real property currently or, to the Knowledge of Conexant, formerly owned, operated or leased by Conexant or its Subsidiaries or operations thereon would reasonably be expected to result in Environmental Liabilities.

(k) *Intellectual Property*. Except as set forth in the Conexant Filed SEC Reports: (i) Conexant and each of its Subsidiaries owns, or is licensed to use (in each case, free and clear of any Liens), all material Intellectual Property used in or necessary for the conduct of its business as currently conducted; (ii) to the Knowledge of Conexant, the use of any Intellectual Property by Conexant and its Subsidiaries does not infringe on or otherwise violate, and is not alleged to infringe or otherwise violate, the rights of any Person; (iii) the use of third party Intellectual Property by Conexant and its Subsidiaries is in accordance with the applicable license pursuant to which Conexant or any of its Subsidiaries acquired the right to use such Intellectual Property, which license is valid and in effect; (iv) to the Knowledge of Conexant, no Person is challenging, infringing on or otherwise violating any material right of Conexant or any of its Subsidiaries with respect to any Intellectual Property owned by and/or licensed to Conexant or its Subsidiaries; (v) there are no pending claims, orders or proceedings with respect to either any Intellectual Property owned by Conexant and any of its Subsidiaries, or to the Knowledge of Conexant, any other Intellectual Property used by Conexant and its Subsidiaries; and (vi) to the Knowledge of Conexant, no Intellectual Property owned and/or licensed by Conexant or its Subsidiaries is being used or enforced in a manner that would reasonably be expected to result in the abandonment, cancellation or unenforceability either of such Intellectual Property or of Conexant's and its Subsidiaries' rights to use such Intellectual Property.

(l) *Conexant Rights Agreement*. Conexant has taken all action necessary or appropriate so that the execution of this Agreement and consummation of the transactions contemplated hereby does not and will not result in the ability of any Person to exercise any Conexant Rights under the Rights Agreement dated as of November 30, 1998, as amended as of December 9, 1999, between Conexant and Mellon Investor Services LLC, as Rights Agent (the *Conexant Rights Agreement*), or enable or require such Conexant Rights to separate from the shares of Conexant Common Stock to which they are attached or to be triggered or become exercisable. No Distribution Date or Shares Acquisition Date (each as defined in the Conexant Rights Agreement) has occurred. Copies of the Conexant Rights Agreement, and all amendments thereto, have previously been provided to GlobespanVirata.

(m) *Brokers or Finders*. (o) *Taxes*.

(i) Each of Conexant and its Subsidiaries has timely filed or has caused to be timely filed all Tax Returns required to be filed by it and all such Tax Returns are complete and correct in all respects, or requests for extensions to file such Tax Returns have been timely filed, granted and have not expired, except to the extent that such failure to file, to be complete or correct or to have any extension granted that remains in effect, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on Conexant and its Subsidiaries. Conexant and each of its Subsidiaries have paid or caused to be paid all Taxes required to be paid by it, and has paid all Taxes that it was required to withhold from amounts owing to any

employee, creditor or third party, except to the extent that any failure to pay such Taxes would not reasonably be expected to have a Material Adverse Effect on Conexant and its Subsidiaries. There are no Liens for Taxes upon the assets of Conexant or any of its Subsidiaries, other than Liens for current Taxes not yet due or Liens for Taxes that are being contested in good faith by appropriate proceedings and Liens for Taxes that would not reasonably be expected to have a Material Adverse Effect on Conexant and its Subsidiaries.

(ii) There are no pending, or to the Knowledge of Conexant, threatened, Tax audits, examinations or investigations, and no deficiencies for any Taxes have been proposed, asserted or assessed in writing against Conexant or any of its Subsidiaries, except for deficiencies that, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on Conexant and its Subsidiaries.

(iii) None of Conexant or any of its Subsidiaries has taken any action, and Conexant has no Knowledge of any fact, agreement, plan or other circumstance, that is reasonably likely to prevent the Merger from qualifying as a reorganization within the meaning of Section 368(a) of the Code.

(iv) Within the past five years, none of Conexant or any of its Subsidiaries has been a distributing corporation or a controlled corporation within the meaning of Section 355(a)(i)(A) of the Code in a distribution intended to qualify under Section 355(a) of the Code.

(v) None of Conexant or any of its Subsidiaries has agreed to make, nor is required to make, any material adjustment under Section 481(a) of the Code or any similar provision of state, local or foreign law by reason of a change in accounting methods or otherwise.

(vi) None of Conexant or any of its Subsidiaries has any liability for Taxes of any Person as a result of being a member of an affiliated, consolidated, combined or unitary group (other than Conexant and its Subsidiaries) under Treasury Reg. §1.1502-6 (or any comparable provision of state, local or foreign law), or is bound by or has any obligation under any Tax sharing arrangement, Tax indemnification arrangement or similar contract or arrangement, except as would not reasonably be expected to have a Material Adverse Effect on Conexant and its Subsidiaries.

(p) *Certain Contracts.* As of the date hereof, none of Conexant or any of its Subsidiaries is a party to or bound by (i) any material contract (as such term is defined in Item 601(b)(10) of Regulation S-K of the SEC), (ii) any non-competition agreement or any other agreement or arrangement that limits or otherwise restricts Conexant or any of its Subsidiaries or any of their respective affiliates or any successor thereto, or that would, after the Effective Time, to the Knowledge of Conexant, limit or restrict Conexant or any of its Subsidiaries or any of their respective affiliates or any successor thereto, from engaging or competing in any line of business or in any geographic area, which agreement or arrangement would reasonably be expected to have a Material Adverse Effect on Conexant and its Subsidiaries, after giving effect to the Merger, (iii) any employee benefit plan, employee contract with a senior executive or any other material contract, any of the benefits of which will be increased, or the vesting of the benefits of which will be accelerated, by the occurrence of any of the transactions contemplated by this Agreement or the value of any of the benefits of which will be calculated on the basis of any of the transactions contemplated by this Agreement or (iv) any Contract which would prohibit or materially delay the consummation of the Merger or any of the transactions contemplated by this Agreement. All material contracts (as defined in clause (i) above) set forth in Section 3.2(p) of the Conexant Disclosure Schedule are valid and binding on Conexant and its Subsidiaries, as applicable, and in full force and effect except to the extent they have previously expired in accordance with their terms or if the failure to be in full force and effect, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on Conexant and its Subsidiaries. None of Conexant or any of its Subsidiaries or, to the Knowledge of Conexant, any other party thereto has violated any provision of, or committed or

failed to perform any act which with or without notice, lapse of time or both would constitute a default under the provisions of, any material contract (as defined in clause (i) above) set forth in Section 3.2(p) of the Conexant Disclosure Schedule, except in each case for those violations and defaults which, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on Conexant and its Subsidiaries.

Each Conexant Plan that is required by ERISA to be funded is fully funded in accordance with reasonable actuarial assumptions, except as would not have a Material Adverse Effect on Conexant and its Subsidiaries.

(iii) All Conexant Plans subject to the Applicable Laws of any jurisdiction outside of the United States (A) have been maintained in accordance with all applicable requirements, (B) if they are intended to qualify for special tax treatment meet all requirements for such treatment, and (C) if they are intended to be funded and/or book-reserved are fully funded and/or book-reserved, as appropriate, based upon reasonable actuarial assumptions, in each case except as would not have a Material Adverse Effect on Conexant and its Subsidiaries.

(iv) None of Conexant or any of its Subsidiaries has any liability or obligation in respect of any Multiemployer Plan.

(v) Neither the execution and delivery of this Agreement nor the consummation of the transactions contemplated hereby will (either alone or in conjunction with any other act) result in, cause the accelerated vesting or delivery of, or increase the amount or value of, any payment, option, award or benefit (including any excess parachute payment within the meaning of Section 280G of the Code) to any director or employee of Conexant or any of its Subsidiaries, or require the funding of any rabbi trust or similar trust.

(s) *Insurance.* Conexant and its Subsidiaries maintain insurance coverage with reputable insurers in such amounts and covering such risks as are in accordance with normal industry practice for companies engaged in businesses similar to that of Conexant and its Subsidiaries (taking into account the cost and availability of such insurance).

The Joint Proxy Statement/Prospectus will be included in and will constitute a part of the Form S-4 as Conexant's prospectus. Each of Conexant and GlobespanVirata shall use reasonable best efforts to have the Joint Proxy Statement/Prospectus cleared by the SEC and the Form S-4 declared effective by the SEC as promptly as reasonably practicable after filing with the SEC and to keep the Form S-4 effective as long as is necessary to consummate the Merger and the transactions contemplated thereby. Conexant and GlobespanVirata shall, as promptly as practicable after receipt thereof, provide the other party copies of any written comments and advise the other party of any oral comments, with respect to the Joint Proxy Statement/Prospectus or the Form S-4 received from the SEC. The parties shall cooperate and provide the other party with a reasonable opportunity to review and comment on any amendment or supplement to the Joint Proxy Statement/Prospectus and the Form S-4 prior to filing such with the SEC, and will provide each other with a copy of all such filings made with the SEC. Notwithstanding any other provision herein to the contrary, no amendment or supplement (including by incorporation by reference) to the Joint Proxy Statement/Prospectus or the Form S-4 shall be made without the approval of both Conexant and GlobespanVirata, which approval shall not be unreasonably withheld or delayed; provided that with respect to documents filed by a party which are incorporated by reference in the Form S-4 or Joint Proxy Statement/Prospectus, this right of approval shall apply only with respect to information relating to the other party or its business, financial condition or results of operations; and provided, further, that Conexant, in connection with a Change in the Conexant Recommendation, and GlobespanVirata, in connection with a Change in the GlobespanVirata Recommendation (each of a Change in the Conexant Recommendation and a Change in the GlobespanVirata Recommendation being hereinafter sometimes referred to as a *Change*), may amend or supplement the Joint Proxy Statement/Prospectus or the Form S-4 (including by incorporation by reference) pursuant to a Qualifying Amendment to effect such a Change, and in such event, this right of approval shall apply only with respect to information relating to the other party or its business, financial condition or results of operations, and shall be subject to the right of each party to have its Board of Directors' deliberations and conclusions accurately described. Conexant will use reasonable best efforts to cause the Joint Proxy Statement/Prospectus to be mailed to Conexant's stockholders, and GlobespanVirata will use reasonable best efforts to cause the Joint Proxy Statement/Prospectus to be mailed to GlobespanVirata's stockholders, in each case as promptly as practicable after the Form S-4 is declared effective under the Securities Act. Conexant shall also take any action (other than qualifying to do business in any jurisdiction in which it is not now so qualified or to file a general consent to service of process) required to be taken under any applicable state securities laws in connection with the issuance of Conexant Common Stock in the Merger and GlobespanVirata and Conexant shall furnish all information

concerning GlobespanVirata and Conexant and the holders of GlobespanVirata Common Stock as may be reasonably requested in connection with any such action. (b) GlobespanVirata shall duly take all lawful action to call, give notice of, convene and hold a meeting of its stockholders on a date determined in accordance with the mutual agreement of Conexant and GlobespanVirata (the *GlobespanVirata Stockholders Meeting*) for the purpose of obtaining the Required GlobespanVirata Vote with respect to the transactions contemplated by this Agreement and shall take all lawful action to solicit the approval and adoption of this Agreement and the Merger by the Required GlobespanVirata Vote; and the Board of Directors of GlobespanVirata shall recommend approval and adoption of this Agreement and the Merger by the stockholders of GlobespanVirata to the effect as set forth in Section 3.1(f) (the *GlobespanVirata Recommendation*), and shall not (i) withdraw, modify or qualify (or propose to withdraw, modify or qualify) in any manner adverse to Conexant the GlobespanVirata Recommendation or (ii) take any action or make any statement in connection with the GlobespanVirata Stockholders Meeting inconsistent with such recommendation (collectively, a *Change in the GlobespanVirata Recommendation*); provided, however, that the Board of Directors of GlobespanVirata may make a Change in the GlobespanVirata Recommendation pursuant to Section 5.8. Notwithstanding any Change in the GlobespanVirata Recommendation, this Agreement shall be submitted to the stockholders of GlobespanVirata at the GlobespanVirata Stockholders Meeting for the purpose of approving and adopting this Agreement and the Merger and nothing contained herein shall be deemed to relieve GlobespanVirata of such obligation.

(c) Conexant shall duly take all lawful action to call, give notice of, convene and hold a meeting of its stockholders on a date determined in accordance with the mutual agreement of Conexant and GlobespanVirata (the *Conexant Stockholders Meeting*) for the purpose of obtaining the Required Conexant Vote with respect to the transactions contemplated by this Agreement and shall take all lawful action to solicit the approval of the issuance of Conexant Common Stock in the Merger pursuant to this Agreement by the Required Conexant Vote, and the Board of Directors of Conexant shall recommend approval of the issuance of Conexant Common Stock in the Merger pursuant to this Agreement by the stockholders of Conexant to the effect as set forth in Section 3.2(f) (the *Conexant Recommendation*) and shall not (i) withdraw, modify or qualify (or propose to withdraw, modify or qualify) in any manner adverse to GlobespanVirata the Conexant Recommendation or (ii) take any action or make any statement in connection with the Conexant Stockholders Meeting inconsistent with such recommendation (collectively, a *Change in the Conexant Recommendation*); provided, however, that the Board of Directors of Conexant may make a Change in the Conexant Recommendation pursuant to Section 5.8. The reasonable best efforts involved in the preceding sentence shall include (i) defending through litigation on the merits, including appeals, any claim asserted in any such action or proceeding, (ii) proposing, negotiating, committing to and effecting, by consent decree, hold separate order or otherwise, the sale, divestiture or disposition of such assets or businesses of Conexant (including its Subsidiaries) or GlobespanVirata (including its Subsidiaries), including entering into customary ancillary agreements on commercially reasonable terms relating to any such sale, divestiture or disposition of such assets or businesses, (iii) agreeing to any limitation on the conduct of Conexant (including its Subsidiaries) or GlobespanVirata (including its Subsidiaries), or (iv) agreeing to take any other action as may be necessary or required by a Governmental Entity or otherwise in order (x) to obtain all necessary consents, approvals and authorizations as soon as reasonably possible, (y) to avoid the entry of, or to effect the dissolution of, any injunction, temporary restraining order or other order in any suit or proceeding, or (z) to effect the expiration or termination of any waiting period, which would otherwise have the effect of preventing or delaying the Closing beyond the Termination Date. (c) In furtherance and not in limitation of the covenants of the parties contained in Section 5.7(a) and Section 5.7(b), if any administrative, judicial or other action or proceeding, including any proceeding by a private party, is instituted (or threatened to be instituted) challenging any transaction contemplated by this Agreement as violative of any Applicable Laws, or if any statute, rule, regulation, executive order, decree, injunction or administrative order is enacted, entered, promulgated or enforced by a Governmental Entity which would make the Merger or the other transactions contemplated hereby illegal or would otherwise prohibit or materially impair or delay the consummation of the Merger or the other transactions contemplated hereby, each of Conexant and GlobespanVirata shall cooperate in all respects with each other to avoid, contest and resist any such action or proceeding and to have vacated, lifted, reversed or overturned any decree, judgment, injunction or other order, whether temporary, preliminary or permanent, that is in effect and that prohibits, prevents or restricts consummation of the Merger or the other

transactions contemplated by this Agreement and to have such statute, rule, regulation, executive order, decree, injunction or administrative order repealed, rescinded or made inapplicable so as to permit consummation of the transactions contemplated by this Agreement. Notwithstanding the foregoing or any other provision of this Agreement, nothing in this Section 5.7 shall limit a party's right to terminate this Agreement pursuant to Section 7.1(b) or Section 7.1(c) so long as such party has complied with its obligations under this Section 5.7.

SECTION 5.8 *Acquisition Proposals.*

(a) Without limiting any party's other obligations under this Agreement (including under Article IV hereof), each of GlobespanVirata and Conexant agrees that neither it nor any of its Subsidiaries nor any of the officers and directors of it or its Subsidiaries shall, and that it shall use its reasonable best efforts to cause its and its Subsidiaries' employees, agents and representatives (including any investment banker, attorney or accountant retained by it or any of its Subsidiaries) not to, directly or indirectly, (i) initiate, solicit, encourage or knowingly facilitate (including by way of furnishing information) any inquiries or the making of any proposal or offer with respect to, or a transaction to effect, any Acquisition Proposal, (ii) have any discussion with or provide any confidential information or data to any Person relating to an Acquisition Proposal, or engage in any negotiations concerning an Acquisition Proposal, or knowingly facilitate any effort or attempt to make or implement an Acquisition Proposal, (iii) approve or recommend, or propose publicly to approve or recommend, any Acquisition Proposal or (iv) approve or recommend, or propose to approve or recommend, or execute or enter into, any letter of intent, agreement in principle, merger agreement, acquisition agreement, option agreement or other similar agreement or propose publicly or agree to do any of the foregoing related to any Acquisition Proposal.

(c) Notwithstanding anything in this Agreement to the contrary, each of GlobespanVirata and Conexant or its respective Board of Directors shall be permitted to (i) to the extent applicable, comply

Each of GlobespanVirata and Conexant agrees that it will promptly keep each other informed of the status and terms of any such inquiries, proposals or offers and the status and terms of any such discussions or negotiations. Each of GlobespanVirata and Conexant agrees that it will, and will cause its officers, directors and representatives to, immediately cease and cause to be terminated any activities, discussions or negotiations existing as of the date of this Agreement with any Persons conducted heretofore with respect to any Acquisition Proposal, and request the return or destruction of all non-public information furnished in connection therewith. (c) *ESPP.* Prior to the Closing Date, Conexant and GlobespanVirata will cooperate in developing a mutually agreeable plan for transitioning the Continuing Employees from participation in the GlobespanVirata ESPP to participation in the Conexant ESPP with a view to preserving, to the extent practicable, certain mutually agreed benefits of Continuing Employees under the GlobespanVirata ESPP and including Continuing Employees in the Conexant ESPP as soon as practicable after termination of the GlobespanVirata ESPP.

SECTION 5.12 *Public Announcements.* GlobespanVirata and Conexant each shall use reasonable best efforts to develop a joint communications plan and each party shall use reasonable best efforts (i) to ensure that all press releases and other public statements with respect to the transactions contemplated hereby shall be consistent with such joint communications plan, and (ii) unless otherwise required by Applicable Laws or by obligations pursuant to any listing agreement with or rules of any securities exchange, to consult with each other before issuing any press release or, to the extent practicable, otherwise making any public statement with respect to this Agreement or the transactions contemplated hereby.

SECTION 5.13 *Accounting Matters.*

(a) GlobespanVirata shall use reasonable best efforts to cause to be delivered to Conexant two letters from GlobespanVirata's independent public accountants, one dated approximately the date on which the Form S-4 shall become effective and one dated the Closing Date, addressed to GlobespanVirata and Conexant, in form and substance reasonably satisfactory to Conexant and reasonably customary in scope and substance for comfort letters delivered by independent public accountants in connection with registration statements similar to the Form S-4.

(b) Conexant shall use reasonable best efforts to cause to be delivered to GlobespanVirata two letters from Conexant's independent public accountants, one dated approximately the date on which the Form S-4 shall become effective and one dated the Closing Date, addressed to Conexant and GlobespanVirata, in form and substance reasonably satisfactory to GlobespanVirata and reasonably customary in scope and substance for comfort letters delivered by independent public accountants in connection with registration statements similar to the Form S-4.

SECTION 5.17 *Takeover Statutes.* If any fair price , moratorium , control share acquisition or other form of antitakeover statute or regulation shall become applicable to the transactions contemplated hereby, each of Conexant and GlobespanVirata and their respective Boards of Directors shall use all reasonable efforts to grant such approvals and take such actions as are reasonably necessary so that the transactions contemplated hereby may be consummated as promptly as practicable on the terms contemplated hereby and otherwise act to eliminate or minimize the effects of such statute or regulation on the transactions contemplated hereby.

SECTION 5.18 *Advice of Changes.* Each of Conexant and GlobespanVirata shall as promptly as reasonably practicable after becoming aware thereof advise the other of (a) any representation or warranty made by it contained in this Agreement that is qualified as to materiality becoming untrue or inaccurate in any respect or any such representation or warranty that is not so qualified becoming untrue or inaccurate in any material respect, (b) the failure by it to comply with or satisfy in any material respect any covenant, condition or agreement to be complied with or satisfied by it under this Agreement or (c) any change or event (i) having, or which, insofar as can reasonably be foreseen, would have, in the case of GlobespanVirata, a Material Adverse Effect on GlobespanVirata and its Subsidiaries, and, in the case of Conexant, a Material Adverse Effect on Conexant and its Subsidiaries, or (ii) which has resulted, or which, insofar as can reasonably be foreseen, would result, in any of the conditions set forth in Article VI not being satisfied; provided, however, that no such notification shall affect the representations, warranties, covenants or agreements of the parties or the conditions to the obligations of the parties under this Agreement.

(e) by Conexant, if (i) GlobespanVirata's Board of Directors shall have (A) failed to make the GlobespanVirata Recommendation, (B) withdrawn the GlobespanVirata Recommendation or (C) modified or qualified, in any manner adverse to Conexant, the GlobespanVirata Recommendation without also simultaneously reaffirming the GlobespanVirata Recommendation (or resolved or proposed to take any such action referred to in clause (A), (B) or (C)), in each case whether or not permitted by the terms hereof, or (ii) GlobespanVirata shall have breached its obligations under this Agreement by reason of a failure to call the GlobespanVirata Stockholders Meeting in accordance with Section 5.1(b) or a failure to prepare and mail to its stockholders the Joint Proxy Statement/Prospectus in accordance with Section 5.1(a);

(f) by GlobespanVirata, if (i) Conexant's Board of Directors shall have (A) failed to make the Conexant Recommendation, (B) withdrawn the Conexant Recommendation or (C) modified or qualified, in any manner adverse to GlobespanVirata, the Conexant Recommendation without also simultaneously reaffirming the Conexant Recommendation (or resolved or proposed to take any such action referred to in clause (A), (B) or (C)), in each case whether or not permitted by the terms hereof or (ii) Conexant shall have breached its obligations under this Agreement by reason of a failure to call the Conexant Stockholders Meeting in accordance with Section 5.1(c) or a failure to prepare and mail to its stockholders the Joint Proxy Statement/Prospectus in accordance with Section 5.1(a);

(g) by Conexant, if GlobespanVirata shall have breached or failed to perform any of its representations, warranties, covenants or other agreements contained in this Agreement, such that the conditions set forth in Section 6.3(a) or Section 6.3(b) are not capable of being satisfied on or before the Termination Date;

(h) by GlobespanVirata, if either Conexant or Concentric Sub shall have breached or failed to perform any of its representations, warranties, covenants or other agreements contained in this Agreement, such that the conditions set forth in Section 6.2(a) or Section 6.2(b) are not capable of being satisfied on or before the Termination Date;

(i) by GlobespanVirata, if a Shares Acquisition Date (as defined in the Conexant Rights Agreement) shall have occurred pursuant to the Conexant Rights Agreement; or

(j) by Conexant, if a 15% Ownership Date (as defined in the GlobespanVirata Rights Agreement) shall have occurred pursuant to the GlobespanVirata Rights Agreement.

SECTION 7.2 *Effect of Termination.*

(a) In the event of termination of this Agreement by either Conexant or GlobespanVirata as provided in Section 7.1, this Agreement shall forthwith become void and there shall be no liability or obligation on the part of GlobespanVirata, Conexant or Concentric Sub or their respective officers or directors under this

Agreement, except that (i) the provisions of Section 3.1(m), Section 3.2(m), the second sentence of Section 5.6(a), Section 5.10, this Section 7.2 and Article VIII shall survive such termination, and (ii) notwithstanding anything to the contrary contained in this Agreement, none of GlobespanVirata, Conexant or Concentric Sub shall be relieved or released from any liabilities or damages arising out of its willful breach of any provision of this Agreement.

(b) If:

(i)(A)(x) either Conexant or GlobespanVirata shall terminate this Agreement pursuant to Section 7.1(d) (provided that the basis for such termination is the failure of GlobespanVirata's stockholders to approve the transactions contemplated hereby) or pursuant to Section 7.1(b) without the GlobespanVirata Stockholder Meeting having occurred or (y) Conexant shall terminate this Agreement pursuant to Section 7.1(g) as a result of any intentional breach or failure to perform by GlobespanVirata (unless covered by clause (ii) below), *and*

(B) at any time after the date of this Agreement and before such termination an Acquisition Proposal with respect to GlobespanVirata shall have been publicly announced or otherwise communicated to the senior management, Board of Directors or stockholders of GlobespanVirata *and*

(C) within twelve months of such termination GlobespanVirata or any of its Subsidiaries enters into any definitive agreement with respect to, or consummates, any Acquisition Proposal (provided that for purposes of this Section 7.2(b)(i)(C) the references in the definition of Acquisition Proposal to 30% shall be to 50%) *or*

(ii) Conexant shall terminate this Agreement pursuant to Section 7.1(e) or Section 7.1(j);

then GlobespanVirata shall promptly, but in no event later than one Business Day after the date of such termination (or in the case of clause (i), if later, the date GlobespanVirata or its Subsidiary enters into such agreement with respect to or consummates such Acquisition Proposal), pay Conexant an amount equal to \$35 million, by wire transfer of immediately available funds.

(c) If:

(i)(A)(x) either Conexant or GlobespanVirata shall terminate this Agreement pursuant to Section 7.1(d) (provided that the basis for such termination is the failure of Conexant's stockholders to approve the transactions contemplated hereby) or pursuant to Section 7.1(b) without the Conexant Stockholders Meeting having occurred or (y) GlobespanVirata shall terminate this Agreement pursuant to Section 7.1(h) as a result of any intentional breach or failure to perform by Conexant or Concentric Sub (unless covered by clause (ii) below), *and*

(B) at any time after the date of this Agreement and before such termination an Acquisition Proposal with respect to Conexant shall have been publicly announced or otherwise communicated to the senior management, Board of Directors or stockholders of Conexant *and*

(ii) GlobespanVirata shall terminate this Agreement pursuant to Section 7.1(f) or Section 7.1(i);

then Conexant shall promptly, but in no event later than one Business Day after the date of such termination (or in the case of clause (i), if later, the date Conexant or its Subsidiary enters into such agreement with respect to or consummates such Acquisition Proposal), pay GlobespanVirata an amount equal to \$35 million, by wire transfer of immediately available funds.

(d) The parties acknowledge that the agreements contained in this Section 7.2 are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, neither party would enter into this Agreement; accordingly, if either party fails promptly to pay any amount due pursuant to

this Section 7.2, and, in order to obtain such payment, the other party commences a suit which results in a judgment against such party for the fee set forth in this Section 7.2, such party shall pay to the other party its costs and expenses (including attorneys' fees and expenses) in connection with such suit, together with interest on the amount of the fee from the date such payment is required to be made until the date such payment is actually made at the prime rate of Citibank, N.A. in effect on the date such payment was required to be made. The parties agree that any remedy or amount payable pursuant to this Section 7.2 shall not preclude any other remedy or amount payable hereunder, and shall not be an exclusive remedy, for any willful breach of any provision of this Agreement.

SECTION 7.3 *Amendment.* This Agreement may be amended by the parties hereto, by action taken or authorized by their respective Boards of Directors, at any time before or after approval of the matters presented in connection with the Merger by the stockholders of Conexant and GlobespanVirata, but, after any such approval, no amendment shall be made which by law or in accordance with the rules of any relevant stock exchange requires further approval by such stockholders without such further approval. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto.

SECTION 7.4 *Extension; Waiver.* At any time prior to the Effective Time, the parties hereto, by action taken or authorized by their respective Boards of Directors, may, to the extent legally allowed, (i) extend the time for the performance of any of the obligations or other acts of the other parties hereto, (ii) waive any inaccuracies in the representations and warranties contained herein or in any document delivered pursuant hereto and (iii) waive compliance with any of the agreements or conditions contained herein. Any agreement on the part of a party hereto to any such extension or waiver shall be valid only if set forth in a written instrument signed on behalf of such party. The failure of any party to this Agreement to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of those rights.

The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

SECTION 8.4 Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties, it being understood that the parties need not sign the same counterpart.

SECTION 8.5 Entire Agreement; No Third Party Beneficiaries.

SECTION 8.7 *Severability.* If any provision of this Agreement or the application thereof to any Person or circumstance is determined by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions hereof, or the application of such provision to Persons or circumstances other than those as to which it has been held invalid or unenforceable, shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby, so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon any such determination, the parties shall negotiate in good faith in an effort to agree upon a suitable and equitable substitute provision to effect the original intent of the parties.

SECTION 8.8 *Assignment.* Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the parties hereto, in whole or in part (whether by operation of law or otherwise), without the prior written consent of the other parties, and any attempt to make any such assignment without such consent shall be null and void. Board of Directors

Conexant Systems, Inc.
4311 Jamboree Road
Newport Beach, CA 92660-3095

Members of the Board:

You have asked us to advise you with respect to the fairness, from a financial point of view, to Conexant Systems, Inc. (*Conexant*) of the Exchange Ratio (as defined below) as set forth in the Agreement and Plan of Reorganization, dated as of November 3, 2003 (the *Merger Agreement*), by and among GlobespanVirata, Inc. (*GlobespanVirata*), Conexant and Concentric Sub, Inc., a direct wholly owned subsidiary of Conexant (*Sub*). The Merger Agreement provides for, among other things, the merger (the *Merger*) of Sub with and into GlobespanVirata pursuant to which GlobespanVirata will become a wholly owned subsidiary of Conexant and each outstanding share of common stock, par value \$0.001 per share, of GlobespanVirata (*GlobespanVirata Common Stock*) will be converted into the right to receive 1.198 (the *Exchange Ratio*) shares of common stock, par value \$0.01 per share, of Conexant (*Conexant Common Stock*).

In arriving at our opinion, we have reviewed the Merger Agreement and certain other related agreements, as well as certain publicly available business and financial information relating to Conexant and GlobespanVirata. We have also reviewed certain other information relating to Conexant and GlobespanVirata, including financial forecasts (and adjustments thereto), provided to or discussed with us by Conexant and GlobespanVirata, and have met with the managements of Conexant and GlobespanVirata to discuss the businesses and prospects of Conexant and GlobespanVirata. We have also considered certain financial and stock market data of Conexant and GlobespanVirata, and we have compared that data with similar data for other publicly held companies in businesses we deemed similar to those of Conexant and GlobespanVirata, and we have considered, to the extent publicly available, the financial terms of certain other business combinations and other transactions which have recently been effected or announced. We also considered such other information, financial studies, analyses and investigations and financial, economic and market criteria which we deemed relevant.

In connection with our review, we have not assumed any responsibility for independent verification of any of the foregoing information and have relied on such information being complete and accurate in all material respects. With respect to the financial forecasts of Conexant and GlobespanVirata that we have reviewed, the managements of Conexant and GlobespanVirata have advised us, and we have assumed, that such financial forecasts (and adjustments thereto) have been reasonably prepared on bases reflecting the best currently available estimates and judgments of the managements of Conexant and GlobespanVirata as to the future financial performance of Conexant and GlobespanVirata. In addition, we have relied upon, with your consent, due diligence summaries concerning GlobespanVirata provided to or discussed with us by Conexant. In addition, we have relied upon, without independent verification, the assessment of the managements of Conexant and GlobespanVirata as to (i) their ability to retain key employees, (ii) the strategic benefits and potential cost savings and other synergies (including the amount, timing and achievability thereof) anticipated to result from the Merger, (iii) the existing technology, products, and services of Conexant and GlobespanVirata and the validity of, and risks associated with, the future technology, products and services of Conexant and GlobespanVirata and (iv) their ability to integrate the businesses of Conexant and GlobespanVirata. You also have informed us, and we have assumed, that the

B-1

Merger will be treated as a tax-free reorganization for federal income tax purposes. We also have assumed, with your consent, that in the course of obtaining necessary regulatory and third party approvals and consents for the Merger, no modification, delay, limitation, restriction or condition will be imposed that will have a material adverse effect on Conexant or GlobespanVirata or the contemplated benefits of the Merger and that the Merger will be consummated in accordance with the terms of the Merger Agreement, without waiver, modification or amendment of any material term, condition or agreement therein. In addition, we have not been requested to make, and have not made, an independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of Conexant or GlobespanVirata, nor have we been furnished with any such evaluations or appraisals. Our opinion is necessarily based upon information available to us as of the date hereof, and upon financial, economic, market, and other conditions as they exist and can be evaluated, as of the date hereof. We are not expressing any opinion as to what the value of Conexant Common Stock actually will be when issued to holders of GlobespanVirata Common Stock pursuant to the Merger or the prices at which Conexant Common Stock will trade at any time. Our opinion does not address the relative merits of the Merger as compared to other business strategies that may be available to Conexant, nor does it address Conexant's underlying business decision to engage in the Merger.

We have acted as financial advisor to Conexant in connection with the Merger and will receive a fee for our services, a significant portion of which is contingent upon the consummation of the Merger. We will also receive a fee for rendering this opinion. We and our affiliates have in the past provided certain investment banking and financial services unrelated to the Merger to Conexant and GlobespanVirata for which we have received compensation, and we and our affiliates may in the future provide certain investment banking and financial services to Conexant and its affiliates for which we would expect to receive compensation. In the ordinary course of our business, we and our affiliates may actively trade the debt and equity securities of Conexant and GlobespanVirata for our and such affiliates' own accounts and for the accounts of customers and, accordingly, may at any time hold a long or short position in such securities.

It is understood that this letter is for the information of the Board of Directors of Conexant in connection with its evaluation of the Merger and does not constitute a recommendation to any stockholder as to how such stockholder should vote or act with respect to any matter relating to the Merger.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Exchange Ratio is fair, from a financial point of view, to Conexant.

Very truly yours,

Board of Directors

GlobespanVirata, Inc.
100 Schulz Drive
Red Bank, NJ 07701

Members of the Board:

We understand that GlobespanVirata, Inc. (GlobespanVirata), Conexant Systems, Inc. (Conexant) and Concentric Sub, Inc., a wholly owned subsidiary of Conexant (Conexant Sub), propose to enter into an Agreement and Plan of Reorganization, substantially in the form of the draft dated October 31, 2003 (the Merger Agreement), which provides, among other things, for the merger of Conexant Sub with and into GlobespanVirata (the Merger). Pursuant to the Merger, GlobespanVirata will become a wholly owned subsidiary of Conexant, and each outstanding share of common stock, par value \$0.001 per share, of GlobespanVirata (the GlobespanVirata Common Stock), other than shares held in treasury or held by Conexant or any affiliate of Conexant or GlobespanVirata, will be converted into the right to receive 1.198 shares (the Exchange Ratio) of common stock, par value \$0.01 per share, of Conexant (the Conexant Common Stock). The terms and conditions of the Merger are more fully set forth in the Merger Agreement.

You have asked for our opinion as to whether the Exchange Ratio pursuant to the Merger Agreement is fair from a financial point of view to holders of shares of GlobespanVirata Common Stock.

For purposes of the opinion set forth herein, we have:

- i) reviewed certain publicly available financial statements and other information of GlobespanVirata and Conexant;
- ii) reviewed certain internal financial statements and other financial and operating data concerning GlobespanVirata and Conexant prepared by the management of GlobespanVirata and Conexant, respectively;
- iii) reviewed certain financial projections prepared by the management of GlobespanVirata and Conexant;
- iv) reviewed certain internal financial statements, other financial and operating data and certain financial projections of an affiliate of Conexant prepared by the management of that affiliate;
- v) discussed the past and current operations and financial condition and the prospects of GlobespanVirata and Conexant, including information relating to certain strategic, financial and operational benefits anticipated from the Merger, with senior executives GlobespanVirata and Conexant;
- vi) reviewed the pro forma impact of the Merger on Conexant's earnings per share;
- vii) discussed potential strategic, financial and operational benefits anticipated from the Merger with senior executives of GlobespanVirata and Conexant;
- viii) reviewed the reported prices and trading activity for the GlobespanVirata Common Stock, the Conexant Common Stock and certain derivatives of publicly-traded securities owned by Conexant;

C-1

ix) compared the prices and trading activity of the GlobespanVirata Common Stock and the Conexant Common Stock with that of certain other comparable publicly-traded companies and their securities;

x) compared the financial performance of an affiliate of Conexant with that of certain other comparable publicly-traded companies and their securities;

xi) reviewed the financial terms, to the extent publicly available, of certain comparable acquisition transactions;

xii) participated in discussions and negotiations among representatives of GlobespanVirata, Conexant and their financial and legal advisors;

xiii) reviewed the Merger Agreement and certain related documents; and

xiv) considered such other factors as we have deemed appropriate.

We have assumed and relied upon without independent verification the accuracy and completeness of the information reviewed by us for the purposes of this opinion. With respect to the financial projections, including information relating to certain strategic, financial and operational benefits anticipated from the Merger, we have assumed that they have been reasonably prepared on bases reflecting the best currently available estimates and judgments of the future financial performance and prospects of GlobespanVirata, Conexant and an affiliate of Conexant. We have relied upon the assessment by the managements of GlobespanVirata and Conexant of their ability to retain key employees. We have also relied upon, without independent verification, the assessment by the managements of GlobespanVirata and Conexant of GlobespanVirata's and Conexant's technologies and products, the timing and risks associated with the integration of GlobespanVirata and Conexant and the validity of, and risks associated with, GlobespanVirata's and Conexant's existing and future products and technologies.

In addition, we have assumed that the Merger will be consummated in accordance with the terms set forth in the Merger Agreement, including, among other things, that the Merger will be treated as a tax-free reorganization and/or exchange, each pursuant to the Internal Revenue Code of 1986. In addition, we have assumed that in connection with the receipt of all necessary government, regulatory or other consents and approvals for the Merger, no restrictions will be imposed that would have any adverse effect on GlobespanVirata or Conexant or on the benefits expected to be derived from the Merger. We have not made any independent valuation or appraisal of the assets or liabilities of GlobespanVirata or Conexant. Our opinion is necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to us as of, the date hereof.

We have acted as financial advisor to the Board of Directors of GlobespanVirata in connection with this transaction and will receive a fee for our services. In the past, Morgan Stanley & Co. Incorporated and its affiliates have provided financial advisory and financing services for GlobespanVirata and Conexant and have received fees for the rendering of these services.

It is understood that this letter is for the information of the Board of Directors of GlobespanVirata and may not be used for any other purpose without our prior written consent, except that this opinion may be included in its entirety, if required, in any filing made by GlobespanVirata in respect of the transaction with the Securities and Exchange Commission. In addition, this opinion does not in any manner address the prices at which the Conexant Common Stock will trade at any time or following consummation of the Merger, and Morgan Stanley expresses no opinion or recommendation as to how the shareholders of GlobespanVirata and Conexant should vote at the shareholders' meetings held in connection with the Merger.

Edgar Filing: CONEXANT SYSTEMS INC - Form S-4/A

Based on and subject to the foregoing, we are of the opinion on the date hereof that the Exchange Ratio pursuant to the Merger Agreement is fair from a financial point of view to holders of shares of GlobespanVirata Common Stock.

Very truly yours,

CONEXANT SYSTEMS, INC.

DIRECTORS STOCK PLAN

As Amended December 15, 2003

1. Purpose of the Plan.

The purpose of the Directors Stock Plan (the Plan) is to link the compensation of non-employee directors of Conexant Systems, Inc. (Conexant) directly with the interests of the shareowners.

2. Participants.

Participants in the Plan shall consist of directors of Conexant who are not employees of Conexant or any of its subsidiaries (Non-Employee Director). The term subsidiary as used in the Plan means a corporation more than fifty percent (50%) of the voting stock of which, or an unincorporated business entity more than fifty percent (50%) of the equity interest in which, shall at the time be owned directly or indirectly by Conexant.

3. Shares Reserved Under the Plan.

Subject to the provisions of Section 9 of the Plan, there shall be reserved for delivery under the Plan an aggregate number of shares of Common Stock of Conexant (Shares) equal to the sum of (a) 1,593,055 plus (b) an annual increase effective on the first day of each fiscal year of Conexant commencing with the fiscal year beginning on or about October 1, 2004 and ending with the fiscal year beginning on or about October 1, 2014 of an amount equal to the greater of (i) 250,000 Shares or (ii) 0.075% of the Shares outstanding on such date, provided that the Board may, in its sole discretion, determine that the amount of any one or more annual increases shall be a lesser number of Shares. Shares to be delivered under the Plan may be authorized and unissued Shares, Shares held in treasury or any combination thereof.

4. Administration of the Plan.

The Plan shall be administered by the Compensation and Management Development Committee (the Committee) of the Board of Directors of Conexant (the Board), subject to the right of the Board, in its sole discretion, to exercise or authorize another committee or person to exercise some or all of the responsibilities, powers and authority vested in the Committee under the Plan. The Committee (or the Board or any other committee or person authorized by the Board) shall have authority to interpret the Plan, and to prescribe, amend and rescind rules and regulations relating to the administration of the Plan, and all such interpretations, rules and regulations shall be conclusive and binding on all persons.

5. Effective Date of the Plan.

The Plan, as amended on November 1, 2001, was submitted to the shareowners of Conexant for approval and was approved at the Annual Meeting of Shareowners held on February 27, 2002. Amendments adopted by the Board on August 8, 2003 were effective on August 8, 2003. Sections 6(c), 6(d), 7 and 12(a) of the Plan were amended by the Board on December 15, 2003 effective on December 15, 2003. Sections 3 and 6(b) of the Plan were amended by the Board on December 15, 2003, subject to approval by the shareowners of Conexant, and if these amendments are approved by the shareowners of Conexant at the 2004 Annual Meeting of Shareowners to be held on February 25, 2004, they shall become effective at the effective time of the merger of Conexant's wholly-owned subsidiary with and into GlobespanVirata, Inc.; otherwise, the Plan as in effect immediately prior to the date of the 2004 Annual Meeting will continue in effect.

6. Stock Options.

(a) Each Non-Employee Director in office on January 2, 1999 shall be granted, on or prior to March 31, 1999, an option to purchase eighty thousand (80,000) Shares. Each other Non-Employee Director shall be granted an option to purchase forty thousand (40,000) Shares at the meeting of the Board at which, or immediately following the Annual Meeting of Shareowners at which, the Non-Employee Director is first elected a director of Conexant.

(b) To align more closely the date of grant of options to the employees and officers of the Company, on the day of the Annual Meeting of Shareowners held in the year 2004 and on the day of each Annual Meeting of Shareowners thereafter, each Non-Employee Director, who has served as a Non-Employee Director for at least six (6) months and who is elected a director at or who was previously elected and continues as a director after that Annual Meeting, shall be granted an:

(i) option to purchase ten thousand (10,000) Shares; *provided, however*, that the Board may, by action taken on or before the date of any such Annual Meeting, defer the option grants with respect to such Annual Meeting for up to forty-five (45) days following such Annual Meeting (the First Annual Option Grant); and

(ii) option to purchase ten thousand (10,000) Shares six (6) months after the date of the First Annual Option Grant (the Second Annual Option Grant); *provided, however*, that the Board may determine to make the Second Annual Option Grant up to forty-five (45) days before or after the six (6) month anniversary of the First Annual Option Grant.

(c) The exercise price per share for each option granted under the Plan shall be the closing price per share (the Fair Market Value) of Shares on the date of grant as reported in the NASDAQ reporting system (or on the immediately preceding day such stock was traded if it was not traded on the date of grant). The purchase price of the Shares with respect to which an option or portion thereof is exercised shall be payable in full in cash, Shares valued at their Fair Market Value on the date of exercise, or a combination thereof. Each option may be exercised in whole or in part at any time after it becomes exercisable; and each option shall become exercisable in four (4) approximately equal installments on each of the first, second, third and fourth anniversaries of the date the option is granted. No option shall be exercisable prior to one (1) year nor after ten (10) years from the date of the grant thereof; *provided, however*, that if the holder of an option dies, the option may be exercised from and after the date of the optionee's death for a period of three (3) years (or until the expiration date specified in the option if earlier) even if it was not exercisable at the date of death. Moreover, if an optionee retires after attaining age fifty-five (55) and completing at least five (5) years service as a director, all options then held by such optionee shall be exercisable even if they were not exercisable at such retirement date; *provided, however*, that each such option shall expire at the earlier of five (5) years from the date of the optionee's retirement or the expiration date specified in the option.

(d) Options granted under the Plan are not transferable other than by (i) will or by the laws of descent and distribution; or (ii) gift to the grantee's spouse or natural, adopted or stepchildren or grandchildren (Immediate Family Members) or to a trust for the benefit of one or more of the grantee's Immediate Family Members or to a family charitable trust established by the grantee or a member of the grantee's family. If an optionee ceases to be a director while holding unexercised options, such options are then void, except in the case of (i) death, (ii) disability, (iii) retirement after attaining age fifty-five (55) and completing five (5) years service as a director, or (iv) resignation from the Board for reasons of the antitrust laws, compliance with Conexant's conflict of interest policies or other circumstances that the Committee may determine as serving the best interests of Conexant.

7. Shares In Lieu of Cash Compensation.

Each Non-Employee Director may elect each year, not later than December thirty-one (31) of the year preceding the year as to which an election is to be applicable, to receive all or any portion of the cash retainer to be paid for board, committee or other service in the following calendar year through the

issuance or transfer of Shares, valued at the closing price as reported in the NASDAQ reporting system on the date when each payment of such retainer amount would otherwise be made in cash (or on the immediately preceding day such stock was traded, if it was not traded on that date). Each Non-Employee Director making such an election may also elect at the same time to receive those Shares in the form of restricted stock (Restricted Shares). Upon receipt of Shares, the recipient shall have all the rights of a shareowner. Upon receipt of Restricted Shares, the recipient shall have the right to vote the Shares and to receive dividends thereon, and the Shares shall have all the attributes of outstanding Shares except that the registered owner shall have no right to direct the transfer thereof. Restricted Shares shall be held in book-entry accounts subject to the direction of Conexant (or if Conexant elects, certificates therefor may be issued in the recipient's name but delivered to and held by Conexant) until ten (10) days after (i) the recipient retires from the Board after attaining age fifty-five (55) and completing at least five (5) years service as a director or (ii) the recipient resigns from the Board or ceases to be a director by reason of the antitrust laws, compliance with Conexant's conflict of interest policies, death, disability or other circumstances the Board determines not to be adverse to the best interests of Conexant, when the restrictions on such book-entry accounts shall be released (or any certificates issued shall be delivered to the director), and such Shares shall cease to be Restricted Shares.

8. Additional Compensation.

The Board or the Committee may, from time to time, as and when either thereof deems it appropriate, provide one or more Non-Employee Directors with additional compensation under the Plan. Such additional compensation may be in the form of a grant of Shares, Restricted Shares, options to purchase Shares or a combination thereof, subject to the terms, conditions and restrictions established by the Board or the Committee at the time of grant.

9. Adjustments Upon Changes in Capitalization.

If there shall be any change in or affecting Shares on account of any merger, consolidation, reorganization, recapitalization, reclassification, stock dividend, stock split or combination, or other distribution to holders of Shares (other than a cash dividend), there shall be made or taken such amendments to the Plan and such adjustments and actions thereunder as the Board may deem appropriate under the circumstances.

10. Government and Other Regulations.

The obligations of Conexant to deliver Shares upon exercise of options granted under Section 6 of the Plan, pursuant to an election made under Section 7 of the Plan or pursuant to a grant made under Section 8 of the Plan shall be subject to (i) all applicable laws, rules and regulations and such approvals by any governmental agencies as may be required, including, without limitation, compliance with the Securities Act of 1933, as amended, and (ii) the condition that such Shares shall have been duly listed and approved for quotation and trading in the NASDAQ reporting system.

11. Amendment and Termination of the Plan.

The Plan may be amended by the Board in any respect, provided that, without shareowner approval, no amendment shall materially (i) increase the maximum number of Shares available for delivery under the Plan (other than as provided for in Section 3 hereof and adjustments pursuant to Section 9 hereof), (ii) increase the benefits accruing to participants under the Plan, or (iii) modify the requirements as to eligibility for participation in the Plan. The Plan may also be terminated at any time by the Board.

12. Miscellaneous.

(a) If a Change of Control as defined in Article III, Section 13(I)(1) of Conexant's By-Laws shall occur, all options then outstanding pursuant to the Plan shall forthwith become fully exercisable, whether or not then exercisable, and the restrictions on all Shares granted as Restricted Shares under the Plan shall

forthwith lapse; *provided, however*, that each such option shall expire at the earlier of five (5) years from the date of the Change of Control or the expiration date specified in the option.

(b) Nothing contained in the Plan shall be deemed to confer upon any person any right to continue as a director of or to be associated in any other way with Conexant.

(c) To the extent that Federal laws do not otherwise control, the Plan and all determinations made and actions taken pursuant hereto shall be governed by the laws of the State of Delaware.

(a) Such requirements as the Securities and Exchange Commission may establish for administrators acting under plans intended to qualify for exemption under Rule 16b-3 (or its successor) under the Exchange Act; and

(b) Such requirements as the Internal Revenue Service may establish for outside directors acting under plans intended to qualify for exemption under Section 162(m)(4)(C) of the Code.

2.2 *Committee Responsibilities.* The Committee shall (a) select the Employees, Outside Directors and Consultants who are to receive Awards under the Plan, (b) determine the type, number, vesting requirements and other features and conditions of such Awards, (c) interpret the Plan and (d) make all other decisions relating to the operation of the Plan. The Committee may adopt such rules or guidelines as it deems appropriate to implement the Plan. The Committee's determinations under the Plan shall be final and binding on all persons.

2.3 *Committee for Non-Officer Grants.* The Board may also appoint a secondary committee of the Board, which shall be composed of one or more directors of the Corporation who need not satisfy the requirements of Section 2.1. Such secondary committee may administer the Plan with respect to Employees and Consultants who are not considered officers or directors of the Corporation under Section 16 of the Exchange Act, may grant Awards under the Plan to such Employees and Consultants and may determine all features and conditions of such Awards. Within the limitations of this Section 2.3, any reference in the Plan to the Committee shall include such secondary committee.

ARTICLE 3. SHARES AVAILABLE FOR GRANTS.

3.1 *Basic Limitation.* Shares of Common Stock issued pursuant to the Plan may be authorized but unissued shares or treasury shares. The aggregate number of Options, SARs, Stock Units and Restricted Shares awarded under the Plan shall not exceed (a) 3,000,000, plus shares remaining available for issuance under the Predecessor Plan, plus (b) the additional shares of Common Stock described in Sections 3.2 and 3.3. The limitation of this Section 3.1 shall be subject to adjustment pursuant to Article 11.

3.2 *Annual Increase in Shares.* Commencing on the date of the IPO and continuing each May 1 beginning with the year 2000 through 2002, the aggregate number of Options, SARs, Stock Units and Restricted Shares that may be awarded under the Plan shall automatically increase by a number equal to the lesser of (a) 5% of the total number of shares of Common Stock then outstanding or (b) 3,000,000 shares.

3.3 *Additional Shares.* If Restricted Shares or shares of Common Stock issued upon the exercise of Options are forfeited (including any options incorporated from the Predecessor Plan), then such shares of Common Stock shall again become available for Awards under the Plan. If Stock Units, Options or SARs are forfeited or terminate for any other reason before being exercised, then the corresponding shares of Common Stock shall again become available for Awards under the Plan. If Stock Units are settled, then only the number of shares of Common Stock (if any) actually issued in settlement of such Stock Units shall reduce the number available under Section 3.1 and the balance shall again become available for Awards under the Plan. If SARs are exercised, then only the number of shares of Common Stock (if any) actually issued in settlement of such SARs shall reduce the number available under Section 3.1 and the balance shall again become available for Awards under the Plan. The foregoing notwithstanding, the aggregate number of shares of Common Stock that may be issued under the Plan upon the exercise of ISOs shall not be increased when Restricted Shares or other shares of Common Stock are forfeited.

3.4 *Dividend Equivalents.* Any dividend equivalents paid or credited under the Plan shall not be applied against the number of Restricted Shares, Stock Units, Options or SARs available for Awards, whether or not such dividend equivalents are converted into Stock Units.

ARTICLE 4. ELIGIBILITY.

4.1 *Incentive Stock Options.* Only Employees who are common-law employees of the Corporation, a Parent or a Subsidiary shall be eligible for the grant of ISOs. In addition, an Employee who owns more than 10% of the total combined voting power of all classes of outstanding stock of the Corporation or any of its Parents or Subsidiaries shall not be eligible for the grant of an ISO unless the requirements set forth in Section 422(c)(6) of the Code are satisfied.

4.2 *Other Grants.* Only Employees, Outside Directors and Consultants shall be eligible for the grant of Restricted Shares, Stock Units, NSOs or SARs.

ARTICLE 5. OPTIONS.

5.1 *Stock Option Agreement.* Each grant of an Option under the Plan shall be evidenced by a Stock Option Agreement between the Optionee and the Corporation. Such Option shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The Stock Option Agreement shall specify whether the Option is an ISO or an NSO. The provisions of the various Stock Option Agreements entered into under the Plan need not be identical. Options may be granted in consideration of a reduction in the Optionee's other compensation. A Stock Option Agreement may provide that a new Option will be granted automatically to the Optionee when he or she exercises a prior Option and pays the Exercise Price in the form described in Section 6.2.

5.2 *Number of Shares.* Each Stock Option Agreement shall specify the number of shares of Common Stock subject to the Option and shall provide for the adjustment of such number in accordance with Article 11. Options granted to any Optionee in a single fiscal year of the Corporation shall not cover more than 2,250,000 shares of Common Stock, except that Options granted to a new Employee in the fiscal year of the Corporation in which his or her service as an Employee first commences shall not cover more than 3,000,000 shares of Common Stock. The limitations set forth in the preceding sentence shall be subject to adjustment in accordance with Article 11.

5.3 *Exercise Price.* Each Stock Option Agreement shall specify the Exercise Price; provided that the Exercise Price under an ISO shall in no event be less than 100% of the Fair Market Value of a share of Common Stock on the date of grant and the Exercise Price under an NSO shall in no event be less

than 85% of the Fair Market Value of a share of Common Stock on the date of grant. In the case of an NSO, a Stock Option Agreement may specify an Exercise Price that varies in accordance with a predetermined formula while the NSO is outstanding.

5.4 *Exercisability and Term.* Each Stock Option Agreement shall specify the date or event when all or any installment of the Option is to become exercisable. The Stock Option Agreement shall also specify the term of the Option; provided that the term of an ISO shall in no event exceed 10 years from the date of grant. A Stock Option Agreement may provide for accelerated exercisability in the event of the Optionee's death, disability or retirement or other events and may provide for expiration prior to the end of its term in the event of the termination of the Optionee's service. Options may be awarded in combination with SARs, and such an Award may provide that the Options will not be exercisable unless the related SARs are forfeited.

5.5 *Modification or Assumption of Options.* Within the limitations of the Plan, the Committee may modify, extend or assume outstanding options or may accept the cancellation of outstanding options (whether granted by the Corporation or by another issuer) in return for the grant of new options for the same or a different number of shares and at the same or a different exercise price. The foregoing notwithstanding, no modification of an Option shall, without the consent of the Optionee, alter or impair his or her rights or obligations under such Option.

5.6 *Buyout Provisions.* The Committee may at any time (a) offer to buy out for a payment in cash or cash equivalents an Option previously granted or (b) authorize an Optionee to elect to cash out an Option previously granted, in either case at such time and based upon such terms and conditions as the Committee shall establish.

ARTICLE 6. PAYMENT FOR OPTION SHARES.

6.1 *General Rule.* The entire Exercise Price of shares of Common Stock issued upon exercise of Options shall be payable in cash or cash equivalents at the time when such shares of Common Stock are purchased, except as follows:

(a) In the case of an ISO granted under the Plan, payment shall be made only pursuant to the express provisions of the applicable Stock Option Agreement. The Stock Option Agreement may specify that payment may be made in any form(s) described in this Article 6.

(b) In the case of an NSO, the Committee may at any time accept payment in any form(s) described in this Article 6.

6.2 *Surrender of Common Stock.* To the extent that this Section 6.2 is applicable, all or any part of the Exercise Price may be paid by surrendering, or attesting to the ownership of, shares of Common Stock that are already owned by the Optionee. Such shares of Common Stock shall be valued at their Fair Market Value on the date when the new shares of Common Stock are purchased under the Plan. The Optionee shall not surrender, or attest to the ownership of, shares of Common Stock in payment of the Exercise Price if such action would cause the Corporation to recognize compensation expense (or additional compensation expense) with respect to the Option for financial reporting purposes.

6.3 *Exercise/Sale.* To the extent that this Section 6.3 is applicable, all or any part of the Exercise Price and any withholding taxes may be paid by delivering (on a form prescribed by the Corporation) an irrevocable direction to a securities broker approved by the Corporation to sell all or part of the shares of Common Stock being purchased under the Plan and to deliver all or part of the sales proceeds to the Corporation.

6.4 *Exercise/Pledge.* To the extent that this Section 6.4 is applicable, all or any part of the Exercise Price and any withholding taxes may be paid by delivering (on a form prescribed by the Corporation) an irrevocable direction to pledge all or part of the shares of Common Stock being purchased under the Plan to a securities broker or lender approved by the Corporation, as security for a loan, and to deliver all or part of the loan proceeds to the Corporation.

6.5 *Promissory Note.* To the extent that this Section 6.5 is applicable, all or any part of the Exercise Price and any withholding taxes may be paid by delivering (on a form prescribed by the Corporation) a full-recourse promissory note. However, the par value of the shares of Common Stock being purchased under the Plan, if newly issued, shall be paid in cash or cash equivalents.

6.6 *Other Forms of Payment.* To the extent that this Section 6.6 is applicable, all or any part of the Exercise Price and any withholding taxes may be paid in any other form that is consistent with applicable laws, regulations and rules.

ARTICLE 7. STOCK APPRECIATION RIGHTS.

7.1 *SAR Agreement.* Each grant of a SAR under the Plan shall be evidenced by an SAR Agreement between the Optionee and the Corporation. Such SAR shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The provisions of the various SAR Agreements entered into under the Plan need not be identical. SARs may be granted in consideration of a reduction in the Optionee's other compensation.

7.2 *Number of Shares.* Each SAR Agreement shall specify the number of shares of Common Stock to which the SAR pertains and shall provide for the adjustment of such number in accordance with Article 11. SARs granted to any Optionee in a single calendar year shall in no event pertain to more than 2,250,000 shares of Common Stock, except that SARs granted to a new Employee in the fiscal year of the Corporation in which his or her service as an Employee first commences shall not pertain to more than 3,000,000 shares of Common Stock. The limitations set forth in the preceding sentence shall be subject to adjustment in accordance with Article 11.

7.3 *Exercise Price.* Each SAR Agreement shall specify the Exercise Price. A SAR Agreement may specify an Exercise Price that varies in accordance with a predetermined formula while the SAR is outstanding.

7.4 *Exercisability and Term.* Each SAR Agreement shall specify the date when all or any installment of the SAR is to become exercisable. The SAR Agreement shall also specify the term of the SAR. An SAR Agreement may provide for accelerated exercisability in the event of the Optionee's death, disability or retirement or other events and may provide for expiration prior to the end of its term in the event of the termination of the Optionee's service. SARs may be awarded in combination with Options, and such an Award may provide that the SARs will not be exercisable unless the related Options are forfeited. An SAR may be included in an ISO only at the time of grant but may be included in an NSO at the time of grant or thereafter. A SAR granted under the Plan may provide that it will be exercisable only in the event of a Change in Control.

7.5 *Exercise of SARs.* Upon exercise of a SAR, the Optionee (or any person having the right to exercise the SAR after his or her death) shall receive from the Corporation (a) shares of Common Stock, (b) cash or (c) a combination of shares of Common Stock and cash, as the Committee shall determine. The amount of cash and/or the Fair Market Value of shares of Common Stock received upon exercise of SARs shall, in the aggregate, be equal to the amount by which the Fair Market Value (on the date of surrender) of the shares of Common Stock subject to the SARs exceeds the Exercise Price. If, on the date when an SAR expires, the Exercise Price under such SAR is less than the Fair Market Value on such date but any portion of such SAR has not been exercised or surrendered, then such SAR shall automatically be deemed to be exercised as of such date with respect to such portion.

7.6 *Modification or Assumption of SARs.* Within the limitations of the Plan, the Committee may modify, extend or assume outstanding SARs or may accept the cancellation of outstanding SARs (whether granted by the Corporation or by another issuer) in return for the grant of new SARs for the same or a different number of shares and at the same or a different exercise price. The foregoing notwithstanding, no modification of an SAR shall, without the consent of the Optionee, alter or impair his or her rights or obligations under such SAR.

ARTICLE 8. RESTRICTED SHARES.

8.1 *Restricted Stock Agreement.* Each grant of Restricted Shares under the Plan shall be evidenced by a Restricted Stock Agreement between the recipient and the Corporation. Such Restricted Shares shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The provisions of the various Restricted Stock Agreements entered into under the Plan need not be identical.

8.2 *Payment for Awards.* Subject to the following sentence, Restricted Shares may be sold or awarded under the Plan for such consideration as the Committee may determine, including (without limitation) cash, cash equivalents, full-recourse promissory notes, past services and future services. To the extent that an Award consists of newly issued Restricted Shares, the Award recipient shall furnish consideration with a value not less than the par value of such Restricted Shares in the form of cash, cash equivalents or past services rendered to the Corporation (or a Parent or Subsidiary), as the Committee may determine.

8.3 *Vesting Conditions.* Each award of Restricted Shares may or may not be subject to vesting. Vesting shall occur, in full or in installments, upon satisfaction of the conditions specified in the Restricted Stock Agreement. A Restricted Stock Agreement may provide for accelerated vesting in the event of the Participant's death, disability or retirement or other events.

8.4 *Voting and Dividend Rights.* The holders of Restricted Shares awarded under the Plan shall have the same voting, dividend and other rights as the Corporation's other stockholders. A Restricted Stock Agreement, however, may require that the holders of Restricted Shares invest any cash dividends received in additional Restricted Shares. Such additional Restricted Shares shall be subject to the same conditions and restrictions as the Award with respect to which the dividends were paid.

ARTICLE 9. STOCK UNITS.

9.1 *Stock Unit Agreement.* Each grant of Stock Units under the Plan shall be evidenced by a Stock Unit Agreement between the recipient and the Corporation. Such Stock Units shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The provisions of the various Stock Unit Agreements entered into under the Plan need not be identical. Stock Units may be granted in consideration of a reduction in the recipient's other compensation.

9.2 *Payment for Awards.* To the extent that an Award is granted in the form of Stock Units, no cash consideration shall be required of the Award recipients.

9.3 *Vesting Conditions.* Each Award of Stock Units may or may not be subject to vesting. Vesting shall occur, in full or in installments, upon satisfaction of the conditions specified in the Stock Unit Agreement. A Stock Unit Agreement may provide for accelerated vesting in the event of the Participant's death, disability or retirement or other events.

9.4 *Voting and Dividend Rights.* The holders of Stock Units shall have no voting rights. Prior to settlement or forfeiture, any Stock Unit awarded under the Plan may, at the Committee's discretion, carry with it a right to dividend equivalents. Such right entitles the holder to be credited with an amount equal to all cash dividends paid on one share of Common Stock while the Stock Unit is outstanding. Dividend equivalents may be converted into additional Stock Units. Settlement of dividend equivalents may be made in the form of cash, in the form of shares of Common Stock, or in a combination of both. Prior to distribution, any dividend equivalents which are not paid shall be subject to the same conditions and restrictions as the Stock Units to which they attach.

9.5 *Form and Time of Settlement of Stock Units.* Settlement of vested Stock Units may be made in the form of (a) cash, (b) shares of Common Stock or (c) any combination of both, as determined by the Committee. The actual number of Stock Units eligible for settlement may be larger or smaller than the number included in the original Award, based on predetermined performance factors. Methods of converting Stock Units into cash may include (without limitation) a method based on the average Fair

Market Value of shares of Common Stock over a series of trading days. Vested Stock Units may be settled in a lump sum or in installments. The distribution may occur or commence when all vesting conditions applicable to the Stock Units have been satisfied or have lapsed, or it may be deferred to any later date. The amount of a deferred distribution may be increased by an interest factor or by dividend equivalents. Until an Award of Stock Units is settled, the number of such Stock Units shall be subject to adjustment pursuant to Article 11.

9.6 *Death of Recipient.* Any Stock Unit Award that becomes payable after the recipient's death shall be distributed to the recipient's beneficiary or beneficiaries. Each recipient of a Stock Unit Award under the Plan shall designate one or more beneficiaries for this purpose by filing the prescribed form with the Corporation. A beneficiary designation may be changed by filing the prescribed form with the Corporation at any time before the Award recipient's death. If no beneficiary was designated or if no designated beneficiary survives the Award recipient, then any Stock Unit Award that becomes payable after the recipient's death shall be distributed to the recipient's estate.

9.7 *Creditors' Rights.* A holder of Stock Units shall have no rights other than those of a general creditor of the Corporation. Stock Units represent an unfunded and unsecured obligation of the Corporation, subject to the terms and conditions of the applicable Stock Unit Agreement.

ARTICLE 10. CHANGE IN CONTROL.

10.1 *Effect of Change in Control.* In the event of any Change in Control, each outstanding Award shall automatically accelerate so that each such Award shall, immediately prior to the effective date of the Change in Control, become fully exercisable for all of the shares of Common Stock at the time subject to such Award and may be exercised for any or all of those shares as fully-vested shares of Common Stock. However, an outstanding Award shall **not** so accelerate if and to the extent such Award is, in connection with the Change in Control, either to be assumed by the successor corporation (or parent thereof) or to be replaced with a comparable Award for shares of the capital stock of the successor corporation (or parent thereof). The determination of Award comparability shall be made by the Plan Administrator, and its determination shall be final, binding and conclusive.

10.2 *Involuntary Termination.* In addition, in the event that the Award is assumed by the successor corporation (or parent thereof) and the Participant experiences an Involuntary Termination within twelve months following a Change in Control, each outstanding Award shall automatically accelerate so that each such Award shall, immediately prior to the effective date of the Involuntary Termination, become fully exercisable for all of the shares of Common Stock at the time subject to such Award and may be exercised for any or all of those shares as fully-vested shares of Common Stock.

ARTICLE 11. PROTECTION AGAINST DILUTION.

11.1 *Adjustments.* In the event of a subdivision of the outstanding shares of Common Stock, a declaration of a dividend payable in shares of Common Stock, a declaration of a dividend payable in a form other than shares of Common Stock in an amount that has a material effect on the price of shares of Common Stock, a combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise) into a lesser number of shares of Common Stock, a recapitalization, a spin-off or a similar occurrence, the Committee shall make such adjustments as it, in its sole discretion, deems appropriate in one or more of:

- (a) The number of Options, SARs, Restricted Shares and Stock Units available for future Awards under Article 3;
- (b) The limitations set forth in Sections 5.2 and 8.2;
- (c) The number of shares of Common Stock covered by each outstanding Option and SAR;
- (d) The Exercise Price under each outstanding Option and SAR; or
- (e) The number of Stock Units included in any prior Award which has not yet been settled.

Except as provided in this Article 11, a Participant shall have no rights by reason of any issue by the Corporation of stock of any class or securities convertible into stock of any class, any subdivision or consolidation of shares of stock of any class, the payment of any stock dividend or any other increase or decrease in the number of shares of stock of any class.

11.2 *Dissolution or Liquidation.* To the extent not previously exercised or settled, Options, SARs and Stock Units shall terminate immediately prior to the dissolution or liquidation of the Corporation.

11.3 *Reorganizations.* In the event that the Corporation is a party to a merger or other reorganization, outstanding Awards shall be subject to the agreement of merger or reorganization. Such agreement shall provide for (a) the continuation of the outstanding Awards by the Corporation, if the Corporation is a surviving corporation, (b) the assumption of the outstanding Awards by the surviving corporation or its parent or subsidiary, (c) the substitution by the surviving corporation or its parent or subsidiary of its own awards for the outstanding Awards, (d) full exercisability or vesting and accelerated expiration of the outstanding Awards or (e) settlement of the full value of the outstanding Awards in cash or cash equivalents followed by cancellation of such Awards.

ARTICLE 12. DEFERRAL OF AWARDS.

The Committee (in its sole discretion) may permit or require a Participant to:

(a) Have cash that otherwise would be paid to such Participant as a result of the exercise of an SAR or the settlement of Stock Units credited to a deferred compensation account established for such Participant by the Committee as an entry on the Corporation's books;

(b) Have shares of Common Stock that otherwise would be delivered to such Participant as a result of the exercise of an Option or SAR converted into an equal number of Stock Units; or

(c) Have shares of Common Stock that otherwise would be delivered to such Participant as a result of the exercise of an Option or SAR or the settlement of Stock Units converted into amounts credited to a deferred compensation account established for such Participant by the Committee as an entry on the Corporation's books. Such amounts shall be determined by reference to the Fair Market Value of such shares of Common Stock as of the date when they otherwise would have been delivered to such Participant.

A deferred compensation account established under this Article 12 may be credited with interest or other forms of investment return, as determined by the Committee. A Participant for whom such an account is established shall have no rights other than those of a general creditor of the Corporation. Such an account shall represent an unfunded and unsecured obligation of the Corporation and shall be subject to the terms and conditions of the applicable agreement between such Participant and the Corporation. If the deferral or conversion of Awards is permitted or required, the Committee (in its sole discretion) may establish rules, procedures and forms pertaining to such Awards, including (without limitation) the settlement of deferred compensation accounts established under this Article 12.

ARTICLE 13. AWARDS UNDER OTHER PLANS.

The Corporation may grant awards under other plans or programs. Such awards may be settled in the form of shares of Common Stock issued under this Plan. Such shares of Common Stock shall be treated for all purposes under the Plan like shares of Common Stock issued in settlement of Stock Units and shall, when issued, reduce the number of shares of Common Stock available under Article 3.

ARTICLE 14. PAYMENT OF DIRECTOR'S FEES IN SECURITIES.

14.1 *Effective Date.* No provision of this Article 14 shall be effective unless and until the Board has determined to implement such provision.

14.2 *Elections to Receive NSOs, Restricted Shares or Stock Units.* An Outside Director may elect to receive his or her annual retainer payments and/or meeting fees from the Corporation in the form of cash, NSOs, Restricted Shares or Stock Units, or a combination thereof, as determined by the Board.

Such NSOs, Restricted Shares and Stock Units shall be issued under the Plan. An election under this Article 14 shall be filed with the Corporation on the prescribed form.

14.3 *Number and Terms of NSOs, Restricted Shares or Stock Units.* The number of NSOs, Restricted Shares or Stock Units to be granted to Outside Directors in lieu of annual retainers and meeting fees that would otherwise be paid in cash shall be calculated in a manner determined by the Board. The terms of such NSOs, Restricted Shares or Stock Units shall also be determined by the Board.

ARTICLE 15. LIMITATION ON RIGHTS.

15.1 *Retention Rights.* Neither the Plan nor any Award granted under the Plan shall be deemed to give any individual a right to remain an Employee, Outside Director or Consultant. The Corporation and its Parents, Subsidiaries and Affiliates reserve the right to terminate the service of any Employee, Outside Director or Consultant at any time, with or without cause, subject to applicable laws, the Corporation's certificate of incorporation and by-laws and a written employment agreement (if any).

15.2 *Stockholders' Rights.* A Participant shall have no dividend rights, voting rights or other rights as a stockholder with respect to any shares of Common Stock covered by his or her Award prior to the time when a stock certificate for such shares of Common Stock is issued or, if applicable, the time when he or she becomes entitled to receive such shares of Common Stock by filing any required notice of exercise and paying any required Exercise Price. No adjustment shall be made for cash dividends or other rights for which the record date is prior to such time, except as expressly provided in the Plan.

15.3 *Regulatory Requirements.* Any other provision of the Plan notwithstanding, the obligation of the Corporation to issue shares of Common Stock under the Plan shall be subject to all applicable laws, rules and regulations and such approval by any regulatory body as may be required. The Corporation reserves the right to restrict, in whole or in part, the delivery of shares of Common Stock pursuant to any Award prior to the satisfaction of all legal requirements relating to the issuance of such shares of Common Stock, to their registration, qualification or listing or to an exemption from registration, qualification or listing.

ARTICLE 16. WITHHOLDING TAXES.

16.1 *General.* To the extent required by applicable federal, state, local or foreign law, a Participant or his or her successor shall make arrangements satisfactory to the Corporation for the satisfaction of any withholding tax obligations that arise in connection with the Plan. The Corporation shall not be required to issue any shares of Common Stock or make any cash payment under the Plan until such obligations are satisfied.

16.2 *Share Withholding.* The Committee may permit a Participant to satisfy all or part of his or her withholding or income tax obligations by having the Corporation withhold all or a portion of any shares of Common Stock that otherwise would be issued to him or her or by surrendering all or a portion of any shares of Common Stock that he or she previously acquired. Such shares of Common Stock shall be valued at their Fair Market Value on the date when taxes otherwise would be withheld in cash.

ARTICLE 17. FUTURE OF THE PLAN.

17.1 *Term of the Plan.* The Plan, as set forth herein, shall become effective as of the date of the IPO. The Plan shall remain in effect until it is terminated under Section 17.2, except that no ISOs shall be granted on or after the 10th anniversary of the later of (a) the date when the Board adopted the Plan or (b) the date when the Board adopted the most recent increase in the number of shares of Common Stock available under Article 3 which was approved by the Corporation's stockholders.

17.2 *Amendment or Termination.* The Board may, at any time and for any reason, amend or terminate the Plan. An amendment of the Plan shall be subject to the approval of the Corporation's stockholders only to the extent required by applicable laws, regulations or rules. No Awards shall be granted under the Plan after the termination thereof. The termination of the Plan, or any amendment thereof, shall not affect any Award previously granted under the Plan.

1999 SUPPLEMENTAL STOCK OPTION PLAN

AS AMENDED

ARTICLE 1. INTRODUCTION.

The Plan was adopted by the Board to be effective as of the date of adoption. The purpose of the Plan is to promote the long-term success of the Corporation and the creation of stockholder value by (a) encouraging Employees and Consultants to focus on critical long-range objectives, (b) encouraging the attraction and retention of Employees, and Consultants with exceptional qualifications and (c) linking Employees and Consultants directly to stockholder interests through increased stock ownership. The Plan seeks to achieve this purpose by providing for Options (which shall be nonstatutory stock options).

The Plan shall be governed by, and construed in accordance with, the laws of the State of Delaware (except their choice-of-law provisions).

ARTICLE 2. ADMINISTRATION.

2.1 *Committee Composition.* The Plan shall be administered by the Committee. The Committee shall consist exclusively of one or more directors of the Corporation, who shall be appointed by the Board.

2.2 *Committee Responsibilities.* The Committee shall (a) select the Employees, and Consultants who are to receive option grants under the Plan, (b) determine the number, vesting requirements and other features and conditions of such option grants, (c) interpret the Plan and (d) make all other decisions relating to the operation of the Plan. The Committee may adopt such rules or guidelines as it deems appropriate to implement the Plan. The Committee's determinations under the Plan shall be final and binding on all persons.

ARTICLE 3. SHARES AVAILABLE FOR GRANTS.

3.1 *Basic Limitation.* Shares of Common Stock issued pursuant to the Plan may be authorized but unissued shares or treasury shares. The aggregate number of Options granted under the Plan shall not exceed (a) 26,189,363, plus (b) the additional shares of Common Stock described in Section 3.2. The limitation of this Section 3.1 shall be subject to adjustment pursuant to Article 8.

3.2 *Additional Shares.* If shares of Common Stock issued upon the exercise of Options are forfeited, then such shares of Common Stock shall again become available for option grants under the Plan. If Options are forfeited or terminate for any other reason before being exercised, then the corresponding shares of Common Stock shall again become available for option grants under the Plan.

ARTICLE 4. ELIGIBILITY.

4.1 *Grants.* Only Employees and Consultants shall be eligible for the grant of Options. Officers are not eligible for the grant of Options.

ARTICLE 5. OPTIONS.

5.1 *Stock Option Agreement.* Each grant of an Option under the Plan shall be evidenced by a Stock Option Agreement between the Optionee and the Corporation. Such Option shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The provisions of the various Stock Option Agreements entered into under the Plan need not be identical. Options may be granted in consideration of a reduction in the Optionee's other compensation. A Stock Option Agreement may provide that a new Option will be granted automatically to the Optionee when he or she exercises a prior Option and pays the Exercise Price in the form described in Section 6.2.

5.2 *Number of Shares.* Each Stock Option Agreement shall specify the number of shares of Common Stock subject to the Option and shall provide for the adjustment of such number in accordance with Article 8.

5.3 *Exercise Price.* Each Stock Option Agreement shall specify the Exercise Price; provided that the Exercise Price under an NSO shall in no event be less than 25% of the Fair Market Value of a share of Common Stock on the date of grant. In the case of an NSO, a Stock Option Agreement may specify an Exercise Price that varies in accordance with a predetermined formula while the NSO is outstanding.

5.4 *Exercisability and Term.* Each Stock Option Agreement shall specify the date or event when all or any installment of the Option is to become exercisable. The Stock Option Agreement shall also specify the term of the Option. A Stock Option Agreement may provide for accelerated exercisability in the event of the Optionee's death, disability or retirement or other events and may provide for expiration prior to the end of its term in the event of the termination of the Optionee's service.

5.5 *Modification or Assumption of Options.* Within the limitations of the Plan, the Committee may modify, extend or assume outstanding options or may accept the cancellation of outstanding options (whether granted by the Corporation or by another issuer) in return for the grant of new options for the same or a different number of shares and at the same or a different exercise price. The foregoing notwithstanding, no modification of an Option shall, without the consent of the Optionee, alter or impair his or her rights or obligations under such Option.

5.6 *Buyout Provisions.* The Committee may at any time (a) offer to buy out for a payment in cash or cash equivalents an Option previously granted or (b) authorize an Optionee to elect to cash out an Option previously granted, in either case at such time and based upon such terms and conditions as the Committee shall establish.

ARTICLE 6. PAYMENT FOR OPTION SHARES.

6.1 *General Rule.* The entire Exercise Price of shares of Common Stock issued upon exercise of Options shall be payable in cash or cash equivalents at the time when such shares of Common Stock are purchased. The Committee may at any time accept payment in any form(s) described in this Article 6.

6.2 *Surrender of Common Stock.* To the extent that this Section 6.2 is applicable, all or any part of the Exercise Price may be paid by surrendering, or attesting to the ownership of, shares of Common Stock that are already owned by the Optionee. Such shares of Common Stock shall be valued at their Fair Market Value on the date when the new shares of Common Stock are purchased under the Plan. The Optionee shall not surrender, or attest to the ownership of, shares of Common Stock in payment of the Exercise Price if such action would cause the Corporation to recognize compensation expense (or additional compensation expense) with respect to the Option for financial reporting purposes.

6.3 *Exercise/Sale.* To the extent that this Section 6.3 is applicable, all or any part of the Exercise Price and any withholding taxes may be paid by delivering (on a form prescribed by the Corporation) an irrevocable direction to a securities broker approved by the Corporation to sell all or part of the shares of Common Stock being purchased under the Plan and to deliver all or part of the sales proceeds to the Corporation.

6.4 *Exercise/Pledge.* To the extent that this Section 6.4 is applicable, all or any part of the Exercise Price and any withholding taxes may be paid by delivering (on a form prescribed by the Corporation) an irrevocable direction to pledge all or part of the shares of Common Stock being purchased under the Plan to a securities broker or lender approved by the Corporation, as security for a loan, and to deliver all or part of the loan proceeds to the Corporation.

6.5 *Promissory Note.* To the extent that this Section 6.5 is applicable, all or any part of the Exercise Price and any withholding taxes may be paid by delivering (on a form prescribed by the Corporation) a full-recourse promissory note. However, the par value of the shares of Common Stock being purchased under the Plan, if newly issued, shall be paid in cash or cash equivalents.

6.6 *Other Forms of Payment.* To the extent that this Section 6.6 is applicable, all or any part of the Exercise Price and any withholding taxes may be paid in any other form that is consistent with applicable laws, regulations and rules.

ARTICLE 7. CHANGE IN CONTROL.

7.1 *Effect of Change in Control.* In the event of any Change in Control, each outstanding Option shall automatically accelerate so that each such Option shall, immediately prior to the effective date of the Change in Control, become fully exercisable for all of the shares of Common Stock at the time subject to such Option and may be exercised for any or all of those shares as fully-vested shares of Common Stock. However, an outstanding Option shall not so accelerate if and to the extent such Option is, in connection with the Change in Control, either to be assumed by the successor corporation (or parent thereof) or to be replaced with a comparable Option for shares of the capital stock of the successor corporation (or parent thereof). The determination of Option comparability shall be made by the Plan Administrator, and its determination shall be final, binding and conclusive.

7.2 *Involuntary Termination.* In addition, in the event that the Option is assumed by the successor corporation (or parent thereof) and the Participant experiences an Involuntary Termination within twelve months following a Change in Control, each outstanding Option shall automatically accelerate so that each such Option shall, immediately prior to the effective date of the Involuntary Termination, become fully exercisable for all of the shares of Common Stock at the time subject to such Option and may be exercised for any or all of those shares as fully-vested shares of Common Stock.

ARTICLE 8. PROTECTION AGAINST DILUTION.

8.1 *Adjustments.* In the event of a subdivision of the outstanding shares of Common Stock, a declaration of a dividend payable in shares of Common Stock, a declaration of a dividend payable in a form other than shares of Common Stock in an amount that has a material effect on the price of shares of Common Stock, a combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise) into a lesser number of shares of Common Stock, a recapitalization, a spin-off or a similar occurrence, the Committee shall make such adjustments as it, in its sole discretion, deems appropriate in one or more of:

- (a) The number of shares available for future grant under Article 3;
- (b) The number of shares of Common Stock covered by each outstanding Option; or
- (c) The Exercise Price under each outstanding Option.

Except as provided in this Article 8, an Optionee shall have no rights by reason of any issue by the Corporation of stock of any class or securities convertible into stock of any class, any subdivision or consolidation of shares of stock of any class, the payment of any stock dividend or any other increase or decrease in the number of shares of stock of any class.

8.2 *Dissolution or Liquidation.* To the extent not previously exercised or settled, Options shall terminate immediately prior to the dissolution or liquidation of the Corporation.

8.3 *Reorganizations.* In the event that the Corporation is a party to a merger or other reorganization, outstanding Options shall be subject to the agreement of merger or reorganization. Such agreement shall provide for (a) the continuation of the outstanding Options by the Corporation, if the Corporation is a surviving corporation, (b) the assumption of the outstanding Options by the surviving corporation or its parent or subsidiary, (c) the substitution by the surviving corporation or its parent or subsidiary of its own awards for the outstanding Options, (d) full exercisability or vesting and accelerated expiration of the outstanding Options or (e) settlement of the full value of the outstanding Options in cash or cash equivalents followed by cancellation of such Awards.

ARTICLE 9. DEFERRAL OF AWARDS.

The Committee (in its sole discretion) may permit or require an Optionee to have shares of Common Stock that otherwise would be delivered to such Optionee as a result of the exercise of an Option converted into amounts credited to a deferred compensation account established for such Optionee by the Committee as an entry on the Corporation's books. Such amounts shall be determined by reference to the

Fair Market Value of such shares of Common Stock as of the date when they otherwise would have been delivered to such Optionee.

A deferred compensation account established under this Article 9 may be credited with interest or other forms of investment return, as determined by the Committee. An Optionee for whom such an account is established shall have no rights other than those of a general creditor of the Corporation. Such an account shall represent an unfunded and unsecured obligation of the Corporation and shall be subject to the terms and conditions of the applicable agreement between such Participant and the Corporation. If the deferral or conversion of Option is permitted or required, the Committee (in its sole discretion) may establish rules, procedures and forms pertaining to such Option, including (without limitation) the settlement of deferred compensation accounts established under this Article 9.

ARTICLE 10. LIMITATION ON RIGHTS.

10.1 *Retention Rights.* Neither the Plan nor any Option granted under the Plan shall be deemed to give any individual a right to remain an Employee, Outside Director or Consultant. The Corporation and its Parents, Subsidiaries and Affiliates reserve the right to terminate the service of any Employee, Outside Director or Consultant at any time, with or without cause, subject to applicable laws, the Corporation's certificate of incorporation and by-laws and a written employment agreement (if any).

10.2 *Stockholders Rights.* A Participant shall have no dividend rights, voting rights or other rights as a stockholder with respect to any shares of Common Stock covered by his or her Option prior to the time when a stock certificate for such shares of Common Stock is issued or, if applicable, the time when he or she becomes entitled to receive such shares of Common Stock by filing any required notice of exercise and paying any required Exercise Price. No adjustment shall be made for cash dividends or other rights for which the record date is prior to such time, except as expressly provided in the Plan.

10.3 *Regulatory Requirements.* Any other provision of the Plan notwithstanding, the obligation of the Corporation to issue shares of Common Stock under the Plan shall be subject to all applicable laws, rules and regulations and such approval by any regulatory body as may be required. The Corporation reserves the right to restrict, in whole or in part, the delivery of shares of Common Stock pursuant to any Option prior to the satisfaction of all legal requirements relating to the issuance of such shares of Common Stock, to their registration, qualification or listing or to an exemption from registration, qualification or listing.

ARTICLE 11. WITHHOLDING TAXES.

11.1 *General.* To the extent required by applicable federal, state, local or foreign law, a Participant or his or her successor shall make arrangements satisfactory to the Corporation for the satisfaction of any withholding tax obligations that arise in connection with the Plan. The Corporation shall not be required to issue any shares of Common Stock or make any cash payment under the Plan until such obligations are satisfied.

11.2 *Share Withholding.* The Committee may permit a Participant to satisfy all or part of his or her withholding or income tax obligations by having the Corporation withhold all or a portion of any shares of Common Stock that otherwise would be issued to him or her or by surrendering all or a portion of any shares of Common Stock that he or she previously acquired. Such shares of Common Stock shall be valued at their Fair Market Value on the date when taxes otherwise would be withheld in cash.

ARTICLE 12. FUTURE OF THE PLAN.

12.1 *Term of the Plan.* The Plan, as set forth herein, shall become effective as of the date of its adoption. The Plan shall remain in effect until it is terminated under Section 12.2.

12.2 *Amendment or Termination.* The Board may, at any time and for any reason, amend or terminate the Plan. An amendment of the Plan shall be subject to the approval of the Corporation's stockholders only to the extent required by applicable laws, regulations or rules. No Options shall be

SECTION 1. PURPOSE OF PLAN.

The purpose of this 1999 Stock Incentive Plan (the **Plan**) of GlobespanVirata, Inc., a Delaware corporation (the **Company**), is to enable the Company to attract, retain and motivate its employees, non-employee directors, independent contractors and consultants by providing for or increasing the proprietary interests of such employees, non-employee directors, independent contractors or consultants in the Company.

SECTION 2. PERSONS ELIGIBLE UNDER PLAN.

Any employee, non-employee director, independent contractor or consultant (each, a **Participant**) of the Company or any of its direct or indirect subsidiaries, including a corporation that becomes a subsidiary after the adoption of this Plan (each, a **Subsidiary**), shall be eligible to be considered for the grant of Awards (as defined in this Plan) under this Plan, provided that Incentive Stock Options (as defined herein) may only be granted to employees of the Company or any Subsidiary.

SECTION 3. AWARDS.

(a) On behalf of the Company, the Administrator (as defined in this Plan) is hereby authorized to enter into any type of arrangement with a Participant that is not inconsistent with the provisions of this Plan and that, by its terms, involves or might involve the issuance of common stock, par value \$0.001, of the Company (the **Common Stock**). The entering into of any such arrangement is referred to herein as the **grant** of an **Award**.

(b) Awards are not restricted to any specified form or structure and may include, without limitation, sales or bonuses of stock, restricted stock, stock options, reload stock options, stock purchase warrants, other rights to acquire stock, securities convertible into or redeemable for stock, stock appreciation rights, phantom stock, dividend equivalents, performance units or performance shares, and an Award may consist of one such security or benefit, or two or more of them in tandem or in the alternative.

(c) Awards may be issued, and shares of Common Stock may be issued pursuant to an Award, for any lawful consideration as determined by the Administrator, including, without limitation, services rendered by the recipient of such Award.

(d) Any Award of an option to acquire shares of Common Stock shall be granted subject to the terms, conditions and restrictions contained in a stock option agreement (a **Stock Option Agreement**) between the Participant and the Company. Subject to the provisions of this Plan, the Administrator, in its sole and absolute discretion, shall determine all of the terms and conditions of each Award granted under this Plan, which terms and conditions may include, among other things:

(i) a provision permitting the recipient of such Award, including any recipient who is a non-employee director or officer of the Company, to pay the purchase price of the shares of Common Stock or other property issuable pursuant to such Award, and such recipient's tax withholding obligation, if any, with respect to such issuance, in whole or in part, by the delivery of cash or a certified check payable to the Company;

(ii) a provision conditioning or accelerating the receipt of benefits pursuant to such Award, either automatically or in the discretion of the Administrator, upon the occurrence of specified events, including, without limitation, a Change of Control of the Company, an acquisition of a specified percentage of the voting power of the Company, the dissolution or liquidation of the Company, a sale of substantially all of the property and assets of the Company, the termination of the employment of

(A) a requirement that the exercise price for each Incentive Stock Option granted hereunder shall be not less than one hundred percent (100%) of the Fair Market Value (as defined in this Plan) of the Common Stock on the date such Award is granted to a Participant (110% if the Participant owns, directly or indirectly through the application of the attribution rules of Section 424(d) of the Code, stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, its parent and any Subsidiary);

(B) a provision that any Incentive Stock Option granted under this Plan shall by its terms be nontransferable by the Participant other than by will or the laws of descent and distribution (in which case such descendant or beneficiary shall be subject to all terms of the Plan applicable to Participants) and is exercisable during the Participant's lifetime only by the Participant or by the Participant's guardian or legal representative in the event of the Participant's death or disability;

(C) a provision that for so long as required under Section 422 of the Code and the regulations promulgated thereunder, during the term of the Plan, the aggregate Fair Market Value of the Common Stock with respect to which Incentive Stock Options are first exercisable by a Participant under this Plan and all other plans of the Company, its parent or any Subsidiary during any calendar year shall not exceed \$100,000 and options in excess of such amount shall be treated as non-qualified stock options. (E) a provision that the Participant notify the Company in writing of any sale or other disposition of shares of Common Stock acquired pursuant to an Incentive Stock Option if such sale or other disposition occurs (i) within two years of the grant of the Incentive Stock Option or (ii) within one year of the issuance of the shares of Common Stock to the Participant.

(iv) a right to repurchase the Common Stock acquired upon exercise of an Award if Participant's employment or association with the Company or any Subsidiary is terminated for any reason, or in other circumstances, at either the exercise price thereof or the Fair Market Value thereof on the last day of the month preceding the month in which such termination or other circumstance occurs. Such repurchase right shall be exercised for cash or cancellation of purchase money indebtedness for the shares within 90 days of termination of employment (or in the case of securities issued upon exercise of Awards after the date of termination, within 90 days after the date of exercise). Each certificate representing Common Stock subject to such provisions shall bear a legend to the effect that such shares are subject to certain repurchase rights of the Company; or

(v) a provision that upon a termination of employment for cause, the Participant will not be entitled to exercise any Award or other rights at any time after such termination. For purposes of this Plan, **cause** is defined as: (i) an act of dishonesty or willful misconduct; (ii) a breach of fiduciary duty owed to the Company, any Subsidiary or its stockholders involving personal profit or any other material breach of fiduciary duty; (iii) an act of fraud, embezzlement, malfeasance or misappropriation of Company property or any Subsidiary's property; (iv) a conviction of an illegal act or felony, or engaging in abuse of alcohol, illegal drugs or controlled substances; or (v) a willful failure to perform reasonable duties, responsibilities or instructions from the Company or any Subsidiary.

(e) Notwithstanding anything to the contrary herein, any Award of an option to acquire shares of Common Stock granted under this Plan shall comply with the following provisions:

(i) the exercise price per share of Common Stock of such option shall not be less than 85% of the Fair Market Value of a share of Common Stock at the time the option is granted (100% in case of an Incentive Stock Option), except that the exercise price shall be 110% of the Fair Market Value in the case of any person who owns, directly or indirectly through the application of the attribution rules of Section 424(d) of the Code, stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, its parent and any Subsidiary;

(ii) the exercise period of the option shall not be more than 120 months from the date the option is granted;

(iii) the option shall be nontransferable other than by will or the laws of descent and distribution;

(iv) the option shall vest at any time or during any period established by the Administrator;

(v) unless employment is terminated for cause (as defined above), the optionee shall be entitled to exercise his or her options after termination of employment as follows:

(A) at least six (6) months from the date of termination if termination was caused by death or disability within the meaning of Section 22(e)(3) of the Code; and

(B) at least thirty (30) days from the date of termination if termination was caused by other than death or disability;

(vi) the option shall be clearly identified as to its status as an Incentive Stock Option or a non-qualified stock option.
SECTION 4. STOCK SUBJECT TO PLAN.

(a) Subject to adjustment as provided in Section 7, at any time, the aggregate number of shares of Common Stock issued and issuable pursuant to all Awards (including all Incentive Stock Options) granted under this Plan following assumption of the Plan by the Company shall not exceed Fifteen Million Six Hundred Forty One Thousand Eight Hundred Fifty Four (15,641,854) shares; provided, however, that adjustments pursuant to Section 7 with respect to Incentive Stock Options issued under this Plan, shall be limited to those that will not adversely affect the status of options as Incentive Stock Options.

(b) Subject to adjustment as provided in Section 7, the aggregate number of shares of Common Stock issued and issuable pursuant to all options (including all Incentive Stock Options) granted under this Plan following assumption of the Plan by the Company shall not exceed Fifteen Million Six Hundred Forty One Thousand Eight Hundred Fifty Four (15,641,854) shares; provided, however, that adjustments pursuant to Section 7 with respect to Incentive Stock Options issued under this Plan, shall be limited to those that will not adversely affect the status of options as Incentive Stock Options.

(c) For purposes of Section 4(a) and (b) of this Plan, the aggregate number of shares of Common Stock issued and issuable pursuant to Awards granted under this Plan shall at any time be deemed to be equal to the sum of the following:

(i) the number of shares of Common Stock that were issued prior to such time pursuant to Awards granted under this Plan, other than shares of Common Stock that were subsequently reacquired by the Company pursuant to the terms and conditions of such Awards and with respect to which the holder thereof received no benefits of ownership, such as dividends; plus

(ii) the maximum number of shares of Common Stock that are or may be issuable at or after such time pursuant to Awards granted under this Plan prior to such time.

(d) For clarification purposes, if an Award expires or becomes unexercisable without having been exercised in full, or is surrendered or exchanged, the unpurchased shares of Common Stock which were subject thereto shall become available for future grant under the Plan (unless the Plan has terminated); *provided, however*, that shares of Common Stock that have actually been issued under the Plan shall not be returned to the Plan and shall not become available for future distribution under the Plan, unless they are repurchased by the Company at their original purchase price.

(e) The aggregate number of shares of Common Stock subject to Awards granted during any twelve-month period to any one Participant shall not exceed Four Million (4,000,000) shares. Such number shall be subject to adjustment as provided in Section 7; *provided, however*, that to the extent the Administrator deems necessary, adjustments pursuant to Section 7 shall be limited to those that will not adversely affect the status of Awards as performance-based compensation within the meaning of Section 162(m) of the Code.

SECTION 5. DURATION OF PLAN.

No Awards shall be made under this Plan after November 17, 2009. Although shares of Common Stock may be issued after November 17, 2009 pursuant to Awards made on or prior to such date, no

shares of Common Stock shall be issued under this Plan after November 17, 2019 (the **Termination Date**).

SECTION 6. ADMINISTRATION OF PLAN.

(a) This Plan shall be administered by the Board or, if one or more has been appointed, a Committee of the Board (collectively, the Administrator). The Administrator may delegate ministerial tasks to such persons as it deems appropriate. The Board may also delegate to one or more officers of the Company the authority to grant rights or options to the extent permitted by Section 157(c) of the Delaware General Corporation Law.

(b) Subject to the provisions of this Plan, the Administrator shall be authorized and empowered to do all things necessary or desirable in connection with the administration of this Plan, including, without limitation, the following:

(i) adopt, amend and rescind rules and regulations relating to this Plan;

(ii) determine which persons are Participants and to which of such Participants, if any, Awards shall be granted hereunder;

(iii) grant Awards to Participants and determine the terms and conditions thereof, including the number of shares of Common Stock issuable pursuant thereto;

(iv) accelerate the exercisability of an Award or extend the period during which an owner of an Award may exercise his or her rights under such Award (but not beyond the Termination Date);

(v) determine whether, and the extent to which adjustments are required pursuant to Section 7 hereof; and

(vi) interpret and construe this Plan and the terms and conditions of any Award granted this Plan.

SECTION 7. ADJUSTMENTS.

If the outstanding securities of the class then subject to this Plan are increased, decreased or exchanged for or converted into cash, property or a different number or kind of securities, or if cash, property or securities are distributed in respect of such outstanding securities, in either case as a result of a reorganization, merger, consolidation, recapitalization, restructuring, reclassification, dividend (other than a regular, quarterly cash dividend) or other distribution, stock split, reverse stock split or the like, or if substantially all of the property and assets of the Company are sold, then, unless the terms of such transaction or this Plan shall provide otherwise, the Administrator shall make appropriate and proportionate adjustments in (a) the number, exercise price and type of shares or other securities or cash or other property, as applicable, that may be acquired pursuant to Incentive Stock Options and other Awards theretofore granted under this Plan, (b) the maximum number and type of shares or other securities that may be issued pursuant to Incentive Stock Options and other Awards thereafter granted under this Plan, and (c) the maximum number of shares of Common Stock that may be subject to Awards granted during any twelve-month period to any Participant, as provided in Section 4(e) hereof; *provided, however*, that no adjustment shall be made to the number of shares of Common Stock that may be acquired pursuant to outstanding Incentive Stock Options or the maximum number of shares of Common Stock with respect to which Incentive Stock Options may be granted under this Plan to the extent such adjustment would result in such options being treated as other than Incentive Stock Options; *provided, further*, that no such adjustment shall be made to the extent the Administrator determines that such adjustment would result in the disallowance of a federal income tax deduction for compensation attributable to Awards hereunder by causing such compensation to be other than performance-based compensation within the meaning of Section 162(m)(4)(C) of the Code.

SECTION 8. AMENDMENT AND TERMINATION OF PLAN.

The Board may amend or terminate this Plan at any time and in any manner, subject to the following limitations:

(a) No such amendment or termination shall deprive the recipient of any Award theretofore granted under this Plan, without the consent of such recipient, of any of his or her rights thereunder or with respect thereto; and

(b) If an amendment to this Plan would (i) increase the maximum number of shares of Common Stock that may be issued pursuant to (A) all Awards granted under this Plan, (B) all Incentive Stock Options granted under this Plan, or (C) Awards granted under this Plan during any calendar year to any one Participant, (ii) change the class of persons eligible to receive Awards under this Plan, or (iii) affect this Plan's compliance with applicable provisions of the Code, as amended from time to time, the amendment shall be subject to approval by the Company's shareholders to the extent required to comply with Sections 422 and 162(m) of the Code, and other applicable provisions of or rules under the Code, as amended from time to time.

SECTION 9. EFFECTIVE DATE OF PLAN.

This Plan was adopted by the Board of Virata Corporation on September 21, 1999 and became effective upon the effectiveness of the Virata Corporation's initial public offering of the Common Stock. The Plan was assumed by the Company following its acquisition of Virata Corporation on December 14, 2001.

SECTION 10. DEFINITION OF FAIR MARKET VALUE.

For purposes of this Plan, **Fair Market Value** shall mean the market price of shares of Common Stock, determined by the Administrator in good faith on such basis as it deems appropriate. Whenever possible, the determination of Fair Market Value by the Administrator shall be based on the prices reported in The Wall Street Journal. Such determination shall be conclusive and binding on all persons.

SECTION 11. ADDITIONAL APPROVALS.

Notwithstanding Section 3(d) hereof, to the extent necessary and/or permitted and lawful for the Company to do so under UK law, if such law shall apply hereto, the approval by the affirmative votes of the holders of a majority of the securities of the Company shall be required for the exercise of any option granted hereunder which may be deemed a repurchase under UK law.

SECTION 12. NO STOCKHOLDER AND EMPLOYMENT RIGHTS.

(a) A Participant shall have no stockholder rights with respect to the shares of Common Stock subject to his or her outstanding Awards until such shares are purchased on the Participant's behalf in accordance with the provisions of the Plan and the Participant has become a holder of record of the purchased shares.

(b) Nothing in the Plan shall confer upon the Participant any right to continue in the employ of the Company, its parent or any Subsidiary for any period of specific duration or interfere with or otherwise restrict in any way the rights of the Company, its parent or any Subsidiary or of the Participant, which rights are hereby expressly reserved by each, to terminate such person's employment at any time for any reason, with or without cause.

e) the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees) and No. 1 (Codification of Auditing Standards and Procedures); and

f) a formal written statement prepared by the independent public accountants delineating all relationships between the independent public accountants and the Corporation consistent with Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and any disclosed relationships or services that may impact the objectivity and independence of the independent public accountants;

3) To review and approve in advance the fees charged and the scope and extent of any non-audit services performed by the independent public accountants;

4) To review and approve the appointment or change of the Corporation's Director of Internal Audit (however titled, the General Auditor) and review with the General Auditor:

a) the scope of the annual internal audit plan and the results of completed internal audits; and

b) confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters;

7) To receive from the independent public accountants a report at least annually regarding:

a) the Corporation's critical accounting policies and practices used in preparing the financial statements;

b) the alternative treatments of financial information according to Generally Accepted Accounting Principles (GAAP) related to material items discussed with management and the ramifications of alternative treatments and the independent public accountants' preferred treatment; and

c) all written communications between the independent public accountants and management;

8) To meet with the Corporation's Chief Executive Officer, Chief Financial Officer, General Counsel and other management personnel to review any issues related to the Corporation's financial reporting, internal controls, Standards of Business Conduct policies or other matters within the scope of the Committee's duties; and

9) To determine appropriate funding for ordinary administrative expenses of the Committee that are necessary or appropriate to carry out its duties, investigate any matter brought to its attention within the scope of its duties, and to engage and determine funding for consultants or independent counsel as the Committee deems appropriate.

The Committee is expected to maintain free and open communication with the public accounting firm, the internal auditors, and the Corporation's management. Such communication shall include, but not be limited to, private executive sessions, at least semi-annually, with each of these parties. The Committee chairperson shall report on Committee activities to the Board of Directors.

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Corporation's financial statements are complete and accurate and are in accordance with GAAP. Those duties are the responsibility of management and the independent auditors. Nor is it the duty of the Committee to conduct investigations, to resolve disagreements, if any, between management and the Corporation's independent auditors or to assure compliance with laws and regulations and the Corporation's Standards of Business Conduct policies.

PART II

The Delaware General Corporation Law permits Delaware corporations to eliminate or limit the monetary liability of directors for breach of their fiduciary duty of care, subject to certain limitations. Conexant's Certificate of Incorporation provides that Conexant's directors are not liable to Conexant or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (a) for any breach of the director's duty of loyalty to Conexant or its stockholders, (b) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (c) for willful or negligent violation of the laws governing the payment of dividends or the purchase or redemption of stock or (d) for any transaction from which a director derived an improper personal benefit. The Delaware General Corporation Law permits indemnification of directors, officers, employees and agents subject to certain limitations. Conexant's By-laws and the appendix thereto provide for the indemnification of Conexant's directors, officers, employees and agents to the extent permitted by Delaware law. Conexant's directors and officers are insured against certain liabilities for actions taken in such capacities, including liabilities under the Securities Act.

Item 22. Undertakings

(a) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

(b) The undersigned Registrant hereby undertakes that, prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this Registration Statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form; and

(c) The Registrant undertakes that every prospectus (i) that is filed pursuant to paragraph (b) immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Securities Act of 1933 and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to this Registration Statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(d) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

(e) The undersigned Registrant hereby undertakes to respond to requests for information that is incorporated by reference into the joint proxy statement/prospectus pursuant to Item 4, 10(b), 11 or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of this Registration Statement through the date of responding to the request.

(f) The undersigned Registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in this Registration Statement when it became effective.
