**PROXY STATEMENT  
For the Annual Meeting of Stockholders to be held on May 19, 2005**

**GENERAL INFORMATION**

We are providing these proxy materials in connection with the solicitation by the Board of Directors of Endo Pharmaceuticals Holdings Inc. ( Endo, the Company, we, or us ), a Delaware corporation, of proxies to be voted at our 2005 Annual Meeting of Stockholders to be held on May 19, 2005, beginning at 10:00 a.m., Eastern Standard Time. The Meeting will be held at the Best Western Concordville Inn, Route 1 (Baltimore Pike) and Route 322 (Conchester Highway), Concordville, Pennsylvania 19331.

This Proxy Statement and the enclosed proxy card are being mailed to stockholders on or about April 15, 2005.

**ANNUAL MEETING ADMISSION**

A Stockholder Admission Ticket is attached to your proxy card if you hold shares directly in your name as a stockholder of record. If you plan to attend the Annual Meeting, please vote your proxy but keep the Stockholder Admission Ticket and bring it with you to the Annual Meeting.

If your shares are held beneficially in the name of a bank, broker or other holder of record and you plan to attend the Annual Meeting, you must present proof of your ownership of Endo stock, such as a bank or brokerage account statement, to be admitted to the Annual Meeting. If you would rather have a Stockholder Admission Ticket, you can obtain one in advance by mailing a written request, along with proof of your ownership of Endo stock, to:

Endo Investor Relations  
100 Endo Boulevard  
Chadds Ford, PA 19317

Stockholders also must present a form of personal identification in order to be admitted to the Annual Meeting.

**No cameras, recording equipment, electronic devices, large bags, briefcases or packages will be permitted in the Meeting.**

**STOCKHOLDERS ENTITLED TO VOTE**

Each share of common stock is entitled to one vote on each matter properly brought before the Annual Meeting. Your proxy card indicates the number of votes you have.

**Table of Contents**

**HOW TO VOTE IF YOU ARE A STOCKHOLDER OF RECORD**

*Your vote is important. Stockholders of record can vote by mail or by attending the Annual Meeting and voting by ballot as described below.*

**Vote by Mail**

If you choose to vote by mail, simply mark your proxy card, date and sign it, and return it in the postage-paid envelope provided.

**Voting at the Annual Meeting**

Voting by mail will not limit your right to vote at the Annual Meeting if you decide to attend in person. If your shares are held in the name of a bank, broker or other holder of record, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the Annual Meeting.

All shares that have been properly voted and not revoked will be voted at the Annual Meeting. If you sign and return your proxy card but do not give voting instructions, the shares represented by that proxy will be voted as recommended by the Board of Directors.

**GENERAL INFORMATION ON VOTING AND REQUIRED VOTE**

You are entitled to cast one vote for each share of Endo common stock you own on the record date. Each proposal must be approved by a majority of shares entitled to vote and represented at the Annual Meeting in person or by proxy.

The presence of the holders of a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting, present in person or represented by proxy, is necessary to constitute a quorum. Shares represented by a proxy marked `abstain` on any matter, or that provide that a vote be withheld with respect to the election of any one or more of the nominees for election as directors, will be considered present at the Annual Meeting for purposes of determining a quorum and for purposes of calculating the vote, but will not be considered to have voted in favor of the proposal or nominee. Therefore, any proxy marked `abstain` will have the effect of a vote against the proposal or nominee. Shares represented by a proxy as to which there is a `broker non-vote` (for example, where a broker does not have the discretionary authority to vote the shares), will be considered present for the Annual Meeting for purposes of determining a quorum, but will have no effect on the vote.

All shares of common stock that have been properly voted and not revoked, will be voted at the Annual Meeting in accordance with your instructions. If you sign the enclosed proxy card but do not give voting instructions, the shares of common stock represented by that proxy will be voted as recommended by the Board of Directors.

**VOTING ON OTHER MATTERS**

If other matters are properly presented at the Annual Meeting for consideration, the persons named in the enclosed proxy card will have the discretion to vote on those matters for you. At the date this Proxy Statement went to press, no other matters had been raised for consideration at the Annual Meeting.

**HOW YOU MAY REVOKE OR CHANGE YOUR VOTE**

You can revoke your proxy at any time before it is voted at the Annual Meeting by:

sending written notice of revocation to the Secretary of the Company;

timely delivering of a valid, later-dated proxy; or

attending the Annual Meeting and voting in person. If your shares are held in the name of a bank, broker or other holder of record, you must obtain a proxy, executed in your favor from the holder of record, to be able to vote at the meeting.

**Table of Contents**

**LIST OF STOCKHOLDERS**

The names of stockholders of record entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior to the Annual Meeting for any purpose germane to the meeting, between the hours of 8:45 a.m. and 4:30 p.m., at our principal executive offices at 100 Endo Boulevard, Chadds Ford, Pennsylvania, by contacting the Secretary of the Company.

**COST OF PROXY SOLICITATION**

The Company will pay for preparing, printing and mailing this Proxy Statement. We will pay the cost of soliciting proxies. Proxies may be solicited on our behalf by Directors, officers or employees in person or by telephone, electronic transmission and facsimile transmission. The Company will reimburse banks, brokers and other custodians, nominees and fiduciaries for their out-of-pocket costs of sending the proxy materials to our beneficial owners.

**ITEM 1**  
**ELECTION OF DIRECTORS**

**The Board of Directors**

The Amended and Restated Certificate of Incorporation of the Company provides that the number of directors of the Company shall be not less than seven nor more than eleven as shall be fixed by the By-laws of the Company. The number of directors is currently fixed at eleven.

Directors need not be stockholders of the Company or residents of the State of Delaware. Directors are elected for a one-year term and generally hold office until the next directors have been duly elected and qualified. Directors may receive compensation for their services as determined by the Board of Directors. See 2004 Compensation of Directors. A vacancy on the Board, or a newly created directorship resulting from any increase in the authorized number of directors, may be filled by a majority of the directors then in office, even though less than a quorum remains. A director appointed to fill a vacancy remains a director until his or her successor is elected by the stockholders at the next annual meeting or until his or her successor is duly elected and qualified, or until his or her earlier death, resignation or removal.

Currently the Board of Directors consists of eleven members. Currently serving as directors are Carol A. Ammon, Brian T. Clingen, Michael B. Goldberg, Michael Hyatt, Roger H. Kimmel, Peter A. Lankau, Frank J. Loverro, Clive A. Meanwell, M.D., Ph.D., Michael W. Mitchell, Joseph T. O'Donnell, Jr. and David I. Wahrhaftig. The Board of Directors has affirmatively determined that nine of its eleven members are independent directors under the NASDAQ rules and regulations. The nine independent directors under the NASDAQ rules and regulations are Messrs. Clingen, Goldberg, Hyatt, Kimmel, Loverro, Mitchell, O'Donnell, Wahrhaftig and Dr. Meanwell.

In March 2005, Endo announced the expansion of the Board of Directors from ten members to eleven members, and the appointment of Peter A. Lankau to fill the newly created vacancy. With effect from May 20, 2005, Mr. Lankau will serve as the Company's President and Chief Executive Officer. Subject to her election by the Company's stockholders at the Annual Meeting, Carol A. Ammon, Endo's current Chief Executive Officer, will continue to serve Endo as Chairman of the Board of Directors.

As of the date of this Proxy Statement, there are no material proceedings to which any director or executive officer of the Company, or any associate thereof, is a party that are adverse to the Company or any of its subsidiaries.

Between January 1, 2004 and December 31, 2004, the Board of Directors as a whole met 14 times and acted by written consent on two occasions. All members of the Board of Directors attended more than 75% of the aggregate of all meetings of the Board of Directors and of the Committees of the Board of Directors on which they served in 2004.

**Nominees**

The following table sets forth the age and position currently held with the Company of persons nominated by the Board of Directors of the Company for the election as directors of the Company:

Name	Age (as of May 19, 2005)	Position Currently Held with the Company
Carol A. Ammon	54	Chairman of the Board and Chief Executive Officer
Brian T. Clingen	45	Director
Michael B. Goldberg	58	Director
Michael Hyatt	59	Director
Roger H. Kimmel	58	Director
Peter A. Lankau	52	President and Chief Operating Officer

**Table of Contents**

Clive A. Meanwell, M.D., Ph.D.	48	Director
Michael W. Mitchell	67	Director
Joseph T. O'Donnell, Jr.	57	Director
David I. Wahrhaftig	48	Director

The proposed nominees for election as directors are willing to be reelected as directors of the Company. If, as a result of circumstances not now known or foreseen, a nominee shall be unavailable or unwilling to serve as a director, an alternate nominee shall be designated by the present Board of Directors to fill the vacancy, unless the Board chooses to reduce the number of directors serving on the Board.

If elected, all nominees are expected to serve until the 2006 Annual Meeting of Stockholders of the Company or until their successors are duly elected and qualified or until his or her earlier death, resignation or removal.

All communications received as set forth in the preceding paragraph will be opened by the office of our Secretary for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, or patently offensive material will be forwarded promptly to the addressee. In the case of communications to the Board or any group or committee of directors, the Secretary's office will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope or e-mail is addressed.

The Company does not have a policy on director attendance at Annual Meetings. No directors, other than Ms. Ammon, attended the 2004 Annual Meeting.

### **Code of Conduct**

The Board of Directors has adopted a Code of Conduct that applies to the Company's directors, executives and employees. The Code is posted on the Company's website at [www.endo.com](http://www.endo.com), under Investors-Corporate Governance.

### **Committees of the Board of Directors and Related Reports**

The Board of Directors has a standing Audit Committee, Compensation Committee and Nominating Committee, the respective members and functions of which are described below.

#### *Audit Committee*

The Audit Committee is responsible for overseeing the Company's financial reporting process on behalf of the Board of Directors. In addition, the Audit Committee reviews, acts on and reports to the Board of Directors with respect to various auditing and accounting matters, including the selection of the Company's independent registered public accounting firm, the scope of the annual audits, fees to be paid to the independent registered public accounting firm, the performance of the Company's independent registered public accounting firm and the accounting practices of the Company and the Company's internal controls and legal compliance functions. The Audit Committee operates pursuant to a written charter adopted by the Board of Directors, which is available on the Company's website at [www.endo.com](http://www.endo.com), under Investors-Corporate Governance. In addition, a copy of the Audit Committee Charter is included as Exhibit A to this Proxy Statement. The charter describes the nature and scope of responsibilities of the Audit Committee.

Management of the Company has the primary responsibility for the Company's financial reporting process, principles and internal controls as well as preparation of its financial statements. The Company's independent registered public accounting firm is responsible for performing an independent audit of the Company's financial statements and expressing an opinion as to the conformity of such financial statements with accounting principles generally accepted in the United States.

Messrs. Clingen, Kimmel and O'Donnell currently serve as members of the Audit Committee. Prior to May 26, 2004, Messrs. Clingen, O'Donnell and Wahrhaftig served as members of the Audit Committee. Between January 1, 2004 and December 31, 2004, the Audit Committee met eight times, including periodic meetings held separately with management, the Company's internal auditors and the independent registered public accounting firm. The Board has elected Mr. Clingen as Chair of the Audit Committee, and has determined that he is a financial expert, as defined by the U.S. Securities and Exchange Commission (the "SEC") regulations, and he has the related financial management expertise within the meaning of the NASDAQ rules. The Board of Directors has determined that Messrs. Clingen, Kimmel and O'Donnell are independent and financially literate in accordance with the criteria established by the SEC and the NASDAQ.

Mr. Wahrhaftig, who served on the Audit Committee prior to May 26, 2004, is not independent under the criteria established by the SEC in Exchange Act Rule 10A-3 for membership on the Audit Committee.

**Table of Contents**

Mr. Wahrhaftig does not meet the independence requirements set forth in Exchange Act Rule 10A-3 because he is deemed to be an affiliate of the Company by virtue of the status of Kelso Investment Associates V, L.P., or KIA V, and Kelso Equity Partners V, L.P., or KEP V, as members of Endo Pharma LLC, the stockholder owning approximately 48% of the issued and outstanding shares of common stock. Mr. Wahrhaftig is a general partner of the general partner of KIA V and a general partner of KEP V. Mr. Wahrhaftig also serves on the Board of Managers of Endo Pharma LLC. Mr. Wahrhaftig served on the Audit Committee until May 2004 because the Board of Directors determined that Mr. Wahrhaftig's membership on the Audit Committee was in the best interests of the Company and its stockholders. The Board believed that Mr. Wahrhaftig was a necessary member of the Audit Committee given his history with the Company, particularly in light of his involvement in the 1997 acquisition of the Company from the then DuPont Merck Pharmaceutical Company. In addition, prior to the Company's merger with Algos Pharmaceutical Corporation, Mr. Wahrhaftig served as the Audit Committee of the Board of Directors of the Company and regularly reviewed the accounting matters and practices of the Company and conferred with the Company's independent registered public accounting firm regarding the same. Prior to joining Kelso, Mr. Wahrhaftig spent five years with Arthur Young & Company where he was an Associate Director of Mergers and Acquisitions and a Management Consultant. In addition, from November 1999 to February 2003, Mr. Wahrhaftig served on the Audit Committee of Unilab Corporation. Effective May 26, 2004, Mr. Wahrhaftig was replaced as a member of the Audit Committee by Mr. Kimmel, who is independent within the meaning of the NASDAQ rules and Rule 10A-3 of the Exchange Act.

*Audit Committee Report*

The Audit Committee has reviewed and discussed the Company's audited consolidated financial statements as of and for the year ended December 31, 2004 with the management of the Company and Deloitte & Touche LLP, the Company's independent registered public accounting firm. Further, the Audit Committee has discussed with Deloitte & Touche LLP the matters required to be discussed under auditing standards generally accepted in the United States, including those matters set forth in the Statement of Auditing Standards No. 61, as amended, other standards of the Public Company Accounting Oversight Board (United States), rules of the SEC, and other applicable regulations, relating to the firm's judgment about the quality, not just the acceptability, of the Company's accounting principles, the reasonableness of significant judgments and estimates, and the clarity of disclosures in the consolidated financial statements.

The Audit Committee also has received the written disclosures and the letter from Deloitte & Touche LLP required by Independence Standards Board Standard No. 1 (*Independence Discussions with Audit Committees*), as currently in effect, that relate to Deloitte & Touche LLP's independence from the Company, and has discussed with Deloitte & Touche LLP their independence from the Company. The Audit Committee has also considered whether the independent registered public accounting firm's provision of non-audit services to the Company is compatible with maintaining the firm's independence. The Audit Committee has concluded that the independent registered public accounting firm is independent from the Company and its management. The Audit Committee has also discussed with management of the Company and Deloitte & Touche LLP such other matters and received such assurances from them as it has deemed appropriate.

The Committee also reviewed management's report on its assessment of the effectiveness of the Company's internal control over financial reporting and the independent registered public accounting firm's report on management's assessment and the effectiveness of the Company's internal control over financial reporting. In addition, the Audit Committee reviewed key initiatives and programs aimed at strengthening the effectiveness of the Company's internal and disclosure control structure. As part of this process, the Audit Committee continued to monitor the scope and adequacy of the Company's internal auditing program.

Based on the reviews, reports and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board approved, that the Company's audited consolidated financial statements for the year ended December 31, 2004 and management's assessment of the effectiveness of the Company's internal control over financial reporting be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the SEC. The Audit Committee has selected, and the Board of

Directors has ratified, subject to stockholder approval, the selection of the Company's independent registered public accounting firm for the year ended December 31, 2005.

Submitted by the Audit Committee of the Company's Board of Directors.

Members of the Audit Committee:

Brian T. Clingen, Chairman

Roger H. Kimmel

Joseph T. O'Donnell, Jr.

The above Audit Committee Report does not constitute soliciting material, and shall not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates the Audit Committee Report by reference therein.

*Compensation Committee*

The Compensation Committee of the Board of Directors determines the salaries and incentive compensation of the executive officers of the Company and provides recommendations for the salaries and incentive compensation of the other employees and consultants of the Company. The Compensation Committee also reviews and acts on any recommendations of the Company's management for awards granted under the Endo Pharmaceuticals Holdings Inc. 2000 Stock Incentive Plan and the Endo Pharmaceuticals Holdings Inc. 2004 Stock Incentive Plan. The current members of the Compensation Committee are Messrs. Hyatt, Loverro and Wahrhaftig, each of whom is independent in accordance with the criteria established by the SEC and NASDAQ. Between January 1, 2004 and December 31, 2004, the Compensation Committee met two times. A report of the Compensation Committee appears in this Proxy Statement under EXECUTIVE COMPENSATION Compensation Committee Report on Executive Compensation.

*Nominating Committee*

Until February 9, 2005, the Board of Directors did not have a Nominating Committee because the Board of Directors as a whole functioned in such capacity. The Board of Directors believed that the full Board of Directors best represented the interests of all of the Company's stockholders and that it was appropriate for all matters that would be considered by a Nominating Committee to be considered and acted upon by the full Board of Directors.

When Endo Pharma LLC sold some of its shares of Endo common stock in November 2004, its ownership in the Company fell below 50%, thus causing the Company to no longer be considered a controlled company under the NASDAQ rules. Accordingly, the Board of Directors determined that a Nominating Committee comprised of independent directors would be beneficial to the Company, and chartered such committee on February 9, 2005. The Nominating Committee of the Board of Directors identifies and recommends to the Board individuals qualified to serve as directors of the Company, recommends to the Board directors to serve on committees of the Board and advises the Board with respect to matters of Board composition and procedures.

The Nominating Committee will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating Committee will take into consideration the needs of the Board and the qualifications of the candidate. The Nominating Committee may also take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held. To have a candidate considered by the Nominating Committee, a stockholder must submit the recommendation in writing and must include the following information:

The name of the stockholder and evidence of the person's ownership of Company stock, including the number of shares owned and the length of time of ownership; and

**Table of Contents**

The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a director of the Company and the person's consent to be named as a director if selected by the Nominating Committee and nominated by the Board.

The stockholder recommendation and information described above must be sent to the Secretary at Endo Pharmaceutical Holdings, Inc., 100 Endo Boulevard, Chadds Ford, PA 19317, and must be received by the Secretary not less than 120 days prior to the anniversary date of the Company's most recent annual meeting of shareholders.

Among the qualifications considered in the selection of nominees, the Nominating Committee looks at the following attributes and criteria of nominees: experience, skills, expertise, diversity, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication, conflicts of interest and such other relevant factors that the Nominating Committee considers appropriate in the context of the needs of the Board of Directors. The Nominating Committee identifies potential nominees by asking current directors and executive officers to notify the Nominating Committee if they become aware of persons meeting the criteria described above, who have had a change in circumstances that might make them available to serve on the Board—for example, retirement as a CEO or CFO of a public company or exiting government or military service. The Nominating Committee also, from time to time, may engage firms that specialize in identifying director candidates. As described above, the Nominating Committee will also consider candidates recommended by stockholders.

Once a person has been identified by the Nominating Committee as a potential candidate, the Nominating Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating Committee determines that the candidate warrants further consideration, the Chairman or another member of the Nominating Committee contacts the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Nominating Committee requests information from the candidate, reviews the person's accomplishments and qualifications, including in light of any other candidates that the Nominating Committee might be considering, and conducts one or more interviews with the candidate. In certain instances, Nominating Committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The Nominating Committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder, although, as stated above, the Board may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

The current members of the Nominating Committee are Messrs. Clingen, Goldberg, Hyatt, Kimmel, Loverro, Mitchell, O'Donnell, Wahrhaftig and Dr. Meanwell. The Board of Directors has determined that all of the members of the nominating Committee are independent in accordance with the criteria established by the SEC and NASDAQ. The Charter of the Nominating Committee has been posted on the Company's website at [www.endo.com](http://www.endo.com), under Investors-Corporate Governance.

The Audit Committee discussed these services with the Deloitte Entities and Company management to determine that they are permitted under the rules and regulations concerning auditor independence promulgated by the SEC to implement the Sarbanes-Oxley Act of 2002, as well as the American Institute of Certified Public Accountants.

**Pre-Approval Policy**

Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm.

Prior to the engagement of the independent registered public accounting firm for the next year's audit, management will submit a list of services and related fees expected to be rendered during that year within each of the four categories of services to the Audit Committee for approval.

1. *Audit* services include audit work performed on the financial statements and related to the evaluation and reporting on the effectiveness of the Company's internal control over financial reporting, as well as work that generally only the independent registered public accounting firm can reasonably be expected to provide, including comfort letters, consents and other services related to SEC matters, and discussion surrounding the proper application of financial accounting and/or reporting standards.

2. *Audit-Related* services are for assurance and related services that are traditionally performed by the independent registered public accounting firm, including due diligence related to mergers and acquisitions and employee benefit plan audits.

3. *Tax* services include all services, except those services specifically related to the audit of the financial statements, performed by the independent registered public accounting firm's tax personnel, including tax analysis; assisting with the coordination of execution of tax related activities, primarily in the area of corporate developments; supporting other tax related regulatory requirements; and tax compliance and reporting.

4. *Other Fees* are those associated with services not captured in the other categories. The Company generally does not request such services from the independent registered public accounting firm.

Prior to engagement, the Audit Committee pre-approves the independent registered public accounting firm's services within each category. The fees are budgeted and the Audit Committee requires the independent

registered public accounting firm and management to report actual fees versus budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval categories. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

**EXECUTIVE COMPENSATION**

**Compensation Committee Report on Executive Compensation**

The Board of Directors of the Company traditionally performed the functions of a compensation committee, including the review and approval of compensation and terms of employment for all officers of the Company and its subsidiaries. In August 2000, a Compensation Committee, consisting of Messrs. Hyatt, Loverro and Wahrhaftig, was formed to perform these functions. The disinterested members of the Board of Managers of Endo Pharma LLC, namely Messrs. Goldberg and Wahrhaftig, review and act on any recommendations of the Company's management for awards granted under the Endo Pharma LLC stock option plans.

The Company's executive compensation is intended to attract high-caliber executives and to reward, retain and motivate management based on corporate and individual annual and long-term business performance. The primary component of compensation is base salary; however, all of the employees of the Company participate in by the Company's incentive compensation program, which provides cash bonuses in the event that (i) the Company achieves one or more targets based on the Company's Consolidated EBITDA (earnings before interest, taxes, depreciation and amortization) as defined by the Company's credit facility and (ii) the individual achieves specified goals. The Company also awards stock options to its officers and other employees pursuant to the Company's 2000 Stock Incentive Plan (the "2000 Option Plan") and the Company's 2004 Stock Incentive Plan (the "2004 Option Plan"). Such awards are designed to provide incentives to participating employees that are linked directly to increases in stockholder value and that will therefore inure to the benefit of all stockholders of the Company. The Compensation Committee believes that the Company's executive compensation arrangements are reasonable in light of the Company's needs, competitive compensation levels, the Company's retention goals and management motivation. In determining salary and other compensation levels for executive officers, primary consideration is given to each executive's level of responsibility and individual performance.

Prior to the beginning of each fiscal year, the Compensation Committee reviews the Company's near- and long-term strategies and objectives with the Company's Chief Executive Officer. Such review forms the basis for adopting or modifying the corporate annual financial goals recommended by the Company's Chief Executive Officer. Based on this review, the Company's total compensation structure for fiscal year 2004, including the elements and level of compensation opportunities and the variable portion of "at risk" pay for performance and equity participation was established. Consideration was given to, among other matters, marketplace pay levels and practices, as well as the Company's need to continue to attract, retain and motivate employees. The Company's Chief Executive Officer reviewed such compensation structure with the Compensation Committee and asked it to ratify base salary amounts and bonuses for the Company's executive officers.

At fiscal 2004 year-end, the Compensation Committee, in consultation with the Chief Executive Officer, assessed results achieved and strategic progress relative to previously approved goals, taking into consideration the Company's Consolidated EBITDA (earnings before interest, taxes, depreciation and amortization) as defined by the Company's credit facility, prevailing economic and business conditions and opportunities, performance by comparable organizations' Chief Executive Officers, and stockholder value. No particular weightings were assigned to any such factors.

Ms. Ammon, Chief Executive Officer of the Company, received a base salary of \$480,000 in fiscal 2004 and was awarded a cash bonus for fiscal 2004 of \$204,000. Determination of Ms. Ammon's overall compensation in fiscal 2004 was based upon the performance criteria established by the Board of Directors of the Company at the beginning of fiscal 2004. The Compensation Committee believes that Ms. Ammon's overall compensation is competitive with that of Chief Executive Officers of comparable companies and deems such compensation to be fair and appropriate.

The federal income tax laws limit the deductibility of certain compensation paid to the Chief Executive Officer and the four most highly compensated executives (the "covered employees") in excess of the statutory maximum of \$1 million per covered employee. The Committee's general policy is, where feasible, to structure compensation paid to the covered employees so as to maximize the deductibility of such compensation for

**Table of Contents**

federal income tax purposes; however, there may be circumstances where portions of such compensation will not be deductible.

Submitted by the Compensation Committee of the Company's Board of Directors.

Members of the Compensation Committee:

Michael Hyatt  
Frank J. Loverro  
David I. Wahrhaftig, Chairman

**Compensation Committee Interlocks and Insider Participation**

In August 2000, the Board of Directors appointed Messrs. Hyatt, Loverro and Wahrhaftig to constitute the Compensation Committee, none of whom is an officer or employee or former officer or employee of the Company or any of its subsidiaries. Prior to that time, the Board of Directors as a whole performed the functions of the Compensation Committee. With the exception of Ms. Ammon, who serves on the Company's Board of Directors, no executive officer of the Company serves or served during the last fiscal year, as a member of the Board of Directors or Compensation Committee of any entity that has one or more executive officers serving as a member of the Company's Board of Directors or Compensation Committee. There are no family relationships between any directors or executive officers of the Company.

Options exercised pursuant to the Endo Pharma LLC 1997 Stock Option Plan do not result in the issuance of additional shares in the Company. These stock options are exercisable solely into shares of Company common stock that is held by Endo Pharma LLC (an affiliate of Kelso & Company in which certain members of management have an interest). As a result, the exercise of these options will not result in the issuance of additional shares of Company common stock and will not dilute the ownership of our other public stockholders. The Class C1A, C1B, C2, C3 and C4 options granted pursuant to the Endo Pharma LLC 1997 Stock Option Plan have vested in accordance with their terms.

Class C1A, C1B, C2, C3 and C4 options are generally exercisable, solely to the extent vested, upon the earlier of (i) the occurrence of a sale, disposition or transfer of Company common stock, after which neither Endo Pharma LLC nor Kelso owns any shares of common stock or (ii) January 1, 2006, and the right to exercise such options will terminate at 12:00 p.m., New York City time, on the earlier to occur of such dates.

Notwithstanding the foregoing, a Named Executive Officer's Class C1A, C1B, C2, C3 and C4 options will become immediately exercisable in full, solely to the extent then vested, in the event the Named Executive Officer's employment or service with the Company or any of its subsidiaries is terminated for any reason and such options will thereafter expire on the 90th day after such termination if unexercised.

Stock options granted under the Endo Pharma LLC 1997 Stock Option Plan expire no later than August 26, 2007. The shares of common stock that are received upon exercise of stock options pursuant to the Endo Pharma LLC 1997 Stock Option Plan are currently subject to significant restrictions that are set forth in the stockholders agreements including restrictions on sale, assignment, mortgage, transfer, pledge or other disposals or transfers.

**Employment Agreements, Termination of Employment and Change-in-Control Arrangements***Employment Agreements with Named Executive Officers*

On September 1, 2001, Endo entered into amended and restated employment agreements with each of Ms. Ammon, Mr. Black, Mr. Lankau, Dr. Lee and Ms. Manogue. Each of these employment agreements currently expires on December 31, 2005. Each of these agreements is renewable by the parties for additional one-year periods.

Each of the employment agreements provides that the executive will be entitled to basic compensation as well as additional incentive compensation. For each fiscal year or part thereof during the employment period, the Company will pay an executive's incentive compensation in cash in an amount equal to a percentage of this executive's salary if Endo meets the performance targets set by the board of directors for a particular fiscal year. Ms. Ammon's additional incentive compensation is equal to 50% of her base salary. Mr. Lankau's additional incentive compensation is equal to 45% of his base salary. Dr. Lee's, Mr. Black's and

**Table of Contents**

Ms. Manogue's additional compensation is equal to 40% of their respective base salary. Under these employment agreements, the Company may terminate each executive (1) for cause, (2) for good reason, or (3) upon the executive's disability, incapacity or death. If the Company terminates an executive for cause, he or she will be entitled to receive his or her salary and incentive compensation prorated through the effective date of termination.

In addition, if an executive elects to renew his or her employment agreement but Endo does not and Endo's election not to renew is not for cause, then the executive will be entitled to receive his or her salary for the remainder of the calendar month in which this termination is effective and for eighteen (twelve in the case of Ms. Manogue) consecutive calendar months thereafter and continue to provide the executive with benefits for eighteen (twelve in the case of Ms. Manogue) consecutive calendar months after such termination. If an executive terminates his or her employment agreement for good reason, the Company will:

pay:

monthly to the executive his or her salary for the remainder of the employment period or eighteen months (whichever is longer) (Ms. Manogue's employment agreement provides for the remainder of the employment period or twelve months (whichever is longer)) and

the executive's incentive compensation for the fiscal year during which the termination is effective, prorated through the effective date of termination, if this incentive compensation is payable and continue to provide the executive with benefits for the remainder of the employment period or eighteen months (whichever is longer) (Ms. Manogue's employment agreement provides for the remainder of the employment period or twelve months (whichever is longer)).

Under the terms of each of these employment agreements, good reason means any of the following:

Endo Pharmaceuticals' material breach of the provisions in the employment agreements relating to the director's and officer's liability coverage and compensation or Endo Pharmaceuticals' obligations under the stockholder's agreement for the benefit of the executive, or

the assignment of the executive, without the executive's consent, to a position, responsibilities, or duties of a materially lesser status or degree of responsibility.

Under the terms of Ms. Ammon's employment agreement, good reason also includes the sale of all or substantially all of the assets of Endo, the sale of all or substantially all of the stock of Endo, the merger of Endo with one or more other related or unrelated entities, or other similar transaction vesting control of Endo with a third party or parties.

**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

In connection with the Company's acquisition of Algos Pharmaceutical Corporation, affiliates and designees of Kelso & Company contributed all of their shares of Endo common stock to Endo Pharma LLC. This contribution represented approximately 86% of the Endo common stock originally contributed to Endo Pharma LLC, and these contributors continue to own an approximately 86% interest in Endo Pharma LLC. Endo Pharma LLC currently owns approximately 48% of all of the issued and outstanding Endo common stock. Currently, Messrs. Goldberg and Wahrhaftig and Ms. Ammon serve as members of the Board of Managers of Endo Pharma LLC.

On July 14, 2000, Endo Pharma LLC was formed in connection with the Company's merger with Algos to ensure that the stock options granted pursuant to the Endo Pharma LLC Stock Option Plans diluted only the Endo common stock held by persons and entities that held such shares prior to our merger with Algos. Upon the exercise of these stock options, only currently outstanding shares of our common stock held by Endo Pharma LLC will be delivered. Because Endo Pharma LLC, and not us, will provide the shares upon the exercise of these options, we have entered into a tax sharing agreement with Endo Pharma LLC under which we will be required to pay to Endo Pharma LLC upon the occurrence of a liquidity event, as described further below, the amount of the tax benefits usable by us as a result of the exercise of these stock options into shares of our common stock held by Endo Pharma LLC. As of December 31, 2004, approximately 10.4 million of these stock options had been exercised into shares of our common stock held by Endo Pharma LLC. Upon exercise of any of these Endo Pharma LLC stock options, we generally will be permitted to deduct as a compensation charge, for federal income tax purposes, an amount equal to the difference between the market price of our common stock and the exercise price paid upon exercise of these options (as of December 31, 2004, approximately \$147 million), which is estimated to result in a tax benefit amount of approximately \$56 million. Under the tax sharing agreement, we are required to pay this \$56 million to Endo Pharma LLC upon the occurrence of a liquidity event, as described further below, to the extent that a compensation charge deduction is usable by us to reduce our taxes and based upon the assumption that all other deductions of Endo are used prior thereto.

Using a weighted average exercise price of \$2.60 per share and an assumed effective tax rate of 38.3%, if all 36.3 million stock options under the Endo Pharma LLC Stock Option Plans were vested and exercised (including the 10.4 million stock options already exercised as discussed above):

upon exercise, assuming the market price of our common stock is then \$20.00 per share, we generally would be able to deduct, for federal income tax purposes, compensation of approximately \$632 million, which could result in a tax benefit amount of approximately \$242 million payable to Endo Pharma LLC.

upon exercise, assuming the market price of our common stock is then \$25.00 per share, we generally would be able to deduct, for federal income tax purposes, compensation of approximately \$813 million, which could result in a tax benefit amount of approximately \$311 million payable to Endo Pharma LLC.

upon exercise, assuming the market price of our common stock is then \$30.00 per share, we generally would be able to deduct, for federal income tax purposes, compensation of approximately \$994 million, which could result in a tax benefit amount of approximately \$381 million payable to Endo Pharma LLC.

Under the terms of the amended tax sharing agreement, we must pay all such tax benefit amounts to Endo Pharma LLC to the extent these tax benefits are usable by us, as described above. However, these payments need only be made to Endo Pharma LLC upon the occurrence of a liquidity event, which is

**Table of Contents**

generally defined as a transaction or series of transactions resulting in (a) a sale of greater than 20% on a fully diluted basis of our common equity (either through (i) a primary offering by us, (ii) a secondary sale by Endo Pharma LLC or other holders of common stock pursuant to a registration rights agreement or (iii) a combination of both such primary and secondary offerings), (b) a change in control of Endo or (c) a sale of all or substantially all of our assets.

Under our amended tax sharing agreement, the sale of 11 million shares of our common stock on August 9, 2004 when added to the 16.6 million shares sold by Endo Pharma LLC and the selling stockholders in July 2003 caused a liquidity event to occur. We were then obligated to pay to Endo Pharma LLC, within 30 business days of the liquidity event, the tax benefit amounts attributable to 2001 and 2002 of approximately \$2.0 million and \$1.2 million, respectively. We were also obligated to pay to Endo Pharma LLC 50% of the estimated tax benefit amount of approximately \$10.4 million attributable to 2003 within 30 business days of the liquidity event, and the remaining tax benefit amount attributable to 2003 within 30 business days of the date on which we filed our 2003 tax return with the Internal Revenue Service (which occurred in September 2004). Accordingly, in September 2004 we paid \$8.3 million, and in October 2004 we paid \$5.2 million, in each case, to Endo Pharma LLC to satisfy the tax sharing obligations attributable to 2001, 2002 and 2003. In addition, since 3.8 million shares underlying stock options granted under the Endo Pharma LLC stock option plans were exercised into common stock and sold in the August 9, 2004 offering, at a price of \$17.46, with a weighted average exercise price of \$2.44, an assumed tax rate of 38.3% and assuming the attributable compensation charge deductions are usable to reduce our taxes in 2004, we will be obligated to pay to Endo Pharma LLC a tax benefit amount of approximately \$22 million. In addition, since 2.8 million shares underlying stock options granted under the Endo Pharma LLC stock option plans were exercised and sold in the November 29, 2004 offering, at a price of \$20.02, with a weighted average exercise price of \$2.44, an assumed tax rate of 38.3% and assuming the attributable compensation charge deductions are usable to reduce our taxes in 2004, we will be obligated to pay to Endo Pharma LLC an additional tax benefit amount of approximately \$19 million. Fifty percent of the estimated tax benefit amount attributable to the November 29, 2004 offering and the August 9, 2004 offering was due within 15 business days of the date we received an opinion on our final audited 2004 financial statements from our independent registered public accounting firm on March 16, 2005 and the remaining tax benefit amount attributable to 2004 is due within 30 business days of the date on which we file our 2004 tax return with the Internal Revenue Service (which we estimate will occur in September 2005). All payments that have been, or will be, made or accrued pursuant to the tax sharing agreement have been, or will be, reflected as a reduction of stockholders' equity in our financial statements. This estimated tax benefit amount payment to Endo Pharma LLC attributable to Endo Pharma LLC stock options exercised in 2004 may increase if certain holders of Endo Pharma LLC stock options exercise additional stock options.

Assuming the remaining 3.8 million shares underlying stock options granted under the Endo Pharma LLC stock option plans that are currently registered on a registration statement on Form S-3 are exercised into common stock and sold (and assuming no additional stock options under the Endo Pharma LLC stock option plans are exercised), there will be approximately 22 million stock options remaining to be exercised under the Endo Pharma LLC stock option plans. Using a weighted average exercise price of \$2.60 per share and an assumed tax rate of 38.3%, if all of these remaining stock options under the Endo Pharma LLC stock option plans were vested and exercised, and assuming the price of our common stock was \$21.01 per share (based upon the closing price on December 31, 2004), we generally would be able to deduct, for income tax purposes, compensation of approximately \$405 million, which could result in a tax benefit amount of approximately \$155 million payable to Endo Pharma LLC. Under the terms of the tax sharing agreement, we must pay all such tax benefit amounts to Endo Pharma LLC to the extent these tax benefits are usable by us as described above.

**CHARTER OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS  
OF ENDO PHARMACEUTICALS HOLDINGS INC.  
AS ADOPTED BY THE BOARD ON APRIL 20, 2004**

**I.**

**Authority**

The Audit Committee (the Committee) of the Board of Directors (the Board) of Endo Pharmaceuticals Holdings Inc. (the Corporation) is established pursuant to Section 8 of the Corporation's Amended and Restated Bylaws and Section 141(c) of the Delaware General Corporation Law. The Committee shall be comprised of three or more directors as determined from time to time by resolution of the Board. Members shall not serve on more than three public company audit committees simultaneously. Consistent with the appointment of other Board committees, the members of the Committee shall be elected by the Board at the annual organizational meeting of the Board or at such other time as may be determined by the Board. The Chairman of the Committee shall be designated by the Board; provided that if the Board does not so designate a Chairman, the members of the Committee, by majority vote, may designate a Chairman. The presence in person or by telephone of a majority of the Committee's members shall constitute a quorum for any meeting of the Committee. All actions of the Committee will require the vote of a majority of its members present at a meeting of the Committee at which a quorum is present.

**II.**

**Purpose of the Committee**

The Committee's purpose is to provide assistance to the Board in fulfilling its legal and fiduciary obligations with respect to matters involving the accounting, auditing, financial reporting, internal control and legal compliance functions of the Corporation and its subsidiaries.

The Committee shall oversee the audit efforts of the Corporation's independent accountants and internal auditors and, in that regard, shall take such actions as it may deem necessary to satisfy itself that the Corporation's auditors are independent of management. It is the objective of the Committee to maintain free and open means of communications among the Board, the independent accountants, the internal auditors and the financial and senior management of the Corporation.

**III.**

**Composition of the Committee**

(a) Each member of the Committee shall be an independent director within the meaning of the Nasdaq rules and Rule 10A-3 of the Exchange Act and, as such, shall be free from any relationship that may interfere with the exercise of his or her independent judgment as a member of the Committee. Notwithstanding the foregoing, as permitted by the rules of the Nasdaq, under exceptional and limited circumstances, one director who does not meet certain of the criteria for independence may be appointed to the Committee if the Board determines in its business judgment that membership on the Committee by such person is required by the best interests of the Corporation and its stockholders and the Corporation discloses in the annual proxy statement the nature of such person's relationship and the reasons for the Board's determination. A member appointed under this exception would not be permitted to serve longer than two years and would not be permitted to chair the audit committee. All members of the Committee shall be financially literate at the time of their election to the Committee or shall become financially literate within a reasonable period of time after their appointment to the Committee. Financial literacy shall be determined by the Board in the exercise of its business judgment, and shall include a working familiarity with basic finance and accounting practices and an ability to read and understand fundamental financial statements. At least one member of the Committee

**Table of Contents**

shall be an audit committee financial expert, as defined by the SEC rules. Committee members, if they or the Board deem it appropriate, may enhance their understanding of finance and accounting by participating in educational programs conducted by the Corporation or an outside consultant or firm.

(b) Upon any changes in the composition of the Committee and otherwise approximately once each year, the Committee shall ensure that the Corporation provides the Nasdaq with written confirmation regarding:

(i) Any determination that the Board has made regarding the independence of the Committee members;

(ii) The financial literacy of the Committee members;

(iii) The determination that at least one of the Committee members is an audit committee financial expert, as defined by SEC rules; and

(iv) The annual review and reassessment of the adequacy of the Committee's charter.

IV.

Meetings of the Committee

The Committee shall meet at least quarterly and with such frequency and at such intervals as it shall determine is necessary to carry out its duties and responsibilities. As part of its purpose to foster open communications, the Committee shall meet at least annually with management, the head of the internal auditing department and the Corporation's independent accountants in separate executive sessions to discuss any matters that the Committee or each of these groups or persons believe should be discussed privately. In addition, the Committee (or the Chairman) should meet or confer with the independent accountants and management quarterly to review the Corporation's periodic financial statements prior to their filing with the Securities and Exchange Commission (SEC). The Chairman should work with the Chief Financial Officer and management to establish the agendas for Committee meetings. The Committee, in its discretion, may ask members of management or others to attend its meetings (or portions thereof) and to provide pertinent information as necessary. The Committee shall maintain minutes of its meetings and records relating to those meetings and the Committee's activities and provide copies of such minutes to the Board.

V.

Duties and Responsibilities of the Committee

In carrying out its duties and responsibilities, the Committee's policies and procedures should remain flexible, so that it may be in a position to best react or respond to changing circumstances or conditions. The Committee should review and reassess annually the adequacy of the Committee's charter. The charter must specify: (1) the scope of the Committee's responsibilities and how it carries out those responsibilities, (2) the ultimate accountability of the Corporation's independent auditors to the Board and the Committee, (3) the responsibility of the Committee and the Board for the selection, evaluation and replacement of the Corporation's independent auditors, and (4) that the Committee is responsible for ensuring that the Corporation's independent auditors submit on a periodic basis to the Committee a formal written statement delineating all relationships between the independent auditors and the Corporation and that the Committee is responsible for actively engaging in a dialogue with the independent auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the independent auditors and for recommending that the Board take appropriate action to ensure the independence of the independent auditors.
