Item 1.01 Entry into a Material Definitive Agreement.

On June 4, 2009, Mariner Energy, Inc. (Mariner) entered into two underwriting agreements in connection with concurrent public offerings of 10 million shares of its common stock, par value \$.0001 per share (Common Stock), and \$300 million in aggregate principal amount of its 11.75% senior notes due 2016 (the Notes).

On June 4, 2009, Mariner entered into an Underwriting Agreement with Credit Suisse Securities (USA) LLC (Credit Suisse), J.P. Morgan Securities Inc., and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as representatives of the several underwriters parties thereto (Stock Underwriting Agreement), covering the purchase and sale of 10 million shares of Common Stock at a purchase price of \$13.8852635 per share in an offering registered under the Securities Act of 1933, as amended (the Securities Act). Issuance and delivery of the Common Stock is expected to occur on June 10, 2009, subject to customary closing conditions. In addition, Mariner granted the underwriters an option to purchase an additional 1.5 million shares of Common Stock to cover over-allotments exercisable at the same price in whole or in part at any time within 30 days after June 4, 2009. Assuming the over-allotment option is not exercised, Mariner estimates that its net proceeds from the sale of the Common Stock, after deducting estimated underwriting discounts and commissions and offering expenses, will be \$138.3 million. Affiliates of several of the underwriters are lenders under Mariner's bank credit facility and will receive a portion of the net proceeds from the sale of the Common Stock, which will be applied to repay debt under its bank credit facility. Each of Mariner and its directors and executive officers have agreed with the underwriters not to offer or sell any other Common Stock for a period of 60 days after June 4, 2009 without the prior consent of Credit Suisse (except for certain transactions by Mariner or its directors or officers pursuant to an existing plan of Mariner covering directors, employees or consultants; by Mariner involving up to five percent of shares outstanding on June 4, 2009 in connection with acquisitions; or by directors or officers pursuant to an existing plan under Rule 10b5-1 of the Securities Exchange Act of 1934, as amended). In addition, Mariner has agreed to indemnify the underwriters against certain liabilities, including liabilities under the Securities Act, or contribute to payments that the underwriters may be required to make in respect of those liabilities. The Stock Underwriting Agreement is filed herewith as Exhibit 1.1 and is incorporated herein by this reference. The foregoing description of the Stock Underwriting Agreement is a summary of some of its material provisions, and is qualified in its entirety by the Stock Underwriting Agreement.

On June 4, 2009, Mariner and its subsidiaries entered into an Underwriting Agreement with Credit Suisse, Banc of America Securities LLC, J.P. Morgan Securities Inc., Wachovia Capital Markets, LLC and Citigroup Global Markets Inc., as representatives of the several underwriters parties thereto (Notes Underwriting Agreement), covering the purchase and sale of the Notes at a purchase price of 95.18% of the principal amount thereof in an offering registered under the Securities Act. The Notes are expected to be sold at 97.093% of principal amount, for an initial yield to maturity of 12.375%. Issuance and delivery of the Notes is expected to occur, subject to customary closing conditions, pursuant to an indenture to be supplemented and entered into on June 10, 2009. Affiliates of several of the underwriters are lenders under Mariner's bank credit facility and will receive a portion of the net proceeds from the sale of the Notes, which will be applied to repay debt under the bank credit facility. Mariner estimates that its net proceeds from the sale of Notes, after deducting estimated underwriting discounts and commissions and offering expenses, will be \$284.8 million. Mariner agreed with the underwriters (i) not to offer or sell any of its debt securities (other than the Notes) for a period of 60 days after June 4, 2009 without the prior consent of Credit Suisse, and (ii) to indemnify the underwriters against certain liabilities, including liabilities under the Securities Act, or contribute to payments that the underwriters may be required to make in respect of those liabilities. The Notes Underwriting Agreement is filed herewith as Exhibit 1.2 and is incorporated herein by this reference. The foregoing description of the Notes Underwriting Agreement is a summary of some of its material provisions, and is qualified in its entirety by the Notes Underwriting Agreement.
