Notice of Electronic Availability of Proxy Statement and Annual Report. As permitted by rules adopted by the United States Securities and Exchange Commission (sometimes referred to as the SEC), Brightpoint is making this proxy statement and its annual report available to its shareholders electronically via the Internet. On March 31, 2010, we mailed to our shareholders a notice containing instructions on how to access this proxy statement and our annual report and vote online. If you received a notice by mail, you will not receive a printed copy of the proxy materials in the mail. The notice instructs you on how to access and review all of the important information contained in the proxy statement and annual report. The notice also instructs you on how you may submit your proxy over the Internet. If you received a notice by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the notice.

Q. What am I voting on?

A. You are being asked to vote on two proposals at this year's annual meeting:

Proposal 1 to elect three Class I directors (Eliza Hermann, Robert J. Laikin, and Cynthia L. Lucchese) to serve as such commencing immediately following our May 2010 annual meeting and until our annual meeting of shareholders in 2013;

Proposal 2 to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2010.

In addition, you may be asked to consider and vote upon other matters that may properly come before the annual meeting, including approval of any adjournment or postponement of the meeting.

Q. Who is entitled to vote at the annual meeting?

A. Shareholders of record as of the close of business on March 19, 2010, the record date, are entitled to vote on each of the proposals at the annual meeting. Each shareholder is entitled to one vote per each share of our common stock held by such shareholder on the record date with respect to each proposal.

Q. How do I vote?

A. Shareholders can vote in person at the annual meeting or by proxy. There are three ways to vote by proxy:
By Telephone You can vote by telephone by calling 1-800-690-6903 and following the instructions on the notice or the printed proxy card;

By Internet You can vote over the Internet at www.proxyvote.com by following the instructions on the notice or the printed proxy card; or

By Mail If you received your proxy materials by mail, you can vote by mail by signing, dating and mailing the enclosed proxy card.

Telephone and Internet voting facilities for shareholders of record will be available 24 hours a day and will close at 11:59 p.m. (EDT) on May 10, 2010.

Table of Contents

If your shares are held in the name of a bank, broker or other holder of record, you will receive instructions from the holder of record. You must follow the instructions of the holder of record in order for your shares to be voted. Telephone and Internet voting also will be offered to shareholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you plan to vote your shares in person at the annual meeting, you should contact your broker or agent to obtain a legal proxy or broker's proxy card and bring it to the annual meeting in order to vote.

Q. How may I revoke or change my vote?

- A. You have the right to revoke your proxy any time before the meeting by (a) notifying Brightpoint's corporate secretary of your revocation or (b) returning a later-dated proxy. The last vote received chronologically will supersede any prior vote. You may also revoke your proxy by voting in person at the annual meeting. Attendance at the meeting, without voting at the meeting, will not in and of itself serve as a revocation of your proxy.

Q. What does it mean if I receive more than one notice or set of proxy materials?

- A. It may mean that you are the registered holder of shares in more than one account. You may call our transfer agent, American Stock Transfer & Trust Company, at 1-800-937-5449, if you have any questions regarding the share information or your address appearing on the notice or proxy materials.

Q. What is Householding?

- A. The SEC's Householding rule affects the delivery of our annual disclosure documents (such as annual reports, proxy statements, notices of internet availability of proxy materials and other information statements) to shareholders. Under this rule, we are allowed to deliver a single set of our annual report and proxy statement to multiple shareholders at a shared address or household, unless a shareholder at that shared address delivers contrary instructions to us through our transfer agent, American Stock Transfer & Trust Company. Each shareholder will continue to receive a separate proxy card or voting instruction card even when a single set of materials is sent to a shared address under the Householding rule. The Householding rule is designed to reduce the expense of sending multiple disclosure documents to the same address.

If you are a registered shareholder and you want to request a separate copy of this proxy statement or accompanying annual report, you may send a request to Brightpoint Inc. at 7635 Interactive Way, Suite 200, Indianapolis, Indiana 46278, Attention: Investor Relations and a copy will be promptly sent to you. If you wish to receive separate documents in future mailings, please contact our transfer agent, American Stock Transfer & Trust. Our 2009 annual report and this proxy statement are also available through our website at www.brightpoint.com.

Two or more shareholders sharing an address can request delivery of a single copy of annual disclosure documents if they are receiving multiple copies by contacting American Stock Transfer & Trust in the manner set forth above.

Q. Who will count the votes?

- A. It is expected that a vice president of Brightpoint will tabulate the votes and act as the inspector of election.

Table of Contents

Q. What constitutes a quorum?

A. A majority of the outstanding shares, present or represented by proxy, of Brightpoint's common stock will constitute a quorum for the annual meeting. As of the record date, there were 70,112,982 shares of Brightpoint common stock, \$.01 par value per share, issued and outstanding.

Q. How many votes are needed for Proposal 1 the election of the three Class I directors?

A. Assuming a quorum is present, the three Class I directors will be elected by a plurality of the votes cast at the annual meeting, meaning the three nominees receiving the highest number of votes will be elected as directors. Only votes cast for a nominee will be counted, except that a properly executed proxy that does not specify a vote with respect to the nominees will be voted for the three nominees whose names are printed on the proxy card (Eliza Hermann, Robert J. Laikin, and Cynthia L. Lucchese). Because the vote on this proposal is determined by a plurality of the votes cast, neither abstentions nor broker non-votes (as described below) will have any effect on the election of directors.

Q. How many votes are needed to approve the other Proposal?

A. Assuming a quorum is present, the affirmative vote of the holders of a majority of the shares of Brightpoint common stock represented at the annual meeting, either in person or by proxy, and entitled to vote at the annual meeting is required for Proposal 2 to pass. As described below, for this proposal, abstentions and broker-non votes will have the same effect as a vote against the proposal.

Q. What happens if I abstain from voting?

A. If an executed proxy card is returned and the shareholder has explicitly abstained from voting on any proposal, the shares represented by the proxy will be considered present at the annual meeting for the purpose of determining a quorum. In addition, while they will not count as votes cast in favor of the proposal, they will count as votes cast on the proposal. As a result, other than with respect to Proposal 1, which will be determined by a plurality of the votes cast, an abstention on a proposal will have the same effect as a vote against the proposal.

Q. What is a broker non-vote ?

A. A broker non-vote occurs when a broker submits a proxy that does not indicate a vote for one or more of the proposals because the broker has not received instructions from the beneficial owner on how to vote on such proposals and does not have discretionary authority to vote in the absence of instructions. While broker non-votes will be counted for the purposes of determining whether a quorum exists at the annual meeting, they will not be considered to have voted on any of the proposals on which such instructions have been withheld. In the case of those proposals requiring a majority vote in favor of the proposal, they will have the same effect as a vote against the proposal.

Q. Who bears the cost of soliciting of proxies?

A. The entire cost of soliciting proxies, including the costs of preparing, assembling, printing and mailing the notice and, as applicable, this proxy statement, the proxy and any additional soliciting material furnished to shareholders, will be borne by us. In addition, arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy materials to the beneficial owners of stock, and

we may reimburse such persons for their expenses.

**PROPOSAL 1:
TO ELECT THREE CLASS I DIRECTORS**

General

Our by-laws provide that our board of directors be divided into three classes (Class I, Class II and Class III). At each annual meeting of shareholders, directors constituting one class are elected for a three-year term. At this year's annual meeting, three Class I directors will be elected to hold office for a term expiring at the annual meeting of shareholders to be held in 2013. Based upon the review of and recommendation by our board's Corporate Governance and Nominating Committee, the board has nominated Eliza Hermann, Robert J. Laikin and Cynthia L. Lucchese to serve as Class I directors.

In July 2009, Jorn Jensen and Jan Gesmar-Larsen resigned from the board of directors in connection with the company's purchase of shares from NC Telecom Holding A/S (NC Holding) and in accordance with the terms of the shareholder agreement entered into between the company and NC Holding upon the closing of the company's purchase of Dangaard Telecom A/S. In October 2009 Thorlief Krarup resigned from the board of directors in connection with the purchase by the company of shares from NC Holding and under the Settlement Agreement entered into between the company and NC Holding that extinguished NC Holding's right to designate candidates for consideration by the Corporate Governance and Nominating Committee of Brightpoint's board of directors. Cynthia L. Lucchese and Gov. Thomas J. Ridge were approved as directors and joined the board of directors in August 2009 and September 2009, respectively.

Each of the directors will be elected to serve during his or her term until a successor is elected and qualified or until the director's earlier resignation or removal.

At this year's annual meeting, the proxies granted by shareholders will be voted individually for the election, as directors of Brightpoint, of the persons listed below, unless a proxy specifies that it is not to be voted in favor of a nominee for director. Effective January 1, 2010, your broker is no longer permitted to vote on your behalf with respect to the election of the directors unless you affirmatively provide your broker with instructions as to how you wish to vote your shares. You may not vote your proxy for the election of a person to fill a directorship for which no nominee is named in this proxy statement. If, at the time of the annual meeting, any of the nominees named in the enclosed proxy should be unable or decline to serve as a director, the proxies are authorized to be voted for such substitute nominee or nominees as the board recommends. The board has no reason to believe that any nominee will be unable or decline to serve as a director.

Recommendation of our Board of Directors

**OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR
THE ELECTION OF THE NOMINEES SPECIFIED BELOW.**

Director Selection Process

The qualities and skills sought in prospective members of the board are determined by the Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee requires that director candidates be qualified individuals who, if added to our board, would provide the mix of director characteristics and diverse experiences, perspectives and skills appropriate for us. The criteria for selection of candidates will include, but not be limited to: (i) business and financial acumen, as determined by the Corporate Governance and Nominating Committee in its discretion, (ii) relevant education or training, (iii) a commitment to business ethics and the Brightpoint Values, (iv) tenure and breadth of experience in a significant leadership capacity, as well as a proven record of accomplishment and ability to work with others, (v) knowledge of our industry, (vi) relevant experience and knowledge of corporate governance practices, and (vii) expertise in an area relevant to our company. The Corporate Governance and Nominating Committee also seeks candidates who could create a diverse mix of industry expertises, functional and positional experiences and who have held leadership positions in both private industry and government. Any prospective director nominee must be independent under NASDAQ Marketplace Rules and our corporate governance principles. Such nominees should not have commitments that would conflict with the time commitments of being our director. Such nominees shall be of high repute and recognized integrity and not have been convicted in a criminal proceeding or be named a subject of a pending criminal proceeding (excluding traffic violations and other minor offenses). Such nominees shall not have been found in a civil proceeding to have violated any federal or state securities or commodities law, and shall not be subject to any court or regulatory order or decree limiting his or her business activity, including in connection with the purchase or sale of any security or commodity. Such nominees shall have other characteristics considered appropriate for membership on our board of directors, as determined by our Corporate Governance and Nominating Committee.

The Corporate Governance and Nominating Committee will consider candidates for director nominees put forward by shareholders. The proposal should state how the proposed candidate meets the criteria described above and the shareholder must comply with the other requirements set forth in the section in this proxy statement entitled Shareholder Proposals for Next Annual Meeting. The Corporate Governance and Nominating Committee will consider candidates proposed by shareholders by evaluating such candidates in the same manner and using the criteria described above. The Corporate Governance and Nominating Committee will also adhere to all applicable laws and regulations.

Director Compensation

General

Our Corporate Governance and Nominating Committee is responsible for approving and recommending to our board of directors, our directors' compensation. Each year, the Corporate Governance and Nominating Committee initiates discussions with respect to directors' compensation for the following year at its August committee meeting. At this meeting, the committee typically reviews director compensation surveys from off-the-shelf sources such as the NACD or Corporate Board Member magazine and commences discussions regarding any philosophical shifts or external trends in the marketplace. Thereafter, more data is compiled and reviewed by the members of the committee. Then, at its November meeting, the Corporate Governance and Nominating Committee discusses all the data collected and prepares its recommendation to the board. The committee's general philosophy is one of not wanting to change director compensation each year, i.e., it has an explicit view that changing director compensation annually would be too frequent.

Table of Contents

2009 Director Compensation

On December 20, 2007, our board of directors, upon the recommendation of the Corporate Governance and Nominating Committee, approved the compensation plan for our independent directors for 2008, 2009 and 2010. The board's independent director compensation for those years will be paid entirely in cash as opposed to a combination of cash and equity. Each independent director, except for the lead independent director, will receive an annual cash retainer of \$120,000. In addition, the chairs of the Audit, Compensation and Human Resources, Strategy, and Corporate Governance and Nominating Committees will receive additional annual fees of \$80,000, \$30,000, \$10,000 and \$30,000, respectively. The lead independent director will receive an annual cash retainer of \$250,000, but will not be eligible to receive any additional compensation for board service, including for serving as chair of a committee.

Accordingly, the board no longer requires that any portion of annual board compensation be paid in shares of stock. Instead, in February 2009, our board of directors adopted an independent director stock ownership policy, which requires that directors shall beneficially own shares of our common stock with a market value of at least one and one-half (1^{1/2}) times the annual cash retainer. Each director must achieve these requirements within five years of the adoption of this policy. The board has modified our corporate governance principles to be consistent with this new compensation structure.

In February 2009 the board also adopted our executive stock ownership policy, which requires that the Chief Executive Officer beneficially own shares of our common stock with a market value of at least one and one-half (1^{1/2}) times his annual base salary and that our other named executive officers beneficially own shares of our common stock with a market value at least equal their annual base salary.

Corporate Governance

Corporate Governance Principles

The board of directors of Brightpoint has adopted a set of corporate governance principles which are consistent with the board's responsibility for management oversight. These governance principles are designed to strengthen our company and protect the interests of Brightpoint shareholders while helping to ensure the continued vitality of the board. Copies of these governance principles may be accessed at our website www.brightpoint.com.

Highlights of the corporate governance principles adopted by the board include:

requiring that the board consist of a majority of independent directors and adopting a definition of independent director that is designed to help ensure that persons who serve as independent directors are truly independent;

appointing a lead independent director to act as a liaison between the board and management;

limiting the compensation that can be paid by Brightpoint to the members of the board to only compensation relating to their board or board committee service;

requiring the chairperson of the Audit Committee to be a financial expert;

prohibiting independent directors or their family members from conducting business with Brightpoint;

establishing director compensation practices intended to align more closely the interest of the independent directors with Brightpoint's shareholders; and

encouraging the independent directors to meet in executive session.

Director Independence

The board has determined that all of our current directors, with the exception of Mr. Laikin (our Chairman and Chief Executive Officer), have met the independence requirements set forth in our corporate governance principles and NASDAQ Marketplace Rules. In making determinations regarding a director's independence, the board considers all relevant facts and circumstances, including the director's commercial, banking, consulting, legal, accounting, charitable and familial relationships, and such other criteria as the board may determine from time to time.

Combination of Board Chairperson and Chief Executive Officer

At the present time the board believes that combining the positions of Chairperson and Chief Executive Officer is more beneficial than separating the positions because it allows for a more unified vision and corporate leadership. The board further believes that the company's ongoing commitment to good governance practices, its strong focus on an independent board of directors, the frequent use of executive sessions at board meetings and for all board committees, and the robust role the company requires of its lead independent director all mitigate the potential negative aspects of combining the Chairperson and Chief Executive Officer positions.

Table of Contents

Risk Oversight

The company's risk mitigation strategy begins with a regular review of financial and broader, enterprise-level, strategic risks by our executive management team. The executive management team then prioritizes the risks and reports to the Audit Committee, which is charged with oversight of the company's enterprise risk management process. The Audit Committee, along with the other board committees and the full board, develops and continuously refines plans to mitigate both financial and strategic risks. The full board regularly conducts discussions about the most significant risks that may impact the company. The independent composition of the board and the depth and breadth of experience of the board members create both a structure and the capacity to effectively manage risk.

Shareholder Communications with Directors

Our board of directors, through its Corporate Governance and Nominating Committee, has established a process for shareholders to send communications to the board. You may communicate with the board, individually or as a group, by writing to: The Board of Directors of Brightpoint, Inc. c/o Corporate Secretary, 7635 Interactive Way, Suite 200, Indianapolis, Indiana 46278 or via e-mail: board.directors@brightpoint.com. You should identify your e-mail or other communication as being from a Brightpoint shareholder in the subject line of such communication. The corporate secretary may require reasonable evidence that your communication or other submission is made by a Brightpoint shareholder before transmitting your communication to the board of directors.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

At the outset of 2009, taking the downturn of global economic conditions during 2008 into consideration, as well as concerns about the company's anticipated future performance, general uncertainty over economic conditions and concerns regarding liquidity, the Compensation and Human Resources Committee, at the request of the company's executive management, took steps to limit the executive compensation program for 2009. For the Chief Executive Officer, the other named executive officers and other senior executive officers, the committee:

determined not to make any merit or other increases to 2008 base salaries;

determined that no cash bonuses would be paid with respect to 2009; and

increased the target percentages for performance-based long-term incentive equity grants vesting over a multi-year period.

Despite the economic downturn and the continued challenges posed to the company, we were able to achieve financial and strategic success in 2009. As a result of strong company performance and results in 2009, the long-term incentive equity plan resulted in payouts at their full target levels. The actions taken to de-emphasize cash compensation, coupled with the achievement of long-term incentive equity payouts at full target levels and the rise in the Company's stock price by approximately 70% during 2009, resulted in Mr. Laikin's total annual compensation decreasing by approximately 19% in 2009 as compared with 2008.

General

The board's Compensation and Human Resources Committee, also referred to as the compensation committee, evaluates and approves compensation for our officers. As part of its responsibilities, the compensation committee approves and administers cash incentives, equity compensation, retirement, and benefit programs.

Table of Contents

The discussion and analysis that follows includes sections related to:
the objectives of our compensation program;

the forms of compensation comprising our executive compensation program;

the compensation committee's process for determining compensation for each of our Chief Executive Officer and Chief Financial Officer and the other officers named in our summary compensation table, referred to throughout this proxy statement as our named executive officers;

the manner in which our compensation structure significantly mitigates the potential for inappropriate risk taking that would be detrimental to the company; and

determinations made by our compensation committee with respect to the various components of our named executive officers' compensation for 2009.

Objectives of our Compensation Program

We offer an executive compensation program that aligns executives' financial incentives with our strategic direction and corporate values. Our program is designed to attract and retain key talent needed to manage and grow our business and enhance shareholder value. Our executive compensation program includes both cash (base pay and short-term incentive) and non-cash (equity long-term incentive) components.

In keeping with this executive compensation philosophy, our overall compensation program with respect to our named executive officers is designed to achieve the following objectives:

to provide our named executive officers with base salaries in the aggregate near the median of the relevant external market comparator group, recognizing that individual base salaries will vary above and below that level, reflecting individual job performance, including results and behaviors, as well as skills, experience and length of tenure in position;

to provide an opportunity for the total compensation paid to our executive officers to significantly exceed the market median when exceptional individual and business performance is achieved;

to link a significant proportion of the compensation of these officers with the achievement of our overall performance goals, to ensure that individual performance is directed towards the achievement of our collective goals and to mitigate any incentive for an executive to pursue short-term individual gain at the cost of incurring inappropriate strategic and financial risk;

to enhance alignment of individual performance and contribution with long-term shareholder value and business objectives by providing equity awards through our Amended and Restated 2004 Long-Term Incentive Plan, also referred to as our 2004 Plan;

to motivate and incentivize our named executive officers to continually contribute superior job performance throughout the year;

to retain the services of named executive officers so that they will continue to contribute to and be a part of our long-term success; and

to encourage the ongoing career development of our executives and other employees.

Table of Contents

Forms of Compensation Comprising our Executive Compensation Program

We may provide our named executive officers with some or all of the following forms of compensation:

Base salaries. Base salary represents cash amounts paid during the fiscal year to named executive officers as direct compensation for their services to us. Base salaries and base salary increases are used to reward superior individual job performance on a day-to-day basis during the year and to encourage continued superior job performance. Base salaries and base salary increases also recognize the overall skills, experience and tenure in position of each named executive officer.

Performance-based cash bonuses under our annual executive bonus program. Each year our compensation committee adopts, and routinely reviews the design of, an executive bonus program which provides our named executive officers and certain other key employees with the opportunity to earn a cash bonus payment if specific pre-determined financial and strategic performance measures are attained. We use these cash bonuses to reward named executive officers for their contributions to our performance, as measured by our ability to achieve specified financial and strategic targets within our annual operating plan. No performance-based cash bonus program was approved for 2009.

Discretionary cash-based bonuses. In addition to performance-based cash bonuses earned under our annual executive bonus program, the compensation committee may also choose to award discretionary cash bonuses to certain named executive officers and certain other key employees based on both their individual performance and our overall performance. In recognition of the anticipated challenges faced by the Company during 2009, no discretionary cash bonus program was approved for 2009.

Performance-based grants of equity compensation under our annual executive equity program. Each year we primarily use performance-based equity grants under our 2004 Plan to ensure focus on key financial and strategic objectives. These awards recognize the named executive officers for their contributions to our overall corporate performance, as measured by our ability to achieve specified financial and strategic performance measures within our overall operating plan. Performance-based grants of equity compensation are subject to forfeiture, in whole or in part, if we do not achieve these pre-established performance measures. Those equity awards that are no longer subject to forfeiture vest in three equal annual installments subject to, and in accordance with our 2004 Plan and any agreement entered into between us and the grantee. These awards can take the form of options, restricted stock units and restricted stock awards. Each restricted stock unit entitles the holder to receive one share of our common stock upon the vesting date. A restricted stock award entitles the holder to receive shares of our common stock upon the grant date, which remain subject to the restrictions set forth in a restricted stock agreement. Unlike restricted stock units, shares of restricted stock are considered issued and outstanding immediately upon the date of grant. Since 2006, all of our performance-based equity grants to our named executive officers have been made in restricted stock units.

Discretionary grants of equity compensation. The compensation committee may also determine, on a case-by-case basis, if any additional equity grants are warranted due to individual or company performance or for motivation or retention reasons. These awards can take the form of options, restricted stock units and restricted stock awards and are also made under our 2004 Plan.

Table of Contents

Initial equity grant upon being hired or appointed. Initial equity grants under our 2004 Plan may be made when an executive officer is hired or otherwise becomes a named executive officer. Such grants enable us to reward existing executive officers upon promotion to higher levels of management and to recruit new executives. Initial equity grants are determined based on overall market data, as well as comparisons to our other executives' similar grants or holdings, and are usually recommended by Robert J. Laikin, our chief executive officer, with approval by the compensation committee or the full board of directors. Because these initial grants are structured as an incentive for employment, the amount of these grants may vary depending on the particular circumstances of the named executive officer.

Post-termination compensation. We do not offer any pension plan to our named executive officers aside from complying with statutory provisions in the different jurisdictions in which we operate around the world. We do, however, offer all our U.S.-based employees, including our U.S.-based named executive officers, the opportunity to participate in our ERISA-qualified 401(k) Plan. All U.S.-based named executive officers are eligible to participate in this 401(k) Plan and to receive a company match, subject to plan requirements and contribution limits established by the Internal Revenue Service. While we do not offer a qualified pension plan, four of our named executive officers have Supplemental Executive Retirement Plan agreements, referred to as SERPs, which will provide these executives with a ten-year benefit upon the latter of employment termination or achieving a specified age. Additionally, pursuant to our employment agreements with our named executive officers, they are each entitled to certain cash payments, and the acceleration of certain of their equity awards, upon a change of control coupled with a change in employment status.

Other benefits. We generally do not offer perquisites to our named executive officers; we do, however, provide them with certain other benefits. These include payments of life insurance premiums, payments of long-term disability insurance premiums, company match in the 401(k) plan and employer contributions toward group medical insurance.

Process for Determining Named Executive Officer Compensation

As part of its ongoing duties, the compensation committee continually reviews its use of tools, consultants and the composition of the comparator group to ensure that the overall processes, data and analyses with which it works are up to date and relevant.

Approvals. The approval levels for our compensation program are as follows:

for the compensation level of Mr. Laikin, our Chief Executive Officer, the Compensation Committee determines a recommendation for subsequent approval by the full board of directors;

for the compensation levels of each of the individuals reporting directly to Mr. Laikin including our named executive officers, our Chief Executive Officer, Mr. Laikin, supported by our Senior Vice President of Global Human Resources, Annette Cyr, provides input and recommendations to the compensation committee; the Compensation Committee approves and recommends that the board approve the compensation for these individual; and

Table of Contents

for the compensation levels of each of the company's officers (other than our named executive officers) as defined in Section 16 of the Securities and Exchange Act of 1934 and the rules and regulations promulgated thereunder, the Compensation Committee or full board of directors must approve each recommendation.

Competitive positioning. The Compensation Committee has developed a comparator group of other companies for use as a benchmarking reference group. The comparator group was initially determined as part of an executive compensation analysis conducted for our compensation committee by Hewitt Associates LLC (Hewitt) in 2004 and has been updated each year since. Hewitt acts as an independent compensation consultant to the compensation committee. The scope of Hewitt's engagement is to provide a comparator group against which to analyze our compensation packages in relation to companies similarly situated to us and to determine the economic value of our equity awards for purposes of compensation benchmarking. The Compensation Committee then considers these analyses and insights when determining compensation.

We believe that Hewitt is independent because it is and was engaged by the Compensation Committee itself. Prior to first being hired by the Compensation Committee in 2004, Hewitt had provided no products or services to us or any of our subsidiaries, and, since such time, we have (in addition to the consulting services it provides to our Compensation Committee) purchased only a small number of online tools from Hewitt. The Hewitt executive compensation team was neither involved with nor informed of these purchases.

Many of the constituents of the comparator group are distribution and logistics companies and retailers with focus areas and revenues similar to ours. The comparator group also includes some companies that are larger or smaller than us but which we believe to have similar business models. In accordance with its usual methodology, Hewitt uses a regression analysis to normalize for these differences within our comparator group.

The companies comprising the Hewitt comparator group that the compensation committee considered when determining 2009 compensation are:

Ametek, Inc.,
Arrow Electronics, Inc.,
DST Systems, Inc.,
Global Payments Inc.,
Graphic Packaging Corporation,
Ingram Micro Inc.,
L-3 Communications Corporation,
Rockwell Automation,
Tech Data Corporation,
Teradyne, Inc.,
United Stationers Inc., and
W.W. Grainger, Inc.

Factors considered and reviewed. In performing its duties, the Compensation Committee takes into account the data and analysis provided by Hewitt, as well as several other factors. The Compensation Committee considers the individual job performance of each named executive officer, including results achieved and behaviors demonstrated. The Compensation Committee also considers our overall performance. Relative individual tenure in position is taken into account, and relative internal equity among the named executive officers is also considered. Periodic review of tally sheets showing all elements of compensation for each named executive officer is conducted. Ultimately, the Compensation Committee members take into account all of these factors and data, and apply their own professional judgment in determining their recommendations and decisions on compensation.

Table of Contents

Each of the components of compensation is considered as part of the total compensation amount and serves to meet one or more of our compensation objectives.

We have established a total compensation amount that, in aggregate among all executives, is targeted to be approximately at the 50th percentile of the relevant comparator data prepared by Hewitt. More emphasis is placed on the variable components of compensation, comprised of annual bonus and long-term incentive compensation, so that a greater portion of total pay is at risk, based on performance. We believe the combination of competitive base salaries and opportunity to exceed the market median if performance warrants, yields a conservative but attractive compensation program that aids us in the attraction, retention and motivation of highly qualified executive personnel.

Timing and procedures. Each year, the Compensation Committee conducts several meetings in person and telephonically to review and consider executive compensation including external and internal data and analyses. With regard to structuring 2009 executive compensation, the committee began meeting in August 2008 and concluded in February 2009. The committee then met in February 2010 to make its final determinations regarding the achievement of financial and strategic performance measures. The compensation committee finalizes its compensation decisions on all elements of compensation during the first quarter following the end of the fiscal year, generally at its February meeting. Making compensation decisions at this point allows the Compensation Committee not only to consider compensation survey data, but also to consider total annual performance against both financial and strategic performance measures. The February meeting is generally scheduled to coincide with a full meeting of the entire board of directors, and generally follows our quarterly and annual earnings release.

Compensation Structure and Mitigation of Risk

The Compensation Committee and the board believe that the design and structure of our executive compensation should mitigate any potential for undue risk-taking for short-term gain by executives, and should instead incentivize those executives to focus on the collective achievement of strategic goals of the company. The compensation committee has ensured that our executive compensation program contains a number of risk mitigation features, including:

a significant portion of our executives' compensation is comprised of equity awards that vest over a long-term period, usually three years;

the executive equity program is entirely based on the achievement of robust corporate-wide performance measures;

as these performance measures are being developed each year, at least two committees of the board review and have input i.e. the audit and/or strategy committees, prior to the final set of measures being reviewed by the compensation committee and ultimately approved by the full board;

we have not granted any stock options for the past 5 years and currently have no intention to do so in the future, instead our equity awards are in the form of restricted stock units and restricted stock awards; and

we have deliberately chosen to emphasize components of the compensation program that are at risk to more effectively tie executive compensation to company performance. We proactively eliminated the executive cash bonus program for 2009 in recognition of the challenging business environment.

Table of Contents

The committee and the board believe that for all of these reasons, the company's compensation structure for executives appropriately mitigates the potential for inappropriate risk taking.

Determinations Made with Respect to Executive Compensation in and for 2009***Base Salaries***

In February 2009 the compensation committee recommended and the board approved keeping 2009 executive base salaries flat with their level in 2008. The base salaries for the named executive officers in 2008 and 2009 are as follows:

| Named Executive Officer | 2008 Base Salary | 2009 Base Salary | Change Amount | Change % |
|----------------------------------|-----------------------------|-----------------------------|--------------------------|---------------------|
| J. Mark Howell | \$ 550,000 | \$ 550,000 | \$ 0 | 0.0% |
| Anthony W. Boor | \$ 450,000 | \$ 450,000 | \$ 0 | 0.0% |
| Steven E. Fivel | \$ 425,000 | \$ 425,000 | \$ 0 | 0.0% |
| R. Bruce Thomlinson | AUD632,865 | AUD632,865 | AUD0 | 0.0% |
| John Alexander Du Plessis Currie | \$ 475,000 | \$ 475,000 | \$ 0 | 0.0% |
| Michaél Køehn Milland (1) | \$ 530,880 | \$ 530,880 | \$ 0 | 0.0% |

(1) Although

Mr. Køehn Milland's ceased to be a named executive officer in July 2009 he received his full base salary for 2009 pursuant to the terms of the Separation Agreement and Consulting Agreement entered into with the company.

In addition, and taking into account a request from Mr. Laikin that his salary remain unchanged, the compensation committee recommended and the board approved freezing the base salary for Robert J. Laikin, our Chief Executive Officer. Mr. Laikin's base salary for 2008 and 2009 is as follows:

| Named Executive Officer | 2008 Base Salary | 2009 Base Salary | Change Amount | Change % |
|--------------------------------|---------------------------------|---------------------------------|--------------------------|---------------------|
| Robert J. Laikin | \$ 900,000 | \$ 900,000 | \$ 0 | 0.0% |

Performance-based Cash Bonuses Under our Annual Executive Bonus Programs

In February 2009 the compensation committee determined that, due to the global economic downturn, cash bonuses would not be appropriate in 2009.

Discretionary Cash-based Bonuses

The compensation committee believes that discretionary cash bonuses were neither warranted nor appropriate for 2009, and thus none were recommended or approved.

Performance-based Equity Awards Under our Annual Executive Bonus Program

In February 2009, the Compensation Committee adopted our 2009 executive equity program and, in accordance with that program, granted performance-based restricted stock units under our 2004 Plan to each of our named executive officers, including our chief executive officer. These grants were subject to forfeiture, in whole or in part, prior to the first anniversary of the grant if we did not achieve the following pre-established financial and strategic measures.

The 2009 executive equity program established performance measures consisting of a financial target (income from continuing operations of \$0.43, as adjusted (Non-GAAP)) weighted at 50% and certain strategic objectives (four specific equally weighted measures associated with implementation of our long range business strategy) which, in the aggregate, were also weighted at 50%.

In determining the specific performance measures to incorporate into the 2009 executive equity program, we relied heavily on both our annual operating plan and our overall business strategy. We believe that these performance measures appropriately balanced shorter-term operational goals with long-term strategic imperatives and are attainable with stretch efforts. In analyzing our executive compensation programs, we have found that the performance measures have been achieved approximately three-quarters of the time during the past five years.

The strategic performance measures associated with the 2009 executive equity program were selected for focus because they are instrumental in driving our long-term strategy. These measures fit into the following categories:

- a) Add new products and services to portfolio;
- b) Continue to build brand equity and customer commitment;
- c) Optimize organizational culture; and
- d) Enhance ability to capture growth opportunities.

Under the 2009 executive equity program, the number of restricted stock units that each named executive officer was granted, and was thus eligible to earn, was based on the dollar value of a percentage of his base salary, as follows: for Mr. Laikin 150%; for each of Messrs. Boor, Howell and Thomlinson 125%; for Messrs. Currie and Fivel 100%; and for Mr. Køehn Milland 75%. The number of restricted stock units for these grants was calculated for each named executive officer by dividing the dollar value of the applicable percentage of his base salary by the per share closing price of our common stock on February 2, 2009, or \$5.00 per share, whichever was higher. The calculation for 2009 used \$5.00 per share to determine the grant value.

Table of Contents

In February 2010, the compensation committee determined that the 2009 predetermined financial performance measure relating to adjusted income from continuing operations was met and that each of the 2009 strategic performance measures had been achieved or exceeded and that one hundred-percent (100%) of the restricted stock units granted had thus been earned by our executive officers. These earned restricted stock units commenced vesting in three equal annual installments in February 2010.

| Named Executive Officer | RSUs Earned under 2009 Executive Equity Program |
|----------------------------------|--|
| Robert J. Laikin | 270,000 |
| J. Mark Howell | 137,500 |
| Anthony W. Boor | 112,500 |
| Steven E. Fivel | 85,000 |
| R. Bruce Thomlinson | 103,564 |
| John Alexander Du Plessis Currie | 95,000 |
| Michaél Køehn Milland (1) | 0 |

(1) Mr. Køehn Milland, as a result of his departure from his position as a named executive officer in July 2009, did not earn any RSUs under the 2009 executive equity program.

Discretionary grants of equity compensation. The compensation committee believes that discretionary grants of equity compensation were warranted and appropriate for the named executive officers for 2009 due to strong individual and collective performances and successfully addressing significant business challenges during the year. The committee recommended and the board approved the following grants of performance-based restricted stock units, all of which have a multi-year vesting schedule. In addition, the committee approved grants of restricted stock units for certain other key employees, for purposes of individual reward and retention.

| Named executive officer | RSUs Granted as Discretionary Equity Awards |
|----------------------------------|--|
| Robert J. Laikin | 123,796 |
| J. Mark Howell | 85,970 |
| Anthony W. Boor | 79,092 |
| Steven E. Fivel | 29,230 |
| R. Bruce Thomlinson | 39,851 |
| John Alexander Du Plessis Currie | 32,669 |
| Michaél Køehn Milland (1) | 0 |

(1) Mr. Køehn Milland was not granted any discretionary equity awards due

to his departure
from his position
as a named
executive officer in
July 2009.

Table of Contents

Based on our comparator group review, Mr. Laikin's total compensation at target (\$2,250,000) and actual payments received during 2009 were below the aggregate median of the comparator group. In the aggregate, the total compensation of all named executive officers is at the market median, with some individual variance around the median based upon job performance, skills, experience and length of tenure in position.

The Compensation Committee considered internal comparisons with our other senior executives when setting Mr. Laikin's compensation. Mr. Laikin's total compensation, assuming all of his targets are met, is roughly double that of the next most highly compensated named executive officer. We believe this is justified because of his strong job performance as chief executive officer as well as his role as founder of our organization.

Post-termination compensation

Post-retirement compensation. All U.S.-based named executive officers are eligible to participate in our ERISA-qualified 401(k) Plan and to receive a company match, subject to plan requirements and contribution limits established by the IRS. The 401(k) Plan provides a matching benefit of \$0.50 per each dollar invested to a maximum of six percent of base salary, subject to these limitations. In 2007, 2008 and 2009, named executive officers and other highly compensated employees as defined by the IRS were subject to contribution and matching limitations based upon required annual non-discrimination testing. During 2009, the named executive officers were each allowed to contribute a maximum of \$13,100 to the 401(k) Plan and receive a matching contribution from us of up to \$6,550.

In 2005, we entered into supplemental executive retirement plan agreements, referred to as SERP agreements, with each of Robert Laikin, Mark Howell and Steven Fivel. The payments under the SERP agreements will be made on an annual basis beginning on the later of the individual's termination date (other than termination for cause), or the attainment of age 50, 53 or 55 for Messrs. Laikin, Howell or Fivel, respectively, for a period of ten years or until such individual's death, if earlier. If Mr. Laikin, Howell or Fivel is terminated for cause, then the benefit would not commence for that executive until he reached the age of 62 for a period of ten years or until such individual's death, if earlier. The benefit is an annual payment equal to a certain percentage of average base salary and is subject to a limit, referred to as the cap amount.

Assuming annual salary increases of 3% per year, the anticipated payments would reach the cap amount and would be paid in approximately the following amounts: \$496,000 per year to Mr. Laikin beginning on the later of termination or age 50; \$344,000 per year to Mr. Howell beginning on the later of termination or age 53; and \$229,000 per year to Mr. Fivel beginning on the later of termination or age 55, in each case for a period of ten years or until such individual's death, if earlier. Payment under the amended and restated SERP agreements is contingent upon termination of service.

In 2009, we entered into a SERP agreement with Tony Boor. The payments under the SERP agreement will be made beginning on the date of Mr. Boor's termination. Assuming annual salary increases of 3% per year, the anticipated payments would be limited to the amount of \$344,000. The benefit will be paid for a period of ten years or until Mr. Boor's death, if earlier.

The compensation committee believes that these SERP benefits are reasonable and recognize the long-term contributions of these four named executive officers.

Change of control agreements, severance arrangements. We have entered into employment agreements with each of our named executive officers, which are described below under the heading Employment agreements with named executive officers. Under these employment agreements, each of our named executive officers is entitled to severance payments upon the termination of their employment under certain circumstances, including, in each case, in the event we terminate their employment in breach of the employment agreement (other than for cause or disability) after a change of control. In addition, some of the agreements with our named executive officers provide for accelerated vesting of their stock options and or restricted stock awards upon the termination of their employment under certain circumstances. These potential change of control and severance payments are detailed in the Potential payments upon termination or change of control section below. We believe that these arrangements enhance our ability to retain superior executive talent and, if a change of control were to occur, to retain our top executives through a period of uncertainty, keep our management team intact, preserve the neutrality of the management team in negotiating and executing a transaction and keep the management team focused on the best interests of the shareholders, rather than their own job security.

Other benefits

During 2009, our named executive officers received, to varying degrees, a limited amount of other benefits that we paid on their behalf or for which we provided reimbursement. These benefits included the following:

payments of life insurance premiums. We continued to provide all U.S.-based named executive officers and other executives with a group life insurance plan at no cost. The life insurance plan provides a benefit of two times the executive's annual base salary up to a maximum of \$400,000 in the event of the death of the plan participant. This plan also provides an accidental death and dismemberment benefit with a maximum possible benefit equal to that of the life insurance benefit. In addition, Mr. Currie participates in a plan in the United Arab Emirates with a benefit of \$250,000 in the event of death;

payments of long-term disability insurance premiums. We continued to provide all of our U.S.-based named executive officers, other U.S.-based executives and other key employees with a group long-term disability plan that provides a benefit in the event of the plan participant's disability equal to sixty percent of the participant's pre-disability income, up to a maximum of \$12,000 per month; and

employer contributions toward group medical insurance. We continued to provide all of our U.S.-based named executive officers and other U.S.-based executives and employees with a group medical insurance program that provides both preventive and catastrophic benefits. Benefits offered to employees outside of the United States vary by local practice and statutory requirements in each of the jurisdictions in which we operate.

Tax Matters

Section 162(m)

Our policy is to maximize the tax deductibility of compensation paid to our most highly compensated executives under Section 162(m) of the Internal Revenue Code and related regulations, and our shareholders have approved our 2004 Long-Term Incentive Plan under which all forms of equity based compensation are made. We may, however, authorize payments to our named executive officers that may not be fully deductible if we believe such payments are in our shareholders' interests. All performance-based restricted stock unit awards have been structured to qualify as performance-based compensation exempt from the limitations on deductibility imposed by Section 162(m).

Sections 280G and 4999

The employment agreements for Messrs. Laikin, Howell, Fivel, and Boor provide for tax protection on severance payments resulting from a change of control in the form of a gross up payment to reimburse the executive for any excise tax under Internal Revenue Code Section 4999 as well as any additional income and employment taxes resulting from such reimbursement. Code Section 4999 imposes a 20% non-deductible excise tax on the recipient of an excess parachute payment and Code Section 280G disallows the tax deduction to the payor of any amount of an excess parachute payment that is contingent on a change of control. A payment as a result of a change of control must exceed three times the executive's base amount in order to be considered an excess parachute payment, and then the excise tax is imposed on the parachute payments that exceed the executive's base amount.

Section 409(A)

In December 2008, the compensation committee approved amendments to our 2004 Plan to conform the 2004 Plan to Section 409A of the Internal Revenue Code, referred to as Section 409A. In addition, the compensation committee approved amendments to the employment agreements of Messrs. Laikin, Boor, Howell, Køehn Milland, and Fivel to conform those agreements to Section 409A.

For Mr. Currie, this amount represents the change in the accrued value of a gratuity program in

which Mr. Currie participates in accordance with the laws of the United Arab Emirates (where he lives), whereby upon his termination he will be entitled to a benefit that reflects his salary and years of service in the United Arab Emirates as well as premiums for life and medical insurance offered to staff in the United Arab Emirates. (1) No Non-Equity Incentive Plan awards were made in 2009. The targeted equity incentives under our 2009 executive equity program administered under our 2004 Plan was the

potential to earn a number of shares equivalent to the dollar amount represented by 150% of base salary for Mr. Laikin, 125% of base salary for each of Messrs Howell, Boor and Thomlinson, 100% of base salary for Messrs. Fivel and Currie and 75% for Mr. Køehn Milland. The number of restricted stock units for these grants was calculated for each named executive officer by dividing the dollar value of the applicable percentage of his base salary by the per share closing price of our common stock on February 3, 2009. Mr. Køehn Milland did not receive his grant under the executive equity incentive program.

- (2) Mr. Køehn
Milland

received a grant of 39,816 shares pursuant to the terms of his Separation Agreement entered into with the company in July 2009.

Employment agreements with named executive officers

Certain defined terms

We have entered into employment agreements with each of our named executive officers, all of which are described below. When used in those agreements, the following terms (except as described below with respect to the use of the term "cause" in the agreements of Messrs. Thomlinson and Currie) have the following meanings:

Good reason is defined as:

any limitation upon or change to the employee's duties or reporting obligations,

any failure by us to comply with our material obligations under the employment agreement, or

the failure of any successor to our business to assume the employment agreement upon succession.

A change of control shall be deemed to occur, unless previously consented to in writing by the respective employee, upon the occurrence of any of the following:

individuals who as of the date of the agreement constituted our then current board of directors cease to constitute a majority of our board;

subject to certain specified exceptions, the acquisition, by any person or entity not affiliated with the respective employee or us, of beneficial ownership of 15% or more of our voting securities;

the commencement of a proxy contest against management for the election of a majority of our board of directors if the group conducting the proxy contest owns, has or gains the power to vote at least 15% of our voting securities;

the consummation under certain conditions by us of a reorganization, merger or consolidation or sale of all or substantially all of our assets to any person or entity not affiliated with the respective employee or us; or

our complete liquidation or dissolution.

Cause is defined as:

the willful and continuous failure of the employee to substantially perform his required duties;

the employee's willful criminal misconduct (including embezzlement and criminal fraud) that is materially injurious to us; or

the conviction of the employee of a felony.

Under our employment agreements with Messrs. Thomlinson and Currie, "cause" is defined as follows:

the employee's failure to perform any or all of his duties under the employment agreement after reasonable notice from us to him to rectify any such failure;

the employee's engagement in misconduct that is detrimental or injurious to us, monetarily or otherwise;

Table of Contents

the employee being charged with an indictable offense; or

the employee's violation of our policies and procedures.

Under the agreement with Mr. Thomlinson, however, with respect to a failure to perform any or all of his duties under the agreement, Mr. Thomlinson's failure must relate to a material duty.

Messrs. Laikin's and Howell's Agreements

Originally effective in 1999, we have entered into five-year evergreen employment agreements with each of Messrs. Laikin and Howell, which are automatically renewable for successive one-year periods. Currently, these agreements provide for an annual base compensation in 2009 of \$900,000 and \$550,000, respectively, and such bonuses as our board of directors may from time to time determine. If we provide the employee with notice of non-renewal or that we desire to terminate the agreement without cause, there is a final five-year term commencing on the date of such notice. The employment agreements provide for employment on a full-time basis and contain a provision that the employee will not compete or engage in a business competitive with our business during the term of the employment agreement and for a period of two years thereafter.

The employment agreements also provide for severance payments if the employee's employment is terminated by him, without good reason, within 12 months after a change of control,

by him, for good reason, prior to and not as a result of a change of control, or

by us, other than for disability or cause, prior to and not as a result of a change of control, equal to (subject to a severance cap of \$9.0 million with respect to Mr. Laikin and \$4.5 million with respect to Mr. Howell) the greater of (a) \$2.25 million for Mr. Laikin and \$1.625 million for Mr. Howell and (b) five times the total compensation (including salary, bonus and the value of all perquisites) received from us during the twelve months prior to the date of termination. If after, or as a result of, a change of control, the employee's employment is terminated either by the employee for good reason or by us other than for disability or cause, the employee will be entitled to receive severance pay (subject to the respective severance cap) equal to ten times the total compensation (including salary, bonus, the value of all perquisites and the value of all stock options granted to the employee) received from us during the twelve months prior to the date of termination. In addition, the vesting of all options and restricted stock awards granted to the employee will be accelerated, so that the options become immediately exercisable and remain exercisable until the earlier of (a) 180 days from the date of the employee's termination and (b) the expiration of the stock option, and all restricted stock awards immediately vest, when and if (i) a change of control occurs, (ii) we, in breach of the agreement, terminate the employee's employment other than for disability or cause, or (iii) the employee terminates his employment for good reason.

Mr. Boor's Agreement

In May 2009, we entered into an amended and restated employment agreement with Mr. Boor for a four-year term that provides for an annual base compensation in 2009 of \$450,000 and such bonuses as our board of directors or the compensation committee of the board may from time to time determine. The employment agreement provides for employment on a full-time basis and contains a provision that Mr. Boor will not compete or engage in a business competitive with our business during the term of the employment agreement and for a period of two years thereafter.

Table of Contents

The employment agreement also provides for a severance payment if Mr. Boor's employment is terminated by the company without cause. In addition to his salary through the termination date, this non-cause severance pay will be paid in a lump sum equal to (a) the salary received or earned and any cash bonus earned by Mr. Boor during the twelve months prior to the termination of his employment, multiplied by (b) 2.99. Mr. Boor will also be entitled to severance if he terminates his employment with the company for good reason within twelve months after a change of control. In addition to his salary through the termination date, this change of control severance pay will be paid in a lump sum equal to (a) the salary plus any bonus received or earned by Mr. Boor during the twelve months prior to the termination date, multiplied by (b) 2.99. If there is an excise tax due on either such severance payment, the severance will be increased so that the excise tax on the severance payment will be paid as well as any income tax payable on such excise tax. The severance payments and accelerated vesting are subject to a cap of \$2.75 million.

Upon a change of control or a termination of Mr. Boor by the company without cause, all then-unvested stock options granted to Mr. Boor will be accelerated, so that the options become immediately exercisable and remain exercisable until 180 days thereafter or the expiration of the stock option, if shorter, and all then-unvested shares or units of restricted stock, restricted stock units or other stock based awards will vest immediately, however, with respect to such restricted stock, restricted stock units or other stock based compensation, the definition of change of control to be applied is the definition contained in the applicable employee benefit plan or award agreement.

Mr. Fivel's Agreement

Originally effective in 1999, we have entered into a three-year evergreen employment agreement with Mr. Fivel, which is automatically renewable for successive one-year periods and provided for an annual base compensation in 2009 of \$425,000 and such bonuses as our board of directors may from time to time determine. This contract was most recently amended in December 2008. If we provide Mr. Fivel with notice of non-renewal or that we desire to terminate the agreement without cause after January 1, 2010, there is a final three-year term commencing on the date of such notice. Otherwise, the employment agreement provides substantially the same terms as the employment agreements for Messrs. Laikin and Howell, except that if Mr. Fivel's employment is terminated:

by him, without good reason, within 12 months after a change of control,

by him, for good reason, prior to and not as a result of a change of control, or

by us, other than for disability or cause, prior to and not as a result of a change of control, he will be entitled to receive (subject to a \$1.25 million severance cap) the greater of (a) \$825,000 and (b) three times the total compensation (including salary, bonus and the value of all perquisites) he received from us during the twelve months prior to the date of his termination. If after, or as a result of a change of control, Mr. Fivel's employment is terminated either by him for good reason or by us other than for disability or cause, Mr. Fivel will be entitled to receive severance pay equal to six times the compensation (including, salary, bonus, and the value of all perquisites and the value of all stock options granted to him) received or earned by him from us during the twelve months prior to the date of termination subject to a severance cap of \$2.25 million.

In addition, the vesting of all options and restricted stock awards granted to Mr. Fivel will be accelerated, so that the options become immediately exercisable and remain exercisable until the earlier of (a) 180 days from the date of his termination and (b) the expiration of the stock option, and all restricted stock awards immediately vest, when and if (i) a change of control occurs, (ii) we, in breach of the agreement, terminate his employment other than for disability or cause, or (iii) Mr. Fivel terminates his employment for good reason.

Table of Contents*Mr. Thomlinson's Agreement*

In November 2008, we entered into a new five-year agreement with Mr. Thomlinson, which currently extends through December 31, 2013. As an employee under the new agreement, Mr. Thomlinson has an annual base compensation paid in Australian dollars of AUD 632,865 per annum (which, based on December 31, 2009 exchange rate of AUD 0.8944 to 1.00 United States dollars, is equivalent to USD \$566,034). Mr. Thomlinson also is eligible for discretionary bonuses, performance bonuses and participation in the executive bonus plans. From January 1, 2009 through December 31, 2013, Mr. Thomlinson is not entitled to participate in existing or future benefits and plans that we institute, including health benefits. Mr. Thomlinson is entitled to 28 days of paid leave; we may require Mr. Thomlinson to take any accrued but untaken annual leave by giving him one month notice. Upon termination as a result of Mr. Thomlinson's death or for cause, Mr. Thomlinson's designee or his estate shall receive Mr. Thomlinson's salary through the date of termination, including any statutory entitlements. If Mr. Thomlinson is terminated for disability, he will receive his salary until the date of such termination, plus one month. During the period of Mr. Thomlinson's employment, or consultancy, as the case may be and thereafter, he may not divulge any trade secret, industrial process or any information concerning the business or finances of the company. Mr. Thomlinson is also prohibited, during the term of his employment or consultancy, as the case may be, and for one year thereafter, from competing with us, or taking an action that interferes with our business. After December 31, 2009, we or Mr. Thomlinson may terminate the agreement other than for disability or cause and convert Mr. Thomlinson's status to that of an independent contractor upon 90 days prior written notice. We may convert Mr. Thomlinson's status to independent contractor by providing a payment of 90 days remuneration in lieu of notice. If we terminate Mr. Thomlinson in such manner, and Mr. Thomlinson executes a normal release of claim, we shall pay Mr. Thomlinson USD \$500,000, less taxes, and we shall engage Mr. Thomlinson as a consultant. If such notice is given, Mr. Thomlinson's duties as a consultant will not exceed 20 hours per calendar month and the total compensation that Mr. Thomlinson shall receive as a consultant is \$200,000 U.S. dollars per calendar year. If Mr. Thomlinson's status is converted to that of consultant, the term of his engagement as consultant shall be the greater of the remaining years of the agreement or three years. We have the option to extend the term of consultancy for up to two additional years. Any, then existing, long-term incentive equity grants will continue to vest during the time in which Mr. Thomlinson serves as a consultant.

Mr. Currie's Agreement

We have entered into a three-year employment contract with Mr. Currie, which is automatically renewable for a one-year period and provided for an annual base compensation in 2009 of \$475,000 and such bonuses as our board of directors or the compensation committee of the board may from time to time determine. The employment agreement provides for employment on a full-time basis and contains a provision that Mr. Currie will not compete in a business competitive with our business during the term of the employment agreement and for a period of one year thereafter. The employment agreement also provides that if Mr. Currie's employment is terminated by us in breach of this agreement, prior to and not as a result of a change of control, then Mr. Currie is entitled to a termination payment equal to the aggregate emoluments (defined as base salary, bonus and the value of all perquisites, but excluding the value of any equity) he received for the 12-month period ending on the date of termination. If Mr. Currie is terminated other than for death, disability or cause, in breach of this agreement and upon a change of control, we shall pay Mr. Currie a lump sum severance amount on the tenth day following the date of termination, equal to three times the salary received or earned by Mr. Currie under the agreement during the twelve months prior to the termination date (subject to a severance cap of \$1.0 million, provided that this maximum amount shall not include statutory entitlements). If Mr. Currie's employment is terminated for heightened cause, defined in his agreement as being convicted of, or entering a guilty or no contest plea to (i) a crime constituting a felony under the U.S. laws of that is related to our business or Mr. Currie's employment with us, or (ii) actual or attempted theft, fraud, embezzlement or willful

misappropriation of funds against us, then Mr. Currie will forfeit the unvested balance of the 120,000 shares of our restricted stock awarded to him on February 23, 2006 as a material inducement to his employment. These shares vest as to one-eighth of the shares on each of the first eight anniversaries of the date of grant, and the unvested balance as of December 31, 2008 was 90,000 shares. These shares were registered on a registration statement on Form S-3 filed on November 19, 2007.

On December 18, 2008, the Compensation and Human Resources Committee approved certain amendments to the employment agreements of Messrs. Laikin, Boor, Howell, Køehn Milland, and Fivel. The amendments conform those agreements to Section 409A of the Internal Revenue Code. Specifically, each employment agreement has been amended to specify that severance amounts payable by the company, which are not exempt from Section 409A, will be further deferred for six months following that executive's separation from service with the company.

Mr. Køehn Milland's Separation Agreement

In August 2009 we entered into a Separation and Consulting Agreement with Mr. Køehn Milland that provided that we would pay Mr. Køehn Milland his current base salary for three years following the termination of his employment, together with additional payments, including reasonable housing, moving and storage expense reimbursement. Mr. Milland's earned restricted stock units will continue to vest during the term of the Consulting Agreement. The Company has also agreed to grant Mr. Køehn Milland 39,816 additional shares of restricted stock that will vest in accordance with the terms of the Consulting Agreement. The agreements contain non-compete, non-solicitation and non-disclosure provisions in addition to those that survive from Mr. Køehn Milland's employment agreement with the Company.

Mr. Gupta's Agreement

In January 2010, we entered into an employment agreement with Mr. Gupta as President, Europe, Middle East and Africa. Mr. Gupta's annual salary is \$375,000 and his cash bonus potential is \$187,500 (50% of his base salary). Mr. Gupta's agreement also provides a one-time signing bonus of US\$150,000 and specifies that Mr. Gupta will also be eligible to participate in our executive equity plan, at an initial participation rate of 125% of his salary (initially US\$468,750). Mr. Gupta is entitled to an automobile allowance in the amount of \$2,300 per month. The agreement has an initial two year term, and, following the initial term, is renewable automatically for successive one year periods unless, more than 30 days prior to the expiration of the initial term or any renewal term, either Mr. Gupta or the company give the other party written notice of non-renewal. If we terminate Mr. Gupta's employment for cause or as a result of Mr. Gupta's death or disability, then Mr. Gupta is entitled to receive his base salary through the date of his termination, death or disability, as applicable. If we terminate Mr. Gupta other than for cause, death or disability, then Mr. Gupta is entitled to reasonable relocation costs to repatriate Mr. Gupta and his family to the United States, as well as Mr. Gupta's salary through the date of such termination. Additionally, the agreement gives Mr. Gupta the opportunity to execute a Separation Agreement and Release of Claims which shall include provisions for (i) a separation payment and (ii) the immediate vesting of all options and/or restricted stock units granted to Mr. Gupta. The separation payment shall be the lesser of (i) an amount equal to the cash compensation defined as base salary and bonus opportunity that would be paid to Mr. Gupta during the remaining term of the agreement (such amount shall not be less than one year's base salary) or (ii) US\$1,000,000. The agreement also contains non-competition and confidentiality provisions.

Executive equity and bonus programs

2004 Long-Term Incentive Plan

The equity component of our executive compensation program is derived from our 2004 Plan, which is administered by the compensation committee. Currently our incentive plan enables the compensation committee to grant to our employees, including our named executive officers, the employees of our subsidiaries, our directors, our consultants and other persons who are expected to contribute to our success, the following types of equity awards under the plan:

non-qualified incentive stock options,

performance units;

restricted stock;

deferred stock;

other stock-based awards (which includes restricted stock units); and

cash based awards.

Prior to 2005, all performance-based equity compensation for named executive officers was issued in the form of stock options. Beginning in 2005, we began issuing restricted stock units in combination with stock options and restricted stock awards as part of our equity program, primarily because of the increased stock-based compensation expense associated with stock options and similar instruments under SFAS 123R. Since 2006, all of our performance-based equity compensation has been issued under our 2004 Plan in the form of restricted stock units.

No participant may be granted awards under the plan relating to more than 2,025,000 shares of our common stock in the aggregate, in any year. The total number of shares reserved and available for distribution under the incentive plan was originally set at 4,050,000 shares and was increased by 2,173,953 at the 2008 annual meeting and by 7,000,000 at the 2009 annual meeting for a total of 13,223,953 shares reserved and available for grant under the Plan. As of December 31, 2009, a total of 4,353,754 of such shares had been granted or reserved and 8,870,199 were available for future award grants.

In 2009 we sought and received shareholder approval to amend and restate our 2004 Plan to provide for (i) an increase in the number of common shares available for issuance under the 2004 Plan by 7,000,000, (ii) a double trigger change of control provision for all awards made after the approval of the amendments to the 2004 Plan and (iii) a prohibition against (x) reducing the exercise price of any stock options, (y) cancelling stock options that are not in-the-money and (z) re-granting or exchanging stock options for new stock options or other awards.

2009 Executive Equity and Bonus Programs

In February 2009, the compensation committee adopted our 2009 executive equity program and, as part of that program, granted performance-based restricted stock units under our 2004 Plan to each of our executive officers, including our chief executive officer. These grants were subject to forfeiture, in whole or in part if we did not achieve certain pre-established performance measures, including adjusted income from continuing operations (a non-GAAP measure), weighted at 50%, and four equally weighted strategic measures also weighted, in the aggregate, at 50%. In February 2010, our compensation committee determined that the predetermined financial measure relating to adjusted income from continuing operations was met and that each of the strategic performance measures under the 2009 executive equity plan were achieved or exceeded. As a result, one hundred percent (100%) of the grants made as part of the 2009 executive equity program were earned by our executive officers. These earned grants commenced vesting in three equal annual installments commencing in February 2010.

The compensation committee did not establish a 2009 cash bonus program for our executive officers.

(1) The SERP calculation does not include years of service, which are included for informational purposes only.

(2) Figures represent present value of the benefit as calculated by Mercer Human Resources Consulting. Retirement is assumed to occur at the plan's unreduced retirement age of 60 for Mr. Boor and 62 for Mr. Fivel, Mr. Howell, and Mr. Laikin and paid in the form of a temporary life annuity for not more than ten years. The present values for December 31, 2009 were determined using a discount rate of 5.5%.

(3) While Mr. Currie did not receive benefits from a plan as set forth above, pursuant to the terms of the laws of the United Arab Emirates, Mr. Currie is entitled to an end of contract gratuity that is accrued over time with the total payment not to exceed two year's

wages.

Our amended and restated SERP agreements with Messrs. Laikin, Howell and Fivel and our SERP agreement with Mr. Boor provide a supplemental retirement benefit for each of Messrs. Laikin, Howell, Fivel and Boor subject to a cap amount.

Table of Contents

Assuming annual salary increases of 3% per year, the anticipated payments pursuant to the SERP agreements would reach the cap amount and would be paid in approximately the following amounts: \$496,000 per year to Mr. Laikin commencing at age 50; \$344,000 per year to Mr. Howell commencing at age 53; \$344,000 per year to Mr. Boor commencing at age 60 and \$229,000 per year to Mr. Fivel commencing at age 55. Payment under the amended and restated SERP agreements is contingent upon termination of service.

The SERP agreements we have entered into with each of Messrs. Laikin, Howell and Fivel do not provide an enhanced or reduced benefit based on the circumstances regarding termination, except that (a) if such person is fired for cause, he may not receive any payments under the SERP agreement until he has reached age 62 and (b) there is no survivor benefit in the event that termination results from the executive's death. The SERP agreement we have entered into with Mr. Boor does not provide an enhanced or reduced benefit based on the circumstances regarding termination, except that (a) if he is terminated for cause he may not receive any payments under the SERP agreement and (b) there is no survivor benefit in the event that termination results from the executive's death.

Potential payments upon termination or change of control

General

With respect to termination by us of a named executive officer's employment for cause (at any time) or by the named executive officer of his employment without good reason (and not as a result of a change of control), the executive is only entitled to his accrued and unpaid salary and his unvested stock options, restricted stock units and shares of restricted stock are deemed forfeited at such time. The following table sets forth potential payments receivable by our named executive officers upon termination of their employment under the various circumstances listed and assumes for purposes of calculating amounts due that the executive was terminated as of December 31, 2009:

Table of Contents

- (1) In addition to the payments outlined herein, Messrs. Laikin, Howell, Fivel and Boor are eligible for payments under supplemental executive retirement plans that will provide ten-year annuities commencing at the later of the executive's date of termination or age 50 (Mr. Laikin), age 53 (Mr. Howell) or age 55 (Mr. Fivel) or age 60 (Mr. Boor). A full discussion of these supplemental executive retirement plans may be found above in the section entitled Executive compensation 2009 pension benefits table.
- (2) The aggregate amount of (a) any cash severance payment made to the executive and (b) the value of any stock options and restricted stock awards or restricted stock units of the executive that are accelerated as a result of the termination of the

executive's employment, may not exceed a designated severance cap of \$9,000,000 for Mr. Laikin, \$4,500,000 for Mr. Howell and either \$1,250,000 or \$2,250,000 for Mr. Fivel depending upon the circumstance leading to termination of his employment; provided, however, that the value (\$2,646,000 in the case of Mr. Laikin, \$1,323,000 in the case of Mr. Howell and \$661,500 in the case of Mr. Fivel) attributable to the accelerated vesting of the shares of restricted stock granted to Messrs. Laikin, Howell and Fivel on April 7, 2005 is explicitly excluded from the severance caps applicable to such executives. For purposes of this table, we have assumed that, in situations where the executive's severance cap would be exceeded, the executive has chosen to receive first the maximum amount of his cash severance payment permitted by such

severance cap and then, to the extent the severance cap is not yet exceeded, the remainder in acceleration of long-term incentives.

- (3) Severance payments include value of life, health and long-term disability insurance premiums and matching 401(k) contributions made by us.
- (4) Entitled to a payment equal to the greater of (a) \$2,250,000 in the case of Mr. Laikin and \$1,650,000 in the case of Mr. Howell and (b) five times his total compensation earned during the prior 12 months (including bonus and the value of all perquisites), subject to his applicable severance cap.
- (5) Entitled to a payment equal to ten times his total compensation earned during the prior 12 months (including bonus, the value of all perquisites and value of all stock options granted during such period), subject to

his applicable
severance cap.

- (6) In the event that the executive is terminated due to his disability, he will receive 100% of his salary for one year and 50% of his salary for a second year. Does not include up to \$12,000 per month that the executive might qualify for under our long-term disability plan.
- (7) Entitled to immediate vesting of all stock options (which may then be exercised for a period of up to 180 days) and immediate vesting of all shares of restricted stock, subject, in the case of Messrs. Laikin, Howell and Fivel, to the executive's applicable severance cap.
- (8) Entitled to immediate vesting of all restricted stock units, subject, in the case of Messrs. Laikin, Howell and Fivel, to the executive's applicable severance cap. Does not include the impact of unearned restricted stock units under

 - (a) immediate vesting of all shares of restricted stock that would otherwise have become vested on the next vesting day to occur after the executive's death or disability,
 - and (b) immediate vesting of all restricted stock units that have been earned as of the date of the executive's death or disability.

- (10) Entitled to a lump sum payment equal to 2.99 times his salary (excluding any bonus or perquisites) earned or received during the prior 12 months.

Employment Agreements

General

Pursuant to their respective employment agreements, our named executive officers are entitled to payments upon a change of control and, in some cases, upon termination of their employment with us for other reasons, depending on the circumstances in which they leave their employment with us. Generally, the employment agreements with our named executive officers provide that upon a change of control, they are entitled to a lump sum payment equal to a multiple of their base salary (or their base compensation) if we terminate their employment in breach of their agreement other than for disability or cause. In addition, some of the agreements with our named executive officers provide for accelerated vesting of their stock options and/or restricted stock awards upon the termination of their employment under certain circumstances. A more detailed discussion of each of our employment agreements with our named executive officers, including, where applicable, details with respect to their severance formulas and severance caps and the definitions used in such agreements for terms such as change of control, good reason and cause, are set forth above in the section entitled Employment agreements with named executive officers.

Severance Payments

Each of Messrs. Laikin, Howell and Fivel is entitled to a lump sum severance payment equal to the greater of (a) a designated amount and (b) a multiple (five, in the case of Messrs. Laikin and Howell, and three, in the case of Mr. Fivel) of the aggregate salary, bonus and perquisites received by him during the prior 12 months, subject in each case to a designated severance cap, in the event that, prior to and not as a result of a change of control, his employment is terminated either by him with good reason or by us other than for disability or cause or in the event that he terminates his employment within 12 months after a change of control. In addition, each of them is entitled to a higher lump sum severance payment, an amount equal to ten, in the case of Messrs. Laikin and Howell, and six, in the case of Mr. Fivel, times the aggregate salary, bonus, value of any perquisites and value of any stock options received by him during the prior 12 months, subject to his severance cap, if his employment is terminated either by him with good reason or by us other than for disability or cause, in each case, after or as a result of a change of control.

Table of Contents

The employment agreements of each of Messrs. Laikin, Howell and Fivel provide that in the event that the aggregate severance payments or benefits provided to him under his employment agreement and under all plans, programs and arrangements of the employer, referred to as the severance total, is determined to constitute a parachute payment under the Internal Revenue Code of 1986, as amended, then the severance total will be increased by an amount, referred to as the increase, sufficient so that after he pays (a) any income taxes on the increase and (b) any excise tax on the sum of the severance total and the increase, he will have received an amount, net of such taxes, equal to the severance total. Pursuant to their employment agreements, none of Messrs. Laikin, Howell and Fivel will be required to repay to us any amount that is finally determined by the Internal Revenue Service to have been in excess of the amount permitted to be received without incurring such excise tax.

Mr. Boor is entitled to a lump sum severance payment equal to 2.99 times the salary he received during the 12 months prior to the termination of his employment in the event that we, at any time, terminate his employment (other than for cause or disability) in breach of his employment agreement or he terminates his employment agreement either with good reason or within 12 months after a change of control. Mr. Boor's employment agreement provides that in the event any excise tax is due with respect to severance payments made under his employment agreement then the severance payments will be increased so that the excise tax on such severance pay shall be paid, as well as any income tax payable on such excise tax.

Mr. Currie is entitled to a lump sum severance payment equal to three times the salary he received during the 12 months prior to the termination of his employment, subject to a designated severance cap, if we terminate his employment (other than for death, disability or cause) in breach of his employment agreement following a change of control. Mr. Currie is entitled to a termination payment equal to the aggregate emoluments (defined as base salary, bonus and the value of all perquisites, but excluding the value of any equity) he received for the 12-month period ending on the date of termination, if his employment is terminated, prior to and not as a result of a change of control, for any reason other than death, disability or cause. Additionally, in all cases, Mr. Currie is entitled to statutory severance payments under the law of the United Arab Emirates, and such amounts do not reduce the severance amounts under his employment agreement.

Mr. Gupta is entitled to receive, other than for cause, death or disability, reasonable relocation costs to repatriate Mr. Gupta and his family to the United States, as well as Mr. Gupta's salary through the date of such termination. Additionally, the agreement gives Mr. Gupta the opportunity to execute a Separation Agreement and Release of Claims which shall include provisions for (i) a separation payment and (ii) the immediate vesting of all options and/or restricted stock units granted to Mr. Gupta. The separation payment shall be the lesser of (i) an amount equal to the cash compensation defined as base salary and bonus opportunity that would be paid to Mr. Gupta during the remaining term of the agreement (such amount shall not be less than one year's base salary) or (ii) US\$1,000,000.

In August 2009 we entered into a Separation Agreement and Consulting Agreement with Mr. Køehn Milland that provided that we would pay Mr. Køehn Milland his current base salary for three years following the termination of his employment, together with additional payments, including reasonable housing, moving and storage expense reimbursement. Mr. Køehn Milland's earned restricted stock units will continue to vest during the term of the Consulting Agreement. The Company has also agreed to grant Mr. Køehn Milland 39,816 additional shares of restricted stock that will vest in accordance with the terms of the Consulting Agreement.

Compensation committee interlocks and insider participation

During the fiscal year ended December 31, 2009, our board of directors, which includes Mr. Laikin, neither modified nor rejected any recommendations of the compensation committee. Also during the fiscal year ended December 31, 2009, none of our executive officers served on the board of directors or the compensation committee of any other company any of whose executive officers serve on either our board or our compensation committee.

Transactions with related persons

We utilize the services of a third party for the purchase of corporate gifts, promotional items and standard personalized stationery. Mrs. Judy Laikin, the mother of Robert J. Laikin, our chief executive officer, was the owner of this third party until June 1, 2000 and is currently an independent consultant to this third party. We purchased approximately \$82,000 and \$176,000 of services and products from this third party during 2009 and 2008, respectively. These purchases were subject to review and authorization by the Audit Committee; and we believe that these purchases were made on terms no less favorable to us than we could have obtained from an unrelated party.

During the fiscal years ended December 31, 2009 and 2008, we paid to an insurance brokerage firm, for which the father of Robert J. Laikin acts as an independent insurance broker, \$192,000 and \$205,000, respectively, in service fees. In addition, we pay certain insurance premiums to the insurance brokerage firm, which premiums were forwarded to our insurance carriers. These purchases were subject to review and authorization by the Audit Committee; and we believe these services were purchased on terms no less favorable to us than we could have obtained from an unrelated party.

Our articles of incorporation and by-laws provide that we indemnify our officers and directors to the extent permitted by law. In connection therewith, we entered into indemnification agreements with our executive officers and directors. In accordance with the terms of these agreements we have reimbursed certain of our former executive officers and intend to reimburse our officers and directors for their legal fees and expenses incurred in connection with litigation and regulatory matters, if any. We did not make any such reimbursement payments during 2009.

Since March 27, 2006, the brother-in-law of Mr. Boor has been employed by Brightpoint's Americas operations and was recently promoted to the role of Senior Vice President Supply Chain for our Americas operations. During 2009, the brother-in-law of Mr. Boor received total compensation and benefits of \$183,038; this compensation was approved by the Audit Committee.

Review, approval or ratification of transactions with related persons

Pursuant to our Code of Business Conduct, all of our officers and directors who have family members or friends that are seeking to supply goods or services to Brightpoint are required to notify our general counsel, who will review the proposed transaction and notify the Audit Committee of our board of directors for review and action as he sees fit, including, if necessary, approval by our board of the proposed transaction.

Section 16(a) beneficial ownership reporting compliance

Based solely on a review of Forms 3, 4 and 5 and amendments thereto furnished to us with respect to our most recent fiscal year, we believe that all required reports were filed on a timely basis.

REPORT OF AUDIT COMMITTEE

The responsibilities of the Audit Committee are to assist the board of directors in fulfilling the board's oversight responsibilities with respect to (i) the integrity of the company's financial statements; (ii) the system of internal control over financial reporting; (iii) the performance, qualifications and independence of the company's independent registered public accounting firm; (iv) the company's internal audit function and (v) compliance with the company's ethics policies and applicable legal and regulatory requirements. The committee fulfills its responsibilities through periodic meetings with our independent registered public accounting firm, internal auditors and members of our management.

Throughout the year the Audit Committee monitors matters related to the independence of Ernst & Young LLP, our independent registered public accounting firm. As part of its monitoring activities, the committee obtained a letter from Ernst & Young, containing a description of all relationships between us and Ernst & Young. After reviewing the letter and discussing it with management, the Audit Committee discussed with Ernst & Young its overall relationship with us and any of those relationships described in the letter that could impact Ernst & Young's objectivity and independence. Based on its continued monitoring activities and year-end review, the committee has satisfied itself as to Ernst & Young's independence. Ernst & Young also has confirmed in its letter that, in its professional judgment, it is independent of Brightpoint within the meaning of the Federal securities laws and within the requirements of Rule 3526 of the Public Company Accounting Oversight Board, "Communication with Audit Committees Concerning Independence."

The Audit Committee also discussed with members of our management, our internal auditors and our independent registered public accounting firm, the quality and adequacy of our internal controls and the internal audit function's management, organization, responsibilities, budget and staffing. The committee reviewed with both our independent registered public accounting firm and our internal auditors their audit plans, audit scope, and identification of audit risks.

The audit committee discussed and reviewed with the independent registered public accounting firm all matters required by auditing standards generally accepted in the United States, including those described in SAS 114, "The Auditor's Communication with Those Charged with Governance", as adopted by the Public Company Accounting Oversight Board. With and without management present, the committee discussed and reviewed the results of the independent registered public accounting firm's examination of the financial statements. The committee also discussed the results of the internal audit examinations.

The committee reviewed and discussed our audited financial statements as of and for the fiscal year ended December 31, 2009 with our management and Ernst & Young. Management has the responsibility for the preparation and integrity of our financial statements and Ernst & Young, as our independent registered public accounting firm, has the responsibility for the examination of those statements. Based on the above-mentioned review and discussions with management and Ernst & Young, the audit committee recommended to our board of directors that our audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2009 for filing with the Securities and Exchange Commission. The committee also reappointed Ernst & Young as our independent registered public accounting firm subject to shareholder ratification of such appointment.

**PROPOSAL 2:
RATIFICATION OF THE APPOINTMENT OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

We have engaged Ernst & Young LLP as our independent registered public accounting firm since October 1994. In connection with the audit of our 2009 financial statements, we entered into an engagement agreement with Ernst & Young that set forth the terms by which Ernst & Young will perform audit services for us. That agreement is subject to alternative dispute resolution procedures. Ernst & Young reported on our financial statements for the fiscal year ended December 31, 2009 and the Audit Committee of our board of directors has appointed Ernst & Young to audit and report on our financial statements for the year ending December 31, 2010.

Although shareholder approval of the appointment of Ernst & Young is not required by law, our board of directors believes that it is advisable to give shareholders an opportunity to ratify this appointment. In view of the difficulty and expense involved in changing auditors on short notice, however, should the shareholders not ratify the selection of Ernst & Young, it is contemplated that the appointment of Ernst & Young for the fiscal year ending December 31, 2010 will be permitted to stand unless the board finds other compelling reasons for making a change. Disapproval by the shareholders will be considered a recommendation that the board select other auditors for the following year. Furthermore, although the appointment of Ernst & Young is being submitted for shareholder ratification, the audit committee reserves the right, even after ratification by shareholders, to change the appointment of Ernst & Young as auditors, at any time during the 2010 fiscal year, if it deems such change to be in our best interests.

Representatives of Ernst & Young are expected to be present at our annual meeting and will be given the opportunity to make a statement, if they desire, and to respond to appropriate questions.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2010.

There were no fees for products and services by Ernst & Young, other than the services described in the paragraphs captioned **Audit Fees**, **Audit-Related Fees**, and **Tax Fees** above for the years ended December 31, 2009 and 2008.

The Audit Committee has established its pre-approval policies and procedures, pursuant to which the Audit Committee approved the foregoing audit and permissible non-audit services provided by Ernst & Young in 2009. The audit committee's pre-approval policy is as follows: consistent with the audit committee's responsibility for engaging our independent auditors, all audit and permitted non-audit services require pre-approval by the audit committee. All requests or applications for services to be provided by the independent registered public accounting firm that do not require specific approval by the audit committee will be submitted to the Chief Financial Officer and must include a detailed description of the services to be rendered. The chief financial officer will determine whether such services are included within the list of services that have received the general pre-approval of the audit committee. The audit committee will be informed on a timely basis of any such services rendered by the independent auditor. Request or applications to provide services that require specific approval by the Audit Committee will be submitted to the audit committee by both the independent auditor and the chief financial officer, and must include a joint statement as to whether, in their view, the request or application is consistent with the Securities and Exchange Commission's rules on auditor independence. The Audit Committee has designated our vice president of internal audit to monitor the performance of all services provided by the independent auditor and to determine whether such services are in compliance with this policy. The vice president of internal audit will report to the audit committee on a periodic basis on the results of his monitoring. The vice president of internal audit and management will immediately report to the chairman of the audit committee any breach of this policy that comes to the attention of the vice president of internal audit or any member of management. The audit committee will also review the internal auditor's annual internal audit plan to determine that the plan provides for the monitoring of the independent auditor's services. Pursuant to these

procedures the audit committee approved the foregoing audit and permissible non-audit services provided by Ernst & Young in 2009.
