Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) *Adoption of Compensatory Plan:* On March 29, 2010, the Compensation Committee (the Compensation Committee) of the Board of Directors of Capital Senior Living Corporation (the Company) approved the Company's 2010 Incentive Compensation Plan (the Plan). The Plan provides cash performance bonus opportunities to the Company's executive management, including certain eligible named executive officers, based upon achievement of corporate and individual goals established by the Compensation Committee for the year ending December 31, 2010. The Plan removes quarterly bonus awards for achieving quarterly EPS goals with a corresponding increase in base salaries effective January 1, 2010.

Under the Plan for 2010, the Company's eligible named executive officers are entitled to receive a cash performance bonus equal to 20% (25% for our Chief Executive Officer) of their base salary for the year based upon the Company's achievement of two objective corporate goals. First, of that maximum cash bonus percentage attributable to the achievement of corporate goals, 12% (13% for our Chief Executive Officer) is based on the achievement of a Cash Flow From Operations (CFFO) per outstanding share target. Second, of that maximum cash bonus percentage attributable to the achievement of corporate goals, 8% (12% for our Chief Executive Officer) is based on the achievement of an Adjusted EBITDAR target. In addition, the Company's eligible named executive officers are entitled to receive a cash performance bonus equal to 12% (14% for our Chief Executive Officer) of their base salary for the year based upon our achievement of certain objective individual goals within such named executive officer's sphere of influence. Also, the Company's eligible named executive officers are entitled to receive additional cash and stock performance bonuses of up to 26% (36% for our Chief Executive Officer) of their base salary for the year if the CFFO per outstanding share target is exceeded by up to 25%.
