**Item 1.01 Entry into a Material Definitive Agreement**

On May 4, 2010, First Industrial Realty Trust, Inc., a Maryland corporation (the Company), entered into five separate distribution agreements (individually, a Distribution Agreement and together, the Distribution Agreements) with First Industrial, L.P., a Delaware limited partnership and the Company's operating partnership, and each of J.P. Morgan Securities Inc., Wells Fargo Securities, LLC, Morgan Keegan & Company, Inc., Piper Jaffray & Co. and Lazard Capital Markets LLC (individually, an Agent and together, the Agents). The Distribution Agreements were entered into in connection with the commencement of an equity offering in which the Company may sell up to 10,000,000 shares of its common stock (the Shares) from time to time in at-the-market offerings or certain other transactions (the Offering).

In the Offering, the Company may offer the Shares in amounts and at times to be determined by the Company from time to time, but has no obligation to sell any of the Shares in the Offering. The Company intends to use the proceeds from any sales in the Offering for general corporate purposes, which may include repayments or repurchases of debt. The Offering will be conducted pursuant to the Distribution Agreements, under which the Agents will act as the Company's agents for the offer and sale of the Shares. Each Distribution Agreement has a term expiring on December 31, 2010, although each Distribution Agreement may terminate earlier if all Shares are sold under the Distribution Agreements or if such Distribution Agreement is terminated by the Company or the applicable Agent. The Distribution Agreements collectively provide that the Company may offer and sell from time to time up to an aggregate of 10,000,000 shares of its common stock through the Agents. Each Distribution Agreement provides that the Company will pay the applicable Agent a commission of 2.0% of the actual sales price of all shares sold through it as the Company's agent in at-the-market offerings.

Sales of the Shares, if any, may be made in negotiated transactions or transactions that are deemed to be at-the-market offerings as defined in Rule 415 under the Securities Act of 1933, as amended, including sales made directly on the New York Stock Exchange or sales made to or through a market maker other than on an exchange. The Company or each Agent may at any time suspend offers under the Distribution Agreements. Under the terms of each Distribution Agreement, the Company may also sell Shares to the applicable Agent as principal for its own account at a price agreed upon at the time of sale. If the Company sells Shares to any of the Agents as principal, it will enter into a separate terms agreement with such Agent with respect to that sale.

The Shares will be issued pursuant to a prospectus supplement filed with the Securities and Exchange Commission on May 4, 2010, and the Company's shelf registration statement on Form S-3 (File No. 333-157771) filed with the Securities and Exchange Commission on March 6, 2009 with the SEC.

The description of the Distribution Agreements does not purport to be complete and is qualified in its entirety by reference to Exhibit 10.1 to this report. Filed as Exhibit 10.1 to this report is the Distribution Agreement among the Company, First
