Dear Fellow Shareholder:

WHAT ARE THE BENEFITS OF OWNING (Y)OUR FUND?

I. Performance

(Y)our Fund's portfolio value rose 91% during the one year period ended March 31, 2010.

The market price for our Fund's publicly traded shares (NYSE:GGT) increased 119% during the one year period ended March 31, 2010.

Your Board recently enhanced the Fund's investment team. Christopher J. Marangi joined Mario J. Gabelli and Lawrence J. Haverty as Portfolio Managers.

II. Share Repurchases

We have almost 14 million shares outstanding today. We have repurchased approximately 1.5 million shares of the 1.7 million shares we have been authorized to buy back.

Your Fund has repurchased over 200,000 shares in 2010 alone.

Your Fund may repurchase shares when the shares are trading at a discount of 5% or more from net asset value (NAV).

III. Distributions

Your Board announced a distribution policy of 10% of NAV.

A quarterly cash distribution of \$0.20 per share is payable on June 23, 2010 to shareholders of record on June 16, 2010.

IV. Fees and Performance Aligned

Your Fund has issued preferred stock to benefit long-term common shareholders. When the Fund earns a total return greater than the dividend rate on the preferred stock, additional value is created for common shareholders.

Your Investment Adviser does not accept a management fee on the preferred stock unless the total return of the Fund exceeds the dividend rate of the preferred stock.

TRUST

WOULD YOU TRUST THOSE THAT SKIRT THE RULES?

The Fund initiated a lawsuit against Mr. Arthur Lipson and Western Investment LLC because we believe the hedge funds they control have acquired shares of the Fund in violation of certain provisions of federal securities laws.

Congress' anti-pyramiding law provides that any investment company, such as a hedge fund, may not own more than 3% of the outstanding shares of a closed-end fund.

Mr. Lipson, who controls Western Investment, has acquired control through the backdoor of 7% of the outstanding common shares of the Fund, in aggregate.

Hedge funds should not be permitted to subvert the intent of Congress by acquiring shares of a closed-end fund using several different funds to avoid rules that are intended to limit the ownership of shares of a closed-end fund in a single hedge fund.

The Fund believes the SEC should use its authority to review Mr. Lipson's investment.

SHOULD YOU TRUST MR. LIPSON AND WESTERN INVESTMENT LLC?

Mr. Lipson and Western are in the business of attacking closed-end funds.

Unlike most of the shareholders of the Fund who are long-term investors, we believe Mr. Lipson and Western are flippers, not long-term investors.

Mr. Lipson's commitment is not to you, but to the hedge funds he controls. His goal is to generate a quick profit by attacking closed-end funds, their boards and managements.

Mr. Lipson and Western have divided loyalties. They are involved in at least six other hostile actions against closed-end funds this year alone. In each case, Western has nominated Mr. Lipson for election as a director in order to pursue his agenda against the boards and managements of these funds.

The costly proxy contest initiated by Mr. Lipson and Western is not in the best interests of the Fund's shareholders.

HOW DO YOU PROTECT YOUR INVESTMENT?

Sign, date and mail the enclosed **WHITE Proxy Form** to vote **FOR** the re-election of Mario J. Gabelli and Thomas E. Bratter who collectively have more than 30 years of experience and service on your Board as directors of the Fund.

DO NOT sign or vote any Gold proxy form sent to you by Mr. Lipson, Western or their agents.

TRUST YOUR FUND!

We thank you for your continued support.

Unanimously,

Your Board of Directors

PROTECT YOUR DIVIDEND!

Dear Fellow Shareholder:

This year's Annual Meeting is particularly important. Arthur Lipson, a dissident investor, and Western Investment LLC, a hedge fund advisor controlled by Mr. Lipson, have been waging a proxy contest against your Fund in an attempt to replace experienced directors, Mario J. Gabelli, Thomas E. Bratter and Anthony J. Colavita, with his own hand-picked nominees.

We believe Mr. Lipson's goal is to eliminate the closed-end fund structure of your Fund. Rest assured we are doing everything possible to protect the Fund, but we need your help.

Your Board of Directors seeks to enhance value for all shareholders and is committed to YOU. The Series B Preferred Shares, which trade on the New York Stock Exchange under the symbol GGT Pr B, are rated Aaa by Moody's Investors Service and have an annual dividend rate of \$1.50 per share.

The June quarterly distribution of \$0.375 per share is payable June 28, 2010 to preferred shareholders of record on June 21, 2010.

Protect your dividend and Aaa rating by signing, dating and mailing the WHITE Proxy Form promptly to vote FOR the re-election of three experienced Directors of your Fund.

Please DO NOT sign or vote any Gold proxy form sent to you by Mr. Lipson, Western or their agents.

We thank you for your continued support.

Unanimously,

Your Board of Directors
