-

Item 2.02. Results of Operations and Financial Condition.

On February 3, 2011, HCA Holdings, Inc. (the Company) issued a press release announcing, among other things, its financial results for the quarter and year ended December 31, 2010, which was filed on Form 8-K on February 3, 2011. The press release included HCA Holdings, Inc. s Condensed Consolidated Statements of Cash Flows for the years ended December 31, 2010 and 2009. This amendment on Form 8-K/A reflects a reclassification of a \$114 million income tax benefit amount from a component of cash flows from operating activities to a component of cash flows from financing activities in the Condensed Consolidated Statements of Cash Flows for the year ended December 31, 2010. The \$114 million income tax benefit amount relates primarily to distributions to holders of the Company s stock options that were deductible expenses for tax purposes, but were recognized as adjustments to stockholders deficit for financial reporting purposes. After this reclassification, the Company s net cash provided by operating activities for the fourth quarter of 2010 totaled \$534 million compared to \$432 million in the fourth quarter for 2009 and for the year ended December 31, 2010 totaled \$3.085 billion compared to \$2.747 billion for the year ended December 31, 2009. A copy of the corrected press release is being furnished as Exhibit 99.1 to this Form 8-K/A.

Item 9.01. Financial Statements and Exhibits.
