**Item 1.01. Entry Into a Material Definitive Agreement.**

On February 27, 2011, Ventas, Inc. (the Company ) entered into an Agreement and Plan of Merger (the Merger Agreement ) with Needles Acquisition LLC, a Delaware limited liability company and newly formed subsidiary of the Company ( Merger Sub ), and Nationwide Health Properties, Inc., a Maryland corporation ( NHP ).

The Merger Agreement provides for the merger of NHP with and into Merger Sub (the Merger ), with Merger Sub surviving as a wholly owned subsidiary of the Company. Pursuant to the terms and subject to the conditions set forth in the Merger Agreement, at the Effective Time (as defined in the Merger Agreement), each outstanding share of common stock, par value \$0.10 per share, of NHP (other than shares owned directly or indirectly by the Company, any Company subsidiary or any subsidiary of NHP, which shares will be canceled) will be converted into the right to receive 0.7866 shares (the Exchange Ratio ) of common stock, par value \$0.25 per share ( Common Stock ), of the Company.

The Company and NHP have made certain customary representations and warranties to each other in the Merger Agreement. In addition, the parties have agreed to use their respective reasonable best efforts to do all things necessary, proper or advisable to consummate the Merger, including obtaining all necessary approvals and consents, subject to certain limitations.

The consummation of the Merger (the Closing ) is subject to, among other things, approval by the Company s and NHP s shareholders. The Company expects the Closing to occur in the third quarter of 2011, although there can be no assurance as to whether or when the Closing will occur.

The Merger Agreement may be terminated under certain circumstances, including by either party if the consummation of the Merger has not occurred by October 31, 2011, if an order permanently restraining, enjoining or prohibiting the transactions contemplated by the Merger Agreement has been issued and become final and non-appealable, if the Company s or NHP s stockholders fail to approve the transaction, or upon a material uncured breach by the other party that would cause the closing conditions not to be satisfied.

A copy of the Merger Agreement is filed herewith as Exhibit 2.1 and is incorporated in this Item 1.01 by reference. The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement. The representations and warranties in the Merger Agreement were made as of a specified date, may be subject to a contractual standard of materiality different from what might be viewed as material to stockholders, or may have been used for the purpose of allocating risk between the parties. Accordingly, the representations and warranties in the Merger Agreement are not necessarily characterizations of the actual state of facts about the Company or NHP at the time they were made or otherwise and should only be read in conjunction with the other information that the Company makes publicly available in reports, statements and other documents filed with the Securities and Exchange Commission.
