### REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors

UDR, Inc.

We have audited the accompanying statement of revenues and certain expenses of the 10 Hanover (the Community) for the year ended December 31, 2010. This financial statement is the responsibility of the Community s management. Our responsibility is to express an opinion on the financial statement based upon our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenues and certain expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission and for inclusion in the Current Report on Form 8-K of UDR, Inc., as described in Note 1. The presentation is not intended to be a complete presentation of the Community s revenues and expenses. In our opinion, the financial statement referred to above presents fairly, in all material respects, the revenues and certain expenses of 10 Hanover for the year ended December 31, 2010, on the basis of accounting described in Note 1.

#### 1. Basis of Presentation

On April 1, 2011, UNITED DOMINION REALTY, L.P., a subsidiary of UDR, INC., entered into an agreement to purchase 10 Hanover Square (the Community), a residential apartment community with retail and commercial leased space located in New York City, New York from TEN HANOVER, LLC.

The statements of revenues and certain expenses relates to the operations of the Community and were prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, including Rule 3-14 of Regulation S-X. Accordingly, the accompanying statement of revenues and certain expenses has been prepared using the accrual method of accounting, and certain expenses such as depreciation, amortization, income taxes, mortgage interest expense, and entity expenses are not reflected in the statement of revenues and certain expenses, as required by Rule 3-14 of Regulation S-X of the Securities and Exchange Commission. Consequently, the statement of revenues and certain expenses for the period presented is not representative of the actual operations for the period presented, as certain revenues and expenses which may not be in the proposed future operations of the Community have been excluded in accordance with Rule 3-14 of Regulation S-X.

### 2. Summary of Significant Accounting Policies

### **Revenue Recognition**

The apartment homes are leased under operating leases with terms of generally one year or less. Rental income is recognized as it is earned, which is not materially different than on a straight-line basis.

The Community leases space to commercial tenants under noncancelable operating lease agreements. As such, the Community recognizes lease revenue in accordance with FASB ASC 840, *Leases*, which requires that lease revenue be recognized on a straight-line basis over the term of the lease.

### **Repairs and Maintenance**

Repairs and maintenance costs are expensed as incurred, while significant improvements, renovations, and replacements are capitalized.

### **Advertising Costs**

All advertising costs are expensed as incurred and reported on the statement of revenue and certain expenses within the line item. Administrative and marketing. For the year ended December 31, 2010, advertising expenses were approximately \$9,000.

### **Use of Estimates**

The preparation of the statement of revenues and certain expenses in conformity with U.S. generally accepted accounting principles requires management of the Community to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### 3. Related-Party Transactions

An affiliate of the Community performed the property management function and charged total management fees of 2% of gross rental receipts for this service for 2010. Management fees in the amount of \$407,090 were charged to the Community during 2010.

### 4. Tax Exemption and Abatement

The Community was converted from an office property to residential in 2006 under the Section 421-g Program (the Program ) administered by the NYC Department of Housing Preservation and Development to promote more productive use of non-residential buildings in Lower Manhattan. A partial exemption and abatement was given for the conversion of nonresidential buildings to residential use in the eligible Lower Manhattan revitalization area. Under the terms of the Program, the Property is exempt from real estate taxes at a maximum of twelve years and expires in 2018. There is a 100% exemption for eight years and a phase out with step downs of 20% per year for four years. In addition, the Property is subject to a fourteen year real estate tax abatement, which expires in 2020 and is capped at a base assessed value prior to conversion. There is a 100% tax abatement for ten years that is phased out over the last four years with step downs of 20% per year. At December 31, 2010, the Property was in its fifth year of exemption and abatement, and as a result, no real estate tax expense was recorded during the year ended December 31, 2010.

### 5. Subsequent Events

Management of the Community has evaluated subsequent events through April 29, 2011, the date on which the statement of revenues and certain expenses was issued.

# Towers by the Bay Notes to the Statement of Revenues and Certain Expenses December 31, 2010

#### 1. Basis of Presentation

Presented herein is the statement of revenues and certain expenses of the Towers by the Bay owned by Bay Rincon, L.P., a Delaware limited partnership (Bay Rincon). AVALONBAY COMMUNITIES, INC. (AVB), a Maryland corporation, either in its own name or indirectly through entities wholly owned and controlled by AVB, owned this property, which was sold to UDR, INC., a Maryland corporation and UNITED DOMINION REALTY, L.P., a Delaware limited partnership, on April 5, 2011.

AVB and UDR exchanged their respective properties in a manner that qualifies as a tax-free like-kind exchange under Section 1031 of the Internal Revenue Code. The specific properties and terms of the sale are outlined in the Real Property Exchange Agreement made as of the 24<sup>th</sup> day of January 2011.

The statement has been prepared for the purpose of complying with Rule 3-14 of Regulation S-X of the Securities and Exchange Commission and is not intended to be a complete presentation of the actual operations of the Towers. Accordingly, the financial statement excludes certain expenses because they may not be comparable to those expected to be incurred in the future operations of the Towers. Items excluded consist primarily of interest expense, income tax, management fees, and depreciation expense.

The Towers is comprised of a 227-home apartment community located at 388 Beale Street, San Francisco, California.

### 2. Summary of Significant Accounting Policies

### **Basis of Accounting**

The financial statements are prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles (GAAP).

### **Use of Estimates**

The preparation of the statements of revenues and certain expenses in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts and disclosure of revenues and certain expenses of the Towers during the reporting period. Actual results could differ from those estimates.

### **Real Estate**

Expenditures for maintenance and repairs are charged to operations as incurred. Significant renovations or betterments that extend the economic useful life of the assets are capitalized.

### **Revenue Recognition**

Rental income related to leases is recognized on an accrual basis when due from residents. In accordance with the Towers standard lease terms, rental payments are generally due on a monthly basis. Advanced receipts of rental income are deferred and classified as liabilities until earned. Any cash concessions given at the inception of the lease are amortized over the approximate life of the lease, which is generally one year.

Rental income includes revenue from two commercial tenants whose minimum fixed and determinable rent is recognized on a straight-line basis over the noncancelable lease term.

### 3. Related Party Transactions

AvalonBay Communities, Inc. incurs other general administrative costs on behalf of the Towers, such as forms, administrative materials, papers, ledgers, other supplies and equipment, all costs of property manager s data processing equipment, overhead employee salaries, and express delivery charges, which are not charged back to the Towers.

### 4. Commitment and Contingencies

From time to time, the Towers is party to legal proceedings and claims incidental to the ordinary course of business. While the outcome of these legal proceedings and claims cannot be predicted with certainty, management of the Towers does not believe the ultimate resolution of these matters would have a material adverse effect on the Towers statement of revenues and certain expenses.

### 5. Subsequent Events

Management of the Towers has evaluated subsequent events through April 15, 2011, the date on which the statement of revenues and certain expenses was issued.
