Item 1.01 Entry into a Material Definitive Agreement.

On June 27, 2011, First BanCorp (the Corporation), the bank holding company for FirstBank Puerto Rico (FirstBank or the Bank), entered into a definitive agreement dated as of June 24, 2011 with two funds managed by Oaktree Capital Management, L.P. (together Oaktree) under which Oaktree would purchase an aggregate of approximately \$175.5 million of common stock of the Corporation at a per share price of \$3.50. The Oaktree investment will represent 24.9% of the outstanding shares of the Corporation's common stock upon completion of a capital raise, which was previously described in a Form 8-K describing the Corporation's agreement with Thomas H. Lee Partners, L.P. (THL), and the conversion into common stock of the \$424.2 million of Series G Mandatorily Convertible Preferred Stock (Series G Preferred Stock) held by the United States Department of the Treasury.

The Oaktree investment will be made on substantially the same terms as the previously announced investment agreement with THL. Like the THL agreement, the Oaktree agreement gives Oaktree the right to designate a person to serve on the Corporation's Board of Directors upon completion of the sale of shares of common stock to Oaktree. In addition to customary closing conditions, the Oaktree investment is conditioned upon the Corporation raising a total of at least \$500 million but no more than \$550 million of new capital (inclusive of the Oaktree and THL investments and the previously announced proposed \$35 million rights offering to current stockholders), the conversion into common stock of the Series G Preferred Stock, approval by the Corporation's stockholders of the issuance of shares of common stock in the capital raise, and required regulatory approvals.

On June 27, 2011, the Corporation also entered into an investment agreement with an investor, which is similar in most respects to the THL and Oaktree investment agreements, under which the investor agreed to purchase 9.9% of the shares of common stock that will be outstanding after the issuance of shares of common stock in the capital raise and the conversion of the Series G Preferred Stock, for an aggregate purchase price of approximately \$69.8 million. The 9.9% investor's agreement, however, does not entitle the investor to designate a person to serve on the Corporation's Board of Directors.

The Corporation also has entered into subscription agreements with a number of institutional investors and other private equity firms for the issuance of an aggregate of approximately \$94.2 million of the Corporation's common stock at a purchase price of \$3.50 per share, which, together with the THL and the Oaktree investments, total \$515 million in commitments.

The foregoing description of the investment agreements and subscription agreements does not purport to be complete and is qualified in its entirety by reference to the complete copy of the documents attached hereto as Exhibits 10.1, 10.2 and 10.3, which are incorporated by reference herein.

Item 3.02 Unregistered Sales of Equity Securities.
