*Guaranty of Term Loan*

In connection with the consummation of the Merger, on July 1, 2011, the Company entered into a Guaranty Agreement with JPMorgan Chase Bank, N.A., as Administrative Agent (the Guaranty Agreement ), pursuant to which the Company guaranteed the obligations of NHP under the Term Loan Agreement, dated as of June 3, 2011 (the Term Loan Agreement ), among NHP, the Lenders party thereto and JPMorgan Chase Bank, N.A., as Administrative Agent. The Term Loan Agreement provides for commitments for up to \$800 million of senior unsecured term loans available from time to time on a non-revolving basis, subject to customary conditions. Loans outstanding under the Term Loan Agreement mature on June 1, 2012.

The foregoing description of the Term Loan Agreement and the Guaranty Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Term Loan Agreement and the Guaranty Agreement, copies of which are filed herewith as Exhibits 10.1 and 10.2 and are incorporated in this Item 2.03 by reference.

*Mortgage Loans*

As a result of the Merger, the Company assumed approximately \$410.4 million aggregate principal amount of existing mortgage indebtedness of NHP. The mortgage loans are collateralized by a total of 52 underlying properties, bear interest either at fixed rates ranging from 4.40% to 8.63% per annum or at variable rates ranging from 0.65% to 2.45% per annum (as of June 30, 2011), and have remaining maturities ranging from approximately six months to 25.4 years.

*Senior Notes*

As a result of the Merger, the Company assumed approximately \$991.7 million aggregate principal amount of outstanding unsecured senior notes of NHP. The senior notes bear interest at fixed rates ranging from 6.00% to 8.25% per annum and mature between July 15, 2011 and July 7, 2038.

**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

*Appointment of Directors*

Effective upon the consummation of the Merger, the size of the Company's Board of Directors (the Board) was increased from ten to 13 and three former directors of NHP were appointed to the Board: Douglas M. Pasquale, Richard I. Gilchrist and Robert D. Paulson.

Under the terms of the Ventas, Inc. 2006 Stock Plan for Directors, on their initial appointment to the Board, Messrs. Gilchrist and Paulson each received a grant of 2,524 shares of restricted stock of the Company, which shares vest one-half on the first anniversary of the date of grant and one-half on the second anniversary of the date of grant, and options to purchase 2,520 shares of Common Stock having an exercise price of \$53.74, which options vest one-half on the date of grant and one-half on the first anniversary of the date of grant. Mr. Pasquale, as an employee of the Company, is not entitled to receive compensation for his service as a director. See Employment Agreement with Douglas M. Pasquale below.

Mr. Gilchrist serves as the President of The Irvine Company's Investment Properties Group, which owns the building in which NHP's headquarters prior to the consummation of the Merger were located. In 2010, NHP paid approximately \$536,000 in rent to The Irvine Company. Following consummation of the Merger, Merger Sub continues to rent office space in this building from The Irvine Company.

*Employment Agreement with Douglas M. Pasquale*

In connection with the Merger, the Company entered into a letter agreement (the Pasquale Employment Agreement) with Mr. Pasquale, effective July 1, 2011, pursuant to which he will serve as a member of the Board and Senior Advisor to the Chief Executive Officer of the Company. Upon the consummation of the Merger, the Pasquale Employment Agreement superseded the Second Amended and Restated Employment Agreement between NHP and Mr. Pasquale, effective as of October 28, 2008 (the Old Employment Agreement), in all respects, except as otherwise explicitly set forth in the Pasquale Employment Agreement. Pursuant to the Pasquale Employment Agreement, the term of Mr. Pasquale's employment with the Company (the Term) commenced as of the consummation of the Merger and terminates on December 31, 2011, or earlier in accordance with the terms of the Pasquale Employment Agreement.

During the Term, Mr. Pasquale will receive: (1) a base salary at an annual rate of \$700,000; (2) a supplemental salary in the form of an additional cash payment at an annual rate of \$180,000; (3) incentive compensation in the amount of \$4,320,000, in consideration of the noncompetition and non-solicitation restrictive covenants referred to below and services to be provided to the Company payable promptly following the earlier of (i) December 31, 2011, subject to Mr. Pasquale's continued employment with the Company through such date, or (ii) termination either by the Company without Cause (as defined in the Pasquale Employment Agreement) or due to death or disability during the Term; and (4) certain other benefits and perquisites, on terms no less favorable than what Mr. Pasquale was entitled to during the year immediately preceding the Merger. The Pasquale Employment Agreement further provides that at or immediately following the consummation of the Merger, with respect to Mr. Pasquale's 2009 and 2010 NHP performance share awards, Mr. Pasquale will receive a number of shares of Common Stock (subject to adjustment for the Exchange Ratio) equal to the greater of (i) 100% of the Applicable Percentage (as defined in the applicable performance share award agreements) of shares issuable under his outstanding 2009 and 2010 NHP performance share awards or (ii) the actual number of shares issuable under his outstanding 2009 and 2010 NHP performance share awards based on NHP's

actual performance for a shortened performance period terminating immediately prior to the consummation of the Merger. In the preceding clause (4), the excess of 100% of the Applicable Percentage over the actual number of shares issuable is in consideration of the noncompetition and non-solicitation restrictive covenants referred to below.

Upon Mr. Pasquale's termination of employment with the Company for any reason, he will be entitled to receive substantially the same severance payments and benefits that he would have received under the Old Employment Agreement, as if he had resigned for "Good Reason" (as defined in the Old Employment Agreement) immediately prior to the consummation of the Merger. Pursuant to the Pasquale Employment Agreement, Mr. Pasquale and the Company agreed that such severance payments and benefits shall be, each in accordance with the terms of the Old Employment Agreement: (i) cash severance of \$5,881,250, payable over the three-year period following his termination of employment; (ii) a lump-sum cash payment of \$168,600 in lieu of certain perquisites he would have received for a three-year period following his termination of employment; (iii) an amount equal to the annual bonus he would have earned for 2011 had he remained employed, prorated for the period ending on the consummation of the Merger; (iv) for a period of three years following his termination of employment, medical and life insurance coverage on terms no less favorable than what Mr. Pasquale was entitled to during the year immediately preceding the Merger; (v) vesting of previously unvested equity awards, including stock options, restricted stock units and any applicable dividend equivalent rights granted to Mr. Pasquale by NHP in February 2011 and which were assumed by the Company in connection with the Merger; (vi) payment of performance-based dividend equivalent rights previously earned for a period of three years following his termination of employment; and (vii) payment of compensation previously deferred by Mr. Pasquale.

In addition, in the event that Mr. Pasquale becomes subject to the excise tax imposed by Section 4999 of the Internal Revenue Code of 1986, as amended, on account of such severance payments, Mr. Pasquale would be entitled to receive an additional payment to place him in the same after-tax position as if no Section 4999 excise tax had been imposed.

In consideration for certain of the payments and benefits set forth above, Mr. Pasquale has agreed to certain non-competition and non-solicitation restrictive covenants during the Term and thereafter until June 30, 2012, provided that, on or after January 1, 2012, Mr. Pasquale will have the option to terminate the non-competition restrictive covenant by making a lump-sum cash payment of \$8 million to the Company.

The foregoing description of the Pasquale Employment Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Pasquale Employment Agreement, a copy of which is filed herewith as Exhibit 10.3 and is incorporated in this Item 5.02 by reference.

The foregoing description of the Bylaws Amendment does not purport to be complete and is qualified in its entirety by reference to the full text of the Bylaws Amendment, as adopted and effective on July 1, 2011, a copy of which is filed herewith as Exhibit 3.2 and incorporated in this Item 5.03 by reference.
