Item 7.01. Regulation FD Disclosure

On February 16, 2011, The Williams Companies, Inc. (Williams) announced that its Board of Directors approved pursuing a plan to separate its businesses into two stand-alone, publicly traded companies. The first phase of the plan calls for Williams to separate its exploration and production business via an initial public offering of up to 20 percent of its interest. As a result, WPX Energy, Inc. (WPX) was formed in April 2011 to effect the separation. On October 18, 2011, Williams announced that its Board of Directors approved a revised reorganization plan that calls for the complete separation of WPX via a tax-free spin-off of all of Williams' ownership of WPX to Williams shareholders by year-end 2011. The approval of the revised reorganization plan does not preclude Williams from pursuing the original plan for separation, including an initial public offering, in the event that market conditions become favorable. Williams retains the discretion to determine whether and when to complete these transactions.

On April 29, 2011, pursuant to the first phase of the original separation plan, WPX filed a Registration Statement on Form S-1 with the U.S. Securities and Exchange Commission (the SEC) with respect to an initial public offering of its equity securities. On October 28, 2011, WPX filed Amendment No. 5 to its Registration Statement on Form S-1 (File No. 333-173808) with the SEC (the Amendment). For Regulation FD purposes, Williams wishes to disclose the information on pages F-8 to F-30 of the Amendment, which information is furnished herewith as Exhibit 99.1 and is incorporated herein by reference (the WPX S-1 Excerpt). The information in the WPX S-1 Excerpt will differ in certain respects from the results of Williams' Exploration & Production segment due to differences associated with reporting WPX on a stand-alone basis.

This information is being furnished pursuant to Item 7.01, Regulation FD Disclosure. The information being furnished and in the attached Exhibit 99.1 is not deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, is not subject to the liabilities of that section and is not deemed incorporated by reference in any filing under the Securities Act of 1933, as amended.
