Item 8.01 Other Events.

Recently, we received a request from the Securities and Exchange Commission (SEC) to provide a sworn statement and certain information regarding our participation in the United Nations Oil-for-Food Program. The SEC has issued a formal order of investigation that names more than a dozen companies involved in the Oil-for-Food program, including Core Laboratories. In our response today, we have informed the SEC that Core Laboratories does have a subsidiary that had contracts with the United Nations to monitor the quantity of oil sold by the Government of Iraq under the Oil-for-Food Program, but neither the Company nor its subsidiary purchased oil under the Oil-for-Food Program or sold any goods destined for Iraq under the Oil for Food Program.
