Item 1.01. Entry into a Material Definitive Agreement.

On June 16, 2008, Petrohawk Energy Corporation (the Company) entered into a Purchase Agreement with Merrill Lynch, Pierce, Fenner & Smith Incorporated (Merrill Lynch) pursuant to which the Company agreed to issue and sell, and Merrill Lynch agreed to purchase, \$300 million aggregate principal amount of 7 7/8% Senior Notes due 2015 (the Notes) in a private placement conducted pursuant to Rule 144A and Regulation S under the Securities Act of 1933, as amended. The notes will be subject to the same indenture as, and will be treated as a single class for all purposes with, the \$500 million aggregate principal amount 7 7/8% senior notes issued by the Company on May 13, 2008.

The net proceeds from the sale of the Notes are estimated to be approximately \$293.5 million (after deducting the initial purchaser's discount and estimated offering expenses) and are expected to be used to fund the Company's capital budget for the year ending December 31, 2008, to fund acquisitions and to provide working capital for general corporate purposes. As of March 31, 2008, after giving effect to the Company's May 13, 2008 senior notes and equity offerings and the offering of the Notes, the Company would have had total debt of approximately \$1.83 billion and approximately \$800 million available under its senior revolving credit facility.

The Purchase Agreement contains customary representations and warranties of the parties and indemnification and contribution provisions whereby the Company and its guarantor subsidiaries, on the one hand, and Merrill Lynch, on the other, have agreed to indemnify each other against certain liabilities. The Purchase Agreement also provides that the holders of the Notes will be entitled to the benefits of a registration rights agreement, pursuant to which the Company will, under certain circumstances, file a registration statement with the Securities and Exchange Commission registering an exchange of notes or a resale of the Notes under the Securities Act.

A copy of the Purchase Agreement is attached hereto as Exhibit 1.1, is incorporated herein by reference and is hereby filed. The description of the Purchase Agreement in this report is a summary and is qualified in its entirety by the terms of the Purchase Agreement.
