PROXY STATEMENT

SUMMARY

This summary highlights selected information contained elsewhere in this proxy statement relating to the merger and may not contain all of the information that is important to you. We refer in this proxy statement to the merger of our company with and into SSPF/CET OP Holding Company LLC as the merger. To understand the merger and related transactions fully and for a more complete description of the merger and other transactions contemplated by the merger agreement, you should carefully read this entire proxy statement as well as the additional documents to which it refers, including the Agreement and Plan of Merger by and among us, Columbia Equity, LP, SSPF/CET Operating Company LLC, SSPF/CET OP Holding Company LLC and SSPF/CET OP Holding Company Subsidiary L.P. (referred to in this proxy statement as the merger agreement). A copy of the merger agreement is attached to this proxy statement as Exhibit A. For instructions on obtaining more information, see Who Can Answer Other Questions on page 10.

The Special Meeting

This proxy statement is being furnished by the Board of Directors of our company to holders of shares of our common stock for use at the special meeting, and at any adjournments or postponements of that meeting. At the special meeting, stockholders will be asked to consider and approve the merger pursuant to the terms of the merger agreement, and to consider and act upon any other matters that may be properly brought before the special meeting or at any adjournments or postponements thereof. The special meeting will be held on Tuesday, February 27, 2007, at the Occidental located at 1475 Pennsylvania Avenue, N.W., Washington, D.C., at 8:30 a.m., Eastern time.

Record Date and Quorum Requirement

We have set the close of business on January 16, 2007 as the record date for determining those stockholders who are entitled to notice of, and to vote at, the special meeting. As of the record date, 13,863,334 shares of our common stock were outstanding.

The presence at the special meeting, in person or by proxy, of holders of a majority of the aggregate number of shares of our common stock outstanding and entitled to vote on the record date will constitute a quorum, allowing us to conduct the business of the special meeting.

A properly executed proxy marked ABSTAIN and a broker non-vote will be counted for purposes of determining whether a quorum is present at the special meeting but will not be voted. As a result, abstentions and broker non-votes will have the same effect as a vote against the proposal to approve the merger.

Voting Requirements for the Merger

The proposal to approve the merger requires the affirmative vote of holders of a majority of our outstanding shares of common stock entitled to vote at the special meeting. Each share of common stock is entitled to one vote. If you hold your common stock in street name (that is, through a broker or other nominee), your broker or

Table of Contents

nominee will not vote your shares unless you provide instructions to your broker or nominee on how to vote your shares. You should instruct your broker or nominee how to vote your shares by following the directions provided by your broker or nominee.

Because the required vote to approve the merger is based on the number of shares of our common stock outstanding rather than on the number of votes cast, if you fail to authorize a proxy to vote your shares by completing and returning the enclosed proxy card, by telephone, or on the Internet, fail to vote in person or fail to instruct your broker or nominee on how to vote or abstain from voting, it will have the same effect as a vote against the merger.

Revocation of Proxies

Even after you have properly submitted your proxy card or authorized a proxy by telephone or using the Internet, you may change your vote at any time before the proxy is voted by delivering to our Secretary either a notice of revocation or a duly executed proxy bearing a later date or by using the toll-free telephone number or Internet website address indicated on the proxy card. In addition, the powers of the proxy holders will be suspended with respect to your proxy if you attend the special meeting in person and notify the chairman of the meeting that you would like your proxy revoked. Attendance at the special meeting will not by itself revoke a previously granted proxy. If you have instructed a broker or nominee to vote your shares, you must follow the directions received from your broker or nominee to change your proxy instructions. Also, if you elect to vote in person at the special meeting and your shares are held by a broker or nominee, you must bring to the special meeting a legal proxy from the broker or nominee authorizing you to vote your shares of common stock.

Parties to the Merger

Columbia Equity Trust, Inc. Columbia Equity Trust, Inc., which we refer to in this proxy statement as we, us, our, or company or Columbia, is a self-advised and self-managed real estate company whose primary focus is on the acquisition, development, renovation, repositioning, ownership, management and operation of commercial office properties located predominantly in the Greater Washington, D.C. area. As of September 30, 2006, we owned or maintained interests in 21 commercial office properties, directly and through joint ventures, containing an aggregate of approximately 2.9 million net rentable square feet, and two properties under development or pre-development that, upon completion, will contain an aggregate of approximately 225,000 net rentable square feet. We were formed as a Maryland corporation in September 2004 and commenced operations upon completion of our initial public offering on July 5, 2005. We elected to be taxed as a real estate investment trust, or REIT, for federal income tax purposes beginning with our short taxable year ended December 31, 2005. Our executive offices are located at 1750 H Street, N.W., Suite 500, Washington, D.C. 20006, telephone number (202) 303-3080. Our common stock currently is listed on the New York Stock Exchange, or NYSE, under the symbol COE. We currently have no shares of preferred stock outstanding.

Columbia Equity, LP. Columbia Equity, LP, which we refer to in this proxy statement as Columbia OP, is a Virginia limited partnership through which we conduct substantially all of our business. Columbia OP owns, either directly or indirectly through subsidiaries, substantially all of our assets. We serve as the sole general partner of, and as of September 30, 2006 owned a 92.83% interest in, Columbia OP. The remaining 7.17% interest in Columbia OP is held by third parties, some of whom are, or are affiliated with, our directors and officers.

SSPF/CET Operating Company LLC. SSPF/CET Operating Company LLC, which we refer to in this proxy statement as SSPF/CET, is a Delaware limited liability company and the parent of SSPF/CET OP Holding Company, LLC. SSPF/CET is a subsidiary of the Commingled Pension Trust Fund (Special Situation Property) of JPMorgan Chase Bank, N.A. (SSPF). SSPF is a bank collective investment fund of which JPMorgan Chase Bank, N.A. is the trustee,

and the Bank's Assets Management business group, which we refer to in this proxy statement as JPMAM, is the advisor.

SSPF/CET OP Holding Company LLC. SSPF/CET OP Holding Company LLC, which we refer to in this proxy statement as Merger Sub, is a Delaware limited liability company and a direct and wholly owned subsidiary of SSPF/CET. Merger Sub will become the general partner of Columbia OP following completion of the OP merger.

Table of Contents

SSPF/CET OP Holding Company Subsidiary L.P. SSPF/CET OP Holding Company Subsidiary L.P., which we refer to in this proxy statement as OP Merger Sub, is a Virginia limited partnership whose general partner is Merger Sub.

The Merger

At the special meeting, our stockholders will be asked to approve the merger of our company with and into Merger Sub, with Merger Sub surviving the merger, pursuant to the terms of the merger agreement. We sometimes use the term surviving entity in this proxy statement to describe Merger Sub as the surviving entity following the merger.

The merger agreement also provides for the merger of OP Merger Sub with and into Columbia OP, with Columbia OP continuing as the surviving partnership. We refer in this proxy statement to the merger of Columbia OP as the OP merger. Together, the merger and the OP merger are sometimes referred to in this proxy statement as the mergers. We expect the OP merger to close concurrently with the merger. In connection with the execution of the merger agreement, SSPF/CET required each of Oliver T. Carr, III, our Chairman, President and Chief Executive Officer, John A. Schissel, our Executive Vice President, Chief Financial Officer, Secretary and Treasurer, and Oliver T. Carr, Jr., the father of Oliver T. Carr, III and the beneficial owner of greater than 5% of our outstanding common stock (referred to in this proxy statement as OTC Jr.), each in his capacity as a limited partner of Columbia OP, to enter into a voting agreement pursuant to which each of Messrs. Carr and Schissel and OTC Jr. have agreed to vote or cause their units of limited partnership interest in Columbia OP (including LTIP Units of Columbia OP granted in connection with our initial public offering), which we refer to as Columbia LP Units, to be voted in favor of approval of the OP merger; provided, however, that their votes will only be effective if we obtain the necessary approval of the merger by our stockholders. Subsequent to the date of the merger agreement, each of our other three executive officers, Clinton D. Fisch, Christian H. Clifford and John A. Novack, entered into voting agreements pursuant to which each of Messrs. Fisch, Clifford and Novack agreed to vote their Columbia LP Units in favor of approval of the OP merger. LTIP Units are a special class of partnership interest in Columbia OP issued pursuant to our 2005 Equity Compensation Plan. Our executive officers and OTC Jr. hold an aggregate of 90.1% of the outstanding Columbia LP Units (excluding those Columbia LP Units held by us and our subsidiaries). The consent of the holders of the outstanding Columbia LP Units is required to approve the OP merger. Because we own a majority of the Columbia LP Units (and all the general partnership interests) and the holders of an aggregate of 90.1% of the outstanding Columbia LP Units not owned by us have agreed to approve the OP merger, there is a sufficient number of Columbia LP Units to approve the OP merger without the approval or consent of the holders of any other Columbia LP Units. Thus, the OP merger is assured of being approved if the merger is approved. Columbia OP will solicit the votes of each of its limited partners for approval of the OP merger.

Merger Consideration

In the merger, each share of common stock of our company that is issued and outstanding immediately prior to the effective time of the merger, other than certain shares owned by us, SSPF/CET or Merger Sub or any subsidiary of us, SSPF/CET or Merger Sub, will be converted into, and cancelled in exchange for, the right to receive \$19.00 in cash, without interest, which we refer to as the merger consideration. The merger consideration is fixed and will not be adjusted for changes in the trading price of our common stock.

As consideration for the OP merger, Columbia LP Units, including LTIP Units, will be converted into (i) cash in an amount equal to \$19.00 per unit, (ii) one unit of common equity membership interest in SSPF/CET (referred to in this proxy statement as SSPF/CET common units) per Columbia LP Unit, (iii) one unit of preferred equity membership interest in SSPF/CET (referred to in this proxy statement as SSPF/CET preferred units) per Columbia LP Unit or (iv) a combination of the foregoing, at the election of the holder. Only Columbia LP Unit holders who qualify as accredited investors under Regulation D under the Securities Act of 1933, as amended, will be eligible to receive equity consideration in exchange for their Columbia LP Units. The consideration described in (i) through (iv) is

referred to collectively in this proxy statement as the OP merger consideration . We refer collectively to the consideration described in clauses (ii) and (iii) above as the OP merger equity consideration . SSPF/CET common units will have all of the rights and privileges typically associated with common equity, and SSPF/CET preferred units will have the rights and privileges discussed in the section captioned The

Table of Contents

Merger Interests of Our Directors, Executive Officers and Other Persons in the Mergers on page 31 of this proxy statement.

In connection with the execution of the merger agreement, SSPF/CET has required Messrs. Carr and Schissel and OTC Jr. to elect to exchange 66,675, 13,333 and 289,474 of their Columbia LP Units, respectively, for SSPF/CET common units in the OP merger and Mr. Schissel agreed to invest \$89,000 in cash for SSPF/CET common units. Subsequent to the date of the merger agreement, Messrs. Fisch, Clifford and Novack agreed to exchange 29,964, 16,667 and 7,083 of their Columbia LP Units, respectively, for SSPF/CET common units.

Payment Procedures

Following the completion of the merger, you will receive a letter of transmittal describing how you may exchange your shares of common stock for the merger consideration by sending your common stock certificates with your completed letter of transmittal to the paying agent. You should not send your common stock certificates to us or anyone else until you receive these instructions. You will receive payment of the merger consideration after we receive from you a properly completed letter of transmittal together with your stock certificates. If you hold your common stock in street name, your broker or nominee must surrender your stock in exchange for your merger consideration following completion of the merger.

Dividends

We are authorized under the merger agreement to declare and pay regular quarterly cash dividends with respect to our common stock in an amount equal to the greater of up to \$0.15 per share or that amount required for us to maintain our status as a REIT and for us not to be required to pay federal income taxes with respect to our earnings prior to the closing of the merger. We are also authorized to declare and pay a special pre-closing dividend that will represent the pro rata portion of a regular quarterly dividend for any partial quarter from the most recent dividend record date prior to the merger to the effective time of the merger.

Conditions to the Merger

The merger will be completed only if the conditions specified in the merger agreement are either satisfied or waived (to the extent permissible). Some of the most significant conditions specified in the merger agreement include:

requisite approval of the merger by our stockholders;

consummation of the OP merger;

the absence of any legal prohibition on the merger;

the continued accuracy of the respective representations and warranties of SSPF/CET, Merger Sub and OP Merger Sub, on the one hand, and our company and Columbia OP, on the other hand, contained in the merger agreement, except, in the case of our company and Columbia OP, where the failure of such representations and warranties to be accurate would not have a material adverse effect on our company, as defined in the merger agreement;

SSPF/CET, Merger Sub and OP Merger Sub, on the one hand, and our company and Columbia OP, on the other hand, having performed or complied in all material respects with all agreements and covenants required by the merger agreement to be performed or complied with on or prior to the closing date;

our delivery to SSPF/CET, Merger Sub and OP Merger Sub of a tax opinion from our legal counsel as to our qualification as a REIT under the Internal Revenue Code;

the effectiveness of the employment agreements between SSPF/CET and each of Oliver T. Carr, III and John A. Schissel; and

the absence since November 5, 2006 of any event that, individually or in the aggregate, would constitute a material adverse effect on our company, as defined in the merger agreement. See The Merger Agreement Definition of Material Adverse Effect on page 45 of this proxy statement.

Table of Contents

The merger is not conditioned on SSPF/CET, Merger Sub or OP Merger Sub obtaining financing for the merger consideration. See Available Funds and Guarantee on page 7 for more information regarding the financing of the merger.

If the requisite holders of our common stock approve the merger and the other conditions to the merger are satisfied or waived (to the extent permissible), then we intend to consummate the merger as soon as practicable following the special meeting.

Recommendation of Our Board of Directors

Our Board of Directors unanimously recommends that holders of shares of our common stock vote FOR approval of the merger. At a special meeting held on November 5, 2006, each of our Board of Directors and an independent committee comprised solely of independent directors unanimously approved the merger and the other transactions contemplated by the merger agreement and declared the merger advisable and in the best interests of our company and our stockholders on the terms set forth in the merger agreement. The approval of our Board of Directors was made after the careful consideration of a variety of business, financial and other factors and consultation with its legal and financial advisors.

Reasons for the Merger

In deciding to approve the merger on the terms set forth in the merger agreement, our Board of Directors, and an independent committee of five directors who are not employees of our company (the Committee), considered a number of factors, both potentially positive and potentially negative, with respect to the merger and the other transactions contemplated by the merger agreement.

Some of the potentially positive factors our Board of Directors and the Committee considered include:

Premium the merger consideration represents a significant premium over the historical and recent market price of our common stock, representing:

a \$2.09 per share, or 12.4%, premium over the closing price of our common stock on November 3, 2006, the last trading day before our announcement of the merger;

a \$1.75 per share, or 10.2%, premium over the volume weighted average closing price of our common stock for the 10-day period preceding the announcement of the merger;

a \$2.13 per share, or 12.6%, premium over the volume weighted average closing price of our common stock for the 30-day period preceding the announcement of the merger;

a \$2.69, or 16.5%, premium over the volume weighted average closing price of our common stock for the 60-day period preceding the announcement of the merger;

a \$3.16, or 19.9%, premium over the volume weighted average closing price of our common stock for the 90-day period preceding the announcement of the merger; and

a \$3.25, or 20.7%, premium over the volume weighted average closing price of our common stock for the 180-day period preceding the announcement of the merger.

Form of Merger Consideration the payment of cash as the form of merger consideration will provide our stockholders with immediate liquidity and certainty of value that is not subject to market fluctuations.

Favorable Market Conditions the merger allows our company to take advantage of strong demand for commercial office property in the Greater Washington, D.C. area, which has substantially increased our net asset value. The Board of Directors believes that the aggregate merger consideration represents a premium over our net asset value because of the value ascribed to our company's operating platform and senior management team.

Reduction of Future Capitalization Risks the merger represents a way to eliminate the risks associated with our future capitalization needs.

Table of Contents

Our Business and Prospects the merger represents an attractive alternative for our stockholders as compared to continuing to operate as an independent public company under our current strategic business plan. Competition for commercial office investments and acquisitions in our target market of Greater Washington, D.C. has intensified significantly since we completed our initial public offering in July 2005, resulting in higher prices and lower potential returns on investments. Although we continue to execute our strategic business plan, in the view of our Board of Directors, realizing a cash premium in the merger provides our stockholders an attractive alternative, on a risk-adjusted basis, to our strategic business plan.

Wachovia Securities Analysis and Opinion our Board of Directors considered the opinion and analyses of its financial advisor, Wachovia Capital Markets, LLC, which is sometimes referred to in this proxy statement as Wachovia Securities, described below under the heading *The Merger Opinion of Wachovia Securities* on page 26, including the opinion of Wachovia Securities that, as of November 5, 2006, and subject to and based on the assumptions made, procedures followed, matters considered and limitations on the opinion and the review undertaken by Wachovia Securities, as set forth in its opinion, the merger consideration was fair, from a financial point of view, to holders of our common stock.

Public Company Costs our Board of Directors considered the significant increase in recent years of the costs of maintaining public company status. In addition to the costs, compliance with new obligations for public companies requires substantial amounts of time and attention from the members of our senior management team, which could adversely affect our future operating performance.

Probability of Completion there is a high probability of completion of the merger, in part due to the financial resources available to SSPF/CET and the absence of a financing condition in the merger agreement.

Ability to Consider Alternative Proposals we are permitted at any time prior to receiving stockholder approval of the merger to furnish non-public information and participate in discussions and negotiations regarding any bona fide unsolicited acquisition proposal if our Board of Directors determines in good faith that failure to do so would be reasonably likely to be inconsistent with its duties under applicable law and that such proposal constitutes or could reasonably be expected to constitute a superior proposal (as defined in the merger agreement) and, prior to taking such action, we enter into a confidentiality agreement with respect to such proposal that contains provisions no less restrictive than the confidentiality agreement we entered into with JPMAM.

Superior Proposal Termination Right if we receive an unsolicited acquisition proposal that constitutes a superior proposal, we have a right, subject to satisfaction of certain conditions and the making of a \$4.0 million termination payment and reimbursement of up to \$750,000 in merger expenses to SSPF/CET, to terminate the merger agreement and enter into an agreement with respect to such superior proposal with a third party.

Termination Payment pursuant to certain termination rights, we are required to pay to SSPF/CET a termination payment of \$4.0 million, which represents approximately 1.38% of the aggregate merger consideration. In the event that we make any termination payment, we would also be required to reimburse SSPF/CET for its merger expenses up to \$750,000. The termination payment and merger expenses are described in greater detail under the caption *The Merger Agreement Termination Payment and Expenses*. Our Board of Directors concluded, after consultation with its financial advisor, that these payments would not preclude a third party interested in acquiring our company from making an alternative proposal.

Stockholder Approval the merger is subject to the approval of holders of a majority of our outstanding shares of common stock.

Some of the potentially negative factors our Board of Directors and the Committee considered include:

No Continuing Equity Interest upon completion of the merger, our stockholders will no longer have an ownership interest in our company or receive quarterly dividends.

Tax Consequences the merger will be a taxable transaction for our stockholders.

Table of Contents

Costs there are significant costs involved in connection with the merger, which our company may be required to bear in the event that the merger is not consummated.

No Solicitation of Alternative Proposals we did not solicit alternative proposals from other potential purchasers of our company prior to the execution of the merger agreement. In addition, we are prohibited under the merger agreement from soliciting alternative proposals from other potential purchasers of our company. The likelihood of receiving an unsolicited acquisition proposal may be diminished because we would be required to make a termination payment of up to \$4.0 million to SSPF/CET and reimburse SSPF/CET's merger expenses up to \$750,000 if we terminate the merger agreement and enter into a definitive agreement with respect to a superior proposal from a third party.

Directors, Executive Officers and Other Persons' Interests in the Mergers each of our executive officers and certain of our directors and other persons have interests in the mergers that differ from, or are in addition to (and therefore may conflict with), your interests as a stockholder, as discussed in the section captioned "The Merger - Interests of Our Directors, Executive Officers and Other Persons in the Mergers" on page 31.

Common Stock Trading Prices on March 17, 2006, the trading price of our common stock reached \$18.08, which represented its highest trading price in the 52 weeks prior to the public announcement of the merger. The merger consideration represents only a 5.1% premium over this 52-week high.

In view of the wide variety of factors considered by our Board of Directors, our Board of Directors did not find it practicable to, and did not, quantify or otherwise attempt to assign relative weights to the specific factors considered. Our Board of Directors' recommendation is based on the totality of the information presented to it and which it considered. After taking into consideration the factors set forth above together with other factors, including those described in "The Merger - Reasons for the Merger" on page 24, our Board of Directors and the Committee determined that the potential benefits of the merger substantially outweigh the potential detriments associated with the merger.

Opinion of Wachovia Securities

The Committee approved the engagement of Wachovia Securities as the exclusive financial advisor to our company with respect to the possible sale of our company to JPMAM. The Committee selected Wachovia Securities to act as exclusive financial advisor based on Wachovia Securities' qualifications, expertise and reputation. Wachovia Securities rendered its oral opinion to the Board of Directors and the Committee and subsequently confirmed it with its written opinion that, as of November 5, 2006, subject to and based on the assumptions made, procedures followed, matters considered and limitations on the opinion and the review undertaken, as set forth in its opinion, the merger consideration of \$19.00 in cash per share to be received by holders of our common stock pursuant to the merger agreement was fair, from a financial point of view, to such holders.

The full text of Wachovia Securities' written opinion, dated November 5, 2006, which sets forth, among other things, the assumptions made, procedures followed, matters considered and limitations on the opinion and the review undertaken in connection with the opinion, is attached as Exhibit B to this proxy statement. You should carefully read the opinion and the summary below in "The Merger - Opinion of Wachovia Securities" on page 26. The foregoing and such summary are qualified in their entirety by reference to the full text of the opinion.

Available Funds and Guarantee

SSPF/CET has represented to us in the merger agreement that it will on the closing date have cash sufficient to pay the merger consideration and to satisfy the obligations of SSPF/CET, Merger Sub and OP Merger Sub at the time and in

the manner contemplated by the merger agreement, including without limitation, in connection with the merger and the other transactions contemplated by the merger agreement and all related expenses.

SSPF has executed and delivered to us and Columbia OP a guarantee which guarantees all of the obligations of SSPF/CET, Merger Sub and OP Merger Sub under the merger agreement.

Table of Contents

No Dissenters or Appraisal Rights

Under Maryland law, because our common stock is listed on the NYSE, appraisal rights are not available to holders of our common stock in connection with the merger.

Interests of Our Directors, Executive Officers and Other Persons in the Mergers

Each of our executive officers and certain of our directors and other persons have interests in the merger that differ from, or are in addition to, and therefore may conflict with, your interests as a stockholder as described in *The Merger Interests of Our Directors, Executive Officers and Other Persons in the Mergers* beginning on page 31. Our Board of Directors is aware of these interests and considered them in approving the merger and the other transactions contemplated by the merger agreement. These interests include:

our executive officers have entered into new employment agreements and new equity-based incentive arrangements with SSPF/CET;

our executive officers will receive signing bonuses from SSPF/CET at the effective time of the merger;

LTIP Units owned by our executive officers, which currently are subject to time-based vesting requirements, will become fully vested and will no longer be subject to forfeiture immediately prior to the effectiveness of the merger and the holders will be entitled to receive the same consideration as the holders of Columbia LP Units;

certain of our directors and executive officers will serve as members of the equivalent governing body of SSPF/CET following the merger;

our directors and executive officers and OTC Jr. have been offered the opportunity to exchange all or a portion of their Columbia LP Units for the OP merger equity consideration and will be able to defer potential taxable gain they might otherwise recognize;

our executive officers and OTC Jr. will exchange Columbia LP Units for, or invest cash in, SSPF/CET common units representing an aggregate value of approximately \$8.1 million;

our executive officers will hold a profits interest in a new entity that will hold all new investments made after November 5, 2006;

our Board of Directors and executive officers are entitled to indemnification by SSPF/CET and the surviving entity; and

our independent directors received customary per meeting cash fees in connection with consideration of the merger.

Prohibition Against Solicitation

The merger agreement prohibits our company, Columbia OP and our respective subsidiaries and representatives from (i) soliciting, initiating or encouraging any inquiries or the making of any inquiry, proposal or offer that constitutes, or reasonably could be expected to lead to, an acquisition proposal, (ii) engaging or otherwise participating in any

discussions or negotiations regarding an acquisition proposal, or providing any non-public information to any person related to an acquisition proposal or releasing any person from standstill or similar obligations, or (iii) otherwise knowingly facilitating any effort to attempt to make an acquisition proposal. Notwithstanding the foregoing, the merger agreement does permit us to provide information in response to a request with respect to an unsolicited bona fide written acquisition proposal, provided the party so requesting the information enters into a confidentiality and standstill agreement on terms not less restrictive to the requesting party than those contained in our confidentiality agreement with JPMAM, and engage or participate in any discussions or negotiations with any party that has made a bona fide written acquisition proposal, provided we have not given the party an exclusive right to negotiate with us. In addition to these permitted communications, subject to certain conditions, in the event our Board of Directors makes a change in its recommendation for approval of the merger, our Board of Directors may approve, recommend or otherwise declare advisable or propose to approve, recommend or otherwise declare advisable, an acquisition proposal that our Board of Directors deems a superior

Table of Contents

proposal (as defined in the merger agreement). Upon termination of the merger agreement and our Board of Directors approving of our entering into an agreement for a transaction that constitutes a superior proposal, we would be obligated to make a termination payment in the amount of \$4.0 million to SSPF/CET and to reimburse SSPF/CET for transaction expenses up to \$750,000. We refer to these transaction expenses as merger expenses throughout this proxy statement.

Termination of the Merger Agreement/Payment of Termination Payment and Merger Expenses

In addition to customary termination events, including termination by mutual consent of the parties, termination for breaches of representations, warranties or covenants and termination upon failure to receive the requisite stockholder approval for the merger, the merger agreement may be terminated under the following circumstances:

by us any time prior to receiving stockholder approval for the merger in order to enter into a definitive acquisition agreement that provides for the implementation of a superior proposal in accordance with the termination provisions contained in the merger agreement, provided that we pay SSPF/CET a \$4.0 million termination payment and up to \$750,000 of SSPF/CET's merger expenses; or

by either us or SSPF/CET if the merger is not completed on or before August 5, 2007; or

by either us or SSPF/CET if the merger is prohibited by any governmental authority; or

by SSPF/CET if (i) our Board of Directors makes a change in recommendation (as that term is defined in the merger agreement) for approval of the merger by our stockholders prior to the special meeting; (ii) we fail to call or hold the special meeting; (iii) we materially breach any of our obligations under the no solicitation provisions contained in the merger agreement; or (iv) our Board of Directors approves, recommends, endorses or we enter into a definitive agreement relating to, an acquisition proposal, in which event, pursuant to the merger agreement, we would be required to pay the \$4.0 million termination payment and up to \$750,000 of SSPF/CET's merger expenses.

We also would be required to pay SSPF/CET the termination payment and the merger expenses if:

prior to the termination date, an acquisition proposal has been made (or publicly announced) and not withdrawn;

the merger agreement is terminated by us or SSPF/CET if stockholder approval is not obtained at the special meeting, or by SSPF/CET if we breach our covenants in the merger agreement related to no solicitation or the holding of the special meeting; and

we complete an acquisition proposal within nine months following the termination date of the merger agreement (whether or not the acquisition proposal was received prior to the termination date), subject to certain exceptions.

Certain Tax Consequences of the Merger

The receipt of the merger consideration in exchange for shares of our common stock in the merger will be a taxable transaction for federal income tax purposes. See Material United States Federal Income Tax Consequences. Your tax consequences will depend on your personal situation. You are urged to consult your own tax advisor for a full understanding of the tax consequences of the merger to you.

Fees and Expenses

We estimate that our company will incur, and will be responsible for paying, transaction-related fees and expenses, consisting primarily of filing fees, fees and expenses of financial advisors, attorneys and accountants and other related charges, totaling approximately \$5.6 million, assuming the merger and the other transactions contemplated by the merger agreement are completed. In the event the merger and the other transactions contemplated by the merger agreement are completed, the surviving entity will assume these fees and expenses, to the extent they have not been paid.

Table of Contents

Regulatory Approvals

No material federal or state regulatory approvals are required to be obtained by us or the other parties to the merger agreement in connection with the merger. To effect the merger, however, we must file articles of merger with the State Department of Assessments and Taxation of Maryland (the SDAT) and a merger certificate with the Delaware Secretary of State, and such articles of merger and merger certificate must be accepted for record by the SDAT and the Delaware Secretary of State, respectively.

Conduct of Our Company in the Event the Merger is Not Consummated

In the event the merger is not completed for any reason, we will continue to operate as an independent entity and will strive to create value for our stockholders over time.

QUESTIONS AND ANSWERS ABOUT THE MERGER

What am I being asked to vote on?

Holders of our common stock are being asked to vote to approve the merger of Columbia Equity Trust, Inc. with and into Merger Sub pursuant to the terms of the merger agreement.

What will I receive in the merger?

You will be entitled to receive \$19.00 in cash, without interest, for each outstanding share of our common stock that you own as of the effective date of the merger. The merger consideration is fixed and will not be adjusted for changes in the trading price of our common stock. In addition to any regular quarterly dividends (of up to \$0.15 per share) declared by our company prior to the closing of the merger, you will also be entitled to receive a special pre-closing dividend that will represent the pro rata portion of a regular quarterly dividend for any partial quarter from the most recent dividend record date prior to the merger to the effective time of the merger.

What does the Board of Directors recommend?

Our Board of Directors and the Committee comprised solely of directors determined by our Board to be independent and disinterested unanimously approved the merger and declared the merger advisable on the terms set forth in the merger agreement. **Our Board of Directors recommends that holders of our common stock vote FOR approval of the merger.** For a description of factors considered by our Board of Directors, please see the sections captioned "The Merger - Reasons for the Merger" on page 24 and "The Merger - Recommendation of Our Board of Directors" on page 23.

Why was the Committee of our Board of Directors appointed?

Our directors who are also executive officers have interests in the merger and the other transactions contemplated by the merger agreement that differ from those of our other stockholders and as a result, have a conflict of interest in considering the merger and related transactions. In order to limit the effect of these conflicts of interest in connection with the evaluation by our Board of Directors of the merger and the other transactions contemplated by the merger agreement, our Board of Directors appointed a committee comprised solely of five non-employee directors that the Board determined to be independent and disinterested for purposes of evaluating the proposed transaction. The members of the Committee are Bruce M. Johnson, Robert J. McGovern, Rebecca L. Owen, Hal A. Vasvari and Thomas A. Young, Jr. For more information about the interests of our directors and executive officers, please see the section captioned "The Merger - Interests of Our Directors, Executive Officers and Other Persons in the Mergers" on page 31.

What is the premium to the market price of our common stock offered in the merger?

The \$19.00 cash per share merger consideration represents an approximate 12.4% premium over the closing price of our common stock on November 3, 2006, the last trading day before the public announcement of the signing of the merger agreement and an approximate 19.9% premium over the volume weighted average closing price of our common stock over the 90-day period ended November 3, 2006.

When do you expect to complete the merger?

A special meeting of our stockholders is scheduled to be held on Tuesday, February 27, 2007, to consider and vote on the merger pursuant to the terms of the merger agreement. Because obtaining the requisite approval of the merger by our stockholders is only one of the conditions to the completion of the merger, we can give you no assurance as to when or whether the merger will occur, but we expect to close the merger in the first quarter of 2007. For more information regarding the other conditions to the merger, please see the section captioned "The Merger Agreement Conditions to the Merger" on page 44.

Table of Contents

If the merger is completed, when can I expect to receive the merger consideration for my common stock?

If you are a registered holder of our common stock at the effective time of the merger, then following the completion of the merger, you will receive (i) a letter of transmittal describing how you may exchange your shares of common stock for the merger consideration and (ii) instructions for use in effecting the surrender of any stock certificates held by you. At that time, you must send your stock certificates with your completed letter of transmittal to the paying agent. You should not send your stock certificates to us or anyone else until you receive these instructions. You will receive payment of the merger consideration, less any applicable tax withholding, after we receive from you a properly completed letter of transmittal together with your stock certificates. If you hold your common stock in street name, your broker or nominee must take the actions required to obtain delivery of your portion of the merger consideration to your account on your behalf and you will not be required to take any action yourself to receive the merger consideration.

If I am a U.S. stockholder, what are the tax consequences of the merger to me?

Any gain resulting from your receipt of the merger consideration for your shares of common stock will be taxable for federal income tax purposes. For further information on the material tax consequences of the merger, please see the section captioned **Material United States Federal Income Tax Consequences – Consequences of the Merger to U.S. Holders of Our Common Stock** on page 49. You should consult your own tax advisor for a full understanding of the tax consequences of the merger to you.

If I am a non-U.S. stockholder, what are the tax consequences of the merger to me?

The tax consequences to non-U.S. stockholders are complex and will depend on various factors. Non-U.S. stockholders are urged to read the section captioned **Material United States Federal Income Tax Consequences – Consequences of the Merger to Non-U.S. Holders of Our Common Stock** on page 50 and to consult with their own tax advisors, especially concerning the Foreign Investment in Real Property Tax Act of 1980, U.S. federal income tax withholding rules and the possible application of benefits under an applicable income tax treaty.

What vote is required to approve the merger?

Approval of the merger requires the affirmative vote of the holders of a majority of shares of our common stock that are outstanding on the record date. We urge you to complete, execute and return the enclosed proxy card or authorize a proxy via the Internet or by calling the toll-free number on the proxy card to assure the voting of your shares at the special meeting.

What rights do I have if I oppose the merger?

You can vote against the merger by indicating a vote against the proposal on your proxy card and signing and mailing your proxy card, by instructing a proxy to vote against the merger via the Internet or by calling the toll-free number on the proxy card or by voting against the merger in person at the special meeting. You are not, however, entitled to dissenters' or appraisal rights under Maryland law.

Who is entitled to vote at the special meeting?

Only stockholders of record at the close of business on the record date, January 16, 2007, are entitled to receive notice of the special meeting and to vote the shares that they held on that date at the special meeting, or any postponements or adjournments of the special meeting. Each stockholder has one vote for each share of common stock owned at the

close of business on the record date. As of the record date, there were 13,863,334 shares of common stock outstanding and entitled to vote at the special meeting.

Table of Contents

What is the location, date and time of the special meeting?

The special meeting will be held at the Occidental located at 1475 Pennsylvania Avenue, N.W., Washington, D.C., on Tuesday, February 27, 2007, at 8:30 a.m., Eastern time.

What happens if I sell my common stock before the special meeting or before the completion of the merger?

The record date for the special meeting, January 16, 2007, is earlier than the date of the special meeting. If you held your shares of our common stock on the record date but transfer them prior to the effective time of the merger, you will retain your right to vote at the special meeting, but not the right to receive the merger consideration for the common stock. The right to receive such consideration will pass to the person who owns your common stock when the merger becomes effective.

How do I vote?

If you are a registered holder of our common stock and properly complete and sign the proxy card enclosed with this proxy statement and return it to us prior to the special meeting or if you properly give a proxy authorization by phone or the Internet, your shares will be voted as you direct. If you are a registered stockholder and attend the special meeting, you may deliver your completed proxy card or vote in person. If you elect to vote in person at the special meeting and your shares are held by a broker or nominee, you must bring to the special meeting a legal proxy from the broker or nominee authorizing you to vote your shares.

If you fail to either return your proxy card, authorize a proxy by using the toll-free telephone number or the Internet or vote in person at the special meeting, or if you mark your proxy card ABSTAIN, the effect will be the same as a vote against the merger. If you sign and return your proxy card and fail to indicate your vote on your proxy, your shares will be counted as a vote FOR the merger.

If my shares of common stock are held for me by my broker, will my broker vote my shares for me?

If you hold your common stock in street name through a broker or other nominee, your broker or nominee will not vote your shares of common stock unless you provide instructions on how to vote. You should instruct your broker or nominee how to vote your shares of common stock by following the directions your broker or nominee will provide to you. If you do not provide instructions to your broker or nominee, your shares of common stock will not be voted and this will have the same effect as a vote against the proposal to approve the merger.

How will proxy holders vote my shares of common stock?

If you complete and properly sign the proxy card enclosed with this proxy statement and return it to us prior to the special meeting, or if you properly give a proxy authorization by phone or the Internet, your shares of common stock will be voted as you direct. Unless you give other instructions on your proxy card or in your proxy authorization by phone or the Internet, the persons named as proxy holders will vote your shares in accordance with the Board of Directors recommendation. **Our Board of Directors recommends a vote FOR approval of the merger.** Please see the section captioned The Merger Recommendation of Our Board of Directors on page 23.

How can I change my vote after I have mailed my signed proxy card or voted by telephone or on the Internet?

If you are a registered holder of our common stock, you may change your vote by (i) delivering to our Secretary, before the special meeting, a later dated, signed proxy card or a written revocation of your proxy, or by using the toll-free telephone number or Internet or (ii) attending the special meeting and notifying the chairman of the meeting

that you would like your proxy revoked and voting in person. The powers of the proxy holders will be suspended with respect to your proxy if you attend the special meeting in person and so request; your attendance at the special meeting, however, will not, by itself, revoke your proxy. If you have instructed a broker or nominee to vote your shares, you must follow the directions received from your broker or nominee to change those instructions.

Table of Contents

Also, if you elect to vote in person at the special meeting and your shares are held by a broker or nominee, you must bring to the special meeting a legal proxy from the broker or nominee authorizing you to vote your shares.

What will happen to my common stock after completion of the merger?

Following the completion of the merger, your shares of common stock will be cancelled and will represent only the right to receive the merger consideration. Trading in our common stock on the NYSE will cease and price quotations for our common stock will no longer be available.

What do I need to do now?

This proxy statement contains important information regarding the merger and the other transactions contemplated by the merger agreement, as well as information about our company and the other parties to the merger agreement. It also contains important information about what our Board of Directors considered in approving the merger. We urge to you read this proxy statement carefully, including the exhibits.

Should I send my common stock certificates now?

No. After the merger is completed, a paying agent will send you a letter of transmittal describing how you may exchange your common stock certificates for the merger consideration. At that time, you must send in your common stock certificates or execute an appropriate instrument of transfer of your shares, as applicable, with your completed letter of transmittal to the paying agent to receive the merger consideration. If you do not hold physical certificates, your broker or nominee must surrender your shares following completion of the merger.

THE MERGER

General Description of the Merger

Overview

The merger agreement provides for the merger of our company with and into Merger Sub. Merger Sub will be the surviving entity in the merger and will be a subsidiary of SSPF/CET. The merger agreement also provides for the merger of OP Merger Sub with and into *Columbia OP*, with *Columbia OP* continuing as the surviving partnership. Completion of the OP merger is a condition to the closing of the merger. In connection with the execution of the merger agreement, SSPF/CET required each of Oliver T. Carr, III, our Chairman, President and Chief Executive Officer, John A. Schissel, our Executive Vice President, Chief Financial Officer, Secretary and Treasurer, and Oliver T. Carr, Jr., the father of Oliver T. Carr, III and the beneficial owner of greater than 5% of our outstanding common stock (referred to in this proxy statement as *OTC Jr.*), each in his capacity as a limited partner of *Columbia OP*, to enter into a voting agreement pursuant to which each of Messrs. Carr and Schissel and OTC Jr. have agreed to vote or cause their *Columbia LP* Units to be voted in favor of approval of the OP merger; provided, however, that their votes will only be effective if we obtain the necessary approval of the merger by our stockholders. Subsequent to the date of the merger agreement, each of our other three executive officers, Clinton D. Fisch, Christian H. Clifford and John A. Novack, entered into voting agreements pursuant to which each of Messrs. Fisch, Clifford and Novack agreed to vote their *Columbia LP* Units in favor of approval of the OP merger. LTIP Units are a special class of partnership interest in *Columbia OP* issued pursuant to our 2005 Equity Compensation Plan. Our executive officers and OTC Jr. hold an

aggregate of 90.1% of the outstanding Columbia LP Units (excluding those Columbia LP Units held by us and our subsidiaries). The consent of the holders of the outstanding Columbia LP Units is required to approve the OP merger. Because we own a majority of the Columbia LP Units (and all the general partnership interests) and the holders of an aggregate of 90.1% of the outstanding Columbia LP Units not owned by us have agreed to approve the OP merger, there is a sufficient number of Columbia LP Units to approve the OP merger without the approval or consent of the holders of any other Columbia LP Units.

Table of Contents

Thus, the OP merger is assured of being approved if the merger is approved. Columbia OP will solicit the votes of each of its limited partners for approval of the OP merger.

We expect the merger to occur as soon as practicable after our stockholders approve the merger proposal and the satisfaction or waiver of all other conditions to closing under the merger agreement. The merger will be completed when the articles of merger have been accepted for record by the State Department of Assessments and Taxation of Maryland in accordance with Maryland law and the merger certificate has been accepted by the Delaware Secretary of State in accordance with Delaware law, or such later time as we and Merger Sub may agree and designate in the articles of merger or merger certificate. We currently anticipate closing the merger during the first quarter of 2007.

Merger Consideration to be Received by Holders of Our Common Stock

As of the effective time of the merger, holders of our common stock will have no further ownership interest in the surviving entity. Instead, each holder of our outstanding shares of common stock immediately prior to the effective time of the merger will be entitled to receive \$19.00 in cash per share, without interest.

As of the effective time of the merger, each share of our common stock that is owned by us, by any of our subsidiaries or by SSPF/CET, Merger Sub or any of their subsidiaries, other than shares held on behalf of third parties, will be cancelled and retired and shall cease to exist. No payment will be made for any such cancelled shares.

Merger Consideration to be Received by Holders of Columbia LP Units and LTIP Units

As consideration for the OP merger, Columbia LP Units, including LTIP Units, will be converted into (i) cash in an amount equal to \$19.00 per unit, (ii) one SSPF/CET common unit per Columbia LP Unit, (iii) one SSPF/CET preferred unit per Columbia LP Unit or (iv) a combination of the foregoing, at the election of the holder. Only Columbia LP Unit holders who qualify as accredited investors under Regulation D under the Securities Act of 1933 will be eligible to receive SSPF/CET common units or SSPF/CET preferred units in exchange for their Columbia LP Units. The SSPF/CET common units will have all of the rights and privileges typically associated with common equity, and the SSPF/CET preferred units will have the rights and privileges discussed in the section captioned Interests of Our Directors, Executive Officers and Other Persons in the Mergers on page 31 of this proxy statement.

In connection with the execution of the merger agreement, each of Messrs. Carr and Schissel, both of whom also serve as directors of our company, and OTC Jr., the father of Oliver T. Carr, III, are required to exchange, in the case of each of Mr. Carr and OTC Jr., approximately 25% of his equity interest in Columbia OP and, in the case of Mr. Schissel, approximately 25% of his combined equity interest in our company and Columbia OP, for SSPF/CET common units. Subsequent to the date of the merger agreement, each of Messrs. Fisch, Clifford and Novack agreed to exchange approximately 25% of his Columbia LP Units for SSPF/CET common units. Our executive officers and OTC Jr. have the opportunity to elect to receive additional SSPF/CET common units or SSPF/CET preferred units in exchange for their Columbia LP Units in connection with the OP merger. See Interests of Our Directors, Executive Officers and Other Persons in the Mergers on page 31.

Merger Vote Requirement

The affirmative vote of the holders of a majority of our outstanding common stock entitled to vote at the special meeting is required to approve the merger. Shares of common stock not voted at the special meeting will have the same effect as a vote against the merger.

Background of the Merger

Beginning in 2002, our predecessor, Carr Capital, began partnering with JPMAM for the purpose of acquiring, developing, managing and selling commercial office properties in the Greater Washington, D.C. area through joint venture arrangements. In July 2005, in connection with completion of our initial public offering, we succeeded to Carr Capital's interest in these joint ventures. As of September 30, 2006, we owned interests ranging from

Table of Contents

approximately 8% to 40% in five joint ventures with affiliates of JPMAM. These joint ventures own properties containing approximately 1.1 million square feet of net rentable area. Through these joint ventures, JPMAM has become familiar with our company, management team and operating systems.

On October 5, 2005, Company A, a real estate investment firm, contacted our Chairman, President and Chief Executive Officer and our Chief Financial Officer (the Senior Executive Officers) and preliminarily indicated an interest in potentially working together on a range of strategic capital alternatives, including joint ventures or a possible acquisition of our company. At a meeting on November 3, 2005 at an industry conference in Chicago, Illinois, while discussing these strategic capital alternatives with our Senior Executive Officers, certain members of Company A s management team conveyed their interest in a possible acquisition of our company. Our Senior Executive Officers indicated that our company was not interested in entering into a confidentiality agreement or any type of exclusive negotiations with Company A given the recent completion of our initial public offering, but that Company A could review the publicly available information about our company and make any proposal they deemed appropriate. Shortly thereafter, Company A delivered a preliminary verbal proposal to our Senior Executive Officers for the potential acquisition of our company at \$17.00 per share. The Senior Executive Officers advised our Board of Directors at its regularly scheduled meeting on November 11, 2005 of Company A s interest and potential partnering opportunities and further stated that they had communicated to Company A our interest in keeping an open channel for further dialogue, but that our company was focused on executing its business plan at that time. The Board determined not to pursue the matter further but requested that management immediately consult the Board if discussions became elevated. The Senior Executive Officers later advised Company A of the Board s response, after which time we received no further communication from Company A.

On March 15, 2006, in a meeting with the Senior Executive Officers, representatives of JPMAM initially raised the possibility of pursuing a transaction involving the potential acquisition of Columbia by an affiliate of JPMAM. On March 27, 2006, representatives of JPMAM followed up with the Senior Executive Officers after having reviewed publicly available information about our company and raised the possibility of acquiring our company in an all cash transaction at a price in the range of \$17.75 to \$18.25 per share, subject to further due diligence. At a meeting of our Board of Directors on April 7, 2006, the Senior Executive Officers communicated these preliminary discussions with JPMAM to the Board, including JPMAM s preliminary range for the merger consideration and JPMAM s desire to sign a confidentiality agreement and conduct additional due diligence. At this meeting, the Board discussed the advisability of exploring a transaction, but determined that JPMAM s preliminary range for the merger consideration was insufficient and further indicated the Board s unwillingness to enter into a confidentiality agreement at that time.

On May 5, 2006, representatives of JPMAM communicated to the Senior Executive Officers JPMAM s willingness to increase its potential offer to \$18.50 per share and further communicated its interest in acquiring our company and its operating platform, which would involve the continued employment of the Senior Executive Officers and other members of our management team following the transaction.

On May 12, 2006, at a regularly scheduled meeting of our Board of Directors, the Senior Executive Officers described to the Board of Directors JPMAM s revised potential offer of \$18.50 per share and desire to employ the management team after the transaction. The Board discussed the proposal and reiterated its position that the merger consideration was insufficient, but that the Board might be willing to consider a potential transaction at a higher price. At this meeting, Hunton & Williams LLP, Columbia s outside counsel, described to the directors their fiduciary duties and other considerations with respect to a potential transaction. At the meeting, the Board determined to undertake to obtain an independent valuation of our company based on our business plan as an independent company and selected Wachovia Securities, the lead managing underwriter in our initial public offering, to conduct such independent valuation. Our Board of Directors concluded its discussions by instructing the Senior Executive Officers to inform JPMAM that the Board might be willing to discuss a potential transaction at a higher price and that JPMAM should be directed to present a more formal offer at a higher valuation. Shortly after this meeting, the Senior Executive Officers

communicated our Board of Directors position regarding a potential transaction to representatives of JPMAM.

Commencing shortly after the May 12, 2006 Board meeting, Wachovia Securities began a series of conversations with our management team to refine its understanding of our stand-alone business model for purposes of the independent valuation of our company.

Table of Contents

On May 31, 2006, we received a letter from JPMAM outlining an all cash transaction to acquire Columbia for \$18.50 per share and further requesting information regarding our company that was not otherwise publicly available. The Senior Executive Officers verbally conveyed to JPMAM that the Senior Executive Officers would present the letter to the Board at its next meeting.

While attending an industry conference in New York, on June 8, 2006, the Senior Executive Officers visited JPMAM's offices in New York, New York and discussed with JPMAM various matters relating to our joint ventures with JPMAM and the current acquisition and investment environment in the Greater Washington, D.C. commercial office market.

At a meeting of our Board of Directors on June 16, 2006, representatives of Wachovia Securities presented to and discussed with our Board of Directors, Wachovia Securities' valuation analysis of our company based on our independent business plan and other valuation criteria and reviewed the \$18.50 per share offer from JPMAM. The Board concluded this meeting by instructing representatives of Wachovia Securities to communicate to JPMAM and its financial advisor the Board's interest in receiving JPMAM's best offer at its highest valuation. The following week, Wachovia Securities communicated our Board's position to JPMAM and its financial advisor. On June 23, 2006, representatives of JPMAM telephoned a representative of Wachovia Securities and stated that JPMAM was not interested in pursuing a potential transaction at a price exceeding \$18.50 per share. Wachovia Securities again conveyed to JPMAM that the Board of Directors was not inclined to move forward on a transaction at \$18.50 per share.

On June 26, 2006, we received a letter from JPMAM indicating its potential interest in a transaction at \$19.00 per share, but conditioning this interest on its ability to conduct additional due diligence that would require review of certain information regarding our company and its properties that was not publicly available. Our Board of Directors held a telephonic meeting the following day to discuss JPMAM's proposal letter and \$19.00 per share offer and during this meeting authorized the Senior Executive Officers to negotiate a confidentiality agreement with JPMAM prior to providing JPMAM with non-public information. On June 30, 2006, we and JPMAM signed a confidentiality agreement with respect to information we provided to JPMAM, some of which was non-public in nature.

Beginning in early July and continuing into August 2006, JPMAM began an in-depth review of non-public information regarding our company and representatives of our company, JPMAM and each parties' respective financial and legal advisors spoke several times to clarify information and discuss our business plan and legal structure.

On August 2, 2006, at the request of Company B, a publicly-owned REIT, our Senior Executive Officers met with representatives of Company B, at which time the representatives of Company B raised the possibility of working together on a range of strategic capital alternatives that might improve both parties access to real estate transactions, including potential joint ventures to acquire or co-develop commercial office properties in the Greater Washington, D.C. area. The discussions at this meeting were general and preliminary in nature and no specific transactions were proposed by Company B or us at that meeting or thereafter.

On August 4, 2006, our Board of Directors held a telephonic meeting with representatives of Wachovia Securities. Wachovia Securities provided the Board with an update regarding JPMAM's potential offer and the status of JPMAM's due diligence. A representative of Hunton & Williams was also present. During this meeting, Wachovia Securities representatives advised the Board that JPMAM had indicated that it was willing to proceed with an all cash transaction at a price of \$19.00 per share but would not consider any further increase in price. In addition, JPMAM would expect us to provide JPMAM with significant deal protection in the form of termination fees and JPMAM would require that our company's management team commit to continuing employment with the post-merger entity that would operate the post-merger entity's business after the transaction. Wachovia Securities also reported that JPMAM was unwilling to propose or negotiate the terms of management's potential employment or compensation, nor

would JPMAM consider management's future employment or compensation, until the Board had preliminarily agreed to the \$19.00 per share price. The Senior Executive Officers advised the Board that they had held no prior conversations with JPMAM regarding compensation or other employment or investment related matters. During this meeting, our Board determined to consider the potential transaction over the course of the following week and scheduled an in-person valuation presentation by Wachovia Securities at the Board's regularly scheduled meeting on August 11, 2006.

Table of Contents

On August 11, 2006, our Board of Directors held its regularly scheduled quarterly meeting. Present at the meeting were representatives of Wachovia Securities and Hunton & Williams. At this meeting, representatives of Wachovia Securities presented an updated valuation analysis of our company based on our independent business plan and an analysis of JPMAM's cash offer of \$19.00 per share. During the meeting, the Board asked the Senior Executive Officers to leave the meeting and the independent directors discussed the potential transaction among themselves and with Wachovia Securities and Hunton & Williams. The Board and its advisors specifically discussed the benefits of pursuing this potential transaction with JPMAM as opposed to shopping our company to other potential bidders. The Board noted several factors in this regard, including that (i) conducting an expansive process that involved shopping our company to other potential bidders would be difficult for our company and could adversely affect our operating performance given (a) the complex nature of our business plan and joint venture agreements, (b) the significant time demands already placed on our senior management team due to our size and (c) the substantial diversion of our senior management team from its day-to-day responsibilities that would result from engaging in such a process, (ii) as our joint venture partner in the ownership of five of our properties, JPMAM had a greater understanding of our business and properties than other potential bidders, and (iii) JPMAM is a leading investor in U.S. real estate with financial resources available that were sufficient to complete the proposed transaction without any financing contingency. After extensive discussion and careful consideration of many factors, including those described above, and based upon the information presented in the valuation analysis, the Board instructed Wachovia Securities to advise JPMAM that the Board was willing to move forward in considering an all-cash transaction at a price of \$19.00 per share but only if the termination fees payable to JPMAM, in the event we received a superior acquisition proposal from another party after announcement of a transaction with JPMAM, were sufficiently low so as not to unduly discourage other parties from submitting acquisition proposals. Aware of JPMAM's interest in acquiring our company and JPMAM's condition that our management team remain employed after the transaction, the Board authorized the Senior Executive Officers to commence discussions with JPMAM regarding the terms of their post-transaction employment. The Board advised Wachovia Securities, Hunton & Williams and the Senior Executive Officers that prior to approving any transaction, the Board wanted to review and be fully aware of the full terms of any employment and compensation arrangements negotiated between JPMAM and the management team. At this meeting, the Board also determined that the five directors who are not employees of our company were independent and disinterested for purposes of evaluating the proposed transaction and appointed these directors as an independent committee of the Board to review and negotiate the terms of any transaction involving our company.

Beginning shortly after the August 11, 2006 Board meeting until September 7, 2006, the Senior Executive Officers and representatives of JPMAM and its financial advisor spoke several times regarding the terms and conditions of the post-transaction employment and compensation arrangements for the Senior Executive Officers, including at a meeting at JPMAM's offices on August 29, 2006. On September 7, 2006, the Senior Executive Officers and JPMAM reached an agreement in principle with JPMAM regarding the terms and conditions of the Senior Executive Officers post-transaction employment.

On September 8, 2006, our Board of Directors held a telephonic meeting. Also present on the call were representatives of Wachovia Securities and Hunton & Williams. During the meeting, the Senior Executive Officers informed the Board that they and JPMAM had reached an agreement in principle regarding their post-transaction employment. The Board again discussed the proposed cash consideration per share and, given the recent rise in our stock price, requested Wachovia Securities to update its valuation analysis. Following Wachovia Securities' presentation, the Committee asked the Senior Executive Officers to leave the meeting. After extensive discussion, the Committee instructed the Senior Executive Officers, Wachovia Securities and Hunton & Williams to move forward with negotiating the definitive terms of the proposed transaction at a price of \$19.00 per share and instructed Wachovia Securities and Hunton & Williams to limit the deal protection and termination fees in the merger agreement. The Committee further appointed Robert H. McGovern and Rebecca J. Owen to act as lead independent directors during the course of the negotiations with JPMAM. The Committee approved the appointment of Wachovia Securities as

financial advisor, subject to negotiation of a satisfactory engagement letter with Wachovia Securities. The Committee instructed Hunton & Williams to commence preparation of a merger agreement. Over the course of the following few days, the Committee reviewed materials provided by Wachovia Securities regarding recent merger transactions in the real estate industry and all industries, including the financial advisory fees paid to investment banking firms by the seller in each such transaction. Based on this review and after

further discussion among the members of the Committee, the Committee approved the engagement of Wachovia Securities as financial advisor with respect to a possible sale of our company to JPMAM pursuant to an engagement letter and, in connection with the execution of any definitive merger agreement, to render a fairness opinion to the Board and the Committee.

On September 22, 2006, Hunton & Williams distributed an initial draft of the merger agreement to JPMAM and Stroock & Stroock & Lavan LLP, or Stroock, JPMAM's legal advisor. Between September 22, 2006 and October 11, 2006, several draft merger agreements were exchanged between our advisors and JPMAM's advisors and numerous calls were held to discuss the proposed transaction.

On October 3, 2006, at the request of Company C, our Senior Executive Officers met with a representative of Company C. At this meeting, the representative and our Senior Executive Officers discussed a range of strategic capital alternatives between Company C and our company. These discussions were general and preliminary in nature, encompassing a number of strategic possibilities. No specific transaction was proposed by Company C or us and neither party pursued more formal discussions thereafter.

On October 11, 2006, representatives of Wachovia Securities and Hunton & Williams held a telephone call with the lead Committee members, Mr. McGovern and Ms. Owen, to update them on the status of the merger agreement negotiations and certain unresolved matters, including JPMAM's position that the termination payment should consist of a two-tier structure with the amount of the payment depending on when a competing acquisition proposal was received, JPMAM's position that the employment agreements and agreements relating to our management team's equity interest in SSPF/CET should be negotiated and drafted following execution of the merger agreement, the lack of a guarantee or financial backstop of SSPF/CET's obligations under the merger agreement, and whether the merger agreement would provide for specific performance. Hunton & Williams also reported on the status of negotiations of the representations, covenants, closing conditions and due diligence. Hunton & Williams also communicated to the lead Committee members that the Senior Executive Officers and their counsel had indicated that it could take several weeks before the final documentation relating to their post-transaction employment and compensation arrangements would be complete. The lead Committee members emphasized their desire for a longer period during which the lower, first-tier break-up payment was applicable and that the Committee would require both a guarantee from SSPF and the availability of specific performance to enforce the merger agreement. The lead Committee members reiterated their position that because JPMAM was requiring that the Senior Executive Officers continue as employees as a condition of the merger, the Committee should be aware of all details of the Senior Executive Officers' employment and compensation arrangements with JPMAM, prior to approving the merger.

On October 12, 2006, the Senior Executive Officers met with a representative of Company D, a private real estate firm, with respect to a preliminary inquiry by Company D as to whether our company would be interested in pursuing a transaction involving an acquisition of our assets and operating platform. The discussions at this meeting did not include any specific terms or valuation for such a transaction and no subsequent discussions among the parties ensued.

During a conference call on October 13, 2006, representatives of Wachovia Securities and Hunton & Williams advised JPMAM and its advisors of the Committee's requirement that the employment agreements and other documentation relating to the management team's employment after closing needed to be fully negotiated and made available to the Committee before the Committee would approve the definitive terms of the merger.

On October 16, 2006, the Senior Executive Officers and their counsel, representatives of Wachovia Securities and Hunton & Williams, as our advisor and counsel, respectively, in our capacity as the general partner of Columbia OP, representatives of JPMAM, Stroock, and Goldman Sachs, JPMAM's financial advisor, attended a meeting at Stroock's offices in New York for the purpose of negotiating the terms of the Senior Executive Officers' employment agreements and equity participation, the rights of SSPF/CET common and preferred unitholders in the OP merger and other

ancillary transaction documents.

On October 18, 2006, our Board of Directors held a telephonic meeting to discuss the results of the negotiating session in New York. All directors, other than Messrs. McGovern and Vasvari, participated in the meeting. Hunton & Williams described to the Board the recent discussions and negotiations among the parties and advised the Board

Table of Contents

that it would provide the Board with a summary of the merger agreement and significant open issues, as well as a summary of the Senior Executive Officers' employment agreements and their equity and profits participation in JPMAM-affiliated entities post-transaction. During the call, Mr. Carr informed the Board of the recent unsolicited inquiries from Company B, Company C and Company D. Mr. Carr advised the Board that none of these parties had formally followed up after the preliminary general inquiries nor had they proposed or discussed any terms of a potential transaction. The Board discussed whether the Board should consider a more formal process for marketing the company to potential acquirers. After considerable discussion, including extensive discussion of those factors considered by the Board at its meeting on August 11, 2006, the Board concluded that it did not want to place the company in the position of being auctioned for sale or shopped to other potential bidders and concluded that the proposed two tier break up fee of \$4 million for the first 30 day period and \$8 million thereafter was not a significant barrier to receiving offers from other interested parties if a transaction was announced. The Board also believed that there was a strong possibility that JPMAM would withdraw its \$19.00 per share offer if Columbia undertook to market itself to other potential purchasers.

On October 26, 2006, the Board convened a telephonic meeting at which all directors were present. Wachovia Securities and Hunton & Williams also participated. Mr. Carr updated the Board regarding the status of negotiations between the Senior Executive Officers and JPMAM with respect to employment and compensation matters and advised the Board that he expected the documentation to be fully negotiated within the following week. Representatives of Wachovia Securities discussed the updated valuation analysis and the current status of the break-up payment provisions and expense reimbursement negotiations with JPMAM, Wachovia Securities advised the Board that the proposed two-tiered termination payment would not, in Wachovia Securities' view, materially deter a third party from making a proposal to acquire Columbia after announcement of the merger. Hunton & Williams provided the Board with an overview of the draft merger agreement, merger structure, OP merger consideration, termination rights, the Board's ability to consider other offers and certain other ancillary transaction documents, including the guarantee of SSPF/CET's obligations by SSPF. The Board also discussed the proposed \$19.00 per share merger consideration in light of recent increases in Columbia's stock price. Wachovia Securities indicated that, although the increase in the stock price had reduced the original transaction premium, the Board's original determination to move forward at a \$19.00 per share price was still an attractive alternative to Columbia's independent business plan and that Wachovia Securities remained comfortable that it would be able to issue its proposed fairness opinion at that price. The Committee asked the Senior Executive Officers to leave the meeting and the Committee continued the meeting with Wachovia Securities and Hunton & Williams, during which the Committee further discussed the adequacy of the merger consideration, the potential for negotiating an increase in the merger consideration and the potential transaction risks related to such a strategy. The Committee agreed to hold a follow-up telephonic meeting on Sunday, October 29, 2006 with Hunton & Williams and Wachovia Securities.

On October 29, 2006, the Committee convened a telephonic meeting with Wachovia Securities and Hunton & Williams at which all independent directors, other than Mr. Vasvari, were present. Representatives of Wachovia Securities discussed the decline in transaction premium as a result of the recent increase in Columbia's stock price, but indicated that the current premium for the transaction was still near the mean of recent merger and acquisition transactions for REITs and that \$19.00 per share continued to represent a significant premium when viewed from a net asset value perspective. In light of the recent increase in Columbia's stock price, the Committee and Wachovia Securities discussed (i) seeking to negotiate an increase to the \$19.00 per share merger consideration, (ii) requesting reduced deal protection in the form of a reduced termination payment, and (iii) the risk of JPMAM walking away from the transaction in either event. The representatives of Wachovia Securities then left the call and the Committee discussed certain alternatives with respect to negotiating a higher price and lower termination payment. The Committee discussed the potential impact of the termination payment and expense reimbursement on the likelihood of a higher offer from a third party and the reaction of JPMAM to a demand for a higher price, particularly in light of the existing joint venture relationships between Columbia and JPMAM, and the effect on the Company's business plan if JPMAM terminated discussions. Following these discussions, the Committee agreed to hold a follow-up telephonic

meeting the next morning to discuss these matters further.

On October 30, 2006, the Board convened a telephonic meeting with Wachovia Securities and Hunton & Williams. All directors, other than Mr. McGovern and Mr. Young, were present. Hunton & Williams and Wachovia Securities discussed with the independent directors the risk that JPMAM would terminate negotiations if we sought

Table of Contents

to negotiate for increased merger consideration. The Board also discussed the likelihood that in the event we asked for an increase in merger consideration, JPMAM would likely require that any increase in merger consideration be exchanged for greater deal protection in the form of a higher termination payment to JPMAM. The Board also discussed requiring the proposed two-tiered structure for the termination fee (\$4 million with respect to termination for alternative acquisition proposals received in the first 21 days following the merger agreement and \$8 million thereafter) be eliminated and replaced with a single termination payment of \$4 million, which the Board felt would not constitute a significant barrier to receiving offers from other interested parties if a transaction was announced. Following considerable discussion, the Committee determined to proceed with a price of \$19.00 per share but with a single tier termination payment of \$4 million. Because two independent directors were unable to participate in this call, the Board agreed to reconvene another telephonic meeting that evening to include these two independent directors.

That evening, the Board held a call with Wachovia Securities and Hunton & Williams. All members of the Board participated in the meeting, except for Mr. Vasvari, who had participated in the morning call. Members of the Committee that were present for the morning call together with Wachovia Securities and Hunton & Williams provided an overview of the morning's discussions to Messrs. McGovern and Young who had not been on the morning call. After extensive discussion, including extensive discussion of those factors considered by the Board at its meeting on August 11, 2006 and again on October 18, 2006, the Committee instructed Wachovia Securities to inform JPMAM that the Committee was prepared to move quickly toward executing a definitive merger agreement at a \$19.00 per share price, provided that JPMAM agree to a single tier termination payment of \$4 million. On October 31, 2006, Wachovia Securities conveyed the Committee's position to JPMAM and its advisors.

On November 1, 2006, Hunton & Williams distributed to each director a copy of the current draft of the merger agreement and other ancillary documents, as well as summaries of the merger agreement, the current draft of the Senior Executive Officers' employment agreements, and the draft agreements relating to the proposed equity and profits participation in JPMAM-affiliated entities by the Senior Executive Officers. On the same date, Wachovia Securities distributed to the directors its updated valuation analysis and draft fairness opinion.

On November 3, 2006, our Board of Directors held a meeting at our offices in Washington, D.C., at which all directors were present. Hunton & Williams and Wachovia Securities also attended the meeting. Hunton & Williams again provided the Committee a detailed description of the material terms of the merger agreement, the proposed agreements between the Senior Executive Officers and JPMAM and other relevant transaction documents. Wachovia Securities made a presentation and rendered an oral opinion to the Committee and to the Board of Directors that, as of November 3, 2006, and subject to and based on the assumptions made, procedures followed, matters considered and limitations on the opinion and the review undertaken by Wachovia Securities, as set forth in the opinion, the \$19.00 in cash per share to be received by the holders of our common stock pursuant to the merger agreement, was fair, from a financial point of view, to such holders. After this presentation, the Board of Directors further discussed the proposed merger and related transactions and scheduled a subsequent telephonic meeting of the Board for Sunday evening, November 5, 2006.

On November 5, 2006, our Board of Directors held a telephonic meeting at which all directors were present. Wachovia Securities verbally updated and reconfirmed its fairness opinion. This opinion, subsequently confirmed in writing, is described in "Opinion of Wachovia Securities" beginning on page 26 of this proxy statement. Following discussion, the Committee and the Board of Directors determined that the proposed merger was advisable on the terms set forth in the merger agreement and approved the merger on the terms set forth in the merger agreement.

Shortly thereafter, the merger agreement was signed by the parties and a joint press release was issued prior to the opening of NYSE trading on November 6, 2006 announcing the execution of the merger agreement. A copy of the merger agreement is attached to this proxy statement as Exhibit A. The merger agreement is described in the section

entitled The Merger Agreement beginning on page 37 of this proxy statement.

Recommendation of Our Board of Directors

Our Board of Directors unanimously recommends that holders of shares of our common stock vote FOR approval of the merger. At a special meeting held on November 5, 2006, each of our Board of Directors and the

Table of Contents

Committee unanimously approved the merger and the other transactions contemplated by the merger agreement and declared the merger advisable on the terms set forth in the merger agreement. At this meeting, our Board of Directors voted to recommend that holders of shares of our common stock vote FOR approval of the merger. The recommendation of our Board of Directors was made after the careful consideration of a variety of business, financial and other factors and consultation with our legal and financial advisors.

Reasons for the Merger

In deciding to approve the merger on the terms set forth in the merger agreement, our Board of Directors and the Committee considered a number of factors, both potentially positive and potentially negative, with respect to the merger and the other transactions contemplated by the merger agreement.

Some of the potentially positive factors our Board of Directors and the Committee considered include:

Premium the merger consideration represents a significant premium over the historical and recent market price of our common stock, representing:

a \$2.09, or 12.4%, premium over the closing price of our common stock on November 3, 2006, the last trading day before our announcement of the merger;

a \$1.75, or 10.2%, premium over the volume weighted average closing price of our common stock for the 10-day period preceding the announcement of the merger;

a \$2.13, or 12.6%, premium over the volume weighted average closing price of our common stock for the 30-day period preceding the announcement of the merger;

a \$2.69, or 16.5%, premium over the volume weighted average closing price of our common stock for the 60-day period preceding the announcement of the merger;

a \$3.16, or 19.9%, premium over the volume weighted average closing price of our common stock for the 90-day period preceding the announcement of the merger; and

a \$3.25, or 20.7%, premium over the volume weighted average closing price of our common stock for the 180-day period preceding the announcement of the merger.

Form of Merger Consideration the payment of cash as the form of merger consideration will provide our stockholders with immediate liquidity and certainty of value that is not subject to market fluctuations.

Favorable Market Conditions the merger allows our company to take advantage of strong demand for commercial office property, which has substantially increased our net asset value. Our Board believes the aggregate merger consideration represents a premium over our net asset value because of the value ascribed to our company's operating platform and senior management team.

Reduction of Future Capitalization Risks the merger represents a way to eliminate the risks associated with our future capitalization needs.

Our Business and Prospects the merger represents an attractive alternative for our stockholders as compared to continuing to operate as an independent public company under our current strategic business plan. Competition for investments and acquisitions in our target market of Greater Washington, D.C. has intensified significantly

since we completed our initial public offering in July 2005, resulting in higher prices and lower potential returns on investments. Although we continue to execute our strategic business plan, in the view of our Board of Directors, realizing a cash premium in the merger provides our stockholders an attractive alternative, on a risk-adjusted basis, to our strategic business plan.

Wachovia Securities Analysis and Opinion our Board of Directors considered the opinion and analyses of Wachovia Securities, described below under the heading *Opinion of Wachovia Securities* on page 26, including the opinion of Wachovia Securities that, as of November 5, 2006, and subject to and based on the assumptions made, procedures followed, matters considered and limitations on the opinion and the review undertaken by Wachovia Securities, as set forth in its opinion, the merger consideration was fair, from a financial point of view, to holders of our common stock.

Table of Contents

Public Company Costs our Board of Directors considered the significant increase in recent years in the costs of maintaining public company status. In addition to the costs, compliance with new obligations for public companies requires substantial amounts of time and attention from the members of our senior management team, which could adversely affect our future operating performance.

Probability of Completion there is a high probability of completion of the merger, in part due to the financial resources available to SSPF/CET and the absence of a financing condition in the merger agreement.

Ability to Consider Alternative Proposals we are permitted at any time prior to receiving stockholder approval of the mergers to furnish non-public information and participate in discussions and negotiations regarding any bona fide unsolicited acquisition proposal if our Board of Directors determines in good faith that failure to do so would be reasonably likely to be inconsistent with its duties under applicable law and that such proposal constitutes or could reasonably be expected to constitute a superior proposal and, prior to taking such action, we enter into a confidentiality agreement with respect to such proposal that contains provisions no less restrictive than the confidentiality agreement we entered into with JPMAM.

Superior Proposal Termination Right if we receive an unsolicited acquisition proposal that constitutes a superior proposal as defined in the merger agreement, we have a right, subject to satisfaction of certain conditions and the making of a \$4.0 million termination payment and reimbursement of up to \$750,000 in merger expenses to SSPF/CET, to terminate the merger agreement and enter into an agreement with respect to such superior proposal with a third party.

Termination Payment pursuant to certain termination rights, we are required to pay to SSPF/CET a termination payment of \$4.0 million, which represents approximately 1.38% of the aggregate merger consideration. In the event that we make any termination payment, we would also be required to reimburse SSPF/CET for its merger expenses up to \$750,000. The termination payment and merger expenses are described in greater detail under the caption *The Merger Agreement Termination Payment and Expenses*. Our Board of Directors concluded, after consultation with its financial advisor, that these payments would not preclude a third party interested in acquiring our company from making an alternative proposal.

Stockholder Approval the merger is subject to the approval of holders of a majority of our outstanding shares of common stock.

Some of the potentially negative factors our Board of Directors and the Committee considered include:

No Continuing Equity Interest upon completion of the merger, our stockholders will no longer share in the future performance of our company or receive quarterly dividends.

Tax Consequences the merger will be a taxable transaction for our stockholders.

Costs there are significant costs involved in connection with the merger, which our company may be required to bear in the event that the merger is not consummated.

No Solicitation of Alternative Proposals we did not solicit alternative proposals from other potential purchasers of our company prior to the execution of the merger agreement. In addition, we are prohibited under the merger agreement from soliciting alternative proposals from other potential purchasers of our company. The likelihood of receiving an unsolicited acquisition proposal may be diminished because we would be required to make a termination payment of up to \$4.0 million to SSPF/CET and reimburse SSPF/CET's merger

expenses up to \$750,000 if we terminate the merger agreement and enter into a definitive agreement with respect to a superior proposal with a third party.

Directors , Executive Officers and Other Persons Interests in the Mergers each of our executive officers and certain of our directors and other persons have interests in the mergers that differ from, or are in addition to (and therefore may conflict with), your interests as a stockholder, as discussed in the section captioned *Interests of Our Directors, Executive Officers and Other Persons in the Mergers* on page 31.

Table of Contents

Common Stock Trading Prices on March 17, 2006, the trading price of our common stock reached \$18.08, which represented its highest trading price in the 52 weeks prior to the public announcement of the merger. The merger consideration represents only a 5.1% premium over this 52-week high.

In view of the wide variety of factors considered by our Board of Directors, our Board of Directors did not find it practicable to, and did not, quantify or otherwise attempt to assign relative weights to the specific factors considered. Our Board of Directors' recommendation is based on the totality of the information presented to it and which it considered. After taking into consideration the factors set forth above together with other factors, including those described in *Reasons for the Merger* on page 24, our Board of Directors and the Committee determined that the potential benefits of the merger substantially outweigh the potential detriments associated with the merger.

In the event the merger is not completed for any reason, we will continue to operate as an independent entity and will strive to deliver enhanced value for our stockholders over time.

Opinion of Wachovia Securities

The Committee approved the engagement of Wachovia Securities as the exclusive financial advisor to our company with respect to a possible sale of our company to JPMAM. The Committee selected Wachovia Securities to act as the Committee's and the full Board of Directors' exclusive financial advisor based on Wachovia Securities' qualifications, expertise and reputation. Wachovia Securities rendered its oral opinion to the Board of Directors and the Committee and subsequently confirmed it with its written opinion that, as of November 5, 2006, subject to and based on the assumptions made, procedures followed, matters considered and limitations on the opinion and the review undertaken, as set forth in its opinion, the \$19.00 in cash per share to be received by holders of our common stock pursuant to the merger agreement was fair, from a financial point of view, to such holders.

The full text of Wachovia Securities' written opinion, dated November 5, 2006, which sets forth, among other things, the assumptions made, procedures followed, matters considered and limitations on the opinion and the review undertaken in connection with the opinion, is attached as Exhibit B to this proxy statement. You should carefully read the opinion in its entirety. This summary is qualified in its entirety by reference to the full text of the opinion.

Wachovia Securities' opinion did not address the merits of the underlying business decision to enter into the merger agreement and does not constitute a recommendation to any holder of our common stock as to how such holder should vote in connection with the merger agreement.

In connection with its review, Wachovia Securities assumed and relied upon the accuracy and completeness of the foregoing financial and other information, including all accounting, legal and tax information, and has not assumed any responsibility for, nor conducted, any independent verification of such information. Wachovia Securities was provided with prospective financial information of our company. Wachovia Securities assumes no responsibility for, and expresses no view as to, any such prospective financial information or the forecasts, estimates, judgments, allocations or assumptions upon which they are based. In arriving at its opinion, Wachovia Securities has not prepared or obtained any independent evaluations or appraisals of the assets or liabilities of our company, including any contingent liabilities.

In rendering its opinion, Wachovia Securities assumed that the merger contemplated by the merger agreement will be consummated on the terms described in the merger agreement, without waiver of any material terms or conditions, and that in the course of obtaining any necessary legal, regulatory or third-party consents and/or approvals, no restrictions will be imposed or other actions will be taken that will have an adverse effect on the merger or other actions contemplated by the merger agreement. Wachovia Securities also assumed that SSPF/CET will be able to obtain any financing arrangements necessary to pay to all holders of our common stock the merger consideration due to them. The opinion is necessarily based on economic, market, financial and other conditions and the information made available to Wachovia Securities as of the date of the opinion. Although subsequent developments may affect the opinion, Wachovia Securities does not have any obligation to update, revise or reaffirm the opinion. In addition, Wachovia Securities expresses no view on the terms of the merger, except as expressly set forth above, or of the OP merger, nor does the opinion address the fairness of the consideration to be received by any Columbia LP Unit holder in the OP merger. The opinion does not address the relative merits of the merger or other actions contemplated by the merger agreement compared with other business strategies or transactions that may have been considered by our management and our Board of Directors or any committee thereof.

The summary set forth below does not purport to be a complete description of the analyses performed by Wachovia Securities, but describes, in summary form, the material analyses of Wachovia Securities in connection with its fairness opinion. The preparation of a fairness opinion is a complex process and is not necessarily susceptible to a partial analysis or summary description. In arriving at its fairness opinion, Wachovia Securities considered the results of all its analyses as a whole and did not attribute any particular weight to any analysis or factors considered by it. Accordingly, the analyses listed in the tables and described below must be considered as a whole. Considering any portion of such analyses and the factors considered, without considering all analyses and factors, could create a

misleading or incomplete view of the process underlying Wachovia Securities' fairness opinion.

Dividend Discount Analysis. Wachovia Securities performed a dividend discount analysis of our company's common stock using our management's funds from operations (FFO) per share estimates through 2011 and our management's projected dividends per share for 2007 through 2011. Wachovia Securities calculated the implied present values of projected cash dividends for our company for 2007 through 2011 using discount rates ranging

Table of Contents

from 8.50% to 10.50%. Wachovia Securities then calculated implied terminal values in 2011 based on multiples ranging from 13.10x to 15.10x 2012 FFO per share. These implied terminal values were then discounted at discount rates of 8.50% to 10.50% to arrive at implied present values. Wachovia Securities derived a range of implied per share prices for our common stock based on the sum of the respective implied present value of our company's projected cash dividends and the implied present value of our company's terminal value in 2011. Discount rates utilized in this analysis were derived from the capital asset pricing model and historic REIT equity returns and multiples were derived based upon our company's peers' forward FFO multiples. This analysis produced an estimated per share value range of \$17.20 to \$21.00 for our common stock.

Discounted Cash Flow Analysis. Wachovia Securities performed a discounted cash flow analysis of our company based upon the projected unleveraged cash flows provided by our management. Wachovia Securities calculated a range of equity values per share based upon the sum of the discounted net present values of our company's unleveraged free cash flows for 2007 through 2011 plus the discounted net present value of our company's terminal value. Applying a range of weighted average cost of capital from 7.75% to 8.50%, Wachovia Securities calculated an estimated per share value range of \$15.19 to \$20.95 for our common stock.

Net Asset Value Analysis. Using information provided by our management, Wachovia Securities calculated the net asset value per share of common stock. For this analysis, Wachovia Securities applied a range of blended capitalization rates from 6.00% to 7.00% to our management's projected twelve month forward net operating income. The resulting gross real estate value was combined with the value of cash and other assets to arrive at a total asset value. Total liabilities and estimated transaction related expenses were then subtracted from such total asset value to arrive at an estimated net asset value per share of common stock. In applying the range of blended capitalization rates, Wachovia Securities took into consideration, and discussed with management, current market conditions and property characteristics. The net asset valuation analysis produced an estimated per share value range of \$15.34 to \$20.29 for our common stock.

Historical Stock Trading Analysis. Wachovia Securities reviewed publicly available historical trading prices and volumes for our common stock for the twelve-month period ended November 3, 2006, the last trading day before the announcement of the transaction. Wachovia Securities compared the \$19.00 in cash per common share to be received by holders of our common stock pursuant to the merger agreement to the prior day closing price and the volume weighted average closing prices of our common stock during the current 10-day, 30-day, 60-day, 90-day, and 180-day periods preceding the announcement of the merger. The \$19.00 per share offer price represents a premium to the historical average closing prices of our common stock as follows:

	Closing Price	Premium
November 3, 2006	\$ 16.91	12.4%
10-Day Volume Weighted Average	\$ 17.25	10.2%
30-Day Volume Weighted Average	\$ 16.87	12.6%

Volume Weighted Average	\$ 15.74	20.7%
High	\$ 17.99	5.6%
Low	\$ 13.95	36.2%

Comparable Companies Analysis. Wachovia Securities compared our financial, operating and stock market data to the following publicly traded REITs that it believed were reasonably comparable to our company:

Corporate Office Properties Trust

Maguire Properties, Inc.

Wachovia Securities calculated, among other things, the multiple of per share closing prices to estimated FFO per share for 2006 and 2007 for the comparable companies, based upon projected financial information from the Thompson Financial's First Call Earnings Estimates (First Call) consensus estimates and closing share prices on November 3, 2006. Wachovia Securities calculated a range consisting of the high, mean, median and low multiples of per share price to projected FFO for the comparable companies and applied this range to our management's and First Call's consensus estimates of our projected FFO for 2006 and 2007. This analysis produced an implied per share value range for our common stock of \$13.18 to \$24.14 for 2006 and \$14.66 to \$26.23 for 2007. The range of implied share prices for our common stock is outlined below.

Wachovia Securities selected the companies reviewed in the comparable companies analyses because of, among other reasons, their specialization in the office REIT sector, asset quality, market capitalization, and capital structure. None of the companies utilized in the above analyses, however, is identical to our company. Accordingly, a complete analysis of the results of the foregoing calculations cannot be limited to a quantitative review of such results and involves complex considerations and judgments concerning the differences in the financial and operating characteristics of the comparable companies and other factors that could affect the public trading value of the comparable companies, as well as the potential trading value of our company.

Selected Transactions Analysis. Wachovia Securities reviewed selected transactions involving publicly traded office REITs since January 1, 2004 and publicly available information relating to FFO and premiums paid in connection with these transactions. The selected transactions were:

Acquiror	Target
Morgan Stanley Real Estate	Glenborough Realty Trust Inc.
SL Green Realty Corp.	Reckson & Associates Realty Corp.
Brookfield Properties Corp./The Blackstone Group	Trizec Properties, Inc./Trizec Canada, Inc.
The Blackstone Group	CarrAmerica Realty Corp.
LBA Realty LLC	Bedford Property Investors, Inc.
GE Real Estate	Arden Realty Inc.

Wachovia Securities calculated, among other things, a range consisting of the high, mean, median and low transaction prices to forward FFO multiples for the selected transactions and applied this range to First Call consensus and our management's estimates of our FFO for 2007. This analysis produced an implied per share value range for our common stock of \$15.62 to \$21.59, as shown in the chart below:

	FFO Multiple of Selected Transactions	Implied Common Stock Price Based on 2007 First Call Estimated FFO	Implied Common Stock Price Based on 2007 Management Plan FFO
High:	18.3x	\$ 21.59	\$ 19.74
Mean:	16.8x	\$ 19.78	\$ 18.09
Median:	17.3x	\$ 20.47	\$ 18.71
Low:	14.5x	\$ 17.08	\$ 15.62

Wachovia Securities selected the companies reviewed in the selected transaction analysis because of, among other reasons, their specialization in the office REIT sector, asset quality, market capitalization, and capital structure. None of the companies or transactions utilized in the above analyses, however, is identical to our company. Accordingly, a complete analysis of the results of the foregoing calculations cannot be limited to a quantitative review of such results and involves complex considerations and judgments concerning the differences in the financial and operating characteristics of the comparable companies and other factors that could affect the value of the common stock of comparable companies, as well as the value of our common stock.

Premiums Paid Analysis. Wachovia Securities analyzed the premium or discount paid by the acquirer in all of the transactions used in the selected transactions analysis and compared those discounts or premiums paid to the closing market price of the target company's common shares on the day prior to announcement of the transaction, and the 10-day, 30-day, 60-day and 90-day average closing prices prior to the announcement of the transaction.

Using publicly available information, Wachovia Securities calculated, among other things, a range consisting of the high, mean, median and low premium paid in these transactions and applied this range to various prices. This analysis resulted in an implied share range for our common stock of \$16.66 to \$21.46, as shown in the chart below:

	Implied Common Stock Price				
	Premium to Prior Day Price	Premium to 10-Day Average	Premium to 30-Day Average	Premium to 60-Day Average	Premium to 90-Day Average
High:	\$ 19.94	\$ 21.46	\$ 20.52	\$ 19.82	\$ 19.98
Mean:	\$ 18.53	\$ 19.33	\$ 19.42	\$ 18.85	\$ 18.72
Median:	\$ 18.52	\$ 19.24	\$ 19.75	\$ 19.14	\$ 18.94
Low:	\$ 16.66	\$ 17.07	\$ 17.57	\$ 17.47	\$ 16.82

Because the market conditions, rationale and circumstances surrounding each of the transactions analyzed in the various selected transaction analyses were specific to each transaction and because of the inherent differences between our businesses, operations and prospects and those of the comparable acquired companies, Wachovia Securities believed that it was inappropriate to, and therefore did not, rely solely on the quantitative results of the analysis. Accordingly, Wachovia Securities also made qualitative judgments concerning differences between the characteristics of these transactions and the proposed merger that could affect our acquisition values and those of such acquired companies.

In performing its analyses, Wachovia Securities made numerous assumptions with respect to industry performance, general business and economic conditions and other matters, many of which are beyond our control. No company, transaction or business used in the analyses described above is identical to our company or the proposed merger. Any estimates contained in Wachovia Securities' analyses are not necessarily indicative of future results or actual values, which may be significantly more or less favorable than those suggested by these estimates. The analyses performed were prepared solely as a part of Wachovia Securities' analysis of the fairness, from a financial point of view, to the holders of our common stock, as of November 5, 2006, and subject to and based on the assumptions made, procedures followed, matters considered and limitations on the opinion and the review undertaken in such opinion, of the \$19.00 in cash per share to be received by such holders pursuant to the terms

of the merger agreement, and were conducted in connection with the delivery by Wachovia Securities of its fairness opinion, dated November 5, 2006.

Wachovia Securities' opinion was one of the many factors taken into consideration by our Board of Directors and the Committee in making its determination to approve the merger. Wachovia Securities' analyses summarized above should not be viewed as determinative of the opinion of our Board of Directors and the Committee with respect to the value of our common stock or of whether our Board of Directors or the Committee would have been willing to agree to a different form of consideration.

Wachovia Securities is a nationally recognized investment banking and advisory firm and a subsidiary of Wachovia Corporation. Wachovia Securities, as part of its investment banking and financial advisory business, is continuously engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements and valuations for corporate and other purposes. Wachovia Securities and its affiliates (including Wachovia Corporation and its affiliates) may maintain relationships with our company, SSPF, as well as any of their principals or affiliates. In connection with unrelated matters, Wachovia Securities and its affiliates in the past have provided financing services to our company, including serving as the bookrunning manager on our \$207 million initial public offering that closed in July 2005. Wachovia Securities also maintains equity research coverage on our company. Wachovia recently advised BRE Properties in the formation of a programmatic development and acquisition joint venture with JPMAM. Additionally, in the ordinary course of its business, Wachovia Securities may trade in our securities and affiliates of SSPF for its own account and for the accounts of its customers and, accordingly, may at any time hold a long or short position in such securities.

Pursuant to the terms of the letter agreement pursuant to which Wachovia Securities was engaged, we have agreed to pay Wachovia Securities a fee of \$3.25 million in connection with the consummation of the merger. While a customary portion of the fee became payable upon delivery of its fairness opinion, a significant portion of the fee is contingent upon closing of the merger. In addition, we have agreed to reimburse Wachovia Securities for its out of pocket expenses and to indemnify Wachovia Securities and certain related parties against certain liabilities and expenses related to or arising out of Wachovia Securities' engagement.

Interests of Our Directors, Executive Officers and Other Persons in the Mergers

In considering the recommendation of our Board of Directors in connection with the merger, holders of our common stock should be aware that, as described below, each of our executive officers and certain of our directors and other persons have interests in, and will receive benefits from, the mergers that differ from, or are in addition to, and therefore may conflict with, the interests of our stockholders generally. These additional interests are described below. In addition, the number of shares of our common stock beneficially owned by our directors and executive officers and holders of greater than 5% of our outstanding common stock (including OTC Jr.), as of December 14, 2006, appears below under the section captioned *Principal and Management Stockholders* on page 51. Our Board of Directors is aware of these interests and considered them in approving the merger and the other transactions contemplated by the merger agreement.

Columbia LP Units. Each of Oliver T. Carr, III, our Chairman, President and Chief Executive Officer, Clinton D. Fisch, our Senior Vice President and Director of Acquisitions, and OTC Jr. owns Columbia LP Units. In accordance with the terms of voting agreements between SSPF/CET and each of Mr. Carr and OTC Jr., each of Mr. Carr and OTC Jr. is required to exchange approximately 25% of his Columbia LP Units (including Columbia LTIP Units), having a value of \$1,268,725 in the case of Mr. Carr, and \$5,500,006 in the case of OTC Jr., based on the merger consideration, for SSPF/CET common units at the effective time. Subsequent to the date of the merger agreement, Mr. Fisch agreed to exchange 25% of his Columbia LP Units (including Columbia LTIP Units), having a value of \$569,316, for

SSPF/CET common units. Except for these Columbia LP Units, and the Columbia LTIP Units held by Messrs. Schissel, Clifford and Novack described below under Columbia LTIP Units , the remaining Columbia LP Units owned by Messrs. Carr, Fisch, OTC Jr. and other holders of Columbia LP Units and Columbia LTIP Units will be converted into the right to receive, at their election:

cash in an amount equal to \$19.00 per Columbia LP Unit;

Table of Contents

one SSPF/CET common unit per Columbia LP Unit;

one SSPF/CET preferred unit per Columbia LP Unit; or

a combination of any of the forms of consideration set forth above.

The merger will constitute a taxable transaction to our stockholders and, as a result, holders of our common stock will be required to pay tax on gains resulting from exchanging their common stock for the merger consideration. The election by holders of Columbia LP Units (which include our officers and directors and OTC Jr.) to receive SSPF/CET common units and/or SSPF/CET preferred units instead of the \$19.00 in cash will allow such holders to defer the taxable gain they would otherwise recognize upon receipt of cash consideration.

SSPF/CET Preferred Units. In general, SSPF/CET preferred units will have the following terms:

each SSPF/CET preferred unit will have a stated liquidation value of \$19.00, plus an amount equal to any accumulated and unpaid distributions thereon;

each SSPF/CET preferred unit will be entitled to receive, in preference to SSPF/CET common units, cumulative distributions at the rate of 6% per annum on the liquidation value, payable quarterly; provided, however, if such distributions are not paid when due the liquidation value will be increased by the amount of such unpaid distributions;

the SSPF/CET preferred units will be non-voting, except that without the consent of holders of not less than two-thirds of the outstanding SSPF/CET preferred units, SSPF/CET may not issue units having rights equal or senior to the SSPF/CET preferred units;

the SSPF/CET preferred units will be redeemable for cash equal to the liquidation value, plus any unpaid distributions:

at the option of SSPF/CET, at any time after 54 months from the effectiveness of the merger;

at the holder's option commencing on the second anniversary of the effectiveness of the merger and terminating 30 months following such effectiveness; provided, however, that any former Columbia LP Unit holder electing to receive SSPF/CET common or preferred units in the OP merger having a value of \$5,000,000 or more shall have the right to elect to receive instead of cash an in-kind distribution of one or more properties identified by such person and acquired by SSPF/CET from third party sellers, which would further defer its receipt of taxes (it is presently anticipated that only OTC Jr. will exchange Columbia LP Units in the OP merger having a value of \$5,000,000 or more).

Special Redemption Rights. In addition to the redemption rights described under SSPF/CET Preferred Units, each holder of common or preferred units in SSPF/CET shall have the right, commencing four years from the effectiveness of the merger or within 60 days after the occurrence of a special event, to have such units redeemed for cash at fair market value, in the case of SSPF/CET common units, and liquidation value, in the case of SSPF/CET preferred units. For holders of SSPF/CET common or preferred units having a value of \$5,000,000 or more, such holders may elect to receive property in lieu of cash.

There are also special redemption rights in which the holders of SSPF/CET common units may have such units redeemed for cash at fair market value after the occurrence of a special event, liquidity event or payment trigger date

(see Interests of our Directors, Executive Officers and Other Persons in the Mergers Management's Profits Participation).

Columbia LTIP Units. Columbia LTIP Units issued to each of our executive officers are subject to forfeiture if certain vesting requirements are not satisfied. In addition, Columbia LTIP Units must achieve full parity with Columbia LP Units with respect to liquidating distributions before they may be converted into Columbia LP Units. Pursuant to the terms of the merger agreement, all Columbia LTIP Units will vest and will be treated in the same manner as Columbia LP Units and will be entitled to receive the consideration described above in the OP merger. In accordance with the terms of a voting agreement between Mr. Schissel and SSPF/CET, Mr. Schissel is required to exchange 100% of his Columbia LTIP Units for SSPF/CET common units. In addition, pursuant to his voting agreement, Mr. Schissel will invest \$89,000 in cash in exchange for SSPF common units. Subsequent to the date of

Table of Contents

the merger agreement, each of Messrs. Clifford and Novack agreed to exchange approximately 25% of his Columbia LTIP Units, having a value of \$316,673 in the case of Mr. Clifford, and \$134,577 in the case of Mr. Novack, for SSPF/CET common units at the effective time.

Each of our non-employee directors owns 4,000 Columbia LTIP Units that were fully vested on the date of grant.

Our directors and executive officers and OTC Jr. will be entitled to receive the following amounts (based on the \$19.00 per share cash merger consideration) with respect to Columbia LP Units and Columbia LTIP Units owned by them:

Directors and Executive Officers:	Value of Columbia LP Units	Value of Columbia LTIP Units

New Employment Arrangements for Executive Officers. In connection with the execution of the merger agreement, the Senior Executive Officers entered into binding employment agreements with SSPF/CET which will be effective as of the effective time of the merger. In the event the merger is not consummated, the employment agreements will be terminated.

After completion of the merger, Mr. Carr will serve as President and Chief Executive Officer of SSPF/CET and Mr. Schissel will serve as Executive Vice President, Chief Financial Officer, Secretary and Treasurer of SSPF/CET and each will serve on the five-member Board of Managers of SSPF/CET, the governing body of SSPF/CET which is equivalent to our Board of Directors. The Senior Executive Officers' employment agreements include the following terms:

four-year employment term from the effective time of the merger, which will automatically renew annually upon expiration of the employment term for succeeding one year terms, unless either party gives 60 days' prior written notice of non-renewal;

initial annual base salary of \$280,000 and \$250,000 for Messrs. Carr and Schissel, respectively;

eligibility for an annual performance bonus in a target amount consistent with market compensation levels in the Washington, D.C. metropolitan area, which bonus amount will equal not less than 50% of annual base salary;

signing bonus of \$1,187,500 and \$1,050,000 for Messrs. Carr and Schissel, respectively, payable in two equal installments on the effective date of the employment agreement and the first anniversary of the effective date, regardless of the Senior Executive Officer's employment status on such date;

equity participation in SSPF/CET as set forth in a limited liability company agreement negotiated between SSPF and the Senior Executive Officers and ownership interest in a newly formed management controlled

entity, PI Holder LLC, that will hold a profits participation in a newly formed subsidiary of Merger Sub (described in Management's Profits Participation below). Messrs. Carr and Schissel will receive an equity interest in PI Holder LLC of not less than 15% nor more than 25% and not less than 12% nor more than 20%, respectively;

non-competition, non-solicitation and confidentiality terms similar to those contained in each Senior Executive Officer's current employment agreement with our company, as filed with the SEC as an exhibit to Amendment No. 5 to our Registration Statement on Form S-11 filed on June 28, 2005 (Registration No. 333-122644);

severance benefits in the event the Senior Executive Officer's employment is terminated without cause or the Senior Executive Officer resigns for good reason, as defined in the employment agreements, including accrued unpaid salary and benefits, severance payment of two times base salary (payable in 24 equal monthly installments), a lump sum payment consisting of a pro rata portion of the Senior Executive Officer's maximum bonus, which is the greater of the highest aggregate annual bonus paid to the Senior Executive Officer by SSPF/CET or any predecessor of SSPF/CET for any of the three calendar years prior to the year that includes the termination date or the annual target bonus that the Senior Executive Officer was eligible to receive for the year in which the termination occurs, and continued medical and health insurance benefits for 24 months following the date of termination;

increased severance benefits (in lieu of regular severance benefits) in the event the Senior Executive Officer's employment is terminated on or within 18 months after a liquidity event, including accrued unpaid base salary and benefits, a lump sum payment of 2 1/2 times the sum of the Senior Executive Officer's base salary plus his maximum bonus (as described above), and continued medical and health insurance benefits for 30 months following the date of termination; and

full vesting and exercisability of all of the Senior Executive Officers' options, equity awards or other equity rights in SSPF/CET in the event a liquidity event occurs during the employment period.

A liquidity event means:

the liquidation, dissolution or winding up of SSPF/CET;

the sale or other disposition of all or substantially all of SSPF/CET's assets through a single transaction or series of related transactions pursuant to which SSPF/CET fails to reinvest within 180 days following the transaction more than 50% of the net cash proceeds from the transaction;

a merger, share exchange, recapitalization, reclassification, consolidation or similar transaction involving SSPF/CET; or

the sale or transfer of a majority of the outstanding SSPF/CET common units to one person or a group of persons.

Severance benefits (other than the accrued benefits) are contingent upon the execution of a release.

In the event that a Senior Executive Officer's severance benefits constitute a parachute payment as defined by the Internal Revenue Code, SSPF/CET will pay the Senior Executive Officer an amount in cash equal to the sum of the excise taxes payable by the Senior Executive Officer by reason of receiving a parachute payment, plus the amount necessary to put the Senior Executive Officer in the same after-tax position.

Subsequent to the date of the merger agreement, SSPF/CET entered into employment agreements, effective as of the effective time of the merger, with Messrs. Fisch, Clifford and Novack. After completion of the merger, Mr. Fisch will serve as Senior Vice President of Acquisitions, Mr. Clifford will serve as Senior Vice President of Asset Management and Mr. Novack will serve as Senior Vice President and Chief Accounting Officer. Except as

noted below, the terms of the employment agreements between these executive officers are similar to those described above for Messrs. Carr and Schissel:

one-year employment term from the effective time of the merger, which will automatically renew annually upon expiration of the employment term for succeeding one year terms, unless either party gives 60 days prior written notice of non-renewal;

initial annual base salary of \$175,000, \$175,000 and \$165,000 for Messrs. Fisch, Clifford and Novack, respectively;

eligibility for an annual performance bonus in a target amount consistent with market compensation levels in the Washington, D.C. metropolitan area, which bonus amount will equal not less than 25% of annual base salary;

signing bonus of \$375,000, \$412,500 and \$412,500 for Messrs. Fisch, Clifford and Novack, respectively, payable at the same time and under the same terms as the signing bonus for Messrs. Carr and Schissel;

equity participation in PI Holder LLC equal to 750, 750 and 500 membership units for Messrs. Fisch, Clifford and Novack, respectively;

severance benefits as provided to Messrs. Carr and Schissel, except in the case of Messrs. Fisch, Clifford and Novack, the severance payment equals one times base salary and medical and health insurance benefits are continued for 12 months following the date of termination; and

increased severance benefits (in lieu of regular severance benefits) as provided to Messrs. Carr and Schissel, except in the case of Messrs. Fisch, Clifford and Novack, the lump sum payment is 1 1/2 times the sum of base salary plus maximum bonus and continued medical and health insurance benefits are continued for 18 months following the date of termination

Management's Profits Participation. Pursuant to their employment agreements, an entity controlled by our current management team will be entitled to a profits participation interest in SSPF/CET PI LLC (New Deal LLC), which is the entity that will hold all new investments made by us or the surviving entity after November 5, 2006. We refer to this management-controlled entity as PI Holder LLC in this proxy statement. Pursuant to the limited liability company agreement of New Deal LLC, which will become effective at the closing of the merger, PI Holder LLC will be entitled to distributions and allocations of profits and losses in New Deal LLC in the following manner, which distributions shall not be made until the payment trigger date (as defined below):

until SSPF/CET achieves a 9% internal rate of return, 0% of profits and losses in New Deal LLC will be allocated to PI Holder LLC;

once SSPF/CET achieves a 9% internal rate of return, 25% of profits and losses in New Deal LLC will be allocated to PI Holder LLC until SSPF/CET achieves a 12% internal rate of return; and

35% of profits and losses in New Deal LLC will be allocated to PI Holder LLC after SSPF/CET achieves an internal rate of return of 12% or more;

provided, however, that in the event SSPF/CET fails to achieve an 8% internal rate of return on our existing core portfolio as of the payment trigger date, PI Holder LLC will forfeit an amount necessary to result in an 8% internal rate of return for SSPF/CET, but by not more than 25% of the amount otherwise allocable to PI Holder LLC as set

forth above.

The value of the profits interest will be based on the fair market value of New Deal LLC's portfolio investments and other assets on the earlier of the valuation date or a New Deal LLC liquidity event. Initially, for purposes of calculating the internal rate of return of SSPF/CET, 75% of our annual general and administrative expense will be allocated to our existing core portfolio. The percentage of general and administrative expense allocated between SSPF/CET and New Deal LLC may be shifted every 12 months and will be allocated on a pro rata basis based on the net rentable square footage of the buildings comprising the portfolios of each of SSPF/CET and New Deal LLC. Closing costs related to the merger will be excluded when calculating the internal rate of return of SSPF/CET. As defined in the limited liability company agreement of New Deal LLC, "valuation date" means the date on which

Table of Contents

SSPF/CET values the portfolio investments and other assets of New Deal LLC for the purpose of determining the profits interest, which date will be the earlier of (i) the date of consummation of a liquidity event or (ii) a date chosen by the PI Holder LLC that is not earlier than September 30, 2010 nor later than 48 months after the effective date of the merger. A New Deal LLC liquidity event means (a) the liquidation or dissolution of New Deal LLC, (b) the sale or other disposition of all or substantially all the New Deal LLC assets if New Deal LLC fails to reinvest more than 50% of the net cash proceeds from such sale within 180 days, (c) the merger, recapitalization, consolidation or similar event or (d) the sale or transfer of a majority of the interests in New Deal LLC to one person or a group of persons.

The profits interest will be paid to PI Holder LLC on the payment trigger date, which is defined as the earliest to occur of:

the fourth anniversary of the effective date of the merger;

a New Deal LLC liquidity event; or

at PI Holder LLC's option, any of the following special events:

SSPF's net asset value falls below \$1.25 billion;

SSPF changes its investment focus from a value-added strategy to a lower risk strategy; or

SSPF fails to make at least \$80 million of additional capital contributions towards the acquisition of properties by New Deal LLC within two years of the effective date of the merger.

PI Holder LLC will award 10,000 membership units. Pursuant to their employment agreements, each of Messrs. Carr and Schissel will receive an equity interest in PI Holder LLC that is not less than 15% nor more than 25% and not less than 12% nor more than 20%, respectively. Pursuant to employment agreements entered into subsequent to the date of the merger agreement, Messrs. Fisch, Clifford and Novack, will receive equity interests of 750, 750 and 500 membership units, respectively, in PI Holder LLC. In addition, certain current employees of our company will, and certain future employees of SSPF/CET may, receive an equity interest in PI Holder LLC at and after the effective time of the merger. We refer to these employees, together with the Senior Executive Officers, as the SSPF/CET employees. All equity interests in PI Holder LLC will be subject to vesting restrictions until the payment date, as follows:

for Messrs. Carr and Schissel;

75% of their equity interest in PI Holder LLC will vest on the 3rd anniversary date of the effective time of the merger; and

the remaining 25% of their equity interest in PI Holder LLC will vest on the 4th anniversary of the effective time of the merger; and

for all other SSPF/CET employees;

40% of their equity interest in PI Holder LLC will vest on the 2nd anniversary date of the effective time of the merger;

an additional 35% of their equity interest in PI Holder LLC will vest on the 3rd anniversary date of the effective time of the merger; and

the remaining 25% of their equity interest in PI Holder LLC will vest on the 4th anniversary date of the effective time of the merger.

The equity interest is subject to accelerated vesting in the event of the SSPF/CET employee's death or disability, termination of employment on account of disability or by SSPF/CET without cause (as defined in the SSPF/CET employee's employment agreement), resignation by the SSPF/CET employee for good reason (as defined in the SSPF/CET employee's employment agreement) or the occurrence of a liquidity event or a special event. All equity interests, whether or not vested, will be forfeited in the event of the SSPF/CET employee's termination for cause.

Indemnification and Insurance. The merger agreement provides that we, and following the merger, the surviving entity, will indemnify and hold harmless any person who is a director or executive officer of our company or any of our subsidiaries to the same extent as currently provided in our charter and bylaws. The merger agreement further provides that the surviving entity will maintain the current policies of directors and officers liability insurance maintained by us or our subsidiaries for a period of six years following the closing of the merger. For a more complete discussion of these provisions of the merger agreement, see the section captioned The Merger Agreement Indemnification; Director and Officer Insurance on page 47 of this proxy statement.

Independent Committee Compensation. Each independent director received regular per meeting fees of \$1,000 for each Board or Committee meeting attended in person and \$500 for each Board or Committee meeting attended by telephone in connection with considering the merger and related transactions. Such compensation was payable based on the number of meetings and was not conditioned upon the completion of any transaction, including the merger.

THE MERGER AGREEMENT

The following is a summary of selected material provisions of the merger agreement. This summary is qualified in its entirety by reference to the complete text of the merger agreement, which is incorporated by reference in its entirety and attached to this proxy statement as Exhibit A. We urge you to read carefully the merger agreement in its entirety.

The merger agreement has been attached to this proxy statement to provide you with information regarding its terms. It is not intended to provide any other factual information about Columbia Equity Trust, Inc. or the other parties to the merger agreement. Information about our company can be found elsewhere in this proxy statement and in the other public filings we make with the SEC, which are available without charge at <http://www.sec.gov>. Information contained on our website is not incorporated in or made a part of this proxy statement.

The merger agreement contains representations and warranties made by and to the parties to the merger agreement as of specific dates. The statements embodied in those representations and warranties were made solely for purposes of the contract between SSPF/CET and us and may be subject to important qualifications and limitations agreed to by SSPF/CET and us in connection with negotiating its terms. In addition, certain representations and warranties are subject to contractual standards of materiality that may be different from what may be viewed as material to stockholders. The representations and warranties may have been used for the purpose of allocating risk between the parties rather than establishing matters as facts. For the foregoing reasons, you should not rely on the representations and warranties as statements of factual information.

The Merger

If the merger is approved by our stockholders and all other conditions to the merger are satisfied or waived, we will be merged with and into Merger Sub, a direct and wholly-owned subsidiary of SSPF/CET, with Merger Sub continuing as the surviving entity following the merger. Concurrently with the merger, OP Merger Sub will merge with and into Columbia OP, with Columbia OP continuing as the surviving partnership following the OP merger.

The closing date of the merger will be no later than the second business day after all the closing conditions set forth in the merger agreement are satisfied or waived by our company, Columbia OP, SSPF/CET, Merger Sub or OP Merger Sub, as applicable. The merger will become effective when the articles of merger have been accepted by the State Department of Assessments and Taxation of the State of Maryland in accordance with Maryland law and the merger certificate has been filed with the Delaware Secretary of State in accordance with Delaware law, or such later time as the parties to the merger agreement may agree and designate in the articles of merger or merger certificate. The OP merger will become effective when the merger certificate has been filed with the State Corporation Commission of

Virginia, or such later time as the parties to the merger agreement may agree and designate in the merger certificate.

We and SSPF/CET are working to complete the merger as quickly as possible. Because completion of the merger is subject to certain conditions that are beyond the control of SSPF/CET and us, we cannot predict the exact

timing of the closing. At this time, we expect that the merger will close during the first quarter of 2007 if, at the special meeting of our stockholders, our stockholders approve the merger.

The Surviving Entity

The limited liability company agreement of Merger Sub and limited partnership agreement of Columbia OP, each as in effect immediately prior to the effective time of the mergers, will be the limited liability company agreement of the surviving entity and limited partnership agreement of the surviving partnership following the mergers. Upon completion of the OP merger, Merger Sub will be the general partner of the surviving partnership.

Merger Consideration to be Received by Holders of Our Common Stock

Each share of our common stock (other than shares owned by us or our subsidiaries or SSPF/CET, Merger Sub or any of their subsidiaries) issued and outstanding immediately prior to the effective time will be converted into the right to receive \$19.00 in cash, without interest. In the event that, after November 5, 2006 but prior to the effective time of the merger, the number or kind of common shares issued and outstanding changes due to a stock dividend, stock or unit split, reclassification, recapitalization, share or unit exchange or similar transaction, an appropriate adjustment to the merger consideration will be made. However, such transactions are prohibited by the merger agreement without the written consent of SSPF/CET.

Payment Procedures

SSPF/CET will deposit cash with a paying agent in the amount of the aggregate merger consideration payable to holders of our common stock and those holders of Columbia LP Units that elect to receive cash as consideration in the OP merger. A letter of transmittal will be sent to each of our stockholders within five business days after the closing of the merger that will include instructions on how our stockholders may exchange their shares for the cash consideration they will receive in the merger. The paying agent will pay our former stockholders, upon receiving the surrender of a stockholder's stock certificate, if applicable, and upon delivery of a properly completed letter of transmittal, the merger consideration they are entitled to receive, net of any applicable withholding tax. No interest will be paid or accrue on any cash payable upon surrender of any stock certificate.

The paying agent will also pay those holders of Columbia LP Units that elect to receive \$19.00 in cash per unit. The surviving partnership will arrange for the issuance of the OP merger equity consideration to those holders of Columbia LP Units that elect to receive the OP merger equity consideration.

Available Funds

SSPF/CET has represented to us in the merger agreement that it will have, on the closing date, cash sufficient to pay the merger consideration and the OP merger consideration and to satisfy the obligations of SSPF/CET, Merger Sub and OP Merger Sub in connection with the mergers and any other transaction contemplated by the merger agreement and any and all fees and expenses in connection with the mergers.

Interim Acquisitions of Property

Concurrently with entering into the merger agreement, we and SSPF/CET entered into an interim acquisition agreement which provides that if between the period commencing November 5, 2006 and ending on the first to occur of the closing of the merger or the termination of the merger agreement, we identify any real property (or interests therein) that we desire to acquire and SSPF/CET consents to such acquisition but we determine that we do not have sufficient internal funding capacity to fund such acquisition, then (a) an affiliate of SSPF/CET will acquire such property and (b) such affiliate will grant to us the option to acquire such property if the merger agreement is terminated. Such option must be exercised within 30 days of the termination date. The price at which we can acquire the property shall be the total actual costs incurred by SSPF/CET in acquiring the property plus an internal rate of return equal to the projected internal rate of return determined by us and agreed to by SSPF/CET.

Pre-Closing Dividend

We are authorized under the merger agreement to declare and pay regular quarterly cash dividends with respect to our common stock in an amount equal to the greater of up to \$0.15 per share or that amount required for us to maintain our status as a REIT and for us not to be required to pay federal income taxes with respect to our earnings prior to the closing of the merger. We are also authorized to declare and pay a special pre-closing dividend that will represent the pro rata portion of a regular quarterly dividend for any partial quarter from the most recent dividend record date prior to the merger to the effective time of the merger.

No Solicitation

The merger agreement prevents us, our subsidiaries and our respective representatives, prior to the closing of the merger, from:

initiating, soliciting or encouraging any inquiries or the making of any proposal or offer that would constitute, or could reasonably be expected to lead to, any acquisition proposal;

engaging or participating in any discussions or negotiations regarding, or providing any non-public information or data to any person or entity relating to, any acquisition proposal; or

otherwise knowingly facilitating any effort or attempt to make an acquisition proposal.

For these purposes, an acquisition proposal means any proposal or offer in one transaction or a series of transactions (i) directly or indirectly with respect to a merger, joint venture, partnership, consolidation, dissolution, liquidation, tender offer, recapitalization, reorganization, share exchange, business combination or similar transaction involving us, Columbia OP or any of our significant subsidiaries and (ii) to acquire in any manner, directly or indirectly, 20% or more of the total voting power of any class of equity securities of our company or those of any of our subsidiaries, or 20% or more of our consolidated total assets (including, without limitation, equity securities of our subsidiaries), in each case other than the transactions contemplated by the merger agreement.

Prior to stockholder approval, in response to a bona fide, unsolicited, written acquisition proposal from a third party, we may (i) provide information in response to a request related to that acquisition proposal, but only if the person so requesting the information executes a confidentiality and standstill agreement on terms not less restrictive than those terms contained in our confidentiality agreement with JPMAM, (ii) engage or participate in any discussions or negotiations with the interested party; provided, however, we may not grant exclusive rights to negotiate with any

person, or (iii) after complying with the change in recommendation provision described below, approve, recommend or otherwise declare advisable or propose to approve, recommend or otherwise declare advisable an acquisition proposal, if and only to the extent that:

prior to taking any of the actions described in clauses (i) (iii) immediately above, our Board of Directors determines in good faith after consulting outside legal counsel that failure to take such action, in light of the acquisition proposal and the terms of the merger agreement, would reasonably be likely to be inconsistent with the directors' duties under applicable law;

with respect to the actions described in clauses (i) and (ii) immediately above, our Board of Directors determines in good faith based on the information then available and after consulting its financial advisor

Table of Contents

that the acquisition proposal constitutes or could reasonably be expected to constitute a superior proposal; and with respect to the actions described in clause (iii) immediately above, our Board of Directors determines in good faith, after consulting its financial advisor and legal counsel, that the acquisition proposal is a superior proposal.

The merger agreement provides that the Board will recommend to our stockholders approval of the merger; *provided, however*, that our Board of Directors may, prior to obtaining stockholder approval of the merger, withhold, withdraw, qualify or modify its recommendation for the merger or approve, recommend or otherwise declare advisable any superior proposal, if our Board of Directors determines in good faith, after consultation with outside counsel, that failure to do so would be reasonably likely to be inconsistent with the directors' duties under applicable law. We refer to this change in this proxy statement as a change in recommendation.

We are required by the merger agreement to promptly, and in any event within 48 hours, notify SSPF/CET after we receive: (a) any acquisition proposal; (b) the identity of the third party making the acquisition proposal; (c) any request for information with respect to any acquisition proposal; and (d) the material terms and conditions of any acquisition proposal, inquiry or request for discussions, negotiations or information regarding any acquisition proposal and to keep SSPF/CET reasonably informed of the status and material terms of any acquisition proposal.

If, prior to obtaining the approval of the merger by our stockholders, our Board of Directors intends to approve and authorize our entry into a definitive agreement providing for the implementation of a superior proposal, which we refer to in this proxy statement as a competing agreement, then at least five days prior to executing the competing agreement, we will provide written notice to SSPF/CET that we intend to enter into the competing agreement and will provide SSPF/CET with the most current version of such competing agreement. In addition, during the five day period following SSPF/CET's receipt of written notice, we must offer to negotiate with and, if accepted, cause our financial and legal advisors to negotiate in good faith with SSPF/CET to make adjustments to the terms and conditions of the merger agreement and the terms of the merger. If, following the completion of such five day period, our Board of Directors determines in good faith, after considering the results of the negotiations and the revised proposal made by SSPF/CET, that the superior proposal giving rise to the five-day notice continues to be a superior proposal, our Board of Directors may approve, recommend or otherwise declare advisable the superior proposal and may terminate the merger agreement (subject to payment of the termination payment and merger expenses described further below).

The merger agreement defines a superior proposal as a bona fide acquisition proposal that was not solicited by us, Columbia OP or any of our representatives (except as permitted by the merger agreement) after the date of the merger agreement, involving more than 50% of the assets (on a consolidated basis) or voting power of the equity securities of our company or Columbia OP and that our Board of Directors has determined in its good faith judgment, taking into account the transaction in its entirety (including, among other things, terms and conditions of the proposal, break-up fees, expense reimbursements, conditions to closing, legal, financial and regulatory aspects of the proposal and the person making the proposal), that if consummated, would result in a transaction more favorable to our stockholders than the merger from a financial point of view.

Employee Benefits

Each of our employees as of the effective time of the merger will continue to be employees of the surviving entity. For a period of not less than 18 months following the merger closing date, SSPF/CET has agreed that it will cause the surviving entity to provide all employees employed by us as of the effective time of the merger and who continue to be employed by the surviving entity or its successors or assigns or any of their subsidiaries with compensation and benefits (including salary, bonus, severance benefits, but excluding any equity-based awards) in amounts that are no less favorable in the aggregate as those provided under our benefit plans in effect immediately prior to the effective

time of the merger. In addition, SSPF/CET has agreed to waive pre-existing condition exclusions, waiting periods and certain other requirements, to provide credit for co-payments and deductibles paid and generally to recognize prior service with us for purposes of SSPF/CET benefit plans (other than for purposes of benefit accrual under defined benefit pension plans).

Conditions to the Merger

The merger will be completed only if the conditions specified in the merger agreement are either satisfied or waived. Some of the conditions are mutual, meaning that if the condition is not satisfied, none of the parties would be obligated to close the merger. Those conditions that are not mutual are in favor of either SSPF/CET, Merger Sub and OP Merger Sub, on the one hand, or our company and Columbia OP, on the other hand, meaning that if the condition is not satisfied that party could waive the condition, to the extent legally permissible, and the other party would remain obligated to close.

The mutual conditions for completion of the merger are:

approval of the merger by our stockholders;

consummation of the OP merger; and

absence of any action by any governmental authority in the United States that would make the mergers illegal or otherwise restrict, prevent or prohibit consummation of the mergers.

Our obligation and that of Columbia OP to effect the merger is subject to the satisfaction or waiver of various conditions that include the following:

the representations and warranties of SSPF/CET, Merger Sub and OP Merger Sub being true and correct in all material respects as of the date of the merger agreement and as of the closing date of the merger (except to the extent the representation or warranty is expressly limited by its terms to another date), without giving effect to any materiality or material adverse effect qualifier;

each of SSPF/CET, Merger Sub and OP Merger Sub having performed in all material respects all obligations or complied with, in all material respects, all agreements and covenants required to be performed by it under the merger agreement at or prior to the closing time of the merger; and

SSPF/CET, Merger Sub and OP Merger Sub delivering executed certificates by its officers as to the satisfaction of these conditions.

SSPF/CET's, Merger Sub's and OP Merger Sub's obligation to effect the merger is subject to the satisfaction or waiver of various conditions that include the following:

the representations and warranties of our company and Columbia OP being true and correct in all material respects as of the date of the merger agreement and as of the closing date of the merger (except to the extent the representation or warranty is expressly limited by its terms to another date), except where the failure to be true and correct (without giving effect to any materiality or material adverse effect qualifier) would not, in the aggregate, reasonably be expected to have a material adverse effect;

each of our company and Columbia OP having performed in all material respects all obligations or complied with, in all material respects, all agreements and covenants required to be performed by it under the merger agreement at or prior to the closing time of the merger;

delivery by us of executed officer certificates as to the satisfaction of these conditions;

the delivery of a tax opinion addressed to us from our legal counsel to the effect that (i) we qualified as a REIT under the Internal Revenue Code for the taxable years ended December 31, 2005 and 2006 and (ii) our organization and current and proposed method of operation will enable us to continue to meet the requirements for qualification as a REIT for our taxable year ending as of the merger effective time;

the continued effectiveness of the employment agreements between SSPF/CET and each of Messrs. Carr and Schissel; and

the absence since November 5, 2006 of a material adverse effect to our company.

Certain of the above conditions, such as the requirement for stockholder approval, cannot be waived under applicable law. We, Columbia OP, SSPF/CET, Merger Sub and OP Merger Sub reserve the right to waive other conditions to the merger. We cannot be certain when (or if) the conditions to the merger will be satisfied or waived or

Table of Contents

that the merger will be completed. We expect to complete the merger as promptly as practicable after all the conditions have been satisfied or waived.

Definition of Material Adverse Effect

Under the merger agreement, material adverse effect, as it applies to our company, means any event, circumstance, change or effect that individually or in the aggregate (i) is materially adverse to the business, properties, liabilities, financial condition or results of operations of our company and its subsidiaries, taken as a whole, or (ii) prevents the ability of our company to consummate the merger; *provided, however*, that none of the following shall be deemed to constitute or be taken into account in determining a material adverse effect :

any decrease in the market price of our common stock (but not any event, circumstance, change or effect underlying the decrease to the extent that the event, circumstance, change or effect would otherwise constitute a material adverse effect);

any changes in the United States or global economy or capital, financial or securities markets generally, including changes in interest or exchange rates;

the commencement or escalation of a war or armed hostilities;

the occurrence of acts of terrorism or sabotage, except to the extent disproportionately adversely affecting us as compared to other similarly situated companies which own commercial office properties in the greater Washington, D.C. metropolitan market;

any changes in general economic, legal, regulatory or political conditions in the geographic regions in which we and our subsidiaries operate;

any events, circumstances, changes or effects arising from the consummation or anticipation of the mergers or the announcement of the execution of the merger agreement;

any events, circumstances, changes or effects arising from the compliance with the terms of, or the taking of any action required by, the merger agreement;

earthquakes, hurricanes or other natural disasters, except to the extent disproportionately adversely affecting us as compared to other similarly situated companies which own commercial office properties in the greater Washington, D.C. metropolitan market;

changes in law or accounting principles generally accepted in the United States;

failure by us to complete the acquisition of any properties or assets currently under contract or letter of intent;

a failure by our company to report earnings or revenue results in any quarter ending on or after the date of the merger agreement consistent with our historic earnings or revenue results in any previous fiscal quarter or published guidance with respect thereto (but not any event, circumstance, change or effect underlying such failure to the extent that such event, circumstance, change and or effect would otherwise constitute a material adverse effect); or

any events, circumstances, changes or effects disclosed in the merger agreement or our disclosure letter.

Termination

The merger agreement may be terminated prior to the merger effective time:

by mutual written consent of SSPF/CET and us;

by either SSPF/CET or us, if:

our stockholders do not approve the merger;

any governmental authority takes any action that is final and non-appealable that permanently restrains, enjoins or otherwise prohibits the consummation of the merger or OP merger, provided that the

Table of Contents

terminating party uses reasonable best efforts to have the action vacated or made inapplicable to the merger or OP merger; or

the merger is not completed on or before August 5, 2007, provided that the failure to complete the merger by this date is not the result of any action or inaction under the merger agreement by the terminating party;

by SSPF/CET, if:

prior to the special meeting of our stockholders to approve the merger, our Board of Directors makes or resolves to make a change in recommendation of the merger, but only if SSPF/CET terminates the merger agreement prior to the special meeting;

we do not hold or call the special meeting of our stockholders;

we materially breach any of our obligations under the no solicitation provisions of the merger agreement;

our Board of Directors approves, endorses or recommends, or enters into a definitive agreement relating to, an acquisition proposal; or

we breach any representation or warranty or fail to perform any covenant or agreement contained in the merger agreement that prevents satisfaction of the conditions to SSPF/CET's obligation to close the mergers, and the breach or failure is incapable of being cured by August 5, 2007 or, if capable of being cured by August 5, 2007, we have not commenced to cure the breach or failure within 5 business days of receiving written notice of the breach or failure from SSPF/CET; *provided, however*, that SSPF/CET is not then also in material breach of its representations, warranties, covenants or agreements.

by us, if:

SSPF/CET breaches any of its representations or warranties or fails to perform any of its covenants or agreements contained in the merger agreement that prevents satisfaction of the conditions to our obligation to close the merger, and the breach or failure is incapable of being cured by August 5, 2007 or, if capable of being cured by August 5, 2007, SSPF/CET has not commenced to cure the breach or failure within 5 business days of receiving written notice of the breach or failure from us; *provided, however*, that we are not then also in material breach of our representations, warranties, covenants or agreements; or

prior to approval of the merger by our stockholders, our Board of Directors has approved and authorized us to enter into a definitive agreement with respect to a superior proposal, but only if (i) we have not materially breached any of our obligations under the no solicitation provisions of the merger agreement, (ii) our Board of Directors has determined in good faith, after consultation with our financial advisor, that the definitive agreement constitutes a superior proposal and has determined in good faith, after consultation with our outside legal counsel, that failure to enter into the competing agreement would be reasonably likely to be inconsistent with the directors' duties under applicable law, (iii) we have provided SSPF/CET written notice of our intention to enter the competing agreement, (iv) we have complied with the requirements for approving a superior proposal as discussed above under the caption "No Solicitation" and (v) concurrently with such termination, we have paid SSPF/CET the termination payment and up to \$750,000 of its merger expenses.

Termination Payment and Expenses

The merger agreement provides that we are obligated to pay SSPF/CET an amount equal to \$4.0 million as a termination payment and up to \$750,000 of SSPF/CET's merger expenses if the merger agreement is terminated:

by SSPF/CET, if:

our Board of Directors makes a change in recommendation and SSPF/CET terminates the merger agreement prior to the special meeting of our stockholders to approve the merger;

we do not hold or call the special meeting of our stockholders;

Table of Contents

we materially breach any of our obligations under the no solicitation provisions of the merger agreement;

our Board of Directors approves, endorses or recommends, or enters into a definitive agreement relating to, an acquisition proposal; or

(i) we breach or fail to perform the no solicitation or proxy statement covenants contained in the merger agreement, where such failure prevents satisfaction of the conditions to SSPF/CET's obligation to close the merger, (ii) we receive an acquisition proposal (or it is publicly announced) prior to the date on which the merger agreement is terminated, and (iii) concurrently with the termination of the merger agreement or within nine months thereafter, we enter into a contract with respect to, or consummate an acquisition proposal, whether or not it is an acquisition proposal that was made prior to the termination date;

by either us or SSPF/CET, if (i) our stockholders do not approve the merger or the merger is not completed on or before August 5, 2007, provided that the failure to complete the merger by this date is not the result of any action or inaction under the merger agreement by the terminating party, (ii) we receive an acquisition proposal (or it is publicly announced) prior to the date on which the merger agreement is terminated and (iii) concurrently with the termination of the merger agreement or within nine months thereafter, we enter into a contract with respect to, or consummate an acquisition proposal, whether or not it is an acquisition proposal that was made prior to the termination date;

by us, if our Board of Directors has approved and authorized us to enter into a definitive agreement with respect to a superior proposal.

We will pay up to \$750,000 of SSPF/CET's merger expenses in the event SSPF/CET terminates the merger agreement as a result of our breaching any representation or warranty or failing to perform any covenant or agreement contained in the merger agreement and as described above. In all other circumstances, the parties are responsible for paying their own fees, costs and expenses, other than expenses related to the printing, filing and mailing of this proxy statement (and any amendments or supplements thereto) and all SEC and other regulatory filing fees, if any, incurred in connection with this proxy statement, which will be split evenly between SSPF/CET and us.

Amendment of the Merger Agreement

The parties may amend the merger agreement, but after our stockholders have approved the merger agreement, no such amendment will be made which (i) reduces the merger consideration or (ii) by law requires further approval by our stockholders without obtaining such approval.

Indemnification; Director and Officer Insurance

SSPF/CET, the surviving entity and the surviving partnership will provide exculpation and indemnification to the fullest extent authorized or permitted by applicable law for each person who as of the date of the merger agreement or during the period from the date of the merger agreement through the closing date of the merger, served as an executive officer or director of our company or any of our subsidiaries (referred to in this proxy statement as the indemnified parties). The indemnification and advancement obligations of SSPF/CET, the surviving entity and the surviving partnership pursuant to the merger agreement will extend to acts or omissions occurring at or before the closing time and any claim relating thereto. In addition, SSPF/CET, the surviving entity and the surviving partnership also agreed to promptly pay on behalf of, or advance to, each of the indemnified parties, to the fullest extent authorized or permitted by applicable law, any expenses incurred in defending, serving as a witness with respect to or otherwise participating in any claim in advance of the final disposition of such claim.

The merger agreement provides that all rights to indemnification existing in favor of, and all limitation of personal liability of, the present and former directors, officers, employees, fiduciaries or agents of our company and our subsidiaries provided for in our and our subsidiaries organizational and corporate governance documents in effect on November 5, 2006 will continue in full force and effect for a period of six (6) years from the closing date of the merger. The merger agreement also requires that SSPF/CET maintain in effect, for a period of at least six years after the effective time of the merger, our current directors and officers liability policies; provided, however, that the surviving entity may instead substitute policies of at least the same amounts and containing other terms and

Table of Contents

conditions which are, in the aggregate, not materially less advantageous to the insured persons. This requirement is subject to a maximum cost per year of coverage of 300% of the annual premiums we paid for such insurance prior to the date we signed the merger agreement. If the cost per year of insurance coverage exceeds such maximum amount, the surviving entity must obtain as much comparable insurance as possible for an annual premium equal to 300% of the annual premiums we paid prior to the date we signed the merger agreement.

The obligations described above regarding directors and officers indemnification and directors and officers insurance must be assumed by any successor entity to the surviving entity.

Specific Performance; Guarantee

Prior to the termination of the merger agreement, in the event any provision of the merger agreement is not performed by the parties in accordance with its terms, both SSPF and we are entitled to seek an injunction or injunctions to prevent a breach of the merger agreement and maintain the right to seek specific performance of the obligations of each of the parties under the merger agreement. In connection with the execution of the merger agreement, SSPF executed a guarantee in our favor whereby SSPF has guaranteed all of the obligations of SSPF/CET, Merger Sub and OP Merger Sub.

MATERIAL UNITED STATES FEDERAL INCOME TAX CONSEQUENCES

The following is a summary of the material United States federal income tax consequences of the merger to holders of our common stock whose shares are surrendered in the merger in exchange for the right to receive the merger consideration. This summary is based on current law and is for general information only. This summary is based on the Internal Revenue Code of 1986, as amended (the Code), applicable Treasury Regulations, and administrative and judicial interpretations thereof, each as in effect as of the date hereof, all of which are subject to change, possibly with retroactive effect. We have not requested, and do not plan to request, any rulings from the Internal Revenue Service (the IRS) concerning the tax treatment of the merger, and the statements in this proxy statement are not binding on the IRS or any court. We can provide no assurance that the tax consequences contained in this discussion will not be challenged by the IRS, or if challenged, will be sustained by a court.

This summary assumes that our common stock is held as a capital asset within the meaning of Section 1221 of the Code and does not address all aspects of taxation that may be relevant to particular holders in light of their personal investment or tax circumstances or to persons that are subject to special tax rules. In addition, this summary does not address the tax treatment of special classes of holders of our common stock, including, for example:

banks and other financial institutions;

insurance companies;

tax-exempt entities;

real estate investment trusts;

mutual funds;

subchapter S corporations;

dealers in securities or currencies;

traders in securities that elect to use a mark-to-market method of accounting for their securities holdings;

persons whose functional currency is not the United States dollar;

persons holding shares of our common stock as part of a hedging or conversion transaction or as part of a straddle or a constructive sale;

U.S. expatriates;

persons subject to the alternative minimum tax;

Table of Contents

holders who acquired our common stock through the exercise of employee stock options or warrants or otherwise as compensation;

holders that are properly classified as a partnership or otherwise as a pass-through entity under the Code; and

non-U.S. holders, as defined below, except to the extent discussed below.

This summary also does not discuss any state, local, foreign or other tax considerations.

If any entity that is treated as a partnership for United States federal tax purposes holds shares of our common stock, the tax treatment of its partners or members generally will depend upon the status of the partner or member and the activities of the entity. If you are a partner of a partnership or a member of a limited liability company or other entity classified as a partnership for United States federal tax purposes and that entity holds shares of our common stock, you should consult your tax advisor.

For purposes of this section, a U.S. holder means a beneficial owner of shares of our common stock that is for United States federal income tax purposes one of the following:

a citizen or resident of the United States;

a corporation or other entity treated as a corporation for United States federal income tax purposes created or organized in or under the laws of the United States, any state thereof, or the District of Columbia;

a trust (A) the administration of which is subject to the primary supervision of a United States court, if one or more United States persons have the authority to control all substantial decisions of the trust, or (B) that was in existence on August 20, 1996, was treated as a United States person on the previous day, and elected to continue to be so treated; or

an estate the income of which is subject to United States federal income taxation regardless of its source.

As used in this section, a non-U.S. holder means a beneficial owner of shares of our common stock that is an individual, corporation, estate or trust that is not a U.S. holder as described in the bullets above.

Consequences of the Merger to Us

For United States federal income tax purposes, we will treat the merger as if we had sold all of our assets to SSPF/CET in exchange for the merger consideration and then made a liquidating distribution of the merger consideration to our stockholders in exchange for shares of our stock.

Consequences of the Merger to U.S. Holders of Our Common Stock

The receipt of cash by U.S. holders in exchange for shares of our common stock pursuant to the merger will be a taxable transaction for United States federal income tax purposes. In general, a U.S. holder of our common stock will recognize gain or loss for United States federal income tax purposes equal to the difference between:

the amount of cash received in exchange for its common stock; and

the U.S. holder's adjusted tax basis in its common stock.

Gain or loss will be calculated separately for each block of shares, with a block consisting of shares acquired at the same cost in a single transaction. Assuming that the shares constitute capital assets in the hands of the U.S. holder, gain or loss will be capital gain or loss and will be long-term capital gain or loss if at the time of the merger the shares have been held for more than one year. A U.S. holder taxed at individual rates will be subject to tax on net long-term capital gain at a maximum federal income tax rate of 15%. Capital gains of corporate U.S. holders generally are taxable at the regular tax rates applicable to corporations. The deductibility of a capital loss recognized in the exchange is subject to limitations under the Code. A U.S. holder who has held our common stock for six months or less at the time of the merger and who recognizes a loss on the exchange of our common stock in the merger will be treated as recognizing a long-term capital loss to the extent of any capital gain dividends received from us, plus such holder's share of any designated retained capital gains, with respect to such shares of common stock.

Table of Contents

The IRS has the authority to prescribe, but has not yet prescribed, regulations that would apply a tax rate of 25% to a portion of capital gain realized by a noncorporate shareholder on the sale of REIT shares that would correspond to the REIT's unrecaptured Section 1250 gain. The maximum tax rate on long-term capital gain from the sale or exchange of section 1250 property, or depreciable real property, is 25% computed on the lesser of the total amount of the gain or the accumulated Section 1250 depreciation.

Consequences of the Merger to Non-U.S. Holders of Our Common Stock

Generally, a non-U.S. holder's gain or loss from the merger will be determined in the same manner as that of a U.S. holder. The United States federal income tax consequences of the merger to a non-U.S. holder will depend on various factors, including whether the receipt of the merger consideration is taxed under the provisions of the Foreign Investment in Real Property Tax Act of 1980, or FIRPTA, governing sales of REIT shares or whether the receipt of the merger consideration is taxed under the provisions of FIRPTA governing distributions from REITs. Current law is unclear as to which provisions should apply, and both sets of provisions are discussed below.

Distribution of Gain from the Disposition of U.S. Real Property Interests. It is likely that the merger consideration received by a non-U.S. holder will be subject to tax under Section 897(h)(1) of the Code as a distribution from us that is attributable to gain from the deemed sale of our U.S. real estate assets in the merger and not as a sale of shares of our common stock. If that characterization were respected, then such distribution would be taxed under FIRPTA, unless a special exception applies (the 5% Exception, discussed below). If the distribution were taxed under FIRPTA, the gain recognized by a non-U.S. holder generally would be subject to United States federal income tax (in the same manner as a U.S. holder) to the extent attributable to gain from the sale of our real estate assets. The 5% Exception would apply to a non-U.S. holder of our shares if the non-U.S. holder does not own more than 5% of our common stock at any time during the one-year period ending on the date of the merger. If the 5% Exception were to apply to a non-U.S. Holder, the FIRPTA tax would not apply, but we would be required to withhold 10% of the value of the merger consideration paid to the non-U.S. holder, as described below.

Taxable Sale of Shares. It is possible that the receipt of the merger consideration will be treated as a sale of shares of our common stock for purposes of FIRPTA. Subject to the discussion of U.S. real property interests below, if the merger is treated as a taxable sale of shares of our common stock, a non-U.S. holder should not be subject to United States federal income tax on any gain or loss from the merger unless: (i) the gain is effectively connected with the non-U.S. holder's conduct of a trade or business in the United States and, if an applicable income tax treaty applies, the gain is attributable to a permanent establishment or fixed base maintained by the non-U.S. holder in the United States; (ii) the non-U.S. holder is an individual present in the United States for 183 days or more in the taxable year of the merger and certain other requirements are met; or (iii) such shares of common stock constitute a United States real property interest under FIRPTA.

A non-U.S. holder whose gain is effectively connected with the conduct of a trade or business in the United States generally will be subject to United States federal income tax on such gain on a net basis in the same manner as a U.S. holder. In addition, a non-U.S. holder that is a corporation may be subject to the 30% branch profits tax on such effectively connected gain.

A non-U.S. holder who is an individual present in the United States for 183 days or more in the taxable year of the merger and who meets certain other requirements will be subject to a flat 30% tax on the gain derived from the merger, which may be offset by United States source capital losses.

If a non-U.S. holder's shares of our common stock constitute a United States real property interest under FIRPTA, such holder will be subject to United States federal income tax on the gain recognized in the merger on a net basis in the same manner as a U.S. holder. A non-U.S. holder's shares of our common stock generally will not constitute a

U.S. real property interest if (i) we are a domestically controlled qualified investment entity at the time of the merger, or (ii) the non-U.S. holder owns (actually or constructively under the attribution rules provided in Section 897(c)(6)(C) of the Code) 5% or less of the total fair market value of our common stock at all times during the five-year period ending with the effective date of the merger. A qualified investment entity includes a REIT. Assuming we qualify as a REIT, we will be a domestically controlled qualified investment entity at the time of the merger if non-U.S. holders held directly or indirectly less than 50% in value of our stock at all times during the

Table of Contents

preceding five years. No assurances can be given that the actual ownership of our stock has been or will be sufficient for us to qualify as a domestically controlled qualified investment entity at the time of the merger.

U.S. Withholding Tax Under FIRPTA. As described above, it is unclear whether the receipt of the merger consideration will be treated as a distribution from us that is attributable to gain from the deemed sale of our U.S. real estate assets in the merger or as a sale of shares of our common stock. Accordingly, we intend to withhold U.S. federal income tax at a rate of 35% from the portion of the merger consideration that is, or is treated as, attributable to gain from the sale of U.S. real property interests and paid to a non-U.S. holder unless such holder qualifies for the 5% Exception, in which case we intend to withhold 10% of merger consideration paid to the non-U.S. holder. Non-U.S. Holders should note that the sale of our common stock prior to the time of the merger may not be subject to withholding under FIRPTA, provided our common stock continues to be regularly traded on an established securities market in the United States. Accordingly, non-U.S. Holders are urged to consult their tax advisors regarding the FIRPTA withholding tax consequences of selling their common stock prior to the time of the merger as compared with the FIRPTA withholding tax consequences of exchanging their shares in the merger for the merger consideration.

A non-U.S. holder may be entitled to a refund or credit against the holder's United States tax liability, if any, with respect to any amount withheld pursuant to FIRPTA, provided that the required information is furnished to the IRS on a timely basis. Non-U.S. holders should consult their tax advisors regarding withholding tax considerations.

Information Reporting and Backup Withholding

Backup withholding, presently at a rate of 28%, and information reporting may apply to the merger consideration received pursuant to the exchange of our common stock in the merger. Backup withholding will not apply, however, to a holder who

in the case of a U.S. holder, furnishes a correct taxpayer identification number and certifies that it is not subject to backup withholding on IRS Form W-9;

in the case of a non-U.S. holder, furnishes an applicable IRS Form W-8; or

is otherwise exempt from backup withholding and complies with other applicable rules and certification requirements.

Backup withholding is not an additional tax. It may be credited against the holder's United States federal income tax liability and may entitle the holder to a refund if required information is timely furnished to the IRS.

THE FOREGOING DOES NOT PURPORT TO BE A COMPLETE ANALYSIS OF THE POTENTIAL TAX CONSIDERATIONS RELATING TO THE MERGER. THEREFORE, HOLDERS OF OUR COMMON STOCK ARE STRONGLY URGED TO CONSULT THEIR TAX ADVISORS AS TO THE SPECIFIC TAX CONSEQUENCES TO THEM OF THE MERGER, INCLUDING THE APPLICABILITY AND EFFECT OF UNITED STATES FEDERAL, STATE, LOCAL, FOREIGN AND OTHER TAX LAWS IN THEIR PARTICULAR CIRCUMSTANCES.

PRINCIPAL AND MANAGEMENT STOCKHOLDERS

As of January 16, 2007, there were 13,863,334 shares of our common stock outstanding.

The following table sets forth information, as of December 14, 2006, regarding our common stock owned of record or known by us to be owned beneficially by:

each person beneficially owning 5% or more of the outstanding shares of common stock of our company;

each director of our company;

our Chief Executive Officer and each of the four other most highly paid executive officers of our company; and

the directors and executive officers of our company as a group.

The number of shares of common stock beneficially owned by each stockholder is determined under rules issued by the SEC regarding the beneficial ownership of securities. As promptly as reasonably practicable after the execution of the Agreement, the Company shall, in accordance with applicable Law and the Company Charter and Company Bylaws, (a) duly call, give notice of, convene and hold the Company Stockholders Meeting as promptly as reasonably practicable after the date that the Proxy Statement is cleared by the SEC and (b) except as permitted under Section 6.04, (i) include in the Proxy Statement the recommendation of the Company Board that the holders of Company Common Stock approve the Company Merger and (ii) use its commercially reasonable efforts to obtain Company Stockholder Approval. Notwithstanding the foregoing, nothing contained in this Agreement shall prevent the Company or the Company Board from taking and disclosing to its stockholders a position with respect to a tender or exchange offer by a third party pursuant to Rules 14d-9 and Rule 14e-2 or Item 1012(a) of Regulation M-A promulgated under the Exchange Act (or any similar communication to stockholders in connection with the making or amendment of a tender or exchange offer). Unless this Agreement is terminated prior to the Company Stockholder Meeting in accordance with Article 9, the Company shall submit this Agreement to its stockholders at the Company Stockholders Meeting regardless of whether the Company Board has withdrawn, qualified or modified its approval or recommendation of this Agreement or the Mergers.

6.02 Proxy Statement. (a) As promptly as reasonably practicable after the date of this Agreement, the Company shall prepare and file with the SEC a preliminary Proxy Statement and Other Filings with the SEC under the Exchange Act and each of the Company and Acquiror shall, or shall cause their respective Affiliates to, prepare and, after consultation with each other, file with the SEC all Other Filings that are required to be filed by such party in connection with the transactions contemplated hereby. The Company shall use its commercially reasonable efforts to have the Proxy Statement cleared by the SEC. The parties hereto shall cooperate with each other in the preparation of the Proxy Statement, and the Company shall promptly notify Acquiror of the receipt of any comments of the SEC with respect to the Proxy Statement and of any requests by the SEC for any amendment or supplement thereto or for additional information and shall provide to Acquiror copies of all correspondence between the Company or any representative of the Company and the SEC. The Company shall give Acquiror and its counsel the opportunity to review the Proxy Statement prior to its being filed with the SEC and shall give Acquiror and its counsel the opportunity to review all amendments and supplements to the Proxy Statement and all responses to requests for additional information and replies to comments prior to their being filed with, or sent to, the SEC. Each of the Company and Acquiror shall use its commercially reasonable efforts, after consultation with the other parties hereto, to respond promptly to all such comments of and requests by the SEC and to cause the Proxy Statement and all required amendments and supplements thereto to be mailed to the holders of Company Common Stock entitled to vote at the Company Stockholder Meeting as soon as reasonably practicable.

Units in connection with the Partnership Merger, shall be subject to the prior review, comment and approval of the Company.

6.03 Access to Information: Confidentiality.

(a) Upon reasonable notice and subject to applicable Laws relating to the exchange of information, the Company shall, and shall cause each of its Subsidiaries to, afford to the officers, employees, accountants, counsel and other representatives of Acquiror, reasonable access during normal business hours during the period prior to the Company Merger Effective Time, (i) to all its properties, books, contracts, commitments, records, officers, employees, accountants, counsel and other representatives and (ii) to all other information concerning its business, properties and personnel as Acquiror may reasonably request. Neither the Company nor any of its Subsidiaries shall be required to provide access to or disclose information where such access or disclosure would violate or prejudice the rights of the Company's customers, jeopardize any attorney-client privilege or contravene any Law, fiduciary duty or binding agreement entered into prior to the date of this Agreement. Acquiror shall, and shall cause its representatives to, take all reasonable efforts to prevent such access and inspection from interfering with the business operations of the Company and its Subsidiaries.

(b) All information obtained by Acquiror pursuant to this Section 6.03 shall be kept confidential in accordance with the confidentiality agreement, dated June 30, 2006 (the ***Confidentiality Agreement***), between Acquiror and the Company.

6.04 Acquisition Proposals.

(a) **No Solicitation or Negotiation.** Each of the Company and the Partnership agrees that, except as expressly permitted by this Section 6.04, neither it nor any Subsidiary shall, and that it shall cause its Subsidiaries (other than the JV Entities), employees, officers, directors, investment bankers, attorneys, accountants and other advisors or representatives (such employees, investment bankers, attorneys, accountants and other advisors or representatives, collectively, ***Representatives***) not to, directly or indirectly:

(i) initiate, solicit or encourage any inquiries or the making of any proposal or offer that constitutes, or could reasonably be expected to lead to, any Acquisition Proposal; or

(ii) engage in, continue or otherwise participate in any discussions or negotiations regarding, or provide any non-public information or data to any Person relating to, any Acquisition Proposal or release any Person from standstill or similar obligations to the Company; or

(iii) otherwise knowingly facilitate any effort or attempt to make an Acquisition Proposal.

Notwithstanding anything in the foregoing to the contrary, prior to the time, but not after, the Stockholder Approval is obtained, the Company may: (A) provide information in response to a request therefor by a Person with respect to a bona fide written Acquisition Proposal that was not solicited by the Company, the Partnership or any of their Representatives after the date hereof, if the Company or the Partnership receives from the Person so requesting such information an executed confidentiality and standstill agreement on terms in all material respects not less restrictive to the other party than those contained in the Confidentiality Agreement, it being understood that such confidentiality and standstill agreement need not prohibit the making, or amendment, of an Acquisition Proposal; (B) engage or participate in any discussions or negotiations with any Person who has made such a bona fide written Acquisition Proposal, provided that the Company shall not give any exclusive right to negotiate with such Person or (C) after having complied with Section 6.04(c), approve, recommend, or otherwise declare advisable or propose to approve, recommend or declare advisable (publicly or otherwise) such an Acquisition Proposal, if and only to the extent that,

(x) prior to taking any action described in clause (A), (B) or (C) above, the Company Board determines in good faith after consultation with outside legal counsel that failure to take such action, in light of the Acquisition Proposal and the terms of this Agreement, would reasonably be likely to be inconsistent with the directors' duties under applicable Law, and (y) in each such case referred to in clause (A) or (B) above, the Company Board has determined in good faith based on the information then available and after consultation with its financial advisor that such Acquisition Proposal constitutes or could reasonably be expected to constitute a Superior Proposal; and (z) in the case referred to in clause (C) above, the Company Board determines in good faith (after consultation with

its financial advisor and outside legal counsel) that such Acquisition Proposal is a Superior Proposal. The Company shall be responsible for any failure of the Representatives to comply with this Section 6.04.

(b) Definitions. For purposes of this Agreement:

Acquisition Proposal means any proposal or offer in one transaction or a series of transactions (i) directly or indirectly with respect to a merger, joint venture, partnership, consolidation, dissolution, liquidation, tender offer, recapitalization, reorganization, share exchange, business combination or similar transaction involving the Company, the Partnership or any of their Significant Subsidiaries and (ii) to acquire in any manner, directly or indirectly, 20% or more of the total voting power of any class of equity securities of the Company or those of any of its Subsidiaries, or 20% or more of the consolidated total assets (including, without limitation, equity securities of its Subsidiaries) of the Company, in each case other than the transactions contemplated by this Agreement.

Superior Proposal means a bona fide Acquisition Proposal that was not solicited by the Company or the Partnership or their Representatives after the date hereof (except in accordance with Section 6.04(a)), involving more than 50% of the assets (on a consolidated basis) or total voting power of the equity securities of the Company or the Partnership and that the Company Board has determined in its good faith judgment, taking into account the transaction in its entirety, including all the terms and conditions of such proposal, including any break-up fees, expense reimbursements and conditions to closing, legal, financial and regulatory aspects of the proposal and the Person making the proposal, that if consummated, would result in a transaction more favorable to the Company's stockholders from a financial point of view than the Company Merger.

(c) No Change in Recommendation or Alternative Acquisition Agreement. The Company Board shall not:

(i) withhold, withdraw, qualify or modify (or publicly propose or resolve to withhold, withdraw, qualify or modify), in a manner adverse to Acquiror, the recommendation of the Company Board that the Company's stockholders approve the Company Merger; or

(ii) except as expressly permitted by, and after compliance with, Section 9.01(e) hereof, approve or recommend, or cause or permit the Company or the Partnership to enter into any written letter of intent, memorandum of understanding, agreement in principle, acquisition agreement, merger agreement or other agreement (other than a confidentiality agreement referred to in Section 6.03(b) entered into in compliance with Section 6.04(a)) (an **Alternative Acquisition Agreement**) relating to any Acquisition Proposal;

Notwithstanding anything to the contrary set forth in this Agreement, prior to the time, but not after, the Stockholder Approval is obtained, the Company Board may withhold, withdraw, qualify or modify its recommendation for the Company Merger or approve, recommend or otherwise declare advisable any Superior Proposal, if the Company Board determines in good faith, after consultation with outside counsel, that failure to do so would be reasonably likely to be inconsistent with the directors' duties under applicable Law (a **Change in Recommendation**).

(d) Certain Permitted Disclosure. Nothing contained in this Section 6.04 shall be deemed to prohibit the Company or the Partnership from complying with its disclosure obligations under applicable Law with regard to an Acquisition Proposal.

(e) Existing Discussions. Each of the Company and the Partnership agrees that it will immediately cease and cause to be terminated any existing activities, discussions or negotiations with any parties conducted heretofore with respect to any Acquisition Proposal. Each of the Company and the Partnership agrees that it will take the necessary steps to promptly inform its Representatives of the obligations undertaken in this Section 6.04 and in the Confidentiality Agreement.

(f) *Notice.* In addition to the obligations of the Company set forth in this Section 6.04, the Company shall notify Acquiror promptly (but in any event within 48 hours) after receipt of (i) any Acquisition Proposal, (ii) any request for information with respect to any Acquisition Proposal, (iii) the identity of the party making the Acquisition Proposal, and (iv) the material terms and conditions of any such Acquisition Proposal, request for information, inquiry, proposal, discussion or negotiation, including a copy of the Acquisition Proposal. The Company shall promptly keep Acquiror reasonably informed in all material respects of the status and material terms

(including amendments or proposed amendments) of any such Acquisition Proposal. Neither the Company nor any of its Subsidiary shall enter into any agreement that would prohibit it from providing such information to Acquiror.

6.05 *Further Action*

(a) Upon the terms and subject to the conditions hereof, each of the parties hereto shall use its commercially reasonable efforts to take, or cause to be taken, all appropriate action, and to do, or cause to be done, all things necessary, proper or advisable under applicable Law to consummate and make effective each of the Mergers, including, without limitation, using its commercially reasonable efforts to obtain all Applicable Permits, consents, approvals, authorizations, qualifications and orders of Governmental Authorities and parties to contracts with the Company and its Subsidiaries as are necessary for the consummation of the Mergers and to fulfill the conditions to the Closing. In case, at any time after the Closing, any further action is necessary or desirable to carry out the purposes of this Agreement, each of the parties hereto shall use commercially reasonable efforts to cause its respective officers, employees and agents to take all such action.

(b) The parties hereto shall cooperate and assist one another in connection with all actions to be taken pursuant to Section 6.05(a), including the preparation and making of the filings referred to therein and, if requested, amending or furnishing additional information thereunder, including, subject to applicable Law and the Confidentiality Agreement, providing copies of all related documents to the non-filing party and its advisors prior to filing, and to the extent practicable none of the parties will file any such document or have any communication with any Governmental Authority without prior consultation with the other parties. Each party shall keep the others apprised of the content and status of any communications with, and communications from, any Governmental Authority with respect to each of the Mergers. To the extent practicable, and as permitted by a Governmental Authority, each party hereto shall permit representatives of the other party to participate in meetings (whether by telephone or in Person) with such Governmental Authority.

(c) Each of the parties hereto agrees to cooperate and use its reasonable best efforts to defend through litigation on the merits any Action, including administrative or judicial Action, asserted by any party in order to avoid the entry of, or to have vacated, lifted, reversed, terminated or overturned any decree, judgment, injunction or other order (whether temporary, preliminary or permanent) that in whole or in part restricts, delays, prevents or prohibits consummation of either of the Mergers, including, without limitation, by vigorously pursuing all available avenues of administrative and judicial appeal.

(d) Each of Acquiror, on the one hand, and the Company, on the other hand, shall use its commercially reasonable efforts to obtain any third party consents required to prevent a Company Material Adverse Effect from occurring prior to the Company Merger Effective Time. In the event that the Company shall fail to obtain any third party consent described above, the Company shall use its commercially reasonable efforts, and shall take such actions as are reasonably requested by Acquiror, to minimize any adverse effect upon the Company and Acquiror and their respective businesses resulting, or which could reasonably be expected to result, after the Company Merger Effective Time, from the failure to obtain such consent. Notwithstanding anything to the contrary in this Agreement, in connection with obtaining any approval or consent from any Person (other than a Governmental Authority) with respect to any transaction contemplated by this Agreement, (i) unless required by the applicable agreement, without the prior written consent of Acquiror, none of the Company nor any of its Subsidiaries shall pay or commit to pay to such Person whose approval or consent is being solicited any cash or other consideration, make any commitment or incur any liability or other obligation due to such Person and (ii) none of Acquiror or its Affiliates shall be required to pay or commit to pay to such Person whose approval or consent is being solicited any cash or other consideration, make any commitment or incur any liability or other obligation. Acquiror shall pay all fees and out-of-pocket expenses necessary to obtain any third party consent. It shall not be a breach or violation of this covenant if the Company, the Partnership or any Subsidiary shall be unable to obtain any such consent or approval due to Acquiror's

refusal to pay or consent to the making of any payment or the entering into of any covenant or agreement required to obtain any such consent or approval in accordance with the terms thereof.

6.06 *Public Announcements.* Each of Acquiror and the Company agrees that no public release or announcement concerning the Mergers shall be issued by either party without the prior consent of the other party (which consent shall not be unreasonably withheld), except as such release or announcement may be required by Law or the rules or regulations of any securities exchange, in which case the party required to make the release or

announcement shall use its reasonable efforts to allow the other party reasonable time to comment on such release or announcement in advance of such issuance.

6.07 Exculpation, Indemnification and Insurance.

(a) Without limiting any additional rights that any employee, officer, director or other fiduciary may have under any employment or indemnification agreement or under Company Charter, Company Bylaws, the Partnership Agreement, the certificate of limited partnership of the Partnership or this Agreement or, if applicable, similar organizational documents or agreements of any of the Subsidiaries of the Company, from and after the Company Merger Effective Time, Acquiror, the Surviving Company and the Surviving Partnership shall: (i) indemnify and hold harmless each Person who is at the date hereof or during the period from the date hereof through the Company Merger Effective Date serving as a director or executive officer of the Company or its Subsidiaries or as a fiduciary under or with respect to any employee benefit plan (within the meaning of Section 3(3) of ERISA) maintained or contributed to by the Company or any of its Subsidiaries (collectively, the ***Company Indemnified Parties***) to the fullest extent authorized or permitted by applicable law, as now or hereafter in effect, in connection with any Claim and any judgments, fines, penalties and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of such judgments, fines, penalties or amounts paid in settlement) resulting therefrom; and (ii) promptly pay on behalf of or, within thirty days after any request for advancement, advance to each of the Company Indemnified Parties, to the fullest extent authorized or permitted by applicable law, as now or hereafter in effect, any Expenses incurred in defending, serving as a witness with respect to or otherwise participating in any Claim in advance of the final disposition of such Claim, including payment on behalf of or advancement to the Company Indemnified Party of any Expenses incurred by such Company Indemnified Party in connection with enforcing any rights with respect to such indemnification and/or advancement, in each case without the requirement of any bond or other security but subject to Acquiror's or the Surviving Entity's receipt of an undertaking by or on behalf of such Indemnified Party, if required by applicable Law, to repay such Expenses if it is ultimately determined that the standard of conduct necessary for indemnification under applicable Law has not been met. The indemnification and advancement obligations of Acquiror, the Surviving Company and the Surviving Partnership pursuant to this Section 6.07(a) shall extend to acts or omissions occurring at or before the Company Merger Effective Time and any Claim relating thereto (including with respect to any acts or omissions occurring in connection with the approval of this Agreement and the consummation of the transactions contemplated hereby, including the consideration and approval thereof and the process undertaken in connection therewith and any Claim relating thereto), and all rights to indemnification and advancement conferred hereunder shall continue as to a Person who has ceased to be a director, executive officer or other fiduciary of the Company or its Subsidiaries after the date hereof and shall inure to the benefit of such Person's heirs, executors and personal and legal representatives. As used in this Section 6.07(a), (i) the term ***Claim*** means any threatened, asserted, pending or completed Action, suit or proceeding, or any inquiry or investigation, whether instituted by any party hereto, any Governmental Authority or any other party, that any Company Indemnified Party in good faith believes might lead to the institution of any such Action, suit or proceeding, whether civil, criminal, administrative, investigative or other, including any arbitration or other alternative dispute resolution mechanism, arising out of or pertaining to matters that relate to such Company Indemnified Party's duties or service as a director, officer, trustee, employee, agent, or fiduciary of the Company, any of its Subsidiaries, or any employee benefit plan (within the meaning of Section 3(3) of ERISA) maintained by any of the foregoing or any other Person at or prior to the Company Merger Effective Time at the request of the Company or any of its Subsidiaries; and (ii) the term ***Expenses*** means reasonable attorneys' fees and all other reasonable costs, expenses and obligations (including, without limitation, experts' fees, travel expenses, court costs, retainers, transcript fees, duplicating, printing and binding costs, as well as telecommunications, postage and courier charges) paid or incurred in connection with investigating, defending, being a witness in or participating in (including on appeal), or preparing to investigate, defend, be a witness in or participate in, any Claim for which indemnification is authorized pursuant to this Section 6.07(a), including any Action relating to a claim for indemnification or advancement brought by a Company Indemnified Party. None of Acquiror, the Surviving Company nor the Surviving Partnership shall settle, compromise

or consent to the entry of any judgment in any actual or threatened claim, demand, Action, suit, proceeding, inquiry or investigation in respect of which indemnification has been or could be sought by such Company Indemnified Party hereunder unless such settlement, compromise or judgment includes an unconditional release of such Company Indemnified Party from

A-36

all liability arising out of such claim, demand, Action, suit, proceeding, inquiry or investigation or such Company Indemnified Party otherwise consents thereto.

(b) Without limiting the foregoing, Acquiror, Merger Subsidiary and the Surviving Partnership agree that all rights to indemnification and exculpation from liabilities for acts or omissions occurring at or prior to the Company Merger Effective Time now existing in favor of the current or former directors, officers, employees or other fiduciaries of the Company or any of its Subsidiaries as provided in the Company Charter or Company Bylaws (or, as applicable, the charter, bylaws or other organizational documents of any of the Subsidiaries) shall be assumed by the Surviving Company in the Company Merger, without further action, at the Company Merger Effective Time, and shall survive the Company Merger and shall continue in full force and effect in accordance with their terms.

(c) The Surviving Company shall (i) for a period of six years after the Company Merger Effective Time cause to be maintained in effect in its charter or bylaws (or similar governing documents), provisions regarding elimination of liability of directors, indemnification of officers, directors and employees and advancement of Expenses that are no less advantageous to the intended beneficiaries as those currently contained in the Company Charter or Company Bylaws and (ii) maintain for a period of at least six years the current policies of directors and officers liability insurance maintained by the Company and its Subsidiaries (provided that the Surviving Company may substitute therefor policies of at least the same coverage and amounts containing terms and conditions which are, in the aggregate, no less advantageous to the insured, provided that such substitution shall not result in gaps or lapses of coverage with respect to matters occurring before the Company Merger Effective Time) with respect to claims arising from facts or events that occurred on or before the Company Merger Effective Time, including, without limitation, in respect of the transactions contemplated by this Agreement; provided, however, that in no event shall Acquiror be required to pay annual premiums for insurance under this Section 6.07(c) which in the aggregate exceed 300% of the current annual premiums paid by the Company for such purpose; provided that Acquiror shall nevertheless be obligated to provide such coverage, with respect to the entire six year period following the Company Merger Effective Time, as may be obtained for such 300% amount. The provisions of clause (ii) of this subsection (c) shall be deemed to have been satisfied if prepaid policies have been obtained by the Surviving Company for purposes of this Section 6.07, which policies (together with Company's existing policy) provide such directors and officers with the coverage described in this subsection (c) for an aggregate period of not less than six years with respect to claims arising from facts or events that occurred on or before the Company Merger Effective Time, including, without limitation, in respect of the transactions contemplated by this Agreement.

(d) If the Surviving Company, the Surviving Partnership or any of their successors or assigns (i) consolidates with or merges with or into any other Person and shall not be the continuing or surviving company, partnership or other entity of such consolidation or merger or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case, proper provision shall be made so that the successors and assigns of the Surviving Company or the Surviving Partnership assumes the obligations set forth in this Section 6.07. The parties acknowledge and agree that Acquiror guarantees the payment and performance of the Surviving Company's and the Surviving Partnership's obligations pursuant to this Section 6.07.

(e) The provisions of this Section 6.07 shall not be terminated or modified in such a manner as to adversely affect any indemnitee to whom this Section 6.07 applies without the consent of such affected indemnitee and are intended to be for the benefit of, and will be enforceable by, each indemnified party, his or her heirs and his or her legal representatives.

6.08 Employee Benefit Matters.

(a) Each individual who is an employee of the Company or any of its Affiliates (which does not include any JV Entities for purposes of this Section 6.08) immediately prior to the Company Merger Effective Time (an

Employee) shall be an employee of the Surviving Company or an Affiliate thereof immediately after the Company Merger Effective Time (each, a **Continuing Employee**). For purposes of this Section 6.08(a), the term Employee shall include any individual who, on the Closing Date, is on a medical or disability leave of absence or any other approved leave of absence. For a period of not less than eighteen months from and after the Closing Date, with respect to each Continuing Employee who remains an employee of the Surviving Company or any Affiliate of the Surviving Company, Acquiror shall or shall cause the Surviving Company or an Affiliate thereof to provide compensation and benefits (including, without limitation, salary or wages (as appropriate), bonus, severance

benefits, health, life and disability insurance and not including plans involving the issuance of equity-based awards, payments or benefits made by reason of the transactions contemplated by this Agreement or any incremental increase in value of such compensation and benefits attributable to the transactions contemplated by this Agreement) that are no less favorable in the aggregate to such Continuing Employee and any dependents and beneficiaries of such Continuing Employee, as appropriate, than those provided by the Company and its Affiliates to such Continuing Employee and any dependents and beneficiaries immediately prior to the Company Merger Effective Time.

(b) With respect to each health, welfare, retirement and paid-time-off benefit plan, including without limitation each employee benefit plan as defined in Section 3(3) of ERISA, maintained by Acquiror, the Surviving Company or any Affiliate of Acquiror (collectively, the ***Acquiror Benefit Plans***) and in which any Continuing Employee participates after the Company Merger Effective Time, Acquiror shall cause such Acquiror Benefit Plan to recognize the service of each such Continuing Employee prior to the Company Merger Effective Time with the Company and its Affiliates as employment with Acquiror and its Affiliates for all purposes, including eligibility and benefit entitlement, but not for purposes of benefit accrual under a defined benefit plan (as defined in Section 3(35) of ERISA), under each such Acquiror Benefit Plan. In addition, Acquiror shall cause, or shall cause the Surviving Company or an Affiliate to cause, each Acquiror Benefit Plan, as applicable, to (i) waive all limitations as to preexisting conditions exclusions, at-work requirements and waiting periods, except to the extent that comparable limitations, at-work requirements or waiting periods would have continued to apply to such Continuing Employees under a corresponding Benefit Plan after the Company Merger Effective Time, and (ii) provide each Continuing Employee with credit for any co-payments and deductibles paid under any Benefit Plan in the plan year that includes the Company Merger Effective Time in satisfying any applicable deductible or out-of-pocket requirements under any Acquiror Benefit Plans.

(c) The Company agrees that employees may enter into employment agreements, including the Employment Agreements, which shall be effective as of the Company Merger Effective Time, with Acquiror, the Surviving Company or the Surviving Partnership notwithstanding the terms of any employment agreements or other arrangement between the Company and such employees.

(d) With respect to those employee benefit plans and agreements covering Continuing Employees that may be or become subject to Code Section 409A, from and after the Closing Date, Acquiror shall make, or shall cause the Surviving Company or an Affiliate to make, reasonable efforts to take, or to cause there to be taken, such timely actions as may be necessary or appropriate to prevent excise tax and other tax penalties under Code Section 409A from applying to payments or benefits under such plans or agreements.

(e) Subject to Section 6.08(a), nothing contained in this Section 6.08 or elsewhere in this Agreement shall be construed to prevent, from and after the Company Merger Effective Time, the termination of employment of any individual employee of the Company or any Subsidiary or any change in the employee benefits available to any such individual employee or the amendment or termination of any particular Benefit Plan or other employee benefit plan, program, policy or arrangement in accordance with its terms. Nothing contained in this Section 6.08 or elsewhere in this Agreement shall be treated as an amendment of any particular Benefit Plan.

(i) by Acquiror or the Company pursuant to Section 9.01(b)(ii) or Section 9.01(b)(iii) or by Acquiror pursuant to Section 9.01(c)(v) (however, only in the event of a termination pursuant to Section 9.01(c)(v) that relates to a breach by the Company of its obligations under Section 6.01 or Section 6.04) and (A) an Acquisition Proposal shall have been made to the Company or publicly announced prior to such Termination Date (and with respect to termination pursuant to Section 9.01(b)(ii) or Section 9.01(b)(iii), such Acquisition Proposal was not withdrawn prior to the Termination Date), and (B) concurrently with such termination or within nine (9) months following the Termination Date, the Company enters into a contract with respect to an Acquisition Proposal, or an Acquisition Proposal is

(iv) Buy-Out Payment means \$4,000,000.

(c) In the event any party is required to commence litigation to seek all or a portion of the amounts payable under this Agreement, or to otherwise enforce any party's obligations hereunder, the prevailing party in such litigation shall be entitled to receive all expenses (including, without limitation, reasonable attorneys' fees) which it has incurred in enforcing its rights hereunder. The parties hereto agree that any remedy or amount payable pursuant to this Section 9.03 shall not preclude any other remedy or amount payable hereunder, and shall not be an exclusive remedy, for any willful and material breach of any representation, warranty, covenant or agreement contained in this Agreement.

the relative merits of the Company Merger or other actions contemplated by the Agreement compared with other business strategies or transactions that may have been considered by the Company's management and its Board of Directors or any committee thereof.

Wachovia Securities is a trade name of Wachovia Capital Markets, LLC, an investment banking subsidiary and affiliate of Wachovia Corporation. We have been engaged to render certain financial advisory services to the Board of Directors and the Committee of Independent Directors of the Board of Directors of the Company in connection with the Agreement and will receive a fee for such services, which is payable upon consummation of the Company Merger. We will also receive a fee payable upon execution of the Agreement and delivery of this opinion, and this fee will be credited in full against any advisory fees paid in connection with the transaction. In addition, the Company has agreed to reimburse our expenses and indemnify us against certain liabilities arising out of our engagement.

Wachovia Securities and our affiliates provide a full range of financial advisory securities and lending services in the ordinary course of business for which we receive customary fees. In connection with unrelated matters, Wachovia Securities and its affiliates in the past have provided financing services to the Company, including serving as the Bookrunning manager on the Company's \$207 million initial public offering in June 2005. Wachovia Securities also maintains active equity research coverage on the Company. Wachovia recently advised BRE Properties in the formation of a programmatic development and acquisition joint venture with JPMorgan Asset Management, parent company of Acquiror. In addition, we may provide similar or other such services to, and maintain our relationship with the Company, Acquiror, and certain affiliates of Acquiror in the future. Additionally, in the ordinary course of our business, we may trade in the securities of the Company and certain affiliates of Acquiror for our own account and for the accounts of our customers and, accordingly, may at any time hold a long or short position in such securities.

This opinion is for the information and use of the Board of Directors and the Committee of Independent Directors of the Board of Directors in connection with their consideration of the Company Merger. Our opinion does not address the merits of the underlying decision by the Company to enter into the Agreement and does not and shall not constitute a recommendation to any holder of the Company Common Shares as to how such holder should vote in connection with the Agreement. Our opinion may not be summarized, excerpted from, or otherwise publicly referred to without our prior written consent, except that this opinion may be reproduced in full and described in any proxy statement mailed or provided to the holders of the Company Common Shares in connection with the transactions contemplated by the Agreement.

Based upon and subject to the foregoing, our experience as investment bankers, our work as described above, and such other factors we deem to be relevant, it is our opinion that, as of the date hereof, the Company Merger Consideration to be received by holders of the Company Common Shares pursuant to the Agreement is fair, from a financial point of view, to such holders.

Very truly yours,

Wachovia Capital Markets, LLC
