Item 5. Other Events

Xcel Energy announced that longtime industry executive Richard C. (Dick) Kelly has been named the company's chief financial officer, effective immediately.

The Xcel Energy press release is attached as Exhibit 99.01

On Aug. 20, 2002, Xcel Energy's subsidiary, NRG Energy, Inc., announced it had obtained approval from lenders to extend until Sept. 13, 2002, the deadline by which it must post collateral ranging in value from \$1.1 billion to \$1.3 billion. As part of the agreement with its lenders, NRG agreed not to make any additional draw requests under its \$2 billion construction revolver.

NRG also agreed it would not fund debt service reserve collateral requirements of \$130 million relating to NRG Northeast Generating LLC and NRG South Central Generating LLC. NRG would be in default if it fails to meet these collateral requirements by Aug. 26, 2002. If NRG has not funded the debt service reserve collateral requirements by Oct. 25, 2002, the holders of the \$1.3 billion of outstanding bonds related to the Northeast and South Central generating projects will have the right to accelerate the bonds.

The press release is attached as Exhibit 99.02
