**ITEM 12. RESULTS OF OPERATIONS AND FINANCIAL CONDITION.**

On January 8, 2004, the Registrant issued a press release announcing that it amended and restated its \$35.0 million credit facility with GE Healthcare Financial Services. A copy of the press release is filed as Exhibit 99.1 to this Form 8-K and incorporated here by reference.

Included in the press release furnished as Exhibit 99.1 is information concerning the Registrant's liquidity as a result of the amendment to the credit facility that updates information disclosed in the Registrant's Quarterly Report on Form 10-Q for the quarter ended September 30, 2003, under Liquidity and Capital Resources and note 3 to unaudited consolidated financial statements. The 10-Q disclosed that as a result of financial covenant ratios, at September 30, 2003, the Registrant had available \$11.6 million under the former \$35 million credit facility. The amended credit facility permits Radiologix to borrow up to 85 percent of the value of qualified accounts receivable. As of the date of this report, Radiologix has access to the full \$35.0 million under the amended credit facility.

The information contained in this report, including the exhibit hereto, shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section or Section 11 and 12(a)(2) of the Securities Act of 1933, as amended.
