**PROXY STATEMENT FOR  
ANNUAL MEETING OF SHAREHOLDERS  
to be held  
May 11, 2004**

The accompanying Proxy is solicited by the Board of Directors of Winland Electronics, Inc. ( Winland or Company ) for use at the 2004 Annual Meeting of Shareholders of the Company to be held on Tuesday, May 11, 2004, at the location and for the purposes set forth in the Notice of Annual Meeting, and at any adjournment thereof.

The cost of soliciting proxies, including the preparation, assembly and mailing of the proxies and soliciting material, as well as the cost of forwarding such material to the beneficial owners of stock, will be borne by the Company. Directors, officers and employees of the Company may, without compensation other than their regular remuneration, solicit proxies personally or by telephone.

You may vote your shares by telephone or by mail as follows. Please help us save administrative and postage costs by voting by telephone.

**BY TELEPHONE:**

On a touch-tone telephone, call the toll-free number printed on the proxy card and follow the recorded instructions.

You may vote by phone 24 hours a day, seven days a week, until 12 noon Central Time on May 10, 2004.

**BY MAIL:**

Sign and date the enclosed proxy card.

Mail the proxy card in the enclosed postage-paid envelope.

Any shareholder giving a Proxy may revoke it any time prior to its use at the 2004 Annual Meeting by giving written notice of such revocation to the Secretary or any other officer of the Company or by filing a later dated written Proxy with an officer of the Company. Personal attendance at the 2004 Annual Meeting is not, by itself, sufficient to revoke a Proxy unless written notice of the revocation or a later dated Proxy is delivered to an officer before the revoked or superseded Proxy is used at the 2004 Annual Meeting. Proxies will be voted as directed therein. Proxies which are signed by shareholders but which lack specific instruction with respect to any proposal will be voted in favor of the number and slate of directors proposed by the Board of Directors and listed herein.

The presence at the Annual Meeting in person or by proxy of the holders of a majority of the outstanding shares of the Company's Common Stock entitled to vote shall constitute a quorum for the transaction of business. If a broker returns a non-vote proxy, indicating a lack of voting instructions by the beneficial holder of the shares and a lack of discretionary authority on the part of the broker to vote on a particular matter, then the shares covered by such non-vote shall be deemed present at the meeting for purposes of determining a quorum but shall not be deemed to be represented at the meeting for purposes of calculating the vote required for approval of such matter. If a shareholder abstains from voting as to any matter, then the shares held by such shareholder shall be deemed present at the meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. An abstention as to any proposal will therefore have the same effect as a vote against the proposal.

**CORPORATE GOVERNANCE**

Our business affairs are conducted under the direction of the Board of Directors in accordance with the Minnesota Business Corporation Act and our Articles of Incorporation and Bylaws. Members of the Board of Directors are informed of our business through discussions with management, by reviewing materials provided to them and by participating in meetings of the Board of Directors and its committees. The corporate governance practices that we follow are summarized below.

**Independence**

The Board has determined that a majority of its members are independent as defined by the listing standards of the American Stock Exchange. Our independent directors are S. Robert Dessalet, Thomas J. de Petra, James L. Reissner and Richard T. Speckmann.

**Code of Ethics and Business Conduct**

The Board has approved a Code of Ethics and Business Conduct that applies to all of our employees, directors and officers, including our principal executive officer, principal financial officer, principal accounting officer and controller. The Code of Ethics and Business Conduct addresses such topics as protection and proper use of our assets, compliance with applicable laws and regulations, accuracy and preservation of records, accounting and financial reporting, conflicts of interest and insider trading. The Code of Ethics and Business Conduct is available free of charge to any shareholder who sends a request for a copy to Winland Electronics, Inc., Attn. Chief Financial Officer, 1950 Excel Drive, Mankato, Minnesota 56001. Winland intends to put the Code on its website, at which time, you will be able to view the Code in its entirety at [www.winland.com](http://www.winland.com). Winland intends to disclose on its website any amendment to, or waiver from, a provision of its Code of Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer and controller relating to any element of the code of ethics definition enumerated in Item 406(b) of Regulation S-B. Late in 2003, Winland contracted with an independent professional organization to provide anonymous hotline services that permit employees of the Company to communicate any concerns about behavior or practices of Winland, its employees, officers or directors. This service began January 1, 2004 and was established to assist the Board of Directors in effective internal control.

**Meeting Attendance**

**Board and Committee Meetings.** Directors are required to attend a minimum of 75% of Board and committee meetings. During fiscal 2003, the Board held six (6) meetings. Each director attended 94% to 100% of the meetings of the Board and the committees on which such director served. In addition, the Board took action three times by unanimous written action.

**Annual Meeting of Shareholders.** Directors are encouraged to attend our annual meetings of shareholders; however, there is no formal policy regarding attendance at annual meetings. All five of our directors attended Winland's 2003 annual meeting of shareholders.

**Executive Sessions of the Board**

An executive session of non-management directors is held at least once a year. In 2003, an executive session was held twice.

**Committees of the Board**

Our Board of Directors has three standing committees, the Audit Committee, the Compensation Committee and the Nominating/Governance Committee. Each of the current members of these committees is a non-employee independent director.

**Audit Committee.** The Audit Committee is comprised of S. Robert Dessalet (Chairman), Thomas J. de Petra, James L. Reissner and Richard T. Speckmann. Mr. Dessalet has been named as the audit committee financial expert as defined by Item 401(e) of Regulation S-B under the Securities Act of 1933.

## **Table of Contents**

Mr. Dessalet is an inactive certified public accountant, whose experience includes positions as Vice President of Finance and Administration, Chief Financial Officer and business and management consultant. The Company acknowledges that the designation of Mr. Dessalet as the audit committee financial expert does not impose on Mr. Dessalet any duties, obligations or liability that are greater than the duties, obligations and liability imposed on Mr. Dessalet as a member of the audit committee and the Board of Directors in the absence of such designation or identification. The Audit Committee reviews the selection and work of the Company's independent auditors and the adequacy of internal controls for compliance with corporate policies and directives. The Audit Committee's Report is included on page 12. During 2003, the Audit Committee met four (4) times.

**Compensation Committee.** The Compensation Committee is comprised of Richard T. Speckmann (Chairman), S. Robert Dessalet, Thomas J. de Petra and James L. Reissner. This committee recommends to the Board of Directors from time to time the salaries to be paid to executive officers of the Company and any plan for additional compensation it deems appropriate. This committee is vested with the same authority as the Board of Directors with respect to the granting of options and the administration of the Company's Stock Option Plans. During 2003, the Compensation Committee met four (4) times.

**Nominating/Governance Committee.** The Nominating/Governance Committee is comprised of Thomas J. de Petra (Chairman), S. Robert Dessalet, James L. Reissner and Richard T. Speckmann. Lorin Krueger also served on the committee during 2003, but resigned on January 23, 2004. This committee was established in June 2001 and recommends to the Board of Directors nominees for vacant positions on the Board, sets goals for the Board and monitors the achievement of such goals. This committee will consider a candidate for director proposed by a shareholder. Candidates must have broad training and experience in their chosen fields and must have achieved distinction in their activities. The committee considers the particular expertise of each nominee and strives to achieve an appropriate breadth of skills among the Board members. A shareholder who wants to propose a candidate must comply with the provisions of the Company's Bylaws regarding nominations for the election of directors. The policies of the committee are described more fully in the Nominating/Governance Committee's Report on page 6. The Nominating/Governance Committee met twice during 2003.

## **Communications with the Board**

Shareholders may communicate directly with the Board of Directors. All communications, other than shareholder proposals and director nominations which must comply with certain other requirements as discussed under Shareholder Proposals and Nominations of Director Candidates on page 12, should be directed to our Chief Financial Officer at the address below and should prominently indicate on the outside of the envelope that it is intended for the Board of Directors or for non-management directors. If no director is specified, the communication will be forwarded to the entire Board. The communication will not be opened before being forwarded to the intended recipient, but it will go through normal security procedures. Shareholder communications to the Board should be sent to:

The Company's 1997 Stock Option Plan provides for automatic option grants to each director who is not an employee of the Company (a Non-Employee Director). Each Non-Employee Director who is elected for the first time as a director is granted a nonqualified option to purchase 5,500 shares of Common Stock. Each Non-Employee Director who is re-elected as a director of the Company or whose term of office continues after a meeting of shareholders at which directors are elected shall, as of the date of such re-election or shareholder meeting, automatically be granted a five-year nonqualified option to purchase 5,500 shares of Common Stock. No director shall receive more than one option pursuant to the formula plan in any one fiscal year. All options granted pursuant to these provisions are granted at a per share exercise price equal to 100% of the fair market value of the Common Stock on the date of grant, and they are immediately exercisable.

**NOMINATING/GOVERNANCE COMMITTEE REPORT**

The Nominating/Governance Committee is comprised of independent directors. In accordance with its written charter, the Nominating/Governance Committee assists the Board of Directors with fulfilling its responsibility regarding any matters relating to corporate governance including selection of candidates for our Board of Directors. Its duties shall include oversight of the principles of corporate governance by which Winland and the Board shall be governed; the codes of ethical conduct and legal compliance by which Winland and its directors, executive officers, employees and agents will be governed; policies for evaluation of the Board and the chairperson; policies for election and reelection of Board members; and policies for succession planning for the Chief Executive Officer, Board chairperson and other Board leaders. In addition, the Committee is responsible for annually reviewing the composition of the Board, focusing on the governance and business needs and requirements of Winland, nominating and screening of Board member candidates, evaluating the performance of Board members and recommending the reelection of Board members who are performing effectively and who continue to provide a competency needed on the Board. When a director's principal occupation or business association changes substantially, such director shall tender a letter of resignation to the Board through the Nominating/Governance Committee, which resignation will be considered and acted upon in a manner that is best for the Board and Winland.

The Nominating/Governance Committee will consider candidates for nomination as a director recommended by shareholders. In evaluating director nominees, the Nominating/Governance Committee requires certain minimum qualifications, including high moral character and mature judgment and the ability to work collegially with others. In addition, factors such as the following shall be considered:

appropriate size and diversity of the Board;

needs of the Board with respect to particular talent and experience;

knowledge, skills and experience of nominee;

familiarity with our business and industry;

appreciation of the relationship of our business to the changing needs of society; and

desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by a new member.

Shareholders who wish to recommend one or more candidates for director to the Nominating/Governance Committee must provide written recommendation to the Chief Financial Officer of Winland. Notice of a recommendation must include the shareholder's name, address and the number of Winland shares owned, along with information with respect to the person being recommended, i.e. name, age, business address, residence address,

current principal occupation, five-year employment history with employer names and a description of the employer's business, the number of shares beneficially owned by the prospective nominee, whether such person can read and understand basic financial statements and other board memberships, if any. The recommendation must be accompanied by a written consent of the prospective nominee to stand for election if nominated by the Board of Directors and to serve if elected by the shareholders. Winland may require any nominee to

furnish additional information that may be needed to determine the eligibility of the nominee. In addition, Winland's Bylaws permit shareholders to nominate directors for consideration at a meeting of shareholders at which one or more directors are to be elected. For a description of the process for nominating directors in accordance with Winland's Bylaws, see Shareholder Proposals and Nominations of Director Candidates on page 12.

**ELECTION OF DIRECTORS**

(Proposal #1)

The Bylaws of the Company provide that the number of directors shall be the number set by the shareholders, which shall be not less than one. The Nominating/Governance Committee recommended to the Board of Directors that the number of directors be set at five and that the persons currently serving on the Board be nominated for election. The Board of Directors unanimously recommends that the number of directors be set at five by electing the five persons nominated. Unless otherwise instructed, the Proxies will be so voted.

In the absence of other instruction, the Proxies will be voted for each of the individuals listed below. If elected, such individuals shall serve until the next annual meeting of shareholders and until their successors shall be duly elected and shall qualify. All of the nominees are members of the present Board of Directors. If, prior to the 2004 Annual Meeting of Shareholders, it should become known that any one of the following individuals will be unable to serve as a director after the 2004 Annual Meeting by reason of death, incapacity or other unexpected occurrence, the Proxies will be voted for such substitute nominee(s) as is selected by the Nominating/Governance Committee. Alternatively, the Proxies may, at the Board's discretion, be voted for such fewer number of nominees as results from such death, incapacity or other unexpected occurrence. The Board of Directors has no reason to believe that any of the following nominees will be unable to serve.

BOARD OF DIRECTORS  
OF  
WINLAND ELECTRONICS, INC.**

**Organization**

There shall be a committee of the Board of Directors to be known as the Audit Committee. The Audit Committee shall be composed of Directors who are independent of the Management of the Corporation and are free of any relationship that, in the opinion of the Board of Directors, would interfere with their exercise of independent judgment as a Committee member.

**Statement of Policy**

The Audit Committee shall provide assistance to the Corporate Directors in fulfilling their responsibility to the shareholders, potential shareholders, and the investment community relating to corporate accounting, public reporting practices of the corporation, and the quality and integrity of the financial reports of the corporation. In so doing, it is the responsibility of the Audit Committee to maintain free and open communication between the directors, the independent auditors, and the financial management of the corporation.

**Responsibilities**

In carrying out these responsibilities the Audit Committee shall:

Review and recommend to the directors the independent auditors to be selected to audit the financial statements of the corporation and its divisions and subsidiaries.

Meet with the independent auditors and financial management of the corporation to review the scope of the proposed audit for the current year and the audit procedures to be utilized, and at the conclusion thereof, review such audit, including any comments or recommendations of the independent auditors.

Review with the independent auditors and the company's financial and accounting personnel, the adequacy and effectiveness of the accounting and financial controls of the corporation, and elicit any recommendations for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis should be given to the adequacy of such internal controls to expose any payments, transactions, or procedures that might be deemed illegal or otherwise improper.

Review the financial statements contained in the annual report to shareholders with management and the independent auditors to determine that the independent auditors are satisfied with the disclosure and content of the financial statements to be presented to the shareholders. Any changes in accounting principles should be reviewed.

Provide sufficient opportunity for the independent auditors to meet with the members of the Audit Committee without members of management present. Among the items to be discussed in these meetings are the independent auditor's evaluation of the corporation's financial accounting and the cooperation that the independent auditors received during the course of the audit.

Periodically review personnel in the accounting and finance function. In addition, the Committee will ensure that programs are in place for orderly succession thereof.

Submit the minutes of all meetings of the Audit Committee to, or discuss the matters discussed at each meeting with, the Board of Directors.
