We experienced unanticipated delays in completing our financial statements for the quarter and year ended December 31, 2007. Extraordinary demands on our personnel and resources resulting from our integration of the operations (especially the commission accounting processes) of Insurance Capital Management USA, Inc., with whom we merged on January 30, 2007 and from the acquisition of Protective Marketing Enterprises, Inc. on October 1, 2007, contributed to the unanticipated delays. In addition, a member of our accounting staff left the company just before the audit of our 2007 results commenced. As a result of these delays, we are delayed in filing our form 10-K for the quarter and year ended December 31, 2007 without unreasonable effort or expense.

We expect to report revenue of \$40.6 million for the year ended December 31, 2007, compared to \$22.3 million for the year ended December 31, 2006 (largely due to revenue from our insurance marketing operations resulting from our merger with Insurance Capital Management USA, Inc. on January 30, 2007 and from revenue in our Consumer Plan division resulting from our acquisition of Protective Marketing Enterprises, Inc. on October 1, 2007). We expect to report a net loss of \$13.1 million for the year compared to a net loss of \$7.7 for the 2006. The net loss is primarily due to the recording of a non-cash charges of \$12.1 million as a result of reduction in the carrying value of goodwill attributed to our subsidiaries, the Capella Group, Inc. and Insuraco USA, LLC, and \$1.1 million of other non-recurring charges. Core Earnings (net earnings adjusted to exclude depreciation, amortization, non-cash stock compensation, goodwill and other non-cash charges, restructuring charges, and significant legal/settlement costs related to prior year activities) for the quarter ended December 31, 2007 are expected to be \$.7 million compared to \$.3 million for the comparable quarter in 2006.
