Check the box if the filing relates solely to preliminary communications made before the commencement of a tender offer.

This email was sent by Arthur D. Levinson, Chairman and Chief Executive Officer of Genentech, to all Genentech employees.

Tonight, Roche announced its intention to commence a cash tender offer to acquire all of the outstanding shares of Genentech for \$86.50 per share. They intend to file the tender offer with the Securities and Exchange Commission within approximately the next two weeks. We were informed of Roche's intentions a few hours before their public announcement.

According to Roche, the new tender offer would replace the original proposal brought by Roche to acquire the outstanding shares of Genentech for \$89 per share. The Special Committee will be meeting tomorrow (Friday) to address the matter, and I expect to have further communication with you about this in the near future.
