**Item 4.01 Changes in Registrant's Certifying Accountant.**

On July 10, 2007, Alkermes, Inc. ( Alkermes or the Company ) engaged PricewaterhouseCoopers LLP as its new independent registered public accounting firm beginning with the review of the financial statements to be included in Alkermes' quarterly report on Form 10-Q for the quarter ended June 30, 2007.

Prior to the engagement of PricewaterhouseCoopers, neither Alkermes nor anyone on behalf of Alkermes consulted with PricewaterhouseCoopers during Alkermes' two most recent fiscal years and through July 10, 2007 in any manner regarding either: (A) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on Alkermes' financial statements; or (B) any matter that was the subject of either a disagreement or a reportable event (as defined in Item 304(a)(1)(iv) and (v), respectively, of Regulation S-K).

On July 10, 2007, Alkermes dismissed Deloitte & Touche LLP ( D&T ) as Alkermes' independent registered public accounting firm. The decision to dismiss D&T was approved by the Audit Committee of the Board of Directors of Alkermes.

The reports of D&T on the financial statements of Alkermes included in the Company's annual report on Form 10-K/A for the year ended March 31, 2006 and included in the Company's annual report on Form 10-K for the year ended March 31, 2007 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle, except that D&T's report on the financial statements included in the Company's annual report on Form 10-K/A for the year ended March 31, 2006 included explanatory paragraphs related to the restatement of the financial statements for the correction of an error and the adoption of the provisions of Derivatives Implementation Group Issue B-39, and D&T's report on the financial statements included in the Company's annual report on Form 10-K for the year ended March 31, 2007 included an explanatory paragraph related to the adoption of Statement of Financial Accounting Standards No. 123(R) effective April 1, 2006.

During the years ended March 31, 2007 and 2006, and through July 10, 2007, there have been no disagreements with D&T on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of D&T, would have caused D&T to make reference thereto in its reports on the financial statements of Alkermes for such years.

During the years ended March 31, 2007 and 2006, and through July 10, 2007, there have been no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K), except as described below.

As previously reported in Alkermes' Annual Report on Form 10-K/A for the year ended March 31, 2006 filed on August 14, 2006, Alkermes concluded that errors that led to the restatement of its financial statements for the years ended March 31, 2006, 2005, 2004, 2003, 2002 and 2001 resulted from inadequate internal control over the accounting for its stock option programs. Alkermes identified a material weakness in its internal control over financial reporting related to stock option granting practices and the related accounting in periods ending prior to August 2006. Because of the effect of the material weakness, D&T issued an adverse opinion on the effectiveness of the Company's internal control over financial reporting as of March 31, 2006.

Alkermes has furnished a copy of the above disclosures to D&T and has requested that D&T furnish Alkermes with a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the above disclosures. A copy of such letter is attached as Exhibit 16.1 to this Current Report on Form 8-K.
