Re: THE MEXICO FUND, INC.: STOCKHOLDER PROPOSAL NOTICE

Dear Mr. Cuellar,

In accordance with the notice provisions set forth in Section 10(c) of the Bylaws of The Mexico Fund, Inc. (the "Fund") and pursuant to Section 2-504(e) of the Maryland General Corporation Law and Section 10(a) of the Bylaws of the Fund, we hereby request that a proposal to terminate the Investment Advisory and Management Agreement dated December 1, 1990, as amended and restated June 16, 1998, by and between the Fund and Impulsora del Fondo Mexico, S.A. de C.V. (the "Investment Advisory Agreement") be submitted to the Fund's stockholders at the

Edgar Filing: VALUE CATALYST FUND LTD - Form SC 13D/A

next annual meeting of stockholders. We are the beneficial owners of 1,192,960 shares of the Fund's Common Stock as of December 21, 2001.

Our proposal and supporting statement to be presented to stockholders at the 2002 Annual Meeting is as follows:

"RESOLVED: The Investment Advisory and Management Agreement between Impulsora del Fondo Mexico, S.A de C.V. and the Fund shall be terminated in accordance with its terms, effective within 60 days after the 2002 Annual Meeting."

SUPPORTING STATEMENT: As significant Fund stockholders, we have a vested interest in the Fund's performance and management decisions relating to stockholder value.

The Fund filed an application with the U.S. Securities and Exchange Commission ("SEC") in March 2001 and is seeking approval for conducting periodic in-kind repurchases of the Fund's outstanding shares each year at 98% of Net Asset Value ("NAV"). The Fund has outlined a proposal to offer a very limited facility to stockholders of approximately 5% annually and we do not believe that the Fund's proposed program, as outlined in the application, provides an adequate facility for the Fund's stockholders. We concur that Fund stockholders desire the opportunity to receive 98% of NAV for their shares. However, the Fund's attempt to limit the required repurchases to approximately 5% annually does not provide meaningful liquidity to the Fund's stockholders and we believe does not address the current wish of stockholders. We believe that a mechanism which would provide liquidity with respect to at least 50% of the Fund's outstanding shares would be supported by the majority of stockholders. Moreover, approval by the SEC of the Fund's application may take a substantial period of time, may require significant changes in the application as submitted by the Fund or may be rejected altogether after an extended review period. We believe it is imperative that the Fund develop a program which can be implemented in a significantly shorter time frame. Since the announcement by the Fund we believe that it is likely there has been a significant change in the stockholder base of the Fund towards stockholders who have reacted to the statements made by the Fund with regard to a repurchase facility at 98% of NAV. Any further delay in implementation of a facility to create substantially greater liquidity for stockholders than the Fund's current 5% proposal is likely to lead to ever more radical restructurings of the Fund. We believe that Impulsora del Fondo Mexico, S.A. de C.V., the current investment advisor ("Impulsora"), has not acted in a manner which would expediently and effectively allow the stockholders of the Fund to maximize their investment. Thus, we seek to terminate the current Investment Advisory Agreement with Impulsora.
