PROXY STATEMENT

GENERAL

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of First Busey Corporation for use at the Annual Meeting of Stockholders. The Board has fixed the close of business on February 27, 2004, as the record date for determining the stockholders entitled to notice of, and to vote at, the Annual Meeting. On the record date, the Company had outstanding and entitled to vote 13,696,902 shares of Common Stock, without par value.

The Company's Form 10-K Annual Report, which includes audited financial statements for the year ended December 31, 2003, accompanies this Proxy Statement. The approximate date on which the Proxy Statement and the accompanying proxy are first being sent to stockholders is March 12, 2004.

VOTING

General. Shares of Common Stock represented by properly executed proxies received by the Company will be voted at the Annual Meeting in accordance with the instructions on the proxies. If there are no such instructions, the shares will be voted "FOR" (i) the election of the nominees for directors named in this Proxy Statement and (ii) the approval of the First Busey Corporation 2004 Stock Option Plan. Properly executed proxies received by the Company will also be voted at the Annual Meeting in accordance with the Board's recommendations on any other matters which may come before the Annual Meeting.

In order to be elected a director, a nominee must receive a plurality

Edgar Filing: FIRST BUSEY CORP /NV/ - Form DEF 14A

of the votes cast at the meeting for the election of directors. Because the seven nominees receiving the largest number of affirmative votes will be elected, shares represented by proxies which are marked "withhold authority" or "abstain" as to election of directors will have no effect on the outcome of the election. Approval of the proposed 2004 Stock Option Plan requires the vote of a majority of the outstanding shares of Common Stock. Accordingly, proxies which are marked "abstain" as to this matter will be the same as a negative vote on the matter.

Directors and Executive Officers. All of the directors and executive officers of the Company have advised the Company that they will vote their shares of Common Stock "FOR" the election of the nominees for directors named in this Proxy Statement and "FOR" the approval of the 2004 Stock Option Plan. As of February 27, 2004, these individuals beneficially owned an aggregate of 4,778,272 shares, or approximately 34.9% of the Common Stock outstanding.

REVOCABILITY OF PROXIES

Stockholders may revoke their proxy by a later proxy or by giving notice of such revocation to the Company in writing or at the Annual Meeting before such proxy is voted. Attendance at the Annual Meeting will not in and of itself constitute the revocation of a proxy.

SOLICITATION

The Company will pay the cost of solicitation of proxies. In addition to solicitation by mail, officers, directors and regular employees of the Company may solicit proxies by telephone, telefax or in person without additional compensation. Brokerage houses, bank nominees, fiduciaries and other custodians will be requested to forward soliciting material to the beneficial owners of shares held of record by them and will be reimbursed for their reasonable expenses.

The seven nominees named below have been recommended for election as directors for a term of one year or until their successors have been duly elected and qualified.

No circumstances are presently known which would render a nominee named herein unavailable.

BOARD OF DIRECTORS

During 2003, the Board held 12 meetings. All directors attended at least 75% of the meetings of the Board and the committees on which they served during 2003. The Company's

- 3 -

Edgar Filing: FIRST BUSEY CORP /NV/ - Form DEF 14A

policy with respect to director attendance at annual meetings of stockholders is that each director attend the same. It is each director nominee's intention, at this time, to attend the 2004 Annual Meeting.

The Board of Directors of the Company has established the following committees, among others, to assist in the discharge of its responsibilities.

EXECUTIVE MANAGEMENT COMPENSATION AND SUCCESSION COMMITTEE

The Executive Management Compensation and Succession Committee met three times in 2003. Members of the Compensation Committee in 2003 were Messrs. Wyatt (Chairman), Samuel Banks and Leister. Mr. Banks replaced Dr. Victor Feldman on the Committee in June 2003, upon Dr. Feldman's resignation from the Committee. The responsibilities of this Committee include the approval, and recommendation to the Board, of the compensation of the Chief Executive Officer of the Company and the compensation of all other executive officers of the Company. The Committee also reviews and analyzes existing and potential management succession issues. Subject to election of the director nominees named in this Proxy Statement, the members of the Executive Management Compensation and Succession Committee are Messrs. Ambrose (Chairman), Leister and Wyatt for 2004. All such members are "independent" under Nasdaq rules. The Executive Management Compensation and Succession Committee Charter is attached as Annex A.

NOMINATING & CORPORATE GOVERNANCE COMMITTEE

The Nominating & Corporate Governance Committee of the Board of Directors met six times in 2003. The Nominating & Corporate Governance Committee members are Messrs. Wyatt (Chairman), Banks and Leister. The responsibilities of the Nominating & Corporate Governance Committee include the nomination of individuals as members of the Board of Directors, including the review of existing directors' self-assessments to determine qualifications to stand for re-election, and the implementation and maintenance of corporate governance procedures. Subject to the election of the director nominees named in this Proxy Statement, the members of the Nominating & Corporate Governance Committee are Messrs. Wyatt (Chairman), O'Brien and Leister for 2004. All such members are "independent" under Nasdaq rules. The Nominating & Corporate Governance Committee Charter is attached to this Proxy Statement as Annex B.

The Nominating & Corporate Governance Committee reviews qualified candidates for directors and focuses on those who present varied, complementary backgrounds that emphasize both business experience and community standing. The Committee also believes that directors should possess the highest personal and professional ethics.

In 2003, the Nominating & Corporate Governance Committee met and reviewed all relevant qualifications of potential director nominees, including, at a minimum, the following:

- independence from management, as defined specifically by the corporate governance rules of Nasdaq;

- 4 -

- relevant business experience;
- knowledge of the central Illinois communities in which the Company predominantly operates;
- potential conflicts of interest; and

Edgar Filing: FIRST BUSEY CORP /NV/ - Form DEF 14A

- judgment, skill, integrity and reputation.

The Committee reviews the qualifications of each potential candidate for director and identifies nominees by consensus.

For 2004, the Committee determined to decrease the size of the Board to both streamline processes and to create a primarily independent Board. All but two of the director nominees, Messrs. Mills and Knox, have been determined to be "independent" by the Board, under Nasdaq rules.

The Committee evaluates all candidates in the same way, reviewing the aforementioned factors, among others, regardless of the source of such candidate, including stockholder recommendation. There is no separate policy with regard to consideration of candidates recommended by stockholders. The Committee did not receive any stockholder recommendations for director nominees for 2004. No third party was retained, in any capacity, to provide assistance in either identifying or evaluating potential director nominees for 2004.

The two director nominees who have been approved by the Committee who are not standing for reelection, Messrs. Ikenberry and O'Brien, are each independent from management.

AUDIT COMMITTEE

The Audit Committee met six times in 2003. Members of the Audit Committee are Messrs. Leister (Chairman), Kenneth Hendren, and Wyatt. The Audit Committee has at least one audit committee financial expert, Mr. Wyatt. Mr. Wyatt is independent from management of the Company. Subject to the election of the director nominees named in this Proxy Statement, the members of the Audit Committee are Messrs. Leister (Chairman), Wyatt and Ikenberry for 2004. All such members are "independent" under Nasdaq rules and under Rule 10A-3 of the Securities Exchange Act of 1934, as required for audit committee membership.

The responsibilities and functions of the Audit Committee and its activities during 2003 are described in detail under the heading "Report of the Audit Committee" in this Proxy Statement.

The Audit Committee has adopted procedures for the treatment of complaints or concerns regarding accounting, internal accounting controls or auditing matters. In addition, it has adopted procedures for the review and approval of all related party transactions. The Audit Committee has also implemented pre-approval policies and procedures for all audit and non-audit services. Generally, the Audit Committee requires pre-approval of any services to be provided by the

- 5 -

Company's auditors, McGladrey & Pullen, LLP and the Company's tax accountants, RSM McGladrey, Inc., to the Company or any of its affiliates. The pre-approval procedures include the designation of such pre-approval responsibility to one individual on the Audit Committee, currently Mr. Leister. In 2003, the Audit Committee pre-approved services to be rendered by McGladrey & Pullen, LLP in connection with the Company's audit and the audits of the Company's Employees' Stock Ownership Plan and Profit Sharing Plan & Trust.

Fees paid to McGladrey & Pullen, LLP and RSM McGladrey, Inc., the Company's auditors, for services rendered in 2003 and 2002 are as follows:

Edgar Filing: FIRST BUSEY CORP /NV/ - Form DEF 14A

FEEES	2003	% OF TOTAL FEES	2002	% OF TOTAL FEES
Audit	\$ 126,875	69.2%	\$ 102,220	62.9%
Audit-related	34,850	19.0%	36,100	22.2%
Tax	20,929	11.4%	23,343	14.4%
All other	805	*	844	*
TOTAL	\$ 183,459		\$ 162,487	

*less than 1%

Services rendered in 2003 in connection with "audit-related" fees were fees principally for professional services rendered for the audit of related entities and agreed upon procedures for the trust department. Services rendered in 2003 in connection with "tax" fees were compliance fees for the preparation of original and amended tax returns, claims for refunds and tax payment-planning services for tax compliance, tax planning and tax advice. Tax fees also include fees relating to other tax advices, tax consulting and planning other than for tax compliance preparation. "All other" services consisted primarily of regulatory compliance advice. All services provided by McGladrey & Pullen, LLP and RSM McGladrey, Inc. were pre-approved by the audit committee. The Company did not retain McGladrey for the rendering of any financial information design-related services in 2003.

The Company has not yet selected an independent auditor for the fiscal year ending December 31, 2004. The Audit Committee is currently engaged in the process of evaluating qualified independent auditor candidates and determining which candidate will be retained by the Company. McGladrey & Pullen, LLP served as the Company's independent auditors for the fiscal year ended December 31, 2003. A representative of McGladrey & Pullen, LLP will be present at the Annual Meeting and will have the opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

In addition to the committees of the Board of Directors described above, the Company's independent directors met one time in executive session in 2003 and will meet a minimum of two times in executive session in 2004. Mr. Wyatt, Chairman of the Nominating & Corporate Governance Committee, will preside at these executive sessions.

- 6 -

Any stockholder who wishes to contact the Board directly may do so by contacting either Mr. Mills or Mr. Leister, (1) in writing, in care of First Busey Corporation, 201 W. Main, Urbana, IL 61801 or (2) electronically, through the hyperlink available at the Company's website at www.busey.com. All such communications will be forwarded to the entire Board, or only the independent directors, in accordance with instructions provided in such communications.

During 2003, non-employee directors of the Company received a cash retainer of \$10,000. Directors who are also employees of the Company or any of its subsidiaries do not receive additional compensation for serving on the Board.

Edgar Filing: FIRST BUSEY CORP /NV/ - Form DEF 14A

Report of the Audit Committee

In accordance with its written charter adopted by the Board of Directors, the Audit Committee of the Board assists the Board in fulfilling its responsibility for the oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company. During the year, the Committee met six times and also reviewed and discussed the interim financial information contained in each quarterly earnings announcement with management and the independent auditors prior to public release. The Amended and Restated Audit Committee Charter is attached to this Proxy Statement as Annex C.

In discharging its oversight responsibility as to the audit process, the Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Company that might bear on auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," discussed with the auditors any relationships that may impact their objectivity and independence and satisfied itself as to the auditors' independence. The Committee also discussed with management, the internal auditors and the independent auditors the quality and adequacy of the Company's internal controls and internal audit function's organization, responsibilities, budget and staffing. The Committee reviewed with both the independent and internal auditors their audit plans, scope, and identification of audit risk areas.

The Committee discussed and reviewed with the independent auditors all communications required by auditing standards, generally accepted in the United States of America including those described in Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees," and discussed and reviewed the results of the independent auditors' examination of the consolidated financial statements. The Committee also discussed the results of the internal audit examinations.

The Committee reviewed the consolidated audited financial statements of the Company as of and for the year ended December 31, 2003, with management and the independent auditors. Management has the responsibility for the preparation of the Company's consolidated financial statements and the independent auditors have the responsibility for the audit of those statements.

Based upon the above-mentioned review and discussions with management and the independent auditors, the Committee recommended to the Board that the Company's audited

- 7 -

consolidated financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2003, for filing with the Securities and Exchange Commission.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Executive Management Compensation and Succession Committee of the Board of Directors administers the Company's executive compensation program. After consideration of the Committee's recommendations, the full Board of Directors reviews and approves all compensation, both monetary and stock-based to all executive officers.

Edgar Filing: FIRST BUSEY CORP /NV/ - Form DEF 14A

In the past, there have been three main components to the executive officers' compensation package: salary, cash bonus and stock awards. It is the intention of the Committee that compensation be set in such a manner as to be competitive to attract, retain and motivate its management team. The Committee also believes that stock ownership by its executive officers assists in aligning the executive officers' interests with those of the Company's stockholders. In January 2003, the Committee recommended and the Board of Directors approved the Management and Associate Dividend Program, or the "MAD program." Under the MAD program, the Board of Directors set four targeted levels for "diluted earnings per share" for the Company for 2003. These levels were \$1.43, \$1.44, \$1.45, and \$1.46. Based on the level of achievement of earnings per share, the officer or associate would receive a dividend of a predetermined percentage of their salary. If the minimum level was not reached, there would be no dividend paid under the MAD program. If the top level was exceeded, the dividend would not be increased. The goal of the MAD program is to heighten awareness of the Company's earnings per share goal while emphasizing the impact of the team concept throughout the organization. The term "dividend" was used to indicate that this award was granted at the discretion of the Board of Directors and would be based annually on the achievement of earnings per share, similar to the dividend paid to the Company's stockholders. Under this program, the Board

- 12 -

hopes to further enhance the alignment of the staff's efforts with those of the Company's stockholders.

Compensation of the Chief Executive Officer

Base Salary/MAD Program. Mr. Mills' 2003 base salary was set at \$150,000, representing a 50% increase from his base salary of \$100,000 for 2002. The Committee determined that under the MAD program, if the level of earnings per share set by the Board was achieved, \$1.43, \$1.44, \$1.45, or \$1.46, Mr. Mills' dividend would be \$80,000, \$90,000, \$100,000, or \$105,000, respectively. Based on the Company's achievement of earnings per share of \$1.45, Mr. Mills received a cash dividend of \$100,000. The Committee determined that the increase in base compensation, along with the potential under the MAD program will bring Mr. Mills' total compensation package more in line with peer chief executive officers.

Stock Options. The granting of stock options by the Committee is designed to retain and motivate the management team as well as align executive officers' financial interests with stockholder value. The number of stock options granted to an executive officer and other officers is determined by the Committee and approved by the Board. Grants of stock options are intended to recognize different levels of contribution to the achievement of the Company's annual corporate goals as well as different levels of responsibility and experience. All stock options are granted with an exercise price equal to the fair market value of Common Stock on the date of grant. There were no stock options granted in 2003.

PROPOSAL NO. 2

APPROVAL OF THE FIRST BUSEY CORPORATION 2004 STOCK OPTION PLAN

GENERAL

The Company previously awarded options under its 1999 Stock Option Plan. Options covering 414,700 shares of Common Stock have been issued pursuant to the 1999 Plan. As of February 27, 2004, 85,300 shares were reserved for issuance pursuant to the 1999 Plan. The Board of Directors believes that, because of the Company's continued anticipated growth, it will be necessary to hire additional management personnel. In view of these personnel needs, and in light of the present level of remuneration paid to management and the present level of management's equity in the Company, the Board of Directors is of the opinion that it is appropriate that stock options continue to be a major component of the Company's management remuneration package. Accordingly, on February 17, 2004, the Board of Directors, subject to

- 15 -

stockholder approval, adopted the First Busey Corporation 2004 Stock Option Plan. The complete text of the 2004 Plan is attached hereto as Annex D.

TERMS OF THE PLAN

Under the 2004 Plan, options to purchase 1,000,000 shares of Common Stock may be issued. Options available under the 1999 Stock Option Plan will be issued prior to any issuance under the 2004 Stock Option Plan, if approved. The 2004 Plan is administered by the Executive Management Compensation and Succession Committee, a committee consisting of at least three non-employee directors within the meaning of Rule 16b-3 under the Exchange Act selected by the Board of Directors. Within the applicable limits of the 2004 Plan, such committee shall have full authority to select from among eligible individuals those to whom options shall be granted under the 2004 Plan, the number of shares subject to each option and the price, terms and conditions of any options to be granted thereunder. The Board of Directors shall have full authority to amend the 2004 Plan. No amendment to the 2004 Plan shall, without the consent of the holder of an existing option, materially and adversely affect their rights under such option.

Employees and directors of the Company and employees and directors of its subsidiaries are eligible to receive options under the 2004 Plan. The exercise price of any option must be equal to at least 100% of the fair market value of the shares on the date of the grant.

No option may be exercisable for more than ten years from the date of grant.

Under the 2004 Plan, only non-qualified stock options may be granted. For federal income tax purposes, a holder of a non-qualified stock option will generally realize taxable income upon the exercise of an option, and at that time the Company will then be allowed a tax deduction equal to the excess of (a)

Edgar Filing: FIRST BUSEY CORP /NV/ - Form DEF 14A

the aggregate market value, at the time of such exercise of shares acquired pursuant to such exercise over (b) the aggregate option exercise price for such shares.

Options may generally not be transferred except to the extent that options may be exercised by an executor or administrator. Under the 2004 Plan, options generally lapse if the optionee ceases to be an employee of the Company or its subsidiaries. However, if the cessation of employment is due to disability or death of the optionee, options may be exercised within 180 days of the optionee's death or disability, provided, however, that no option may be exercisable after its normal expiration date.

The 2004 Plan terminates on February 17, 2014. The 2004 Plan may be altered, suspended or discontinued at any time by the Board of Directors, provided that no such action may, without the consent of an optionee, materially and adversely affect their rights under any outstanding options. If approval of the stockholders is not obtained at the 2004 Annual Meeting, the 2004 Plan will be terminated. Options are subject to adjustment to protect against dilution in certain events, including the recapitalization or reorganization of the Company, its merger into or consolidation with another corporation, stock splits and stock dividends.

As to any proposal that a stockholder intends to present to stockholders without inclusion in the Company's Proxy Statement for the Company's 2005 Annual Meeting of Stockholders, the proxies named in management's proxy for that meeting will be entitled to exercise their discretionary authority on that proposal unless the Company receives notice of the matter to be

proposed not later than February 3, 2005. Even if proper notice is received on or prior to February 3, 2005, the proxies named in management's proxy for that meeting may nevertheless exercise their discretionary authority with respect to such matter by advising stockholders of such proposal and how they intend to exercise their discretion to vote on such matter, unless the stockholder making the proposal solicits proxies with respect to the proposal to the extent required by Rule 14a-4(c) (2) under the Exchange Act.

Edgar Filing: FIRST BUSEY CORP /NV/ - Form DEF 14A

(g) "Exchange Act" shall mean the Securities Exchange Act of 1934.

(h) "Option" shall mean an Option to purchase Stock granted pursuant to the provisions of paragraph 6.

(i) "Optionee" shall mean an Employee or Director to whom an Option has been granted pursuant to this Plan.

(j) "Stock" shall mean the Common Stock, without par value, of the Company, or in the event that the outstanding shares of Stock are exchanged for shares of a different stock or securities of the Company or some other corporation, such other stock or securities.

(k) "Subsidiary" shall mean any subsidiary corporation of the Company as defined in Section 424(f) of the Code.

(l) "Termination of Employment" shall mean the later of (i) a severance of the employer-employee relationship with the Company or (ii) the resignation, removal or termination of an officer or Director of the Company.

3. Stock Subject to the Plan.

One million (1,000,000) shares of Stock shall be reserved for issue upon the exercise of Options granted under the Plan. In the event an Option is exercised, the Company may use authorized but unissued shares or shares held in treasury in lieu thereof. If any Option granted under the Plan shall expire or terminate for any reason without having been exercised in full, the unpurchased shares subject to such Option shall again be available for the purposes of the Plan.

4. Administration of the Plan.

4.1. The Plan shall be administered by the Compensation Committee of the Board of Directors consisting of not less than three (3) members. Each member of such Committee shall be a non-employee director as defined in Rule 16b-3 of the Rules and Regulations of the Securities and Exchange Commission, as amended from time to time.

4.2. The Committee shall be appointed by the Board of Directors of the Company. The Board of Directors of the Company may, within the limits herein provided, from time to time in its discretion, fix and change the number of members of the Committee, remove members of the Committee, appoint members of the Committee in substitution for or in addition to members previously appointed, and fill vacancies however caused in the Committee.

4.3. The Board of Directors shall select one of the Committee members as its chairman, and the Committee shall hold its meetings at such times and places as it may determine. A majority of its members shall constitute a quorum, but all action of the Committee shall be taken by a majority of its members. Any action, decision or determination reduced to writing and signed by all members shall be fully as effective as if it had been done or made by a vote of a majority of the members at the meeting duly called and held. The Committee may appoint a secretary, and shall keep minutes of its meetings and actions, and shall make such rules and regulations for the conduct of the business of the Committee as it deems advisable. The secretary may be, but need not be, an Employee of the Company or a Subsidiary. Serving as secretary of the Committee shall not disqualify an Employee from receiving an Option under the Plan.

4.4. Subject to the express provisions of the Plan, the Committee shall have plenary authority, in its sole discretion, to determine the individuals to whom Options shall be granted, the number of shares subject to each Option, the Option exercise price, the time or times at which Options shall be granted, and the other terms and conditions of such Options. Subject to the express provisions of the Plan, the Committee shall also have plenary authority, in its discretion, to construe and interpret the Plan, to make determinations in administration of the Plan, to make, amend and rescind rules and regulations regarding the Plan and its administration, to determine the terms and provisions of the respective Stock Option agreements (which need not be identical), and to take whatever action is necessary to carry out the purposes of the Plan; provided, however, the Committee shall take no action which will impair any Option previously granted under the Plan or cause the Plan to not meet the requirements of Rule 16b-3 of the Rules and Regulations of the Securities and Exchange Commission. The Committee's actions and determinations on matters referred to in this section shall be conclusive on all persons whomsoever. No act or failure to act on the part of the Committee, or on the part of any member thereof, shall result in any liability whatsoever if taken in good faith.

5. Type of Option Granted By The Plan.

The Committee shall have authority to grant Options which do not qualify as incentive stock options as defined in Section 422 of the Code.

6. Eligibility to Receive Options Under The Plan.

6.1. Options may be granted under the Plan to any Employee or Director of the Company or any of its Subsidiaries. An Option may be granted to an individual upon the condition that such individual will become an Employee or Director of the Company or any of its Subsidiaries; provided, however, that such a conditional Option shall be deemed to be granted only on the date such individual becomes an Employee or Director.

6.2. In making a determination as to persons to whom Options shall be granted under the Plan, and the number of shares to be covered by such Options, the Committee shall take into consideration the nature of the services rendered or to be rendered by the Employee or Director, the Employee's or Director's present and potential contributions to the success of the Company, and such other factors as the Committee shall deem relevant in accomplishing the purposes of the Plan. Any and all determinations made by the Committee pursuant to this section shall be binding upon all persons whomsoever, and no Employee or Director eligible to receive an Option under the Plan shall have any legal right to complain as to any determination which shall be made by the Committee hereunder with respect to such Employee or Director.

6.3. Nothing contained in the Plan shall be construed to limit the right of the Company to grant Options otherwise than under the Plan in connection with (a) the employment or directorship of any person, (b) the acquisition of any corporation, firm or association, or the business or assets thereof, including Options granted to employees thereof who become employees of the Company or a Subsidiary, or (c) other proper corporate purposes.

7. Option Price.

7.1. The purchase price of the Stock subject to each Option granted

Edgar Filing: FIRST BUSEY CORP /NV/ - Form DEF 14A

hereunder shall be equal to at least 100% of the fair market value of the Stock at the time of the grant of the Option.

7.2. The Committee shall adopt criteria for the determination of the fair market value of Stock subject to any Option granted pursuant to this Plan; provided, however, if the Stock is quoted on the National Association of Securities Dealers Automated Quotation System ("Nasdaq National Market") or any national securities exchange, the fair market value shall be the closing price on the date of such grant.

8. Term of Options.

8.1. Except as provided in paragraph 6.1, the term of each Option granted pursuant to the Plan shall not exceed ten (10) years from the date of granting thereof. Within such ten-year limit, Options will be exercisable only at such time or times, subject to the restrictions of paragraphs 10, 11 and 12, and any other restrictions and conditions, as the Committee shall in each instance approve, which need not be uniform for all individuals to whom Options are granted.

8.2. Except as provided in paragraphs 11 and 12, no Option may be exercised at any time unless the Optionee is then an Employee of the Company or a Subsidiary or a Director of the Company or a Subsidiary and has been so employed or has been a Director continuously since the granting of the Option.

9. Date of Grant of Option.

The grant of an Option under the Plan shall take place on or as of the date the Committee grants an Employee or Director a particular Option; provided, however, that if the resolution or other written determination of the Committee specifies that an Option is to be granted as of and at some future date, the date of grant shall be such future date.

10. Exercise of Option.

10.1. Except as provided in paragraphs 11 and 12, unless otherwise provided in the terms under which the Committee granted the Option, each Option shall be exercisable in whole (i.e. the rights for all shares subject to any one Option must be exercised in full) only at any time and from time to time on a date specified in the relevant Option Agreement and provided in paragraph 10.2, which shall be a date no earlier than six months after the date of grant of such Option.

10.2. To the extent that the right to purchase shares under an Option granted under the Plan is exercisable, in order to exercise an option, the Optionee must provide written notice to the Company in accordance with the rules and procedures established by the Committee. Such notice to the Company shall state the number and identity of Stock with respect to which the

D-4

Option is being exercised, and shall be accompanied by payment in full in cash or in any other form and term as the Committee shall permit.

10.3. After the exercise of an Option, the Company shall within a reasonable time deliver to the person exercising the Option a certificate or certificates issued in the name of the person who exercised the Option for the appropriate number of shares. Each Option granted under the Plan shall be subject to the requirement that if at any time the Board of Directors of the Company shall determine that the listing, registration or qualification of the

Edgar Filing: FIRST BUSEY CORP /NV/ - Form DEF 14A

shares subject to such Option upon any securities exchange or under any state or Federal law, or the consent or approval of any governmental regulatory body, is necessary or desirable, as a condition of, or in connection with, the granting of such Option or the issue or purchase of shares thereunder, no such Option may be exercised unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Board of Directors.

10.4. An Optionee under an Option granted under the Plan shall have no rights as a shareholder with respect to any shares covered by an Option until one or more certificates for shares shall have been delivered to the Optionee upon due exercise of an Option as above provided.

10.5. An Option granted under the Plan shall be nontransferable by the Optionee other than by will or the laws of descent and distribution, and shall be exercised during the Optionee's lifetime only by the Optionee, unless the Optionee is under legal disability, in which case it may be exercised by the Optionee's duly appointed legal representative.

11. Termination of Employment.

11.1. Except in the case of disability or death, as provided in paragraphs 11.2 and 12, if an Optionee of an Option granted under the Plan has a Termination of Employment with the Company or a Subsidiary, then all Options granted to such person under the Plan shall terminate and expire as of the date the Optionee ceases to be an Employee or a Director, unless otherwise provided by the Committee in its sole discretion.

11.2. If an Optionee becomes permanently and totally disabled, all Options which are not presently exercisable shall become exercisable on the date the Optionee has a Termination of Employment because of such disability. Any unexercised Option held by such disabled Optionee shall expire not later than 180 days after the Optionee has a Termination of Employment because of such disability; provided, however, no Option may be exercised after the expiration date specified for the particular Option in the Option grant.

11.3. The transfer of an Employee from one corporation to another among the Company and its Subsidiaries, or a leave of absence (as described in Section 1.421-7(h)(2) of the Income Tax Regulations) with the written consent of the Company or a Subsidiary shall not be deemed a Termination of Employment for the purposes of the Plan, and an option agreement may provide that retirement at a time when the Optionee is eligible for an immediate retirement benefit under

D-5

any retirement plan of the Company shall not be a Termination of Employment for purposes of an Option.

12. Death of Optionee.

12.1. If an Optionee under the Plan dies while an Employee or Director of the Company or a Subsidiary, all Options which are not presently exercisable shall become exercisable on the date of the Optionee's death. The shares which the Optionee was or becomes entitled to purchase on the date of the Optionee's death under an Option or Options granted under the Plan may be purchased at any time after the Optionee's death by the person or persons to whom said rights under the Option or Options shall have passed by the Optionee's will or by the applicable laws of descent and distribution; provided, however, that any unexercised Option held by an Optionee who dies shall expire not later than 180 days after the date of the Optionee's death, and that no Option may be

Edgar Filing: FIRST BUSEY CORP /NV/ - Form DEF 14A

exercised after the expiration date specified for the particular Option in the Option grant.

13. Effect of Merger, Change in Capitalization, Etc.

13.1. In the event of any reclassification or increase or decrease in the number of the issued shares of Stock of the Company by reason of the payment of a Stock dividend, a split or consolidation of shares, a recapitalization, a combination or exchange of shares or any like capital adjustment, then (a) the aggregate number and the class of shares reserved under the Plan shall be as though the shares reserved had been outstanding prior to any adjustment as aforesaid, and (b) as to any outstanding unexercised Options theretofore granted under the Plan, there shall be a corresponding adjustment as to the class and number of shares covered by each Option, and as to the purchase price under each Option, to the end that the Optionee's proportionate interest shall be maintained as before the occurrence of such event without change in the total purchase price applicable to said Option.

13.2. In the event the Company shall approve a plan of reorganization or of merger into or consolidation with any other corporation, and appropriate provision is made for the resulting corporation's assumption of the Plan under terms whereby the unexercised portion of each Option then outstanding under the Plan shall thereafter apply to such number and kind of securities as would have been issuable by reason of such reorganization, merger or consolidation to a holder of the number of shares which were subject to the Option immediately prior to such reorganization, merger or consolidation, without change in the total purchase price applicable to said Option, then such Options shall continue under the Plan.

13.3. In the event the Company shall approve a plan of reorganization or of merger into or consolidation with any other corporation, and appropriate provision is not made for the assumption of the Plan by the resulting corporation as above provided in paragraph 13.2, or in the event the Company shall approve a plan of dissolution, liquidation or sale of substantially all of its assets, then in any event, the unexercised portion of each Option then outstanding under the Plan shall terminate as of a date fixed by the Committee and approved by the Board of Directors of the Company upon not less than thirty days' written notice to each Optionee; provided, however, that any such Option shall be accelerated and may be exercised before the termination

D-6

date fixed as aforesaid; provided further, however, that such termination date shall be fixed as of a date on or before the effective date of such reorganization, merger, consolidation, dissolution, liquidation or sale.

13.4. In the event the Company shall issue additional capital Stock of any class for cash or other consideration, there shall be no adjustment in the number of shares covered by outstanding Options under the Plan, and no adjustment in the purchase price under such Options.

14. Termination and Amendment of The Plan.

14.1. This Plan shall terminate ten years from the date the Plan was adopted by the Board of Directors, and no Option shall be granted hereunder after said date, but such termination shall not affect any Option theretofore granted. The Board of Directors of the Company may suspend, discontinue or terminate the Plan at any time, and may from time to time make such changes in and additions to the Plan as the Board of Directors shall deem advisable; provided, however, that the Board of Directors may not, without approval by the

Edgar Filing: FIRST BUSEY CORP /NV/ - Form DEF 14A

shareholders of the Company, change any provision which otherwise requires shareholder approval in accordance with applicable rules and regulations.

14.2. Subject to other provisions of the Plan, no termination or amendment of the Plan may, without the consent of the Optionee under an Option then outstanding, terminate such Option or materially and adversely affect the rights of the Optionee thereunder.

15. Shareholder Approval.

Notwithstanding any other provision of this Plan, no Option granted under this Plan may be exercised until this Plan is approved by vote of a majority of the total votes cast by the shareholders of the Company at the Company's Annual Meeting to be held on April 13, 2004. In the event such shareholder approval is not forthcoming at the Company's Annual Meeting to be held on April 13, 2004, this Plan and any Options granted pursuant to it shall be null and void.

16. Amendments to Code or Regulations.

Any reference in this Plan to a section of the Code or a section of the Income Tax Regulations shall include any amendments thereto and shall include such additional sections of the Code or Regulations into which the substance of the cited subsections shall be incorporated.
