REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Conexant Systems, Inc.
Hourly Employees Savings Plan

We have audited the accompanying statements of net assets available for benefits of the Conexant Systems, Inc. Hourly Employees Savings Plan (the Plan) as of December 31, 2003 and 2002, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan s management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States) and in accordance with generally accepted auditing standards as established by the Auditing Standards Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2003 and 2002, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules listed in the table of contents are presented for the purpose of additional analysis and are not a required part of the basic financial statements, but are supplementary information required by the Department of Labor s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These schedules are the responsibility of the Plan s management. Such schedules have been subjected to the auditing procedures applied in our audits of the basic 2003 and 2002 financial statements and, in our opinion, are fairly stated in all material respects when considered in relation to the basic financial statements taken as a whole.

**NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2003 AND 2002**

1. DESCRIPTION OF PLAN

Effective January 1, 1999, Conexant Systems, Inc. (the Company or Plan Sponsor) adopted the Conexant Systems, Inc. Hourly Employees Savings Plan (the Plan). The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan s provisions.

On January 7, 2002, the Board of Directors of Conexant Systems, Inc. approved a resolution to change the Plan year-end to December 31, effective with the Plan year beginning October 1, 2001.

In March 2002, the Company and the Carlyle Group formed a new specialty foundry company named Jazz Semiconductor, Inc. (Jazz) in which the Company contributed its Newport Beach, California wafer fabrication operations and certain assets to Jazz in exchange for cash and a minority interest. In connection with this transaction, all hourly employees of the Company were transferred to Jazz.

Effective April 1, 2004, the Plan was merged with and into the Conexant Systems, Inc. Retirement Savings Plan and all undistributed account balances and liabilities (including outstanding loan balances) associated therewith were transferred to the Retirement Savings Plan.

General The Plan is a defined-contribution plan designed to qualify under Internal Revenue Code (the Code) Section 401(a). The Plan covers former union employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). At December 31, 2003, the Plan had 201 vested and terminated participants.

Fidelity Investments Institutional Operations Company, Inc. provides recordkeeping services to the Plan in its capacity as agent for the trustee, Fidelity Management Trust Company (Fidelity), pursuant to the terms of the Trust Agreement between Conexant Systems, Inc. Master Trust (the Trust) and Fidelity Management Trust Company. All of the Plan s assets and the assets of the Conexant Systems, Inc. Retirement Savings Plan are kept in the Trust. As of December 31, 2003 and 2002, the Plan owned 2% and 3%, respectively, of the total net assets available for benefits in the Trust. Net assets of the Trust and plan-specific expenses are allocated to the Plan based on specific identification. Net investment income, gains and losses and general expenses are allocated based on the Plan s proportional share of net assets in the Trust.

Contributions Each year, participants may elect to contribute up to 15% of pre-tax/post-tax annual compensation, as defined in the Plan. There were no participant contributions during the calendar year ended December 31, 2003 due to the transfer of all eligible hourly participants to Jazz in 2002. For employees with 52 weeks of service, the Company matched 52% of employee contributions, up to \$650 in the form of Conexant common stock for the calendar year ended December 31, 2002. The amount allocated each calendar year to any participant cannot exceed the lesser of \$40,000 or 100% of a participant s total compensation for the Plan year ended December 31, 2002. For purposes of this limitation, amounts allocated shall be comprised of Company matching contributions and the

Table of Contents

participant's pre-tax and post-tax contributions. All Company contributions are directed to the Conexant Stock Fund A (not participant directed), which was established for company-matching contributions.

Benefit Distribution Upon retirement, a participant's account shall be distributed in either (a) a lump sum payment or (b) 10 or fewer annual payments, less any loans outstanding. Account withdrawals are permitted by participants who suffer certain financial hardships and meet criteria established by the Internal Revenue Service (IRS). Participants who terminate employment prior to retirement and whose aggregate vested account value is less than \$5,000, will receive the vested portion of their accounts in a lump-sum distribution. For aggregate vested accounts with a value greater than \$5,000, the account may be kept in the Plan at the election of the participant.

Participant Accounts Each participant's account reflects the participant's contributions, the Company's matching contributions, an allocation of Plan earnings (losses) and an allocation of administrative expenses. Allocations of administrative expenses are equally allocated to all participants.

Investment Options Upon enrollment in the Plan, a participant may direct employee contributions, as follows:

4. INCOME TAXES

The Internal Revenue Service has determined and informed the Company by a letter dated June 5, 2000, that the Plan and related trust were designed in accordance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

5. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of stocks, bonds, fixed-income securities and mutual funds. Investment securities are exposed to various risks, such as interest rate, market and credit. Because of the risks associated with certain investment securities and the uncertainties related to changes in the value of investment securities, it is possible that changes in the value of such securities may materially affect participants account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.
