Edgar Filing: SYMS CORP - Form 8-K

Item 1.01 Entry into a Material Definitive Agreement.

In connection with the special one-time dividend paid on May 12, 2005 to shareholders of record of Syms Corp (the "Company") as of April 27, 2005, the Stock Option Committee of the Board of Directors of the Company approved on June 3, 2005 an anti-dilution adjustment to all outstanding options to purchase shares of the Company's common stock, par value \$0.05 per share. Such adjustments were made pursuant to the anti-dilution provisions of the Company's Amended and Restated Incentive Stock Option and Appreciation Plan, as amended, to prevent dilution and restore the economic position to that existing immediately prior to the dividend. The exercise prices of all such options were reduced by the ratio of the stock price ex-dividend to the stock price with the dividend, or 0.9266, and the number of stock options was correspondingly increased by the reciprocal of this ratio, or 1.0792. Following the adjustments, the following named executive officers hold the number of options set forth below:

Executive Officer	Original Number of Shares Underlying Options	Original Exercise Price	Number of Shares Underlying Options, as Adjusted
Marcy Syms	(a) 312,500	\$5.625	337,250
	(b) 25,000	\$9.875	26,980
	(c) 200,000	\$10.6875	215,840
Allen Brailsford	5,000	\$5.625	5,396
Ronald Zindman	(a) 65,100	\$8.00	70,256
	(b) 28,000	\$5.625	30,218

SIGNATURE
