Item 8.01 Other Events.

Following the shareholder vote in connection with the Common Share Consolidation, on April 23, 2013, the Board of Directors approved the implementation of a share consolidation at a

ratio of three-for-one. As of the effective date of the Common Share Consolidation, every three “old” Common Shares will be converted into one “new” Common Share. Following the Common Share Consolidation, the “new” Common Shares will begin trading on the Toronto Stock Exchange and on the Nasdaq Capital Market on a split adjusted basis at the opening of trading on April 26, 2013 with the symbols “IE” and “IVAN”, respectively.

As a result of the Common Share Consolidation, holders of certificates representing “old” Common Shares prior to the effective date have the right to receive, upon surrender of those certificates, “new” Common Shares at the ratio of one “new” Common Share for every three “old” Common Shares. No fractional shares will be issued in connection with the Common Share Consolidation. Instead, holders of “old” Common Shares who otherwise would have received fractional shares will receive the number of “new” Common Shares rounded to the nearest whole number of “new” Common Shares.

Existing shareholders holding Common Share certificates will receive a Letter of Transmittal from the Company’s transfer agent with specific instructions regarding the exchange of shares. On April 24, 2013, the Company issued a press release with respect to the Common Share Consolidation described above. The press release is filed as Exhibit 99.1 hereto and is incorporated herein by reference.
