PROSPECTUS SUMMARY

This summary does not contain all of the information regarding Intertape Polymer Group that may be important to you. You should read the entire Prospectus and the more detailed information and the financial statements and related notes which are incorporated in this Prospectus by reference.

Intertape Polymer Group develops and manufactures industrial plastic packaging products. We have engaged in a series of acquisitions to broaden our product line and to provide our customers with one-stop shopping by offering a basket of products .

On September 25, 2000, Intertape Polymer Group, through UTC Acquisition Corp., a U.S. subsidiary, completed the acquisition of certain of the assets of Olympian Tape Sales, Inc. d/b/a United Tape Company, the Selling Shareholder. The Selling Shareholder is a distributor of a wide range of packaging products with facilities in Cumming, Georgia. The purchase price was approximately \$32 million, \$4 million of which was paid through the issuance of Intertape Polymer Group's common stock, which constitute the Offered Shares hereunder. The Selling Shareholder received 250,587 Common Shares of Intertape Polymer Group which are being offered hereunder to the public at their then current market price on the New York Stock Exchange. This offer is to remain open for a minimum of 180 days. Intertape Polymer Group will not receive any proceeds from the sale of the Offered Shares. Intertape Polymer Group will pay all costs of the registration.

Intertape Polymer Group was incorporated under the Canada Business Corporations Act on December 22, 1989. Our principal offices are located at 110 E Montee de Liesse, St. Laurent, Quebec, Canada H4T 1N4, and our phone number is (514) 731-7591.

RISK FACTORS

The purchase of the Offered Shares involves a high degree of risk. The following are the material risk factors applicable to our operations and the Offered Shares which should be carefully considered by prospective investors:

FUTURE ACQUISITIONS OF COMPANIES MAY HAVE AN ADVERSE EFFECT ON OUR BUSINESS, FINANCIAL CONDITION AND OPERATIONS. An important aspect of Intertape Polymer Group's business strategy is to acquire companies that will complement our existing companies and products, expand our marketing area, improve distribution efficiencies, and enhance our technological capabilities. Financial risks to Intertape Polymer Group in connection with future acquisitions include the use of its cash resources, incurring additional debt and liabilities, incurring amortization expenses related to goodwill and other intangible assets, and potentially dilutive issuances of equity securities. Further, there are possible operational risks including difficulties assimilating the operations, products, technology, information systems and personnel of acquired companies; the loss of key personnel of acquired entities; the entry into markets in which we have no or limited prior

experience; and difficulties honoring commitments made to customers of the acquired companies prior to the acquisition. The failure to adequately address these risks could adversely affect our business.

INCREASES IN RAW MATERIAL PRICES REDUCE GROSS PROFIT MARGINS AND SHORTAGES DECREASE SALES. A substantial portion of the cost of manufacturing Intertape Polymer Group's products is the cost of raw materials, primarily petroleum based resins. Historically, there have been fluctuations in these raw material prices due to factors which are beyond our control, and in some instances price movements have been volatile when associated with outside influences. Intertape Polymer Group may not be able to pass on raw material price increases in the future which will reduce its gross profit margins. Further, in the past, there have been shortages from time to time in the supply of certain resins. In the event there are shortages, Intertape Polymer Group's sales would decrease.

A WEAKENING OF THE CANADIAN DOLLAR RELATIVE TO THE U.S. DOLLAR WOULD REDUCE THE MARKET VALUE AND TRADING PRICE OF OUR STOCK. Intertape Polymer Group's result of operations were reported in Canadian dollars through December 31, 1998. Commencing January 1, 1999, due to increased activity in the U.S., Intertape Polymer Group adopted the U.S. dollar as its reporting currency. Since the trading price in the United States of the Common Shares of Intertape Polymer Group is quoted in U.S. dollars, any weakening of the Canadian dollar relative to the U.S. dollar could result in a decline in the market value and trading price of the Common Shares measured in U.S. dollars. The exchange rate between Canadian dollars and U.S. dollars has varied significantly over the last five years.

NEW PRODUCTS MAY FAIL TO ATTRACT CUSTOMERS. Intertape Polymer Group's business plan involves the introduction of new products, which are both developed internally and obtained through acquisition. In the event the market does not accept these products or competitors introduce similar products, Intertape Polymer Group's ability to expand its markets and generate organic growth would be negatively impacted and there would be an adverse affect on its financial condition and operating results.

WE MAY NOT BE ABLE TO COMPETE SUCCESSFULLY WITH OUR LARGER COMPETITORS. Intertape Polymer Group competes with other manufacturers of plastic packaging products as well as manufacturers of alternative packaging products such as paper, cardboard and paper-plastic combinations. Some of these competitors are larger companies with greater financial resources. Intertape Polymer Group believes there are significant barriers to entry into the existing packaging market, including the high cost of vertical integration, the significant number of patents already issued in respect of various processes and equipment, and the difficulties and cost of developing an adequate distribution network.

A SLOWDOWN IN CROSS-BORDER TRANSPORTATION DECREASES THE VOLUME OF PRODUCTS MANUFACTURED AND SHIPPED. Since September 11, 2001, Intertape Polymer Group has been experiencing a cross-border transportation slowdown which reduces the amount of raw materials

received, thus reducing the amount of products which can be manufactured and shipped. In addition, shipments of product to customers has been slowed down which results in fewer sales.

COMPLIANCE WITH ENVIRONMENTAL REGULATIONS COULD BE COSTLY. Intertape Polymer Group, like others in similar businesses, is subject to extensive environmental laws and regulations. Intertape's policies and procedures have been designed to comply with these laws and regulations. Increasingly stringent environmental regulations could necessitate Intertape to make additional expenditures. Achieving and maintaining compliance with present and future environmental laws could restrict Intertape's ability to modify or expand its plants or to continue manufacturing. Compliance could also require the acquisition of additional equipment. Some of Intertape Polymer Group's plants have a history of industrial use. Soil and groundwater contamination has occurred at some of Intertape's plants. Environmental laws impose liability on an owner, tenant, or operator of real property for the removal or remediation of hazardous or toxic substances, even if they were unaware of or not responsible for the contamination. Further, any company who arranges for the disposal or treatment of hazardous substances at a disposal facility may be liable for the costs of remediation of such substances at such facility whether or not the company owns or operates the facility. In accordance with environmental laws, Intertape periodically investigates, remediates, and monitors soil and groundwater contamination at certain of its plants. Currently Intertape is remediating contamination at its Marysville, Michigan, Columbia, South Carolina, and Carbondale, Illinois, plants, however, the ultimate resolution of these matters should not have a material adverse effect on Intertape's business or results of operations.

Intertape Polymer Group obtains Phase I or similar environmental assessments for most of the manufacturing facilities it owns or leases at the time it either acquires or leases such facilities. These assessments typically include general inspections without soil sampling or ground water analysis. The assessments have not revealed any environmental liability that, based on current information, we believe will have a material adverse effect on Intertape. Nevertheless, our assessment may not reveal all environmental liabilities and current assessments are not available for all facilities. Consequently, there may be material environmental liabilities we are not aware of. In addition, ongoing clean up and containment operations may not be adequate for purposes of future laws. The conditions of our properties could be affected in the future by the conditions of the land or operations in the vicinity of the properties. These developments and others, such as increasingly stringent environmental laws, increasingly strict enforcement of environmental laws, or claims for damage to property or injury to persons resulting from the environmental, health or safety impact of our operations, may cause us to incur significant costs and liabilities that could have a material adverse effect on us.

ANTI-TAKEOVER PROVISIONS IN OUR SHAREHOLDER PROTECTION RIGHTS PLAN MAY PREVENT AN ACQUISITION. On August 24, 1993, the shareholders of Intertape Polymer Group approved a Shareholder Protection Rights Plan. Under the Plan, one common share purchase right was issued on September 1, 1993 in respect of each outstanding common share and became issuable in respect of each common share issued thereafter. The Plan was to have expired on September 1, 1998, however, on May 21, 1998, the shareholders approved an amendment extending the term of the Plan

to September 1, 2003. The effect of the Plan is to require anyone who seeks to acquire 20% or more of Intertape Polymer Group's voting shares to make a bid complying with specific provisions. Thus, the provisions of the Plan could prevent or delay the acquisition of Intertape Polymer Group by means of a tender offer, a proxy contest, or otherwise, in which shareholders might receive a premium over the then current market price.

OUR EXEMPTIONS UNDER THE EXCHANGE ACT AS A FOREIGN PRIVATE ISSUER LIMITS THE PROTECTIONS AND INFORMATION AFFORDED INVESTORS. Intertape Polymer Group is a foreign private issuer within the meaning of the rules promulgated under the Exchange Act. As such, it is exempt from certain provisions applicable to United States companies with securities registered under the Exchange Act, including: the rules under the Exchange Act requiring the filing with the Securities and Exchange Commission of quarterly reports on Form 10-Q or current reports on Form 8-K; the sections of the Exchange Act regulating the solicitation of proxies, consents or authorizations in respect of a security registered under the Exchange Act; and the sections of the Exchange Act requiring insiders to file public reports of their stock ownership and trading activities and establishing insider liability for profits realized from any short-swing trading transaction (i.e., a purchase and sale, or sale and purchase, of the issuer's equity securities within a period of less than six months). Because of these exemptions, purchasers of Intertape Polymer Group's securities are not afforded the same protections or information generally available to investors in public companies organized in the United States. Intertape Polymer Group previously filed its annual reports on Form 20-F. Commencing with the year ended December 31, 2000, the Company filed its annual report on Form 40-F. Intertape Polymer Group reports on Form 6-K with the Commission and publicly releases quarterly financial reports.

BECAUSE WE ARE A CANADIAN COMPANY, IT MAY BE DIFFICULT FOR INVESTORS TO EFFECT SERVICE OF PROCESS OR ENFORCE JUDGMENTS AGAINST US. Intertape Polymer Group is a Canadian corporation, most of its officers and directors, and its auditors are residents of Canada, and a substantial portion of our assets are located outside of the United States. Accordingly, it may be difficult for investors to effect service of process within the United States upon Intertape Polymer Group or such persons, or to enforce against them judgments obtained in the United States predicated upon the civil liability provisions of the Securities Act. Your attention is directed to the Section titled "Enforceability of Civil Liabilities Against Foreign Persons" in this Prospectus for additional information.

NO PERSON HAS BEEN AUTHORIZED IN CONNECTION WITH THE OFFERING MADE HEREBY TO GIVE ANY INFORMATION OR TO MAKE ANY REPRESENTATIONS, OTHER THAN THOSE CONTAINED IN THIS PROSPECTUS, AND, IF GIVEN OR MADE, SUCH INFORMATION OR REPRESENTATION SHOULD NOT BE RELIED UPON AS HAVING BEEN AUTHORIZED BY INTERTAPE POLYMER GROUP. THIS PROSPECTUS DOES NOT CONSTITUTE AN OFFER TO SELL OR A SOLICITATION OF AN OFFER TO BUY ANY SECURITY IN ANY JURISDICTION IN WHICH, OR TO ANY PERSON TO WHOM SUCH OFFER OR SOLICITATION WOULD BE UNLAWFUL. NEITHER THE DELIVERY OF THIS PROSPECTUS NOR ANY DISTRIBUTION OF THE SECURITIES MADE UNDER THIS PROSPECTUS SHALL UNDER ANY CIRCUMSTANCES CREATE ANY IMPLICATION THAT THERE HAS BEEN NO CHANGE IN THE AFFAIRS OF INTERTAPE POLYMER GROUP OR IN ANY OTHER INFORMATION CONTAINED HEREIN SINCE THE DATE OF THE PROSPECTUS.

THE SECURITIES OFFERED HEREBY HAVE NOT BEEN AND WILL NOT BE QUALIFIED FOR SALE BY WAY OF A PROSPECTUS UNDER THE SECURITIES LAWS OF CANADA OR ANY PROVINCE OR TERRITORY OF CANADA. THE SECURITIES ARE NOT BEING OFFERED FOR SALE AND MAY NOT BE OFFERED OR SOLD, DIRECTLY OR INDIRECTLY, IN CANADA, OR TO ANY RESIDENT THEREOF, IN VIOLATION OF THE SECURITIES LAWS OF CANADA OR ANY PROVINCE OR TERRITORY OF CANADA.

ENFORCEABILITY OF CIVIL LIABILITIES AGAINST FOREIGN PERSONS

Intertape Polymer Group Inc., a majority of its officers and directors, and its auditors, are residents of Canada and a significant part of the assets of Intertape Polymer Group and of such persons are or may be located outside the United States. As a result, it may be difficult for investors to effect service of process within the United States upon Intertape Polymer Group or such persons, or to enforce against them judgments obtained in the United States predicated upon the civil liability provisions of the Securities Act. Intertape Polymer Group has appointed Burgess H. Hildreth, Intertape Polymer Group Inc., 3647 Cortez Road West, Bradenton, Florida 34210 as its agent to receive service of process in any action against it in any federal or state court located in the State of Florida (Florida Court) arising out of the transactions contemplated hereby or any purchase or sale of securities in connection herewith.

Intertape Polymer Group has been informed by Stikeman Elliott that the laws of Quebec permit an action to be brought before a court of competent jurisdiction in Quebec to recognize and enforce a judgment *in personam* in any Florida Court for a sum of money assessed as damages if:

the Florida Court rendering the judgment has jurisdiction over the judgment debtor, as determined under the relevant provisions of the laws of Quebec;

the judgment is not subject to ordinary remedies (such as appeal or judicial review) and is final and enforceable in the State of Florida;

the judgment was not rendered in contravention of the fundamental principles of procedure (such as notice of fair hearing, right to be heard, right to an independent and impartial tribunal and rules against bias);

there were no proceedings pending in Quebec and no judgment rendered in Quebec or in a third jurisdiction meeting the necessary conditions for recognition in Quebec between the same parties, based on the same facts and having the same object;

the outcome of the judgment is not manifestly inconsistent with public order as understood in international relations;

the outcome of the judgment does not enforce obligations arising from the taxation laws of a foreign country, unless there is reciprocity, or arising from other laws of a public nature, such as penal or expropriation laws;

the action to enforce the judgment is commenced in Quebec within the applicable limitation period after the date of the judgment; and

the judgment is not contrary to any order made by the Attorney General of Canada under the Foreign Extraterritorial Measures Act (Canada) or by the Competition Tribunal under the Competition Act (Canada) in respect of certain judgments, laws and directives having effect on competitors in Canada.

Further, if the judgment was rendered by default, the plaintiff must prove that the act of procedure initiating the proceedings was duly served on the defendant, and the Quebec court may refuse recognition or enforcement of the judgment if the defendant proves that, owing to the circumstances, it was unable to learn of the act of procedure or it was not given sufficient time to offer its defense. In any action brought before a court of competent jurisdiction in Quebec, the defendant will only be permitted to argue that the conditions set out above were not met.

If investors have questions with regard to these issues, they should seek the advice of their individual counsel.

Intertape Polymer Group has also been informed by Stikeman Elliott that, pursuant to the Currency Act (Canada), a judgment rendered by a court in any Province of Canada may only be awarded in Canadian currency. An amount in a foreign currency will be converted by a Quebec court into Canadian currency at the rate of exchange prevailing on the date the judgment became enforceable at the place it was rendered. Under Quebec law, the determination of interest payable

under a foreign decision is governed by the laws of the authority that rendered the decision until its conversion.

PLAN OF DISTRIBUTION. The Offered Shares covered by this Prospectus are currently outstanding and were issued to the Selling Shareholder in connection with the acquisition of certain of its assets by Intertape Polymer Group.

It is anticipated that the Offered Shares covered by this Prospectus will be sold from time to time primarily in transactions on the NYSE at the market price then prevailing. Sales may also be made in negotiated transactions or otherwise at prices related to the prevailing market price or otherwise. If Offered Shares are sold through brokers, the Selling Shareholder may pay customary brokerage commissions and charges. The Selling Shareholder may effect transactions by selling shares to or through broker-dealers, and such brokers-dealers may receive compensation in the form of discounts, concessions or commissions from the Selling Shareholder and/or the purchasers of shares for whom such broker-dealers may act as agent or to whom they may sell as principal, or both (which compensation as to a particular broker-dealer might be in excess of customary commissions). The Selling Shareholder and any broker-dealers that act in connection with the sale of the Offered Shares hereunder might be deemed to be underwriters within the meaning of Section 2(11) of the Securities Act, and any commissions received by them and any profit on the resale of shares as principal might be deemed to be underwriting discounts and commissions under the Securities Act.

MARKETS. Intertape Polymer Group's Common Shares currently trade on the New York Stock Exchange and The Toronto Stock Exchange under the symbol ITP. The Common Shares were listed on The Toronto Stock Exchange on January 6, 1993. Intertape Polymer Group's Common Shares were listed on the American Stock Exchange until August 23, 1999, at which time they were listed on the NYSE. The Common Shares are not traded on any other exchanges.

SELLING SHAREHOLDER. Olympian Tape Sales, Inc. d/b/a United Tape Company, a Georgia corporation, 2545 Ivy Street East, Cumming, Georgia, 30131, is the Selling Shareholder for whom Intertape Polymer Group is registering shares for resale to the public. The Selling Shareholder has not held any position, office or had any other material relationship with the Company in the past three years. Intertape Polymer Group will not receive any of the proceeds from the sale of the Offered Shares.

Some or all of the Offered Shares covered by this Prospectus may be offered from time to time on a delayed or continuing basis by the Selling Shareholder.

The Offered Shares represent 250,587 of the 28,493,235 Common Shares of Intertape Polymer Group outstanding as of September 17, 2001, or approximately .009% of Intertape Polymer Group's total outstanding common shares.

SunTrust Bank (SunTrust) is acting as escrow agent with respect to the Offered Shares pursuant to an Escrow Agreement dated September 25, 2000 by and among SunTrust, Intertape Polymer Group, the Selling Shareholder, and certain other parties. The Escrow Agreement was entered into in connection with the acquisition of certain of the assets of Selling Shareholder by a subsidiary of Intertape Polymer Group for which Intertape Polymer Group paid cash and issued the Offered Shares to the Selling Shareholder. The Offered Shares and any proceeds from the sale of the Offered Shares are to be held by SunTrust in an escrow account subject to the terms of the

Escrow Agreement. Accordingly, the Offered Shares are not beneficially owned by SunTrust but may be deemed to be beneficially owned by the Selling Shareholder.

EXCHANGE CONTROLS

There are no governmental laws, decrees or regulations in Canada that restrict the export or import of capital, including, but not limited to, foreign exchange controls, or that affect the remittance of dividends, interest or other payments to nonresident holders of the Common Shares, other than withholding tax requirements. Any such remittances, however, are subject to withholding tax.

There is no limitation imposed by Canadian law or by the charter or other constituent documents of Intertape Polymer Group on the right of nonresident or foreign owners to hold or vote Common Shares, other than the Shareholder Protection Rights Plan which requires anyone who seeks to acquire 20% or more of Intertape's voting shares to make a bid complying with specific provisions of the Plan, or as provided in the INVESTMENT CANADA ACT (Canada). The following summarizes the principal features of the INVESTMENT CANADA ACT.

The INVESTMENT CANADA ACT requires certain non-Canadian (as defined in the INVESTMENT CANADA ACT) individuals, governments, corporations and other entities who wish to acquire control of a Canadian business (as defined in the INVESTMENT CANADA ACT) to file either a notification or an application for review with the Director of Investments appointed under the INVESTMENT CANADA ACT. The INVESTMENT CANADA ACT requires that in certain cases an acquisition of control of a Canadian business by a non-Canadian must be reviewed and approved by the Minister responsible for the INVESTMENT CANADA ACT on the basis that the Minister is satisfied that the acquisition is likely to be of net benefit to Canada, having regard to criteria set forth in the INVESTMENT CANADA ACT.

With respect to acquisitions of voting shares, generally only those acquisitions of voting shares of a corporation that constitute acquisitions of control of such corporation are reviewable under the INVESTMENT CANADA ACT. THE INVESTMENT CANADA ACT provides detailed rules for the determination of whether control has been acquired. For example, the acquisition of one-third or more of the voting shares of a corporation may, in some circumstances, be considered to constitute an acquisition of control. Certain reviewable acquisitions of control may not be implemented before

being approved by the Minister. If the Minister does not ultimately approve a reviewable acquisition which has been completed, the non-Canadian person or entity may be required, among other things, to divest itself of control of the acquired Canadian business. Failure to comply with the review provisions of the INVESTMENT CANADA ACT could result in, among other things, a court order directing the disposition of assets of shares.

TAXATION

CERTAIN CANADIAN FEDERAL INCOME TAX CONSIDERATIONS APPLICABLE TO U.S. RESIDENTS

The following is a summary of the principal Canadian federal income tax considerations generally applicable to a person who is a U.S. Holder. In this summary, a "U.S. Holder" means a person who, for the purposes of the CANADA-UNITED STATES INCOME TAX CONVENTION (1980), is a resident of the United States for purposes of the Convention and who, for the purposes of the INCOME TAX ACT (Canada), deals at arms' length with Intertape Polymer Group, does not use or hold and is not deemed to use or hold the Common Shares in carrying on business in Canada and who holds his Common Shares as capital property. Generally, Common Shares will be considered to be capital property to a U.S. Holder provided the U.S. Holder does not hold the Common Shares in the course of carrying on a business and has not acquired the Common Shares in one or more transactions considered to be an adventure or concern in the nature of trade. This summary is not applicable to a U.S. Holder that is a financial institution for purposes of the mark-to-market rules in the Income Tax Act (Canada) and to Insurers who carry on an insurance business in Canada and elsewhere whose Common Shares are designated insurance property.

The summary is based upon the Tax Convention, the current provisions of the Income Tax Act (Canada), the regulations thereunder, and proposed amendments to the Income Tax Act (Canada) and regulations publicly announced by or on behalf of the Minister of Finance, Canada, prior to the date hereof. It does not otherwise take into account or anticipate any changes in law, whether by legislative, governmental or judicial decision or action. The discussion does not take into account the tax laws of the various provinces or territories of Canada. It is intended to be a general description of the Canadian federal income tax considerations and does not take into account the individual circumstances of any particular shareholder. This summary is of a general nature only and U.S. Holders should consult their own tax advisors with respect to the income tax consequences to their holding and disposing of Common Shares having regard to their particular circumstances.

DIVIDENDS.

U.S. Holders will be subject to a 15% withholding tax on the gross amount of dividends paid or credited or deemed to be paid or credited to them by Intertape Polymer Group. In the case of a U.S. Holder that is a corporation which beneficially owns at least 10% of the voting stock of Intertape Polymer Group, the applicable withholding tax rate on dividends is 5%.

A purchase of Common Shares by Intertape Polymer Group (other than a purchase in the open market in the manner in which shares are normally purchased by a member of the public) will give rise to a deemed dividend equal to the amount paid by Intertape Polymer Group on the purchase

in excess of the paid-up capital of such shares, determined in accordance with the Income Tax Act (Canada). Any such deemed dividend will be subject to non-resident withholding tax, as described above, and will reduce the proceeds of disposition to a holder of Common Shares for the purposes of computing the amount of his capital gain or loss arising on the disposition.

DISPOSITIONS.

A U.S. Holder will not be subject to tax under the Income Tax Act (Canada) in respect of any capital gain arising on a disposition of Common Shares (including on a purchase by Intertape Polymer Group) unless such shares constitute taxable Canadian property and the U.S. Holder is not entitled to relief under the Tax Convention. Generally, Common Shares will not constitute taxable Canadian property of a U.S. Holder unless, at any time during the five year period immediately preceding the disposition of the Common Shares, the U.S. Holder, persons with whom the U.S. Holder did not deal at arm's length or the U.S. Holder together with such persons, owned, had an interest or option in respect of, or otherwise had a right to acquire, not less than 25% of the issued shares of any class or series of the capital stock of Intertape Polymer Group. In any event, under the Tax Convention, gains derived by a U.S. Holder from the disposition of Common Shares will generally not be taxable in Canada unless the value of Intertape Polymer Group's shares is derived principally from real property situated in Canada.

Common Shares will constitute taxable Canadian property of a U.S. Holder that is a former Canadian resident who made an election under the Income Tax Act (Canada) to be deemed not to dispose of such shares on the U.S. Holder's departure from Canada. Such U.S. Holders may not be eligible to claim the exemption provided in the Tax Convention for gains realized on a disposition of Common Shares if they were resident in Canada at any time during the ten year period immediately preceding the disposition.

DISCLOSURE OF COMMISSION POSITION ON INDEMNIFICATION
FOR SECURITIES ACT LIABILITIES

Section 124 of the Canada Business Corporation Act provides that, subject to the limitations contained in such Act, a corporation may indemnify a director or officer, a former director or officer, or a person who acts or acted at the corporation's request as a director or officer of a body corporate of which the corporation is or was a shareholder or creditor, and his heirs and legal representatives, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by him in respect of any civil, criminal or administrative action or proceeding to which he is made a party by reason of being or having been a director or officer of such corporation or body corporate, if

(a) he acted honestly and in good faith with a view to the best interests of the corporation; and

(b) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, he had reasonable grounds for believing that his conduct was lawful.

The Canada Business Corporation Act provides as of right that, in general, any officer or director, as such, shall be entitled to indemnification if (i) he was substantially successful on the merits in his defense of the relevant action or proceeding to which he was a party (ii) he acted honestly and in good faith with a view to the best interests of the corporation and (iii) where a criminal or administrative action that is enforced by a monetary penalty is involved, he had reasonable grounds for believing that his conduct was lawful. However, under the Canada Business Corporation Act, no officer or director of a corporation may be indemnified with respect to any security holder's derivative action brought pursuant to such act unless a court of competent jurisdiction has approved the terms of such indemnification.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of Intertape Polymer Group pursuant to the foregoing provisions, or otherwise, Intertape Polymer Group has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against United States public policy as expressed in the Securities Act and is therefore unenforceable in the United States.

INTERESTS OF NAMED EXPERTS AND COUNSEL

None of the following experts or counsel has, nor shall any of them receive, any interest that would require disclosure in this Prospectus. Certain legal matters relating to Canadian law will be passed upon for Intertape Polymer Group by Stikeman Elliott, Montreal, Quebec, Canada. Certain other legal matters in connection with the offering registered hereunder are being passed upon for Intertape Polymer Group by its United States securities counsel, Shutts & Bowen LLP, Orlando, Florida. The consolidated financial statements and the related financial statement schedules for Fiscal 2000, incorporated in this Prospectus by reference from Intertape Polymer Group's Annual Report on Form 40-F, have been audited by Raymond Chabot Grant Thornton General Partnership, independent chartered accountants, Montreal, Quebec, Canada, as stated in their report which is incorporated herein by reference and upon the authority of such firm as experts in accounting and auditing.

PART II: INFORMATION NOT REQUIRED IN PROSPECTUS

INDEMNIFICATION OF DIRECTORS AND OFFICERS

Under the Canada Business Corporation Act, Intertape Polymer Group may indemnify a present or former director or officer or a person who acts or acted at our request as a director or officer of another corporation of which we are or were a shareholder or creditor, and his or her heirs and legal representatives, against all costs, charges and expenses, including an amount to settle an action or satisfy judgment, reasonably incurred by him or her in respect of any civil, criminal or administrative action or proceeding to which he or she is made a party by reason of being or having been a director or officer of Intertape Polymer Group or such other corporation and provided that the director or officer acted honestly and in good faith with a view to our best interests, and, in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, had reasonable grounds for believing that his or her conduct was lawful. Such indemnification may be made in connection with a derivative action only with court approval. A director or officer is entitled to indemnification from Intertape Polymer Group as a matter of right if he or she was substantially successful on the merits in his or her defense of the action or proceeding and fulfilled the conditions set forth above.

In accordance with the Canada Business Corporation Act, the By-Laws of Intertape Polymer Group provide that it shall indemnify a present or former director or officer or a person who acts or acted at Intertape Polymer Group's request as a director or officer of a body corporate of which Intertape Polymer Group is or was a shareholder or creditor, and his heirs and legal representatives, against all costs, charges and expenses, including an amount paid to settle an action or satisfaction of judgment, reasonably incurred by him in respect of any civil, criminal or administrative action or proceeding to which he is made a party by reason of being or having been a director or officer of Intertape Polymer Group or such body corporate; if (i) he acted honestly and in good faith with a view to our best interests; and (ii) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, he had reasonable grounds for believing that his conduct was lawful. Intertape Polymer Group will also indemnify such person in such other circumstances as the Canada Business Corporation Act or law permits or requires. The By-Laws do not limit the right of any person entitled to indemnity to claim indemnity apart from the provisions of the By-Laws.

Reference is also made to Section 11(c) of the Registration Rights Agreement dated September 25, 2000 filed as Exhibit 4 attached hereto for a description of the indemnification arrangements between Intertape Polymer Group and the Selling Shareholder, pursuant to which the Selling Shareholder is obligated, under certain circumstances, to indemnify directors and officers of Intertape Polymer Group against certain liabilities, including certain liabilities under the Securities Act, in connection with this Registration.

A directors' and officers' liability insurance policy is maintained by Intertape Polymer Group, which insures directors and officers for losses as a result of claims against the directors and officers of Intertape Polymer Group in their capacity as directors and officers and also reimburses Intertape Polymer Group for payments made pursuant to the indemnity provisions under the Canada Business Corporation Act and the By-Laws of Intertape Polymer Group.

Edgar Filing: INTERTAPE POLYMER GROUP INC - Form F-3/A

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, Intertape Polymer Group has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against United States public policy as expressed in the Securities Act and is, therefore, unenforceable in the United States. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
