competition with our or any of our affiliates business of automotive and industrial parts washers and from becoming an officer, director or employee of any corporation, partnership or any other business in substantial competition with us or any of our affiliates for three years following such termination.

Incentive Plan

We adopted our incentive plan in September 1996 in connection with our initial public offering of common stock. Our incentive plan provides for grants of stock options, stock appreciation rights, restricted stock, deferred stock, other stock-related awards and performance or annual incentive awards that may be settled in cash, stock or other property. A total of 750,000 shares of our common stock have been reserved for the grant of awards under our incentive plan. The purpose of our incentive plan is to advance our interests by providing additional incentive in attracting, motivating and retaining qualified executives and other employees, officers, directors and independent contractors by enabling plan participants to acquire or increase a proprietary interest in our common stock in order to strengthen the mutuality of interests between plan participants and our shareholders, and providing plan participants with annual and long term performance incentives to expend their maximum efforts in the creation of shareholder value.

The persons eligible to receive awards under our incentive plan are our officers, directors, employees and independent contractors. Under our incentive plan, our non-employee directors are only eligible to receive automatic formula grants of stock options and restricted stock as described below and the independent contractors we engage are only eligible to receive stock options.

Our incentive plan is administered by our compensation committee. Subject to the terms of the incentive plan, our compensation committee is authorized to (i) select eligible persons to receive awards, (ii) determine the type and number of awards to be granted and the number of shares of common stock to which awards will relate, (iii) specify times at which awards will be exercisable or settleable (including performance conditions that may be required as a condition thereof), (iv) set other terms and conditions of awards, prescribe forms of award agreements, (v) interpret and specify rules and regulations relating to the incentive plan, and (vi) make any other determinations that may be necessary or advisable for the administration of our incentive plan.

In addition, our incentive plan imposes individual limitations on the amount of certain awards in part to comply with Section 162(m) of the Internal Revenue Code of 1986, as amended. Under these limitations, during any fiscal year the number of options, stock appreciation rights, restricted shares of common stock, deferred shares of common stock, shares granted as a bonus or in lieu of other obligations owed by us, and other stock-based awards granted to any one participant may not exceed 250,000 for each type of such award, subject to adjustment in certain circumstances. The maximum amount that may be paid out as a final annual incentive award or other cash award in any fiscal year to any one participant is \$1,000,000 and the maximum amount that may be earned as a final performance award or other cash award in respect of a performance period by any one participant is \$5,000,000.

Our incentive plan provides that each non-employee director shall receive (i) on the date of his or her appointment as a director of ours an automatic grant of an option to purchase 3,500 shares of our common stock and (ii) each year, on the day we issue our earnings release for the prior fiscal year, an automatic grant of an option to purchase 3,500 shares of common stock. Such options will have a term of 7 years and become exercisable at the rate of one-third per year commencing on the first anniversary of the date of grant; provided, however, that the options become fully exercisable in the event that, while serving as a director of ours, the non-employee director dies, or suffers a disability, or retires, as such terms are defined in the incentive plan. The per share exercise price of all options granted to non-employee directors will be equal to the fair market value of a share of common stock on the date such option is granted, subject to certain minimum exercise prices as may be defined by our compensation committee.

Pursuant to the Subordinated Loan Agreement we issued warrants to purchase an aggregate of up to 942,858 shares of our common stock at \$3.50 per share (the August Warrants). Interest accrued under the Subordinated Loan Agreement during 2002 amounted to \$466,696.

On November 30, 2000, we entered into a revolving credit loan agreement (the Senior Revolver) with Hansa Finance Limited Liability Company (Hansa), as amended on February 15, 2003, that provides us with a revolving line of credit for up to \$5,000,000 with a scheduled maturity date of May 30, 2005 (extended from May 30, 2003 pursuant to the amendment entered into on February 15, 2003). In connection with the Senior Revolver, we granted Hansa a security interest in substantially all of our assets including our intellectual properties. Pursuant to the Senior Revolver, we may borrow twice a month up to the Advance Limit. The Advance Limit is the lesser of \$5,000,000 or the sum of the Advance Supplement plus an amount based on our receivables and inventory. The

Advance Supplement is \$2,500,000 until maturity. Amounts advanced under the Senior Revolver accrue interest at the rate of 14% per annum payable monthly in arrears commencing December 31, 2000. As of March 31, 2003, amounts advanced under the Senior Revolver totaled \$4,517,248 and interest paid to Hansa during 2002 amounted to \$662,208. Hansa is controlled indirectly by Hanseatic Corporation and Paul Biddelman, one of our directors, who is the President of Hanseatic Corporation.

On February 27, 2002, we entered into a Third Amendment (the Amendment) to the Subordinated Loan Agreement changing the terms upon which the Additional Warrants (as defined therein) would be issued.

In connection with the Amendment, on February 27, 2002, we and Lenders, Hanseatic Americas LDC, Environmental Fund II, L.P. and Environmental Opportunities Fund II (Institutional), L.P. (collectively, with the Lenders, the Investors), entered into a Letter Agreement suspending our registration obligations for shares of common stock issuable upon conversion of shares of Series B, C and D Preferred Stock which we issued to the Investors until we receive notification from the Investors holding shares with a current market value of at least \$1,000,000 requesting that we register such shares.

In connection with our debt restructuring on December 9, 2002, we issued 750,000 warrants to the holders of our 8 1/4% Subordinated Convertible Notes that would have triggered certain anti-dilution rights pursuant to the Company's outstanding (i) shares of Series D Preferred Stock, \$1.00 per share, (ii) the May Warrants and (iii) the August Warrants (collectively, the Outstanding Warrants). The holders of the Series D Preferred Stock and Outstanding Warrants waived their anti-dilution rights in exchange for warrants for the purchase of an aggregate of 250,000 shares of Common Stock at an exercise price of \$.01 per share expiring on December 31, 2005. Also in connection with the debt restructuring, the holders of the Company's outstanding shares of Preferred Stock agreed to extend the date upon which the Company must redeem such shares from May 17, 2004 to the earlier of the 90th day after all of the Subordinated Convertible Notes are paid in full or March 31, 2006. Additionally, pursuant to the debt restructuring described in Part I of this Annual Report on Form 10-KSB Gerlach & Co. and Whiting & Co. (named in the table of beneficial owners set forth in Item 11) exchanged then outstanding 8 1/4% Subordinated Convertible Notes due February 23, 2003 (Old Notes) in the aggregate principal amounts together with accrued interest of \$5,895,618 and \$7,516,913, respectively, for (i) 8 1/4% Subordinated Convertible Notes due December 31, 2005 in the aggregate principal amount of \$2,962,467 and \$3,777,146, respectively, bearing interest which when due was added at our option to the principal amount of such notes through December 31, 2002 and thereafter shall be paid in cash, plus (ii) 8 1/4% Subordinated Convertible Notes due December 31, 2005 in the aggregate principal amount of \$2,962,467 and \$3,777,146, respectively, bearing interest which when due may be added to the principal amount for the life of such notes and (iii) warrants for the purchase of an aggregate of 200,000 and 255,000 shares of our common stock at an exercise price of \$.01 per share expiring on December 31, 2005, respectively.

We are party to an Exclusive Marketing and Distribution Agreement with Safety-Kleen Systems, Inc., a wholly-owned subsidiary of Safety-Kleen Corp. (collectively, Safety-Kleen), under which Safety-Kleen acts as exclusive distributor for our parts washers in the United States, Canada, Puerto Rico and Mexico. During 2002 and 2001, we sold to Safety-Kleen 10,218 and 10,053 units and were paid by Safety-Kleen \$17,719,726 and \$17,045,312, respectively. The initial five year term of this agreement expires in December 2005 and provides for minimum purchase amounts of 12,500, 15,000 and 18,000 units in 2003, 2004 and 2005, respectively. In connection with the execution of the Exclusive Marketing and Distribution Agreement, we issued Safety-Kleen warrants to purchase up to 1,134,615 shares of our Common Stock at a price of \$3.50 per share.
