Dear Fellow Stockholder:

The Annual Meeting of Stockholders of Jacuzzi Brands, Inc. will be held on February 11, 2004, beginning at 11:00 a.m., local time, at the Crowne Plaza Hotel, 1601 Belvedere Road, West Palm Beach, Florida 33406.

At the Annual Meeting, you will vote on the election of five directors and the ratification of Ernst & Young LLP's appointment as independent auditors. We will also seek approval of proposals to (i) approve our 2004 Stock Incentive Plan and (ii) permit the exchange of certain outstanding eligible stock options for a lesser number of shares of restricted stock (the Exchange Program).

We believe that these proposals, if approved, will allow us to attract, retain, reward and motivate key individuals by providing them with an opportunity to acquire or increase an ownership interest in Jacuzzi Brands. We believe this opportunity will provide incentives for such individuals to maximize their effort for our growth and success. Furthermore, because participants in the Exchange Program will be exchanging a greater number of stock options for a lesser number of shares of restricted stock, the number of shares of stock subject to options will be reduced, lessening the number of such shares as a percentage of shares outstanding.

Whether or not you plan to attend in person, it is important that your shares be voted on matters that come before the meeting. You may specify your choices by marking the enclosed proxy card and returning it promptly. If you sign and return your proxy card without specifying your choices, it will be understood that you wish to have your shares voted in accordance with the directors' recommendations as set forth in the attached Proxy Statement.

Sincerely,

DAVID H. CLARKE

Executive Officer*

**PROXY STATEMENT**

---

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the **Board**) of Jacuzzi Brands, Inc., a Delaware corporation (the **Company**), of proxies for use at the Annual Meeting of Stockholders of the Company (the **Annual Meeting**) to be held at the Crowne Plaza Hotel, 1601 Belvedere Road, West Palm Beach, Florida 33406 on February 11, 2004, at 11:00 a.m., local time, and at any and all postponements or adjournments thereof, for the purposes set forth in the accompanying Notice of Annual Meeting.

This Proxy Statement, the Notice of Annual Meeting and the accompanying proxy card are first being mailed to stockholders on or about January 7, 2004.

**VOTING**

Only stockholders of record at the close of business on December 23, 2003 (the **Record Date**) are entitled to notice of the Annual Meeting and to vote the shares of common stock, par value \$.01 per share, of the Company (the **Common Stock**) held by them on that date at the Annual Meeting or any postponements or adjournments thereof. Each outstanding share entitles its holder to cast one vote on each matter to be voted upon at the Annual Meeting. As of the Record Date, 75,095,721 shares of Common Stock were outstanding.

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding on the Record Date will constitute a quorum. The five nominees for director receiving a plurality of the votes cast at the Annual Meeting in person or by proxy shall be elected. The approval of each other proposal to be considered at the Annual Meeting requires the affirmative vote of the holders of a majority of the shares present at the Annual Meeting in person or by proxy. Both abstentions and broker non-votes will count toward a quorum. Abstentions with respect to a given proposal (other than the election of directors) will be counted as **against** it. Broker non-votes with respect to a given proposal will not be counted as either **for** or **against** it, but will reduce the number of shares needed for a majority decision.

If the accompanying proxy card is properly signed and returned to the Company and not revoked, it will be voted in accordance with the instructions contained therein. Unless contrary instructions are given, the persons designated as proxy holders in the proxy card will vote (i) for the election of the slate of nominees proposed by the Board, (ii) for ratification of the appointment of Ernst & Young LLP as the Company's independent auditors for fiscal 2004, (iii) for the approval of a proposal that would approve the Company's 2004 Stock Incentive Plan (the **2004 Plan**), (iv) for the approval of the proposal to permit the exchange of outstanding stock options for a lesser number of shares of restricted stock (the **Exchange Program**) and (v) as recommended by the Board with regard to all other matters or, if no such recommendation is given, in their own discretion. Each stockholder may revoke a previously granted proxy at any time before it is exercised by filing with the Secretary of the Company a revoking instrument or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if the person executing the proxy attends the Annual Meeting in person and so requests in writing. Attendance at the Annual Meeting will not, in itself, constitute revocation of a previously granted proxy.

The Company's Retirement Savings & Investment Plan (the **401(k) Plan**) provides that the trustee of the 401(k) Plan shall vote the number of shares of Common Stock allocated to a participant's account as instructed by the participant and that the trustee shall vote the number of shares for which no instructions are received in the same proportion as those shares in the 401(k) Plan for which instructions have been received. Courts have held that trustees are required to follow participants' instructions unless they determine that doing so would breach their fiduciary responsibilities under the Employee Retirement Income Security Act of 1974, as amended (**ERISA**). Voting instruction cards are being mailed to all

---

**Table of Contents**

participants in the 401(k) Plan. If a participant also owns shares outside the 401(k) Plan, the participant must return both the proxy card and the voting instruction card as indicated on those cards. To be assured that the trustee will receive voting instruction cards on a timely basis, cards must be duly signed and received no later than February 6, 2004. The total number of shares in the 401(k) Plan as of the Record Date represents approximately 1.54% of the shares of Common Stock outstanding on the Record Date.

Section 16(a) of the Exchange Act requires the Company's directors and executive officers to file initial reports of ownership and reports of changes in ownership of the Company's Common Stock with the Securities and Exchange Commission (the Commission). Directors and executive officers are required to furnish the Company with copies of all Section 16(a) forms that they file. Based upon a review of these filings, the Company believes that its directors and executive officers were in compliance with these requirements with respect to the Company's fiscal year ended September 27, 2003 (fiscal 2003).

**ELECTION OF DIRECTORS**

**(Item A on Proxy Card)**

The Board of the Company is presently divided into three classes, with each class serving three years, subject to the Company's retirement policy for directors. The term of office of directors in Class III expires at the Annual Meeting. Additionally, in accordance with the Company's retirement policy for directors, Mr. Butler and Mr. Price will retire from the Board as of the date of the Annual Meeting.

The Board proposes that:

Sir Harry, who is currently serving as a Class III director, be elected to Class I for a term of one year, in order to maintain a balance among the number of directors in each class,

Ms. Hagen be elected to Class I for a term of one year, and

**Table of Contents**

Mr. Clarke, Ms. Morf and Mr. Womack, each of whom are currently serving as Class III directors, be elected to Class III for a term of three years, in each case, until their successors are duly elected and qualified.

The Board has no reason to believe that any of the nominees will not serve if elected, but if any of them should become unavailable to serve as a director, and if the Board designates a substitute nominee, the persons named as proxies will vote for the substitute nominee designated by the Board.

Directors will be elected by a plurality of the votes cast at the Annual Meeting. If elected, Sir Harry and Ms. Hagen's term will continue until the 2005 Annual Meeting and until their successors are duly elected and qualified and Mr. Clarke, Ms. Morf and Mr. Womack's term will continue until the 2007 Annual Meeting and until their successors are duly elected and qualified. ## **CORPORATE GOVERNANCE**

### **Organization of the Board and its Committees**

The Company's Common Stock is listed on the New York Stock Exchange (the "NYSE"). The Commission recently approved corporate governance rules adopted by the NYSE (the "NYSE Rules") that require the Company to comply with certain corporate governance guidelines, including establishing certain standards for the Company's various board committees. The Board has therefore adopted Corporate Governance Guidelines that give effect to the NYSE Rules and various other matters. The Company's Corporate Governance Guidelines are available on its website at [www.jacuzzibrands.com](http://www.jacuzzibrands.com).

The NYSE Rules require that a majority of the directors be independent directors under the NYSE Rules regarding director independence. Generally, the NYSE Rules would prohibit a director from qualifying as an independent director if the director (or in some cases, members of the director's immediate family) has, or in the past three years has had, certain relationships or affiliations with the Company, its external or internal auditors, or other companies that do business with the Company. The Board has affirmatively determined that each of the Company's directors, other than Mr. Clarke, are independent directors under the NYSE Rules.

The Board provides a process for stockholders to send communications to the Board or any of the directors. Stockholders may send written communications to the Board or any the directors c/o Office of the General Counsel, Jacuzzi Brands, Inc., 777 S. Flagler Drive (Suite 1100 West), West Palm Beach, Florida 33401. All communications will be compiled by the Office of the General Counsel and submitted to the Board or the individual directors on a periodic basis.

To promote open discussion among the independent directors, the Company schedules regular executive sessions in which the independent directors meet without management participation. The Company rotates the presiding director for each executive session among the chairs of the various board committees. In order to communicate directly with the independent directors, stockholders should follow the procedures set forth in the above paragraph.

**Table of Contents**

In accordance with the Corporate Governance Guidelines, the Board has established five standing committees, a Nominating and Corporate Governance Committee (the NCG Committee), an Audit Committee, a Compensation Committee, a Finance Committee and an Executive Committee, each of which is briefly described below. The charters of the NCG Committee, the Audit Committee and the Compensation Committee are available on the Company's website at [www.jacuzzibrands.com](http://www.jacuzzibrands.com).

The NCG Committee is responsible for recommending nominees for the Board and the committees of the Board and for advising the Board on corporate governance matters. The NCG Committee (or its predecessor, the Nominating Committee), which consists of Messrs. McAtee (Chairman), Victor and Womack, met eight times during fiscal 2003. Each member of the NCG Committee satisfies the independence requirements under the NYSE Rules. The NCG Committee will consider director nominee recommendations by stockholders provided the names of such nominees, accompanied by relevant biographical information, are properly submitted in writing to the Secretary of the Company in accordance with the manner described for stockholder nominations in *Stockholder Proposals and Nominations Of Board Members* below.

In making its nominations, the NCG Committee identifies candidates who meet the current challenges and needs of the Board. The Company's Corporate Governance Guidelines provide that the NCG Committee shall determine whether it may be appropriate to add or remove individuals after considering issues of judgment, diversity, age, skills, background and experience. In making such decisions, the Board considers, among other things, an individual's business experience, industry experience, financial background and experiences and whether the individual meets the independence requirements of the NYSE Rules.

The NCG Committee uses multiple sources for identifying and evaluating nominees for directors including referrals from current directors, recommendations by stockholders and input from third party executive search firms. There are no differences in the manner in which the NCG Committee evaluates nominees for directors based on whether the nominee is recommended by a stockholder.

Ms. Morf and Ms. Hagen are being nominated for election to the Board for the first time. Ms. Morf was appointed to the Board in September 2003 following a search conducted with the assistance of a third party executive search firm. Ms. Hagen was initially brought to the attention of the NCG Committee by one of the Company's independent directors. The NCG Committee then evaluated Ms. Hagen, as well as other potential candidates identified by a third party executive search firm. Upon the completion of the NCG Committee's evaluation of the potential candidates, the NCG Committee recommended Ms. Hagen to the Board. The Board then unanimously voted to nominate Ms. Hagen as a director. The NCG Committee did not receive a recommended nominee from a stockholder who beneficially owned, or a group of stockholders who beneficially owned, more than 5% of the Company's Common Stock for at least one year as of the date the recommendation was made.

The Company has an Audit Committee. Information regarding the functions performed by the Committee and the number of meetings held during the fiscal year, is set forth in the *Report of the Audit Committee*. The Committee consisted of Mr. Victor (Chairman), Mr. Butler, Mr. McAtee, Ms. Morf and Mr. Waldin. Mr. Butler will be retiring from the Board as of the Annual Meeting in accordance with the director retirement policy set forth in the Company's Corporate Governance Guidelines. The Board determined that each of the Audit Committee members qualifies, and was designated, as an audit committee financial expert under applicable Commission regulations. In making such decision, the Board noted their familiarity with the experience of the Audit Committee members and that each had significant experience in the industry, had strong financial backgrounds and had been involved with (from a financial and other standpoint) a number of diverse companies of varying size and complexity and in various industries. Such experience included analysis and evaluation of financial statements. Also, each member was determined to have the ability to assess the application of GAAP as it relates to estimates, accruals and reserves, an understanding of internal control and an understanding of audit committee functions.

The Compensation Committee sets the compensation of all executive officers and administers the incentive plans for executive officers (including the making of awards under such plans). The Committee, which consisted of Mr. Womack (Chairman), Mr. Beazer, Mr. Price and Sir Harry, met six times during fiscal 2003. Mr. Price will be retiring from the Board as of the Annual Meeting in accordance with the director retirement policy set forth in the Company's Corporate Governance Guidelines.

The Finance Committee has been authorized to oversee all of the Company's financial activities, including financings, the evaluation of the strategic alternatives for the Company and the conduct of the sales of certain of the Company's assets and businesses. The Committee, which consisted of Messrs. Beazer, McAtee (Chairman), Price, Victor and Womack, met four times during fiscal 2003. As noted above, Mr. Price will be retiring from the Board as of the Annual Meeting.

The Executive Committee has authority to act for the full Board between Board meetings, except with respect to matters that may not be delegated to a committee under Delaware law. The Committee, which consists of Mr. Clarke (Chairman), Sir Harry and Mr. Victor, met once during fiscal 2003.

All of the Company's directors are encouraged to attend the Company's annual meeting. Four of the Company's directors were in attendance at the Company's 2003 Annual Meeting.

## **Compensation of Directors**

Directors who are also full-time employees of the Company receive no additional compensation for their services as directors. In fiscal 2003, each non-employee director was entitled to an annual retainer of \$25,000 payable wholly in shares of Common Stock in four equal installments on the first business day of each calendar quarter. For fiscal 2003, the retainer was paid to each non-employee director by delivery of 10,639 shares of Common Stock, based on the closing price of the Company's Common Stock on the NYSE on September 30, 2002 of \$2.35 per share. Each non-employee director is also entitled to an initial grant of 1,500 shares of Common Stock, an initial grant of options to purchase 7,500 shares of Common Stock and an annual grant of options to purchase 3,750 shares of Common Stock.

Each non-employee director is also entitled to a fee of \$1,500 payable in cash for each Board or committee meeting attended. The Company reimburses all reasonable expenses incurred by both employee and non-employee directors in connection with such meetings and pays the premiums on directors' and officers' liability and travel accident insurance policies insuring both employee and non-employee directors.

Commencing with the Company's fiscal year ending October 2, 2004 (fiscal 2004), the following changes were made to non-employee director compensation:

The portion of the annual retainer that was payable in Common Stock was increased from \$25,000 to \$30,000 for those directors who elected to defer 100% of such amount in the form of restricted stock units under the Company's Non-Employee Director Deferred Compensation Plan (the "Deferred Compensation Plan"); and

Directors are permitted to defer all or a portion of their cash retainer and meeting fees in the form of restricted stock units under the Deferred Compensation Plan.

A stock unit is a unit of measurement equivalent to one share of Common Stock, but with none of the attendant rights of a stockholder of a share of Common Stock until shares are ultimately distributed in payment of the deferred obligation (other than rights to additional units equivalents for dividends and other distributions on the shares). Unless otherwise elected by the director pursuant to the terms of the Deferred Compensation Plan, any shares of Common Stock that are deferred in the form of restricted stock units under the Deferred Compensation Plan will be distributed in the form of Common Stock to a director in two installments: (i) 50% upon a director's retirement and (ii) 50% one year after retirement. Similarly, unless otherwise elected, any cash fees that are deferred in the form of restricted stock units will be distributed upon retirement. All amounts that are deferred in the form of restricted stock units under the Deferred Compensation Plan will be distributed in the form of Common Stock. The Deferred Compensation Plan will be amended to permit the directors to elect the timing of their distribution of cash

fees and Common Stock that are deferred in the form of restricted stock units to be distributed at any date which is more than one year from the date of the election.

For fiscal 2004, all non-employee directors, other than Messrs. Price and Butler who will retire from the Board as of the Annual Meeting, have elected to defer 100% of their retainer fees that are payable in the form of restricted stock units under the Deferred Compensation Plan.

Cash compensation for non-employee directors was revised, effective for the second quarter of fiscal 2003, to provide each director with an annual retainer of \$15,000, an annual retainer of \$8,000 for the Chairman of the Audit Committee and \$5,000 for each other member of the Audit Committee, and an annual retainer of \$5,000 for the Chairman of each other committee of the Board and \$3,000 for each other member of each such other committee. The meeting fee was unchanged.

The Board held nine meetings in fiscal 2003. Each director attended more than seventy-five percent of all meetings of the Board and the committees on which the director served.

Additionally, two of the Company's independent directors, Sir Harry and Mr. Beazer, are members of the board of directors of a subsidiary of the Company for which they each received fees in the amount of \$6,000 for their services in fiscal 2003.

**Report of the Audit Committee**

The Audit Committee, which met six times during fiscal 2003, oversees the Company's accounting and financial reporting process and audits of the financial statements on behalf of the Board and consists of five directors, all of whom are independent within the meaning of the NYSE Rules. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed and discussed with management the audited financial statements in the Annual Report including the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Board has approved a written charter which governs the Audit Committee, and is attached to this Proxy Statement as Appendix A.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards. In addition, the Committee has received in writing information concerning the auditors' independence from management and the Company including the matters in the written disclosures required by the Independence Standards Board and considered the compatibility of non-audit services with the auditors' independence.

The Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Committee met with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended September 27, 2003 for filing with the Securities and Exchange Commission. The Committee and the Board have also recommended, subject to stockholder ratification, the selection of Ernst & Young LLP as the Company's independent auditors for 2004.

Respectfully Submitted:

William E. Butler

**EXECUTIVE COMPENSATION**

**Compensation Committee Report on Executive Compensation**

The Compensation Committee has delivered the following report:

***Executive Officer Compensation***

The Company's executive compensation program is designed to promote corporate performance by aligning the executive's compensation with the creation of stockholder value. The Company believes that base compensation of the Company's executive officers should be generally competitive with that provided by public companies of similar size. The Committee believes strongly that a substantial portion of the executive officers' compensation (both cash and non-cash elements) should be contingent upon operating results of the Company. To this end, overall compensation strategies have been developed to tie executive compensation to the successful achievement of performance goals. The three components of the executive compensation program are base salary, annual incentives and equity grants. These components are designed to (i) attract and retain high caliber executive talent, (ii) recognize individual accountability and performance, (iii) align management compensation with the achievement of operational and strategic goals and (iv) reward executives for both short and long term value creation for stockholders.

***Base Compensation***

The minimum base compensation levels of the Company's executive officers and certain other aspects of their compensation were originally established under employment agreements. On December 1, 2003, the Compensation Committee awarded certain executive officers merit increases in base salary effective January 1, 2004. Mr. Clarke declined to be considered for an increase, as he has done since the Demerger in 1995. The overall increase in base salary approved on such date for the group of executive officers, including Mr. Clarke, averaged 3.4%. The Compensation Committee believes the base salaries to be reasonable and appropriate.

***Annual Incentive Bonus***

Under the Company's Annual Performance Incentive Plan (the Annual Plan), the Compensation Committee confirms the executive officers eligible for participation and determines the targets and associated levels (e.g., entry level, a mid-point and a maximum level) for awards under the plan. The bonus level achieved for each fiscal year is determined based on the pre-established performance targets determined by the Compensation Committee and actual achievement of the targets is then confirmed by the Compensation Committee, prior to any bonuses being awarded.

At a meeting on February 5, 2003, the Compensation Committee finalized the fiscal 2003 performance targets for all executive officers and individual levels for participation as a percentage of base pay (ranging from 50% to 100%, the Target Bonus). The performance targets set by the Compensation Committee included EBITDA, debt to EBITDA ratio, earnings per share, permanent debt reduction and ratings improvement. Specified minimum levels were set to achieve 75% of the Target Bonus with increased levels for above-target achievements that could result in bonuses under the Annual Plan of up to 150% of Target Bonus. In setting these performance targets and individual participation levels, the Compensation Committee recognized that the Annual Plan provides for an immediately payable annual award and an additional minimum deferred award (i.e., the Long Term Incentive Plan Award) equal to thirty percent (30%) of the immediately payable annual award. The Long Term Incentive Plan Award under the Annual Plan is credited to the executive officer's account under the Company's Long Term Incentive Plan (the Long Term Incentive Plan) and deferred under the terms of that Plan with interest measured based on the rate of interest on long-term Treasury Bonds. The Compensation Committee gave weight to the fact that distributions under the Long Term Incentive Plan are generally conditioned upon an executive officer's continued employment with the Company. At its meeting on December 1, 2003, the Compensation Committee determined that the aggregated performance targets for the Annual Plan for fiscal 2003 were met at the Target Bonus level based on these financial measures, as confirmed by the

**Table of Contents**

Company's auditors and counsel. The Compensation Committee awarded amounts equal to Target Bonuses to executive officers. The Long Term Incentive Plan Award under the Annual Plan was terminated effective as of the end of fiscal 2003. Individual's accounts under the Long Term Incentive Plan will remain in place, and credits and future distributions will continue to be made accordingly. Subject to stockholder approval, future long term awards will be granted under the new 2004 Plan discussed below under Proposal I, Approval of 2004 Stock Option Plan.

***Stock Options***

In fiscal 2003, the Compensation Committee granted an aggregate of 808,000 options to purchase Common Stock under the 2000 Stock Option Plan and the Company's Amended Stock Option Plan (the Amended Stock Option Plan) with an exercise price equal to the fair market value of Common Stock on the date of grant. Management makes recommendations to the Compensation Committee, other than for the Chief Executive Officer, as to how many options will be granted to eligible executives of the Company and its subsidiaries. The Compensation Committee sets the grant, if any, for the Chief Executive Officer.

***Restricted Stock***

The Committee generally has analyzed the particular type of benefit or award and the rationale for granting such benefit or award in deciding whether it will seek to qualify the benefit or award as performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code) and expects to continue to do so in the future.

Amounts awarded to the Chief Executive Officer and the Company's other executive officers under the Annual Performance Incentive Plan, as well as the portion of such awards deferred under the Company's Long Term Incentive Plan, are based on performance factors determined by the Compensation Committee that are intended to qualify such bonuses for the performance-based compensation exception of Section 162(m) of the Code. It is also intended that the stock options awarded under the 2000 Stock Option Plan and the Amended Stock Option Plan will qualify for the performance-based compensation exception of Section 162(m) of the Code. In prior years, certain restricted stock awards were not intended to and may not qualify as performance-based compensation under Section 162(m) of the Code. In fiscal 2003, 50,000 shares of restricted stock were granted to Mr. Devine by the Compensation Committee under the Company's Restricted Stock Plan. These were the only grants of restricted stock in fiscal 2003.

***Chief Executive Officer's Compensation***

The compensation of the Chief Executive Officer is primarily based on the employment agreement entered into with him. The Chief Executive Officer has declined to accept any increase in his base compensation since the Demerger. For fiscal 2003, Mr. Clarke was awarded a bonus of 100% of his base salary consistent with the Company's achievement of its predetermined performance goals as well as Mr. Clarke's excellent performance in leading the Company's debt refinancing program.

The Chief Executive Officer has received stock options as described in the Summary Compensation Table. The Compensation Committee believes that these equity arrangements have created the desired mutuality of interest between the Chief Executive Officer and the stockholders, as the ultimate reward to the Chief Executive Officer from these equity arrangements is primarily based upon the success of the Company.

Respectfully submitted:

Robert R. Womack, *Chairman*  
Brian C. Beazer  
The Honorable Charles H. Price II  
Sir Harry Solomon

**Table of Contents**

Effective on February 23, 1999, the Company adopted a Stock Ownership Tax Loan Program. The primary purpose of this program was to make loans to key executives of the Company to assist such executives to pay the federal, state and local taxes due upon the vesting of restricted stock, and upon approval for such loan, requiring them to retain the restricted stock as well as all other shares of Company stock beneficially owned by them, until such loan was repaid. The loan interest rate was the borrowing rate at which the Company could borrow from its principal lenders but in no event would the interest rate be less than the applicable federal interest rate. Mr. Clarke's largest aggregate amount of indebtedness outstanding (including accrued interest) at any time during the life of the loan was \$1,755,119. This loan was due and payable on February 22, 2003, and in accordance with Section 402 of the Sarbanes-Oxley Act that became effective July 30, 2002, this loan could not be extended, and was paid off when due. In fiscal 2003, the Compensation Committee approved the withdrawal by Mr. Clarke of \$1,399,387 from his accrued Long Term Incentive Plan account to provide a portion of the amount necessary to pay off this loan. The loan program has been discontinued.

- (4) In fiscal 2003, Mr. Devine was awarded 50,000 shares of restricted stock. There were no awards of restricted stock in fiscal years 2002 or 2001. The value of the restricted stock is based upon the last reported sale price of an unrestricted share of Common Stock on the NYSE on April 21, 2003 (\$4.52). The shares of restricted stock vest pro-rata over five years after grant subject to acceleration upon the occurrence of a Change in Control (as defined in such executive officer's employment agreement described under "Employment Agreements" below) or the occurrence of certain other events (as described in "Employment Agreements" below). The aggregate number of shares of restricted stock owned by Mr. Devine is 50,000 and the market value of such shares as of September 26, 2003, was \$312,500. The closing price of the Common Stock on September 26, 2003 (\$6.25), the last trading day of the fiscal year, was used to determine market value. The Company does not currently pay dividends on its Common Stock, which includes its restricted stock.
- (5) The amounts shown in this column include matching contributions made by the Company to the accounts of each of the named executive officers pursuant to the 401(k) Plan, all of which is invested in Common Stock pursuant to the terms of the plan. For fiscal 2003, this amount was \$6,000. Also included is any interest earned in the named executive's Long Term Incentive Plan account, as well as any special awards made to such executives, if any. In fiscal 2003, (i) interest on the named executive's Long Term Incentive Plan was earned as follows: Mr. Clarke \$25,661, Mr. Barre \$3,566 and Mr. Weingarten \$2,942, (ii) a relocation payment of \$225,000 was paid to Mr. Devine and (iii) a relocation payment of \$70,549 (which includes a tax gross-up) was paid to Mr. Park. A deferred award under the Long Term Incentive Plan for Mr. Clarke in the amount of \$200,000 was made in fiscal year 2002.

The options terminate on the tenth anniversary of the relevant grant, subject to earlier termination in the event that the executive's employment terminates in certain circumstances.

**Table of Contents****Comparison of Cumulative Total Return**

The following graph compares the five-year cumulative total stockholder return (including reinvestment of dividends) of the Company with the cumulative total return on the Standard & Poor's 500 Composite Stock Price Index (the S&P 500 Index) and the Company's peer group index. The Company's Peer Group consists of American Standard Companies Inc., The Black & Decker Corporation, Fortune Brands, Inc., Jacuzzi Brands, Inc., Masco Corporation, Newell Rubbermaid Inc., Pentair, Inc. and Watts Industries, Inc.

The graph assumes that \$100 was invested on September 30, 1998 in each of the Company's Common Stock, the S&P 500 Index and the Peer Group index, and that all dividends were reinvested into additional shares of the same class of equity securities at the frequency with which dividends are paid on such securities during the applicable fiscal year. The peer group weighs the returns of each constituent company according to its stock market capitalization at the beginning of each period for which a return is indicated.

**Table of Contents****Jacuzzi Brands Master Pension Plan**

The Jacuzzi Brands Master Pension Plan (the Retirement Plan) provides pension benefits to the Company's employees, including its executive officers. Employees will become vested in their benefits under the Retirement Plan after five years of service. Normal retirement is the later of age 65 or five years of service; however, employees who work beyond their normal retirement age will continue to accrue benefits.

Under the Retirement Plan, the annual retirement benefits of the Company's corporate office employees, including its executive officers, will equal the greater of (i) the sum of (a) 1.95% of an employee's Final Average Earnings plus (b) .65% of that portion of the employee's Final Average Earnings in excess of Covered Compensation, multiplied by the employee's years of Credited Service (to a maximum of 25), and (ii) the product of (a) 2.67% of an employee's Final Average Earnings (which excludes, among other things, bonuses) minus 2% of such employee's Social Security Benefit, multiplied by the number of years of Credited Service the employee would have been credited with through his or her Normal Retirement Date (to a maximum of 25) and (b) a fraction, the numerator of which is the actual number of years of Credited Service through December 31, 1992 (the Freeze Date), and the denominator of which is the number of years of Credited Service the employee would have been credited with through his Normal Retirement Date (the Offset Formula). Credited service for all corporate office employees, including the Company's executive officers, includes years of service under a predecessor Hanson plan. All defined terms have the same meanings as in the Retirement Plan or as stated herein.

The following table shows the estimated annual retirement benefits that would be payable under the Retirement Plan to the Company's corporate office employees, including its executive officers, assuming retirement at age 65 on the basis of a straight-life annuity. The table also includes benefits payable under the SRP, an unfunded supplemental retirement plan applicable to executive officers of the Company, which is described below.

The named executive officers have been credited with the following years of service for purposes of benefit accrual (rounded to the nearest one-hundredth of a year): Mr. Clarke 25; Mr. Devine 1.25; Mr. Barre 15; Mr. Weingarten 2.75; and Mr. Park 1.08.

**Jacuzzi Brands Supplemental Retirement Plan**

The Jacuzzi Brands Supplemental Retirement Plan (the SRP) is a non-qualified, unfunded, deferred compensation plan administered by the Compensation Committee. In general terms, the purpose of the SRP is to restore to certain executive officers of the Company any benefits in excess of the benefits accrued under the Retirement Plan that would have accrued under the Offset Formula without regard to the Freeze Date (to a maximum of 25 years of Credited Service). In addition, the SRP provides for

**Table of Contents**

benefits in excess of the limitations on the amount of benefits accrued and compensation taken into account in any given year imposed by Sections 415 and 401(a)(17) of the Code, respectively, with respect to a qualified plan such as the Retirement Plan. Under the SRP, a participant's annual benefit is equal to 66 2/3% of his or her Average Final Compensation (bonuses and other awards are excluded) less 50% of his or her Social Security Benefit, multiplied by the number of years of Credited Service (to a maximum of 25) divided by 25, less the Pension Offset. Provisions relating to vesting, retirement and forms of payment are the same as the provision of the Retirement Plan, other than the early retirement age, which is 60 from the SRP and 55 from the Retirement Plan. Although Mr. Clarke had declined to be considered for increases in his base salary from the Demerger through calendar year 2003 under the terms of the SRP he was deemed to receive a salary increase for purposes of the SRP for each of the years equal to the average salary increase for the executive officers of the Company. As of the end of fiscal year 2003, Mr. Clarke's Average Final Compensation under the SRP was \$1,110,714. Capitalized terms used in this paragraph have the meanings defined for them in the SRP or in the Retirement Plan, as applicable.

**Employment Agreements**

The following is a summary of the employment agreements between the Company and each of the named executive officers. The employment agreements provide for each named executive to serve in the respective capacities indicated in the Summary Compensation Table above.

Mr. Clarke's term of employment will expire at the end of the current three-year term. The term of employment for Mr. Devine will expire at the end of the current two-year term and for Messrs. Barre and Park, at the end of their current one-year term. The term of each of the agreements is subject to automatic extension for additional three-year terms in the case of Mr. Clarke, and additional one-year terms in the case of Messrs. Devine, Barre and Park, unless either party gives at least ninety (90) days prior written notice of non-extension or the agreement is terminated earlier as discussed below. Effective as of December 31, 2003, Mr. Weingarten has retired from the Company.

The employment agreements provide that the Company will pay Messrs. Clarke, Devine, Barre, Weingarten, and Park base annual salaries at a rate of not less than \$750,000, \$450,000, \$300,000, \$300,000 and \$310,000, respectively. As provided in the employment agreements, each executive is eligible to receive an annual cash bonus, with a target bonus percentage equal to at least 100% of base salary for Mr. Clarke, 90% of base salary for Mr. Devine and 70% of base salary for Messrs. Barre, Weingarten and Park, pursuant to the Company's annual incentive bonus plan or a successor plan (the Target Bonus). The employment agreements also entitle the executives to participate generally in all pension, retirement, savings, welfare and other employee benefit plans and arrangements and fringe benefits and perquisites maintained by the Company from time to time for senior executives of a comparable level.

The employment agreements for Mr. Clarke provides that if the executive's employment with the Company is terminated by reason of death or disability (as defined in the applicable employment agreement), the executive or his legal representative will receive, in addition to accrued compensation (including, without limitation, any declared but unpaid bonus, any amount of base salary or deferred compensation accrued or earned but unpaid, any accrued but unused vacation pay and unreimbursed business expenses (the Accrued Amounts)), a prorated Target Bonus for the fiscal year of the executive's death or disability, full accelerated vesting under all equity-based and long-term incentive plans, any other amounts or benefits owed to the executive under the then applicable employee benefit plans or policies of the Company, which will be paid in accordance with such plans or policies, payment of base salary on a monthly basis for twelve (12) months and payment of spouse's and dependents' COBRA coverage premiums for no more than three (3) years, subject in the case of disability to offset against the base salary payment by the amount the executive would receive under any long-term disability program maintained by the Company.

The employment agreements with Messrs. Devine, Barre, Weingarten and Park provide that upon a termination by reason of death or disability, the executives or their legal representatives will receive only the Accrued Amounts and any other amounts or benefits owed to them under the then applicable

**Table of Contents**

employee benefit plans, long-term incentive plans or equity plans and programs of the Company, which will be paid in accordance with such plans and programs.

The employment agreement with Mr. Clarke provides that if Mr. Clarke's employment with the Company is terminated (i) by the Company other than for cause (as defined in his employment agreement) or due to a disability; (ii) by the executive for good reason (as defined in his employment agreement); (iii) by the executive for any or no reason within two (2) years after a Change in Control of the Company (as defined in his employment agreement); or (iv) as a result of the Company giving notice of nonextension at the end of any three-year term ((i) through (iv) referred to herein collectively as "Severance Payment Events"), then Mr. Clarke shall be entitled to receive, among other things (a) a lump sum within five (5) days after such Severance Payment Event equal to (i) three (3) times base salary, and (ii) three (3) times the highest annual bonus paid or payable to Mr. Clarke by the Company for any of the previous three (3) completed fiscal years, provided that if such termination occurs on or after a Change in Control of the Company, Mr. Clarke will instead receive three (3) times the Target Bonus, (b) accelerated full vesting under all outstanding equity-based and long-term incentive plans, (c) three (3) years of additional service and compensation credit for pension purposes, (d) three (3) years of the maximum Company contribution under any type of qualified or nonqualified 401(k) plan, (e) payment by the Company of the premiums for Mr. Clarke and his dependents' health coverage for three (3) years (all such payments being collectively referred to as the "Severance Payment") and (f) if such termination occurs after a Change in Control of the Company and Mr. Clarke is married at the time of the commencement of his benefits under the SRP his spousal death benefit under the SRP shall be the survivor benefit under a joint and 60% annuity rather than an actuarially adjusted survivor benefit under a joint and 50% annuity (the "Special SRP Benefit Treatment"). In addition, Mr. Clarke's employment agreement provides that if he dies or becomes disabled after a Change in Control of the Company and is married at the time of his death or disability, the Special SRP Benefit Treatment shall apply. If after a Change in Control of the Company Mr. Clarke has not attained the normal retirement date provided under the SRP as of the date of any Severance Payment Event, Mr. Clarke will be deemed to have attained his normal retirement date for purposes of the SRP and payments of amounts thereunder. In addition, if the Severance Payment to Mr. Clarke under the employment agreement, together with other amounts paid to Mr. Clarke, exceeds certain threshold amounts and results from a change in ownership (as defined in Section 280G(b)(2) of the Code), the employment agreement provides that Mr. Clarke will receive an additional amount to cover the federal excise tax and any interest or penalties with respect thereto on a grossed up basis. If Mr. Clarke is terminated for cause, voluntarily resigns (which right Mr. Clarke has on sixty (60) days' prior written notice to the Company) or the Company retires Mr. Clarke at or after his sixty-fifth birthday, Mr. Clarke will only receive the Accrued Amounts and benefits provided in benefit plans, provided that in the event such voluntary resignation is after age sixty-two (62) there will be certain additional vesting with regard to stock options and restricted stock in accordance with the terms of the applicable plans.

The employment agreements with Messrs. Devine, Barre, Weingarten and Park provide that on a termination by the executive for good reason (as defined in the applicable employment agreement), by the Company without cause (as defined in the applicable employment agreement) or nonextension of the employment term by the Company, they will receive among other things (i) the Accrued Amounts and (ii) equal monthly payments of the executive's then monthly rate of base salary for twenty four (24) months, in the case of Mr. Devine, and twelve (12) months, in the case of Messrs. Barre, Weingarten and Park, provided that if such termination occurs within two (2) years after a Change in Control, they will instead receive a lump sum equal to two (2) times base salary and the Target Bonus. In addition, if such termination occurs within two (2) years after a Change in Control, Messrs. Devine, Barre, Weingarten and Park will receive (i) two (2) years of additional service and compensation credit for pension purposes, (ii) two (2) years of the maximum Company 401(k) contribution, (iii) any earned or declared but unpaid annual bonus and (iv) payment of premiums for the executives and their dependents' health coverage for two (2) years (or, one (1) year of COBRA coverage premium payments (as long as they remain eligible for COBRA) if such termination is prior to, or after two (2) years following a Change in Control). Pursuant to the terms of Mr. Weingarten's severance agreement, he will

receive a severance payment in the amount of \$527,000, a final relocation payment in the amount of \$100,000, a cash payment in lieu of certain post-retirement medical benefits in the amount of \$72,341, accelerated vesting of all his outstanding stock options and an extension of the time these stock options remain exercisable.

Messrs. Devine, Barre, Weingarten and Park are required to execute a release prior to receiving severance payments and they must comply with certain provisions relating to confidential information, non-competition and non-solicitation.

The employment agreements of each of the named executive officers also provide for indemnification for actions in their corporate capacity, directors and officers liability insurance and coverage in most instances for legal fees incurred in enforcing their rights under their respective employment agreements.

**PROPOSAL I**

**APPROVAL OF 2004 STOCK INCENTIVE PLAN**

**(Item C on Proxy Card)**

On December 2, 2003, the Board approved the 2004 Plan, subject to stockholder approval. Under this Proposal the Company seeks stockholder approval of the 2004 Plan. The Board recommends that the stockholders approve the 2004 Plan. The implementation of the Exchange Program (discussed below under Proposal II) is contingent on the approval by the stockholders of the 2004 Plan. However, the implementation of the 2004 Plan is not contingent on the approval of the Exchange Program.

**The 2004 Plan**

The Board believes that the Company's future success will be enhanced by its ability to maintain a competitive position in attracting, retaining and motivating individuals through the use of restricted stock, stock options and other equity-based awards. The Company's current equity plans have only limited shares available under them. The utility of these plans is also restricted by limitations on the types of grants authorized and the eligible recipients of certain awards thereunder. As a result, the Board approved the 2004 Plan to replace the Company's existing equity plans, subject to the approval of the stockholders. Awards to be granted under the 2004 Plan are expected to consist primarily of restricted stock and stock options and, in the case of awards to non-employee directors, options and restricted stock units. The 2004 Plan will permit the granting of other forms of equity (i.e., stock appreciation rights, restricted stock, restricted stock units, performance shares and performance units), as well as stock options, provide the Company with a reasonable number of shares to utilize (subject to strict limitations on the amount of grants during a fiscal year) and replace the Company's existing equity compensation plans. Upon approval of the 2004 Plan, no additional grants will be made under the existing equity compensation plans.

The description of the 2004 Plan below is a summary of its principal provisions and is qualified in its entirety by reference to the 2004 Plan, a copy of which is annexed hereto as Appendix B.

***Purpose***

The purpose of the 2004 Plan is to enable the Company to offer employees and non-employee directors stock options, restricted stock, other equity awards and other performance-based stock incentives. The Company believes this will help it attract, retain and reward its employees and non-employee directors. If the 2004 Plan is approved, equity-based awards will no longer be permitted to be granted under the existing equity compensation plans.

***Administration***

The 2004 Plan will be administered by a committee of the Board (the "Committee"), consisting of two or more non-employee directors, each of whom is intended to be, to the extent required by Rule 16b-3 of the Exchange Act and Section 162(m) of the Code, a non-employee director under Rule 16b-3 and an outside director under Section 162(m) of the Code. With respect to the application of the 2004 Plan to non-employee directors, the Committee is the Board. If no Committee exists, the functions of the Committee will be exercised by the Board.

The Committee has the full authority to administer and interpret the 2004 Plan, to grant discretionary awards under the 2004 Plan, to determine the persons to whom awards will be granted, to determine the number of shares of Common Stock to be covered by each award (subject to the individual participant limitations provided in the 2004 Plan), to prescribe the form of instruments evidencing awards and to make all other determinations and to take all such steps in connection with the 2004 Plan and the awards thereunder as the Committee, in its sole discretion, deems necessary or desirable.

The terms and conditions of individual awards will be set forth in written agreements consistent with the 2004 Plan. Awards under the 2004 Plan may not be made on or after the tenth anniversary of the date

**Table of Contents**

the 2004 Plan is approved by the Company's stockholders, but awards granted prior to such date may extend beyond that date.

***Eligibility and Types of Awards***

Under the 2004 Plan, non-employee directors and employees of the Company and its subsidiaries are eligible to be granted stock options (incentive and non-qualified), stock appreciation rights, restricted stock, restricted stock units, performance shares, performance units, stock awards and other stock-based awards. Eligibility for awards under the 2004 Plan is determined by the Committee, in its sole discretion. As of the date of this Proxy Statement, no awards have been granted under the 2004 Plan.

***Available Shares***

A maximum of 5,000,000 shares of Common Stock may be issued pursuant to awards granted under the 2004 Plan. With respect to such shares of Common Stock, 1,600,000 shares shall be reserved exclusively for the grant of stock options and stock appreciation rights, and 3,400,000 shares shall be reserved exclusively for the grant of restricted stock and other equity-based awards excluding stock options and stock appreciation rights. The maximum number of shares of Common Stock subject to an option, stock appreciation right or any performance-based award that may be granted under the 2004 Plan during any fiscal year to any individual is 300,000 shares or, in the case of performance units, a maximum value at grant of \$300,000. In addition, awards under the 2004 Plan during any fiscal year may not exceed 1 1/2% of the Company's authorized and outstanding Common Stock on the first day of a fiscal year, provided that such limitation shall not include substitute grants made in settlement of any awards under any other plan sponsored by the Company or substitute grants or equity assumed in connection with a corporate transaction, and provided further that the 1 1/2% limit will not apply in the option Exchange Program described below.

The Committee may, in accordance with the terms of the 2004 Plan, make appropriate adjustments to the number of shares of Common Stock available for the grant of awards and the terms of outstanding options and other awards to reflect any stock dividend or distribution, stock split, reverse stock split, recapitalization, reorganization, merger, consolidation, split-up, combination or exchange of shares (and certain other events affecting the Company's capital structure or business).

***Awards Under the 2004 Plan***

*Stock Options.* The 2004 Plan authorizes the Committee to grant stock options to purchase shares of Common Stock to employees and non-employee directors of the Company or any subsidiary. Option grants may be in the form of incentive stock options (ISOs) or non-qualified stock options, provided that options granted to non-employee directors and employees of its subsidiaries that do not qualify as a subsidiary corporation (within the meaning of Section 424 of the Code) may only be non-qualified stock options. The Committee will determine the number of shares of Common Stock subject to each option, the term of each option (which may not exceed ten years, or five years in the case of an ISO granted to a 10% stockholder), the exercise price, any vesting schedule, and the other material terms of each option. No ISO may have an exercise price less than the fair market value of the Common Stock at the time of grant (or, in the case of an ISO granted to a 10% stockholder, 110% of fair market value). Unless the Committee determines otherwise at the time of grant, options will vest and become exercisable in equal annual installments over four years following the grant date, subject to acceleration provisions (if any) as determined by the Committee. Options will remain exercisable for such times and be subject to such terms as determined by the Committee at grant. Upon the exercise of an option, the option holder must make payment of the full exercise price, either: (i) in cash, certified or cashier's check, bank draft or money order; (ii) to the extent permitted by law and the Committee, through a cashless exercise sale and remittance procedure by the delivery of irrevocable instructions to a broker reasonably acceptable to the Company to deliver promptly to the Company an amount equal to the aggregate purchase price; (iii) in shares of Common Stock (which have been owned by the participant for a period of time as may be required by applicable accounting standards to avoid a charge to the Company's earnings); (iv) to the

**Table of Contents**

extent permitted by law and the Committee, by delivery of a promissory note to the Company on such terms as the Committee shall specify or (v) on such other terms and conditions as may be acceptable to the Committee.

*Stock Appreciation Rights.* The 2004 Plan authorizes the Committee to grant stock appreciation rights ( SARs ) either in tandem with a stock option or independent of a stock option to employees and non-employee directors. A SAR may be granted as a general SAR or a limited SAR. Limited SARs may be exercised only upon certain events (e.g., a change in control). A SAR is a right to receive a payment either in cash or Common Stock equal in value to the excess of the fair market value of one share of Common Stock on the date of exercise over the exercise price per share of the SAR. The Committee will determine the terms and conditions of SARs at the time of grant, but, generally, SARs will be subject to the same terms and conditions as stock options (as described above).

*Restricted Stock.* The 2004 Plan authorizes the Committee to award restricted stock to employees and non-employee directors. Recipients of restricted stock enter into an agreement with the Company subjecting the shares to restrictions and providing the criteria or dates on which such restrictions lapse. Restricted stock may vest over time, based on performance criteria or other factors (including, without limitation, performance goals that are intended to comply with the performance-based compensation exception under Section 162(m) of the Code), as determined by the Committee at grant.

*Restricted Stock Units.* The 2004 Plan authorizes the Committee to award restricted stock units to employees and non-employee directors. A restricted stock unit is a unit of measurement equivalent to one share of Common Stock that becomes nonforfeitable upon satisfying certain terms and conditions, as determined by the Committee. A restricted stock unit does not have any of the attendant rights of a stockholder, except it may have certain dividend rights as specified in the grant. A restricted stock unit may be distributed in Common Stock and/or cash as determined by the Committee at the time of grant or if not specified at grant, at time of distribution. Restricted stock units may vest over time, based on performance criteria or other factors (including, without limitation, performance goals that are intended to comply with the performance-based compensation exception under Section 162(m) of the Code), as determined by the Committee at grant.

*Performance Shares and Performance Units.* The 2004 Plan authorizes the Committee to grant performance shares to employees and non-employee directors entitling them to receive a fixed number of shares of Common Stock or the cash equivalent, as determined by the Committee, upon the attainment of performance goals. The Committee may also grant performance units to employees and non-employee directors entitling them to receive a value payable in cash or shares of Common Stock, as determined by the Committee, upon the attainment of performance goals (including, without limitation, performance goals that are intended to comply with the performance-based compensation exception under Section 162(m) of the Code).

*Stock Awards.* The 2004 Plan authorizes the Committee to grant stock awards to employees and non-employee directors. A stock award is an outright grant of Common Stock or a grant of Common Stock that is made in settlement of an award granted under another plan sponsored by the Company. For example, a stock award can be granted to a non-employee director in the form of Common Stock in settlement of director fees that such director previously elected to defer under the Deferred Compensation Plan.

*Other Stock-Based Awards.* The 2004 Plan authorizes the Committee to grant awards of Common Stock and other awards to employees and non-employee directors that are valued in whole or in part by reference to, or are payable in or otherwise based on, Common Stock and may be granted either alone or in addition to or in tandem with stock options, SARs, restricted stock, performance shares or performance units.

**Table of Contents*****Performance Goals***

As noted above, performance-based awards granted under the 2004 Plan that are intended to satisfy the performance-based compensation exception under Section 162(m) of the Code will vest based on attainment of specified performance goals which have been established by the Committee. These performance goals will be based on one or more of the following criteria (including ratios in respect of certain of the following criteria) selected by the Committee: (i) the attainment of certain target levels of, or a specified increase in, EBITDA (earnings before income tax, depreciation and amortization) or the attainment of certain target levels of, or a specified decrease in, the ratio of debt to EBITDA; (ii) the attainment of certain target levels of, or a specified increase in, the Company's enterprise value or value creation targets; (iii) the attainment of certain target levels of, or a percentage increase in, the Company's after-tax or pre-tax profits including, without limitation, that attributable to the Company's continuing and/or other operations; (iv) the attainment of certain target levels of, or a specified increase relating to, the Company's operational cash flow or working capital, or a component thereof; (v) the attainment of certain target levels of, or a specified decrease relating to, the Company's operational costs, or a component thereof; (vi) the attainment of a certain level of reduction of, or other specified objectives with regard to limiting the level of increase in all or a portion of bank debt or other of the Company's long-term or short-term public or private debt or other similar financial obligations of the Company, which may be calculated net of cash balances and/or other offsets and adjustments as may be established by the Committee; (vii) the attainment of a specified percentage increase in earnings per share or earnings per share from the Company's continuing operations; (viii) the attainment of certain target levels of, or a specified percentage increase in, the Company's net sales, revenues, net income or earnings before income tax or other exclusions; (ix) the attainment of certain target levels of, or a specified increase in, the Company's return on capital employed or return on invested capital; (x) the attainment of certain target levels of, or a percentage increase in, the Company's after-tax or pre-tax return on stockholder equity; (xi) the attainment of certain target levels in the fair market value of the Company's Common Stock; and (xii) the growth in the value of an investment in the Common Stock assuming the reinvestment of dividends.

In addition, such performance goals may be based upon the attainment by a subsidiary, division or other operational unit of the Company of specified levels of performance under one or more of the measures described above. Further, the performance goals may be based upon the attainment by the Company (or a subsidiary, division or other operational unit of the Company) of specified levels of performance under one or more of the foregoing measures relative to the performance of other corporations. To the extent permitted under Section 162(m) of the Code (including, without limitation, compliance with any requirements for stockholder approval), the Committee may (i) designate additional business criteria upon which the performance goals may be based, (ii) modify, amend or adjust the business criteria specified in the 2004 Plan or (iii) incorporate in the performance goals provisions regarding changes in accounting methods, corporate transactions (including, without limitation, dispositions or acquisitions) and similar events or circumstances.

***Awards to Non-Employee Directors***

Unless otherwise determined by the Committee, without further action by the Board each non-employee director will be granted awards under the 2004 Plan, as described below. Each non-employee director will receive an annual retainer of \$25,000 payable in shares of Common Stock in four equal installments on the first business day of each calendar quarter, provided, however, such annual retainer fee will be increased to \$30,000 if the director elects to defer 100% of such amount in the form of restricted stock units under the Deferred Compensation Plan (the restricted stock units would be granted under the 2004 Plan, but would be deferred under the Deferred Compensation Plan).

Under the 2004 Plan, each non-employee director is also entitled to an initial grant of 1,500 shares of Common Stock, an initial grant of a non-qualified stock option to purchase 7,500 shares of Common Stock (such initial awards will be granted when a director is elected or appointed to the Board) and an annual grant of a non-qualified stock option to purchase 3,750 shares of Common Stock. Each option will be

**Table of Contents**

subject to the following terms: (i) the exercise price will be equal to the greater of the fair market value of the Common Stock on the grant date or the par value of the Common Stock; (ii) each option will vest six (6) months and one (1) day after the grant date if the director is then a director (each option will fully vest in the event of a director's death); (iii) the exercise price of an option must be paid in any form of payment described above under Awards Under the 2004 Plan Stock Options; (iv) each option will expire upon the tenth anniversary of the grant date; and (v) upon a termination of directorship other than for cause, all options then exercisable will remain exercisable for three (3) years after such termination, but in no event beyond the stated term of the option.

Non-employee directors are also eligible to receive all other types of awards that are available under the 2004 Plan, as determined by the Committee in its sole discretion, including, without limitation, restricted stock units in lieu of all or a portion of cash retainer and committee fees if a director elects to defer such fees under the Deferred Compensation Plan.

***Change in Control***

Upon a change in control of the Company (as defined in the 2004 Plan), all vesting and forfeiture conditions, restrictions and limitations in effect with respect to any outstanding award will immediately lapse and any unvested awards will automatically become fully vested and immediately exercisable in their entirety, except if either (a) the award is assumed or substantially equivalent rights are substituted therefore by the successor entity or (b) it is otherwise determined by the Committee at the time of grant.

In its sole discretion, the Committee may provide for the purchase of any awards that become vested as a result of the change in control, for an amount of cash equal to the excess of the change in control price (as defined in the 2004 Plan) of the shares of Common Stock covered by such awards, over the aggregate exercise price of such awards.

Upon a Change of Control, the Committee may elect to terminate all outstanding stock options and stock appreciation rights granted to participants; provided, that during the period from notification of such termination to the date of consummation of the relevant transaction (which must be at least 20 days) each such participant will have the right to exercise all of his or her stock options and stock appreciation rights in full (without regard to any restrictions on exercisability).

***Amendment and Termination***

Notwithstanding any other provision of the 2004 Plan, the Board may at any time amend, in whole or in part, any or all of the provisions of the 2004 Plan, or suspend or terminate it entirely, retroactively or otherwise; provided, however, that, unless otherwise required by law, the rights of a participant with respect to awards granted prior to such amendment, suspension or termination, may not be impaired without the consent of such participant and, provided further, that stockholder approval shall be required for any amendment (i) that changes the class of individuals eligible to receive Awards under the Plan, (ii) that increases the maximum number of shares of Common Stock in the aggregate that may be subject to awards that are granted under the 2004 Plan (except as otherwise permitted under the Plan); (iii) if approval of such amendment is necessary to comply with federal or state law (including without limitation Section 162(m) of the Code and Rule 16b-3 under the Exchange Act) or with the rules of any stock exchange or automated quotation system on which the Common Stock may be listed or traded, or (iv) if such amendment eliminates a requirement provided in the Plan that the stockholders of the Company must approve an action to be undertaken under the Plan.

***Nontransferability***

Generally, awards granted under the 2004 Plan are not transferable by a participant other than by will or by the laws of descent and distribution, except that the Committee may provide that an award is transferable to certain family members.

***Material U.S. Federal Income Tax Consequences***

The following discussion of the principal U.S. federal income tax consequences with respect to options under the 2004 Plan is based on statutory authority and judicial and administrative interpretations as of the date of this Proxy Statement, which are subject to change at any time (possibly with retroactive effect) and may vary in individual circumstances. Therefore, the following is designed to provide a general understanding of the federal income tax consequences (state, local and other tax consequences are not addressed below). This discussion is limited to the U.S. federal income tax consequences to individuals who are citizens or residents of the U.S., other than those individuals who are taxed on a residence basis in a foreign country. The U.S. federal income tax law is technical and complex and the discussion below represents only a general summary.

**THE FOLLOWING SUMMARY IS INCLUDED HEREIN FOR GENERAL INFORMATION ONLY AND DOES NOT PURPORT TO ADDRESS ALL THE TAX CONSIDERATIONS THAT MAY BE RELEVANT. EACH RECIPIENT OF A GRANT IS URGED TO CONSULT HIS OR HER OWN TAX ADVISOR AS TO THE SPECIFIC TAX CONSEQUENCES TO SUCH RECIPIENT OF THE GRANT AND THE DISPOSITION OF COMMON STOCK.**

*Incentive Stock Options.* Under current federal income tax laws, the grant or exercise of an ISO generally has no income tax consequences for the optionee or the Company. However, the amount by which the fair market value of the Common Stock acquired pursuant to the exercise of an ISO exceeds the exercise price is an adjustment item for purposes of alternative minimum tax.

The aggregate fair market value of Common Stock (determined at the time of grant) with respect to which ISOs can be exercisable for the first time by an optionee during any calendar year cannot exceed \$100,000. Any excess will be treated as a non-qualified stock option.

The sale of Common Stock received pursuant to the exercise of an option that satisfied all of the ISO requirements, as well as the holding period requirement described below, will result in a long-term capital gain or loss equal to the difference between the amount realized on the sale and the exercise price. To receive ISO treatment, an optionee must be an employee of the Company (or any subsidiary) at all times during the period beginning on the date of the grant of the ISO and ending on the day three months before the date of exercise, and the optionee must not dispose of the Common Stock purchased pursuant to the exercise of an option either (i) within two years after the option is granted, or (ii) within one year after the date of exercise. Any gain or loss realized on a subsequent disposition of the shares will be treated as long-term capital gain or loss (depending on the applicable holding period). The Company will not be entitled to a tax deduction upon the exercise of an ISO, nor upon a subsequent disposition of the shares of Common Stock, unless the disposition occurs prior to the expiration of the holding period described above.

In general, if the optionee does not satisfy these holding period requirements, any gain equal to the difference between the exercise price and the fair market value of the Common Stock at exercise (or, if a lesser amount, the amount realized on disposition over the exercise price) will constitute ordinary income. In the event of such a disposition before the expiration of either holding period described above, the Company will be entitled to a deduction at that time equal to the amount of ordinary income recognized by the optionee. Any gain in excess of the amount recognized by the optionee as ordinary income would be taxed to the optionee as short-term or long-term capital gain (depending on the applicable holding period).

*Non-Qualified Stock Options.* In general, an optionee will recognize no taxable income upon the grant of a non-qualified stock option and the Company will not receive a deduction at the time of such grant. Upon exercise of a non-qualified stock option, an optionee generally will recognize ordinary income in an amount equal to the excess of the fair market value of the Common Stock on the date of exercise over the exercise price. Upon a subsequent sale of the Common Stock by the optionee, the optionee will recognize short-term or long-term capital gain or loss, depending upon his holding period for the Common

**Table of Contents**

Stock. The Company will generally be allowed a deduction equal to the amount recognized by the optionee as ordinary income.

*Section 162(m) of the Code.* Section 162(m) of the Code denies a deduction to any publicly held corporation for compensation paid to certain covered employees in its taxable year to the extent that such compensation exceeds \$1,000,000. Covered employees are a company's chief executive officer on the last day of the taxable year and any other individual whose compensation is required to be reported to stockholders in its proxy statement under the Exchange Act by reason of such employee being among the four highest compensated officers for the taxable year (other than the chief executive officer). Compensation paid under certain qualified performance-based compensation arrangements, which (among other things) provide for compensation based on preestablished performance goals established by a compensation committee that is comprised solely of two or more outside directors, is not considered in determining whether a covered employee's compensation exceeds \$1,000,000. It is intended that certain awards under the 2004 Plan will satisfy these requirements so that the income recognized in connection with awards will not be included in a covered employee's compensation for the purpose of determining whether such individual's compensation exceeds \$1,000,000.

*Parachute Payments.* In the event that the payment of any award under the 2004 Plan is accelerated because of a change in ownership (as defined in Code Section 280G(b)(2)) and such payment of an award, either alone or together with any other payments made to the participant, constitute parachute payments under Section 280G of the Code, then subject to certain exceptions, a portion of such payments would be nondeductible to the company and the participant would be subject to a 20% excise tax on such portion of the payment.

*Tax Consequences for Non-U.S. Taxpayers.* Tax consequences for non-U.S. taxpayers will vary depending upon the tax laws of foreign jurisdictions.

*Future Plan Awards.* Because future awards under the 2004 Plan will be based upon prospective factors including the nature of services to be rendered and a recipient's potential contributions to the success of the Company, actual awards cannot be determined at this time.

**New Plan Benefits Table**

No benefits or amounts have been granted, awarded or received under the 2004 Plan. Because awards to non-employee directors and employees are discretionary, no awards are determinable for such individuals at this time. However, for illustrative purposes and as required by applicable regulations, the table below shows the awards received by such individuals in 2003 that would have been granted under the 2004 Plan had it been in effect. In addition, the annual benefits and amounts that will be received by the non-employee directors under the 2004 Plan are shown in the table below.

Name and Position	Dollar Value	Number of Options
David H. Clarke	0	95,000
Donald C. Devine	\$ 226,000(1)	165,000
Steven C. Barre	0	65,000
Allan D. Weingarten	0	65,000
Jeffrey B. Park	0	65,000
Executive Group	\$ 226,000	522,500
Non-Executive Director Group	\$ 270,000(2)	41,250(3)
Non-Executive Officer Employee Group	0	285,500

- (1) In fiscal 2003, Mr. Devine was awarded 50,000 shares of restricted stock. The value of the restricted stock is based upon the last reported sale price of an unrestricted share of Common Stock on the NYSE on the date of the grant, April 21, 2003 (\$4.52).

**Table of Contents**

- (2) As described under Awards to Non-Employee Directors above, this amount reflects the annual retainer of \$30,000 payable in the form of restricted stock units under the Deferred Compensation Plan. For fiscal 2004, all non-employee directors, other than Messrs. Price and Butler who will retire from the Board as of the Annual Meeting, have elected to defer 100% of their retainer fees under the Deferred Compensation Plan. The annual retainer amount can be amended without stockholder approval.
- (3) As described under Awards to Non-Employee Directors above, this number represents two initial grants of non-qualified stock options to two new non-employee directors to purchase 7,500 shares each of Common Stock and the annual grant of non-qualified stock options to all remaining non-employee directors to purchase 3,750 shares of Common Stock.

**Vote Required**

Approval of this proposal requires the affirmative vote of a majority of the votes cast, provided that the total votes cast represent greater than 50% of the outstanding shares of the Company. Votes may be cast for or against this proposal, or stockholders may abstain from voting thereon. Except as described below, an abstention or broker non-vote will have the effect of a vote against this proposal since they are not counted as votes cast and therefore will not count towards the requirement that greater than 50% of the Company's outstanding shares vote on this matter. However, if more than 50% of the Company's outstanding shares vote on this proposal, abstentions and broker non-votes will have no effect on the result of the vote. Proxies solicited on behalf of the Board will be voted FOR this proposal unless stockholders specify a contrary choice.

**Recommendation of the Board**

**THE BOARD RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE APPROVAL OF THE 2004 PLAN.**

**PROPOSAL II**

**APPROVAL OF EXCHANGE PROGRAM**

**(Item D on Proxy Card)**

On December 2, 2003, the Board approved the Exchange Program, subject to stockholder approval. This proposal relates to the approval of a special one-time program under which eligible active employees, executive officers and directors of the Company (each, an Eligible Participant and collectively, the Eligible Participants) will be given the opportunity to exchange eligible stock options for a lesser number of restricted shares of the Company's Common Stock. As discussed above, implementation of the Exchange Program is contingent on the approval by the stockholders of the 2004 Plan.

**Reasons for the Exchange Program**

The Company generally makes equity incentive awards on an annual basis, which includes stock options. When an option is granted, the Company specifies the price per share that the grantee must pay in order to receive the underlying share of Common Stock. After vesting, a grantee can exercise the option to purchase shares of Common Stock. The grantee will receive value if he or she exercises the options and sells the underlying shares at a price that exceeds the option's exercise price. The Company does not grant stock options with an exercise price that is less than the fair market value of its Common Stock as of the grant date.

For almost three years, the Company's stock has been trading at levels below the exercise price or grant price of the large majority of outstanding options currently held by its Eligible Participants. The Company expects this situation to continue for the foreseeable future. Consequently, it is becoming increasingly difficult to motivate and retain these talented individuals with existing equity incentive awards. For the Company's equity incentive awards to provide the desired results, its Eligible Participants must

## **Table of Contents**

feel that these awards provide an opportunity through their efforts to realize value within a reasonable period of time. In addition, because these options have been under water for an extended period of time, the number of shares subject to options has steadily built as a percentage of shares outstanding, creating a significant overhang, which the Company believes also has negatively impacted its stock price.

Through the Exchange Program, the Company proposes to provide each Eligible Participant who elects to participate in the Exchange Program (each a Participant and collectively, the Participants) the benefit of holding shares of restricted stock that, over time, may have a greater potential to increase in value. The Company believes the Exchange Program will create an incentive for the Eligible Participants to remain with the Company and contribute to the attainment of the Company's business and financial objectives.

Under the Exchange Program, Eligible Participants will be given a one-time opportunity to exchange eligible stock options for proportionately fewer restricted shares of the Company's Common Stock. In every case, a Participant will surrender more than one existing option to receive a single new share of restricted stock. The exchange ratios used in the Exchange Program are intended to result in the delivery of restricted shares with a value approximately equal to that of the options being replaced. Because Participants will be exchanging a greater number of stock options (many of which are fully vested) for a lesser number of shares of restricted stock, the number of shares of stock granted to its key employees, executive officers and directors through existing equity compensation plans will be reduced, lessening the overhang.

Another benefit to stockholders is the manner in which the Exchange Program has been structured with respect to the vesting of awards. Shares of restricted stock issued through the Exchange Program will be subject to new vesting requirements, without regard to the prior vesting schedules of the exchanged options. The new vesting schedules will help ensure that the most talented employees continue in the Company's employ and are retained to help achieve its business goals.

Shares of restricted stock issued through the Exchange Program will be issued under the 2004 Plan, if approved by the stockholders at the annual meeting. Therefore, the Company does not believe that amendments to any of its existing equity compensation plans are necessary to implement the Exchange Program. As discussed above, upon approval of the 2004 Plan, the Company will no longer grant options or issue any other equity-based awards under its existing equity compensation plans.

### **Important Note Regarding the Exchange Program**

*The Company has not commenced the Exchange Program and will not complete the Exchange Program unless stockholders approve this proposal and the 2004 Plan. At the time the Exchange Program is commenced, Eligible Participants will be sent written materials explaining the precise terms and timing of the Exchange Program. The commencement of the Exchange Program, as well as any determination to amend the offer, waive a condition to the offer or terminate the offer will be subject to approval by the Compensation Committee. Eligible Participants are urged to read these written materials carefully when they become available, because they will contain important information about the Exchange Program. Upon commencement of the Exchange Program, the Company will file the written materials relating to the Exchange Program with the Commission as part of a tender offer statement on Schedule TO. Eligible Participants, as well as stockholders and members of the public, will be able to obtain these written materials and other documents filed by the Company with the Commission free of charge from the Commission's website at [www.sec.gov](http://www.sec.gov). Holders of eligible stock options may also obtain a written copy of the tender offer materials, when available, free of charge by contacting the exchange agent for the Exchange Program.*

As of the Record Date, there were approximately 2,901,063 shares of Common Stock underlying the stock options eligible for the Exchange Program. The stock options eligible for the Exchange Program have exercise or grant prices above \$8.00, ranging from \$8.08 to \$28.88. Approximately 50 Eligible Participants worldwide hold exchangeable options as of the Record Date.

## **Table of Contents**

Each option that is eligible for exchange under the Exchange Program was granted under the Company's 1995, 1996 or 2000 equity compensation plans, as amended, or one of the former Zurn Industries, Inc. equity compensation plans.

Regardless of the plan under which eligible options were originally granted, the shares of restricted stock issued under the Exchange Program will be granted under the 2004 Plan, subject to stockholder approval. The Company will not grant any future awards under any of these stock option plans; therefore, the shares of Common Stock underlying options surrendered in the Exchange Program will be cancelled and will not be available for future grants under the plan from which they were initially issued.

### **Description of the Exchange Program**

*Exchange Offer.* Under the Exchange Program, Participants may make a one-time election to return for cancellation all of their eligible stock options with a grant price of greater than \$8.00 for proportionally fewer shares of restricted stock at a lower grant price. These new grants of restricted stock will be effective as of the first business day after the final day of the Exchange Program. Participation in the program will be voluntary. To participate, however, an Eligible Participant must elect to surrender all of his or her eligible options. In other words, the exchange will be on an all-or-nothing basis and a Participant may not elect to exchange some of his or her eligible options and retain others. However, any options that have a grant price less than the closing price on the NYSE of the Company's Common Stock on the last day of the Exchange Program may not be included in the Exchange Program. In other words, if the Company's Common Stock closes above \$8.00 on the last day of the Exchange Program, the Compensation Committee may provide that options with a grant price between \$8.00 and such higher closing price will not be considered to be eligible options under the Exchange Program.

*Eligibility.* The Exchange Program is open to all of the Company's active employees, executive officers and directors who hold eligible options. The program will include the employees of the Company's participating subsidiaries worldwide, except where securities or local laws make it impracticable. The Exchange Program is not available to former employees or directors.

*Black-Scholes Valuation / Stock Option Exchange Ratio.* The Company's objective is to set the value of the restricted stock to be received in the Exchange Program approximately equivalent to the value of the outstanding stock options eligible for exchange. The Company worked with Mellon Human Resources and Investor Services, an independent nationally recognized executive compensation-consulting firm, to estimate the option values and set the exchange ratios for the issuance of restricted stock. The exchange ratio for each class of eligible stock options is illustrated in the table below. Mellon estimated the option values using the Black-Scholes stock option valuation model and based the exchange ratios on these option values. The Black-Scholes model is a common method used for estimating the value of a stock option. For purposes of determining the value of an option and the related exchange ratio under the Black-Scholes model, the following factors, among others, were used: (1) the option's exercise price; (2) an assumed value of \$7.13 per share of Common Stock, being the closing price on the NYSE of the Company's Common Stock on the Record Date; (3) the daily volatility of the Common Stock price during the prior three years; and (4) the length of the remaining term of the stock option.

This valuation of the restricted stock and stock options eligible for exchange was made and the exchange ratios were calculated as of the Record Date. Subsequent changes in the Common Stock price may affect this valuation, but the exchange ratios will not be altered, subject to the exception provided below under Adjustments to the Exchange Ratio.

The number of shares of restricted stock, a Participant will receive with respect to his or her eligible options will be determined by (1) multiplying the number of options tendered for exchange in each class by the exchange ratio for that class and (2) adding the results for all of those classes (rounded up to the

nearest whole share). The classes of eligible options and the applicable exchange ratios are illustrated in the following table:

*Adjustments to the Exchange Ratio.* The above exchange ratios were calculated as of the Record Date based on an assumed value of \$7.13 per share of Common Stock (the closing price of the Company's Common Stock on the NYSE on the Record Date). The Compensation Committee may, in their sole discretion, adjust the Exchange Ratios based on an updated Black-Scholes valuation model, if the price of the Common Stock has significantly changed from the assumed value prior to the launch of the Exchange Program. In no event will the maximum number of shares of restricted stock to be issued by

**Table of Contents**

the Company in connection with the Exchange Program exceed 600,000 shares (approximately 20% greater than the maximum number of shares of restricted stock that would be issued based on an assumed value of \$7.13 per share of Common Stock).

*Vesting of Restricted Stock Awards.* Regardless of the class of option surrendered in the exchange and subject to the Participant's continued employment with the Company, all new restricted stock awards will vest in equal annual installments over four years following the grant date. Accelerated vesting will occur upon a change of control of the company as described under Proposal I Approval of 2004 Stock Incentive Plan Change in Control. When a share of restricted stock vests, the share becomes non-forfeitable and freely tradable, subject to applicable securities laws. The vesting schedule for the restricted stock will not take into account the extent that exchanged options were already vested, nor will it give credit for prior service with Jacuzzi Brands or its subsidiaries. The Company believes the new vesting schedule under the Exchange Program will enhance its motivational and retentive elements with respect to Participants and will thus benefit the stockholders.

*Implementation of the Exchange Program.* If this proposal is approved by stockholders, Eligible Participants will be offered the opportunity to participate in the Exchange Program promptly after the Annual Meeting. Eligible Participants will be given an election period (a minimum of 20 business days) in which to accept the offer to surrender all of their eligible options in exchange for new restricted stock awards. All of the eligible options of participating employees will be cancelled on the last day of the election period. The restricted stock, will be granted on the first business day after the end of the election period.

*Accounting Treatment.* Under current accounting rules, the Company will be required to record a fixed compensation expense on its income statement equal to the fair market value of the options exchanged for shares of restricted stock in the Exchange Program. This cost generally will be amortized over the four-year vesting period for these shares. Any eligible options that are not surrendered for exchange will become subject to variable accounting (i.e., the accounting charge will vary in accordance with the market price of the Common Stock at the end of each reporting period) until such options are exercised, forfeited or expire unexercised. During the election period, all of the options in the Exchange Program are subject to variable accounting.

*U.S. Federal Income Tax Consequences.* The Exchange Program should be treated as a non-taxable exchange, and no income for U.S. federal income tax purposes should be recognized by Participants or the Company upon the grant of the new restricted stock awards. Upon vesting in the restricted stock, Participants will be required to recognize ordinary income in an amount equal to the fair market value of such restricted stock. The Company will generally be allowed a business expense deduction for the amount of any taxable income that is recognized by Participants at the time such income is recognized.

*International Tax Consequences.* The Exchange Program will be offered on a worldwide basis and, therefore, participants residing outside of the U.S. may be subject to laws other than those of this country. The international tax implications of the Exchange Program are not discussed in this proxy statement and will vary depending upon the tax laws of foreign jurisdictions; however, the tender offer documents the Company delivers to Eligible Participants will contain a summary of the applicable international tax laws.

*Maximum Participation.* The following table indicates the maximum number of options that are eligible for exchange through the Exchange Program and the maximum number of shares of restricted

**Table of Contents**

stock that could be granted, assuming all of the Eligible Participants elect to participate in the Exchange Program.

**Maximum Participation in the Exchange Program**

	<b>Maximum Number of Shares of Common Stock Underlying Eligible Options that could be Exchanged</b>	<b>Maximum Number of Shares of Restricted Stock to be Granted</b>
All Eligible Participants	2,901,063	468,781

Assuming each of the Company's directors and executive officers that hold eligible options participate in the Exchange Program, the maximum number of options that are eligible for exchange through the Exchange Program and the maximum number of shares of restricted stock that could be granted for each of the Company's executive officers and directors are, respectively, as of the Record Date, as follows: Mr. Clarke 1,383,627 and 239,127; Mr. Barre 116,750 and 27,543; Diana E. Burton 161,858 and 31,950; Mr. Beazer 41,250 and 6,932; Mr. McAtee 42,750 and 7,405; Mr. Victor 42,750 and 7,405; Sir Harry 42,750 and 7,405; and Mr. Womack 398,350 and 27,139. None of Mr. Devine, Mr. Weingarten, Mr. Park, Mr. Butler, Ms. Hagen, Ms. Morf, Mr. Price, Mr. Waldin or any other executive officer of the Company hold eligible options.

Because the decision whether to participate in the Exchange Program will be completely voluntary, the Company is not able to predict which Eligible Participants will participate, if any.

**Cash-out of Certain Options**

Some former employees and directors of the Company also hold underwater stock options. These former employees and directors are not Eligible Participants in the Exchange Program. In the future and for a limited time, the Compensation Committee may, in their sole discretion, permit the Company to pay to these former employees and directors a cash amount approximately equal to the Black-Scholes valuation of these options in exchange for the cancellation of their underwater options. The Company expects that at the time of the Annual Meeting former employees and directors will hold underwater stock options covering approximately 650,000 shares of Common Stock. Assuming these options are valued on the basis of assumptions that are comparable in the aggregate to the valuation of the options in the Exchange Program, the Company estimates that approximately \$650,000 would be required to retire these options.

**Vote Required**

Approval of this proposal requires the affirmative vote of a majority of the votes cast, provided that the total votes cast represent greater than 50% of the outstanding shares of the Company. Votes may be cast for or against this proposal, or stockholders may abstain from voting thereon. Except as described below, an abstention or broker non-vote will have the effect of a vote against this proposal since they are not counted as votes cast and therefore will not count towards the requirement that greater than 50% of the Company's outstanding shares vote on this matter. However, if more than 50% of the Company's outstanding shares vote on this proposal, abstentions and broker non-votes will have no effect on the result of the vote. Proxies solicited on behalf of the Board will be voted FOR this proposal unless stockholders specify a contrary choice.

**Recommendation of the Board**

**OTHER MATTERS**

As of the date of this Proxy Statement, the Company knows of no business that will be presented for consideration at the Annual Meeting other than the items specifically identified in the Notice of Annual Meeting. Proxies in the enclosed form will be voted in respect of any other business that is properly brought before the Annual Meeting in accordance with the judgment of the person or persons voting the proxies.

**STOCKHOLDER PROPOSALS AND NOMINATIONS OF BOARD MEMBERS**

If a stockholder intends to present a proposal for action at the 2005 Annual Meeting and wishes to have such proposal considered for inclusion in the Company's proxy materials in reliance on Rule 14a-8 under the Exchange Act, the proposal must be submitted in writing and received by the Company by October 14, 2004. Such proposals must also meet the other requirements of the rules of the Securities and Exchange Commission relating to stockholders' proposals. The By-Laws establish an advance notice procedure with regard to certain matters, including stockholder proposals and nominations of individuals for election to the Board.

(c) *Cancelled, Forfeited, or Surrendered Awards.* If any Award is cancelled, forfeited, exchanged, surrendered or terminated for any reason prior to exercise or becoming vested in full, the shares of Common Stock that were subject to such Award will to the extent cancelled, forfeited, exchanged, surrendered or terminated be available for future Awards granted under the Plan as if said Award had never been granted.

(d) *Recapitalization.* If the outstanding shares of Common Stock are increased or decreased or changed into or exchanged for a different number or kind of shares or other securities of Jacuzzi Brands by reason of any recapitalization, reclassification, reorganization, stock split, reverse split, combination of shares, exchange of shares, stock dividend or other distribution payable in capital stock of Jacuzzi Brands or other increase or decrease in such shares effected without receipt of consideration by Jacuzzi Brands occurring after the Effective Date, an appropriate and proportionate adjustment shall be made by the Committee (i) in the aggregate number and kind of shares of Common Stock available under the Plan; (ii) in the number and kind of shares of Common Stock issuable upon exercise (or vesting) of outstanding Awards granted under the Plan; (iii) in the Exercise Price per share of outstanding Options granted under the Plan and (iv) the number of shares of Common Stock subject to Awards granted to Non-Employee Directors under Section 11. Options designated as Incentive Stock Options that fail to continue to meet the requirements of Code Section 422 shall be re-designated as Non-qualified Stock Options automatically on the date of such failure to continue to meet such requirements without further action by the Committee. In the absence of any designation, Options granted under the Plan will be deemed to be Non-qualified Stock Options.

(c) *Exercise Price.* Subject to the limitations set forth in the Plan relating to Incentive Stock Options, the Exercise Price of an Option shall be fixed by the Committee and stated in the respective Award Agreement, provided that the Exercise Price may not be less than Fair Market Value of the Common Stock, or if greater, the par value of the Common Stock, as of the Grant Date of the total number of shares of Common Stock that are subject to such Option.

**Table of Contents**

(d) *Limitation on Option Period.* Subject to the limitations set forth in the Plan relating to Incentive Stock Options, Options granted under the Plan and all rights to purchase Common Stock thereunder shall terminate no later than the tenth anniversary of the Grant Date of such Options, or on such earlier date as may be stated in the Award Agreement relating to such Option. In the case of Options expiring prior to the tenth anniversary of the Grant Date, the Committee may in its discretion, at any time prior to the expiration or termination of said Options, extend the term of any such Options for such additional period as it may determine, but in no event beyond the tenth anniversary of the Grant Date thereof.

(e) *Limitations on Incentive Stock Options.* Notwithstanding any other provisions of the Plan, the following provisions shall apply with respect to Incentive Stock Options granted pursuant to the Plan.

(i) *Limitation on Grants.* Incentive Stock Options may only be granted to Section 424 Employees. The aggregate Fair Market Value (determined at the time such Incentive Stock Option is granted) of the shares of Common Stock for which any individual may have Incentive Stock Options which first become vested and exercisable in any calendar year (under all incentive stock option plans of the Company) shall not exceed \$100,000. Options granted to such individual in excess of the \$100,000 limitation, and any Options issued subsequently which first become vested and exercisable in the same calendar year, shall be treated as Non-qualified Stock Options.

(ii) *Minimum Exercise Price.* In no event may the Exercise Price of an Incentive Stock Option be less than 100% of the aggregate Fair Market Value as of the Grant Date of the total number of shares of Common Stock that are subject to such Incentive Stock Option.

(iii) *Ten Percent Stockholder.* Notwithstanding any other provision of the Plan to the contrary, in the case of Incentive Stock Options granted to a Section 424 Employee who, at the time the Option is granted, owns (after application of the rules set forth in Code Section 424(d)) stock possessing more than ten percent of the total combined voting power of all classes of stock of Jacuzzi Brands, such Incentive Stock Options (i) must have an Exercise Price that is at least 110% of the aggregate Fair Market Value as of the Grant Date of the total number of shares of Common Stock that are subject to such Option, and (ii) must not be exercisable after the fifth anniversary of the Grant Date.

(f) *Vesting Schedule and Conditions.* No Options may be exercised prior to the satisfaction of the conditions and vesting schedule provided for in the Award Agreement relating thereto. Unless otherwise provided in the applicable Award Agreement, Options will vest and become exercisable on each anniversary of the Grant Date in equal annual installments over four (4) years following the Grant Date of the Option.

(g) *Exercise.* When the conditions to the exercise of an Option have been satisfied, the Participant may exercise the Option only in accordance with the following provisions. The Participant shall deliver to Jacuzzi Brands a written notice stating that the Participant is exercising the Option and specifying the number of shares of Common Stock which are to be purchased pursuant to the Option, and such notice shall be accompanied by payment in full of the Exercise Price of the shares for which the Option is being exercised, by one or more of the methods provided for in the Plan. Said notice must be delivered to Jacuzzi Brands at its principal office and addressed to the attention of Jacuzzi Brands Vice President Human Resources. The minimum number of shares of Common Stock with respect to which an Option may be exercised, in whole or in part, at any time shall be the lesser of 100 shares or the maximum number of shares available for purchase under the Option at the time of exercise. An attempt to exercise any Option granted hereunder other than as set forth in the Plan shall be invalid and of no force and effect.

**Table of Contents**

(h) *Payment.* Payment of the Exercise Price for the shares of Common Stock purchased pursuant to the exercise of an Option shall be made by one of the following methods:

(i) by cash, certified or cashier's check, bank draft or money order; or

(ii) through the delivery to Jacuzzi Brands of shares of Common Stock which have been previously owned by the Participant for the requisite period necessary to avoid a charge to Jacuzzi Brands' earnings for financial reporting purposes; such shares shall be valued, for purposes of determining the extent to which the Exercise Price has been paid thereby, at their Fair Market Value on the date of exercise; without limiting the foregoing, the Committee may require the Participant to furnish an opinion of counsel acceptable to the Committee to the effect that such delivery would not result in Jacuzzi Brands incurring any liability under Section 16(b) of the Exchange Act.

Notwithstanding the foregoing, the Committee may, in its sole and absolute discretion and to the extent permitted by applicable law, permit such payment to be made by one of the following methods or in any combination thereof as it may determine: (i) by the delivery of a promissory note of the Participant to Jacuzzi Brands on such terms as the Committee shall specify in its sole and absolute discretion; (ii) through a cashless exercise sale and remittance procedure pursuant to which the Participant shall concurrently provide irrevocable instructions (1) to a brokerage firm approved by the Committee to effect the immediate sale of the purchased shares and remit to Jacuzzi Brands, out of the sale proceeds available on the settlement date, sufficient funds to cover the aggregate Exercise Price payable for the purchased shares plus all applicable Federal, state and local income, employment, excise and other taxes required to be withheld by the Company by reason of such exercise and (2) to Jacuzzi Brands to deliver the certificates for the purchased shares directly to such brokerage firm in order to complete the sale; or (iii) any other method as may be permitted by the Committee.

(i) *Termination of Employment, Retirement, Disability, or Death.* Unless otherwise provided in an Award Agreement, upon the termination of the employment or other service of a Participant with Company for any reason, all of the Participant's outstanding Options (whether vested or unvested) shall be subject to the rules of this paragraph. Upon such termination, the Participant's unvested Options shall expire. Notwithstanding the foregoing, the Committee may provide, in its sole and absolute discretion, that following the termination of employment or service of a Participant with the Company for any reason other than for Cause, a Participant or the Participant's estate, devisee or heir at law (whichever is applicable) may exercise an Option, in whole or in part, at any time subsequent to such termination of employment or service and prior to termination of the Option pursuant to its terms. Unless otherwise determined by the Committee, temporary absence from employment because of illness, vacation, approved leaves of absence or military service shall not constitute a termination of employment or service.

(i) *Termination for Reason Other Than Cause, Disability, Retirement or Death.* If a Participant's termination of employment is for any reason other than Cause, Disability, Retirement or death, any Option held by such Participant, may be exercised, to the extent exercisable at termination, by the Participant at any time within a period not to exceed thirty (30) days from the date of such termination, and prior to the termination of the Option pursuant to its terms.

(ii) *Disability.* If a Participant's termination of employment or service with the Company is by reason of a Disability of such Participant, the Participant shall have the right at any time within a period not to exceed one (1) year after such termination and prior to termination of the Option pursuant to its terms, to exercise, in whole or in part, any vested portion of the Option held by such Participant at the date of such termination; *provided, however,* that if the Participant dies within such period, any vested Option held by such Participant upon death shall be exercisable by the Participant's estate, devisee or heir at law (whichever is applicable) for a period not to exceed one (1) year after the Participant's death and prior to the termination of the Option pursuant to its terms.

(iii) *Termination by Reason of Retirement.* If a Participant's termination of employment or service by reason of Retirement, the Participant shall have the right at any time within a period not to exceed ninety (90) days from the date of such termination, and prior to the termination of the Option

pursuant to its terms to exercise, in whole or in part, any vested portion of the Option held by such Participant at the date of such termination; *provided, however*, that, if the Participant dies within such exercise period, any vested Option held by such Participant upon death shall be exercisable by the Participant's estate, devisee or heir at law (whichever is applicable) for a period not to exceed one (1) year after the Participant's death and prior to the termination of the Option pursuant to its terms.

(iv) *Death*. If a Participant dies while in the employment or service of the Company, the Participant's estate or the devisee named in the Participant's valid last will and testament or the Participant's heir at law who inherits the Option has the right, at any time within a period not to exceed one (1) year after the date of such Participant's death and prior to termination of the Option pursuant to its terms, to exercise, in whole or in part, any portion of the vested Option held by such Participant at the date of such Participant's death.

(v) *Other Termination*. In the event the termination is for Cause or is a voluntary termination within ninety (90) days after occurrence of an event which would be grounds for termination of employment by the Company for Cause (without regard to any notice or cure period requirement), any Option held by the Participant at the time of occurrence of the event which would be grounds for termination of employment by the Company for Cause shall be deemed to have terminated and expired upon occurrence of the event which would be grounds for termination of employment by the Company for Cause.

### **7. Stock Appreciation Rights**

(a) *Grant of Stock Appreciation Rights*. Subject to the terms and conditions of the Plan, the Committee may grant to such Eligible Individuals as the Committee may determine, Stock Appreciation Rights, in such amounts, as the Committee shall determine in its sole and absolute discretion. Stock Appreciation Rights may be granted in tandem with an Option, or may be granted on a freestanding basis, not related to any Option. Each grant of a Stock Appreciation Right shall satisfy the requirements as set forth in this Section.

(b) *Terms and Conditions of Stock Appreciation Rights*. Unless otherwise provided in an Award Agreement, the terms and conditions (including, without limitation, the exercise period of the Stock Appreciation Right, the vesting schedule applicable thereto and the impact of any termination of service on the Participant's rights with respect to the Stock Appreciation Right) applicable with respect to (i) Stock Appreciation Rights granted in tandem with an Option shall be substantially identical (to the extent possible taking into account the differences related to the character of the Stock Appreciation Right) to the terms and conditions applicable to the tandem Options, and (ii) freestanding Stock Appreciation Rights shall be substantially identical (to the extent possible taking into account the differences related to the character of the Stock Appreciation Right) to the terms and conditions that would have been applicable under Section 6 above were the grant of the Stock Appreciation Rights a grant of an Option. Notwithstanding anything to the contrary, the Committee may, in its sole and absolute discretion, designate a Stock Appreciation Right as a limited Stock Appreciation Right that shall be exercisable only upon the occurrence of certain events including but not limited to a Change in Control of Jacuzzi Brands.

Tandem Stock Appreciation Rights may only be exercised upon the surrender of the right to exercise the related Option for an equivalent number of shares of Common Stock and may be exercised only with respect to the shares of Common Stock for which the related Option is then exercisable. Upon the exercise of an Option granted in connection with a Stock Appreciation Right, the related Stock Appreciation Right shall be canceled to the extent of the number of shares of Common Stock to which the Option was exercised.

(d) *Payment of Stock Appreciation Right.* Unless otherwise provided in an Award Agreement, upon exercise of a Stock Appreciation Right, the Participant or Participant's estate, devisee or heir at law (whichever is applicable) shall be entitled to receive payment, in cash, in shares of Common Stock, or in a combination thereof, as determined by the Committee in its sole and absolute discretion. The amount of such payment shall be determined by multiplying the excess, if any, of the Fair Market Value of a share of Common Stock on the date of exercise over the Fair Market Value of a share of Common Stock on the Grant Date, by the number of shares of Common Stock with respect to which the Stock Appreciation Rights are then being exercised. Notwithstanding the foregoing, the Company may limit in any manner the amount payable with respect to a Stock Appreciation Right by including such limitation in the Award Agreement.

**8. Restricted Stock and Restricted Stock Units**

(a) *Grant of Restricted Stock and Restricted Stock Units.* Subject to the terms and conditions of the Plan, the Committee may grant to such Eligible Individuals as the Committee may determine, Restricted Stock or Restricted Stock Units, in such amounts, as the Committee shall determine in its sole and absolute discretion. Each grant of Restricted Stock or Restricted Stock Units shall satisfy the requirements as set forth in this Section.

(b) *Restrictions.* The Committee shall impose such restrictions on any Restricted Stock or Restricted Stock Units granted pursuant to the Plan as it may deem advisable including, without limitation; time based vesting restrictions, or the attainment of Performance Goals. Unless otherwise provided in the applicable Award Agreement, Restricted Stock and Restricted Stock Units will vest and become exercisable on each anniversary of the Grant Date in equal annual installments over three (3) years following the Grant Date of the Restricted Stock or Restricted Stock Units. Shares of Restricted Stock or Restricted Stock Units subject to the attainment of Performance Goals will be released from restrictions only after the attainment of such Performance Goals has been certified by the Committee in accordance with Section 9(c).

(c) *Certificates and Certificate Legend.* With respect to a grant of Restricted Stock, the Company may issue a certificate evidencing such Restricted Stock to the Participant or issue and hold such shares of Restricted Stock for the benefit of the Participant until the applicable restrictions expire. The Company may legend the certificate representing Restricted Stock to give appropriate notice of such restrictions. In addition to any such legends, each certificate representing shares of Restricted Stock granted pursuant to the Plan shall bear the following legend:

The sale or other transfer of the shares of stock represented by this certificate, whether voluntary, involuntary, or by operation of law, are subject to certain terms, conditions, and restrictions on transfer as set forth in the Jacuzzi Brands, Inc. 2004 Stock Incentive Plan, and in an Agreement entered into by and between the registered owner of such shares and the company, dated . A copy of the Plan and the Award Agreement may be obtained from the Secretary of the company.

(d) *Removal of Restrictions.* Except as otherwise provided in the Plan, shares of Restricted Stock shall become freely transferable by the Participant upon the lapse of the applicable restrictions. Once the shares of Restricted Stock are released from the restrictions, the Participant shall be entitled to have the legend required by paragraph (c) above removed from the share certificate evidencing such Restricted Stock and the Company shall pay or distribute to the Participant all dividends and distributions held in escrow by the Company with respect to such Restricted Stock. Upon the lapse of the applicable restrictions with respect to any Restricted Stock Units, Jacuzzi Brands shall deliver to the Participant, one share of Common Stock for each Restricted Stock Unit and any Dividend Equivalents credited with respect to such Restricted Stock Units, if any. If any such dividends or distributions are paid in shares of Common Stock, such shares shall be subject to the same restrictions on transferability and forfeitability as the shares of Restricted Stock with respect to which they were paid. Notwithstanding anything to the contrary, at the discretion of the Committee, all such dividend and distributions may be held in escrow by the Company until all restrictions on the respective Restricted Stock have lapsed. A Participant shall not have any right with respect to Restricted Stock Units granted under the Plan to vote on any matter submitted to Jacuzzi Brands stockholders until the shares of Common Stock attributable to such Restricted Stock Units have been issued.

(f) *Termination of Service.* Unless otherwise provided in a Award Agreement, if a Participant's employment or service with the Company terminates for any reason, all nonvested shares of Restricted Stock held by the Participant and any dividends or distributions held in escrow by Jacuzzi Brands with respect to such Restricted Stock shall be forfeited immediately and returned to the Company, and all nonvested Restricted Stock Units and related Dividend Equivalents shall be forfeited. Notwithstanding this paragraph, all grants of Restricted Stock or Restricted Stock Units that vest solely upon the attainment of Performance Goals shall be treated pursuant to the terms and conditions that would have been applicable under Section 9(d) as if such grants of Restricted Stock or Restricted Stock Units were Awards of Performance Shares or Performance Units.

(c) *Determination and Payment of Performance Units or Performance Shares Earned.* As soon as practicable after the end of a Performance Period, the Committee shall determine the extent to which Performance Shares or Performance Units have been earned on the basis of the Company's actual performance in relation to the established Performance Goals as set forth in the applicable Award Agreement and shall certify these results in writing. As soon as practicable after the Committee has determined that an amount is payable or should be distributed with respect to a Performance Share or a Performance Unit, the Committee shall cause the amount of such Award to be paid or distributed to the Participant or the Participant's estate, devisee or heir at law (whichever is applicable). Unless otherwise provided in an Award Agreement, the Committee shall determine in its sole and absolute discretion whether payment with respect to the Performance Share or Performance Unit shall be made in cash, in shares of Common Stock, or in a combination thereof. The right to receive any remaining Performance Units or Performance Shares shall be canceled and forfeited.

(ii) *Annual Grant.* Each Non-Employee Director shall receive an Option to purchase 3,750 shares of Common Stock on each Annual Grant Date.

(iii) *Exercise Price.* The Exercise Price of an Option granted hereunder shall be equal to greater of the Fair Market Value of a share of Common Stock or the par value of the Common Stock.

Upon such termination the Non-Employee Director's unvested Options shall expire, except as otherwise provided by the Committee.

(viii) *Termination of Directorship for Cause.* Upon the removal, failure to stand for reelection or failure to be re-nominated for Cause, or if the Company obtains information after a Non-Employee Director's directorship terminates that such Non-Employee Director had engaged in conduct that would have justified removal for Cause during the Non-Employee Director's directorship, all outstanding Options held by such Non-Employee Director shall expire immediately and the Non-Employee Director or the Non-Employee Director's estate, devisee or heir at law (whichever is applicable) shall have no further right to purchase shares of Common Stock pursuant to such Options.

Such make-up grants shall be made to a Non-Employee Director only if such director is a Non-Employee Director on the date such make-up grant is made. Notwithstanding anything to the contrary, in the event that no Fair Market Value of the Common Stock can be determined in a fiscal year, no annual grants of Awards shall be made for such fiscal year.

## **12. Other Awards**

Awards of shares of Common Stock, phantom stock and other awards that are valued in whole or in part by reference to, or otherwise based on, Common Stock, may also be made, from time to time, to Eligible Individuals as may be selected by the Committee. Such awards may be made alone or in addition to or in connection with any other Award granted hereunder. The Committee may determine the terms and conditions of any such award. Each such award shall be evidenced by an Award Agreement between the Eligible Individual and the Company which shall specify the number of shares of Common Stock subject to the award, any consideration therefore, any vesting or performance requirements and such other terms and conditions as the Committee shall determine in its sole and absolute discretion.

**14. Change in Control and Other Corporate Events**

(a) *Change in Control.* Unless otherwise provided in an Award Agreement, upon the occurrence of a Change in Control:

(i) Subject to paragraphs (ii) and (iii) below, all outstanding Awards granted prior to the Change in Control shall become fully vested in their entirety on the Change in Control. With respect to Awards subject to performance-based vesting, all Performance Goals shall be deemed satisfied as of the date of the Change in Control. The Committee, in its sole discretion, may provide without the consent of the Participants for the purchase of any Award by the Company. For purposes of this paragraph a Participant holding an Award other than a Performance Unit shall be entitled to a cash payment of an amount equal to (i), the number of shares of Common Stock subject to such Participant's Award, multiplied by (ii) an amount equal to (x) the Change in Control Price, minus (y) the Exercise Price, if any for such Award. With respect to a Participant who holds a Performance Unit such Participant shall be entitled to a cash payment in an amount equal to the dollar amount designated to the Performance Unit as set forth in the applicable Award Agreement.

(ii) Subject to paragraph (iii) below and notwithstanding anything herein to the contrary, in the event of a Change in Control then the Committee may, in its sole discretion, terminate all outstanding Options and Stock Appreciation Rights of each Participant effective as of the date of the Change in Control, by delivering notice of termination to each such Participant at least twenty (20) days prior to the date of the Change in Control; provided, that, unless otherwise provided in the Award Agreement, during the period beginning on the date such notice is delivered and ending on the date of the Change in Control, each such Participant shall have the right to exercise in full all of the Participant's Options and Stock Appreciation Rights Awards that are then outstanding (whether vested or not vested and without regard to any limitations on exercisability otherwise contained in the respective Award Agreement) but contingent on occurrence of the Change in Control, and, provided that, if the Change in Control does not take place within a specified period after giving such notice for any reason whatsoever, the notice and exercise shall be null and void.

(iii) Notwithstanding anything to the contrary herein, unless the Committee provides otherwise at the time an Award is granted to an Eligible Employee hereunder, no acceleration of exercisability shall occur with respect to such Award if the Committee reasonably determines in good faith, prior to the occurrence of the Change in Control that the Award shall be honored or assumed, or new rights substituted therefore (each such honored, assumed or substituted option hereinafter called an Alternative Award), by a Participant's employer (or the parent or a subsidiary of such employer) immediately following the Change in Control, provided that any such Alternative Award must meet the following criteria:

(A) the Alternative Award must be based on stock which is traded on an established securities market, or which will be so traded within thirty (30) days of the Change in Control;

(B) the Alternative Award must provide such Participant with rights and entitlements substantially equivalent to or better than the rights, terms and conditions applicable under such Award, including, but not limited to, an identical or better exercise schedule; and

(C) the Alternative Award must have economic value substantially equivalent to the value of such Award (determined at the time of the Change in Control).

(b) *Change in Status of Parent or Subsidiary.* Unless otherwise provided in an Award Agreement or otherwise determined by the Committee, in the event that an entity which was previously a part of the Company is no longer a part of the Company, as determined by the Committee in its sole discretion, the employment or other services of a Participant employed by such entity may be treated in the sole discretion of the Committee as terminated if such Participant is not employed by the Company immediately after such event.

**Table of Contents**

**15. Requirements of Law**

(a) *Stockholder Approval.* Notwithstanding anything to the contrary herein, no Awards shall be made pursuant to the Plan prior to the date on which the Plan is approved by the stockholders of Jacuzzi Brands in accordance with its By-laws and the laws of the State of Delaware and the rules and regulations of the securities exchange on which the Common Stock is traded.

(b) *Violations of Law.* The Company shall not be required to sell or issue any shares of Common Stock under any Award if the sale or issuance of such shares would constitute a violation by the individual exercising the Award, the Participant or the Company of any provisions of any law or regulation of any governmental authority, including without limitation any provisions of the Sarbanes-Oxley Act, and any other Federal or state securities laws or regulations. Any determination in this connection by the Committee shall be final, binding, and conclusive. The Company shall not be obligated to take any affirmative action in order to cause the exercise of an Award, the issuance of shares pursuant thereto or the grant of an Award to comply with any law or regulation of any governmental authority.

(c) *Registration.* At the time of any exercise or receipt of any Award, the Company may, if it shall determine it necessary or desirable for any reason, require the Participant (or Participant's heirs, legatees or legal representative, as the case may be), as a condition to the exercise or grant thereof, to deliver to the Company a written representation of present intention to hold the shares for their own account as an investment and not with a view to, or for sale in connection with, the distribution of such shares, except in compliance with applicable Federal and state securities laws with respect thereto. In the event such representation is required to be delivered, an appropriate legend may be placed upon each certificate delivered to the Participant (or Participant's heirs, legatees or legal representative, as the case may be) upon the Participant's exercise of part or all of the Award or receipt of an Award and a stop transfer order may be placed with the transfer agent. Each Award shall also be subject to the requirement that, if at any time the Company determines, in its discretion, that the listing, registration or qualification of the shares subject to the Award upon any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory body is necessary or desirable as a condition of or in connection with, the issuance or purchase of the shares thereunder, the Award may not be exercised in whole or in part and the restrictions on an Award may not be removed unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to Company in its sole discretion. The Participant shall provide the Company with any certificates, representations and information that the Company requests and shall otherwise cooperate with the Company in obtaining any listing, registration, qualification, exemption, consent or approval that the Company deems necessary or appropriate. The Company shall not be obligated to take any affirmative action in order to cause the exercisability or vesting of an Award, to cause the exercise of an Award or the issuance of shares pursuant thereto, or to cause the grant of Award to comply with any law or regulation of any governmental authority.

(d) *Withholding.* The Committee may make such provisions and take such steps as it may deem necessary or appropriate for the withholding of any taxes that the Company is required by any law or regulation of any governmental authority, whether Federal, state or local, domestic or foreign, to withhold in connection with the grant or exercise of an Award, or the removal of restrictions on an Award including, but not limited to: (i) the withholding of delivery of shares of Common Stock until the holder reimburses the Company for the amount the Company is required to withhold with respect to such taxes, (ii) the canceling of any number of shares of Common Stock issuable in an amount sufficient to reimburse the Company for the amount it is required to so withhold, (iii) withholding the amount due from any such person's wages or compensation due to such person, or (iv) requiring the Participant to pay the Company cash in the amount the Company is required to withhold with respect to such taxes.

(e) *Governing Law.* The Plan shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware.

**Table of Contents**

**16. General Provisions**

(a) *Award Agreements.* All Awards granted pursuant to the Plan shall be evidenced by an Award Agreement. Each Award Agreement shall specify the terms and conditions of the Award granted and shall contain such provisions, as the Committee shall deem appropriate. The terms of each Award Agreement need not be identical for Eligible Individuals provided that all Award Agreements comply with the terms of the Plan.

(b) *Purchase Price.* To the extent the purchase price of any Award granted hereunder is less than par value of a share of Common Stock and such purchase price is not permitted by applicable law, the per share purchase price shall be equal to the par value of a share of Common Stock.

(c) *Prospective Employees.* Notwithstanding anything to the contrary, any Award granted to a Prospective Employee shall not become vested prior to the date the Prospective Employee first becomes an employee of the Company.

(d) *Issuance of Certificates; Stockholder Rights.* Jacuzzi Brands shall deliver to the Participant a certificate evidencing the Participant's ownership of shares of Common Stock issued pursuant to the exercise of an Award as soon as administratively practicable after satisfaction of all conditions relating to the issuance of such shares. A Participant shall not have any of the rights of a stockholder with respect to such Common Stock prior to satisfaction of all conditions relating to the issuance of such Common Stock, and, except as expressly provided in the Plan, no adjustment shall be made for dividends, distributions or other rights of any kind for which the record date is prior to the date on which all such conditions have been satisfied. The Committee in its absolute and sole discretion may credit a Participant's Award with Dividend Equivalents with respect to any Awards. To the extent that dividends and distributions relating to an Award are held in escrow by the Company, or Dividend Equivalents are credited to an Award, a Participant shall not be entitled to any interest on any such amounts. The Committee may not grant Dividend Equivalents to an Award subject to performance-based vesting to the extent the grant of such Dividend Equivalents would limit the Company's deduction of the compensation payable under such Award for Federal tax purposes pursuant to Code Section 162(m).

(e) *Transferability of Awards.* A Participant may not Transfer an Award other than by will or the laws of descent and distribution. Awards may be exercised during the Participant's lifetime only by the Participant. No Award shall be liable for or subject to the debts, contracts, or liabilities of any Participant, nor shall any Award be subject to legal process or attachment for or against such person. Any purported Transfer of an Award in contravention of the provisions of the Plan shall have no force or effect and shall be null and void, and the purported transferee of such Award shall not acquire any rights with respect to such Award. Notwithstanding anything to the contrary, the Committee may in its sole and absolute discretion permit the Transfer of an Award to a Participant's family member as such term is defined in the Form 8 Registration Statement under the Securities Act of 1933, under such terms and conditions as specified by the Committee. In such case, such Award shall be exercisable only by the transferee approved of by the Committee. To the extent that the Committee permits the Transfer of an Incentive Stock Option to a family member, so that such Option fails to continue to satisfy the requirements of an incentive stock option under the Code such Option shall automatically be re-designated as a Non-Qualified Stock Option.

(f) *Buyout and Settlement Provisions.* The Committee may at any time on behalf of Jacuzzi Brands offer to buy out any Awards previously granted based on such terms and conditions as the Committee shall determine which shall be communicated to the Participants at the time such offer is made.

(g) *Use of Proceeds.* The proceeds received by Jacuzzi Brands from the sale of Common Stock pursuant to Awards granted under the Plan shall constitute general funds of Jacuzzi Brands.

(h) *Modification or Substitution of an Award.* Subject to the terms and conditions of the Plan, the Committee may modify outstanding Awards. Notwithstanding the following, no modification of an Award shall adversely affect any rights or obligations of the Participant under the applicable Award Agreement without the Participant's consent. The Committee in its sole and absolute discretion may rescind, modify,

**Table of Contents**

or waive any vesting requirements or other conditions applicable to an Award. Notwithstanding the foregoing, without approval of the stockholders of Jacuzzi Brands, an Award may not be modified to reduce the exercise price thereof nor may an Award at a lower price be substituted for a surrender of an Award, provided that (i) the foregoing shall not apply to adjustments or substitutions in accordance with Section 5 or Section 14, and (ii) if an Award is modified, extended or renewed and thereby deemed to be in issuance of a new Award under the Code or the applicable accounting rules, the exercise price of such Award may continue to be the original Exercise Price even if less than Fair Market Value of the Common Stock at the time of such modification, extension or renewal.

(i) *Amendment and Termination of Plan.* The Board may, at any time and from time to time, amend, suspend or terminate the Plan as to any shares of Common Stock as to which Awards have not been granted; *provided, however*, that the approval by a majority of the votes present and entitled to vote at a duly held meeting of the stockholders of Jacuzzi Brands at which a quorum representing a majority of all outstanding voting stock is, either in person or by proxy, present and voting on the amendment, or by written consent in accordance with applicable state law and the Certificate of Incorporation and By-Laws of Jacuzzi Brands shall be required for any amendment (i) that changes the class of individuals eligible to receive Awards under the Plan, (ii) that increases the maximum number of shares of Common Stock in the aggregate that may be subject to Awards that are granted under the Plan (except as permitted under Section 5 or Section 14 hereof), (iii) if approval of such amendment is necessary to comply with federal or state law (including without limitation Section 162(m) of the Code and Rule 16b-3 under the Exchange Act) or with the rules of any stock exchange or automated quotation system on which the Common Stock may be listed or traded, or (iv) if such amendment eliminates a requirement provided herein that the stockholders of Jacuzzi Brands must approve an action to be undertaken under the Plan. Except as permitted under Section 5 or Section 14 hereof, no amendment, suspension or termination of the Plan shall, without the consent of the holder of an Award, alter or impair rights or obligations under any Award theretofore granted under the Plan. Awards granted prior to the termination of the Plan may extend beyond the date the Plan is terminated and shall continue subject to the terms of the Plan as in effect on the date the Plan is terminated.

(j) *Notification of 83(b) Election.* If in connection with the grant of any Award any Participant makes an election permitted under Code Section 83(b), such Participant must notify the Company in writing of such election within ten (10) days of filing such election with the Internal Revenue Service.

(k) *Detrimental Activity.* All Awards shall be subject to cancellation by the Committee if the Participant engages in any Detrimental Activity. To the extent that a Participant engages in any Detrimental Activity prior to, or during the one year period after, any exercise or vesting of an Award but prior to a Change in Control, the Company shall be entitled to recover from the Participant at any time within two (2) years after the exercise or vesting of the Award but prior to a Change in Control, and the Participant shall pay over to the Company with respect to any Award previously held by such Participant (i) an amount equal to the excess of the Fair Market Value of the Common Stock for which any Option was exercised over the Exercise Price paid (regardless of the form by which payment was made) with respect to such Option; (ii) any shares of Common Stock granted pursuant to any Award other than an Option, and if such shares are not still owned by the Participant, the Fair Market Value of such shares on the date they were issued, or if later, the date all vesting restrictions were satisfied; and (iii) any cash or other property (other than Common Stock) received by the Participant from the Company pursuant to an Award.

(l) *Disclaimer of Rights.* No provision in the Plan, any Award granted or any Award Agreement entered into pursuant to the Plan shall be construed to confer upon any individual the right to remain in the employ of or service with the Company or to interfere in any way with the right and authority of the Company either to increase or decrease the compensation of any individual, including any holder of an Award, at any time, or to terminate any employment or other relationship between any individual and the Company.
