**PROXY STATEMENT FOR THE ANNUAL MEETING OF SHAREHOLDERS  
TO BE HELD MAY 4, 2005**

**GENERAL**

This proxy statement is furnished to the holders of common stock, no par value per share, of Direct General Corporation (the Company, we, our and us) in connection with the solicitation of proxies by our board of directors be used for voting at the Annual Meeting of Shareholders (the Meeting) to be held at the time and place and for the purposes specified in the accompanying Notice of Annual Meeting of Shareholders and at any adjournments thereof. We anticipate that this proxy statement will be mailed to shareholders commencing on or about April 1, 2005.

When a proxy is properly submitted, the shares that the proxy represents will be voted at the Meeting in accordance with the instructions thereon. In the absence of any such instructions, the shares represented by the proxy will be voted in favor of the nominees for director. Management does not know of any other matters that may come before the Meeting for consideration by the shareholders. However, a signed proxy card will grant authority to the proxy holders to vote the shares represented thereby, in their discretion, on any matter that properly comes before the Meeting.

Any shareholder entitled to vote at the Meeting who submits a proxy may revoke it prior to its use by (i) giving written notice of such revocation to our Secretary, Direct General Corporation, 1281 Murfreesboro Road, Nashville, Tennessee 37217; or (ii) executing and delivering to our Secretary a proxy bearing a later date; or (iii) appearing at the Meeting and voting in person.

**Annual Report**

Our Annual Report for the year ended December 31, 2004 on Form 10-K as filed with the Securities and Exchange Commission, is enclosed with this proxy statement. Shareholders may obtain additional copies of our Annual Report or this proxy statement without charge upon written request addressed to our Secretary, Direct General Corporation, 1281 Murfreesboro Road, Nashville, Tennessee 37217. If the requesting person is not a shareholder of record (e.g., the shares are held in the name of a broker or other nominee), the request must include a representation that he or she was a beneficial owner of our common stock entitled to vote as of the Record Date. We will provide the documents listed as exhibits to our Annual Report on Form 10-K at cost; however, these documents are available electronically via EDGAR at [www.sec.gov](http://www.sec.gov).

**Expenses of Solicitation**

The cost of soliciting proxies will be paid by the Company. Our officers, directors, employees and agents may solicit proxies by telephone, facsimile, other electronic means or personal interview, without additional compensation.

**Voting**

Only holders of record of issued and outstanding shares of our common stock, as of March 14, 2005 (the Record Date), will be entitled to notice of and to vote at the Meeting. On the Record Date, there were 22,100,300 shares of common stock outstanding. Each share outstanding is entitled to one vote on each matter considered at the Meeting.

Beneficial owners of our common stock may receive information related to voting from their broker or other nominee holding shares for the beneficial owners.

In accordance with applicable law, abstentions and broker non-votes will be counted for purposes of determining whether a quorum is present. Broker non-votes occur when a broker or other nominee holding shares for a beneficial owner does not vote on a proposal because the beneficial owner has not checked the applicable box on the proxy card. Because directors are elected by a plurality of the votes cast, abstentions and broker non-votes do not affect the vote.

If a quorum is present at the Meeting, either in person or by proxy, the nominees who receive the greatest number of votes cast for his/her election as director to hold office until the 2008 Annual Meeting of Shareholders at the Meeting will become a director of the Company at the conclusion of the tabulation of the votes.

**Board of Directors**

The board of directors has documented its corporate governance practices in the Corporate Governance Guidelines, a copy of which can be found on the Corporate Governance section of our website at [www.direct-general.com](http://www.direct-general.com). Our board of directors has determined that Fred H. Medling, Raymond L. Osterhout and Stephen L. Rohde are independent, as defined under the Nasdaq Marketplace Rules. Our board of directors met four (4) times in 2004. In 2004, each incumbent director attended at least 75% of the meetings of the board and of the committee(s) of which he or she was a member held during the period for which he or she served. The independent directors met four (4) times in executive session during 2004.

## Committees of the Board of Directors

Our board of directors has three standing committees: Audit, Compensation, and Nominating and Corporate Governance. Each of these committees is described below.

*Audit Committee.* The Audit Committee is currently composed of Stephen L. Rohde (Chairman), Fred H. Medling and Raymond L. Osterhout, each of whom we have determined to be independent, as defined under the Nasdaq Marketplace Rules. The Audit Committee operates pursuant to a written charter adopted by the board of directors, a copy of which can be found on the Corporate Governance section of our website at [www.direct-general.com](http://www.direct-general.com). The Audit Committee is responsible for the oversight of our accounting, reporting and financial control practices. The Audit Committee reviews the qualifications of the independent auditors; selects and engages the independent auditors; informs our board of directors as to their selection and engagement; reviews the plan, fees and results of their audit; reviews our internal controls; and considers and approves any non-audit services proposed to be performed by the auditors. Our board of directors has determined that our Audit Committee shall have a financial expert. The board of directors believes Mr. Rohde qualifies as an audit committee financial expert as defined in the applicable regulations of the Securities and Exchange Commission and is independent, as defined under the Nasdaq Marketplace Rules. The Audit Committee met

## **Table of Contents**

thirteen (13) times during 2004. The report of the Audit Committee is included in this proxy statement (see Report of the Audit Committee ).

*Compensation Committee.* The Compensation Committee is currently composed of Raymond L. Osterhout (Chairman) and Fred H. Medling, each of whom we have determined to be independent, as defined under the Nasdaq Marketplace Rules. Messrs. Osterhout and Medling are not officers or employees of the Company. For a discussion of certain Compensation Committee interlocks, please see Compensation Committee Interlocks and Insider Participation. The Compensation Committee oversees our compensation and benefit policies and programs for our senior officers and managers, including administration of our annual bonus awards and equity incentive plans and the evaluation of our board and senior management. The Compensation Committee met four (4) times during 2004. The report of the Compensation Committee on executive compensation is included in this proxy statement (see Report of the Compensation Committee on Executive Compensation ).

*Nominating and Corporate Governance Committee.* The Nominating and Corporate Governance Committee is currently composed of Raymond L. Osterhout (Chairman), Fred H. Medling and Stephen L. Rohde, each of whom we have determined to be independent, as defined under the Nasdaq Marketplace Rules. The Nominating and Corporate Governance Committee operates pursuant to a written charter adopted by the board of directors, a copy of which can be found on the Corporate Governance section of our website at [www.direct-general.com](http://www.direct-general.com). The Nominating and Corporate Governance Committee oversees and assists our board of directors in developing and recommending corporate governance practices and selecting the director nominees to stand for election at annual meetings of shareholders. The Nominating and Corporate Governance Committee's process for identifying and evaluating potential nominees includes soliciting recommendations from our directors and officers. Additionally, the Nominating and Corporate Governance Committee will consider persons recommended by our shareholders in selecting nominees for election. There is no difference in the manner in which the Nominating and Corporate Governance Committee evaluates persons recommended by directors, officers or employees and persons recommended by shareholders in selecting nominees. To be considered, recommendations from shareholders must be received by us in writing by at least 120 days prior to the anniversary date of the proxy statement for the previous year's annual meeting. Recommendations should identify the submitting shareholder, the person recommended for consideration and the reasons the submitting shareholder believes such person should be considered. The Nominating and Corporate Governance Committee believes directors must be persons of good character and integrity and must also have been nominated by persons of good character and integrity. The Nominating and Corporate Governance Committee also believes potential directors should be knowledgeable about the business activities and market areas in which we operate or in which we have foreseeable plans to operate. Upon the expiration of a director's term, the current director will be given preference for nomination when the director indicates his or her willingness to continue serving and, in the Nominating and Corporate Governance Committee's judgment, the director has made and is likely to continue to make a significant contribution to the board of directors and the Company. The Nominating and Corporate Governance Committee met two (2) times during 2004.

## **Shareholder Communications**

We do not have a formal process for shareholders to send communications to the board of directors. In view of the infrequency of shareholder communications to the board of directors, we do not believe that a formal process is necessary. We encourage, but do not require, our directors to attend the annual meeting of shareholders.

## **Certain Relationships and Related Transactions**

In 2002, several of our subsidiaries paid an aggregate of approximately \$1.4 million for various legal services, to an association of lawyers in which Tammy R. Adair held an ownership interest at that time. In addition, during this year, this association of lawyers collected \$4.1 million for us, of which sums it retained \$1.4 million. Also, Direct

Administration, Inc., one of our subsidiaries, leased property to this association of lawyers over the same period for an aggregate of \$15,500 in 2002. Ms. Tammy Adair has not been a member of this association since August 2002, and she no longer has an ownership interest in the firm. In exchange for her former ownership interest, her former law firm issued her a promissory note in the principal amount of approximately \$0.4 million, at an annual interest rate of 7.25%. The note was payable in monthly installments, matured in December 2004 and no further payments are payable to Ms. Tammy Adair under the note.

In 2004, 2003 and 2002, two of our insurance subsidiaries paid Mid-South Collision, LLC approximately \$0.9 million, \$0.9 million and \$0.8 million, respectively, for auto body work. Mid-South Collision is owned by the step-daughter and stepson-in-law of Ms. Tammy Adair.

#### **Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our executive officers, directors and persons who own more than ten percent of our equity securities to file initial reports of ownership and changes in ownership with the Securities and Exchange Commission and to furnish us with copies of all such forms they file. Based solely on our review of the forms we have received and on written representations from certain reporting persons that no such forms were required to be filed by them, we

**Table of Contents**

believe that for the fiscal year ended December 31, 2004, our executive officers, directors and greater than ten percent beneficial owners were in compliance with the Section 16(a) filing requirements on a timely basis.

**COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS****Compensation of Directors**

None of our directors who are also our employees receive compensation for serving as directors. Non-employee directors receive \$20,000 annually. Non-employee directors who also serve on special or standing committees receive an additional \$1,500 annually for each committee on which they serve. The chairman of the Audit Committee receives \$5,000 annually in lieu of the \$1,500 annual compensation for his service on the Audit Committee. We reimburse all directors for reasonable travel expenses and other reasonable out-of-pocket expenses incurred in connection with their service as directors.

**Compensation of Executive Officers**

The following table sets forth information concerning the total compensation received for services rendered to us during 2004, 2003 and 2002 by our Chief Executive Officer and our four other highest paid executive officers (such persons, together with the Chief Executive Officer, are referred to in this proxy statement as the Named Executive Officers ).

### **REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION**

Our Compensation Committee establishes the compensation arrangements for members of our board of directors and senior management, including the Named Executive Officers. These arrangements include overseeing our equity incentive plans in which officers and directors are eligible to participate and granting stock options or other benefits under such plans. The primary elements of our executive compensation program have historically consisted of a base salary, a cash bonus opportunity and stock options. Base salaries are determined, and have at times been increased, by evaluating the responsibilities of the position held and the experience level and overall performance of the executive. Overall compensation is based on the Compensation Committee's assessment of prevailing market compensation levels and the degree of success the Company has had in meeting its business objectives, including

**Table of Contents**

growth targets and other factors the Compensation Committee may deem relevant.

*Base Salary.* The Named Executive Officers' base salaries are determined based on a number of factors related to the individual executive, including his or her responsibilities, consistent contribution to the achievement of our business objectives, demonstrated leadership skills and overall management effectiveness and length of service. The base salaries are designed to be competitive with those offered in the markets in which we compete for executive talent. Although these and other factors are considered in setting the base salary, the overall assessment is primarily a subjective one, intended to reflect the level of responsibility and personal performance of the individual executive.

*Bonus Opportunity.* Any cash bonus awarded to the Named Executive Officers is based primarily upon the results of the Company or a particular business unit's operations and is granted solely at the discretion of the Compensation Committee. In determining whether to grant a cash bonus, the Compensation Committee considers various non-quantifiable qualitative factors, such as the executive's participation and leadership in the development of new products and services and the planning and implementation of the Company's entry into new markets. When granting a cash bonus as a performance incentive reward, the Compensation Committee considers the executive's achievement of individual performance goals and objectives. Although the Compensation Committee typically reviews the Company's results of operations and evaluates individual executives' performances on an annual basis, the Compensation Committee may, in its discretion, perform one or more such reviews or evaluations at any time during the Company's fiscal year and accordingly grant such cash bonuses as it deems appropriate.

*Stock Options.* Under the terms of the Company's 2003 Equity Incentive Plan, the Compensation Committee approves all grants of options under the 2003 Equity Incentive Plan, including grants to the Named Executive Officers. We believe stock option grants can promote the Company's long-term performance by aligning the stock option holder's economic interests with long-term shareholder value. Stock option grants are based on various subjective factors primarily relating to the responsibilities of the grantee and his or her past contributions and expected future contributions to the growth and profitability of the Company. Each of the Named Executive Officers were granted stock option during 2003 which vest in equal annual installments over a five-year period from the date of grant. There were no options granted to the Named Executive Officers in 2004.

*Compensation of CEO.* The basis for our CEO's compensation for 2004 was related to the same factors that our Compensation Committee considered in establishing the compensation arrangements for the other Named Executive Officers for the same fiscal year. Additionally, the Compensation Committee performs a separate annual review and assessment of the CEO. The review considers factors such as leadership skills, management effectiveness, knowledge of the industry and relationships with board members and management.

During 2003, the Compensation Committee fixed the CEO's salary at \$500,000 annually. The CEO's salary was not adjusted in 2004. Our CEO's 2004 cash bonus was equal to 28.9% of his 2004 salary. (See Compensation of Directors and Executive Officers Compensation of Executive Officers. )

In establishing our CEO's 2004 compensation arrangements, the Compensation Committee evaluated, among other things, the Company's overall success throughout 2004 and considered certain quantifiable measures of growth and performance that are derived from our financial statements such as the Company's gross revenues (a non-GAAP measurement which we think is key to evaluating our results), net income and earnings per share.

The Compensation Committee also considered other important indications of the Company's growth and success that occurred during 2004, such as completing the integration of the Cash Register agency offices in Florida, expanding our presence in Texas and entering the market in Missouri. In addition, in evaluating the CEO's performance and establishing his 2004 compensation arrangements, the Compensation Committee took into account certain qualitative and intangible factors that relate individually to our CEO. For example, such factors include our

CEO's dynamic leadership and vision that have played a significant role in the continuing success of the Company.

The foregoing has been provided by our Compensation Committee.

**REPORT OF THE AUDIT COMMITTEE**

The Audit Committee oversees our financial reporting process on behalf of the board of directors. The Audit Committee operates pursuant to a written charter adopted by the board of directors.

The Audit Committee discussed with our independent public accountants (see Independent Auditors ) the overall scope and specific plans for their audit, and the adequacy of our internal control over financial reporting. The Audit Committee reviewed and discussed our audited financial statements with management. Management has the primary responsibility for the systems of internal control over financial reporting. The independent public accountants are responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards and to issue their report on those financial statements. The Audit Committee's responsibility is to monitor and oversee these processes. However, the members of the Audit Committee are not practicing certified public accountants or professional auditors in the fields of accounting and auditing and they rely, without independent verification, on the information provided to them and on the representations made by management and our independent public accountants.

The Audit Committee discussed with the independent public accountants those matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended. The Audit Committee received the written disclosures and the letter from our independent public accountants required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. The Audit Committee discussed the independence of the independent public accountants.

The Audit Committee has considered whether the performance of the non-audit services is compatible with maintaining the principal accountants' independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the board of directors that the Company's audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the Securities and Exchange Commission.

The foregoing has been provided by the Audit Committee.

**Independent Auditors**

On November 1, 2004, the Audit Committee appointed Ernst & Young LLP ( Ernst & Young ) to serve as our independent auditors for the fiscal year that ended December 31, 2004. Ernst & Young audited the accounts of the Company and its consolidated subsidiaries and performed other services for the year ended December 31, 2004. We have not selected our independent auditors for the year ending December 31, 2005, but intend to do so at an upcoming Audit Committee meeting. A representative of Ernst & Young is expected to be present at the Meeting and will have the opportunity to make a statement, and will be available to answer questions from shareholders.

**Table of Contents****Principal Accounting Firm Fees and Services**

Our Audit Committee has designated a subcommittee that may, among other things, grant pre-approvals of audit and permitted non-audit services to be performed by our principal accounting firm, Ernst & Young. The following table sets forth the aggregate fees billed to us by Ernst & Young for the fiscal years ended December 31, 2004 and 2003:

Actuarial reserve certifications for property and casualty insurance subsidiaries.	\$ 55,000	\$ 55,000
<b>Total</b>	<b>\$ 830,920</b>	<b>\$ 959,949</b>

(1) Includes core audit fees and fees for the audit of internal control over financial reporting.

(2) Includes \$538,323 of fees related to SEC filings including comfort letters, consents and comment letters.

The Audit Committee preapproves all audit services and permitted non-audit services to be performed for the Company by its independent auditor, subject to an exception for de minimis non-audit services which are approved by the Audit Committee prior to the completion of the audit. The Audit Committee's charter authorizes the committee to form and delegate authority to subcommittees consisting of one or more members, including the authority to grant preapprovals of audit and permitted non-audit services. The Audit Committee has considered whether the provision of the services described above is compatible with the maintenance of Ernst & Young in the conduct of its auditing functions and has determined that the provision of such services by Ernst & Young is compatible with that firm's independence.
