The date of this Proxy Statement is August [], 2005 and it and a form of proxy are first being mailed or otherwise delivered to stockholders on or about August [], 2005.

PROPOSALS TO BE CONSIDERED AT THE ANNUAL MEETING

The following proposals will be considered and voted on at the Annual Meeting:

Proposal 1: Election of two Class I directors of WebMD, each to serve a three-year term, or until his successor has been elected and qualified or until his earlier resignation or removal. The two nominees are:

Neil F. Dimick
Joseph E. Smith

Proposal 2: A proposal to approve an amendment to our Eleventh Amended and Restated Certificate of Incorporation, as amended (the WebMD Charter), to change the corporate name of WebMD to Emdeon Corporation.

Proposal 3: A proposal to ratify the appointment of Ernst & Young LLP as the independent registered public accounting firm to serve as WebMD's independent auditor for the fiscal year ending December 31, 2005.

Our Board of Directors recommends a vote FOR the election of each the nominees for director listed in Proposal 1 and FOR each of Proposals 2 and 3.

VOTING RIGHTS AND RELATED MATTERS

Please complete, date and sign the accompanying proxy and promptly return it in the enclosed envelope or otherwise mail it to us. All properly signed proxies that we receive prior to the vote at the Annual Meeting and that are not revoked will be voted (or withheld from voting, as the case may be) at

Table of Contents

the Annual Meeting according to the instructions indicated on the proxies or, if no direction is indicated, as follows:

FOR the election of each of the nominees for director listed below in Proposal 1;

FOR the amendment to the WebMD Charter to change the corporate name of WebMD to Emdeon Corporation;

FOR the ratification of the appointment of Ernst & Young LLP as the independent registered public accounting firm to serve as WebMD's independent auditor for the fiscal year ending December 31, 2005.

None of the proposals requires the approval of any other proposal to become effective.

A stockholder may revoke a proxy at any time before it is exercised at the Annual Meeting by taking any of the following actions:

delivering to the Secretary of WebMD, at the address set forth above, prior to the vote at the Annual Meeting, a written notice, bearing a date later than the date of the proxy, stating that the proxy is revoked,

signing and so delivering a proxy relating to the same shares and bearing a later date prior to the vote at the Annual Meeting, or

attending the Annual Meeting and voting in person, although attendance at the meeting will not, by itself, revoke a proxy.

Please note, however, that if a stockholder's shares are held of record by a broker, bank or other nominee and that stockholder wishes to vote at the Annual Meeting, the stockholder must bring to the meeting a letter from the broker, bank or other nominee confirming the stockholder's beneficial ownership of the shares.

Our Board of Directors does not know of any matter that is not referred to herein to be presented for action at the Annual Meeting. If any other matters are properly brought before the meeting, the persons named in the proxies will have discretion to vote on these matters in accordance with their judgment.

Record Date and Outstanding Shares

Our Board of Directors has fixed the close of business on August 5, 2005 as the record date for the determination of our stockholders entitled to notice of and to vote at our Annual Meeting. Only holders of record of our stock at the close of business on the record date are entitled to notice of and to vote at the meeting.

As of the close of business on the record date, there were [] shares of our common stock outstanding and entitled to vote held of record by approximately [] stockholders, although we believe that there are approximately [] beneficial owners of our common stock. As of the close of business on the record date, there were 10,000 shares of our convertible preferred stock outstanding and entitled to vote held of record by one stockholder. The 10,000 shares of convertible preferred stock outstanding as of the record date are convertible into 10,638,297 shares of our common stock in the aggregate.

No other voting securities of WebMD are outstanding.

Vote and Quorum Required

Holders of our common stock are entitled to one vote for each share held as of the record date. Holders of our convertible preferred stock are entitled to vote together with the holders of our common stock on an as converted to common stock basis. Votes may be cast either in person or by properly executed proxy.

Table of Contents

The presence, in person or by properly executed proxy, of the holders of a majority of the voting power of the outstanding shares entitled to vote at the Annual Meeting is necessary to constitute a quorum at the meeting. For purposes of determining the voting power of our shares, the aggregate voting power of the outstanding shares of our common stock is equal to the [] shares of common stock outstanding, and the aggregate voting power of the outstanding shares of our convertible preferred stock is equal to the 10,638,297 shares of common stock into which those shares of convertible preferred stock are convertible. Abstentions will be counted as shares that are present and entitled to vote for purposes of determining whether a quorum is present. Shares held by nominees for beneficial owners will also be counted for purposes of determining whether a quorum is present if the nominee has the discretion to vote on at least one of the matters presented and even though the nominee may not exercise discretionary voting power with respect to other matters and voting instructions have not been received from the beneficial owner (sometimes referred to as a broker non-vote). If a quorum is not present, the Annual Meeting may be adjourned from time to time until a quorum is obtained.

Proposal 1 (Election of Directors). Election of directors is by a plurality of the votes cast at the Annual Meeting with respect to such election. Accordingly, the two nominees receiving the greatest number of votes for their election will be elected. Abstentions, broker non-votes and instructions on the accompanying proxy card to withhold authority to vote for a nominee will result in that nominee receiving fewer votes for election.

Proposal 2 (Amendment to the WebMD Charter to Change Our Corporate Name to Emdeon Corporation). The affirmative vote of the holders of a majority of the voting power of the shares outstanding as of the record date is required to approve the amendment of the WebMD Charter described in Proposal 2. An abstention or broker non-vote with respect to Proposal 2 will have the same effect as a vote against Proposal 2 because it is one less vote for approval.

Proposal 3 (Ratification of Appointment of Independent Registered Public Accounting Firm). The affirmative vote of the holders of a majority of the votes cast at the meeting is required to ratify the appointment of Ernst & Young LLP as the independent registered public accounting firm to serve as WebMD's independent auditor described in Proposal 3. Abstentions and broker non-votes with respect to Proposal 3 will not be considered votes cast for or against such ratification and, accordingly, will have no impact on the outcome of the vote with respect to Proposal 3.

Expenses of Proxy Solicitation

We will pay the expenses of soliciting proxies from our stockholders to be voted at the Annual Meeting and the cost of preparing and mailing this Proxy Statement to our stockholders. Following the original mailing of this Proxy Statement and other soliciting materials, we and our agents also may solicit proxies by mail, telephone, facsimile or in person. In addition, proxies may be solicited from our stockholders by our directors, officers and employees in person or by telephone, facsimile or other means of communication. These officers, directors and employees will not be additionally compensated but may be reimbursed for reasonable out-of-pocket expenses in connection with the solicitation. Following the original mailing of this Proxy Statement and other soliciting materials, we will request brokers, custodians, nominees and other record holders of our common stock to forward copies of this Proxy Statement and other soliciting materials to persons for whom they hold shares of our common stock and to request authority for the exercise of proxies. In these cases, we will, upon the request of the record holders, reimburse these holders for their reasonable expenses. We have retained Innisfree M&A Incorporated, a proxy solicitation firm, for assistance in connection with the solicitation of proxies for our Annual Meeting at a cost of approximately \$6,500 plus reimbursement of out-of-pocket expenses.

No Appraisal Rights

Holders of our common stock and convertible preferred stock are not entitled to appraisal rights with respect to the proposals to be considered at the Annual Meeting.

Generally, one-third of the number of PIP Shares allocated to each participant vests on each December 31 following the allocation. Messrs. Accordingly, we have set forth, in the column entitled Other, with respect to each person listed, the number of shares of WebMD common stock that such person has the right to acquire pursuant to options that are currently exercisable or that will be exercisable within 60 days of July 21, 2005. We have calculated the percentages set forth in the column entitled Percent of Outstanding based on the number of shares outstanding as of July 21, 2005 (which was 345,286,788) plus, for each listed person or group, the number of additional shares deemed outstanding, as set forth in the column entitled Other.

**PROPOSAL 1:
ELECTION OF DIRECTORS**

Our Board of Directors has eight members. Two of the members are also employees of WebMD: Mr. Cameron, our Chief Executive Officer; and Mr. Wygod, Chairman of the Board. Six of the members are non-employee directors: Dr. Adler and Messrs. Brooke, Dimick, Manning, Sarkowsky and Smith. Our Board of Directors has determined that each of the non-employee directors is also an independent director under applicable SEC rules and NASDAQ Stock Market listing standards. The non-employee directors meet regularly without any employee directors or other WebMD employees present.

Our Board of Directors is divided into three classes, two of which currently have three directors and one of which has two directors. At each Annual Meeting, the term of one of the classes of directors expires and WebMD stockholders vote to elect nominees for the directorships in that class for a new three-year term.

At this year's Annual Meeting, the terms of the two Class I directors, Neil F. Dimick and Joseph E. Smith, will expire. The Board of Directors, based on the recommendation of the Nominating Committee of the Board, has nominated Messrs. Dimick and Smith for re-election at the Annual Meeting, to serve for a three-year term expiring at our Annual Meeting in 2008 and until his successor is elected and has qualified or until his earlier resignation or removal.

The persons named in the enclosed proxy intend to vote for the election of Messrs. Dimick and Smith, unless you indicate on the proxy card that your vote should be withheld.

Our Board of Directors recommends a vote FOR the election of these nominees as directors.

We have inquired of each nominee and have determined that each will serve if elected. While our Board of Directors does not anticipate that any of the nominees will be unable to serve, if any nominee is not able to serve, proxies will be voted for a substitute nominee unless the Board of Directors chooses to reduce the number of directors serving on the Board.

Information Regarding the Nominees and Continuing Directors

(1) Based upon the total number of options that we granted to our employees during 2004.

(2) The estimated grant date present value reflected in the above table was determined using the Black-Scholes model and the following data and assumptions: (a) the applicable option exercise prices; (b) the exercise of options within three years of the date that they become exercisable; (c) a risk-free interest rate of (i) 1.9% per annum with respect to options granted on March 17, 2004 and (ii) 3.2% per annum with respect to options granted on October 1, 2004; (d) volatility of (i) 0.6 for WebMD common stock with respect to options granted on March 17, 2004 and (ii) 0.5 for WebMD common stock with respect to options granted on October 1, 2004; and (e) that no dividends are paid on WebMD common stock. The ultimate values of the options will depend on the future market price of our common stock, which cannot be forecast with reasonable accuracy. The actual value, if any, an optionee will realize upon exercise of an option will depend on the excess of the market value of our common stock over the exercise price on the date the option is exercised. We cannot predict whether the value realized by an optionee will be at or near the value estimated by the Black-Scholes model or any other model applied to value the options.

(3) These options vest and become exercisable with respect to one-third of the shares on each of September 17, 2005, September 17, 2006 and September 17, 2007.

- (4) These options vest and become exercisable as follows: 17% on the first anniversary of the date of grant; 18.5% on the second anniversary; 20% on the third anniversary; 21.5% on the fourth anniversary; and 23% on the fifth anniversary.

For purposes of Mr. Cameron's employment agreement: (a) cause includes (i) continued willful misconduct relating to WebMD after 30 days written notice, (ii) a breach of a material provision of the employment agreement or a breach of a material policy of WebMD that continues after 30 days written notice, or (iii) conviction of a felony or crime of moral turpitude; (b) good reason includes (i) a material breach of the employment agreement that remains uncured, (ii) a material demotion of Mr. Cameron's position with us, or (iii) requiring Mr. Cameron to relocate from his present residence or to commute to our headquarters if they are located outside the New York City metropolitan area; and (c) a change of control would occur when (i) a person, entity or group acquires more than 50% of the voting power of our voting securities, (ii) a reorganization, merger or consolidation or sale or other disposition occurs that involves all or substantially all of our assets, or (iii) a complete liquidation or dissolution occurs.

The employment agreement contains confidentiality obligations that survive indefinitely and non-solicitation and non-competition obligations that end on the second anniversary of the date of cessation of Mr. Cameron's employment.

Arrangements with Wayne T. Gattinella

Our WebMD, Inc. subsidiary is party to an employment agreement, dated as of April 28, 2005, with Wayne Gattinella, who serves as CEO and President of our WebMD Health segment and our WebMD Health subsidiary. The following is a description of Mr. Gattinella's employment agreement:

Mr. Gattinella receives an annual base salary of \$560,000 and is eligible to earn a bonus of up to 100% of his base salary. Achievement of 50% of that bonus will be based upon the attainment of WebMD Health's attainment of corporate financial and strategic goals to be established by WebMD Health's Compensation Committee, with the financial goals generally related to revenue and/or other measures of operating results. Achievement of the remaining 50% will be based on performance goals that have not yet been established. However, WebMD Health's Compensation Committee will have the discretion to adjust goals or to approve bonuses even if the stated goals are not attained, if it believes that the performance of Mr. Gattinella so warrants.

In the event an initial public offering of WebMD Health equity is consummated, WebMD Health would recommend to its Compensation Committee that, upon consummation, Mr. Gattinella be granted 100,000 shares of restricted WebMD Health Class A common stock and options to purchase 400,000 shares of WebMD Health Class A common stock, such numbers to be adjusted, up or down, to the extent the capitalization of WebMD Health is more or less than 100,000,000 shares. The per share exercise price of the options would be the initial public offering price. The WebMD Health restricted stock and options would vest in equal installments over four years upon each anniversary of the grant date.

In the event of a change of control (as described below) of WebMD Health, the unvested portion of the options to purchase WebMD Health Class A common stock would continue to vest until the later of (i) two years from the date of grant and (ii) the next scheduled vesting date following the change of control. The continued vesting applies only if Mr. Gattinella remains employed until six months following such change of control or is terminated by WebMD Health's successor without cause (as described below) or he resigns for good reason (as described below) during such six-month period.

In the event of the termination of Mr. Gattinella's employment, prior to April 30, 2009, by WebMD Health without cause or by Mr. Gattinella for good reason, he would be entitled to continue to receive his base salary for one year from the date of termination and to receive healthcare coverage until the earlier of one year following his termination and the date upon which he receives comparable coverage under another plan. In addition, the unvested portion of the option to purchase 600,000 shares of WebMD Corporation common stock granted to Mr. Gattinella at the inception of his employment would remain outstanding and continue to vest as if he remained in the employ of WebMD Health until the first anniversary of the date of termination. In the event that a termination of Mr. Gattinella's employment by WebMD Health without cause or by Mr. Gattinella for good reason occurs before the fourth anniversary of the grant of the WebMD Health option described above, 25% of the WebMD Health options would continue to vest through the next vesting date following the date of termination.

For purposes of the employment agreement: (a) a change of control would occur when: (i) a person, entity or group acquires more than 50% of the voting power of WebMD Health, (ii) there is a reorganization, merger or

consolidation or sale involving all or substantially all of WebMD

The agreement also includes non-solicitation provisions that prohibit Mr. Gattinella from hiring WebMD Health's employees or soliciting any of its clients or customers that he had a relationship with during the time he was employed by it, and non-competition provisions that prohibit Mr. Gattinella from being involved in a business that competes with its business. The non-solicitation and non-competition obligations end on the first anniversary of the date his employment has ceased. The agreement is governed by the laws of the State of New York.

For purposes of Mr. Holcombe's employment agreement: (a) "cause" includes (i) continued willful failure to perform duties after 30 days written notice, (ii) misconduct, negligence, dishonesty or violence or threat of violence that would harm WebMD, (iii) a material breach of our policies or the employment agreement that remains unremedied after 30 days written notice, or (iv) conviction of a felony in respect of a dishonest or fraudulent act or other crime of moral turpitude; and (b) "good reason" includes (i) a material breach of the employment agreement, (ii) a reduction in base salary, or (iii) requiring Mr. Holcombe to relocate to a location that is more than 50 miles from our current headquarters.

In the event of the termination of Mr. Mele's employment due to his death or disability, by us without cause (as described below) or by Mr. Mele for good reason (as described below), he would be entitled to: (i) continuation of his base salary, at the rate then in effect, through the later of 18 months and the expiration of the term of the agreement; (ii) any bonuses that he would have normally been entitled to through the term of his employment agreement (the amount of the bonus for years subsequent to the year in which the termination of employment occurred will be equal to the bonus received for the year of termination); and (iii) continued participation in our benefit plans (or comparable plans) for thirty-six months. In addition, all options granted to Mr. Mele which have not vested prior to the date of termination would be vested as of the date of termination and all such options would remain exercisable as if he remained in our employ through the expiration date specified in each applicable stock option agreement, unless otherwise specifically agreed to by Mr. Mele and WebMD in writing.

If Mr. Mele's employment is terminated by us for cause or by him without good reason, he (a) would not be entitled to any further compensation or benefits and (b) would not be entitled to any additional rights or vesting with respect to the stock options following the date of termination.

For purposes of Mr. Mele's employment agreement: (a) cause includes (i) a material breach of the employment agreement that remains unremedied after 30 days written notice, or (ii) conviction of a felony; (b) good reason

includes (i) a material reduction in title or responsibilities,

(ii) requiring Mr. Mele to report to anyone other than Mr. Wygod, (iii) a reduction in base salary or material fringe benefits, (iv) a material breach of the employment agreement, (v) requiring Mr. Mele to relocate to a location that is more than 25 miles from his current residence, or (vi) a change in control occurs; and (c) a change in control would occur when (i) a person, entity or group acquires more than 50% of the voting power of our voting securities, (ii) there is a sale or disposition of all or substantially all of our assets to another entity after which we or our stockholders do not hold a majority of the shares entitled to vote on the election of directors of the surviving corporation (or securities representing a majority of the equity interests in the surviving entity if it is not a corporation), or (iii) a complete liquidation or dissolution occurs.

The employment agreement contains confidentiality obligations that survive indefinitely and non-solicitation and non-competition obligations that end on the later of the second anniversary of the date employment has ceased and the last day of the term of the agreement.

The employment agreement contains a tax gross-up provision relating to any excise tax that Mr. Mele incurs by reason of his receipt of any payment that constitutes an excess parachute payment as defined in Section 280G of the Internal Revenue Code. Any excess parachute payments and related tax gross-up payments made to Mr. Mele will not be deductible for federal income tax purposes.

Arrangements with Martin J. Wygod

On August 3, 2005, we amended and restated our original employment agreement, dated October 8, 2001, with Martin J. Wygod. Under the amended agreement, Mr. Wygod will continue to serve as our Chairman of the Board, and will also serve as the Chairman of the Board of our WebMD Health subsidiary. In these positions, Mr. Wygod focuses on the overall strategy, strategic relationships and transactions intended to create long-term value for stockholders. The following is a description of Mr. Wygod's amended employment agreement:

The agreement provides for an employment period through August 3, 2010.

Under the agreement, Mr. Wygod will continue to receive an annual base salary of \$1.26 million; provided that, in the event that an initial public offering by our WebMD Health subsidiary is completed, his base salary would be reduced to \$975,000 per year.

In the event that the initial public offering by WebMD Health is consummated, WebMD Health would recommend to its Compensation Committee that, upon consummation, Mr. Wygod be granted 100,000 shares of restricted WebMD Health Class A common stock and a nonqualified option to purchase 400,000 shares of WebMD Health Class A common stock on the date of the initial public offering, such numbers to be adjusted up or down, to the extent the capitalization of WebMD Health is more or less than 100,000,000 shares. The per share exercise price of the options would be the initial public offering price. The WebMD Health options would vest in equal installments over four years upon each anniversary of the grant date and the restrictions on the WebMD Health restricted stock would lapse in equal installments over four years upon each anniversary of the grant date.

In the event of termination of Mr. Wygod's employment by us without cause (as described below) or by Mr. Wygod for good reason (as described below), Mr. Wygod would become a consultant for us and would be entitled to receive his salary, at the rate then in effect, and continuation of benefits until the later of (i) two years following such termination or (ii) August 3, 2010. In addition, all options, or other forms of equity compensation, granted to Mr. Wygod by us or any of our affiliates (which would include WebMD Health) that have not vested prior to the date of termination would become vested as of the date of termination and, assuming there has not been a change in control (as described below) of our company or a change in control (as described below) of WebMD Health, would continue to be exercisable as long as he remains a consultant (or longer if the plan or agreement expressly provided). In the event that Mr. Wygod's

Table of Contents

employment is terminated due to death or disability, he or his estate would receive the same benefits as described above.

The employment agreement provides that in the event there is a change in control (as described below) of our company, all outstanding options and other forms of equity compensation (including equity compensation granted by WebMD Health) would become immediately vested on the date of the change in control and, if following the change in control, Mr. Wygod's employment terminates for any reason other than cause, they would continue to be exercisable until the tenth anniversary of the applicable date of grant. A change in control is also an event that constitutes good reason for purposes of a termination by Mr. Wygod. In the event there is a change in control of WebMD Health, any portion of Mr. Wygod's equity that relates to WebMD Health will fully vest and become exercisable on the date of such event, and if following such event, Mr. Wygod's engagement with WebMD Health is terminated for any reason other than cause, such equity will remain outstanding until the expiration of its original term. The terms of the change in control definition applicable to our WebMD Health subsidiary are substantially the same as the terms of the change in control definition applicable to our company.

For purposes of the employment agreement: (a) cause would include a final court adjudication that Mr. Wygod (i) committed fraud or a felony directed against our company relating to his employment, or (ii) materially breached any of the material terms of the employment agreement; (b) good reason would include the following conditions or events: (i) a material reduction in title or responsibility that remains in effect for 30 days after written notice, (ii) a final court adjudication that we materially breached any material provisions of the employment agreement, (iii) failure to serve on our Board or Executive Committee of our Board, or (iv) the occurrence of a change in control; and (c) a change in control of WebMD would occur when: (i) a person, entity or group acquires more than 50% of the voting power of our voting securities, (ii) our current directors (or directors elected by, or on the recommendation of, our current directors) cease to constitute at least a majority of our Board, (iii) there is consummated a merger or consolidation of our company with any other corporation, other than a merger or consolidation (x) where our voting securities continue to represent more than 50% of the voting securities of the surviving entity or (y) effected to implement a recapitalization where no person becomes the beneficial owner of more than 50% of the combined voting power of our voting securities, (iv) there is a sale or disposition of all or substantially all of our assets to another entity that is not at least 50% controlled by our stockholders, or (v) we adopt a plan of complete liquidation. For purposes of the definition of change in control, as applied to WebMD Health, no public offering, split-off, spin-off or other divestiture of WebMD Health by us will constitute a change in control of WebMD Health.

In the event Mr. Wygod terminates his engagement with WebMD Health for good reason (as described in the following sentence), any portion of equity that relates to WebMD Health will fully vest and become exercisable on the date his engagement terminates and will remain exercisable for the period beginning on such date and ending on the later of two years following such termination or August 3, 2010. For the purposes of a termination of Mr. Wygod's engagement with WebMD Health by him for good reason, good reason is defined as a material reduction in Mr. Wygod's title or responsibilities as Chairman of the Board of WebMD Health.

In the event that Mr. Wygod's employment with WebMD is terminated for any reason, but he remains Chairman of the Board of WebMD Health, WebMD Health will have no obligation to pay a salary to Mr. Wygod.

The employment agreement contains confidentiality obligations that survive indefinitely and non-solicitation and non-competition obligations that continue until the second anniversary of the date his employment has ceased.

Table of Contents

The employment agreement contains a tax gross-up provision relating to any excise tax that Mr. Wygod incurs by reason of his receipt of any payment that constitutes an excess parachute payment as defined in Section 280G of the Internal Revenue Code. Any excess parachute payments and related tax gross-up payments made to Mr. Wygod will not be deductible for federal income tax purposes.

REPORT OF THE COMPENSATION COMMITTEE

Introduction

The Compensation Committee of our Board of Directors is composed exclusively of non-employee, independent directors. For 2004, the members of the Compensation Committee were and continue to be Mark J. Adler, M.D., Herman Sarkowsky and Joseph E. Smith. Dr. Adler is the Chairman of the Compensation Committee. The Compensation Committee reviews the compensation program for the Chief Executive Officer and our other executive officers. The responsibilities of the Compensation Committee include:

oversight of our executive compensation program and our incentive and equity compensation plans;

determination of compensation levels for and grants of incentive and equity-based awards to our executive officers; and

review of and making recommendations regarding other matters relating to WebMD's compensation practices. In addition, in connection with the contemplated initial public offering of WebMD Health Corp. and until such time as a Compensation Committee of the Board of Directors of WebMD Health Corp. is formed, WebMD Corporation's Compensation Committee is expected to perform similar functions for WebMD Health Corp. based upon a similar compensation philosophy.

Summary of Compensation Policies

The Compensation Committee's guiding philosophy is to establish a compensation program that is:

Competitive with the market in order to help attract, motivate and retain highly qualified managers and executives. WebMD seeks to attract talent by offering competitive base salaries, annual incentive opportunities, and the potential for long-term rewards through equity-based awards, such as stock options and restricted stock. WebMD has, in the past, granted and expects to continue to grant equity-based awards to a large portion of its employees, not just its executives.

Performance-based to drive company performance over the short term and long term and to increase stockholder value. It is WebMD's practice to provide compensation opportunities in addition to base salary that are linked to our company's performance and the individual's performance. Achievement of short-term goals is rewarded through annual incentive awards, while achievement of long-term objectives is encouraged through nonqualified stock option grants and restricted stock awards that are subject to vesting over periods generally granting from three to four years.

Based on these policies and programs, the Compensation Committee determines the compensation of WebMD's executive officers, including the Chief Executive Officer. Policies and procedures similar to those used by the Compensation Committee for making such determinations are also used by WebMD senior management in making determinations regarding the compensation of officers and managers who are not executive officers.

Program Elements

The salaries, bonuses and long-term incentive compensation of our executive officers are determined by the Compensation Committee:

at the time of initial hiring based on the individual's salary history, compensation for similar positions at WebMD and market practice, and

changes, if any, are made based on the executive's performance, changes in the nature or scope of the executive's responsibilities and changes in market practice.

Table of Contents

Base Salary. On an annual basis, the Compensation Committee reviews the base salary of our executive officers, weighing the factors described in the preceding paragraph. Any increase in the salary of our executive officers is at the discretion of the Compensation Committee, except as may otherwise be provided in an employment agreement previously approved by the Compensation Committee. During 2004, none of the executive officers received an increase in base salary, other than the October 2004 increases received by:

Mr. Cameron upon his becoming our Chief Executive Officer, as discussed below, and

the increase in annual salary from \$450,000 to \$550,000 received by Mr. Holcombe upon becoming our President.

In addition, in April 2005, subsequent to the resignation of Mr. Holstein as Chief Executive Officer of our WebMD Health segment, Mr. Gattinella received a salary increase to \$560,000 upon being named as Co-Chief Executive Officer and President of WebMD Health. He currently serves as WebMD Health's sole Chief Executive Officer.

Annual Incentive Awards. WebMD provides executives with the opportunity to earn performance-based cash awards through an annual cash bonus. With respect to WebMD's executive officers, these annual bonuses are discretionary and are determined by the Compensation Committee based upon their assessment of company and individual performance. In some cases, individual target awards are established for each executive officer, expressed as a percentage of the executive's base salary. These target percentages vary based on the nature and scope of the executive officer's responsibilities and competitive market practice. In some cases, particularly with respect to newly hired executive officers, bonus awards may be dictated by the terms of the executive's employment agreement, providing for payment of a specified bonus amount or an amount within a specific range with respect to the first year of employment. No pre-established performance targets were used in determining bonus amounts for executive officers for 2004; the Compensation Committee determined such amounts based on its assessment of the performance of WebMD and its business segments in 2004 and of each executive officer's individual performance and contributions during the year.

Long-Term Incentives. The Compensation Committee continues to view equity-based compensation that is subject to vesting requirements as an effective way to ensure that employees have a continuing stake in the long-term success of our company. These long-term incentives are granted to reward employees for increasing stockholder value and to promote retention of employees over the long-term. Up until 2004, WebMD used stock options, almost exclusively, to provide long-term incentive compensation. However, in March 2004, WebMD granted a combination of stock options and restricted stock to key senior executives.

Stock Options: In March 2004, the Compensation Committee approved a broad-based grant of stock options to eligible employees, including each of the executive officers, other than: Mr. Holstein, who had received a grant in 2003 upon his becoming Chief Executive Officer; Messrs. Corbin and Holcombe, who had each received a grant in 2003 at the time of their initial hiring; and Mr. Wygod. The options granted in March 2004 have an exercise price of \$8.59, the fair market value of our common stock on the date of grant, and vest over a 3¹/₂ year period, with the first vesting occurring 18 months after grant, the second vesting occurring 30 months after grant and the final vesting occurring 42 months after grant. The total number of options to purchase WebMD common stock granted in March 2004 was 10,140,600. Although no specific formula was used to determine the size of the individual stock option grants (including the grants made to executive officers), grants were generally based upon factors such as the individual's position, the nature and scope of the individual's responsibilities, the individual's contribution to WebMD's performance and expected contribution to meeting long-term strategic goals of WebMD. Grants received by executive officers were determined by the Compensation Committee based on a qualitative assessment of those factors.

Table of Contents

Restricted Stock: In March 2004, WebMD also granted shares of restricted stock to key senior executives, including each of the executive officers other than Mr. Wygod. The total number of shares of restricted stock granted in March 2004 was 1,174,800. These grants were made in recognition of the significant effort and individual contributions of these executives and the limited cash bonuses paid to this group for 2003. The restricted stock that was granted vests over three years, with one-third of the amount granted vesting on each of the first, second and third anniversaries of the date of grant. The Compensation Committee believes that grants of restricted stock provide an additional retention component to WebMD's total compensation program, while continuing to focus executives on achieving WebMD's long-term objectives and increasing stockholder value.

Compensation of the Chief Executive Officer

In October 2004, Mr. Cameron was appointed as Chief Executive Officer of WebMD and received an increase in annual salary from \$450,000 to \$660,000. Upon his appointment as CEO, Mr. Cameron received a grant of options to purchase 1,500,000 shares of our common stock at an exercise price of \$6.99 per share and a grant of 275,000 shares of restricted stock. The Compensation Committee believes that Mr. Cameron's compensation arrangements (more fully discussed under Executive Compensation, including under Compensation Arrangements with Executive Officers Arrangements with Kevin Cameron) are appropriate in light of his increased responsibilities. In addition, prior to his becoming CEO, Mr. Cameron received an option grant to purchase 200,000 shares of our common stock at an exercise price of \$8.59 and a grant of 30,000 shares of restricted stock, each as part of the March 2004 grants to executives and other employees described above under Program Elements Long-Term Incentives.

Under the employment agreement between Mr. Cameron and WebMD, he is eligible to receive an annual bonus of up to 100% of his base salary. For the fiscal years ending December 31, 2004 and December 31, 2005, the employment agreement provides that the amount of that bonus will be determined in the discretion of the Compensation Committee. For subsequent years, the agreement provides that the amount of the bonus will be based upon performance goals to be approved by the Compensation Committee with respect to each such year. It was determined by the Compensation Committee that, for 2004, Mr. Cameron should receive a bonus of \$402,000. No pre-established performance targets were used in determining this amount, which was determined by the Compensation Committee based on its assessment of the performance of WebMD and its business segments in 2004 and Mr. Cameron's contributions during the year, both before and after he became Chief Executive Officer.

From May 2003, through September 2004, Mr. Holstein served as our Chief Executive Officer and received a base salary of \$1,000,000 during that time. Subsequently, from October 2004 to his resignation in April 2005, Mr. Holstein served as CEO of our WebMD Health segment, earning a salary of \$660,000. As CEO of WebMD and CEO of WebMD Health, Mr. Holstein was eligible to receive an annual bonus, at the discretion of the Compensation Committee, of up to 100% of his base salary. It was determined by the Compensation Committee that, for 2004, Mr. Holstein should receive a bonus of \$402,000. No pre-established performance targets were used in determining this amount, which was determined by the Compensation Committee based on its assessment of the performance of WebMD and its business segments in 2004 and Mr. Holstein's contributions during the year, both before and after he ceased to be our Chief Executive Officer.

Mr. Holstein resigned from all positions with WebMD and its subsidiaries effective April 27, 2005. Pursuant to a letter agreement between WebMD and Mr. Holstein dated April 27, 2005 that was approved by the Compensation Committee and is more fully discussed under Compensation Arrangements with Executive Officers Arrangements with Roger C. Holstein, Mr. Holstein is entitled to receive an amount equal to his annual base salary until October 27, 2007 and welfare benefits for that same period, unless he receives comparable coverage under another plan. In addition, his options to purchase WebMD common stock will remain outstanding and continue to vest through April 27, 2007. His unvested restricted stock was forfeited at the time of his resignation.

Table of Contents

Policies and Practices Relating to Section 162(m)

Section 162(m) of the Internal Revenue Code limits the ability of a publicly held corporation to deduct compensation in excess of \$1 million paid to certain executive officers. It is the policy of the Compensation Committee to comply, where practicable, with Section 162(m) of the Code so as to maximize the tax deductibility of compensation paid to its top executive officers. Accordingly, WebMD's stock option plans under which awards are made to officers and directors are currently designed to ensure that compensation attributable to options granted will be tax deductible by WebMD. However, the Compensation Committee recognizes that the restricted stock grants made in March 2004 do not comply with Section 162(m) and such grants, together with other compensation to these officers, may exceed the limits on deductibility over the next three years. In addition, \$260,000 of the \$1,260,000 salary that Mr. Wygod received exceeded the limits on deductibility during 2004 and a portion will exceed these limits in 2005. For the reasons stated in this Report, the Compensation Committee believes that such arrangements and the restricted stock grants are in the best interests of WebMD and its stockholders. With the exceptions listed above, no executive officer's compensation exceeded the limits on deductible compensation during 2004 and the Compensation Committee does not expect that the compensation from WebMD to any executive officer during 2005 will exceed these limits other than for Mr. Wygod and perhaps Messrs. Cameron and Gattinella based upon their bonus potential.

REPORT OF THE AUDIT COMMITTEE

The current members of the Audit Committee of our Board of Directors are Paul A. Brooke, James V. Manning and Joseph E. Smith and Mr. Manning is the Chairman. The Audit Committee is responsible for, among other things:

retaining and overseeing the registered public accounting firm that serves as our independent auditor and evaluating their performance and independence;

reviewing the annual audit plan with WebMD's management and registered public accounting firm;

pre-approving any permitted non-audit services provided by our registered public accounting firm;

approving the fees to be paid to our registered public accounting firm;

reviewing the adequacy and effectiveness of our internal controls with WebMD's management, internal auditors and registered public accounting firm;

reviewing and discussing the annual audited financial statements and the interim unaudited financial statements with WebMD's management and registered public accounting firm;

approving our internal audit plan and reviewing reports of our internal auditors;

determining whether to approve related party transactions; and

overseeing the administration of WebMD's Code of Business Conduct.

The Audit Committee operates under a written charter adopted by the Board of Directors, which is included as Annex A to this Proxy Statement.

This report reviews the actions taken by the Audit Committee with regard to our financial reporting process for 2004 and particularly with regard to our audited consolidated financial statements and the related schedule included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2004.

Our management has the primary responsibility for WebMD's financial statements and reporting process, including the systems of internal controls. Our independent auditors are responsible for performing an independent audit of our consolidated financial statements and the related schedule in accordance with the standards of the Public Company Accounting Oversight Board (United States) and issuing a report thereon and a report on management's assessment and the effectiveness of internal control over financial reporting. The Audit Committee's responsibility is to monitor and oversee these processes. In carrying out its oversight responsibilities, the Audit Committee is not providing any expert or special assurance as to WebMD's financial statements or systems of internal controls or any professional certification as to the independent auditors' work. The Audit Committee has implemented procedures to ensure that, during the course of each fiscal year, it devotes the attention that it deems necessary or appropriate to fulfill its oversight responsibilities under the Audit Committee's charter.

In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited financial statements and the Report of Management on Internal Control Over Financial Report included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2004. In addition, the Audit Committee reviewed with WebMD's independent auditors, Ernst & Young LLP, who are responsible for expressing an opinion on the conformity of those audited financial statements with U.S. generally accepted accounting principles, their judgments as to the quality, rather than just the acceptability, of our accounting principles and such other matters as are required to be discussed with the Audit Committee under Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, other standards of the Public Company Accounting Oversight Board (United States) SEC rules, and other professional standards. The Audit Committee also reviewed with Ernst & Young, the Report of Independent Registered Public Accounting Firm on Internal Control Over Financial

Reporting included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2004. In addition, the Audit Committee discussed with Ernst & Young their independence

from management and WebMD, including the matters in the written disclosures required of Ernst & Young by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as adopted, on an interim basis, by the Public Company Accounting Oversight Board pursuant to Rule 3600T. The Audit Committee also considered whether the provision of audit-related services (see Independent Auditors Services and Fees of Ernst & Young above) during 2004 by Ernst & Young is compatible with maintaining Ernst & Young's independence.

Additionally, the Audit Committee discussed with our independent auditors the overall scope and plan for their audit of our financial statements and their audits of our internal control over financial reporting. The Audit Committee met with the independent auditors, with and without management present, to discuss the results of their examination, their evaluation of WebMD's internal controls and the overall quality of WebMD's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to our Board of Directors that the audited financial statements and related schedule and management's assessment of the effectiveness of WebMD's internal control over financial reporting be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2004 for filing with the SEC. The Audit Committee has also approved the retention of Ernst & Young as our independent auditors for 2005 and as WebMD Health Corp.'s independent auditors for 2005.

The funds were advanced pursuant to a promissory note bearing interest at the fixed rate per annum of 4.63%. The agreement provides for FHRS to integrate WebMD Health's employer product, Health and Benefits Manager, into the services FHRS provides to its clients. In addition, WebMD Health's Health and Benefits Manager has been rolled out to the Fidelity employee base. WebMD recorded approximately \$817,000 in revenue in 2004 related to the FHRS agreement.

**PROPOSAL 2:
AMENDMENT OF THE WEBMD CHARTER
TO CHANGE THE CORPORATE NAME OF WEBMD TO EMDEON CORPORATION**

Our WebMD Health segment is a leading provider of health information services for consumers, physicians, healthcare professionals, employers and health plans through its public and private online portals and health-focused publications. As previously announced, WebMD Health Corp., a wholly owned subsidiary formed by us to be a holding company for our WebMD Health segment, has filed a Registration Statement on Form S-1 with respect to an initial public offering of its Class A common stock, which would have one vote per share. We expect that WebMD Health will sell between 10% and 14% of its equity to the public in the offering. We would own the remaining equity of WebMD Health in the form of Class B common stock, which would have ten votes per share, and would control WebMD Health. The timing for the sale has not yet been determined.

WebMD Health Corp. was originally incorporated under the name WebMD Health Holdings, Inc. and is referred to in this Proposal 2 as WebMD Health. Because the WebMD name has been more closely associated with WebMD Health's business and its Web sites than with our other businesses, our Board of Directors has determined that WebMD Health will, following its initial public offering, have the sole right to use the name WebMD and related trademarks and that our other businesses will cease to use that name except, under a temporary license from WebMD Health, as needed for an orderly transition. We believed that the WebMD name was not strongly associated with any of our other businesses, none of which has had a long history of using the name. In addition, we believed that not only would the businesses included in our WebMD Practice Services and WebMD Business Services segments not be harmed by ceasing to use WebMD as a brand, they would be likely to benefit from use of new branding and related marketing campaigns that emphasize the breadth of the product and service offerings of those businesses. Many of the products and services of those businesses have not been associated by customers with the WebMD name, but instead have been associated with names of companies that we acquired, including ABF, Medifax and ExpressBill. Accordingly, in August 2005, we began to use Emdeon in the names of those segments. We are also using Emdeon as a brand for many of the products and services of those segments. There has not been any change in the name of our Porex segment or its branding.

To reflect the branding changes at Emdeon Practice Services and Emdeon Business Services and to avoid confusion between our company and WebMD Health following its initial public offering, our Board of Directors has determined that it is advisable and in the best interest of our company to change its corporate name from WebMD Corporation to Emdeon Corporation.

If Proposal 2 is approved by our stockholders, we plan to file a Certificate of Amendment to the WebMD Charter. Pursuant to the Certificate of Amendment, Article I of the WebMD Charter will be amended to read in its entirety as follows:

The name of this corporation is Emdeon Corporation.

Our Board of Directors unanimously recommends a vote FOR the approval of Proposal 2.

If the amendment to the WebMD Charter is adopted, WebMD stockholders will not be required to exchange outstanding stock certificates for WebMD common stock or convertible preferred stock for new Emdeon stock certificates.

Notwithstanding anything herein to the contrary, and notwithstanding stockholder approval of Proposal 2, our Board of Directors may abandon such amendment to the WebMD Charter prior to its effectiveness under applicable law.

**PROPOSAL 3:
RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed the firm of Ernst & Young LLP, an independent registered public accounting firm, to be WebMD's independent auditor for the current fiscal year and, with the endorsement of the Board of Directors, recommends to stockholders that they ratify that appointment. Ernst & Young has served as our independent auditors since 1995.

Our Board of Directors unanimously recommends a vote FOR the approval of Proposal 3.

Although stockholder approval of the Audit Committee's appointment of Ernst & Young is not required by law, the Board of Directors believes that it is advisable and a matter of good corporate practice to give stockholders an opportunity to ratify this appointment. If this proposal is not approved at the Annual Meeting, the Audit Committee will reconsider its appointment of Ernst & Young.

A representative of Ernst & Young is expected to be present at the Annual Meeting. The representative will be afforded an opportunity to make a statement and will be available to respond to questions by stockholders. If the selection of Ernst & Young is ratified, the Audit Committee nevertheless retains the discretion to select different accounting firms in the future, should the Audit Committee then deem such selection to be in WebMD's best interest and in the best interest of the stockholders.

Services and Fees of Ernst & Young

In addition to retaining Ernst & Young to audit our consolidated financial statements for 2004 and 2003 and to review our quarterly financial statements during those years, we retained Ernst & Young to provide certain related services. The fees for Ernst & Young's services to WebMD were:

| Type of Fees | 2004 | 2003 |
|---------------------|-----------------------|---------------------|
| Audit Fees | \$ 3,262,600 | \$ 2,449,278 |
| Audit-Related Fees | 323,970 | 380,860 |
| Tax Fees | 27,680 | 99,000 |
| All Other Fees | 1,750 | 2,500 |
| Total Fees | \$ \$3,616,000 | \$ 2,931,638 |

In the above table, in accordance with applicable SEC rules:

audit fees include: (a) fees billed for professional services (i) for the audit of the consolidated financial statements included in our Annual Report on Form 10-K for that fiscal year, (ii) for review of the consolidated financial statements included in our Quarterly Reports on Form 10-Q filed for that fiscal year; (b) fees billed for services that are normally provided by the principal accountant in connection with statutory and regulatory filings or engagements; (c) for 2004, also include fees billed for the audit of internal control over financial reporting and management's assessment of internal control over financial reporting; and (d) for 2003, also include fees billed for a standalone audit of Porex;

audit-related fees are fees billed in the year for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements, and, in 2004 and 2003, consisted of fees related to the audit of our employee benefit plans and fees for acquisition due diligence assistance;

tax fees are fees billed in the year, if any, for professional services for tax compliance, tax advice, and tax planning and

in 2004, consisted of fees for tax consulting related to net operating loss analysis and for compliance assistance; and

Table of Contents

in 2003, consisted of fees for tax consulting related to acquisitions; and

all other fees are fees billed in the year, if any, for any products and services not included in the first three categories and, in both 2004 and 2003, consisted of a subscription to Ernst & Young Online, a research tool.

None of these services was provided pursuant to a waiver of the requirement that such services be pre-approved by the Audit Committee. The Audit Committee has determined that the provision by Ernst & Young of non-audit services to us in 2004 is compatible with Ernst & Young maintaining their independence.

Our Audit Committee has, as of the date of this Proxy Statement, decided to consider whether to pre-approve permissible non-audit services and fees on a case-by-case basis, rather than pursuant to a general policy, with the exception of acquisition-related due diligence engagements, which have been pre-approved by the Audit Committee and are subject to monitoring by the Chairman of the Audit Committee. To ensure prompt handling of unexpected matters, our Audit Committee has delegated to its Chairman the authority to pre-approve permissible non-audit services and fees and to amend or modify pre-approvals that have been granted by the entire Audit Committee. A report of any such actions taken by the Chairman is provided to the Audit Committee at the next Audit Committee meeting.

Our Audit Committee has approved the retention of Ernst & Young by our WebMD Health Corp. subsidiary as independent auditors of its financial statements appearing in the Registration Statement on Form S-1 with respect to an initial public offering of its Class A common stock, as well as for its 2005 financial statements.

AS AMENDED THROUGH FEBRUARY 23, 2005**

A. Purpose

1. *General.* The Nominating Committee (the Committee) has been established by the Board of Directors (the Board) of WebMD Corporation (the Corporation) to assist the Board by actively identifying individuals qualified to become Board members and making recommendations to the Board regarding (a) the persons to be nominated by the Board for election as director at each annual meeting of stockholders, (b) appointments of directors to fill vacancies occurring between annual meetings and (c) appointments of directors to fill newly created directorships, if any, created by expansion of the size of the Board between annual meetings.

2. *Diversity.* The Board believes that diversity is a critical attribute of a well-functioning board. It is the responsibility of the Nominating Committee to seek qualified candidates to fill vacancies on the Board that contribute distinctive and useful perspectives to governance that best serves the interests of the Company and its stockholders. The Committee shall advise the Board on matters of diversity, including gender, race, culture, thought and geography, and recommend, as necessary, procedures for achieving diversity of viewpoint, background, skills, types of experience, and areas of expertise on the Board.

B. Composition

1. *Members.* The Committee shall consist of as many members as the Board shall determine, but in any event not fewer than three members. Members of the Committee shall be appointed by the Board in accordance with the By-laws of the Corporation. Committee members shall serve until the earliest of their resignation or their replacement or removal by the Board in accordance with this Charter and the By-laws of the Corporation.

2. *Qualifications.* Each member of the Committee shall, in the judgment of the Board, meet the following requirements (the Independence Requirements):

all independence requirements, under applicable law, for members of nominating committees of companies listed for quotation on the NASDAQ NMS;

all applicable independence requirements of The NASDAQ Stock Market for members of nominating committees of companies listed for quotation on the NASDAQ NMS; and

being free from any relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment as a member of the Committee.

In the event that the Board determines that a member ceases to meet the Independence Requirements, the Board shall consider the removal and replacement of such member; provided, however, that the Board may, if necessary or appropriate in its judgment, appoint or retain Committee members in reliance on any available exceptions to any of the Independence Requirements for the time period such exceptions are available. A failure by one or more Committee members to meet any of the Independence Requirements shall not invalidate decisions made, or actions taken, by the Committee.

3. *Chairperson.* A Chairperson of the Committee may be appointed by the Board or the Committee.

4. *Removal and Replacement.* The members of the Committee may be removed or replaced, and any vacancies on the Committee shall be filled, by the Board in accordance with the By-laws of the Corporation.

C. Operations

1. *Meetings.* The Committee shall determine the schedule and frequency of the Committee meetings, provided that the Committee shall meet at least once per year in advance of the Board's nomination of directors for election at the Corporation's annual meeting. Minutes of these meetings shall be kept and filed with the Secretary of the Corporation.

2. *Agenda; Reports.* The Committee shall determine the agenda for its meetings. The Committee may invite other Board members, members of management and others to attend meetings and provide pertinent information and reports, as it deems necessary. Nothing in this Charter shall be construed to restrict the reliance by any member of the Committee, to the full extent permitted by law, on information, opinions, reports or statements presented to the Committee by any of the Corporation's officers or employees, or other committees of the Board, or by any other person selected with reasonable care by or on behalf of the Corporation or the Committee as to matters the Committee member reasonably believes are within such other person's professional or expert competence.

3. *Report to Board.* The Committee shall report its actions and recommendations to the Board at the next Board meeting after each Committee meeting or, if so determined by the Committee, by distribution to the members of the Board of the minutes of a meeting, a unanimous written consent or other relevant documents.

D. Authority and Responsibilities Delegated to the Committee

1. The Committee shall establish and review with the Board the qualifications and characteristics that it determines should be sought with respect to individual Board members and the Board as a whole and shall review with the Board any changes thereto that it may, from time to time, determine to be appropriate. These qualifications and characteristics shall be designed to assist the Board in meeting the objectives set forth in Section A.2 of this Charter with respect to diversity.

2. The Committee shall assess the adequacy of this Charter and the procedures developed by the Committee to implement this Charter on at least an annual basis and shall submit any proposed amendments to this Charter that the Committee recommends be made to the Board for its approval. This assessment shall include a review of procedures developed to assist the Board in meeting the objectives set forth in Section A.2 of this Charter with respect to diversity.

3. In order to assist the Board in meeting the objectives set forth in Section A.2 of this Charter with respect to diversity, the Committee shall develop director search processes that identify qualified Board candidates both in the corporate environment as well as other enterprises, such as government, academia, private enterprise, complex non-profit organizations, and professions that serve them, such as accounting, human resources, and legal services. The search process will be designed so that candidates are not systematically eliminated from the search process due solely to background or organizational affiliation and so that each director search affirmatively seeks to include candidates with diverse backgrounds and skills.

4. The Committee shall, in accordance with (a) the policies and principles set forth in this Charter and (b) the relevant requirements of applicable law and requirements applicable to companies listed for quotation on the NASDAQ NMS, identify and recommend to the Board

i. the persons to be nominated by the Board for election as director at each annual meeting of stockholders,

ii. persons to be appointed as directors to fill vacancies occurring between annual meetings, and

iii. persons to be appointed as directors to fill newly created directorships, if any, created by expansion of the size of the Board between annual meetings.
